It's so spacious here...

On my way home from school, I was heading to the train station when I passed through the park

Park Dnee-san

I just love going here

Is that ...

Being among nature and the breeze feels good

This is my favorite place!

While I don't even know their names, I said hello to them

Howdy

Ehehe

You're right!

Dh!

There they are it... There are four of them here today?

Perhaps the others boys are... his classmates?

To these boys that I don't even really know...

Fancy seeing you here again
