Onii...
chan...

There is a
brittle
little
girl...

Oh,
you're
feeling
well
today?

Let's
go

On a
date...

Living
as my
neigh-
bor.

But since she's always staying at home she's physically and mentally younger than her real age.

I did notice that she's actually conscious about it.

From afar, she doesn't look too different from the rest. Her age also isn't that much different from theirs...

That's quite big.

What's wrong? Why are we stopping?

Ah, su—...

Onii-chan, I'm tired. I want to take a breather there

Going on dates.

And having sex too...!

I also want to feel like a normal girl

I'm serious

I'm already old enough

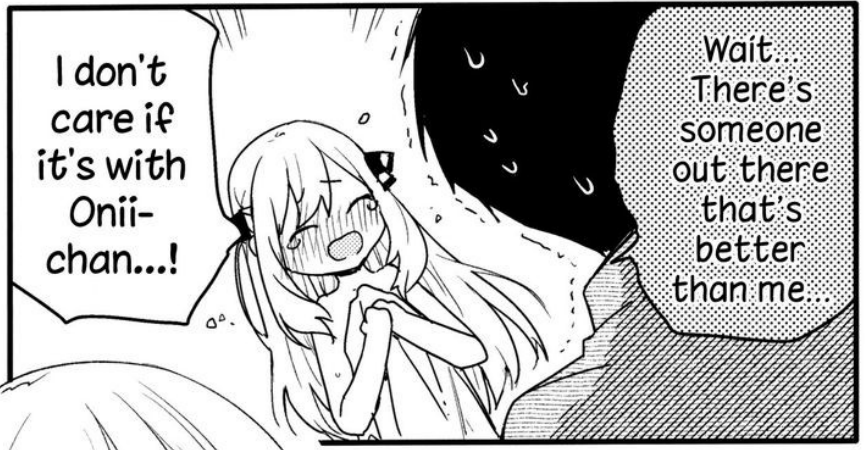

Even if... I'm the way that I am

Calm down a bit

Whoa! Why's she getting closer?

Please, Onii-chan

I don't care if it's with Onii-chan...!

Wait... There's someone out there that's better than me..

Please ...

Press

Urgh,
wait.

H-her
chest...!

This
is not
good.

すり

すり

Why
is she
mov-
ing...!

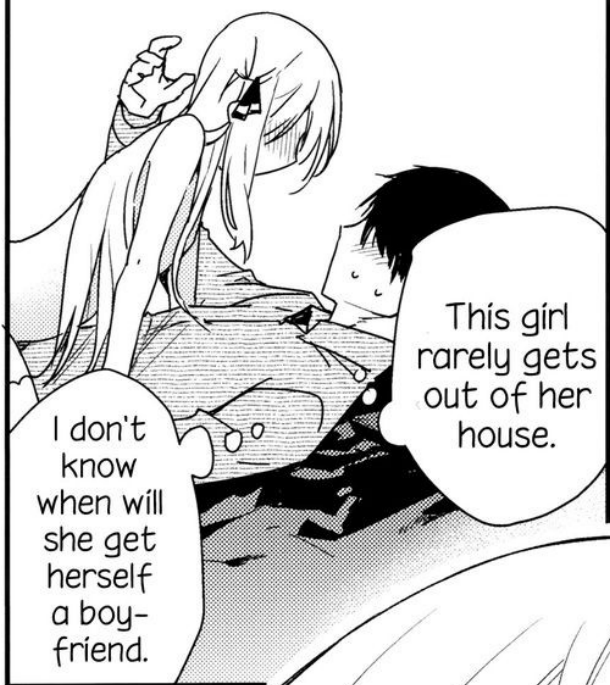

...If
it's
only a
kiss...

Onii-
chan,
please
...

The softness
of her chest
and her belly
can be felt
even through
my clothes...!

This girl rarely gets out of her house.

I don't know when will she get herself a boyfriend.

That's why it's okay if I teach her this much, right?

KISS

Nh... Onii... cha ...

Her mouth is so small...

Nh

My belly feels all sorts of tingles

Uwaah! This isn't good!

It's suffocating...!

What's with this wetness?

We've reached this far, it'd be a shame to only go halfway

...

She is completely ready now...!

There's no other choice. I'll make her feel so good that she'll come.

Onii... chan... My body... feels... weird...

Kya

Ha Ha

My head suddenly went blank...

What...? What was that...

If an innocent girl like her was suddenly taught pleasure like this.

Eh...? My body... feels weird again...

She's too pure, I can't hold back...!

For this girl... Was that the first time she masturbated and came?

W-what's this...

It tingles more than ever before...

Onii... chan... Help...

Of course one would lose all restraint...!!

Whenever mine tingles, it's a sign to put it inside me, right?

During sex, a boy will put theirs inside, right? Onii-chan.

Eh... Wai-u

That way

Hey! Stop...

The tinglings will subside, right...?

Touch

Small signature or mark at the bottom right of the page.

Ah.

Onii...
chan...

Damn it,
that's
because
I inserted
it when it
still wasn't
fully erect.
It becomes
even tighter
inside...!

It becomes
even tighter
inside...!

Eh,
What
...

Onii-
chan's
thing
becomes
big
inside...

My
tummy
is
full...

This
feels
too
good!

Not
good!

I'm al-
ready
at my
limit...!

While having sex, are we supposed to move ...?

Why are you suddenly moving?

Onii-chan ...?!

My head is becoming blank...!

It keeps hitting the weird places.

What's this...

Yha.

This feels too good...!

Ah

Ah

Onii-cha...

Damn, what is this.

Noo, something is coming again...!

The more I thrust the more I can touch her womb.

Ah

Ah

This is sex...?

Onii...
cha...

Ha
Ha

It's con-
vulsing so
bad, I don't
ever want to
pull out...!

Whoa...
She's too
sexy...

...Sex is truly

As good as they say...

Then I should give her an experience...

I've been wrong to her this whole time.

What's with this sexy face...!

Befitting her age!

She has always been a normal girl growing on the inside...!

It's reaching my womb
Ah, Onii... cha...

Nooo ...!

This tightness.

Every time I rub against it, it makes me want to cum so bad...!

Ah
Ah

Ah
Ah

Onii-chan, no...

I will make you feel good more and more!

Onii-cha...

Noo

It already feels weird inside ...!

Ah
Yha

It feels good...

Cum-
ming!!

Onii-
chan,
you
should
enjoy it
too...!

And brings you happiness doesn't it?

Sex makes your heart palpitate Onii-chan.

ククッ...ククッ...ククッ...

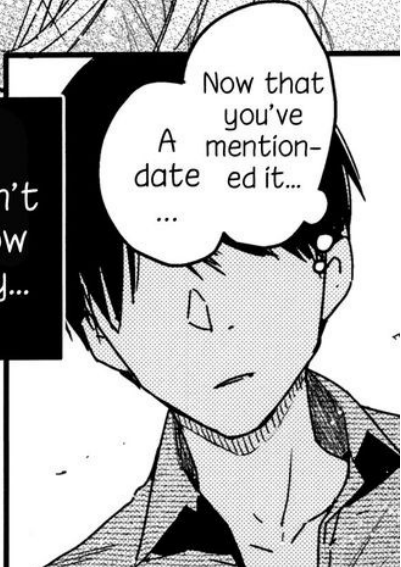

...I wonder if I've become a normal girl by now...

Yeah ...
Let's have sex again... some-time

...At the time... My chest hurts.

I don't know why...

Now that you've mentioned it...
