AFTERWORD

Thank you sincerely for picking this up.
I'm Teterun.

At the storyboarding stage,
I was trying to decide whether to do a
continuation of *With the Demon Lord's Daughter*,
but then this new wild idea took shape and I drew this.
I wasn't thinking while I drew it, and it blew up into
something that couldn't be finished in just one book,
so there will be a sequel.

I have a lot of serial stories piling up,
but since this is all self-produced,
I'm determined to draw all of it,
so I'd like to keep going
at my own pace!

See you next time!
