

Where are you from?
How dare you break
into the school without
permission.

Ouch...
Please...
we won't dare
any more!

"We? "
Where are your
accomplices?
If you don't tell me,
three, two...

... Behind...

Uh...

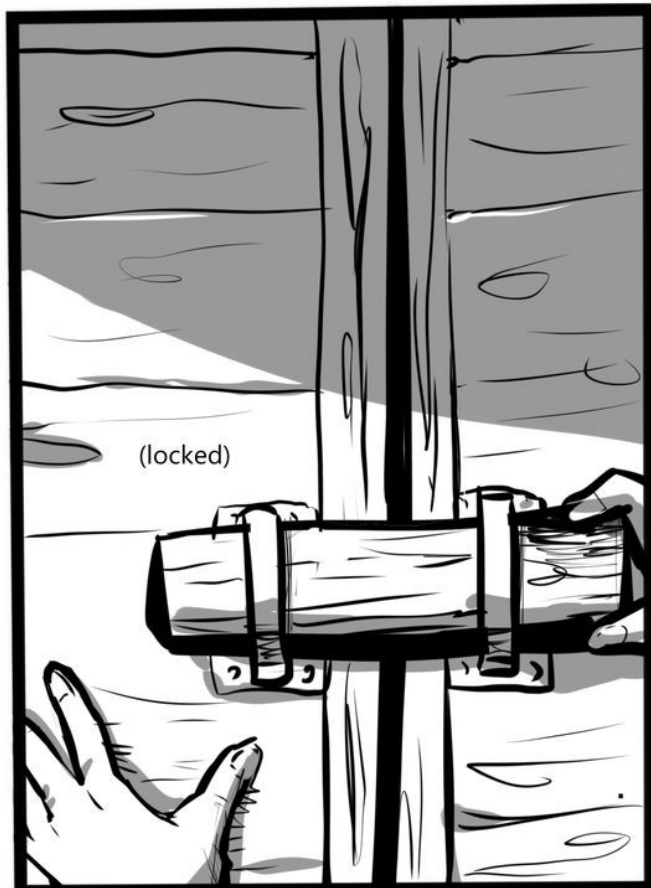

Whoa!!
Please,
don't,
he's just
In you...

Hah hah, it's a very good delivery this time.
There are several martial arts secret scripts in our hands.

What's more, we get a little pupil by hand.

Just put her on the straw over there.

Even with such a small age, Kung Fu is so powerful.

However, no matter how powerful you are, you have to make our plaything today~

The disciples of the Tai Chi School are really amazing.

(throw)

This... It's so small.

It's hard to be beaten up like this by such a little girl~

So let's get start!

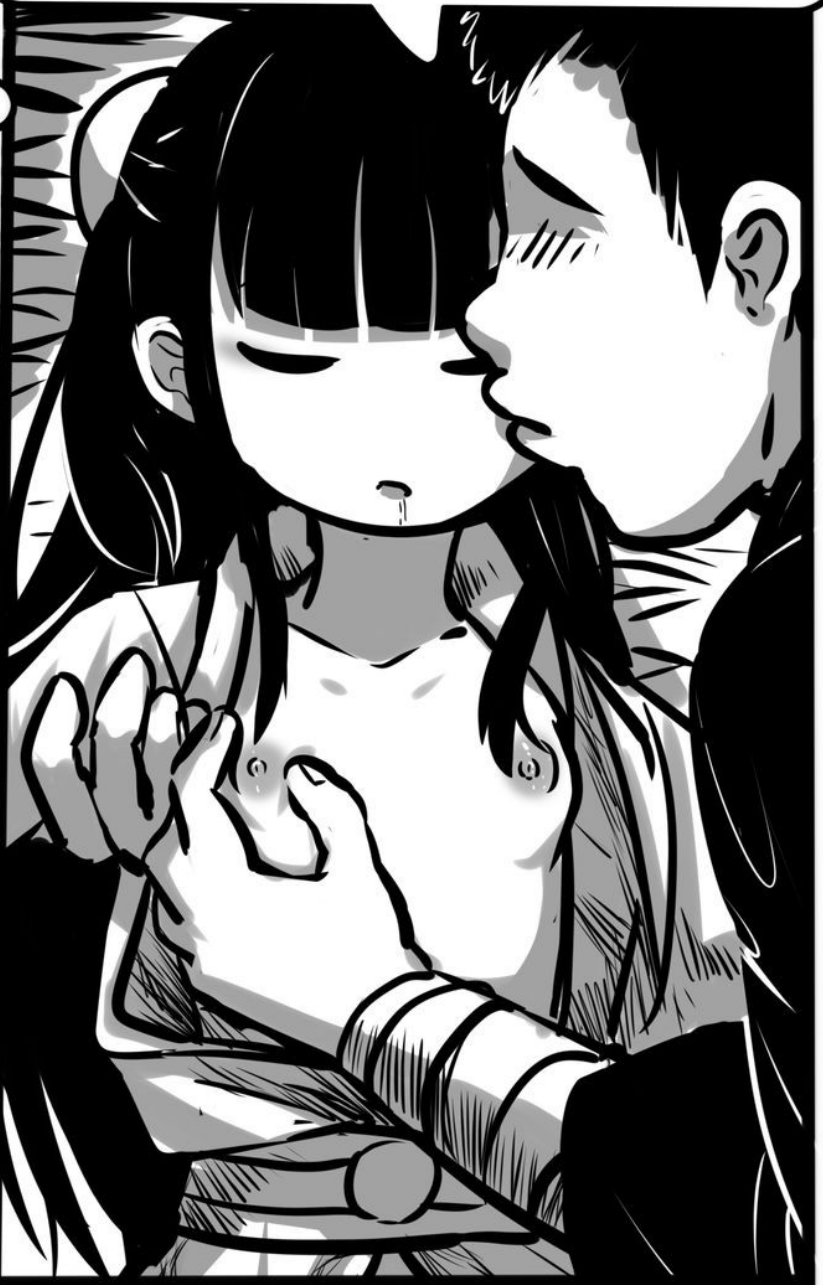

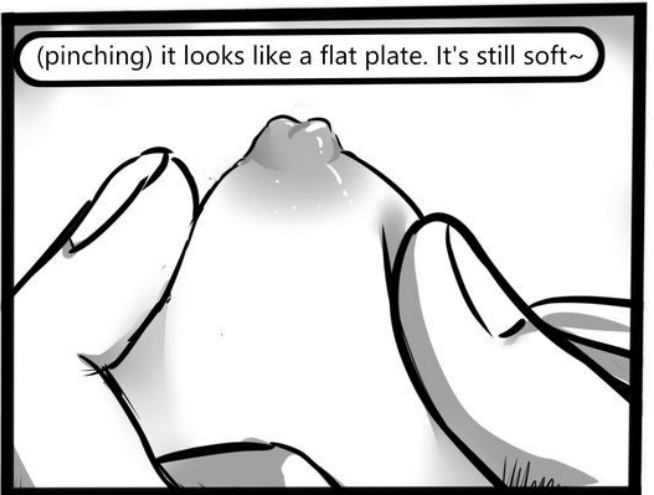

You have to wait for me to taste it first. After all, I managed her.

(licking) well Like soft candy, it's soft, waxy and sweet~

(pinching) it looks like a flat plate. It's still soft~

Brother, you can't let me stare at you~

Is this little foot that kicks me?

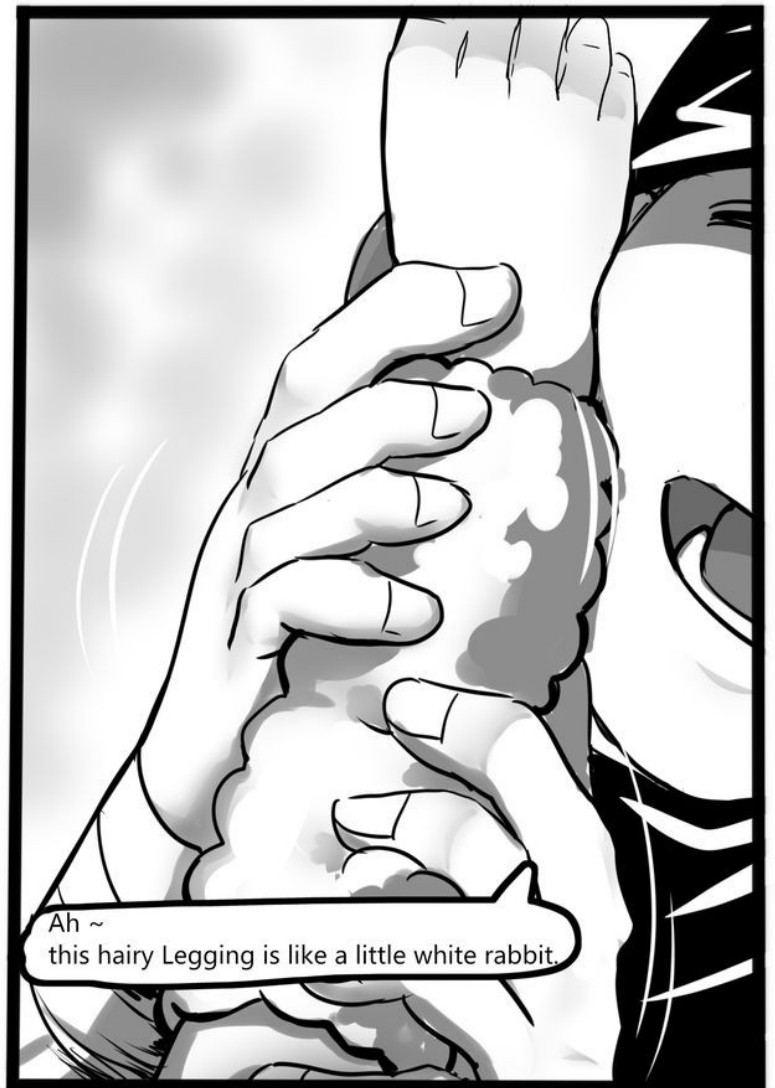

OK, save time and play together~

If you like, please let me play first.

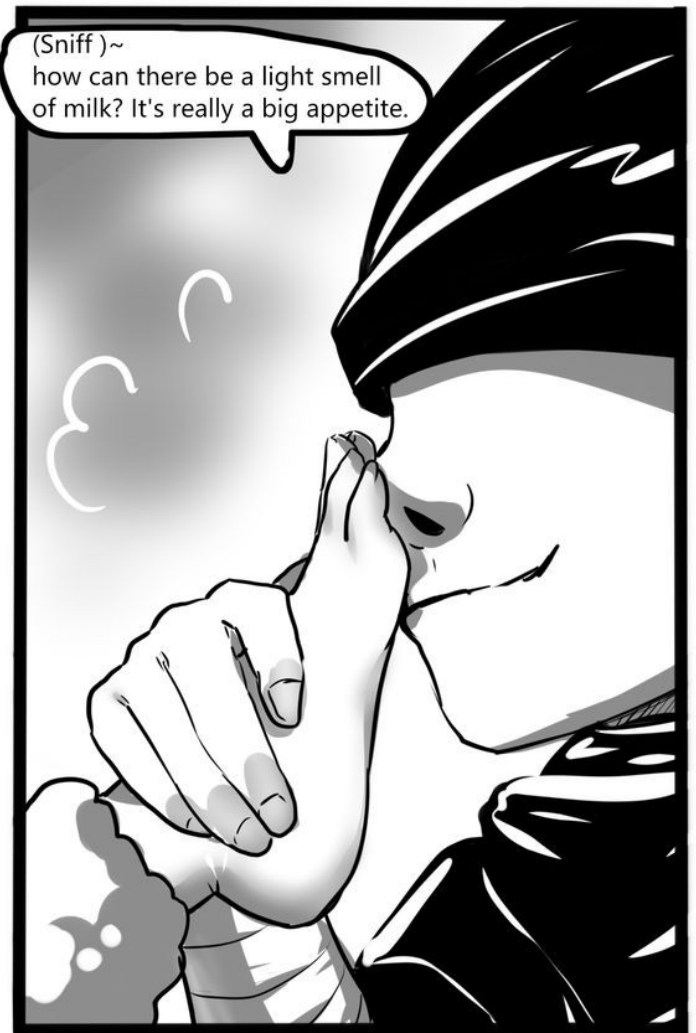

~So white, tender and soft~

Ah ~
this hairy Legging is like a little white rabbit.

(Suck)... Ah, it's warm and soft. I want to eat it all!

(Sniff)~
how can there be a light smell
of milk? It's really a big appetite.

This girl is a treasure. I don't want to leave her here.

Take her with us all the time after playing, though we will be defeated by her one day, hah hah

Where is this...

Um...
