You've always been like this so I should have known better

...

Whatever

I suppose you're pretty preoccupied with your job as it is

It's only part-time

Not really

Nothing

No

What?

Failing to gain any sort of meaningful employment, I've been jumping back and forth from one part-time job to another. Hardly a good spot to be in when you're trying to turn your life around.

I'm unable to change

It's not that I haven't changed

Not even sure what I'd say if I saw her again

Doubt she'd have much to say to me

Never came home after that, and that last phonecall with mom was the last time I spoke to her.

The only reason I came back today was because I knew mom would be away.

By the time I graduated college my old man suddenly passed.

But my mother wouldn't let me come back from campus to morun with my family.

You only just graduated, your priority right now should be to find a good job, then you can come back

I don't want the neighbors to see you and get the wrong idea

You're still unemployed, you can't come home!

A severe lack of motivation and a score of other burdens only caused things to get worse with time

And the worse things get, the harder it becomes to get back up

...
What's the point in digging up old memories?

Everything went wrong after that

Oh, thanks

The noodles are done

Onii-chan

Right, right.

Amazing, right?

You actually remembered?

The sauce is thick, just the way you like it

Really? How?

You really have changed

Huh?

Well,
you know
...

In lots
of ways

Oh,
um...

Stupid jerk!
Fine, be
that way!

Onii-chan!

Last time
I saw her
she was
barely taller
than a
middle-
schooler

Come on,
Be more
specific!

Never
underestimate
puberty

hm
...

...

When are you going back to Tokyo?

Onii-chan

And I want to bounce before mom comes back

I'll have to be back for work

Tomorrow night, probably

She's living with him now, so she's not coming back

...found someone new

Mom
...

By the way, Shouldn't you take a bath-

So ...

Huh?

if you want ...

You don't have to worry anymore about that

With just the two of us

You could stay

What?

Come on,
go take your
bath

I don't
wanna

See?
Everything
is fine.

I don't recall
you being
this
squeamish

Onii-
chan

Come
with me,
please!

SAY
WHAT!?

Fine!
I'll wait
by the
door

So
what?

I'm scared
of the
dark

What are
you, eight?

What
if the power
goes out
when I'm
in the tub?

Are you
high?!

No!!

not?

Why

That was then!

Why are you so against it anyway? We used to bathe together all the time!

Shiori is right. We used to do this all the time. Wait... There's nothing to get worked up about. In fact, thinking about this from a logical perspective with the second law of thermodynamics in mind it'd be even more strange to get worked up about this with the second law of thermodynamics.

THUMP

Right...

Everything is ready

HOL' UP!

Onii-
chan!

Onii-
chan?

?

THUMP

Am I really the only one getting nervous about this?

Oh? Sure

Should I wash your back?

Turn around so I can wash you on the front

No, that won't be...

hm?

I'll wash off the foam

I'll do it myself!

Ah

Come on, already!

If you don't turn around I won't be able to wash you

?

ANYWHERE BUT THERE!

NOT THERE!

what?

huh?

HEY, QUIT IT!

How else am I supposed to wash it?

Why? Shouldn't that be...

Why can't I touch it?

why?

Crap!

Tell me!

AH!

!!?

S-Semen?!
Whadya
mean?

Onii-
chan

of your
semen

I liked
the
feeling

You
can touch
if you
want
...

Do you
like my
boobs?

About the conversation we had earlier

Hihi

That's one hell of a sleeping gown...

Wha...

I'll look for a job here

Yup

R-Really?!

It's not like Tokyo has done me any favors

BLUSH

After
three
whole
years

But when
I finally saw
you again
earlier

I realized
nothing had
changed at
all

I've tried
to rid myself
of these
feelings for
so long

So...

We both
have
trouble
changing

It seems

Onii-
chan

I love
you!

Slowly,
together

Yet
we will
change

The End
