I don't know about that stuff.. Isn't it fine to just stay the same as we were..?

I wanna try wearing make-up, but I don't have enough spare cash for it..

So like, For middle schoolers, we should be using accessories, right?

I guess that's just how it is with you, Meisa-chan.

Yeah, but it kinda ruins the moment..

Eh-? 'Cause it's Summer break!
