Afterword

Hello. This is Tori. This is my third onishota book.
I've always wanted to draw a Mikoshota, so I'm glad I got to this time.
I'm glad, but I have an obsession with making shotas wear short pants,
so I ended up turning the hakama into pants, and partway through the
manuscript realized they couldn't have sex without taking them off, so I
ended up drawing the rest full nude. For those of you who were looking
forward to Miko costume play, I'm sorry. The Miko was a fraud...

Actually, in the idea stage of this Older Brother x Miko Younger Brother
book, the idea was an erotic comedy where brothers from a shrine that
performs exorcisms have purification sex in order to dispel a curse plaguing
the older brother. But this time, in theme with J.Garden 48, I thought I would
turn up the BL and pure love degree (while also making the older brother very
handsome), resulting in its current form. I hope you are at least somewhat pleased
with the older brother and Mitsu-kun.

Well then, thank you for reading this far!
