CASE : Ichinose Yukari

ADULT ONLY

Ichinose Yukari

33 Years old

Blood Type A

B90W63H88

One child entering kindergarden this year
and a husband who is two years older and
a former teacher

I was taken by two of my former students
as I was coming back home from a school reunion
party

Don't worry, all you gotta do is play around with her body to get a reaction out of her

Oooh~ I'm starting to get excited just by thinking about it

Yukari-Chan, today we're gonna make you our woman

My dick is totally not feeling it right now

Ah man

It's no fun if there's no reaction coming from her

Really?

Yukari-Chan, do you where this is?

It's a love hotel~ we're gonna have our own reunion after party

We made
sure to
give
Yukari
-Chan
an experience
that she could
never forget
that night.
We went
through
every part
of her
body

Originally,
we were
both shocked
when we
heard that
Yukari
had married
another
teacher.

So we
made sure
to give
her an
experience
so intense
that there
was no
way that
her husband
could ever
satisfy her
in bed

Ooh you really did come Yukari-Chan, don't worry we'll make sure to let you leave on time

In an apartment room some where

But for now, you'll have to service our cock~ hehehe

Welcome Yukari-Chan~

Owh~ Don't make such a scary face

Doesn't it feel extra hot in here? Yukari-Chan you might wanna fake of your coat

Oh don't mind him Yukari-Chan, that mean face of yours is making me excited already

Yukari
-Chan
you look
so erotic
in that
costume!

Ah~
my cock
is getting
hard and
excited
already~

Haha
same
for
me
too

Now come
on, your
favourite
cock
is ready
for you

Come
and
get
it

OH OH
!!!!!!!

But
seriously,
I didn't
thought
that you
would
actually
wear
something
so erotic~

Well, it
looks
perfect
on you
Yukari
-Chan

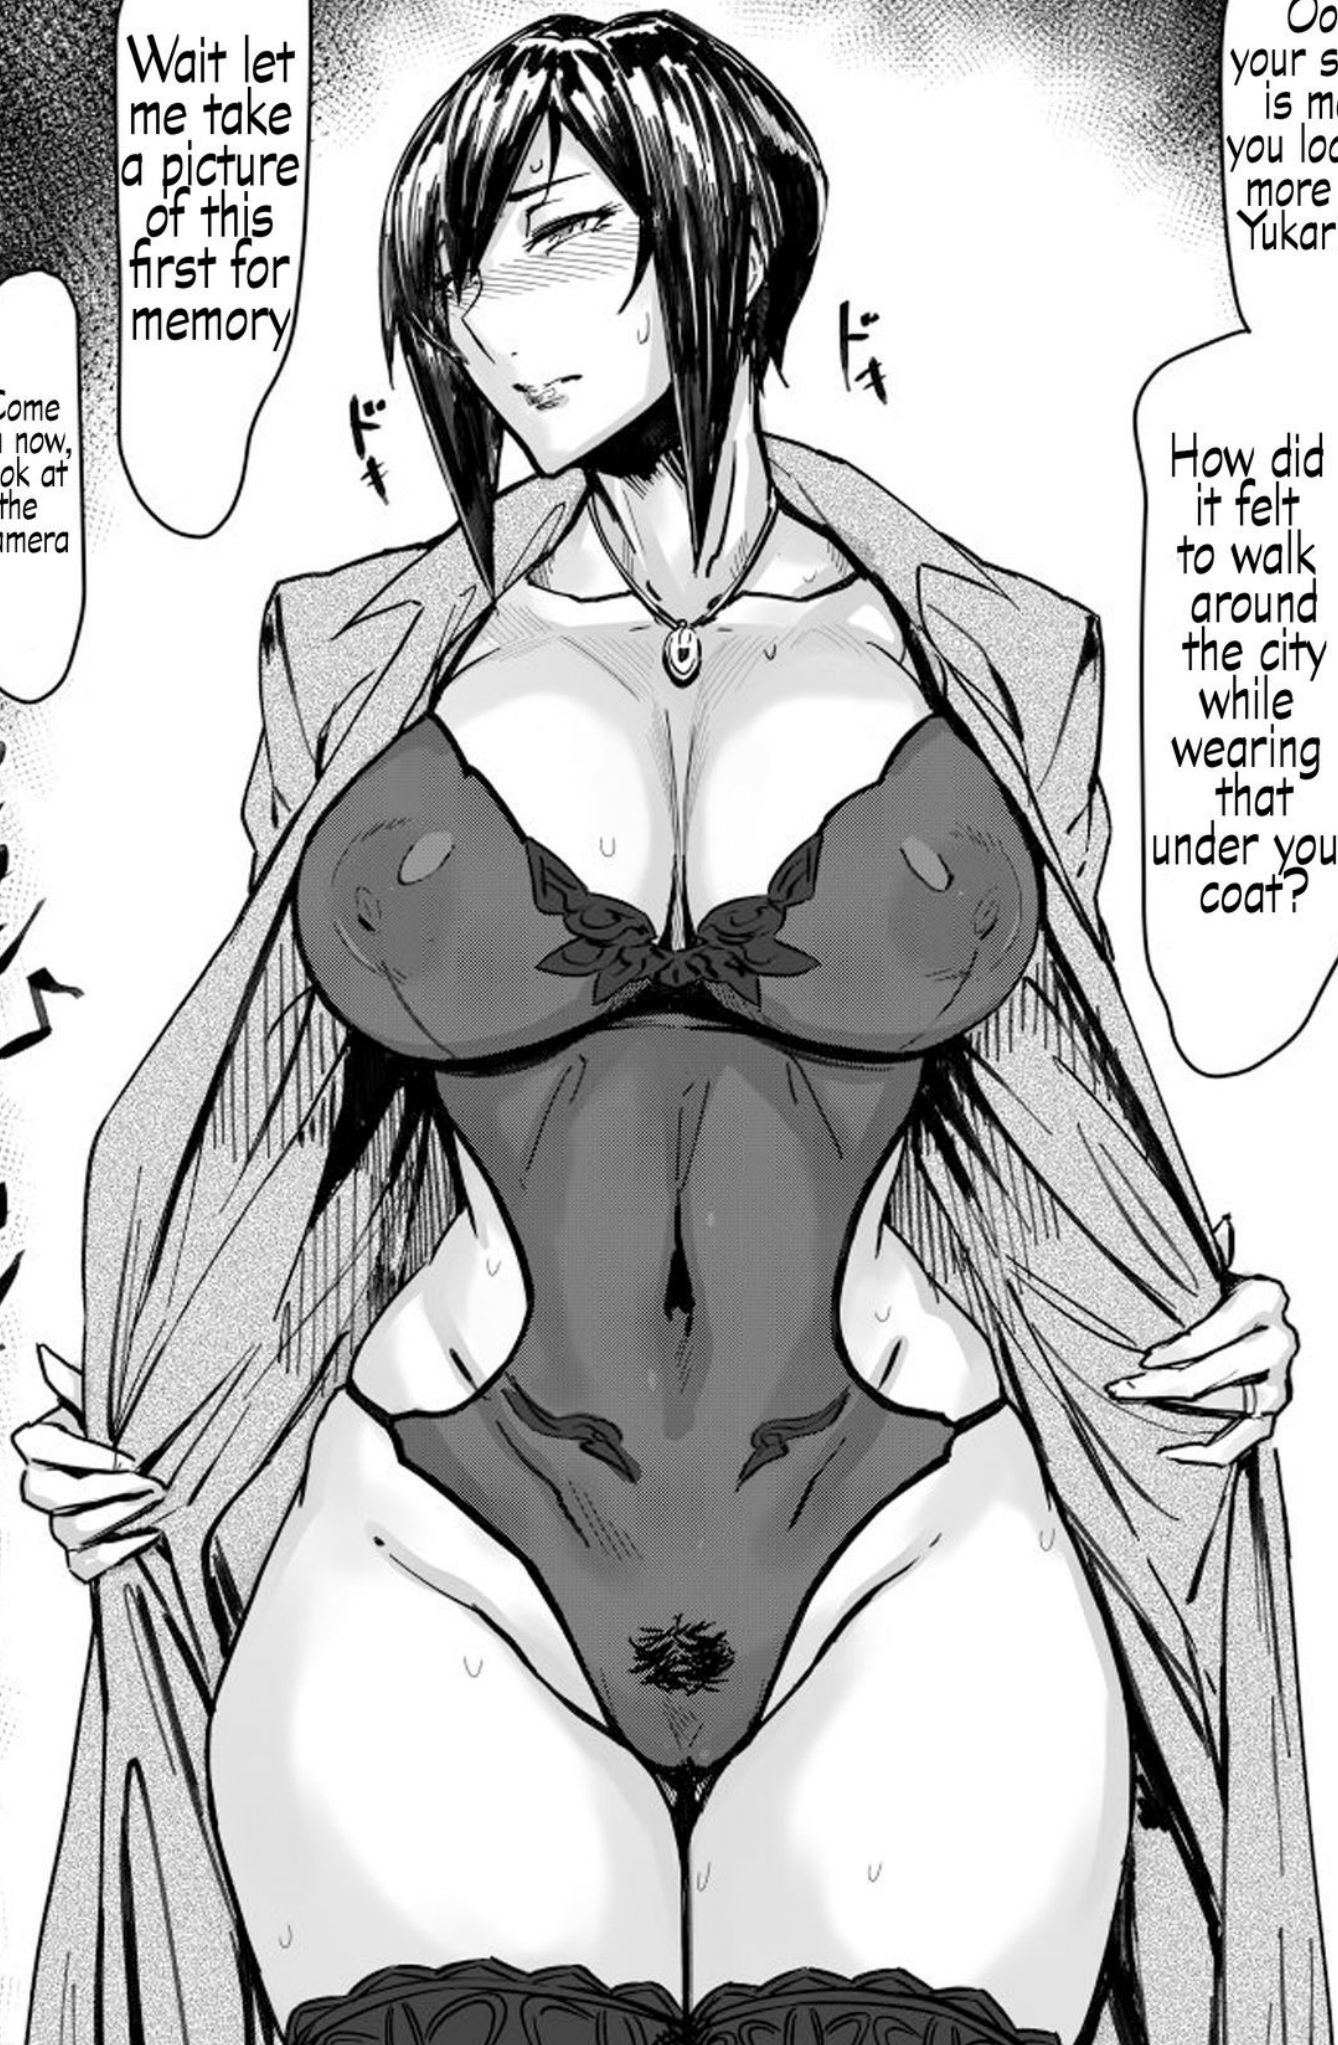

Wait let me take a picture of this first for memory

Come on now, look at the camera

Oooh~ your shyness is making you look even more erotic Yukari-Chan

How did it felt to walk around the city while wearing that under your coat?

カウチンカウチン

Of course senpai

Really? hey take a picture of it and show it to me later

Yukari-Chan, your switch immediately switches on when I shove in my cock into you

Heh, you should see how erotic your face is Yukari-Chan

SANZAI
★

Ah~ that was great

Ooops, its way past the promised time, oh well. Guess your staying over for the night

Seriously, I didn't expect you to be so weak to having both of your holes attacked Yukari-Chan

Hey, how about we go for a second round this time without condoms

Hehe sounds good to me

ドク...

Crap, I forgot about this bandage. If I didn't put it on then the kiss mark would have been visible

Hm? this bandage on my neck? oh it's nothing big, I just accidentally hurt myself while doing some chores

I was drinking tea with mom when I forgot that I had bandaged my neck to hide the marks that I got from last night

Oooh~ Yukari-Chan I didn't realize that you were so masochistic

I love being the first one ever to hold you down like this

Wait really? don't tell me, your husband has actually done this to you?

Hehe, well you better tighten up your pussy, cause I'm gonna give you a better experience that he did

Wrong !!

No, no
I think it suits you.
Just don't get a cold!
(Husband)

Did you
change your
style of fashion?
(Husband)

Haha, I wont...
I'll try my best
to try and come
back as early
as possible

? Yea, I thought
I'd go with
something more
cute, is it
strange?

The wife
is going
out to
meet
with the
other
neighbour
hood
wives

Yukari-Chan's clothes today looks good~

I'm liking this, did you wear this because you liked it?

Ah~
I can't wait much more.
Lets go ahead and star first
It seems like senpai won't be coming today

The feeling of guilt I had towards my family was quickly washed away as he kissed me.

He gently held me with his strong arms, my body began to heat up and I started to feel excited.

Before I knew it, I had instinctively turned my hips around to meet his gaze.

I realized then, I was no longer a wife or a mother. I was a woman who craved for sexual experiences.
