

A total introvert like me doesn't belong here at all...

So this is a night pool...

Hotel Blue Love

Sorry, Kozue!! I got called in to help on a manuscript!

...Stupid Tomo.
I can't believe she cancelled on me when she was the one who wanted photo reference for her manga backgrounds.

...I tried coming alone anyways, but...

I knew this would be scary...
There's nothing but popular girls around here...

I'm an introvert. I stick out like a sore thumb here...

If you don't mind, why don't you hang out with me?

Sigh...

I already took the reference photos, so...

Are you here on your own?

I should just go home...

Hey!

DUN

Huh?

Come on
Let's go!

U-um...

Am I actually getting hit on?! Popular girls are scary... What do I do...?!

See?
My friend just ditched me. I'm so lonely. ☆

Yeah!

Huh?
Ah...

I'm Nagisa!!

You really do like your quiet-looking girls, Nagisa...

I'll head off then.

Then you let me hit on you and bring you back to my room.

That means you're okay with me having you all to myself, right?♥

Fufu ☆

First, you spend the whole day staring at my body...

I don't know what's happening...

They feel like they're going to burst...!

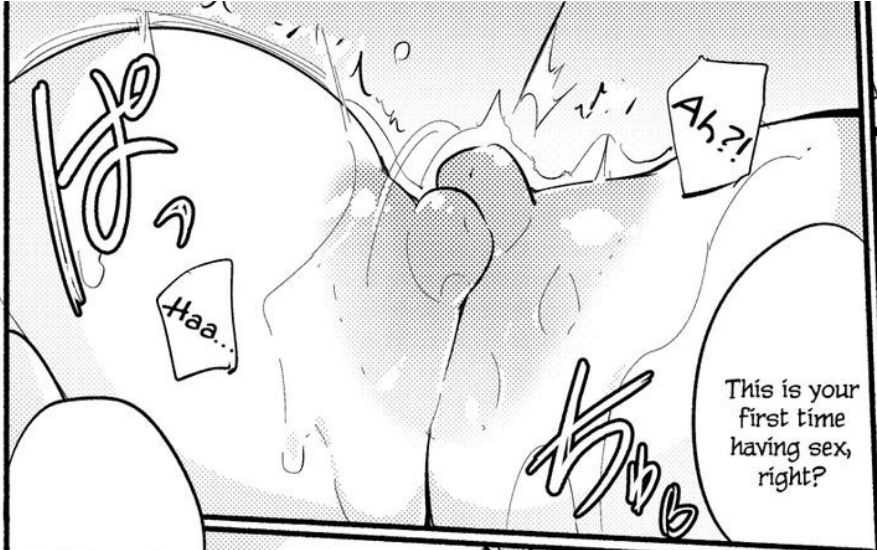

My lips... They're so ticklish...

It's... scary...!

My... nipples and...

Ewah-

Noo...

It feels really good, so just relax. ♡

This is your first time having sex, right?

Don't worry. ♡ It's not scary at all.

A-and on top of that...

Nagisa's breasts...

The way her nipples are all slippery and moving against me feels so good! ♡

She can tell what I'm thinking?!

Is this how... popular girls can communicate?!

Eek...!

I'll go ahead and help myself to it. ☆

Now, your first time, Kozue...

Aaaah!

Ah... Ah...

S... S... She's so good!!! ♡♡

I... I can't take it...!

The warmth of her tongue twisting in...

Noo!

Haa...

My... My Breasts!

You can't!!

Ah!

Aaaaah!

Look, your sexy bits are all in plain view on the other side. ♡

Eek...

Noo...

No... Don't

Ah... Haa...

Haa... Ah...

I'll kiss over here for you too. ☆

I'm never going
to be able to go
back to the way
I was!

If this goes on, she's going to... make my body and mind like hers...!

Even though I thought popular girls were so scary...

Haa...

Fwh...

Well...

You weren't scared? You didn't get wrapped up in anything?

Yeah.

What?!

You went to the night pool alone?!

Wow. Right into that den of popular girls...

Quite as bad as I thought...

Maybe.

チキチキ...

It...

It wasn't...

...I think.

Let's have sex today too, 'kay? ☆

It's not like that...!
