There was a day I unexpectedly met with Kurihara-san,

when I went out to shop for clothes.

but since I don't want to be compared to her, I purposely avoid being close to her...

I didn't have a particular reason to be concerned,

she stands out...

what is she looking for...?

Thank goodness it's in my size...

And this time...

is that...?

Mmh?

I'm sorry!

I'm just looking around!

Huh?

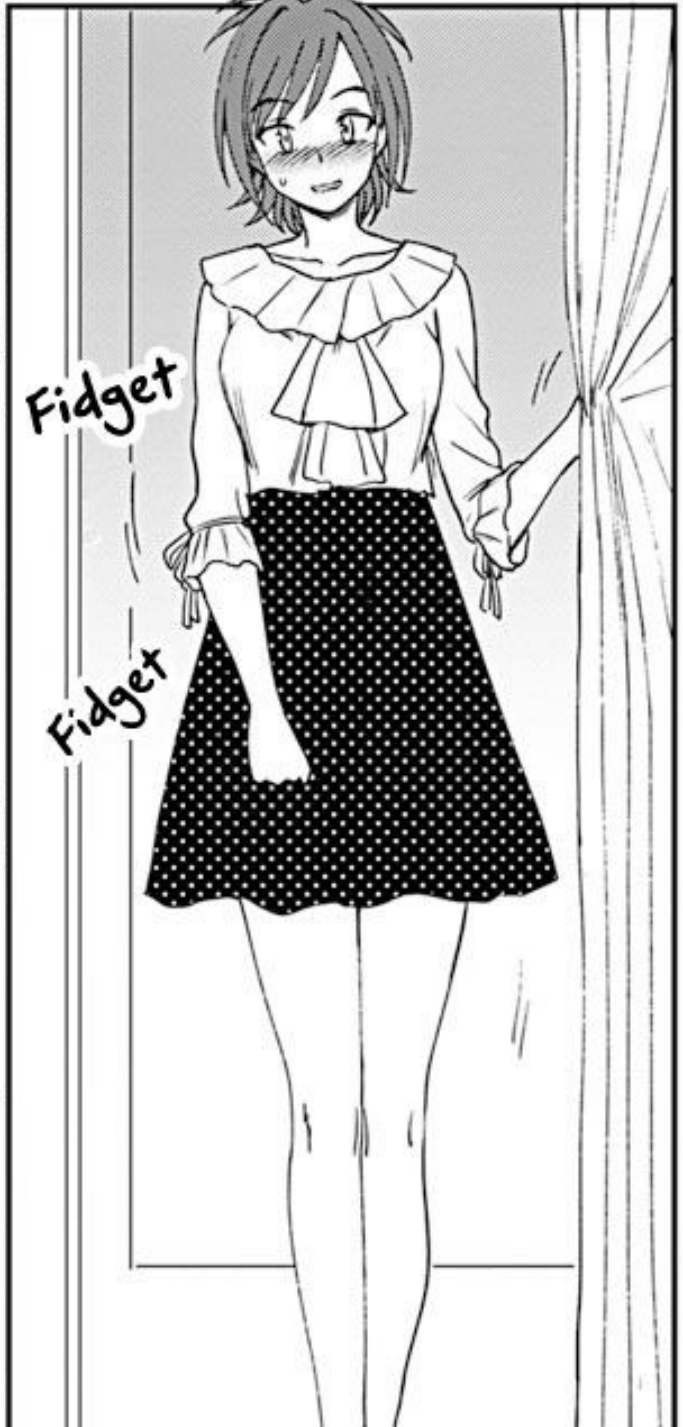

Welcome to our store.

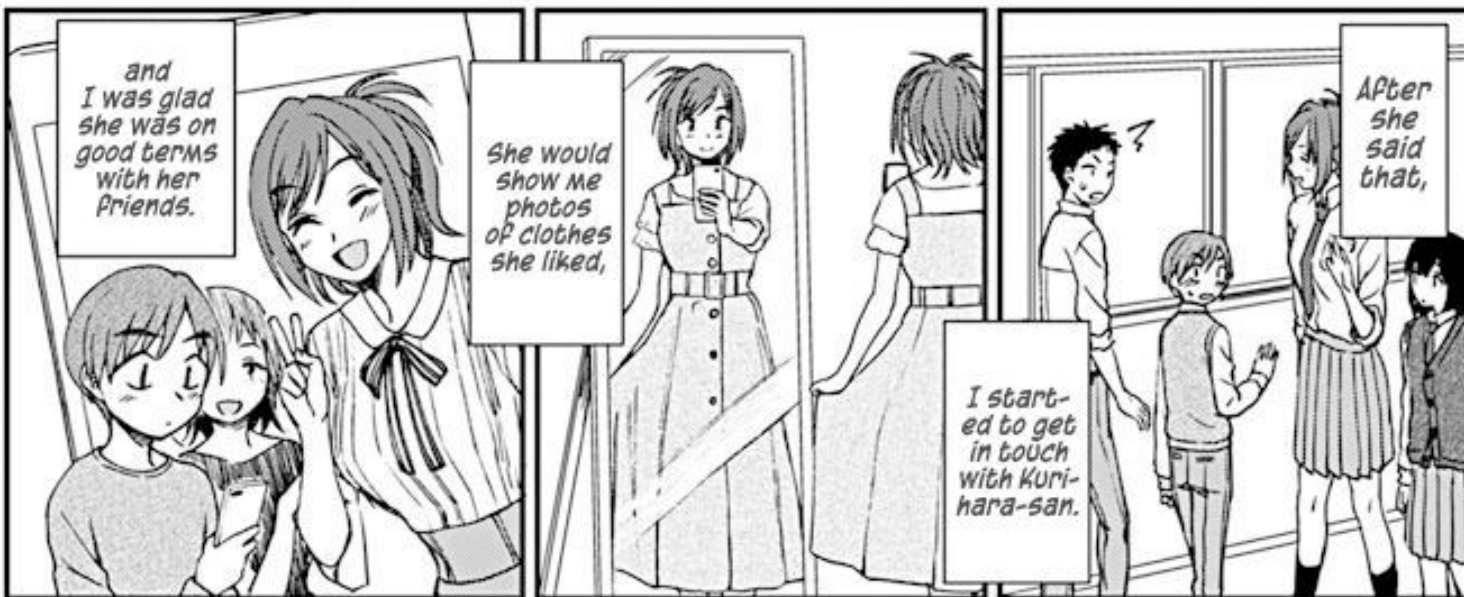

Are you looking for anything?

And it seems this feeling was mutual.

HMM? What, A-kun?

...hey, Touka,

Well I'm the happiest when you tell me it's cute.

That wasn't the answer I was looking for.

and that was where the courage to suddenly show it to my friends came from.

I don't know how to say it, like isn't your friends enough?

No like I'm Pine with it,

A-kun, you were the one who convinced me to do it,

Eh? Well you know,

Why did you do it then,

what were you thinking when you tried on clothes with me there?

Like it's would have been Pine with your friends.

I wore something cute.

To be honest, today,

Hey, A-kun.

What kind of other things would she wear...

Not really?

You have your usual uniform on...

FFF...

Do you want to see

it?

Don't tell me you—

Touka you didn't—

that I'm actually very anxious right now...?

But you know,

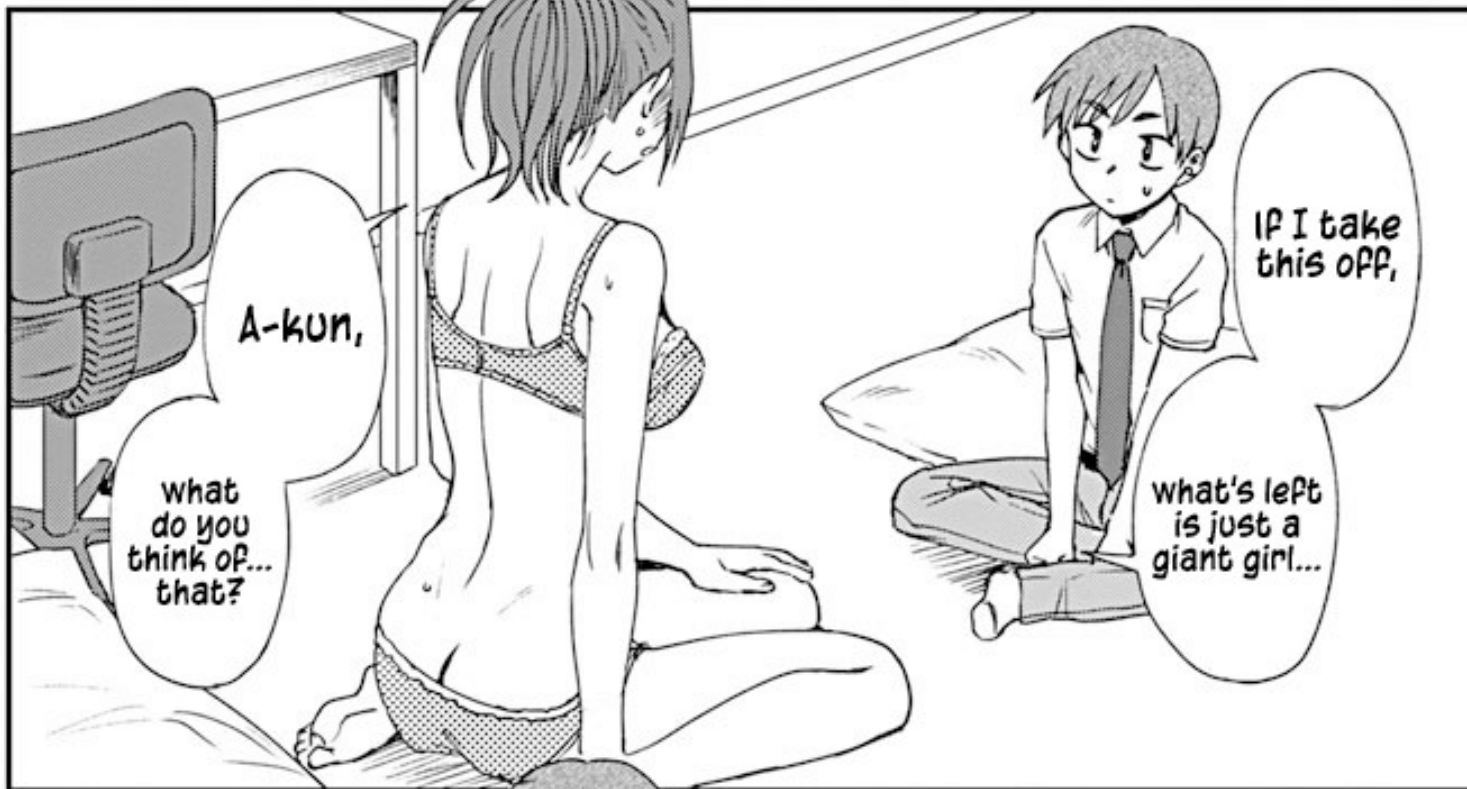

Fufu,

is that you telling me that what I'm doing is fine?

Sometimes your drive to be seen comes out of nowhere...

Kurihara-san,

A-kun,

what do you think of... that?

If I take this off,

what's left is just a giant girl...

I can say this, I will just be a tiny dude.

Hey,
A-kun,

you won't
get mad
if I said
something
cute...?

not
really,
no.

...well,
a bit...

With
me
here,

the
bed's a bit
cramped
huh...

You...
sucked
out my
breasts,

and even
though...
about the
height
thing,

if both
our lips
were
locked
instead...

idea
here...?
