「せっ...先輩...」  
Senpai

放そこそ本  
I used to look forward to going to the library everyday after school to read a new book... but now, I have something else to look forward to...

昔から  
I was always bad with talking to other people, even after a year in school. I was still unfamiliar with most things

テスト明けの静かな図書室  
The library is quite after the test.  
I like spending time reading books there... It's peaceful

泣き持  
I wanted to know her more, to talk more about books with her. then, I confessed to her... I almost cried my heart out when she responded to my feelings

彼の前は高月  
Takatsuki Shiori, the chairman of the library committee and a senior one year above me. She's has good looks and always scores high grades.  
It seems that I was the only person who had ever seen her smile, her cool personality that was rarely shown.

僕より二つ上の先輩  
Some of the other senpai's gaved her the nickname "Tsukihime"

And now Shiori-senpai and I are...

「That's great! I'll give you a reward as promised then」

「約束の褒賞...」

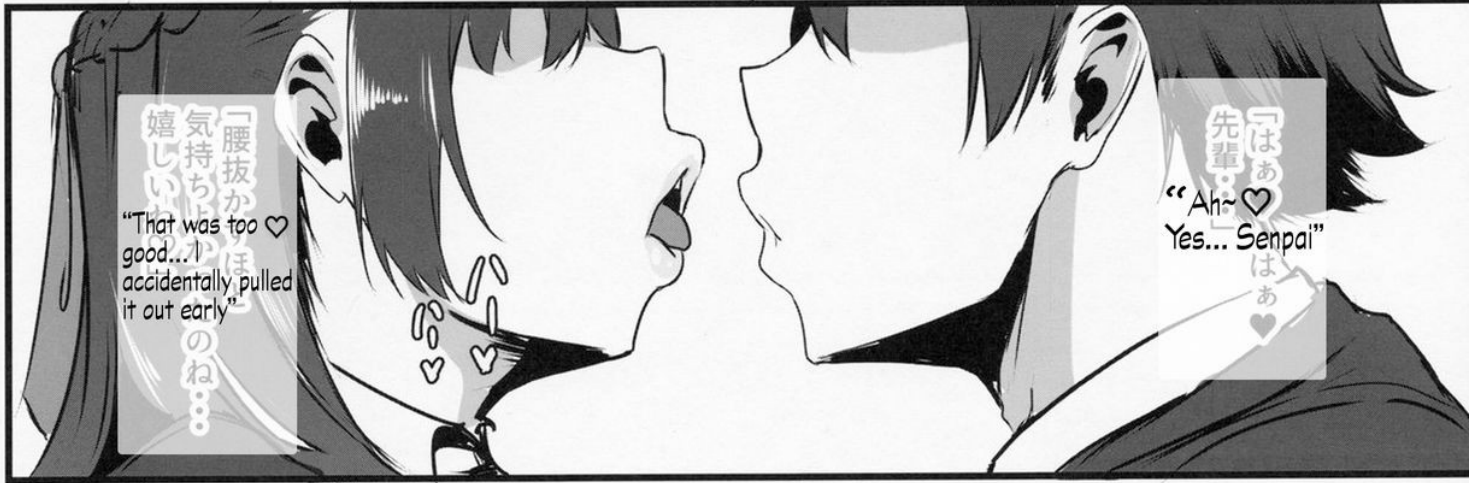

「Oh Makoto-Kun!, how was the test?」

「Good! Thanks to Senpai's tutoring, I think I can get a good score」

「This was a trap. No way would a teacher set up hidden camera's in the library」

「安本先生

going to do?」  
ですか?」

How do you think they will react when they found out about a particular students recent behaviour?」

「この

「So this is the place where you and your boyfriend always make out at」

「Despicable!  
I wonder if  
Mr. Yatsumoto has  
always had this  
type of personality」

「今  
「Heh, look at me being the preacher. Now I have to give you a punishment for your undisciplined behaviour」

Mr. Yatsumoto left a paper with his address on before he left the library  
 I quickly went back home that day and started to masturbate while thinking about my hate of that man  
 I couldn't control or satisfy my aching body... So I went over to his house.

I slowly began to spend more time with Mr. Yatsumoto than I did with Makoto-Kun

「れろれろ...

 "Hate this...  
 Why does my body feel this way...?  
 Towards you out of all people..."

# あとがき

この本を手にとって頂きありがとうございます！

どうも。最近MMDにハマっているGゼロです。  
この本買ってくれた人なら乳音みふは最高だって分かってくれるはず...！

まず初めにオリジナルNTR本の前編を頒布予定でしたが、  
今回は準備号になってしまいました。本当に申し訳ございません。

次回のイベントでは、前編と後編を1冊にしたドスケベ本を考えてます。  
たぶん準備号後半のシチュぶち込んだら40Pくらいになりそうですね。

とりあえず今は、すべてを忘れゆく年くる年を楽しむことにします。

それでは！
