Daddy ♥

Today's the day, just as I promised Daddy...♥

Ping♪

It's a bit chilly, but I can handle it. ><

Oh, did just as I told you. That's my baby girl.

Do you actually have it in?
Spread and show me.

Kay...♡

See? It's really all the way in there...

I know I've showed you before,
but here's my classroom.

C'mon, Sarah.

Don't go getting off with the selfie stick now.

I bought you something much better,
so control yourself until you've had the
chance to use it.

You did bring it, right?

Yeah, I hid it in my desk so I'd be ready whenever you told me.♡

You were hoping for this all day, huh.

Alright, I'll be waiting for my video.

...Mkay♡

Kinda forgot to send this one...><

To be continued... possibly.

I WANT TO USE MONEY TO LURE A WOMAN AND TRAIN HEEEEEEER!!

Stuff like saying it's only for the money, but in reality she's only making excuses to indulge in seriously perverted acts...
Or she'll start out doing it for money, but before she realizes it, her goals switch to exposing her craziness to Daddy...
I just love these kinds of setups.

The Daddy piles the money on and gets to indulge all that crazy stuff the lady wants!
She's happy! He's happy! It's a win-win!
So if there are any 2D girls that want to be trained out there, please use the below information to get in contact with me.

I put out weak mosiac and no text versions of stuff on my Fanbox, so if you'd like, please have a look.

Till next time.

Given all the stuff he says in the afterword...
I'll leave it up to you whether he's her real daddy or not.
