

It's been a while! So good!

Whew!

twoosh

Close your eyes. Let me rinse the soap off.

Yes!

scrub

scrub

The boy next door had broken both arms. He came to ask me help him bathe.

woosh

I understand that. The pain I can deal with, but not being able to do anything for myself is so frustrating...

I'm sorry, it's too sudden.

If he had to resort to asking for my help, and he barely knows me, then he must not like his parents very much.

His father is on a business trip, and he's too embarrassed to ask his mom for help.

Ah, yes!

fwip

All right, hands up! I'll rinse your body!

pump

Oh, there's no sponge? I'll have to wash you by hand.

Okay.

Mm mm

As smooth as a marshmallow...

It's soft and bouncy...

boing

Let me wash your crotch as well.

Okay...

Oh, yes,

Was

I helped  
him until  
his balls  
ran dry.

I need  
more...

thump

flinch

Let's  
take  
a bath  
together!

Yeah!

I'm  
next!

Oh,  
yeah.

That  
was a  
big  
load!

And  
then,  
after  
his  
arms  
got  
better...
