Summary of last time

Uzusa has been kidnapped
by her clubmate Kanade.

Using an aphrodesiac,
Kande raped Uzusa and made
her cum many times.

She then put her on a strange
device and left her until
the next morning...

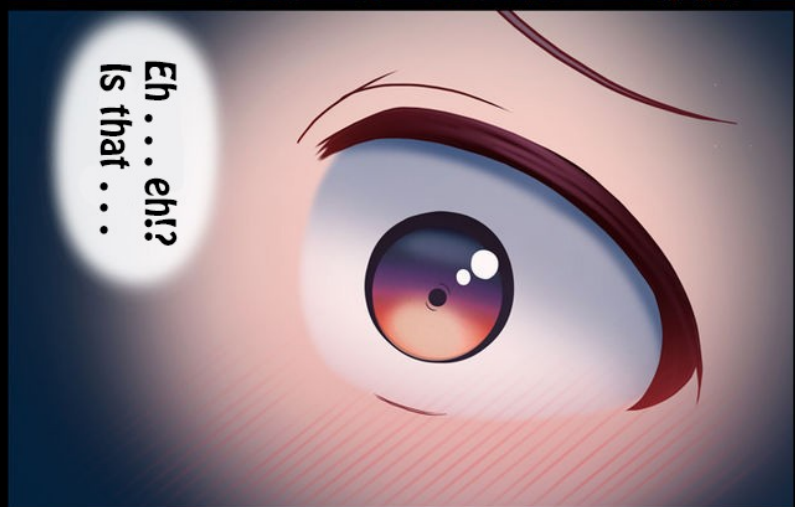

Excuse
me,
Oh,
nobody's
here

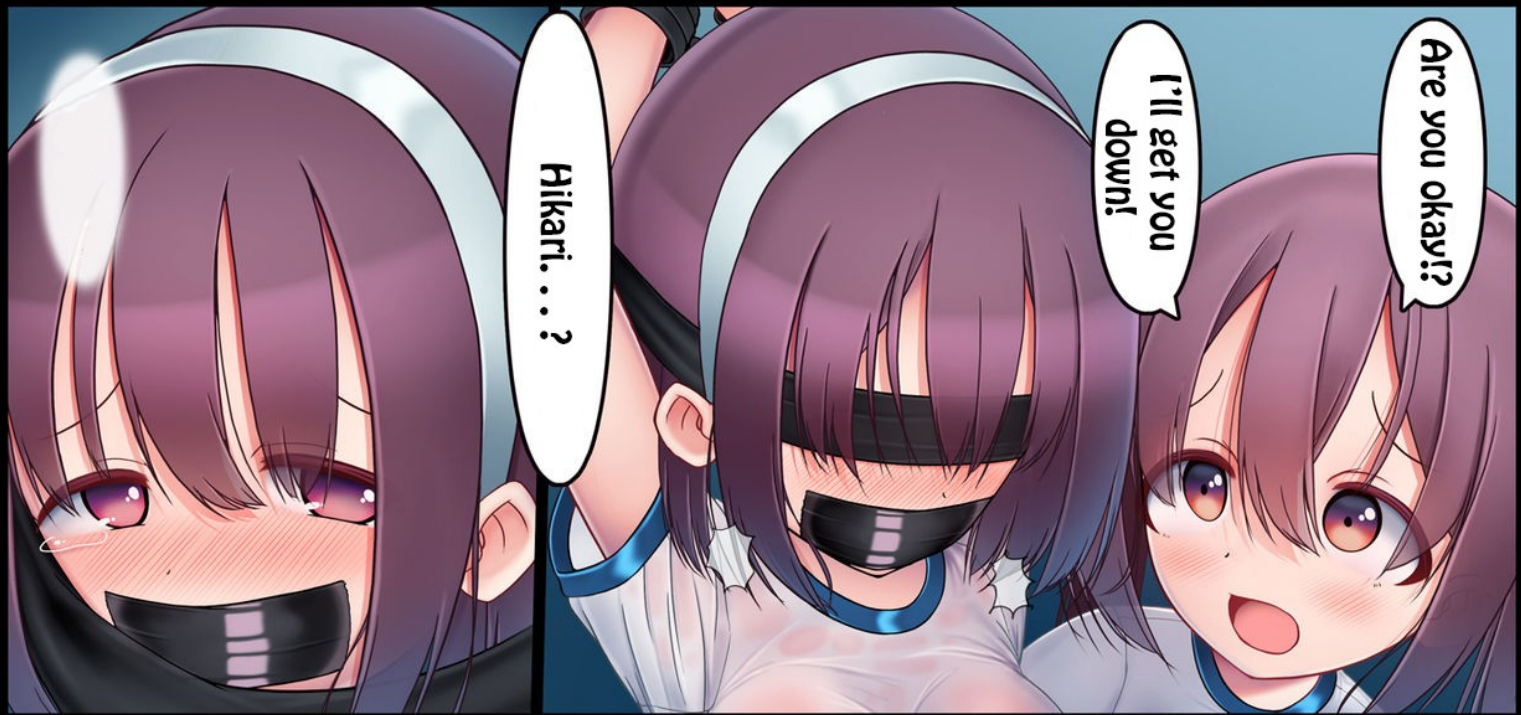

Exams are coming up
so club have been suspended, but I
don't want to fall behind everyone,
so I need to get some practice in.

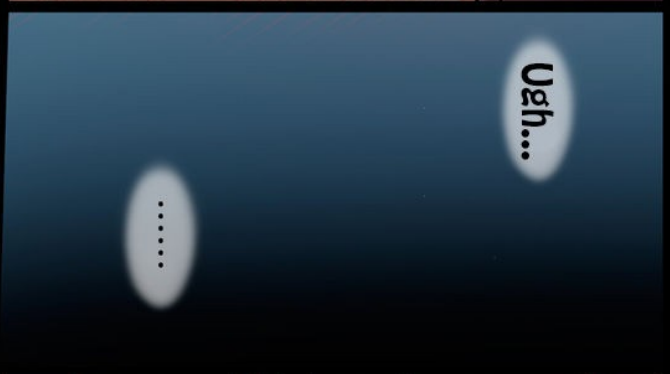

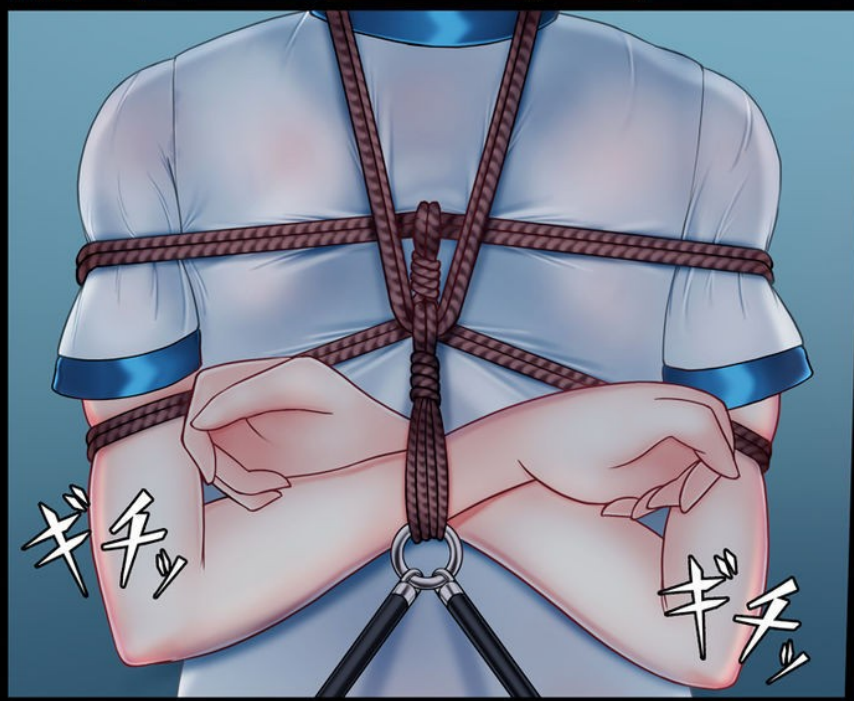

Uuu ... I've already gone this far,
but maybe I should just stop ...

Just a bit, then I'll go home ...

Huh?
What's that
sound?
Is someone
in
here?

That rope looks
good on you, Hikari-chan
How does it feel?

... can't speak right
now, huh?

Okay,
so...

so for
now,
you'll get
to watch
your
favorite
Sempai
be all embarr-
assed

I want
to take
my time
and enjoy
making
you feel
good,

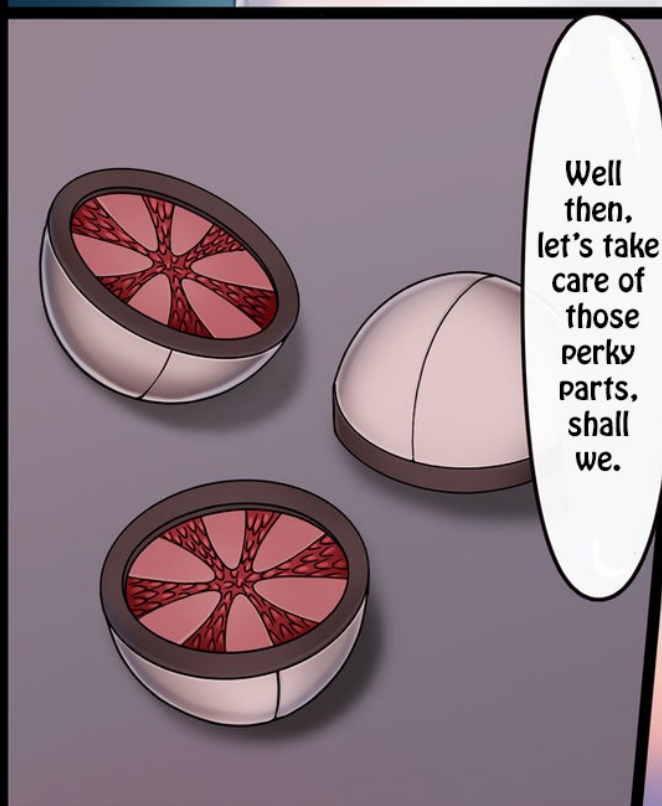

Look, the Cloth-pins made your nipples aaall stiff and twitchy

You couldn't even faint, so you kept cumming over and over~

Did you miss me, Azusa~?
Your sure came a lot~
The machine's all wet, you know.

Well then, let's take care of those perky parts, shall we.

Looks like it's become all sensitive just from one night of cumming.

I can see your clit poking out of your bloomers too

S-Stop...!

and I'll replace the dildo with this one! It's a set

I'll put these on your nipples ...

MMMMMMMPH!!!

プシヤーン!!

Ah~
she
blanked
completely~

Hope she
wakes up
soon...

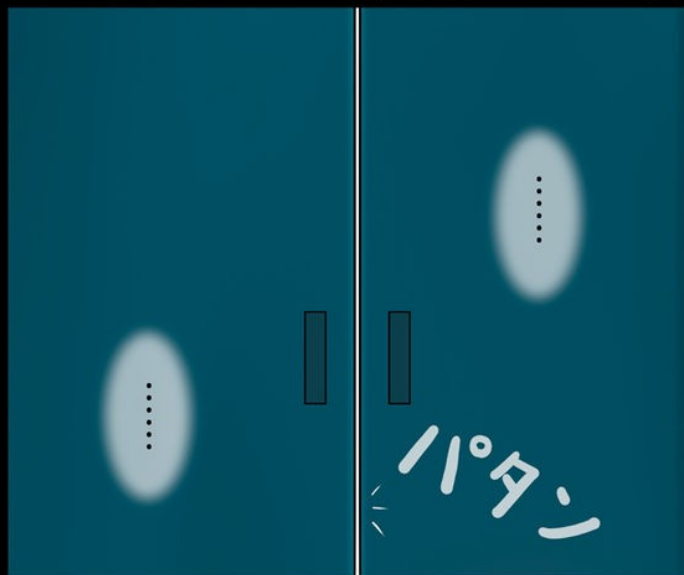

But
too bad~
I didn't
expect you
to come
here,
Hikari-chan,
so I
couldn't
prepare
enough
toys.

Sorry
to keep
you
waiting,
Hikari-chan
Bad girls
who sneak
into
practice
during the
exam period
need to be
punished~

Now, then ...

I'll
be back
in a bit,
so be
good girls
and wait,
okay?

Ah,
but I do
have some
that I
wanna try
out,
So I'll
just go
get 'em~

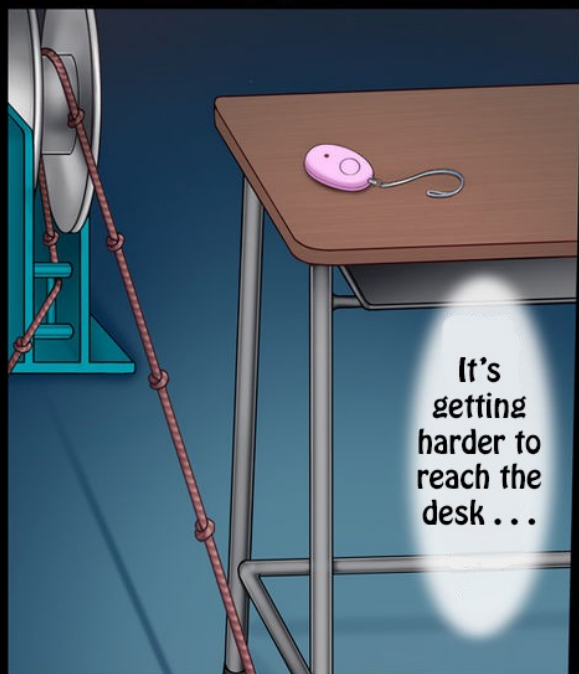

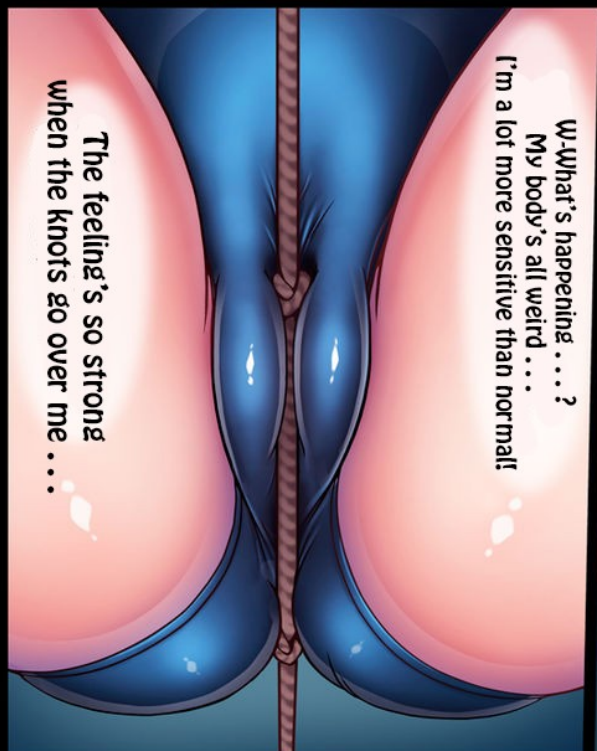

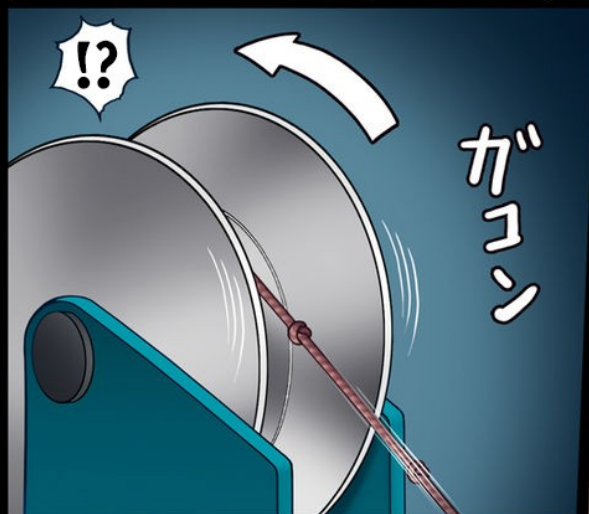

Is that...
an
emergency
buzzer?

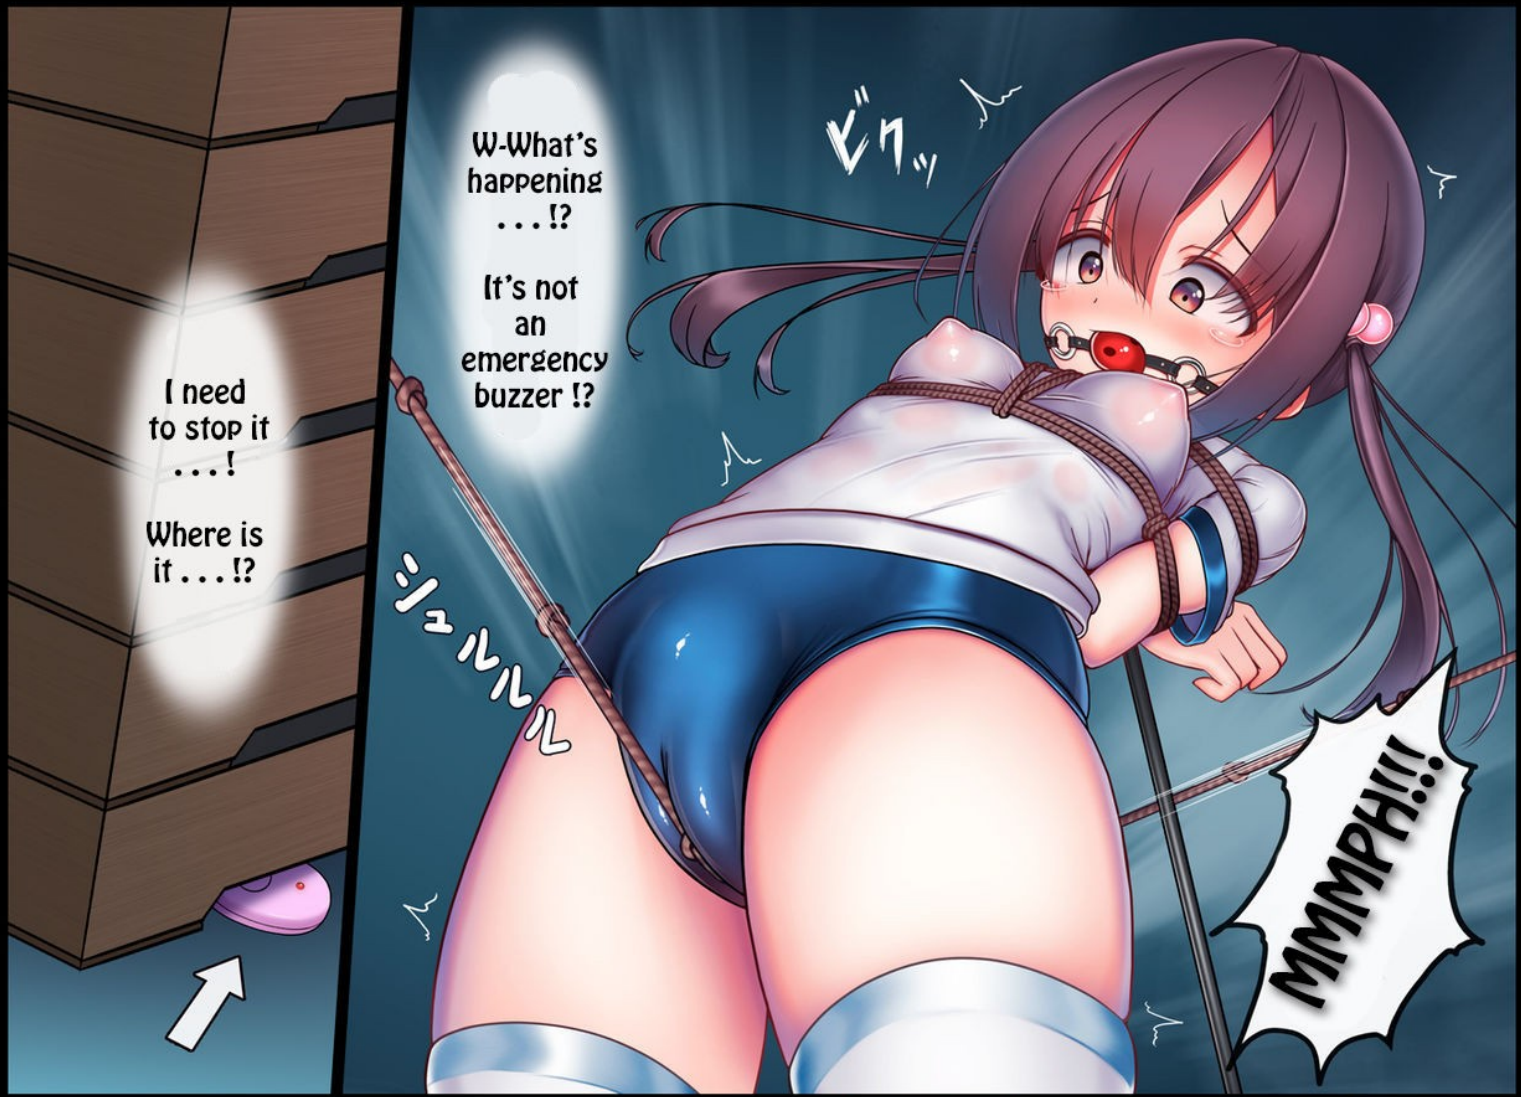

We have to get out of here...!

W-What's
happening
...!?

It's not
an
emergency
buzzer !?

I need
to stop it
...!

Where is
it ...!?

MMMPH!!

C'mon,
I'll help
you out,
so make
sure
you
cum
lots!

I'm
back~
Did you
behave
your-
selves
...?

ガラッ

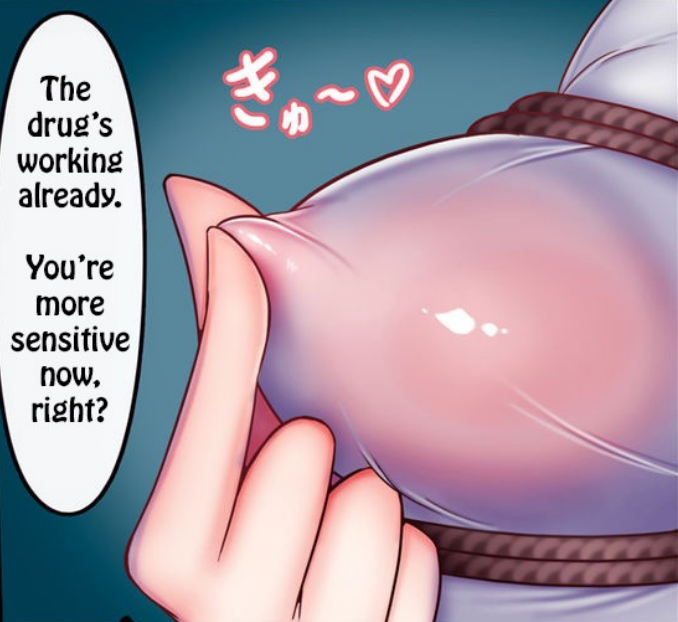

You
pushed
the
button
your-
self?

Hikari-
chan,
your so
lewd.

Oh,
what's
this~?

N-Noooo!
Stop...!
I'm Cumming...!

The drug's working already.
You're more sensitive now, right?

I'll use something more fun next time, okay?

Ah, man, she fainted...

You'll get continuous stimulation for five straight minutes.

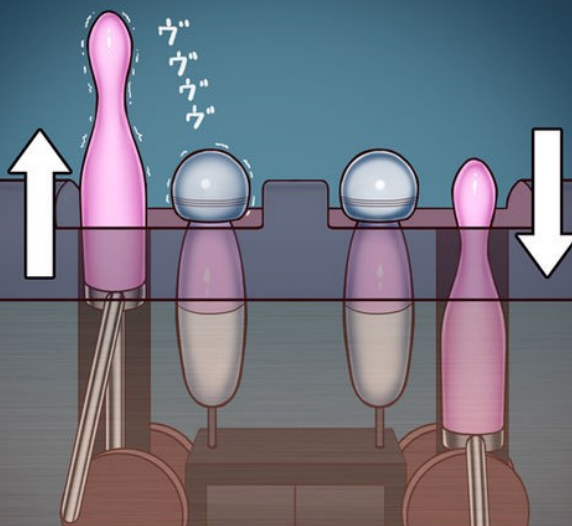

If you hold it in and don't cum, I'll let you go from here!

Well then,

why don't we play a game?

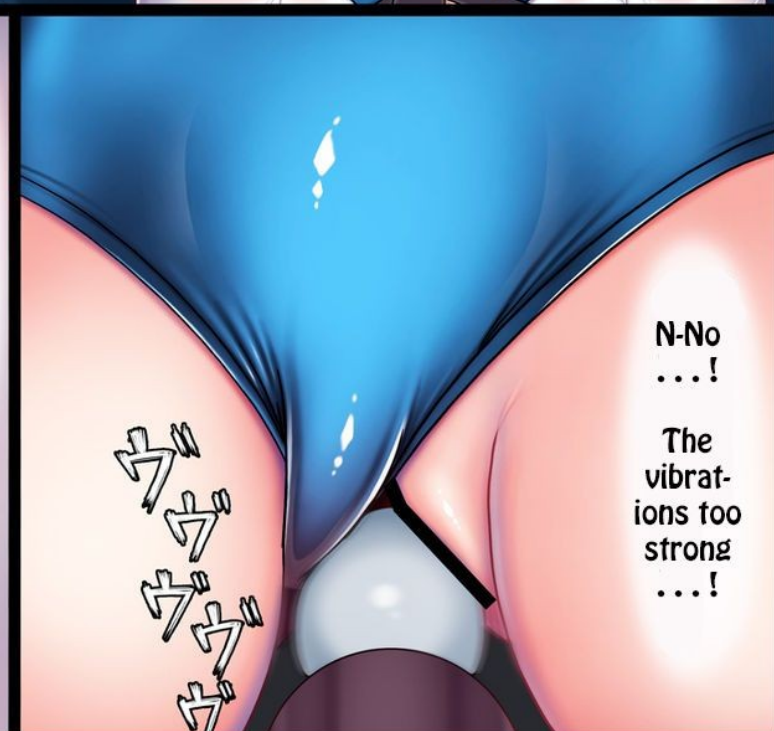

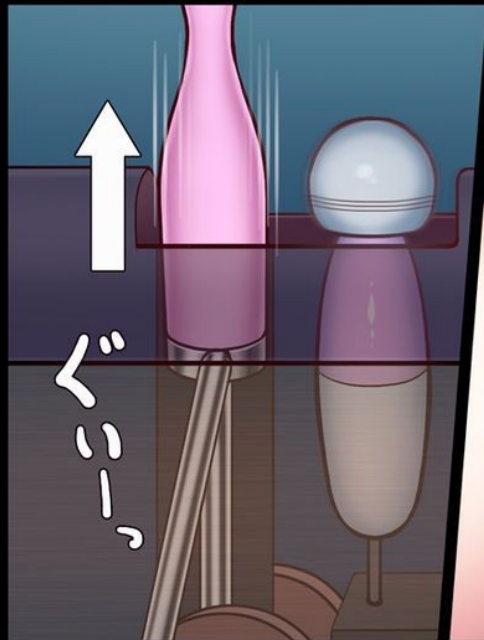

If one of you climaxes, I'll make sure to give bot of you more pleasure, so prepare yourselves, okay?

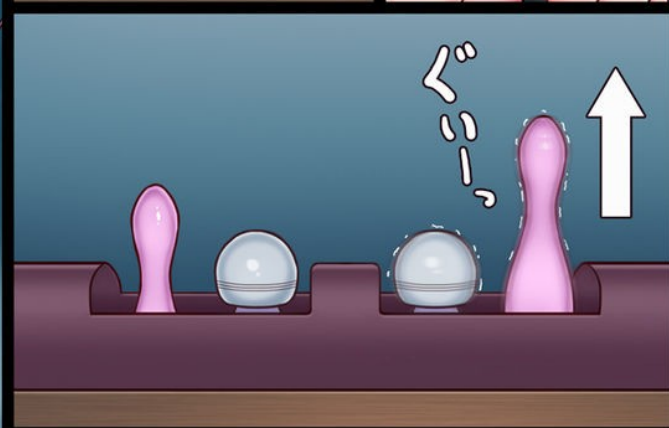

Try to share the burden and do your best, okay?

You both hold a switch that can control this machine.

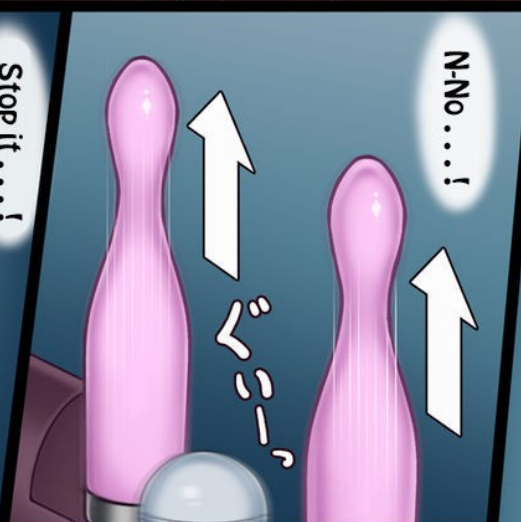

Stop it...!

ぐわん

ぐわん

N-No...!

Well, I'll turn it up to max. Okay ~

Ah, too bad you couldn't take it.

at my house!

Packing complete~ It's a tight
fit, but hang in there, okay?

End...

あとがき

こんにちは あさん です。
最後まで読んでいただき、ありがとうございます。

今回は初めて2人を同時に責めてみました。

友達を助けようとして背後から自分も襲われちゃうシチュが好きなので、ひかりちゃんには犠牲になってもらいました。

防犯ブザーと勘違いして股縄巻取りスイッチを押してしまった時のひかりちゃんの絶望感
は味わいがあって可愛いですね。最後は2人が協力して耐えるシチュでしたが、すぐに我慢
できずにお互い押し付けあう状態になるのは見ていて楽しそうですね。

こんな内容ばかりですが、これからもよろしく願いいたします。m(_ _)m
