Four months earlier
Seoul

Excuse me, sir.

I have booked the restaurant just like you asked. Anything else you need?

Ok, secretary Yoon.

It used to be much easier when I was the only one calling the shots.

But nowadays this department kept getting interrupted by the chairman, making me exhausted.

Being forced to go along with this meaningless show.

Is there anyone who likes it when their boss suddenly calls them out for dinner?

But the chairman thinks that getting to know the staffs is good for the company overall.

He's making me go crazy with all of this.

What about you? Was there anything that you were not used to when you first came here?

摸

N-no sir. It was just fine.

Sir... I've made the announcement...

哈啊..

Ok, good job.

脱

Then let's have a quickie!

Do you know that you're the only one here that I can be honest to?

Y-yes I know, sir...

You'll have to stay with me till I become the chairman.

Yes, sir...

I'll stay with you all the time.

That's good. I believe you.

Listen up everybody!

As the host of this dinner,
our director Mr Lee Ki Tae
would like to say a few
words for us.

Hello.

Did I surprise anyone
with this sudden
gathering? Thank you
for attending anyway.

I've not been here at the headquarters for long. That's why I invited everyone here today, to get to know you guys better.

Ok let's not talk about work today. I hope everyone has a good time.

Toast for DS group!

Cheers~!

So tiring...
Do people actually enjoy
this kind of thing?

Err sir... Your glass is empty... Let me pour you one...

Ah, okay... Are you Kim Dae-Ri?

Yes, yes sir...

He is about my age but he's bowing to me. What a sad fellow.

People are dumb, and have no self-esteem. How can he live like this, only to look up to other people's life?

Let me pour it for you.

Ok, thank you very much sir!

He's lucky to be able to work with this company. This is probably his best achievement in his life.

He'll be forced to sell his life working, while I am able to retire young, being still in my prime.

He's aware of that but is still able to laugh? Pathetic.

ㅎㅎㅎㅎ

How much longer do they
want to hang around?
This is getting annoying.

Ahh, you're here...

!!

Ohh, right dear...

Let me introduce you the director of our department.

Ah, that... We actually

But then you suddenly
called us up so...

Ahh... I'm not saying that there is anything wrong with that...

Anyway, she went to the movie by herself. We agreed to meet up here and head home together.

Oh my... I've done something terrible.

Oh, no, not at all. Please don't say that sir.

How about this?

Let me treat you

as my apology...

What?

There's a wine bar I
know of. Let's go
there together.

Ahh...
Okay, sir...

So you guys have been together since college, that's amazing.

Well, I had been chasing her to death...

Maybe she accepted me only out of pity because of that.

Ahh, dear... Don't say that.

She's my wife now but...

They used to call her the prettiest girl in college.

Yeah right...

It's not hard to believe that since you're still so pretty now.

Right? Ain't that right sir?

I'm sorry sir, but could you take a picture with my wife?

Huh? Me?
