Can you take
a break for
awhile? I
need to talk
to you about
one of our
projects

oh...
...ok...

Poor
Jungwoo,
the Deputy is
always strict
with him

Yea, they
were like that
even when
I just
entered

Hey...
You don't
think that
they could
be together
right?

Eh...No
that's
impossible.
Plus our company
forbids those
type of
relationship

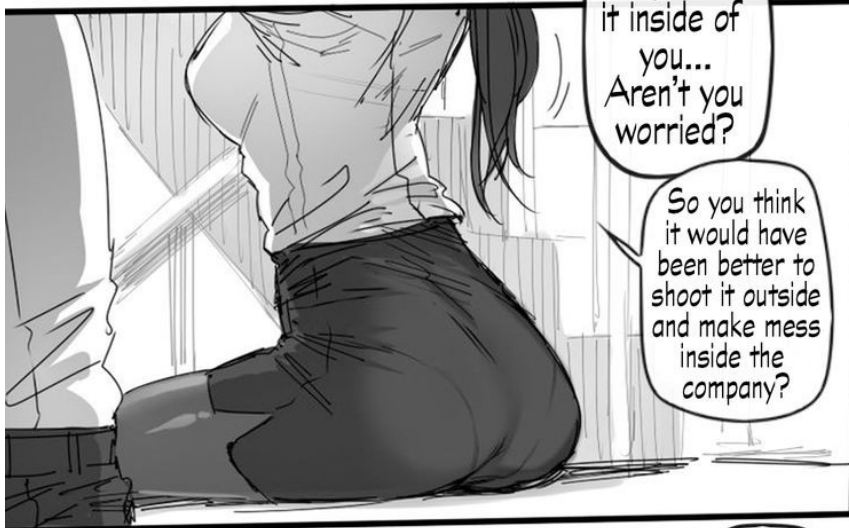

...Deputy...
are you...
sure
about this..?

hm?

Well, I shoot
it inside of
you...
Aren't you
worried?

So you think
it would have
been better to
shoot it outside
and make mess
inside the
company?

Don't worry,
today is a
safe day and
plus...

??

If any accidents
did happen, you
will take
responsibility for
it.....

...Right?

Eh!!!... but
thats a little
bit too.....!!

What?.. Don't
tell me that
you're planning
to throw me
away after you've
used me

No I
didn't mean
that!

u u u

Knock
Knock

Excuse me

Director I'm
coming in

Oh, Deputy Kim
Yes please
come in.
Sorry for
asking you
to stay late
today

If you wanted
to talk about
work we could
have done it
by messaging

Is there
something
wrong?

No no,
business is
doing fine. I
just found
something
interesting
that I wanted
to share with
you

Look
at this

...Hm...

Aah♡

Aah♡

Ah♡

Haah♡

Ah♡

This is you and
Jungwoo Choi
right?
Man look at
you go, so
violent and
perverted

I never expected
the determined
and responsible
Deputy Kim to do
something like this
while at work

Ho.....
how.....

You know how much my father is against this type of relationship in the office right?

That...that...that...this...

First of all strict disciplined will be given to both of you

It's going to be especially hard on Jungwoo considering his position

!!!

No!!!..Please I will take full responsibility!!!

This type of thing can't go unpunished

Shouldn't you know that Deputy Kim?

...Unless...

If you show me the same sincerity that you showed Jungwoo...

...then I might close my eyes and I won't say a word of it to my father

.....!!!!

음...!!

Slurp

Yes, now
open them
up a little
more

Ho, those
are some huge
milk bags you
got there
Deputy Kim

Ugh...!!!!

...This
pervert...!!

Jungwoo is
one selfish
guy for
keeping
these for
himself

Thanks to you
Deputy Kim,
My little friend
just woke
up from his
sleep

Now, lets
give this
guy a
little taste~

!!!??

Shlap

Whats this!!
This guy's thing...
Jungwoo's can't even
be compared to
this

Whooo~

incredible
Deputy Kim

This feels
better than
most pussy's
that I've tried
out

Shlap

Shlap

Shlap

...!!!!
Hm...!!!!

This thing...
Its dirty...
Ugly...

So does your boyfriend ask you to do this to him everyday?

Oh, so that means this is a first for you. Man I'm so lucky today

Kuh!!!

He would never ask me to do something like this...

Ugh... My heart...

Why is it beating so fast....?

I would love to continue this more but I have some work that I need to do, so I'm wrapping this up

NOW TAKE IT!!!!

Fuh...!!!!!!
!!!!!!

Ah that felt great, I'll call you later after I've finished my work

We will continue this later at a more "comfortable" place

부르르

Eventually, he did called me and told me to go to a nearby hotel

Nghh
♡♡ Aah
♡♡

Aah
♡♡

Haah
♡♡

Ughh...
What...

What are
you doing...
??

...This is
the worst...

I'm leaving
you some gift
marks~
hahaha

Haah
♡♡

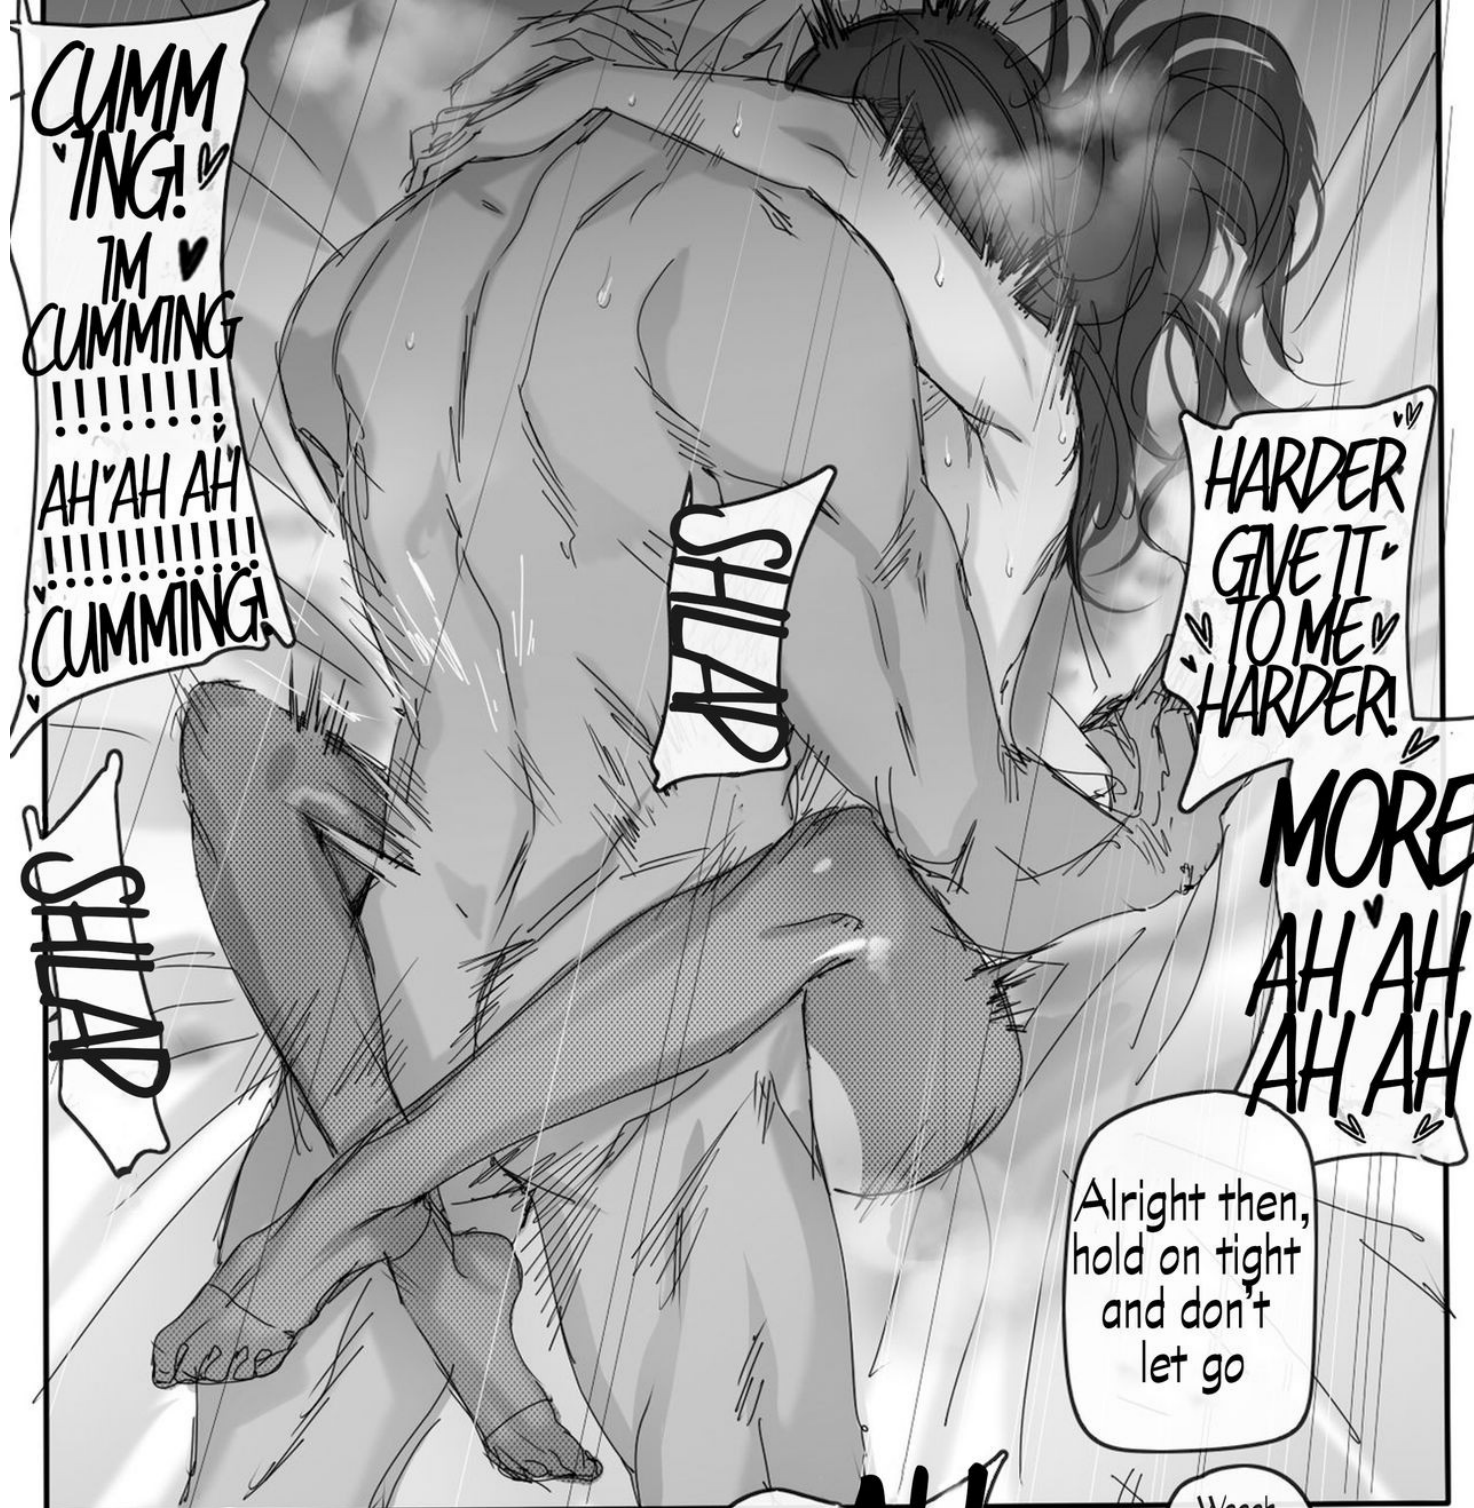

You better
hide them
carefully if
you don't
want your
boyfriend to
see them

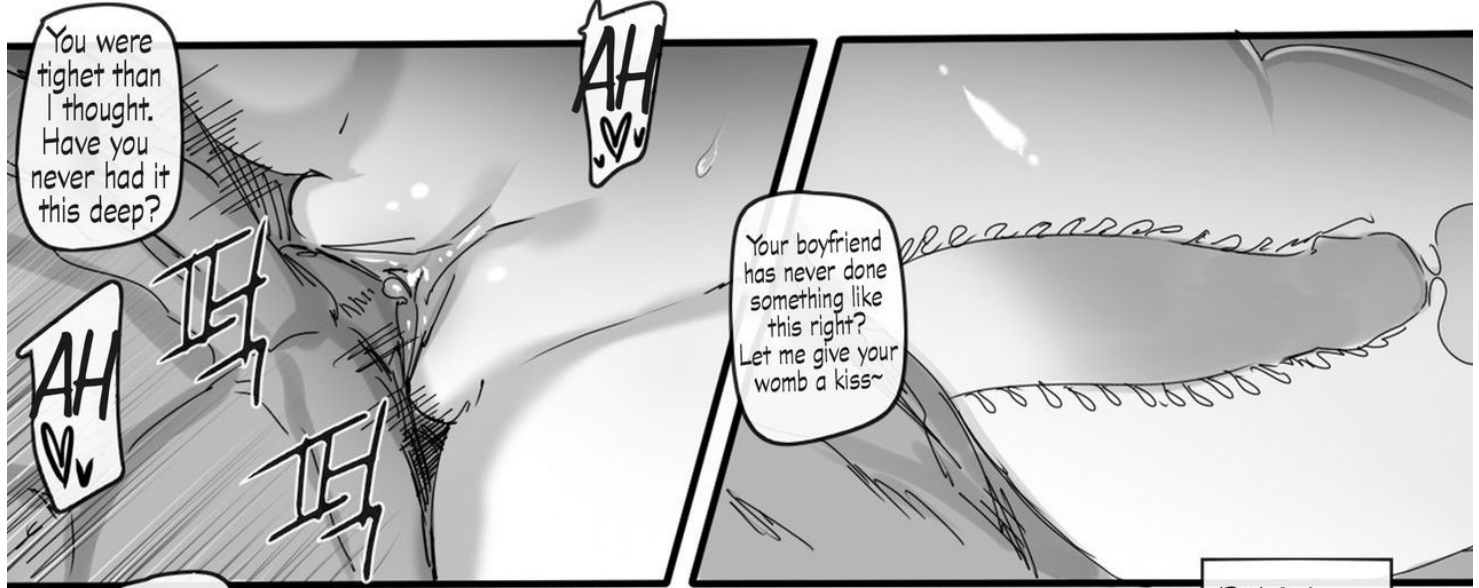

Now, take off
your shit. I'll
give you an
experience you
won't forget

.....
Aahh
♡♡

...this is happening
because of me...
but I can't let
this damage
Jungwoo

Calm down...
I can get
through this!...

You were tighter than I thought. Have you never had it this deep?

AH

Your boyfriend has never done something like this right? Let me give your womb a kiss~

hahaha That's a cute reaction

Haah

Good

Didn't know this existed... I've never had sex like this...

Haah More

This is a face that has never been seen by that guy

He's always hitting that one part

Ah~ that's one more to add

Man, I'm shooting out faster than usual today

Well, compared to the amount of times you've came. I'm still miles away

Something... is changing inside of me

AH Hydaah

Oh~ you're tightening up quite nicely

AH AH AH

Jungwoo has never done anything like this This is different....

Haah

Haah

You seem to like it when I smack your ass, are you a masochist?

Did your boyfriend ever did anything like this to you?

How is this man doing this...?

I can't even remember how many times I've climaxed

No, no more waiting

I'm about to show you a whole new dimension that your boyfriend never could

AH AH No.... Please Wait

AH AH

Hyaah

You like it when I scrape it slowly like this?

Yes... Good Ah Ah

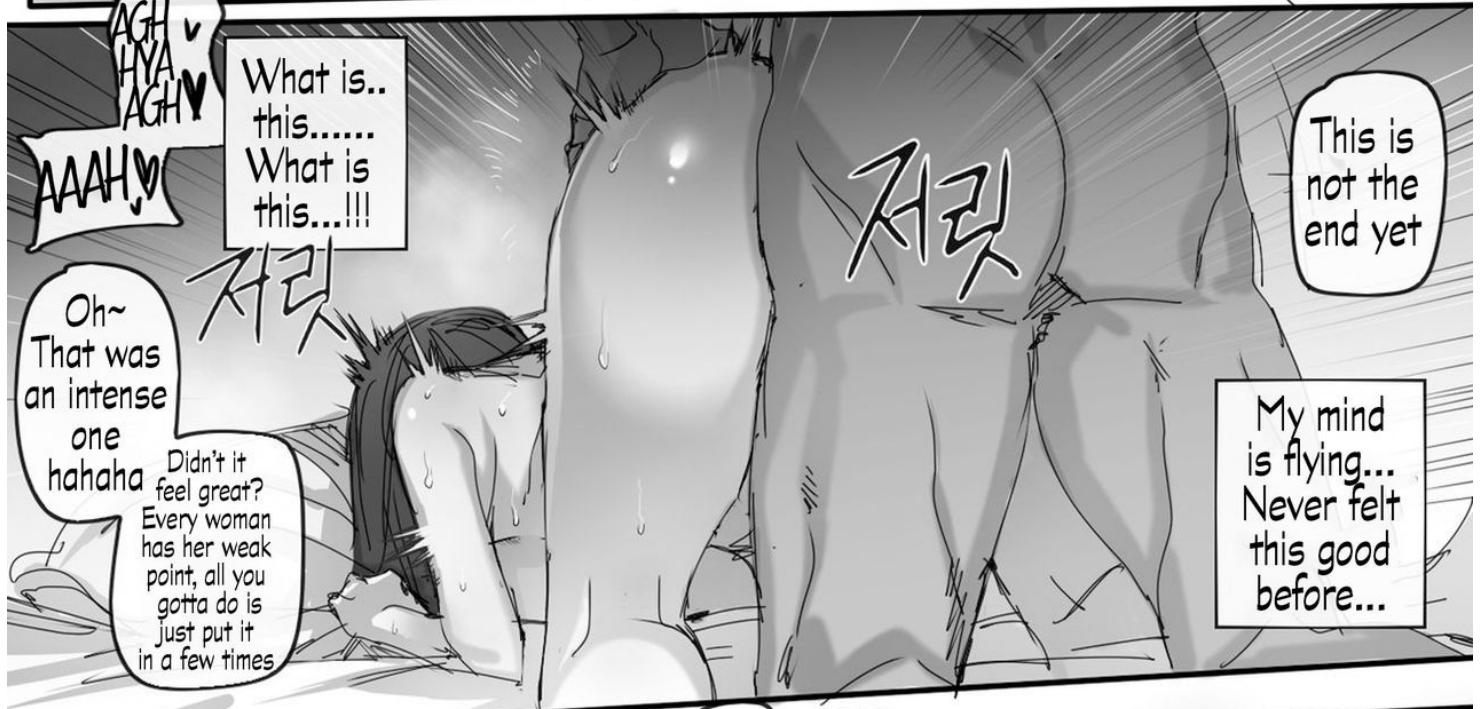

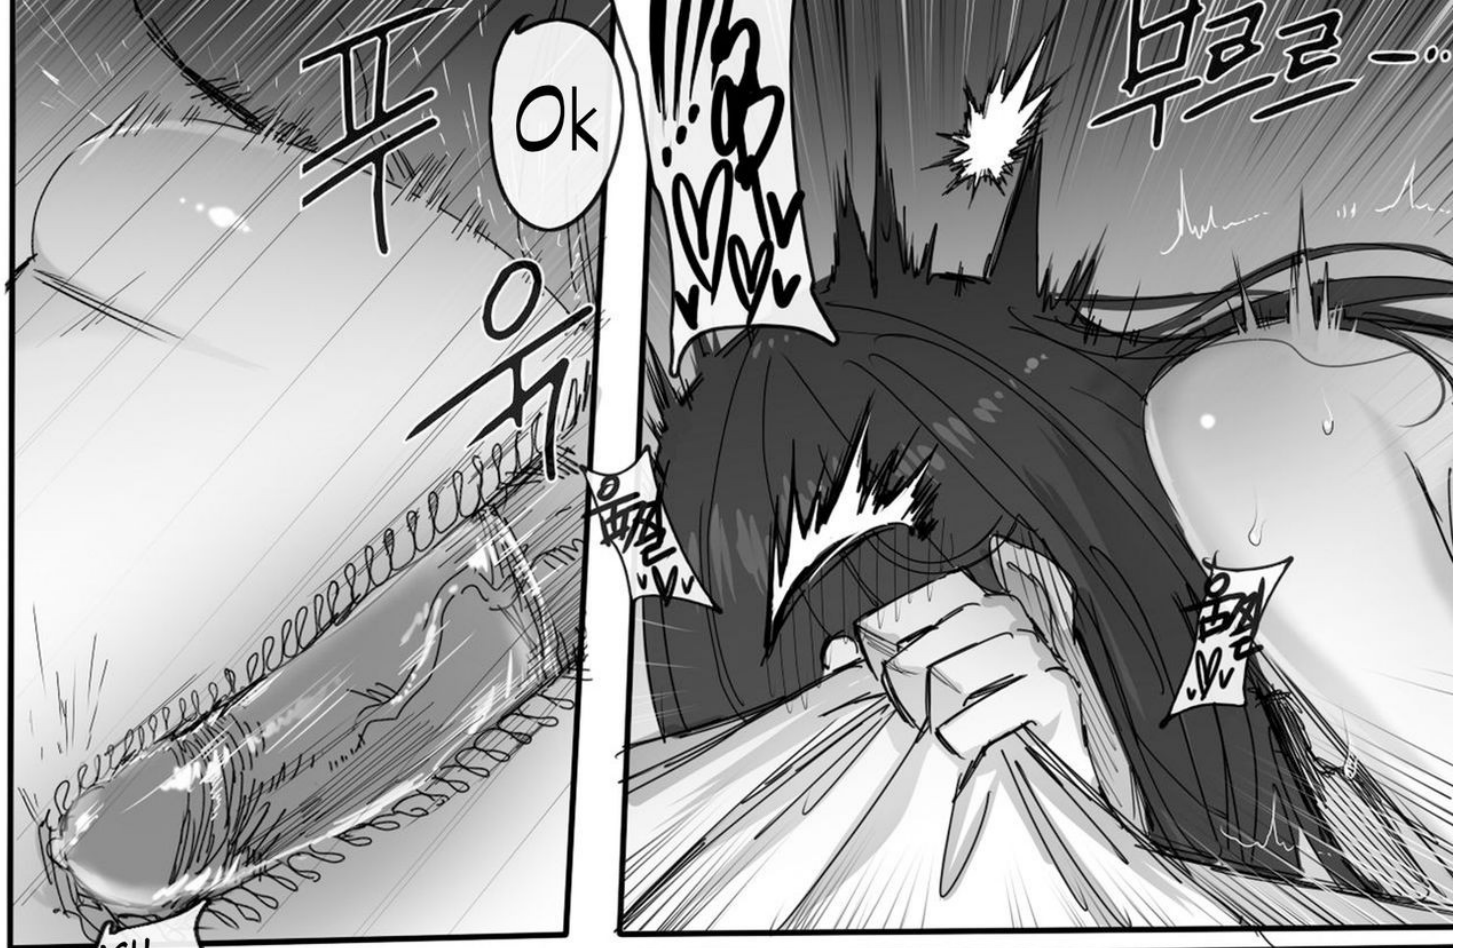

지르 지르

지르 지르

지르 지르 지르 지르

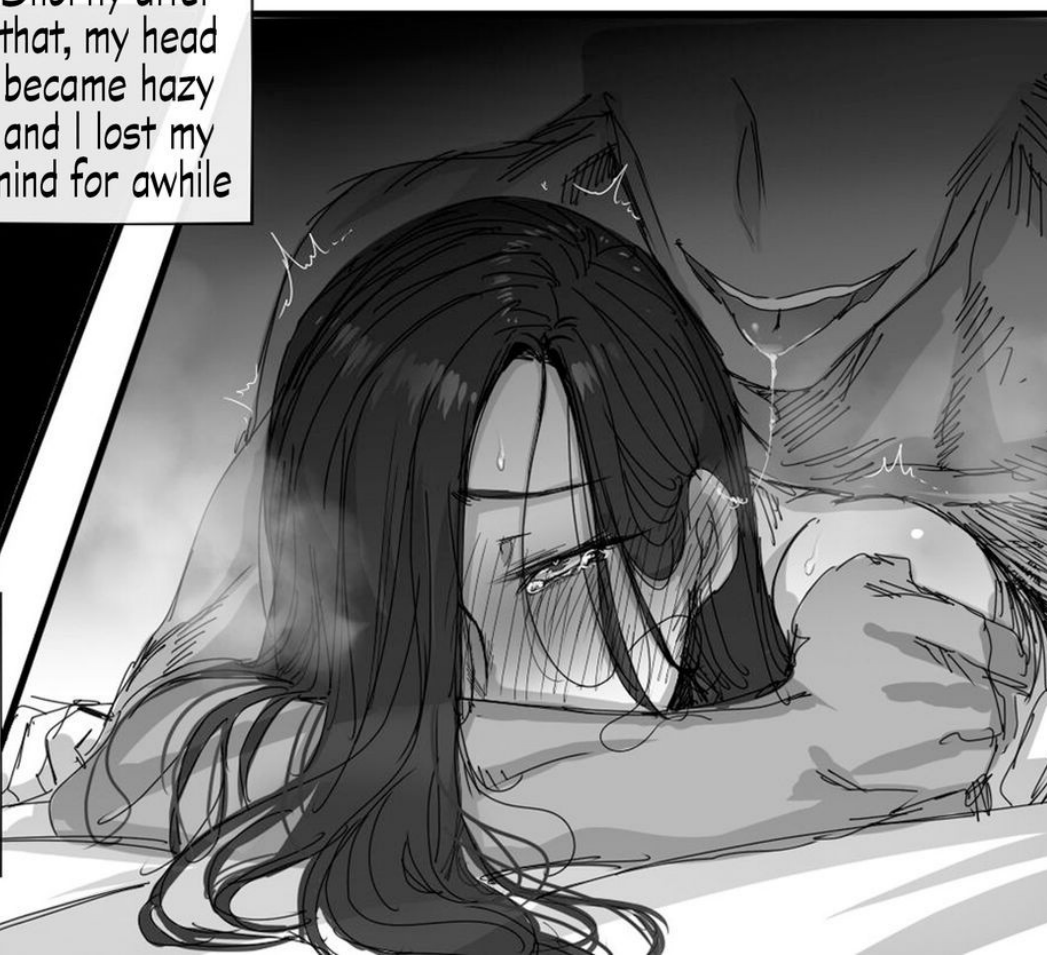

지르 지르 지르 지르

Shortly after
that, my head
became hazy
and I lost my
mind for awhile

I don't remember
how many times
I climaxed that night,
he just kept repeating
on repeating those
movements

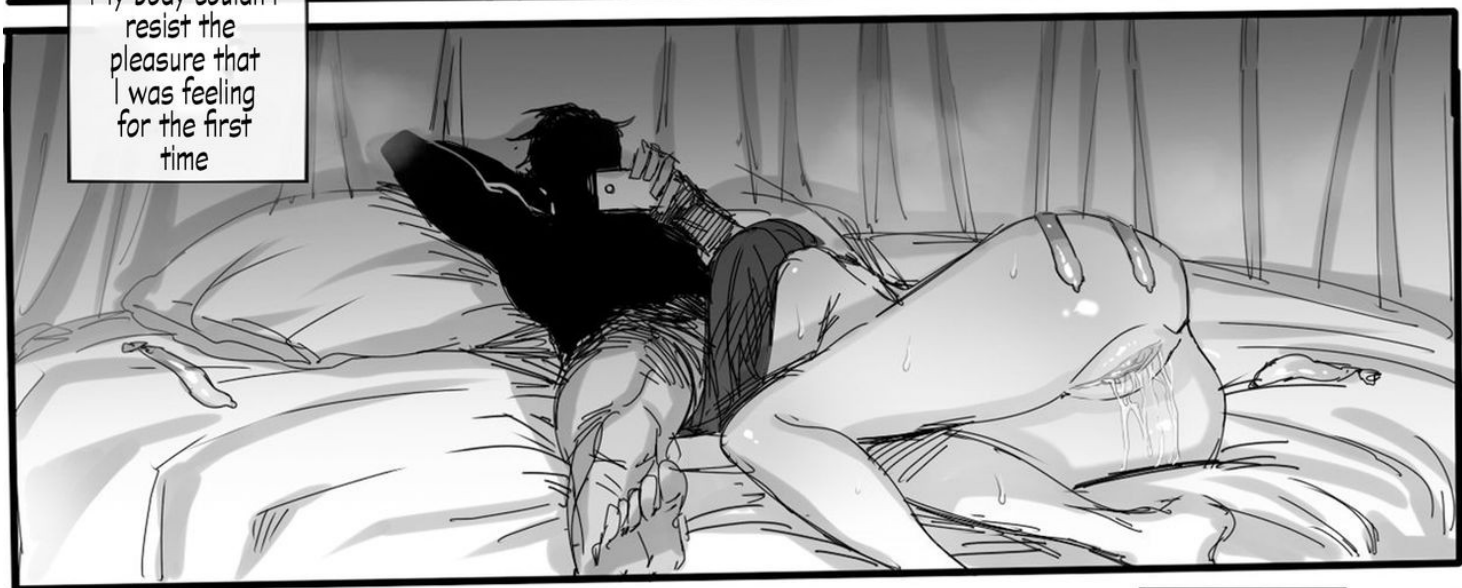

He had already
grasped
everything
about my body

He played
me like I
was a toy

My body couldn't
resist the
pleasure that
I was feeling
for the first
time

I was eager
for more, and
my body obeyed
his every need

Hah
♡♡

Ah
♡♡
Haah
♡♡

Oh wow, look
at the time.
The sun is
already rising.
I need to get
ready for work

Thanks for
the fun,
Deputy Kim~
Take care of
yourself ~
...You should
probably wash up

These are
some huge
numbers

This is
quite an
achievement
for a newbie
like you

Ahaha
I really didn't
do much
honestly

A lot of
it, I was able
to do it with
guidance from
Deputy Kim

Oh~
I'll have
to give
her a high
evaluation
then

Also, Jungwoo
the Deputy
won't be in
office for
awhile.
She is being
sent on a
work trip

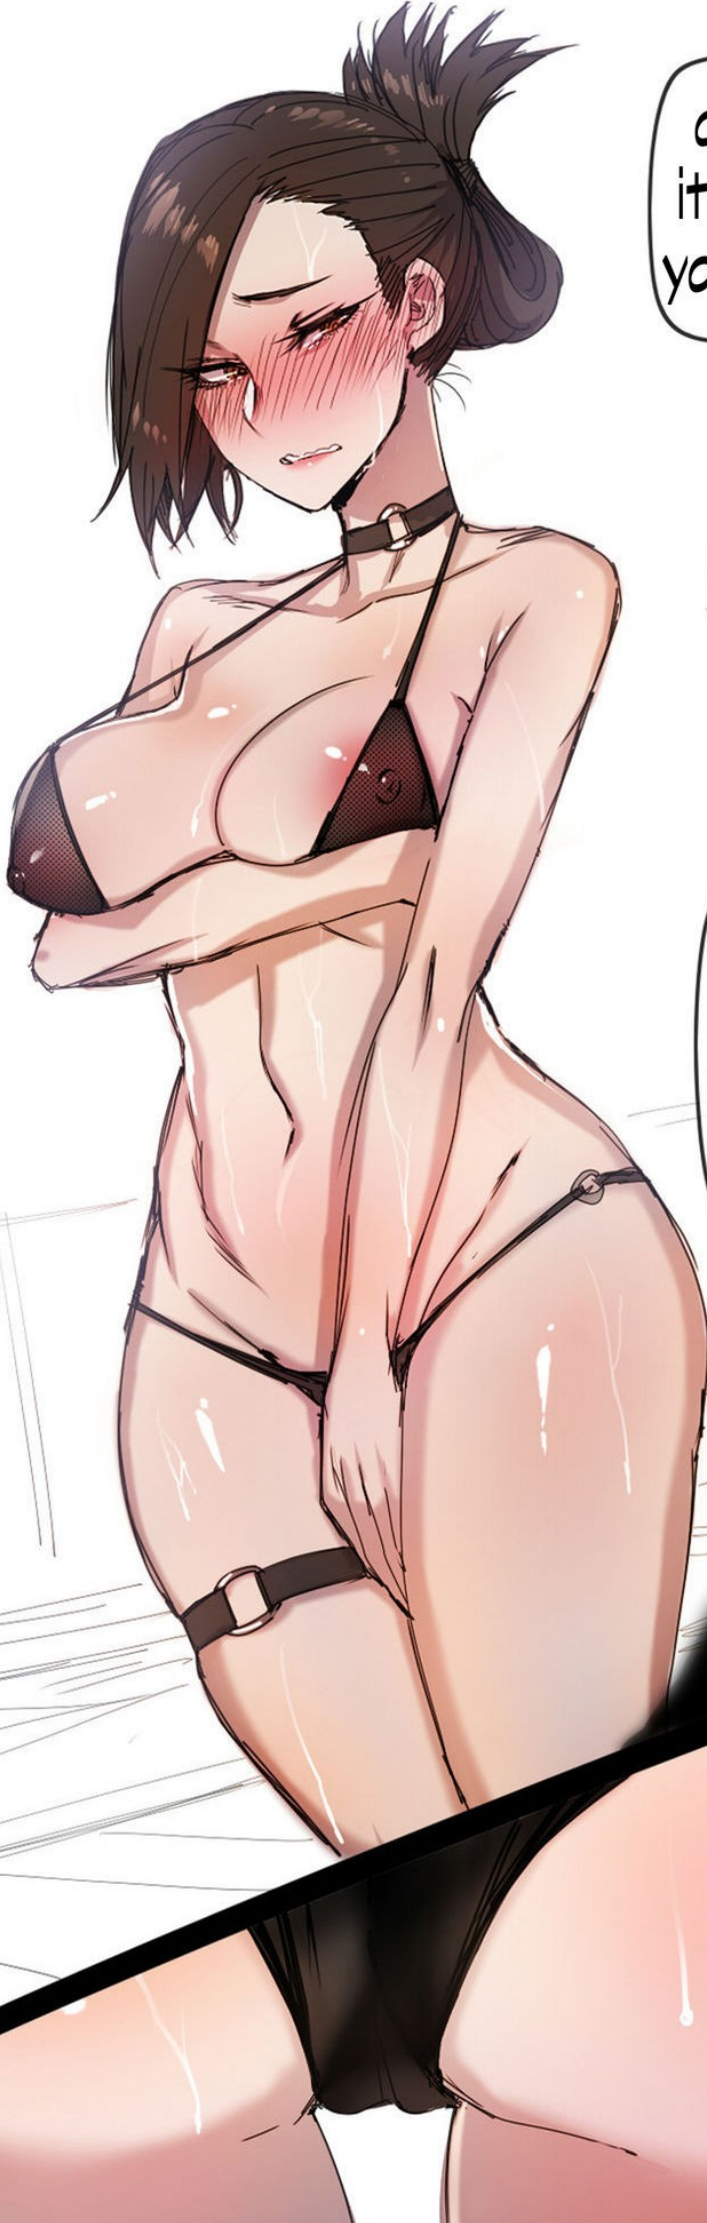

...!!!!
A...
work trip...
Deputy
Kim??

Yes...
Deputy Kim
and I will
both be going
abroad for a
few months...
for a company
project~

Deputy Kim
and I can stay
at ease knowing
that a capable
junior like you
will be around to
look after the
office

...Right?

oh,oh
it suits
you well

Come on
now Deputy
Kim, whats
there to be
ashamed of

Ugh...
this
swimsuit
is so
immoral

What if
anyone
see's me
in this...

Ah, don't
worry about
that. I borrowed
this pool under
my fathers name
so no one from
outside can see
us

The good thing
about this
country
is that
it has
lesser rule
compared to
korea

So what else
are you waiting
for?
Do your part
and start dancing
like a whore

Ok...

Ah~
this feels
so good

Deputy Kim,
you're so
good at
giving massages.
What did you
ever do at the
office?
ahahaha

Idiot...
Dont
laugh...

Hey Kim,
why don't you
put in a company
resignation and
come work for me
as a service maid.
I can let you taste
pleasure everyday

I hate
doing this...

Ugh

My throat is
being violated
and I can feel
it

Ah~
That was a
really good service
Deputy Kim, now
come and let me
pay you back

Ye...
Yes...

AH ♡
YES ♡
SO ♡
GOOD ♡
MORE... ♡

Ahahaha
I can never get
tired of your
reactions no
matter how many
times we do it

Your howls
always turns
me on.
So go on
a howl even
louder...!!

AGH
♡
