

After a few months...

This might be a small payment...

DOUBLE PAYMENT

but she's pretty loaded, so I just made the most out of it.

...Oh, well. I was confused at first,

She doesn't talk very much, but I like that she seems to be an open-minded kind of person.

She dresses plainly and doesn't stand out too much, but she's actually really pretty.

my dates with Yuuki-san became more than just a way to get money for me, and I started to look forward to them.

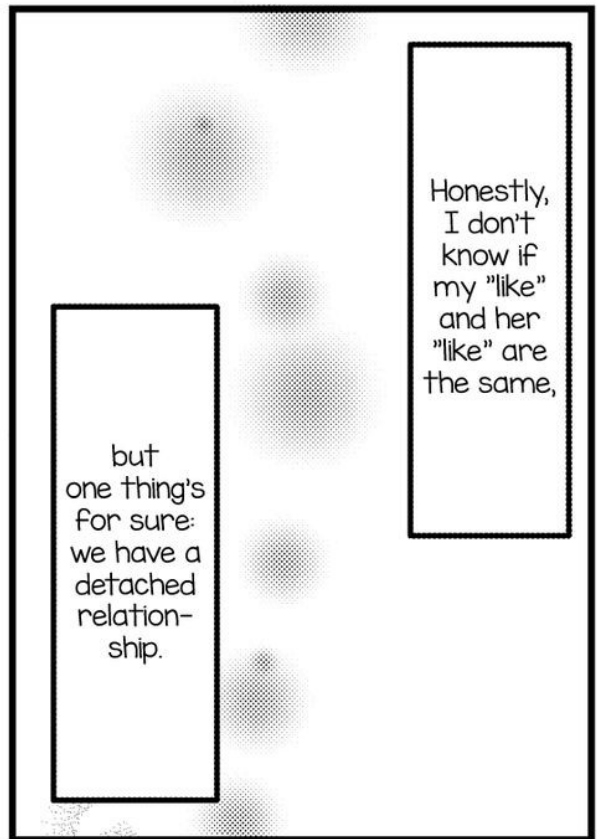

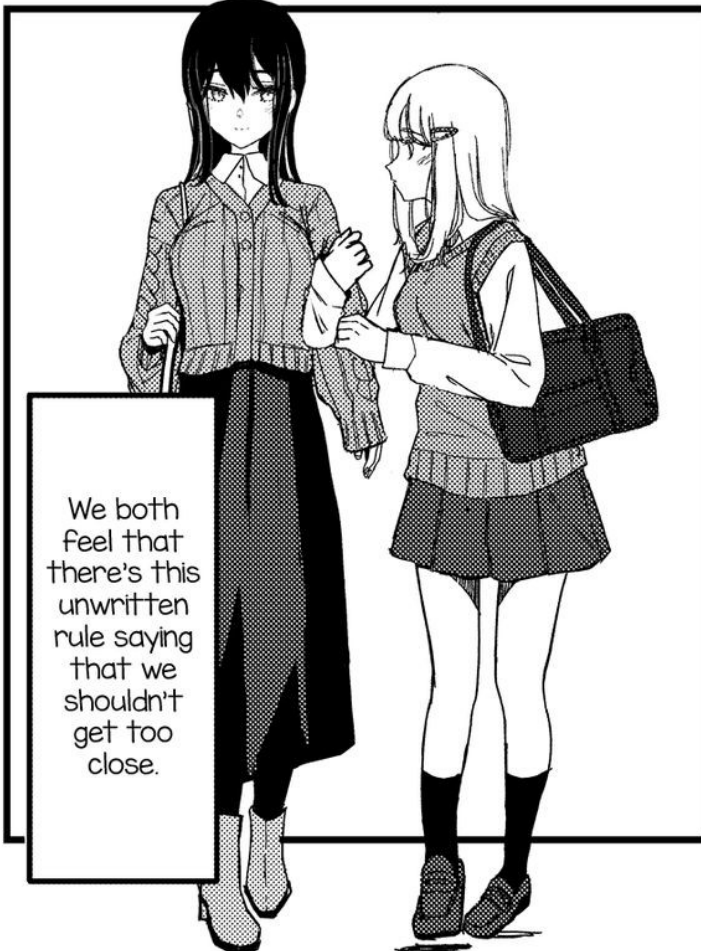

do you like girls?

I've wanted to ask you this for a while, but Yuuki-san...

There's also one other important thing.

Rinka-  
chan...

B-But...

...Yuuki-  
san.

That's why...  
I need to  
be the one  
to make the  
first move.

I... don't  
want to  
go home  
tonight.

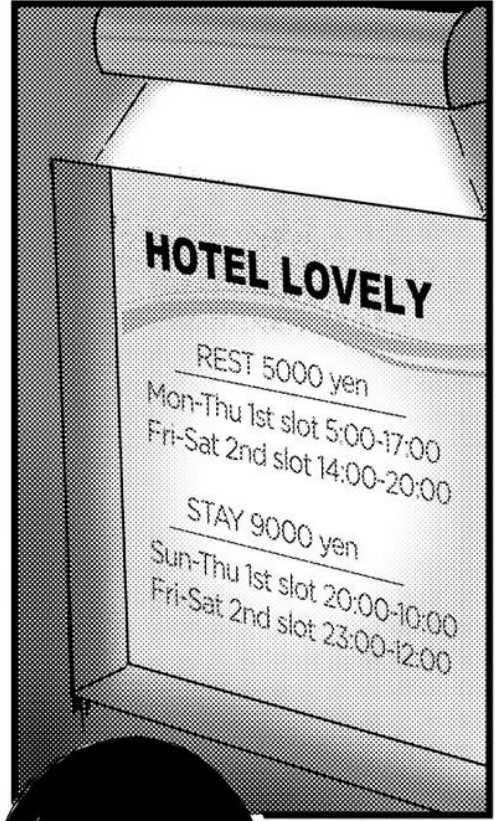

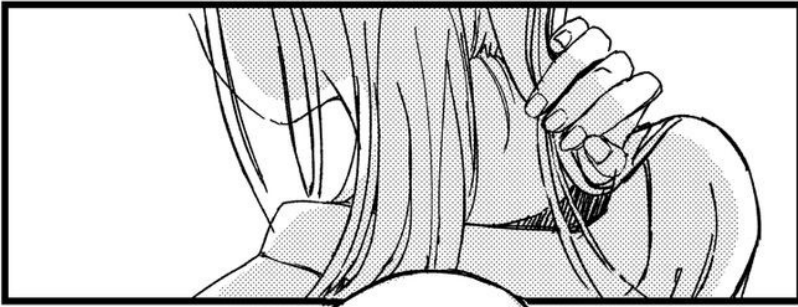

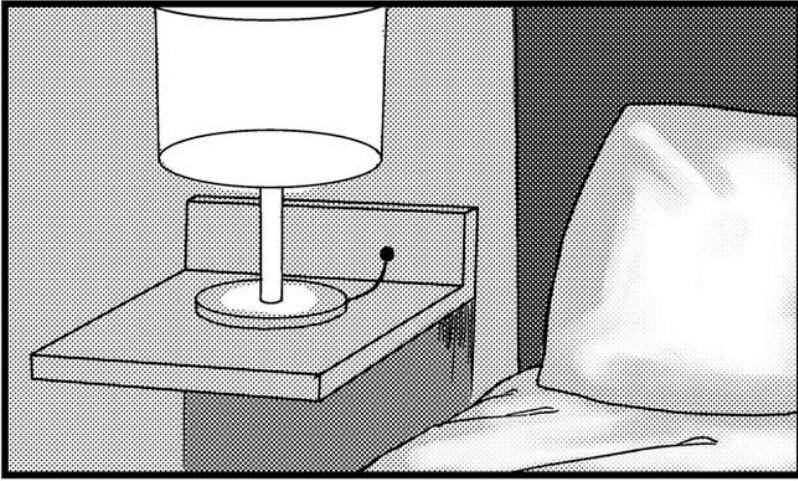

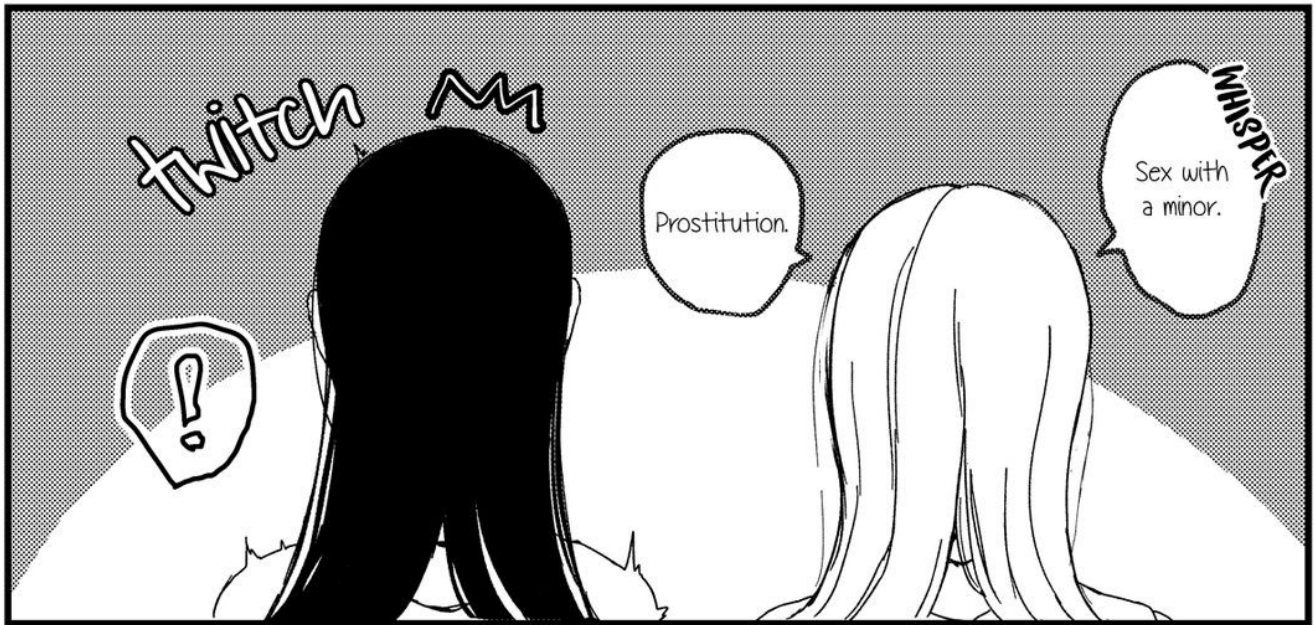

T-then,  
shall we  
check in...?

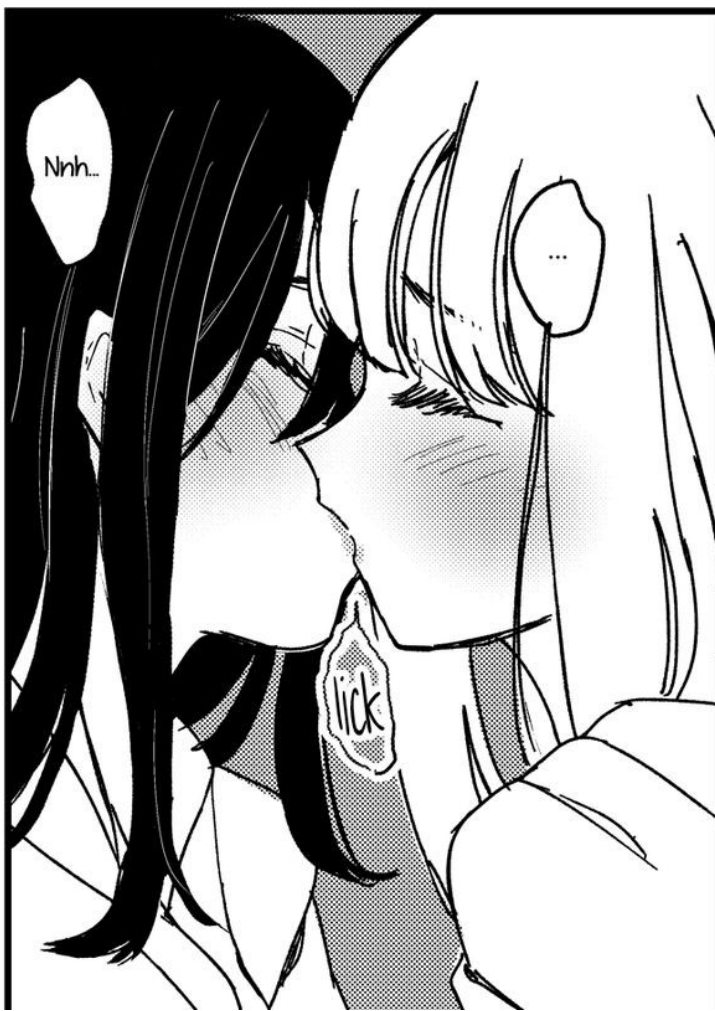

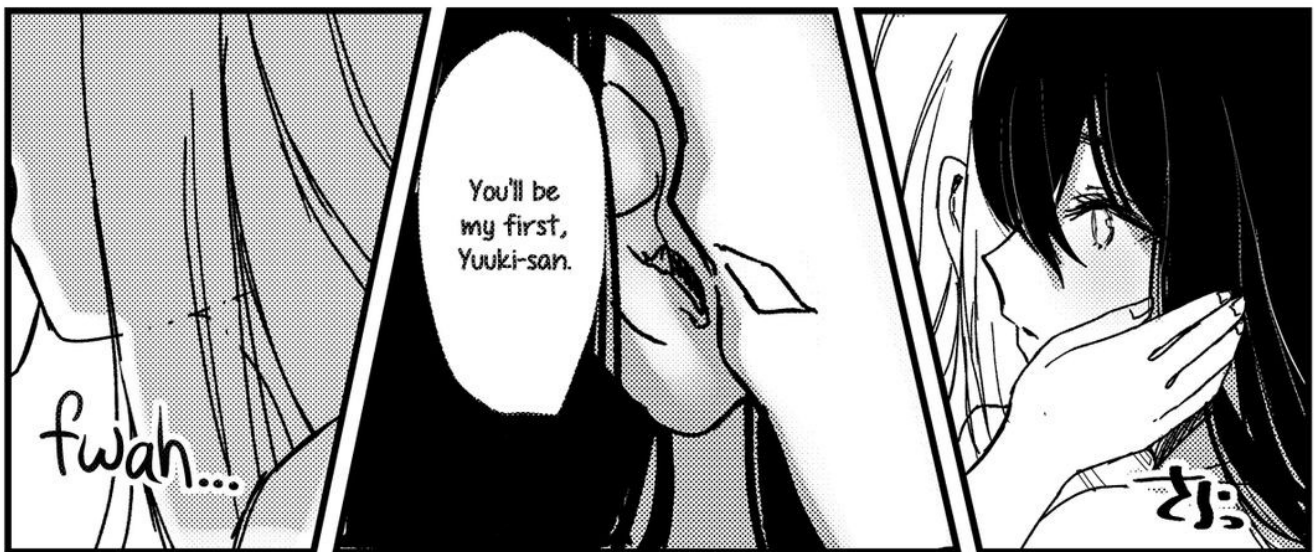

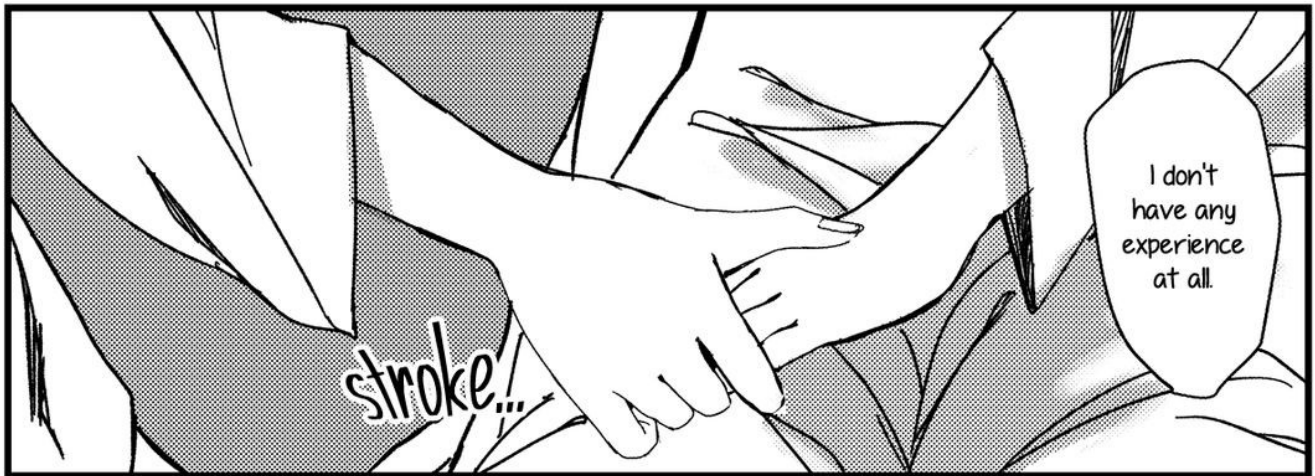

...

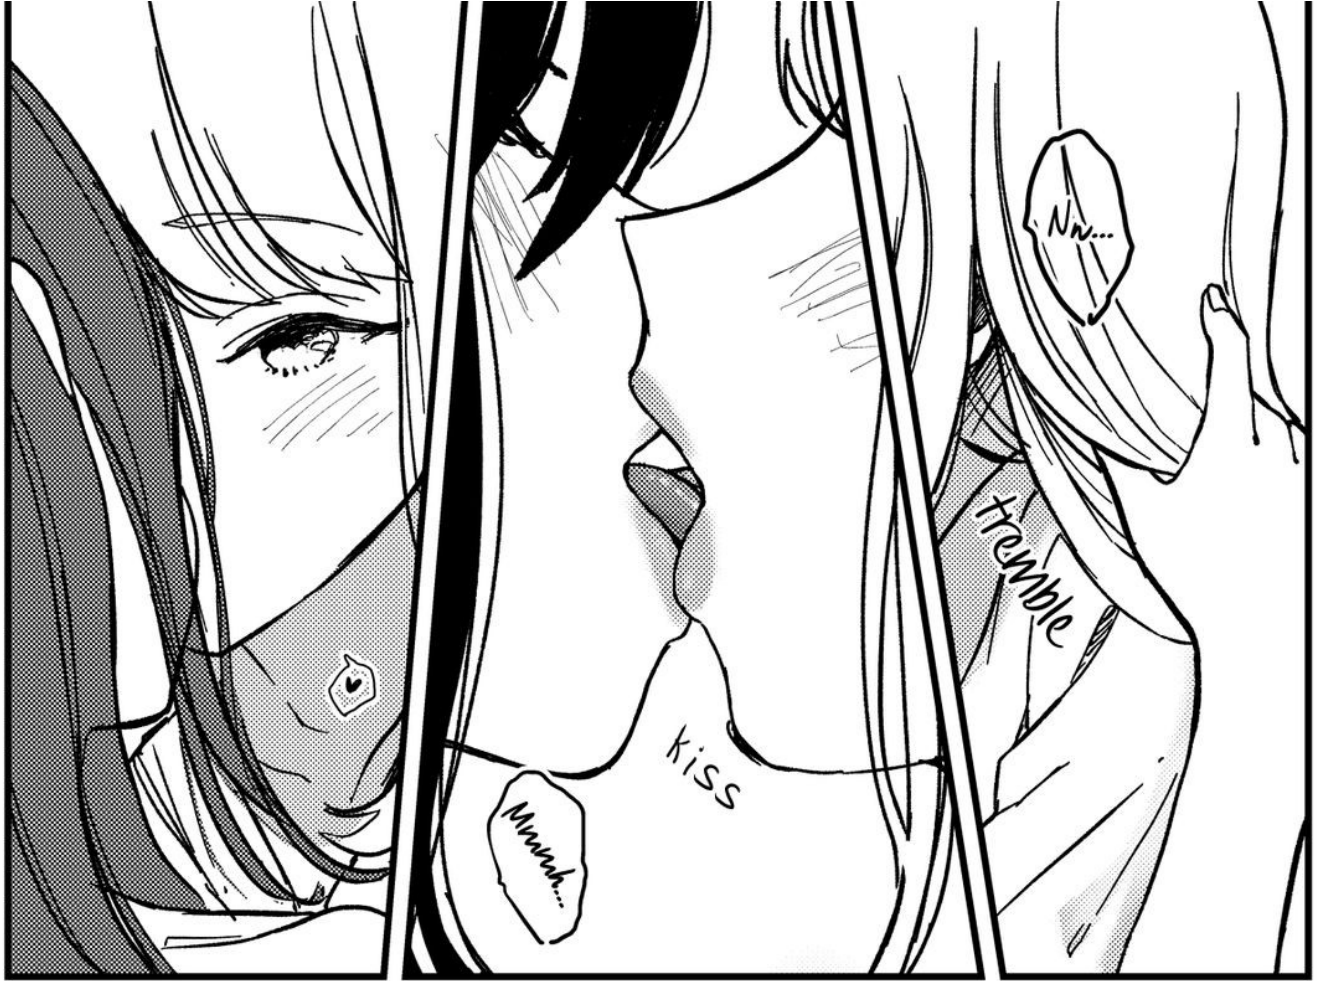

If it's you,  
Yuuki-san...  
I'm okay  
with it.

That's why I want to make sure to take responsibility from now on...

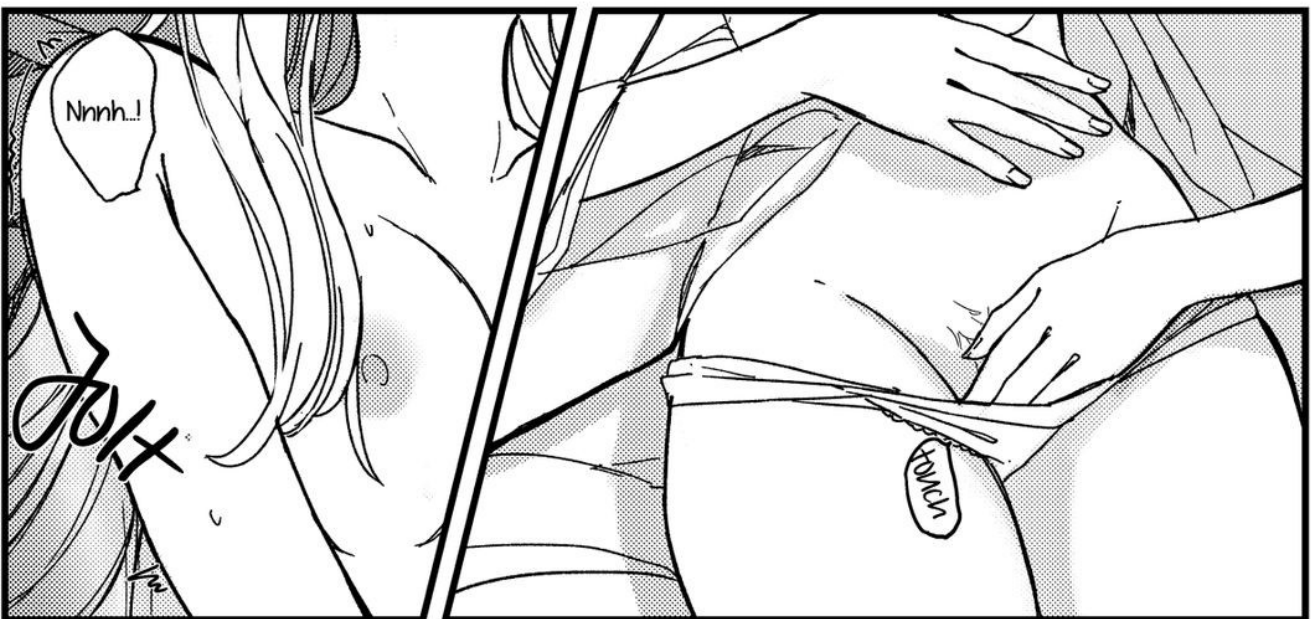

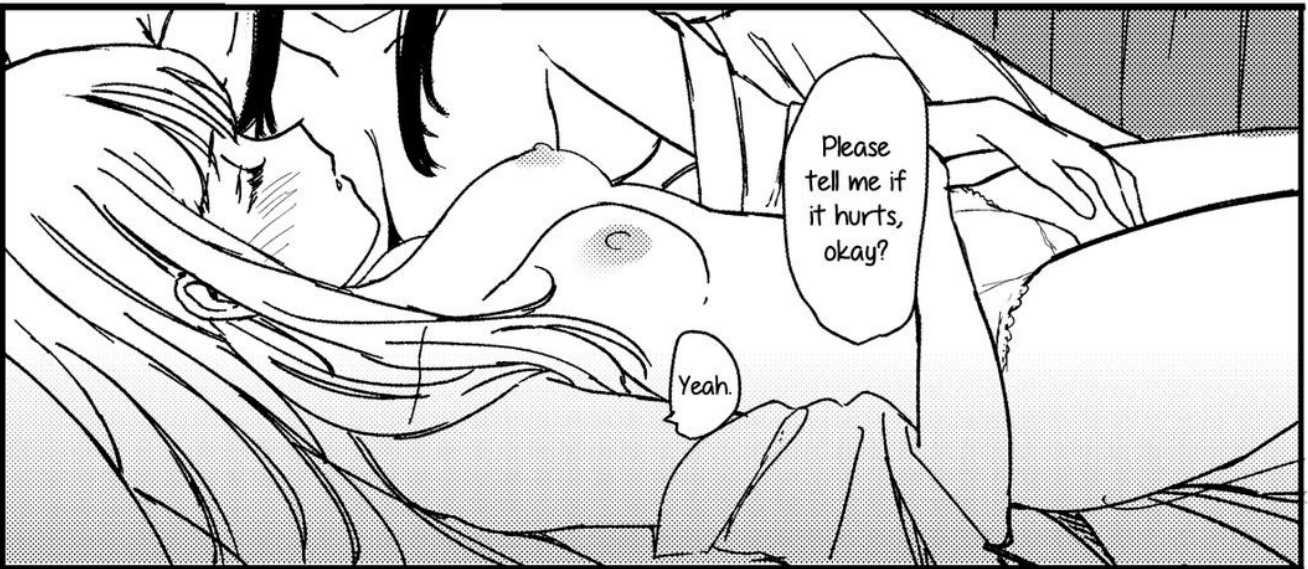

I... love you, Rinka-san.

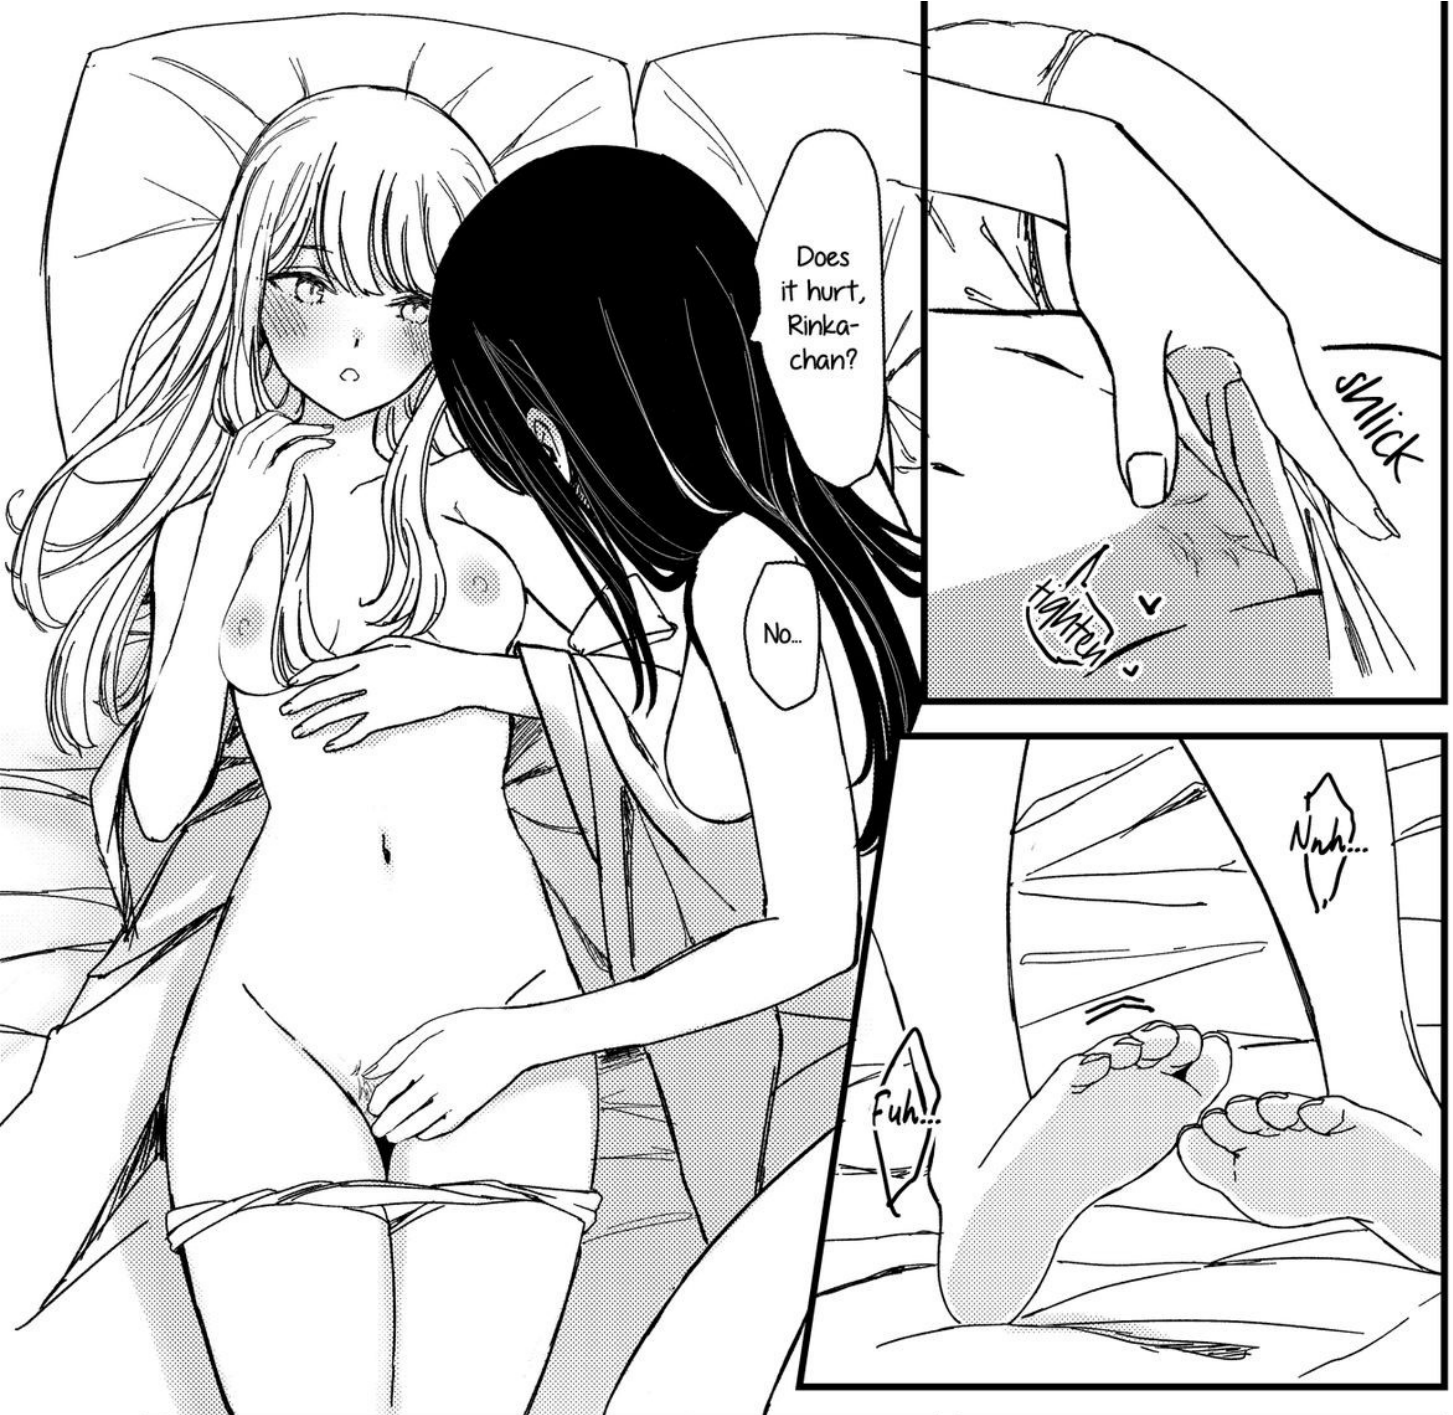

So this is what it feels like to kiss someone you love...

Would you like to like to make me your girlfriend..?

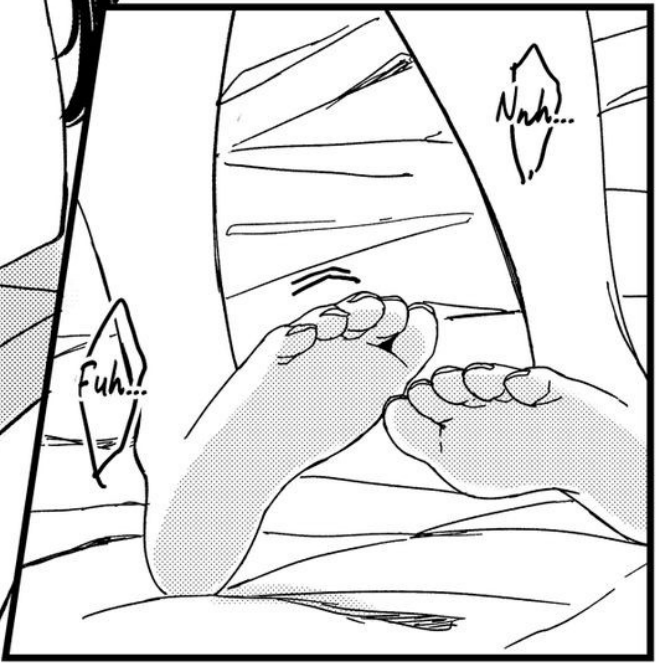

I'll cherish you even more from now on.

Does it hurt, Rinka-chan?

No...

No matter how much Yuuki-san touched me, it wasn't enough.

I want her to touch me more.

No... it's embarrassing...

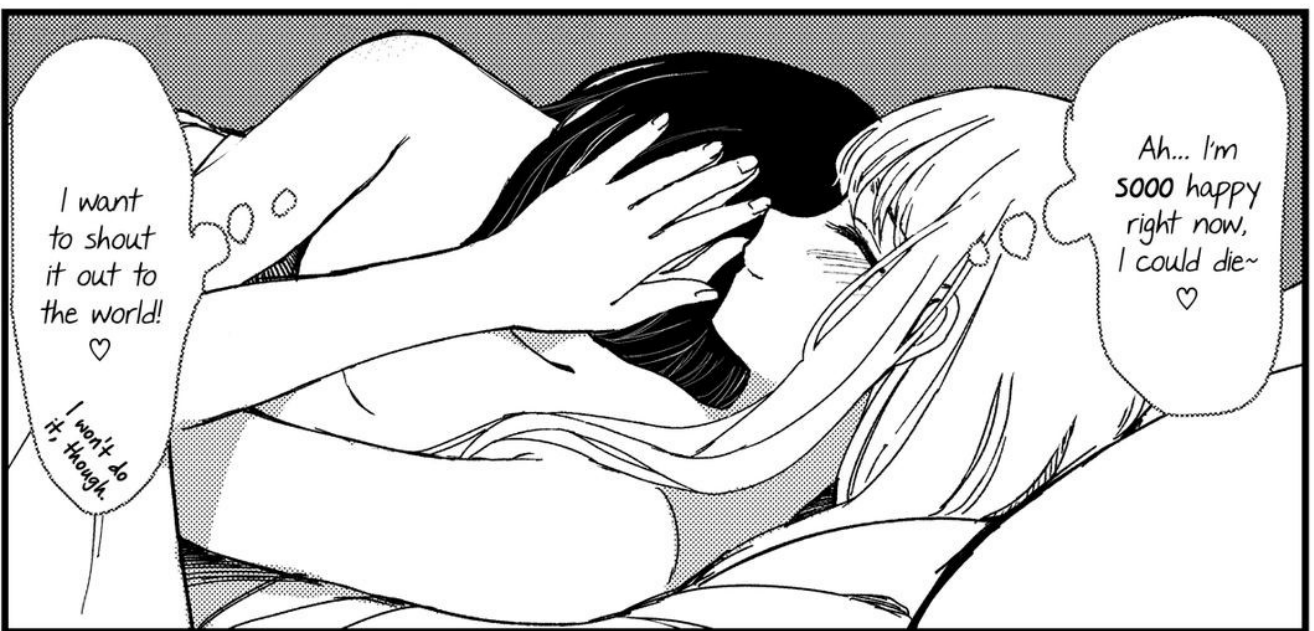

...I'm glad I could make you this wet...

Ah...

touch...

More...

Aren't you regretting it?

Are you sure you'd like to go out with me?

What is it?

Rinka-chan?

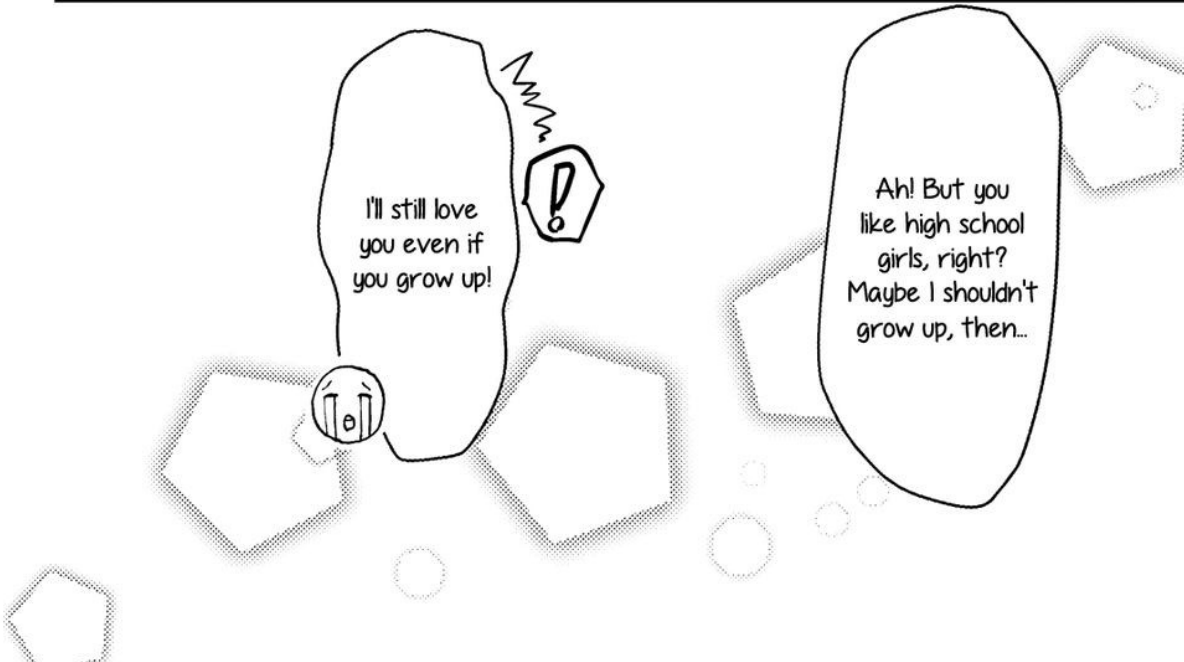

まゆっ

Rinka-chan..

There's no way I would regret this.

I want to grow up and catch up to you, Yuuki-san.

I'll still love you even if you grow up!

Ah! But you like high school girls, right? Maybe I shouldn't grow up, then...
