Why certainly. For some time have I been awaiting travelers.

Excuse me, could I stay here for a few days?

In a far-off place, there is a certain village. When I showed up at the only inn, I was met

by a rather exotic-looking little girl.

I bid you welcome to my house this day.

I know not what business you have in this town, but please take your time.

Oh! Such flattery!

I manage this inn, a granny older than her guests.

Err, are you the innkeeper's daughter?

Ooh! Her tits are huuuge!

Is she joking!?

The legend concerns an apparition called "Lady Minaga", reported in a note passed down from my ancestor.

AH Legend?

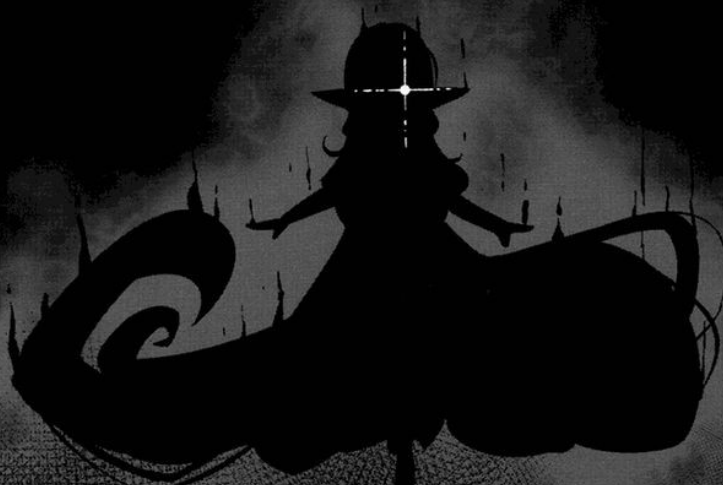

Yes. I'm studying folklore, so I came here to research the legend.

So it was for research that you left the city?

OH, AN UPRIGHT TEA LEAF!

At first, I didn't really believe it, but over time, got to me... and when I investigated, I discovered there's a connection with this place.

It was hundreds of years ago. All the townsfolk in a village, one by one, were being attacked, terrifyingly, by something unknown with long hair.

Your pardon, please! We are already far into the night. Tomorrow, I'll tell the tale...

ズ!!

R-really!? You've got to tell me everyth--

Yes. In fact, I know it well.

Not to be rude, but this inn looks like it's been here for a while. Have you heard anything about...?

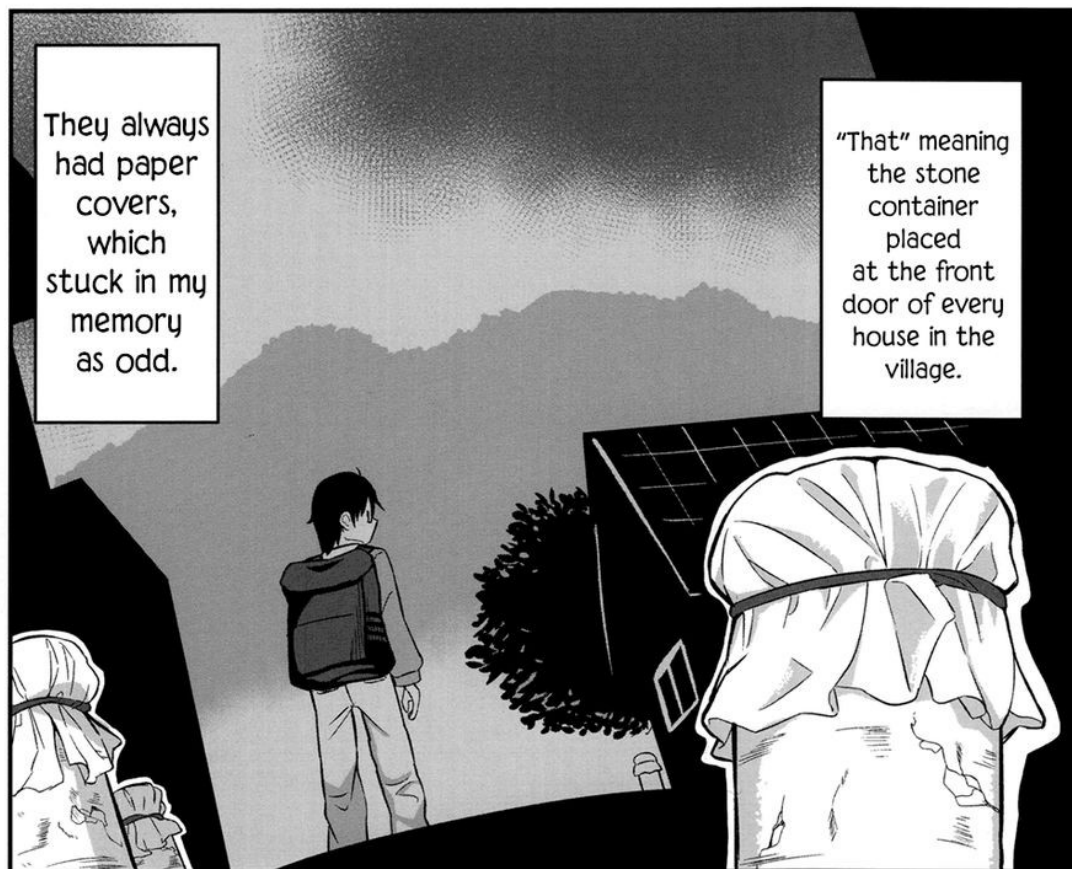

Su-sure!

If there was physical evidence I certainly wanted to see it, even if it wasn't what I expected. So I headed out.

I was eager to find out more, and rose at dawn. I had heard from the innkeeper only this much: "On the other side of the mountain, there is a certain roadside shrine."

They always had paper covers, which stuck in my memory as odd.

"That" meaning the stone container placed at the front door of every house in the village.

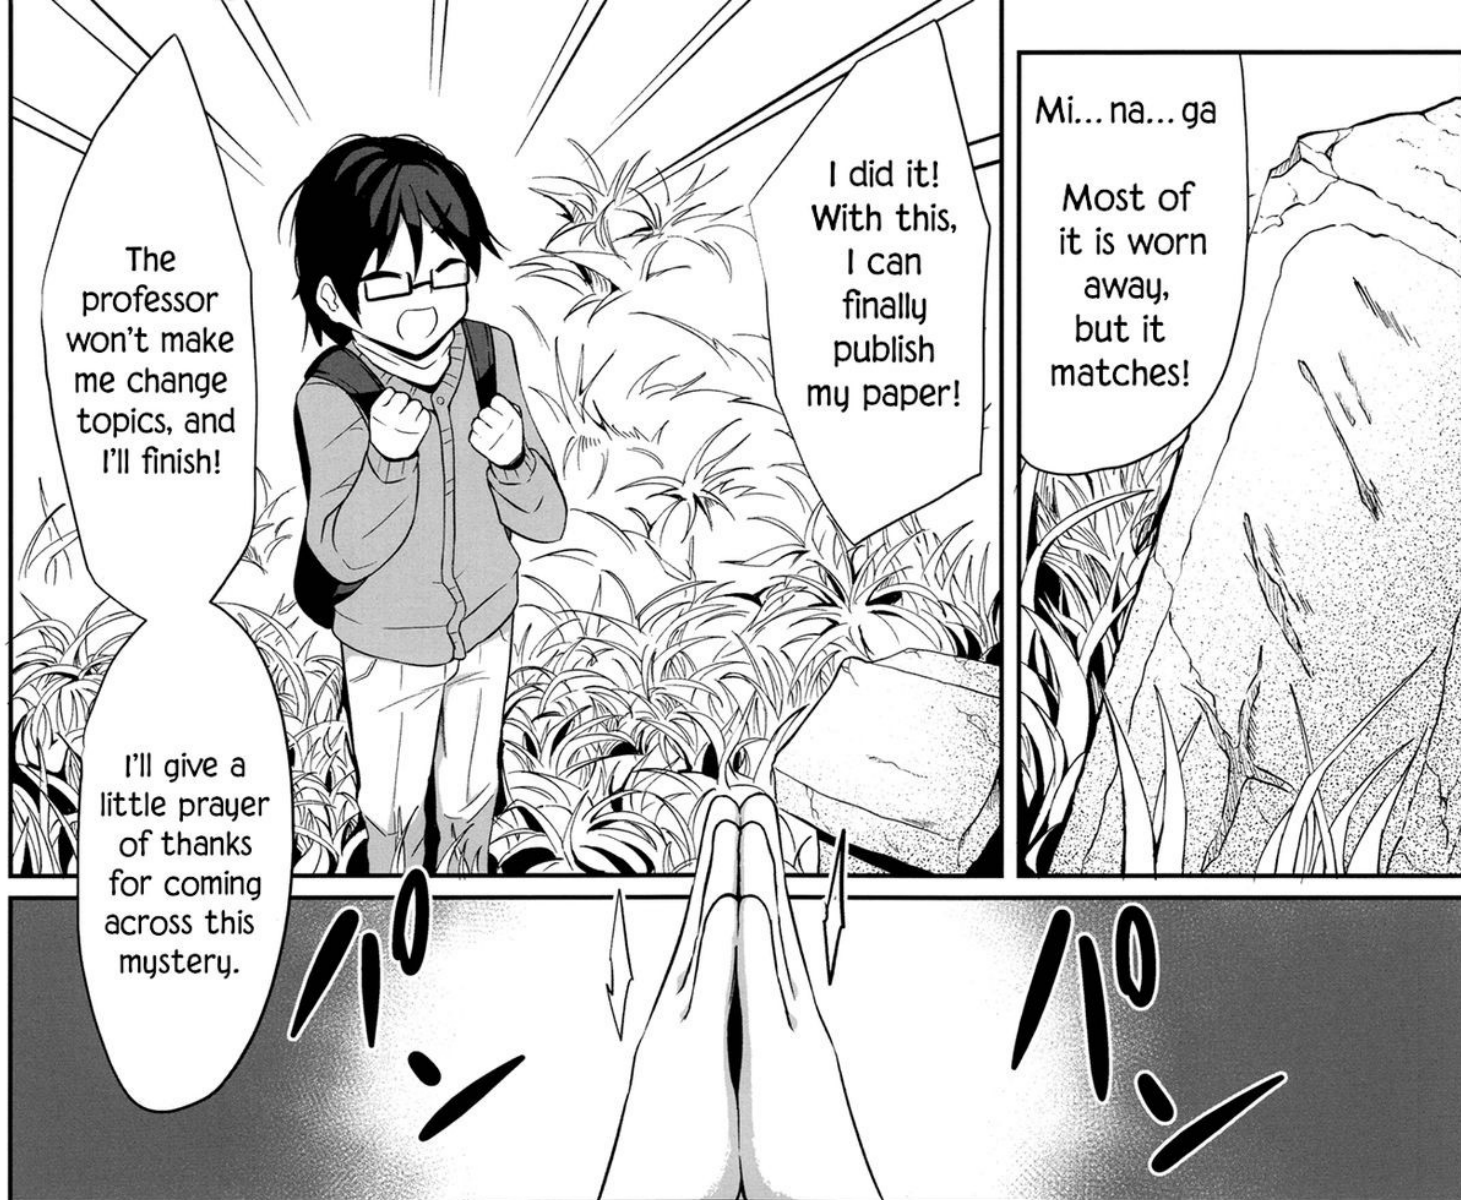

Hmm... Speaking of which, "that" wasn't at this inn.

Could that be... the shrine?

I think it's some sort of charm, but why doesn't the inn have one? I'll go and ask her when I get back.

Hmm,
I'll go
back to
the room
and rest
while I
wait.

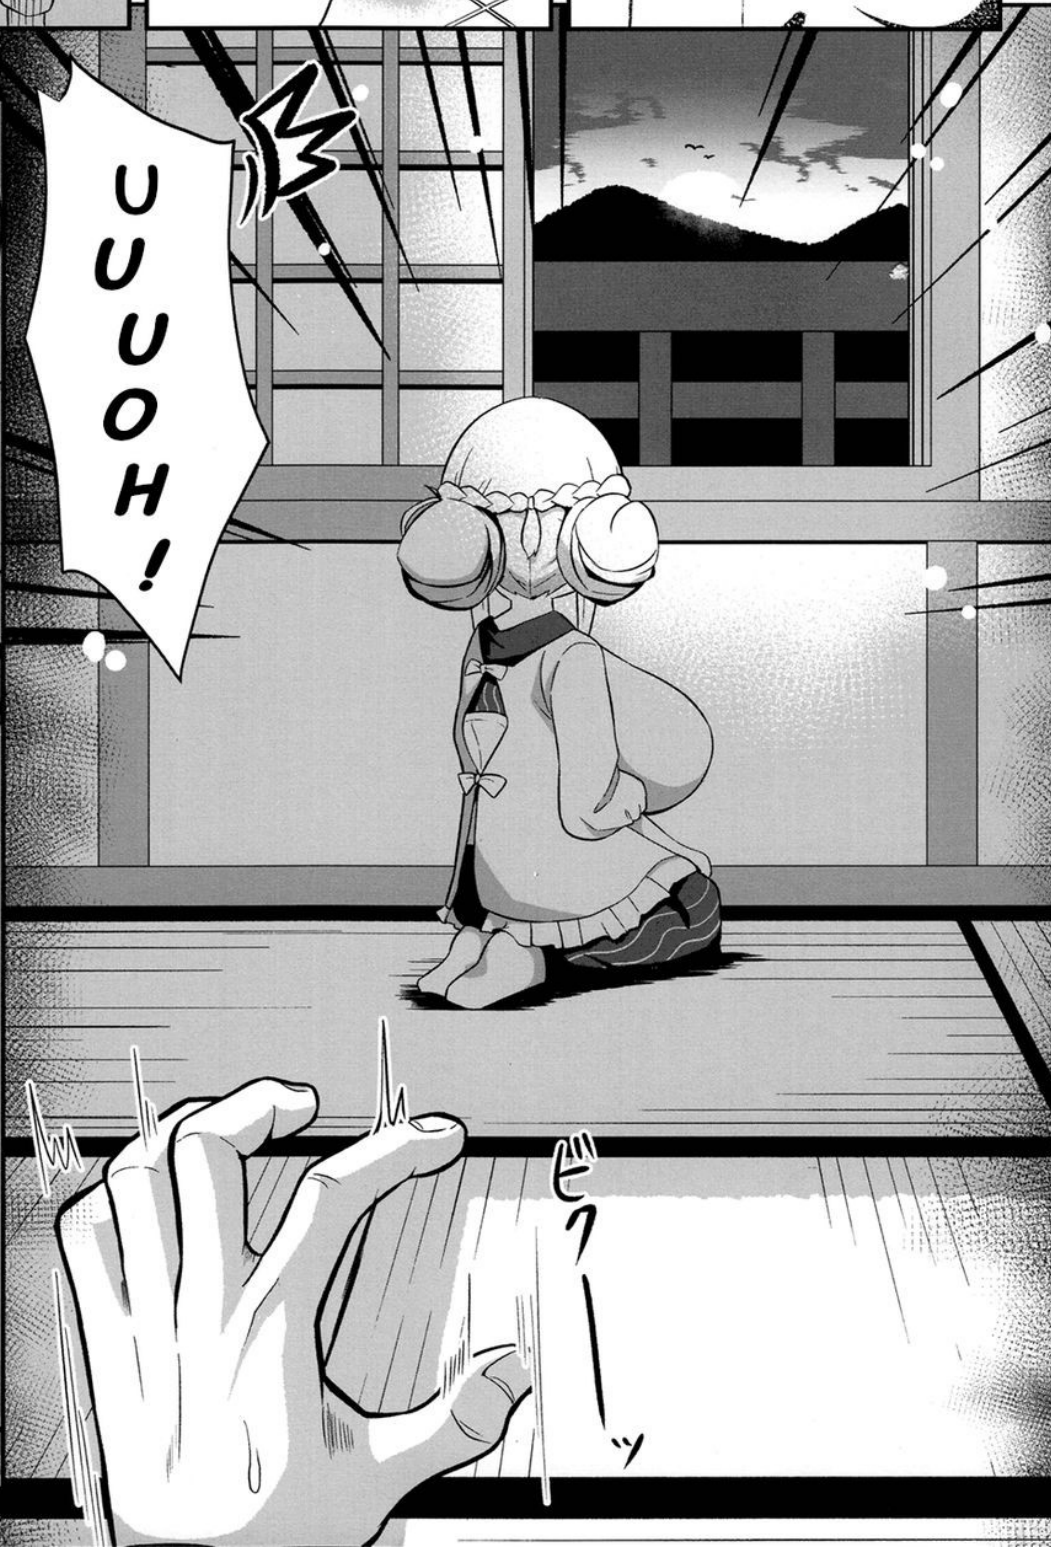

Huh?
She isn't
here,
but her
shoes
are.

I'm
back!

Huh?
I don't
think she
was
downstairs,
so was she
cleaning
the room?

Ah,
Mr. Guest.
I trust that
You ventured
the shrine
safely,?

Thanks to you,
I was able to
find it, and
give a little
prayer for the
success of my
research.

Eh?
Yeah...

I TRULY.

**THANK
YOU.**

Huh?
am?

My, my.
Even a
prayer?

Is.
That.
So...

スッ...

[*T.N.: "Miminaga" means "long ears"~]

『Lady Miminaga*』
That's the original name.
As for 『Minaga』, the old hunting men--

But really, the name isn't 『Lady Minaga』

Indeed, Mr. Guest. I am 『Lady Minaga』
♥

M-ma'am, are YOU-?

—kept saying "Miminaga, miminaga", and eventually shortened it, I suppose.
This region's speech patterns really are fascinating, aren't they?

My power was stolen long ago, and is forgotten by humanity. Their former sense of respect for me has been degraded into an ordinary village superstition.

But now, your thirst for knowledge has unsealed the shrine with that prayer, and my existence is once again in this world. This is your reward.
♥

Wha-what are you doing?

I do?!

It would
be a shame
to waste.
Would you
care to

Long ago,
these breasts
were
well-regarded,
you know?
♥

Her milk
is so sweet
and rich,
I feel as
if I'm
about
to black
out.

Wait,
why am I
drinking an
apparition's
bodily
fluids?

I have to
escape
somehow!
Escaaahh,
so sweet.
I can't
think-
I want to
drink
more-

You wish
to try both
at once?
By all means!♥

You
really
can't
handle
your milk
Well,
I like
that.

Such
gluttony.

There is
milk
aplenty.

you're the

wish to
come?

to...

Kihihi.

must
regret
to say-

That's

you go

sad.

I'll use
my breasts,
and you'll
let it out
thick.

you wrap

PLEASE,
LET
ME--

Wanting to
come and
being unable
to is painful,
is it not?
Ah,
I really am
enjoying your
expressions.

Fufufu.
Since you
moan so
nicely...

All
right.

All

LED note: *oppai lolibaba slurping noises*

Ah-haaa!
Astounding!
I did not dream
that a modern
man might
release so!

Mmm
♥
waste not,
want not.

Ahh,
the essence
of fresh lust...

*This musky
seed sticks
in my
throat.*

*Surely
this is the
zenith
of
flavor!*

gulp
Haa!

The aroma!
♥
The texture!

And finally, the wetness of my arousal...

...destroys the "self".

A peculiarity of my bodily fluids, taking effect gradually on contact... or when drunk.

You will find yourself petrified by my saliva.

My milk steals reason and inflames lust.

Kihihi.

It's too late to waste time trying to escape.

Dissolving that seal for me. Really, I thank you.

Farewell!

Sto-
Wa-
...

Is there
anything able
to seal me
now?
This world's
pleasures are
all mine!♥

Mmmhaa♥
Long has it been since
I've buried a man's rod
inside me

How comfortable
to have a massive
tool shoving against
my womb!

Ng-eeh!

Though this
poor wretch's
consciousness is gone,
by instinct alone
he has groped
my breasts.
What a lecher!

Well, you'll
also be
suitable like
this.
Besides,
you can still
feel pleasure,
right?
Let us satisfy
ourselves.
♥

If you
can feel
anything,
please speak
quickly.
Your will would
be such ecstasy
for me.
♥

-Aah!
This feeling
is wonderful!
Today is a
wonderful
day!

I shall amuse
myself with
this man for
a while,
but what
about
afterwards?
I was so
bored.
Yet with my
new attitude,
continuing the
innkeeper role
might not
be bad.
♥

Aah,
this is fun!

♥
This is
delightful!

♥
♥
Here's
to a
new life!

... ? Oh,
what a shame.
I was just
getting into
the mood,
and I've already
wrung him dry.

What
a
waste.
Ah, well...

and
there's
no hotel!
Where
can I stay
the
night?
Hmm?

I've come
out to
this village
for an
emergency
news
report,

There!
I'm
saved!

Excuse
me,
would you
let me
stay the
night?

My, my,
at such a
late hour...
I bid you
welcome
to my house
this day.

お手にとっていただきありがとうございます。
HiRoB816です。

今回は前々から描いてみたかったロリパパアもの…
というか怪異ものというか言葉遣いというか
とにかくこれまであまり描いてこなかった
好きなもの描きたいもの
色々ぶち込んだものになりました。

最初は今回のサークルカットでも描いていた
異世界巨乳ロリパパアエルフ女王で考えてましたが、
やっぱり和物怪談風にしたいという思いから変更しました。
今回はいつも以上に設定を凝ってみたく色々考えましたが
まとめるのが難しかったので次はもう少し緩く
考えたいと思います…でも楽しかったです。

来年もロリ巨乳を描いていきたいですが
それ以外のおジャンルも描いてみたいので頑張りたいです。
