MUSHI-SAN.

FLAMINGO MANGA AWARDS - WINNER.

I bought the year 2000 March issue of Flamingo then I was shocked, so surprised, they didn't even contact me about it.

And there we have it.

I was really aiming for the special awards so I thought of just slack it out and draw 16 pages of whatever I want... Then it turned 18 pages... Then my, oh my, it's now 30 pages.

I guess you shouldn't draw storyboards while being sloppy like that! You should really think carefully about it!

Wait, Mushi-san in this one is modeled after Myouga of Gesuigai.** But a part of it looks like an moth-like insect.*

I wish I could do something like this again.

*Mushi-san - The "insect-like" being in this story.

**Gesuigai - "Drainage City", another work by Horihone Saizou (Do read it if you wanna see something weird and be disturbed.)

ObsoleteZero: W- What? What's with the silent treatment you guys? D- Don't judge me for what I translate! I just keep being true to my motto: "If no one is doing it, I'll do it myself." And there you have it, another piece of history, translated by yours truly! ;)

ObsoleteZero: As always, thank you to the commissioner for the support to work on this one.
m(_ _)m

ObsoleteZero: I hope you guys enjoyed *fapping* to reading this! :-)
