This is the story of my slightly stimulating...

yet modest everyday life...

with Mistress Anna.

The title might talk about training, but the contents are pretty vanilla (for my standards).

Has it been a while since I last drew a purely cutesy crossdresser?
I had a lot of fun drawing him.

I decided to try a different drawing style than usual this time, so it's light on the story and more focused on the sex scenes. But maybe that makes it easier to fap to! I want to try whatever I come up with in the future.

Thank you very much for reading this far. Until we meet again!
