踊り場トイレ

三杯酢

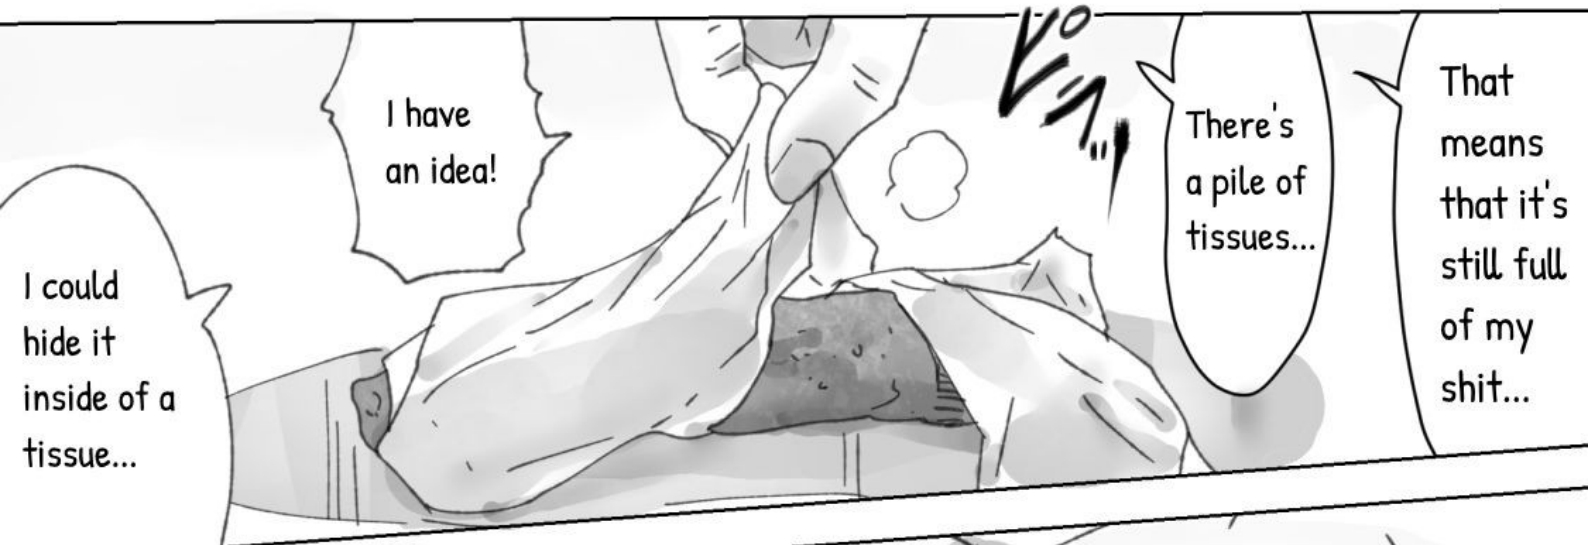

I left  
without  
flushing  
the toilet...

I'm  
sorry...

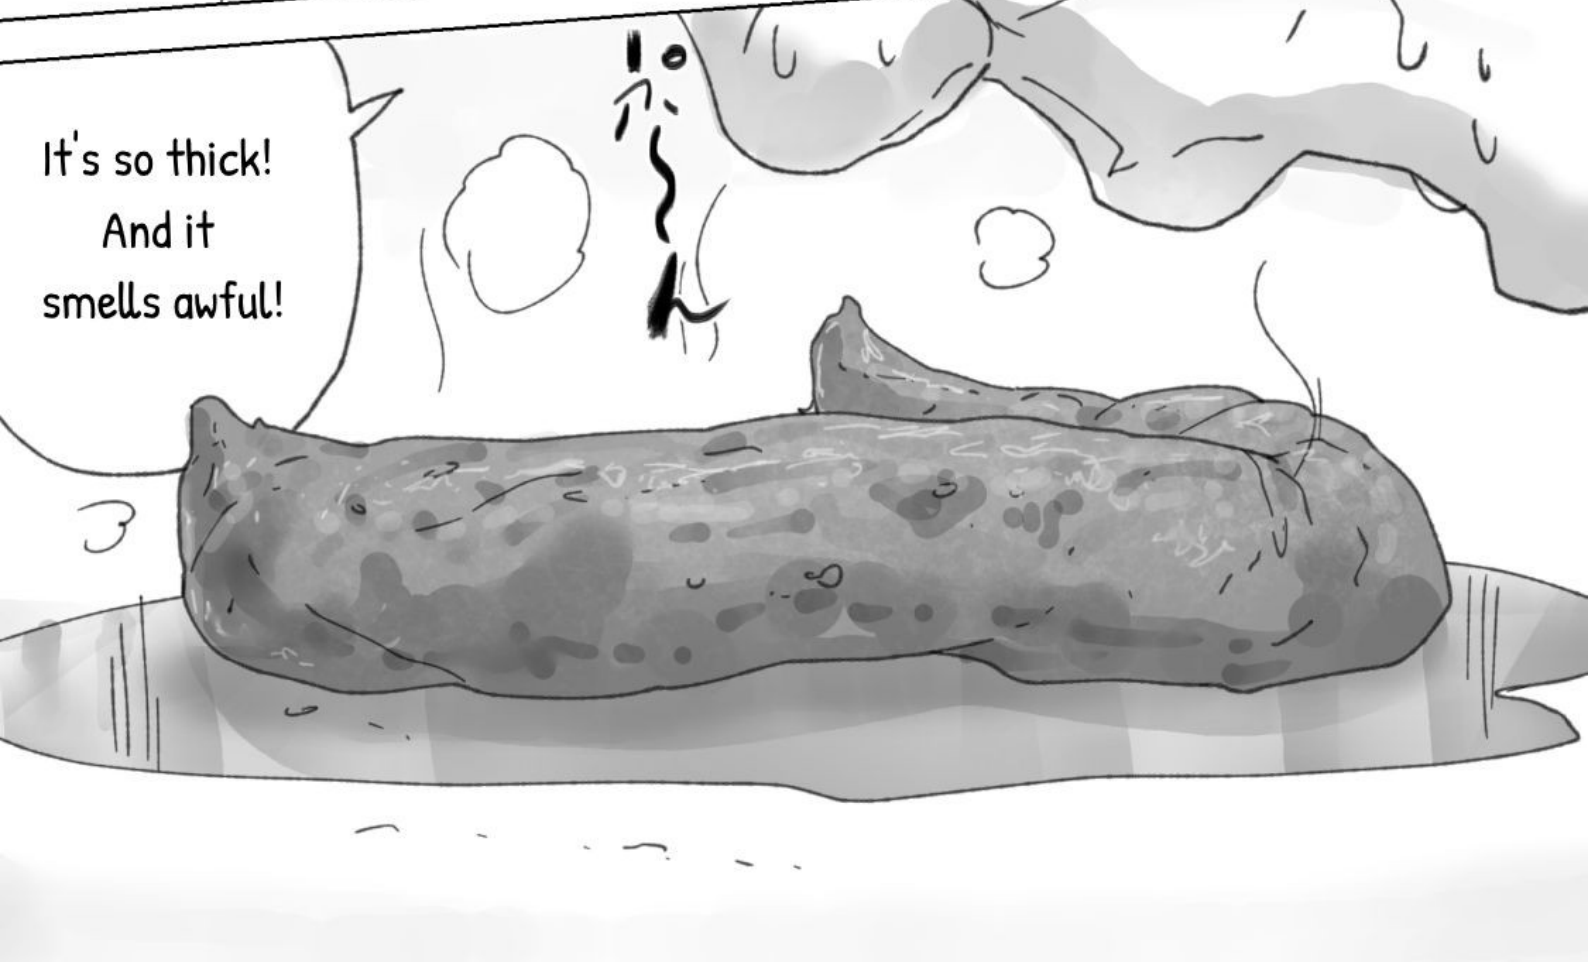

I have  
an idea!

I could  
hide it  
inside of a  
tissue...

There's  
a pile of  
tissues...

That  
means  
that it's  
still full  
of my  
shit...

It's so thick!  
And it  
smells awful!

Ah!

Wow! It's so bitter!

I'll slurp up the piss...

The shit's getting all wet from the piss...

It's time!

I have to get back to class!

It's soft and sticky! And it's still fresh

Shit!

That smell! It's from a girl!

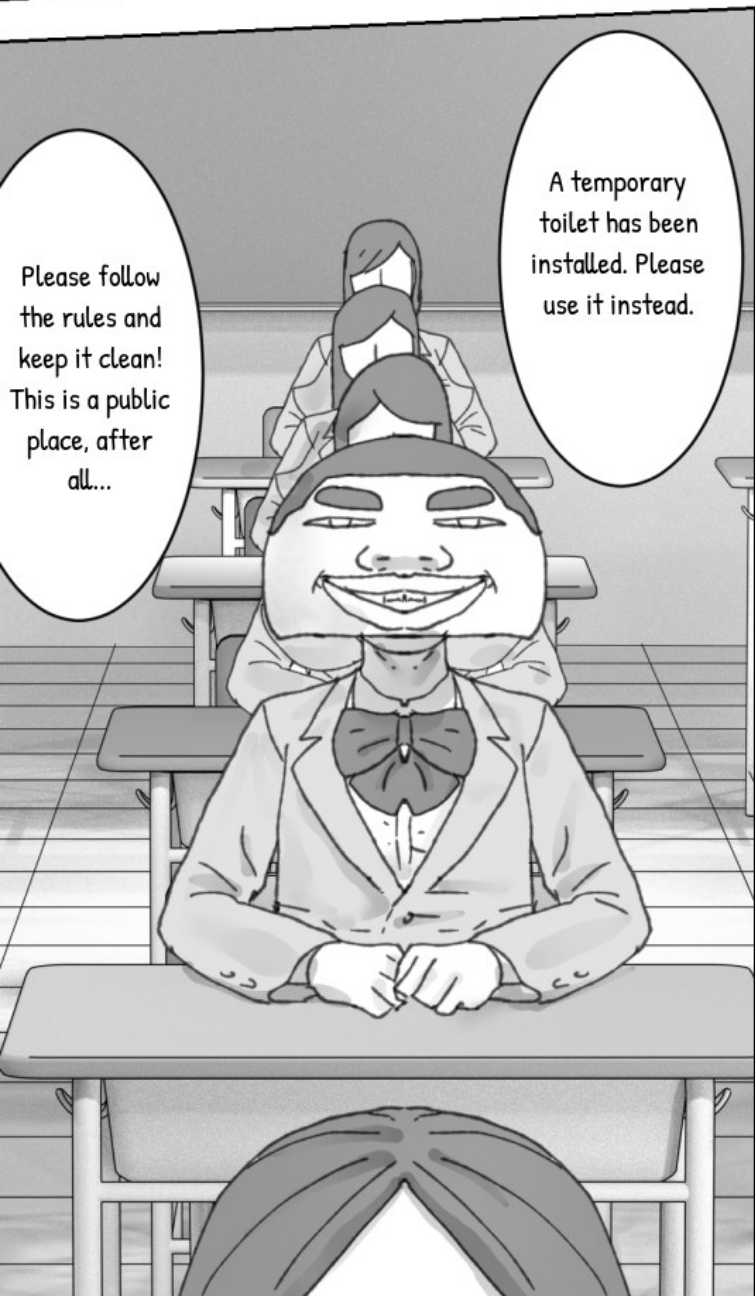

No, it's just simple equipment deterioration

Are we under attack? Did someone break it on purpose?

I've come to make an announcement:  
The toilet is out of order

Please follow the rules and keep it clean! This is a public place, after all...

A temporary toilet has been installed. Please use it instead.

Using the toilet is prohibited until further notice

You're really serious

Mr. Yamamoto, the health commissioner, bought us a new temporary toilet

...and love it like no one else can.

It's willing to take the shit we find disgusting...

If anything, I really like it.

I don't hate it

You can see it from outside!

No! I don't want to use this toilet!

Even campsites have toilets better than this one!

No, I refuse!

I have a container to put it in

You want me to poop on the floor!?

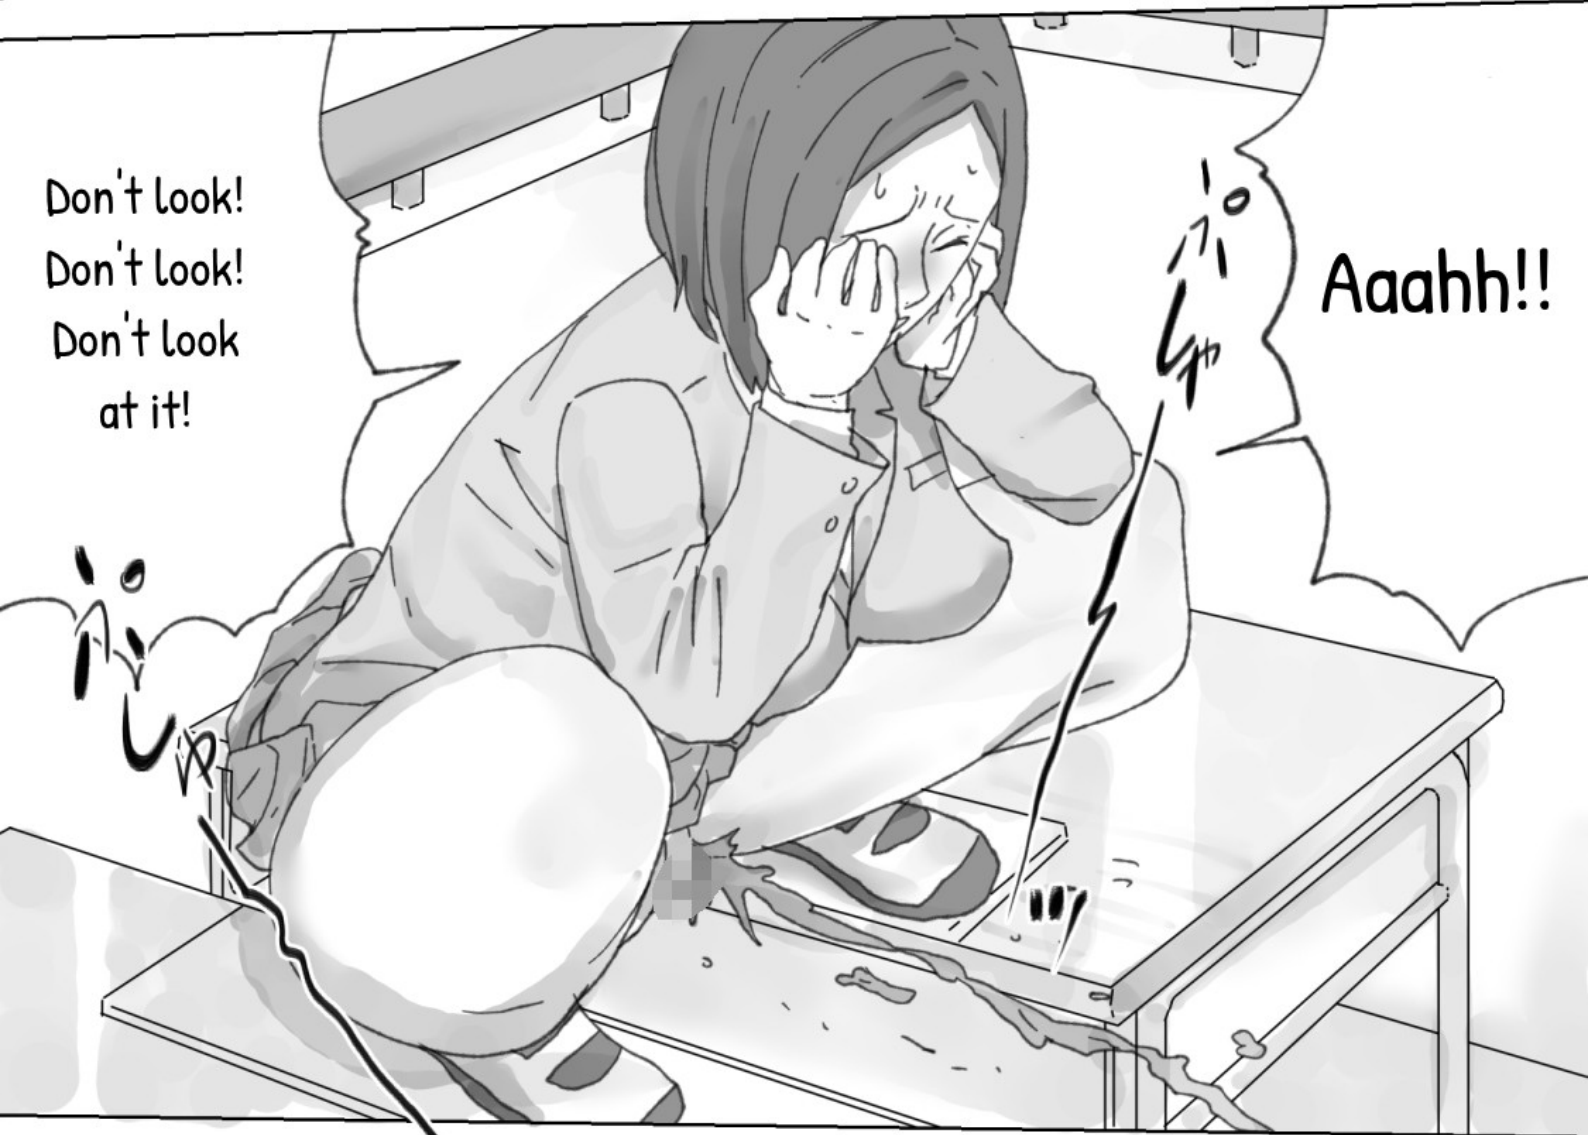

Wh-

Now, in  
this  
container...

What!?

Don't look!  
Don't look!  
Don't look  
at it!

Aaahh!!

Oh, a  
hot piss  
shower!

Wow!

Are you really going to the bathroom here? Is this a joke?

This is just like doing it on the side of the road...

Are you ready? I'm going to start peeing

Do you like it? Does it taste good?

Thanks

It's great

It's getting stiffer!

Drinking my pee really gave you an erection?

It's white and sticky!

Oh! Something came out!

Ahh!

This is wrong

It's better than leaking, but is this really a toilet?

I need to go!

Hurry up!

Is the toilet free yet? I'm still waiting!

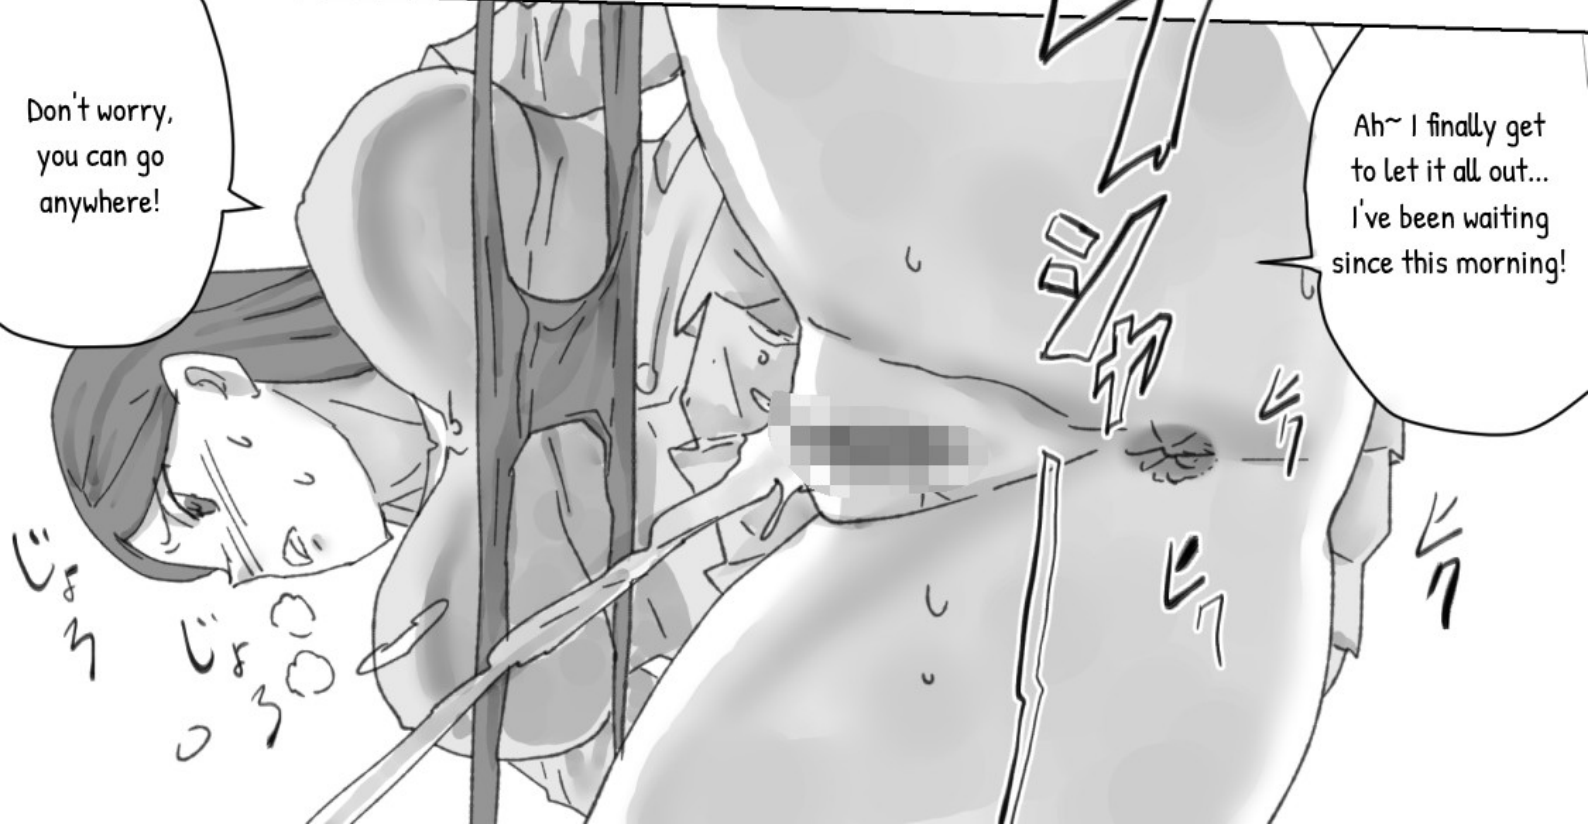

Everyone can see it... and it's making a mess

Umm... I need the container

Since there's more people, please use this container

Please piss as much as you'd like, and try not to spill!

Don't worry, you can go anywhere!

Ah~ I finally get to let it all out... I've been waiting since this morning!

It splatters no matter what I do

Isn't it almost impossible to piss in a container without spilling?

Ugh... The wind's blowing on my ass!

Do you need to pee, sensei?

You're just convenient. It's too cold outside in the winter.

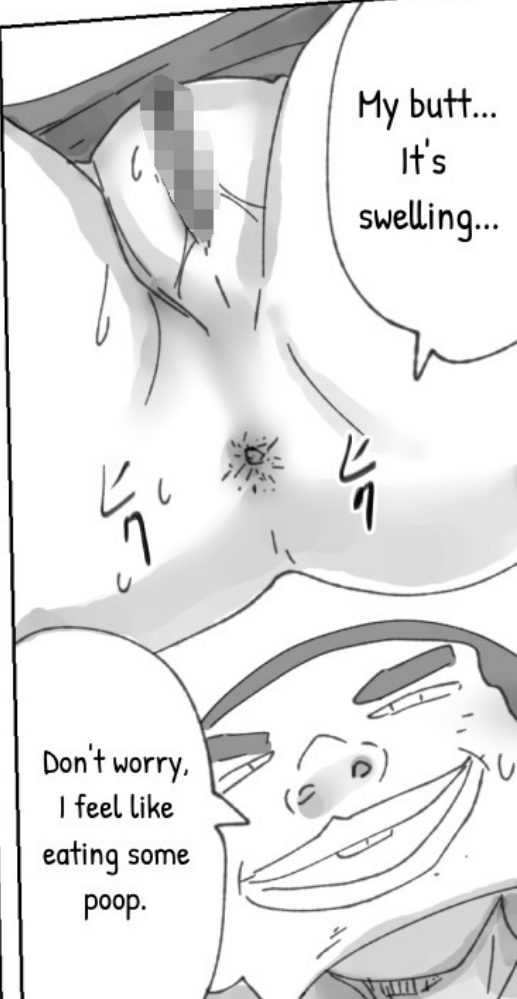

Sensei!

It looks like the new toilet is working well.

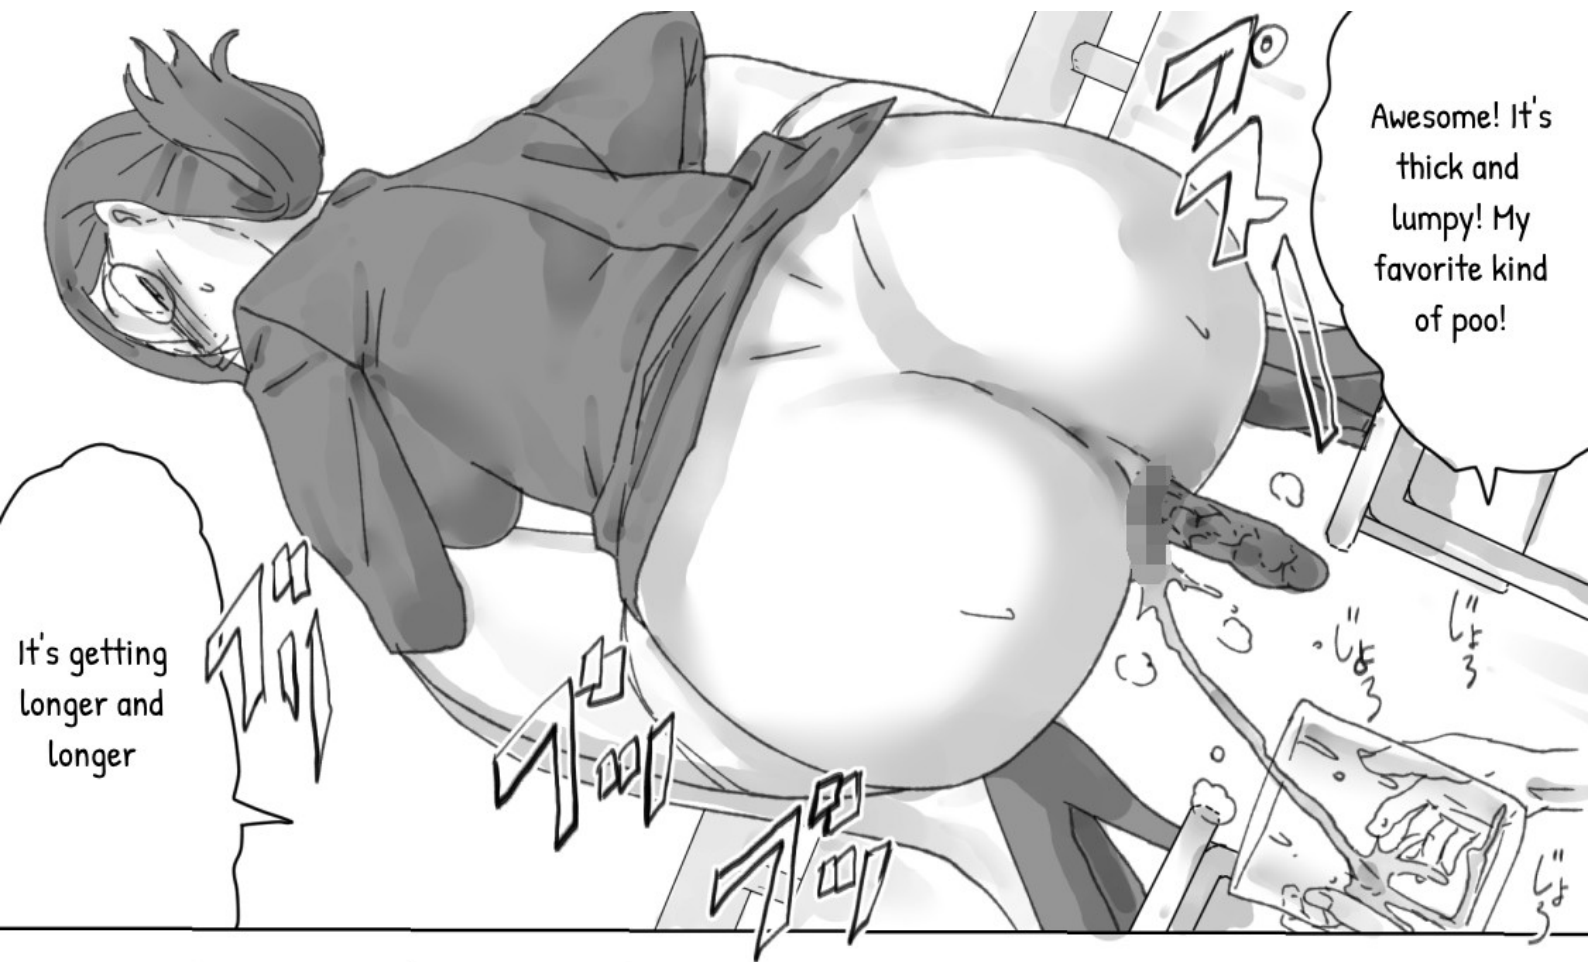

Oh~ I'm pooping

This is the first time anyone's ever stared up at my gaping asshole ready to eat my poop

My butt... It's swelling...

Don't worry, I feel like eating some poop.

Awesome! It's thick and lumpy! My favorite kind of poo!

It's getting longer and longer

Amazing...

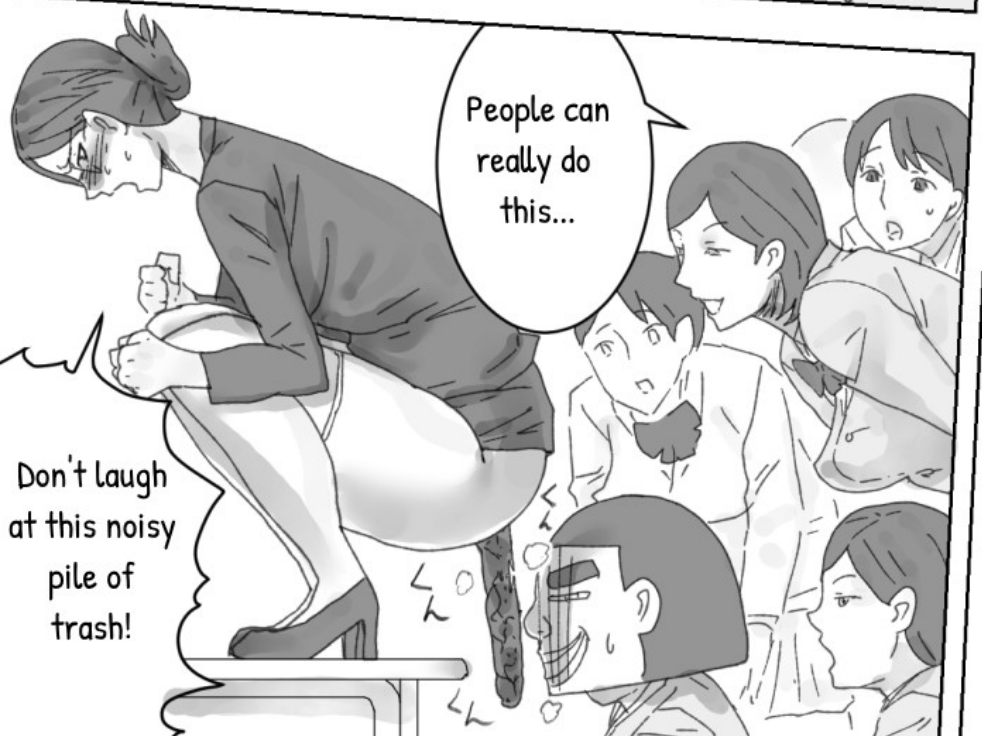

Awesome...

Wow...

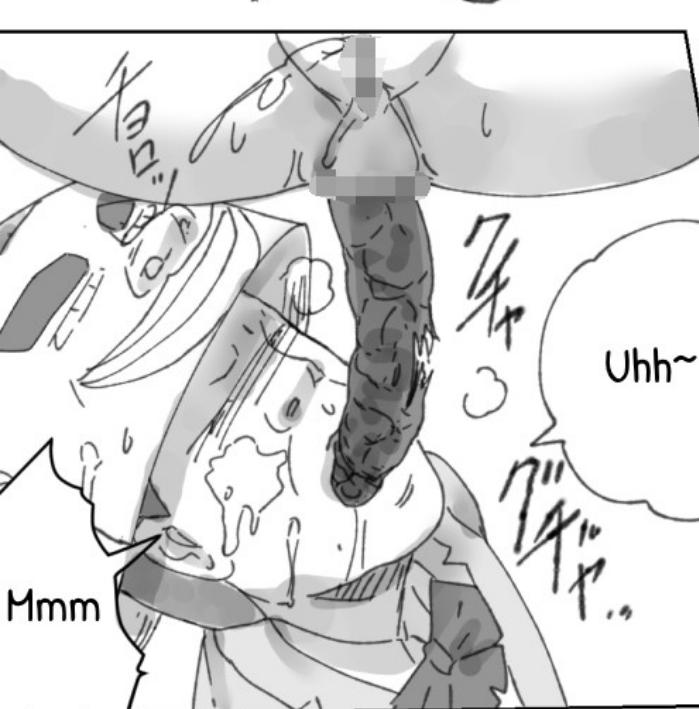

It smells so good too...

I'm touching it

People can really do this...

Don't laugh at this noisy pile of trash!

What? My  
ass!

Good

I'll wipe  
your  
ass

It's  
filthy

えいっ

Oh!

Use me in  
any way  
you want!

It's just  
dirty...

What are you  
doing!? I'm  
a teacher!

Do you like to eat your own shit?

A pervert!

Disgusting!

Don't touch me you filthy toilet pig!

My hair's dropping down, just for you!

Come on, eat my shit! I'll reward you if you do~

Eat up,  
toilet  
pig!

If you like  
it so much,  
then I'll  
give you  
some more

Do you like  
my delicious  
poo?

Yes

お尻尻

It feels so  
good to cover  
that filthy face  
of yours with  
my shit

Thank  
you

You're mine  
now! I own  
you!

All  
right?
