Are you Ariko Sanjo?

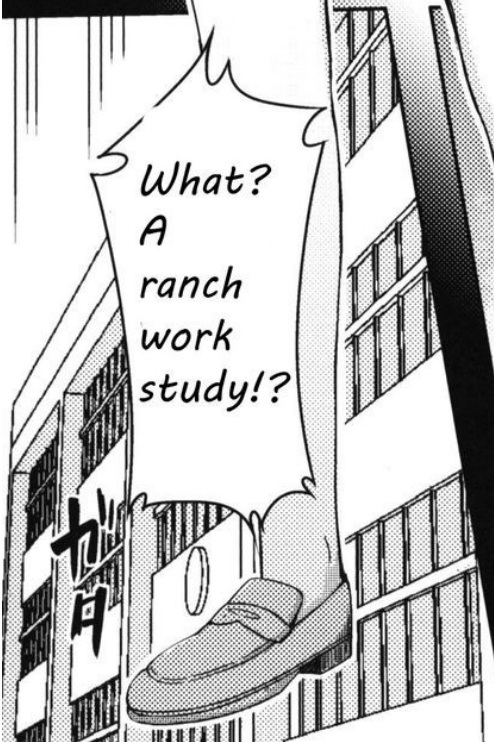

We've been waiting for you

Let's do our best working together for the next week okay!

What? A ranch work study!?

Yeah...  
Why do I have to put up with this...

押 翔平  
牧場 三条 亞梨子  
印刷 戸田

Why do I have to go work on some stinking animal farm!?

Hmph! There's no way an honor student like me should be forced to work on a farm!!

There's no way I'm doing it!

I'm going to talk to the teacher right now and get another assignment

It can't be helped Ariko. The assignments were random

But I hear it's a nice place. You'll be able to drink tasty milk every morning.

I said I would do it... I guess I can't back out now...

I'll do it for you!

I guess everyone was right when they said you give up when things get tough.

Fine! ...

But having a cute girl like you here will really boost our image.

This is a tough job. It takes a lot of physical stamina.

We were getting worried lately because we didn't have enough help

Not many people want to work on a cow ranch. They think it's too embarrassing ...

By the way this here is your uniform

That's right. You should go ahead and take that now.

Huh?  
Is this some kind of medicine?

Now then... this here is the barn.

We need a lot of workers to maintain a stable supply so this is where we keep out "cattle"

Years ago we started making a food substitute for cow milk using all natural human breast milk.

This is a ranch... For women?

.....  
what !?

What is he saying? He wants me to do what exactly...?

You'll be working in here. For the next week you'll be one of our new "cows".

How horrible ...

ビクッ♡

ん♡

グニ♡

Even if you can only produce a little milk this week you will really help us out!

Our production still has a difficult time keeping up with demand

Even though we have a lot of cows in our herd

みるん♡

Nice. That uniform looks really good on you!

アッ...

wh

This is so embarrassing. Do I really have to wear this for a week?

グニッ

ドキッ

I'll just have to put up with it for one week!!...

I should just back out and go home...  
But what will the others at school say if I quit now...

What is he... where is he looking now!?

And now down here... very good.

Your hygiene is excellent

I'm just giving you a physical exam.

Hey what are you doing!! ??

Hmm ...

We need to make sure your breasts are healthy

Good no lumps ...

But why do I have to be a cow in the first place...

It might be a little painful the first time so try to bear with it...

Ah... so you're still a virgin

Just relax. Women that relax their muscles can produce more breast milk.

And we need good cows to produce as much milk as possible.

So what! Why are you licking me now!?

Just try to relax. This is also part of your job.

from before ?...

Wait a second what are you Ahhhh!

That drug you took earlier was a female hormone that simulates the effects of pregnancy on a woman's body

Not only will you start lactating but it will cause your breasts to grow as well.

No stop It hurts!

Calm down. The medicine you took should reduce any pain you feel.

You did it! You took my first time!

Before long you'll be lactating like a real cow

See the medicine is already starting to kick in

All right then let's see if your breasts are ready yet.

Please no Stop this stop this !!!!

I don't want to make milk !!!!

Ah it hurts !!

You're squeezing my boobs!!

Ahh hhh !!

19-19-19-19

Good  
your  
breasts  
are very  
soft

Why  
dose... he  
keeps  
massaging  
my  
breasts  
over and  
over!?

There's  
something  
building...  
in my  
chest...  
And down  
there...!?

Stop  
please  
Something  
is coming  
out!!

Ahhh  
!!  
No I  
don't  
want  
to!!

Do your  
best and  
I'm sure  
that you  
will let out  
an  
excellent  
quantity of  
milk

Just a  
little  
more  
Ms  
Sanjo!!

It's  
comi-  
-ng  
out!

Great Ms  
Sanjo  
You're  
doing it!  
You're  
lactating!!

AH  
OH  
!!!

Is this...  
is this  
really  
going to  
continue  
tomorrow  
?

Oh?  
Looks  
like she  
fainted

But I  
guess  
that's to be  
expected  
on her first  
day

Thanks for  
all your hard  
work Ms  
Sanjo. At  
this rate by  
tomorrow  
we should...

Don't worry. You'll get used to this soon.

Oh hey? You're the girl that arrived yesterday Right?

Sure. That cow over there can even make 20 liters

Are you serious!?

I had small boobs like yours at first but after training my udders can now produce almost 10 liters a day

umm ...

Good morning Ms Sanjo

This is terrible I have to get out of here as soon as possible!!

I can't wait to see how much you produce once they finish with your breasts

These people will be massage your breasts all day.

Let's all do our best during this training period.

Ouch thats hurts!

As expected. It's only your second day so there's not much milk. We wanted to increase your production so we gathered some help.

Good morning ... wait?  
Who are all these people!?

I don't like this!!

Ahhh no stop stop stop stop please!!!!

I want to go home!!

Don't try to hold back. Just relax your body.

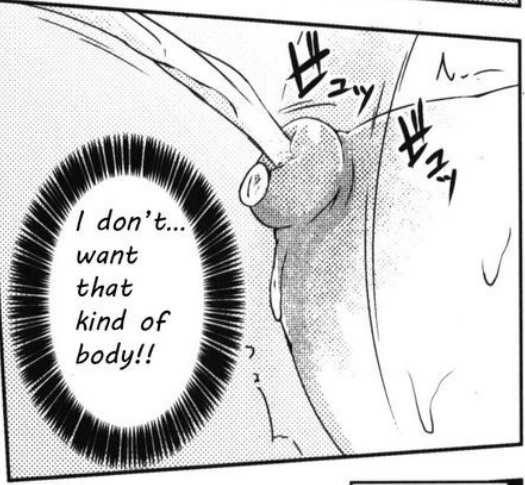

You've got the perfect body for a dairy cow

Incredible . You're spraying out milk with each thrust Ms Sanjo

The day you finally become a real cow

Let's bring the whole staff in to celebrate ...

I don't... want that kind of body!!

The truth was That I had underestimated life on the ranch

Ah... my breasts... they feel weird...

Will I really be able to last... For a whole week at this ranch...?

Between being milked and drinking the rancher's milk which did you like more?

Be sure to get some rest. You'll be working with our visitors on the ranch tomorrow.

After a few days... my body was slowly becoming more and more like a cows...

I couldn't believe it at first

But thanks to the drugs and the attention of the ranch hands

There are parents and children here... I'm so embarrassed !!!!

Hey mom I want to drink some milk!

But it wasn't enough that I was producing milk for them

For the work study I needed to participate in other ranch activities

Make sure to drink it all ok...

Ah... do you have a cup?

Then just reach up and pull

An no! Don't pull on them so hard!!

Wow she's so soft and warm

When I'm not being used as a milk server... Sometimes they put me in the ranch's petting zoo display

Hey look something is squirting out.

No Stop! Not back there !!

Is that right?

Maybe she's pissing herself. My dog does that

Hey look! This cow is leaki-ng

Sometimes at night a veterinarian would visit me... He would perform a thorough examination of my body...

No stop it! Not in my asshole!!

Thanks to that drug both the size and sensitivity of her breasts have increased by alot.

Yes she's doing well, better than we hoped.

How is her progress? Was the new medicine a success?

Finally... Tomorrow is the last day ...

After completing my rectal examination I can say that this cow hasn't become pregnant

It's too bad though. There wasn't enough time.

Tomorrow is Ms Sanjo's last day on the ranch.

I will finally be released from this humiliating life tomorrow ...

Boss! we've got a problem!!

Tomorrow is my last day anyway... So maybe I could help one last time?...

who could we even ask to do it?

What should we do!? Do we have a replacement?

The cow that we were going to show at the fair tomorrow just went into labor!!

What!? But our raffle contest was going to be the main event!!

Say boss ... if you wanted ...

FUD...

FUD...

There's been a sight change in the program for today

Sorry to keep you waiting everyone!!

today

One  
year  
later

Is that you  
Ariko?  
I hardly  
recognized  
you. So you  
really did  
become a  
cow after  
all.

Moo...  
ah  
Yes it's  
been a  
while.

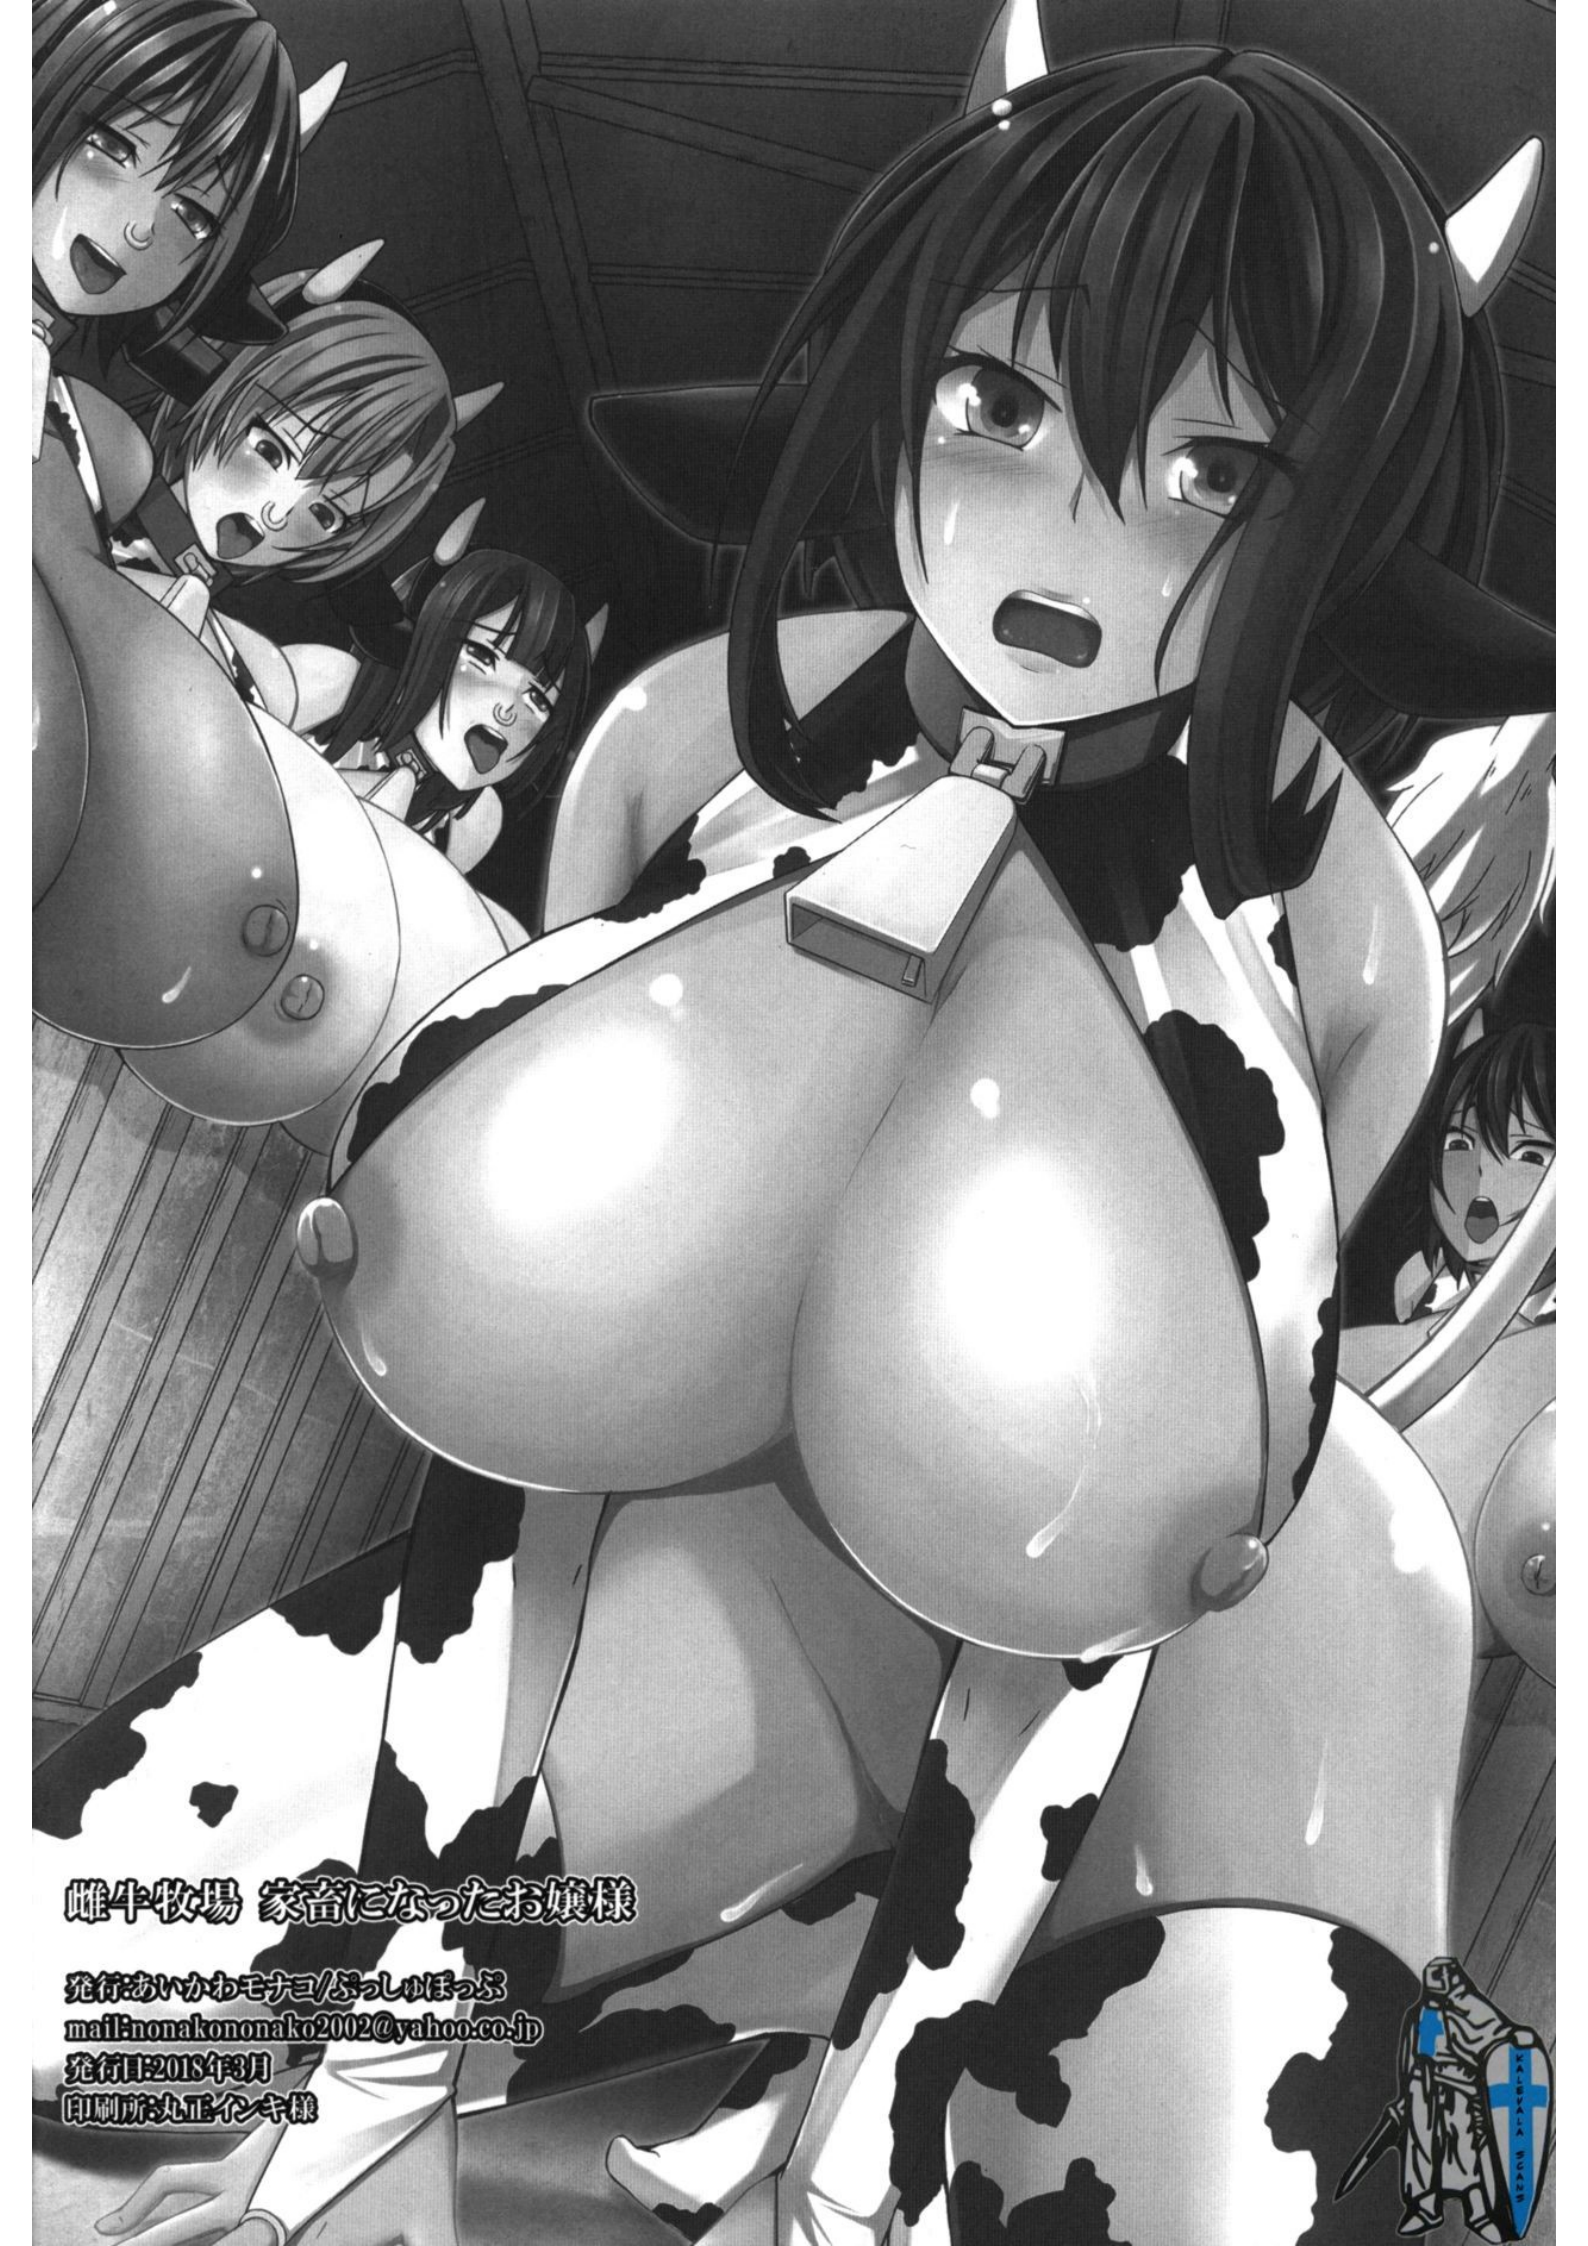

Moo...  
you  
bet!  
It feels  
really  
good

But if I did  
that...  
would I ...  
Would my  
breasts  
grow as big  
as yours  
Ariko?

And you  
can call  
me Alice  
now.

Maybe  
you  
would  
like to  
try  
it?  
But I'm very  
happy now. I  
don't have to  
worry about  
anything.  
I spend all day  
eating, sleeping,  
being milked...  
and mating
