THE TIPS OF YOUR NIPPLES... ARE ERECT. ♥

Hiiii!

Aww!

I CAN FEEL THE FACT THAT, RIGHT NOW, YOUR BODY IS BEING FEMINIZED, SENPAI.

DUE TO HAVING A DICK SHOVED INTO YOUR FEMALE HOLE, YOUR OWN FEMALE INSTINCTS ARE NOW RACING THROUGH YOUR ENTIRE BODY, SENPAI.

I CAN TELL. I CAN TELL BECAUSE YOUR BODY IS REJOICING, SENPAI.

Rub!

Fem-inized...? Me...?

IT'S OKAY, DON'T BE AFRAID. ♥

My
intes-

Regardless
of my own
intent, my
intestinal
walls are
squeezing

let the
dick go.

I'M JEALOUS OF HOT

PENIO'S DICK TOO BIGKEK

PLUS, LOOK AT THIS DIRTY PUSSY HAIR, GROWING WITH NO CARE IN THE WORLD.

AH...!

I DON'T THINK I CAN GO BACK TO BEING A MAN...

CUMMING WITH MY BUTT NEVER EVEN CROSSED MY MIND...

IT WAS AMAZING... YOU'VE GOT TALENT, SENPAI. ♡

NEXT, LET'S TRY FOR A FEMALE ORGASM AND SOME SQUIRTING. ♡

ONCE YOU REACH THAT LEVEL, YOU'LL RECEIVE PLENTY MORE PRAISE...

NGH... I'M HAPPY... ♡

Sorry
for the
wait,
Onii-san

Specifically,
things like
giving me
lectures on
how to
cross-
dress,

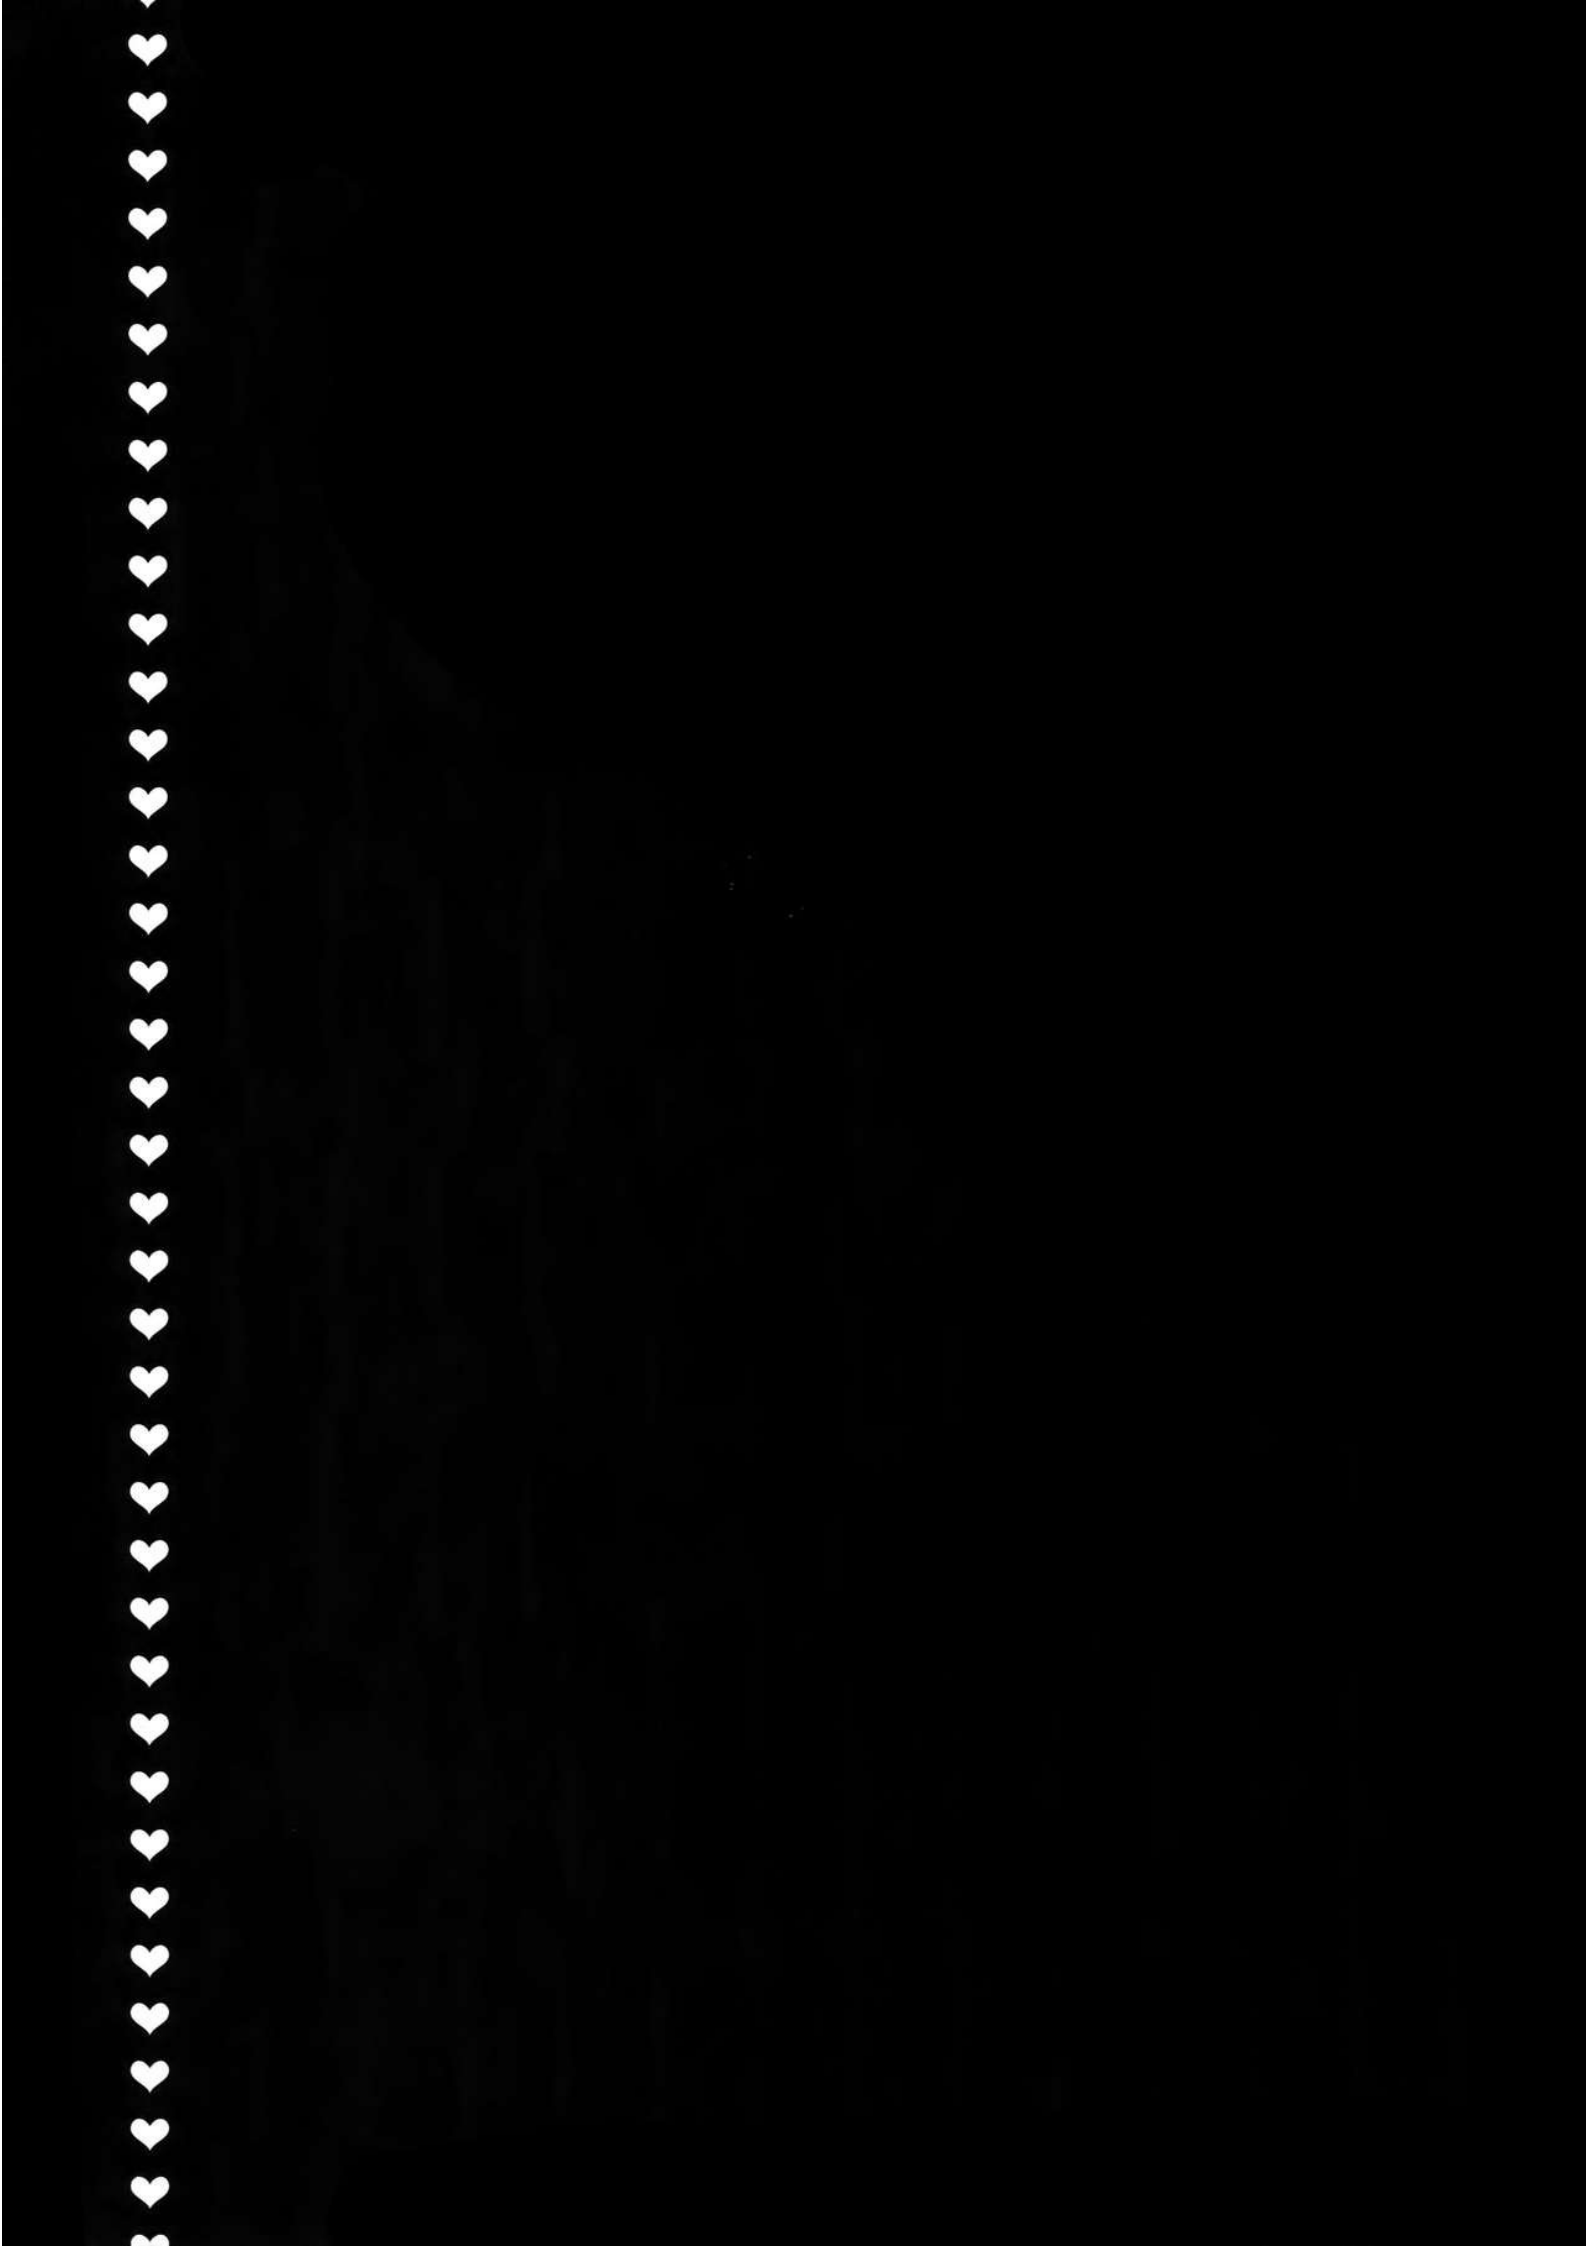

teaching
me about
how to
develop
myself in
places that
feel good...
You know.

Thanks to that,
however, I'm able
to have fun every
day of my life now.

The only side
effect of all of
this is that now
my body can't
live without
dick anymore.

That's
right, I've
gotten
totally
hooked
on this
new
world.

Kuroi Benio

25 year old salaryman.
He's short at 165cm and he's got a cute face, so there's some gap moe between that and his huge, dark cock.

He feels pleasure from his tits. It's unknown whether they're swollen from him playing with them, or if it's a remainder from a secondary sex characteristic.

He actually likes being on the receiving end of the cock as well.

Ketsuma Ikuo

32 year old virgin gloomy salaryman. 170 cm tall. A hidden beauty; Onee-san type (male).

No motivation, so he often makes mistakes at work.

Lately he wants to get fucked so badly that it turns him on during work, causing more mistakes.

Often made to treat Benio to ramen, but actually prefers gyudon.

"Any man can become female."

What is needed in order to become female?

It's "self-disclosure." This is when you honestly say your opinions, hobbies, personality, physical traits, weaknesses, all kinds of stuff. Participate in self-disclosure, and not only will your partner begin holding affection for you, but they will often also then participate in self-disclosure as well. In other words, both parties will expose their weaknesses to each other.

Yes, that's right. Their dick and asspussy. In other words, it ends up connecting to sex. Ikuo in this story, by dressing up as a girl and being praised by the viewers, fulfilled his self-disclosure, which then gave him pleasure. In addition, being "praised" here led to stronger and stronger feelings of "More! More!", which made him change into a female of his own accord. In psychology, this increase in productivity caused by being paid attention to is called the Hawthorne effect. This caused Ikuo's latent desire to be fulfilled, and thus gave him a sense of well-being. In the end, there is no correct answer, as this is just my personal opinion, but the physical pleasure and mental pleasure Ikuo felt...must have been something intense, yes?

Anyway, that was a lot of explanation for something unnecessary for the enjoyment of this manga. However, as a famous science fiction author once said, "Humans are the only organisms that feel pleasure from increasing their amount of useless knowledge,"** and so this may have given you a little bit of pleasure as well. ORAAAA!!! BRING OUT THE FUCKING ASSPUSSY!!!

**T/N: This was supposedly an Issac Asimov quote, but I've never heard of it and the more I looked for it, the more I became convinced that it's not an actual quote from him. The closest I got was Bertrand Russel's "There is much pleasure to be gained from useless knowledge", but that's not the same quote, so I translated the "quote" myself rather than directly quoting Asimov because I don't think that quote exists.

Comments: Some tough editing in this one, but the art was pretty nice. The afterword made me grin as well. So did the pun on page 18. Sorry I had to stick a note in there and transliterate it, but I couldn't think of a pun in English that was as good as the one in Japanese, so I just had to. I couldn't let that pun slip by. It was too good.
