

Until the Unfortunate Tomboy

Becomes
Happy(?)
Part 1

Wow, I didn't expect you to pick such a gruesome one.

What... Th-Then I'll switch to this one...

I... I don't really want anything...

I'm not really sure, so I just picked one at random...

Have you decided which one you want yet?

Thanks a lot.

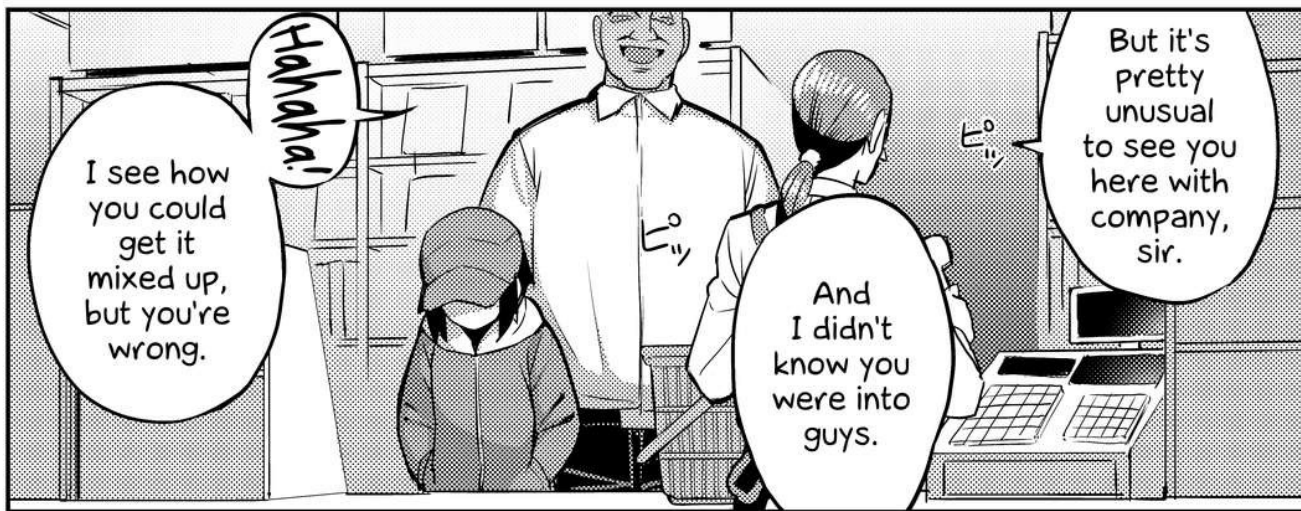

I'll buy this one, please.

Uweh...

No can do, you already chose this one, so we're going with it.

Hahaha!

I see how you could get it mixed up, but you're wrong.

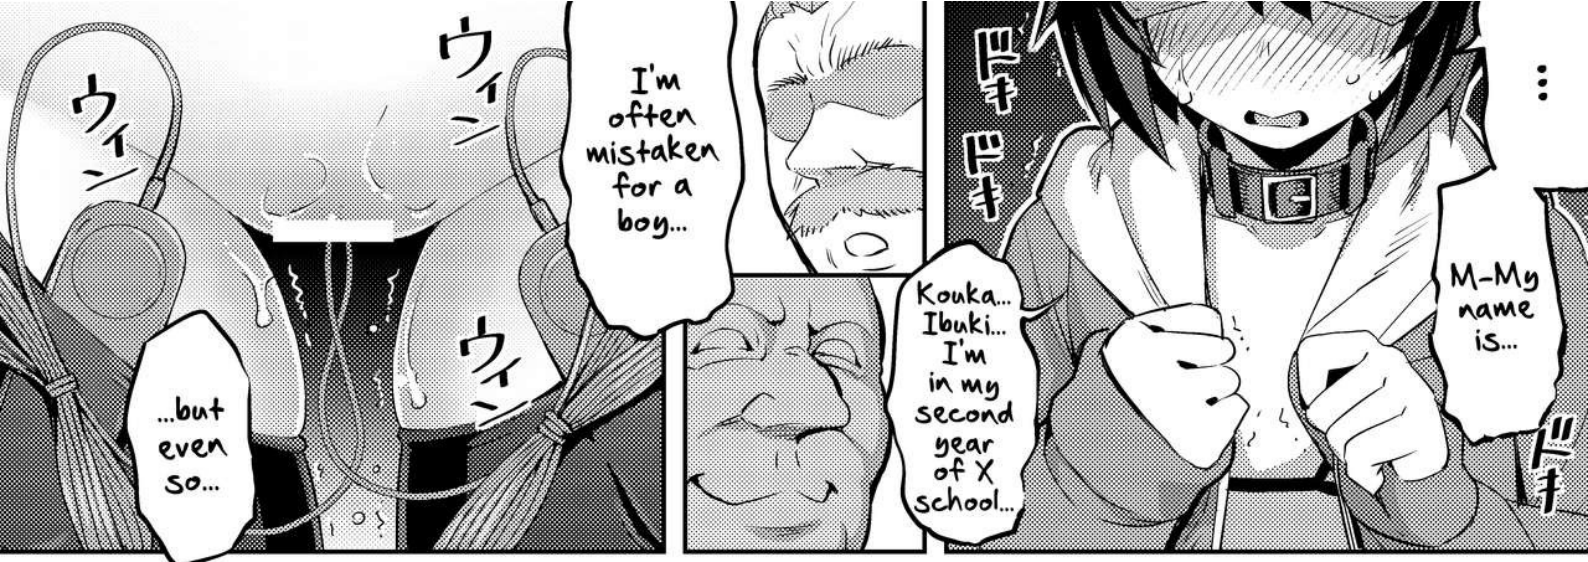

And I didn't know you were into guys.

But it's pretty unusual to see you here with company, sir.

Don't worry, he's a tight-lipped guy.

Come on, introduce yourself like I taught you.

I'm often mistaken for a boy...

Kouka... Ibuki... I'm in my second year of X school...

M-My name is...

...but even so...

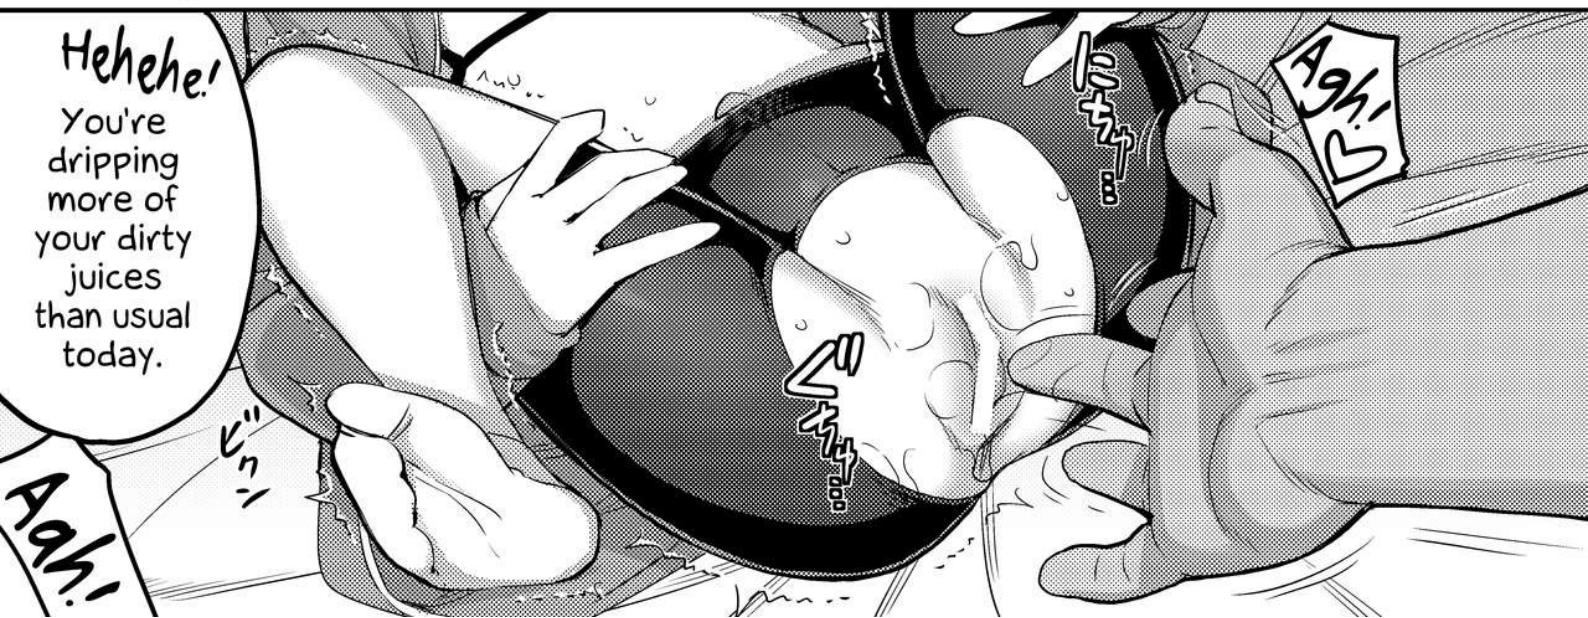

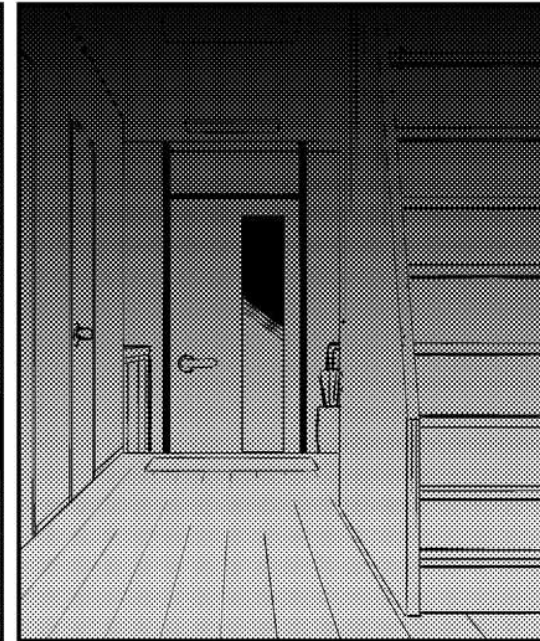

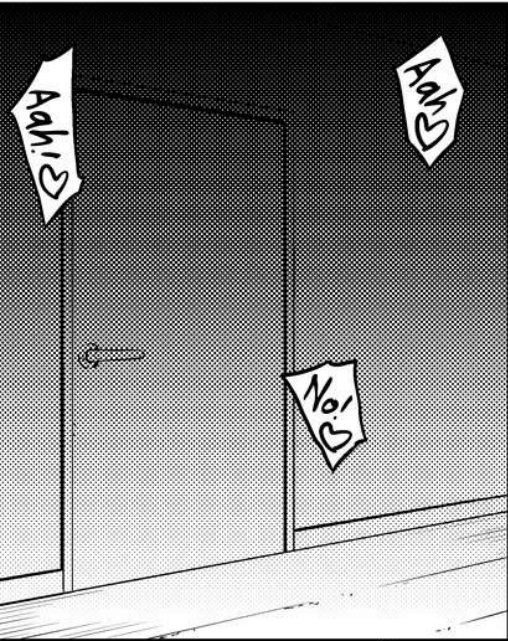

I-... I'm a dirty... cum... dumpster...

girl...

having dick...

I... love...

in my pussy...

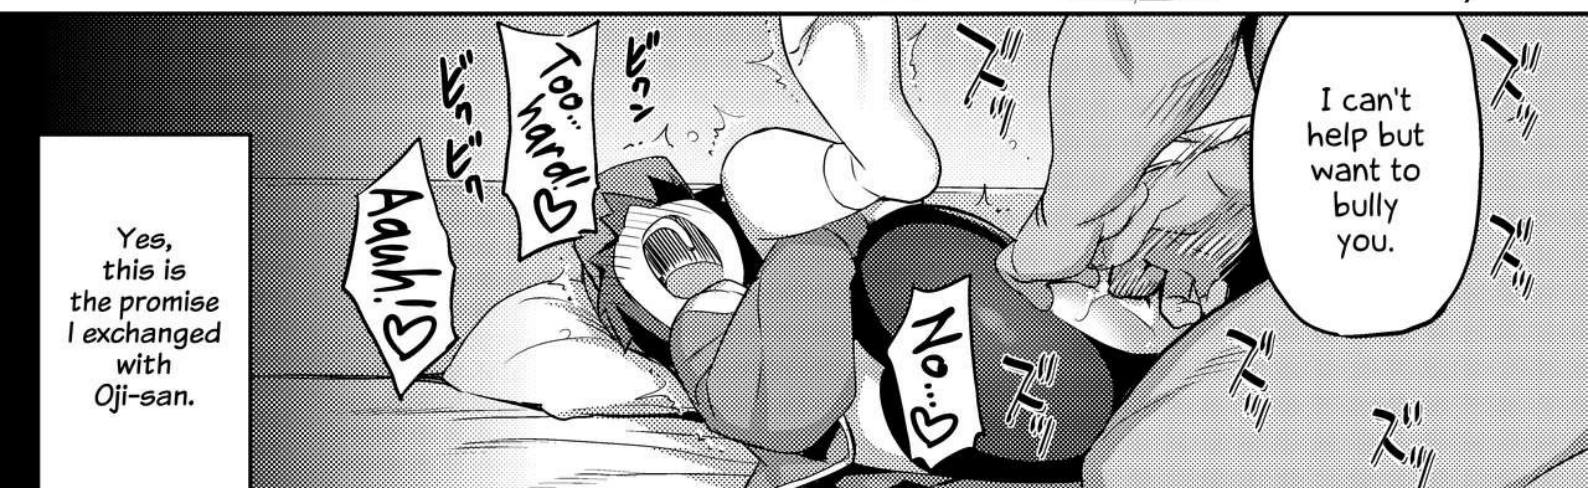

Having a stranger look at you is pretty exciting, right?

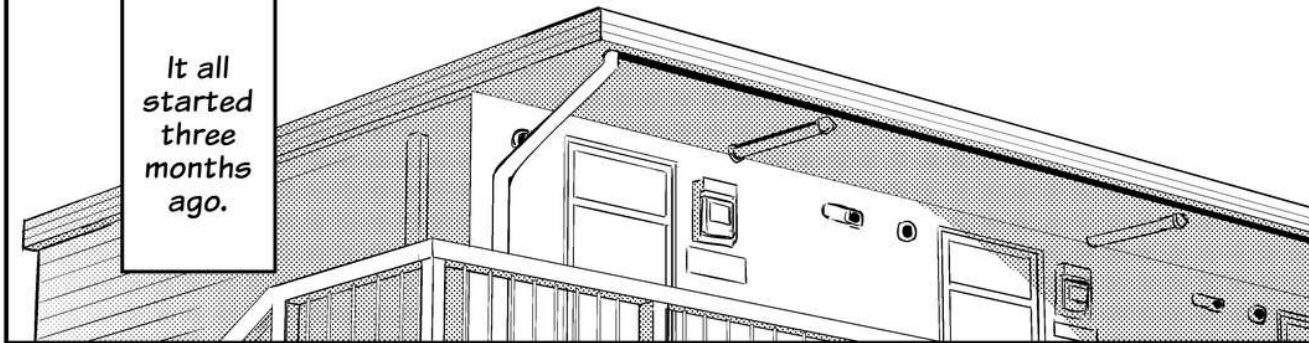

I'm glad you enjoyed it.

I... I don't...
...like it...

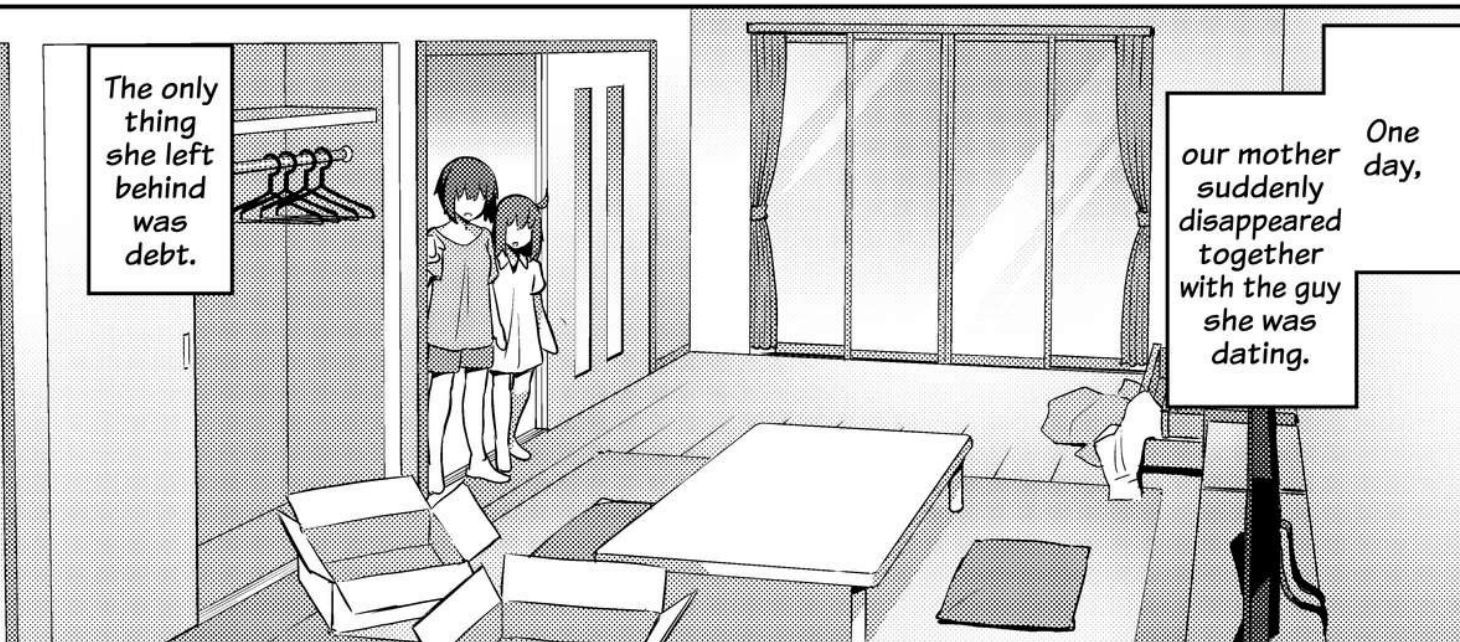

It all started three months ago.

The only thing she left behind was debt.

One day, our mother suddenly disappeared together with the guy she was dating.

and said this...

...this Oji-san suddenly visited us...

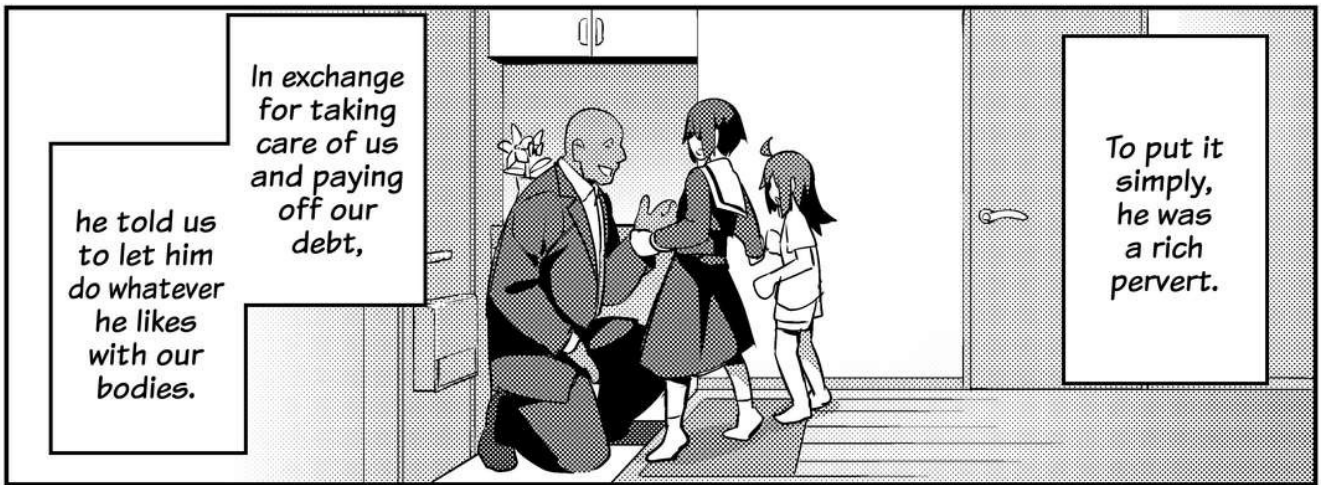

But several days later...

The two of us were at a complete loss.

We lost our father when we were young, and we didn't have any relatives to rely on either.

"I want you two."

he told us to let him do whatever he likes with our bodies.

In exchange for taking care of us and paying off our debt,

To put it simply, he was a rich pervert.

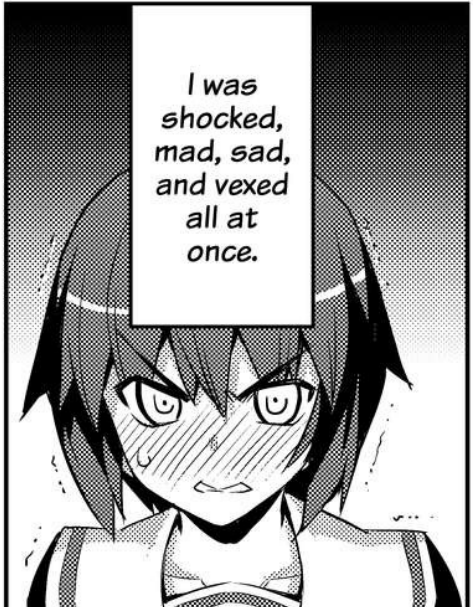

Thus, I made up my mind.

...and I had to consider our life from then on and my little sister's future.

But there was a stack of cash in front of me...

I was shocked, mad, sad, and vexed all at once.

I think it's about time to use the bumpy vibrator we got before.

I agreed, but under one condition.

Apart from the size, it has a pretty gruesome shape.

There aren't many girls your age that could take this in, Ibuki-chan.

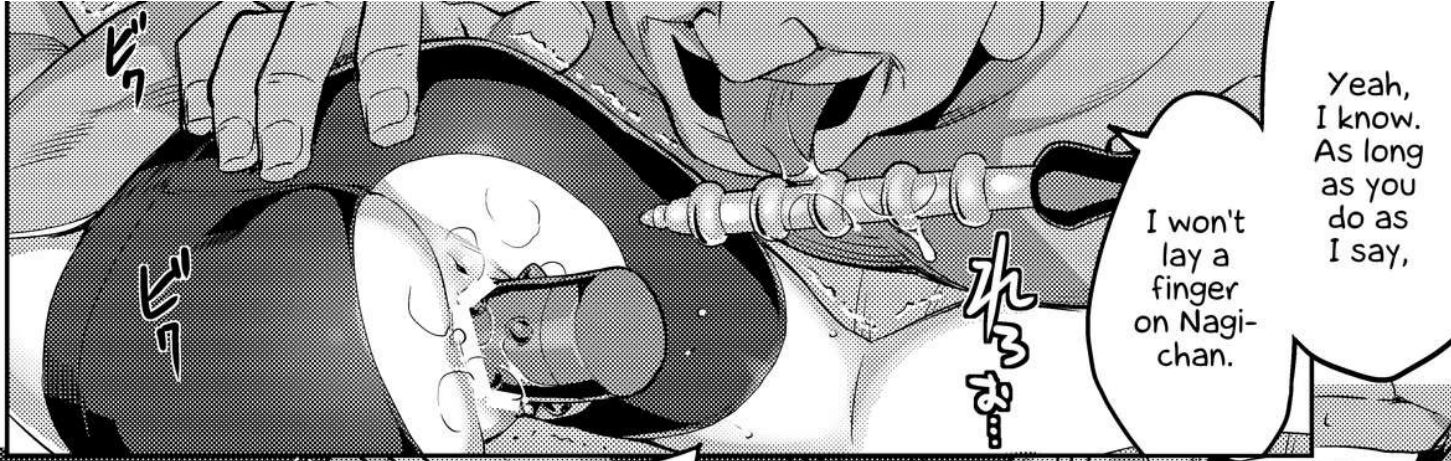

Hehehe!
It looks like a tight fit. Are you okay?

You don't have to force yourself if you can't stand it.

I won't lay a finger on Nagi-chan.

Yeah, I know. As long as you do as I say,

Aah!

Aah Agh!

Not that I had any guarantee he'd keep his word.

For some reason, Oji-san promised to accept that condition.

In exchange for letting him do whatever he wants to me, he wouldn't lay his hands on my little sister Nagi.

Aaah!

No!

...

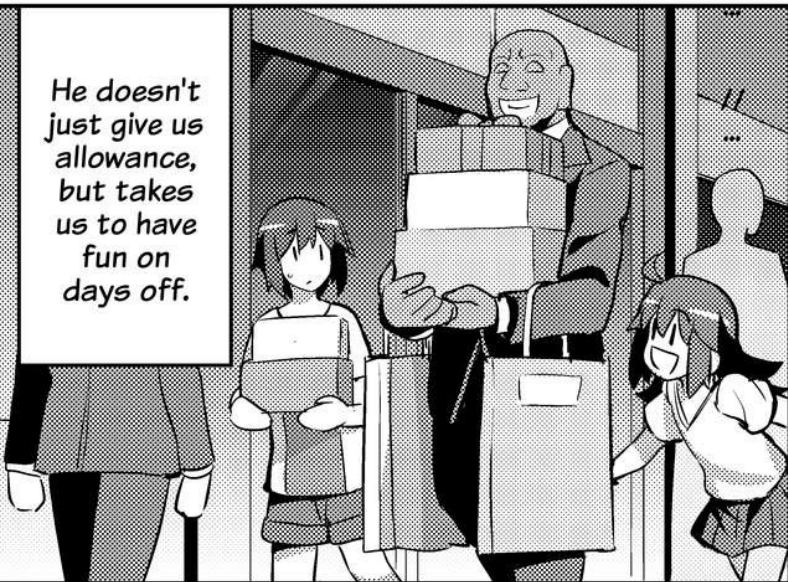

than I expected.

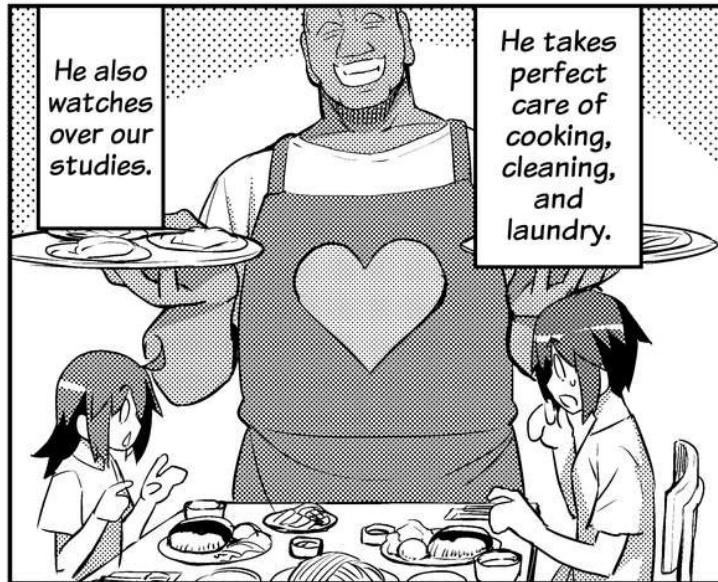

Oji-san has been taking much better care of us...

But ever since our relationship started three months ago...

Aah~

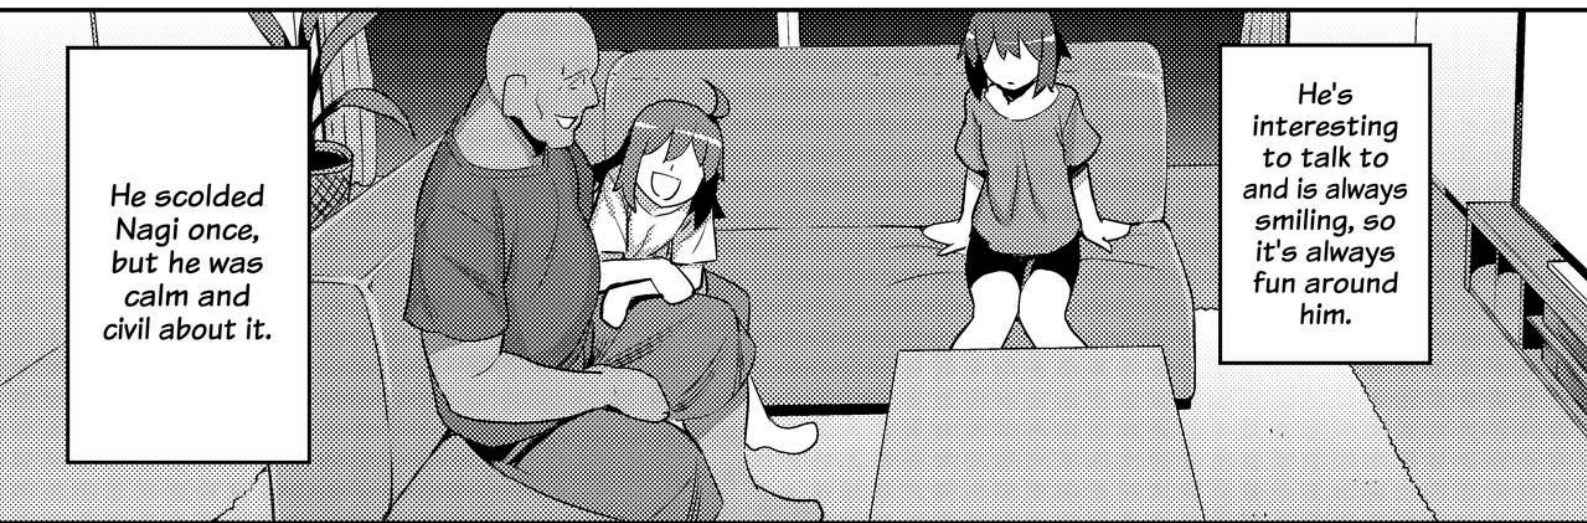

He doesn't just give us allowance, but takes us to have fun on days off.

He also watches over our studies.

He takes perfect care of cooking, cleaning, and laundry.

He scolded Nagi once, but he was calm and civil about it.

He's interesting to talk to and is always smiling, so it's always fun around him.

But...

There are even times when I feel like he's the ideal guardian.

I felt uneasy at first, but Oji-san acted normal to Nagi.

Nagi has really warmed up to Oji-san thanks to that.

No matter how nice he may act,

That is all just a façade.

Oji-san is nothing but a pervert. A man with twisted fetishes unfit for society.

Aah!♡

Aah!♡

Aah!♡
Aah!♡

He's a horrible person who used that toy to mess with my body for two hours.

Today, he made me dress up in weird clothes and took me outside,

then made me pick a weird toy.

Aah!♡

Aah!♡

And I'd like you to be more honest if possible.

Cut it out... already... ♡

Just... how long are you... going to keep this up... ♡

Haha! You want to cum, but I won't let you.

I can't help myself when you look so cute in pain, Ibuki-chan.

But...

He means that he wants to hear it directly from me...

...when I clearly don't want to say it...

.....

All right, fine...
♡

I... I get it.
♡

Hahh♡

Hahh♡

...in my... dripping pussy...
♡

Put your... huge dick...
♡

Oh!♡

and... make me... cum...
♡

Please...
♡♡

Hehehe!
Good girl.

All right, since you're finally being honest, I have to give you a reward.

Aaah!

Agh!

Aaah!

Does this mean you like my dick more than the toys?

Of course... I don't...

You came the moment I put it in thanks to all the teasing, huh?

Nice, that's a good orgasm face.

As if I would actually want this.

I'll make sure to give you lots of pleasure now.

But if I don't say what he wants me to, this will never end...

It should, but...

Or that should be the case...

But then, I'm soon assaulted by another big aching sensation...

As that aching becomes bigger and bigger, I'm filled with a sensation of something bursting open before long.

And get filled again...

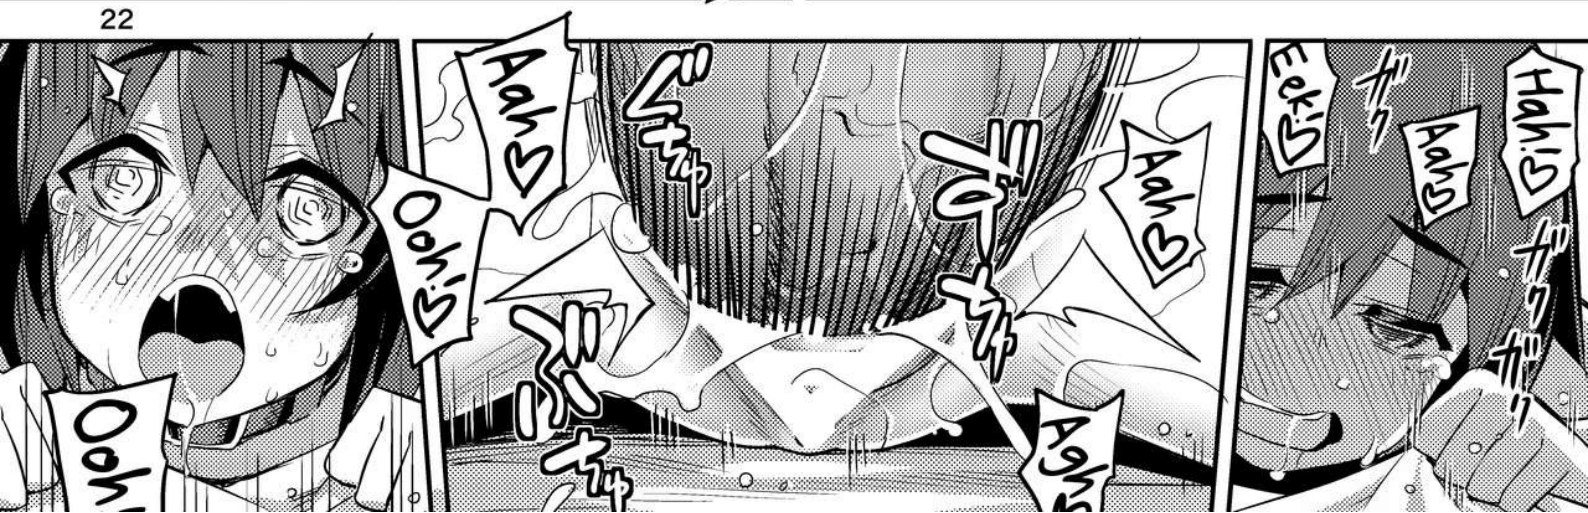

I completely lose my mind...

As that keeps repeating over and over...

I even forget all of my ill will towards Oji-san.

My mind goes completely blank.

As a
feeling of
burning
warmth
washes
over
inside
me...

Aaargh!

Aaah!

...I fully
realize
I'm a
woman.

Tomorrow is a day off, so I'll be sure to spoil you plenty.

Please! Please! Let me rest...

Wait-!!

Hyaah!!

Aaaaah

Uah!

Ffff

Just how many times do we do it during the week-ends...?

I always faint halfway through, so I'm not so sure.

Aaaa! Aah!

For Oji-san, two or three times were a given.

Uah! Uah!

But... I can't let this discourage me.

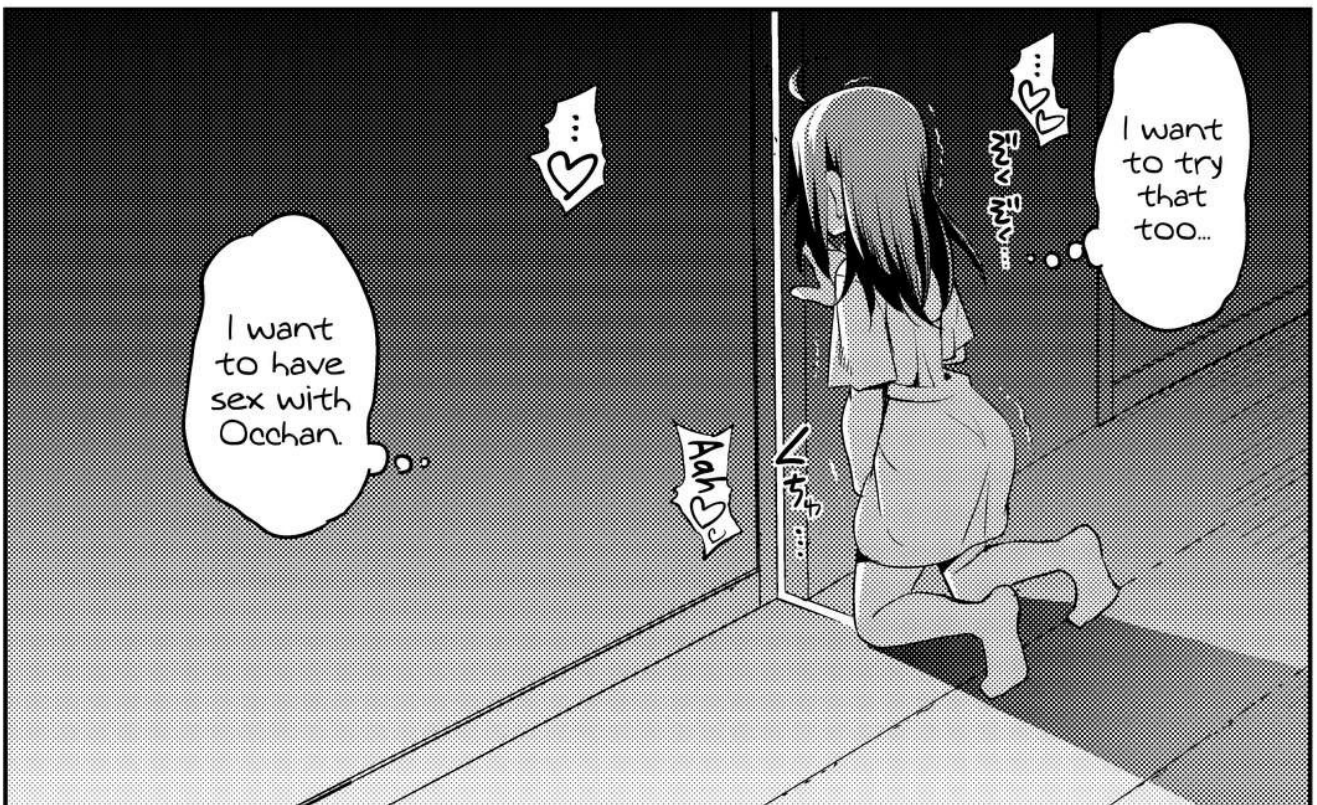

Because I have to protect Nagi...

Note: Occhan is an informal way of saying Ojisan.

■ *I'm going to continue this story for now.
I want to say I'll draw the next part for Winter Comiket,
but it will probably be some time next year.
Please wait patiently.*

■ Here's the first pregnant belly extra.
At first, I was planning on drawing a book where
a bunch of stuff happens to a pregnant boyish loli,
but some things happened and I took the pregnant
belly out of this book, so you'll have to settle with
this scribble for now.

■ In the next page, you'll find a
reprinting of the preview I drew
in a previous event.

Her family was having money troubles...

This girl you could easily mistake for a boy at first glance is Kouka Ibuki-chan.

...but this nice Oji-san saved her to mate with her.

Now, he takes great care of her body and finances.

She's a complete pervert now.

and she started moaning in a dirty voice.

Oji-san licked her just a little bit,

No!

GA...

but she's grown accustomed to her pussy lately.

At first, Ibuki-chan always cried from the pain and disgust,

But it's okay.

Urkis

FUMIS

Unlike her pussy, she's yet to be honest herself.

Well, despite looking like a boy, Ibuki-chan is a mature girl.

She won't admit to being a pervert on her own.

This and that happened, and a few months passed.

The dirty Oji-san is nice and rich, so immediately after they confirmed Ibuki-chan's pregnancy,

he promised to take care of their kid as well.

Well, that's what happens when she gets a creampie in her womb every day.

Ibuki-chan's belly has gotten big and nice.

~~~~~

How did you like this little preview?

Despite being a tomboy, I'm sorry I didn't have her act particularly tomboyish.

I plan to finish this book by Summer Comiket. I think I'll make her a little more tomboyish and might add a little sister too.

I'll try my best. Until we meet again.  
Namonashi

■ Here's the second pregnant belly extra.  
It's doggystyle where her legs can't reach.  
I love having girls treated like objects.

■ A used pregnant onahole.

### ■ Afterword

*This is my first original doujinshi.  
I've been wanting to draw an original doujinshi for some time now,  
but I thought I could just do it for a magazine and kept putting it off.*

*But a pregnant loli is a little hard to put in a commercial magazine  
for various reasons, so I decided to draw her in a doujinshi instead.*

*Well, I ended up not drawing the pregnant part, though...  
I think I'll draw the tomboy loli and her little sister with big bellies fainting  
from pleasure eventually, so I'd be happy if you stuck with me until then.*

*Until we meet again.*
