I couldn't even properly point my camera at them.

This being my first time at a shoot, my nervous meter was off the charts.

Far from it, actually.

A few hours ago, I would never have imagined this.

Anna-chan and Kasaara-chan.

The super popular cos-players,

The cheerful, energetic Kasaara-chan, whose costume is always very revealing.

The calm and composed, yet mischievous Anna-chan,

are traps!

Both of these cos-players

I'm one of those men, too.

Alright, near the front line.

are flocking to two people of the same sex.

In other words, the men gathered here
