

WHEN PREDATOR BECOMING A PREY

WHEN A PREDATOR BECOMING A PREY

By Lamik-D (obviously)

A Secret Vegas Beach Night "Sausage Party", a place for Hot and Handsome Men gathered to bond their Masculinity, show off their Abs and Biceps, it was like that, it's not a Gay Party but maybe some visitors are secretly has it, who knows, but such place with full of Male's Scents and Flavours, are attracting Predators that looking for suitable Prey to fulfil their Lust, that's right, a lot of cute and Hot Girls, Milfs, that wanted to eat up the the Sexy Body of the Male around this Party, there is no specific Rule to prohibit the Girl to enter, so it's fine actually, but the Dark secret of this Party are the reason why women should not come, because this place is not a normal area for Human to visit, there is a chance that a strange creature join the party, if you are not lucky, you might found some, and then, either you Live on, or Erased from existence.

Clear as the Moon, a Gorgeous Green Eye Brunette Girl let her Big Sexy Rack tightly wrapped around with her Red Swimsuit-Dress, showing off her well- developed Mammary, normal people can easily see a slipped Aerola around her teats, it is obvious she wears such obscene outfit to lure a Men from this Nightless Party.

Her natural beauty is indeed menacing, and with the help of the Luminous combination of the gleaming atmosphere and environment, her beauty even more raised the bar, it's a shame if such Attractive and Wonderful chick suddenly disappear in one night....

Right?

And she found quite a catch, she indeed very lucky, a Handsome and Beautiful Man stand right before her, a Ginger with a Golden eye, it's quite unusual to see a Human with such eye color, his looks quite intimidatng and gives the "stay away from me" Aura right around him, but that's what makes him such a delicious and attractive "Prey", his Muscle are ideal, and his skin are beautiful, her chest are stunning to the point that makes any girls want to keep him at their basement.

A cool looking guy, pretty much this Brunette girl taste, she really happy that she found a good one, she lick her lips as she can't wait to lick those biceps and triceps, eat up all his body from head to toe

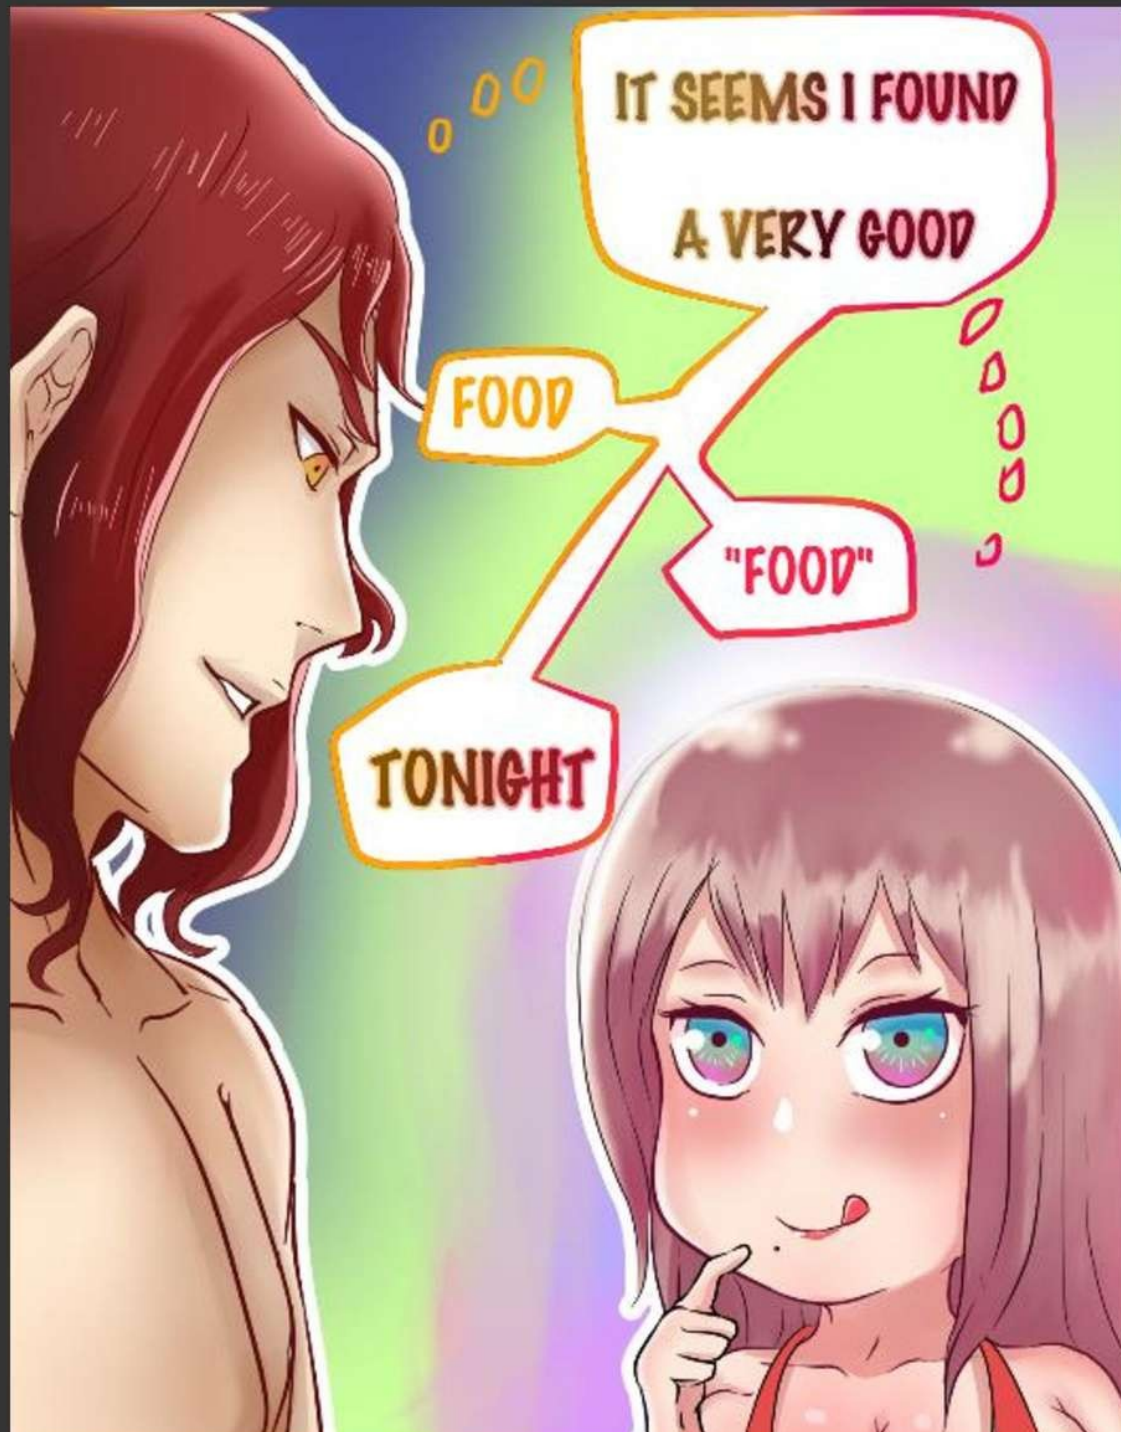

Rero rero rero rero rero rero rero (inner peace)

He realized when he looked at the Girl Mouth that she wants to have fun with him, she is too attractive to turned down, but he feels a bit hesitate because he knows what will happened if he bring this girl along with him to the Hotel, he is quite a gentleman that avoid to get a Woman hurt, but at the same time his natural born Real Predator telling him to take the Prey and eat her.

"Sure, why not, don't worry, we are going to be together forever"

Forever, that's a weird thing to say for a Single man for a woman he just meet, and the girl thought that he just joking or flirting or being romantic. The Girls really can't wait to bust her Ovary to him. Both or them are indeed a "Predator" and Predator.

(Btw the Girl looks Adorable
In this Chibi version, HNNGGH!)

.....

A FEW
MOMENT
LATER

.....

And that's what happened when someone choose a wrong partner

Things are not went as what she expected, after going to a Hotel room together, she thought there will be a mild foreplay with the Hot Ginger, but instead the man took a Rope, push her on the Hotel Soft White Bed and Tied her Hand, unable to move she feel a bit surprised that the men actually pretty "Wild" not she hated it tho, she is the Dominant type, she want to dominate him, but she got dominated instead.

She then let the Ginger to lead her, after he stripped Naked, both of them are making Love to each other, Kissing, Pecking, Fondling and Licking all over her body, the Man licked her as if tasting a Food, checking the quality of the Meat, it was quick, but not for long and the unwanted tragedy happened

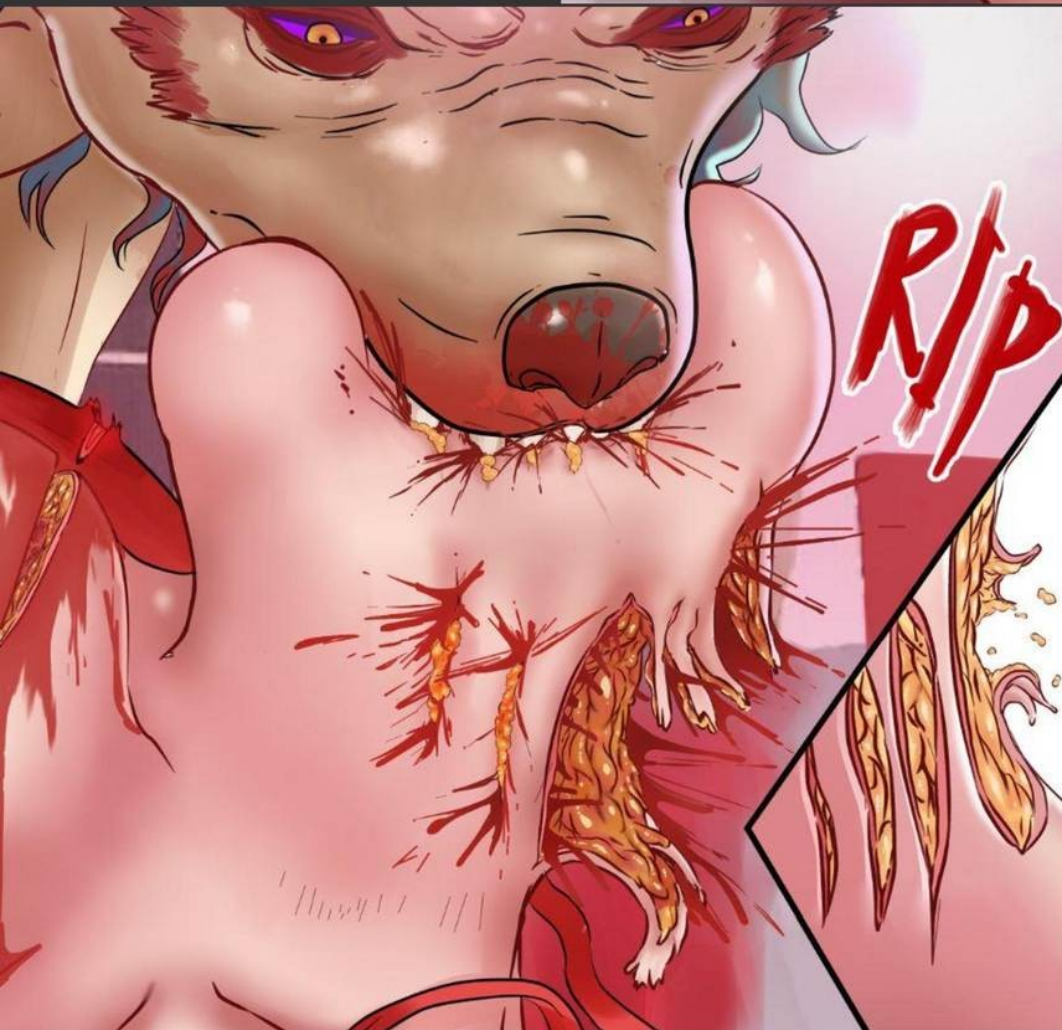

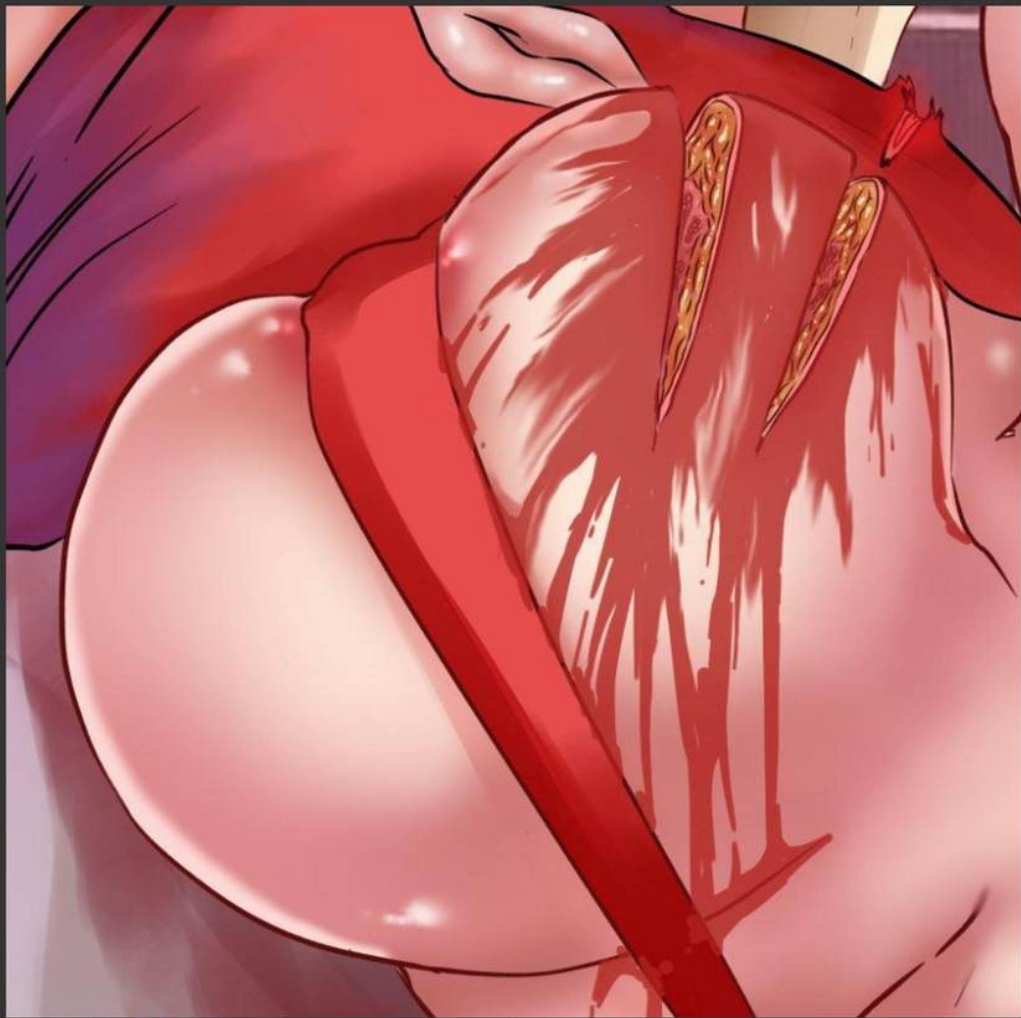

the girl saw something unexpected in her life, the Ginger Body suddenly become something that not logical to see, his Mouth transfigured into something like a Wolf, his hair become long and even the Color changes, she was sure this is not a CGI or movie effect, this is real, she still speechless and words won't come out from her mouth she amazed how the Wolf looks more Beautiful but Scary at the same time, and then with his Big Hand and Claw

SLASH!

"eh? Ahh! AAAAAHHHHHHHHH!!!"

He ripped the Girl Left Breast, with his 2 Claws leaving a Huge 2 Wound that through her Breast Skin Fat and Mammary. Blood are squirting everywhere, the Girl Screaming in Pain. This Definitely not normal, everything is happening at the same time, that's what she thought.

Her Orange Fat are cut clean, the Claw is very sharp and like a Katana. Something that proof that this Creature specifically exist for Battle and not for Regular intercourse like this. Her beautiful skin are bathed with Blood, and for some reason it made her looks more Delicious than ever!

And this is just a Beginning, after he cut open her Soft Breast, the Wolf then open his Mouth and bites her Right Breast Pulling his Head and Ripping her Smooth White and Pale Skin. And the Blood Splattered from the Vein of the Breast Skin.

The Wolf looks really Enjoy her Blood and the Tender Meat of the Girl, her Breast are definitely the Best, he is very happy that he got a good Food tonight as what he thought from the moment they meet.

He bites and sucked her Blood from her Breast, it tastes like a high quality wine, this Wolf looks like a breed between vampire and Werewolf. A unique fella indeed.

He can't wait to Eat the Plump and Soft bloody Breast, so start to pulled back his head and Rip apart her Breast. Disconnecting it from her Fragile Body.

“Ahhhh!! It
huuuuurtttss!! My Boobies!!”

Her Agony is a Beethoven to him, such cute and adorable Voice, makes the food taste even delicious. The Helpless Girl Body are covered in Red Sauce, she is a sweet Vanilla cake with Chees as a toppings on her, all of her body parts will be served as Breakfast, Lunch, and Dinner

A Super Strength of Werewolf-like Creature vs a Weak Human, what can go wrong? Nothing, it's an absolute win for the Wolf, as he enjoys his Feast Wholesomely.

[THE END of Part I]

(he needs to finish the Ass and Thigh too)

WHEN A PREDATOR BECOMING A PREY PART II

Sarcastically written by Lamik-D

Sometimes things happened and you start to wondering to yourself if you made a wrong decision.

The Beast with Concious thought, Eating this Beautiful Meats Raw and Fresh probably exciting and superb, but How about if he Cook her first? Well, Being a werewolf make his stomach compatible or tolerance in Digesting Raw Food, but maybe just maybe, Cooking her would be tasty too?

Thus He made his choice

His Original plan was to Swallow and Chomping the Soft Breast right in front of his Prey right now, but then he takes out the Breast from his Big Jaw and Put it on beside him on the Hotel Bed, Human female are made with 2 Pair of Fruits on their chest, and one of this Girl's Fruit has been plucked from its Branch. The Fresh Fruit can be eaten later because he change into a new plan to make the Dinner tonight even more classical.

The dying Girl are still in horror for what happened to her Body, seeing her Breast are fully gone and it's right beside her just makes her almost give up to Live and just accept her pitiful Fate and also the Fact how unlucky she was right at this moment. But she remember that if she dies, her little sister will be lonely, so she thought she must not give up yet

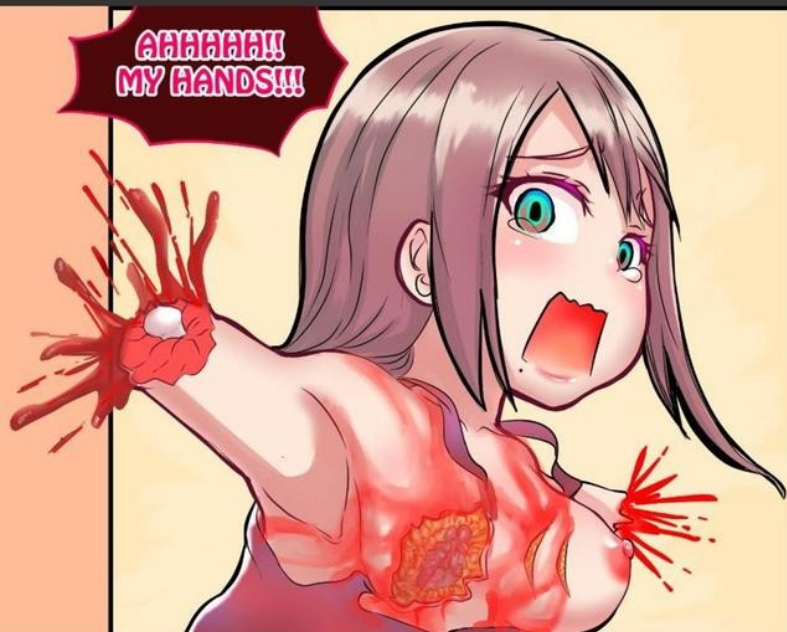

"P-Please let me go, i-I think I can still live on with one of my Titty, so please just take one and let me Go... Please.... I don't wanna die... I was wrong to annoy you, I thought that Place is just Normal Party, I swear I don't know if it was a place for Strange..."

CRACK!

(I admit the Chibi scenes are not matched with the situation XD)

AAAAAAAAHHHHHHH!!!

Ignored her excuse, the Wolf Breaks apart both of her Arms, Blood are squirting from the nerves, indeed, it's pretty common for human to regret what they done when it was too late. But this girl just wants to have Fun, is she the Bad one here? The Logic is not really applied to a Creature that gave up from being a Human and turned into Malevolent Individual, while Animal just purely using their Instinct, this Mixed Blood Creature are following both of his Evil Concious as Human and and his Dark Sexual tendency

Lost both of her arms are truly devastating after losing one of her Breast, now she suffer losing the Hand that used to Cook a Breakfast for her little Sister, such Tragedy, but isn't her suffering that made her Meat even tasty?

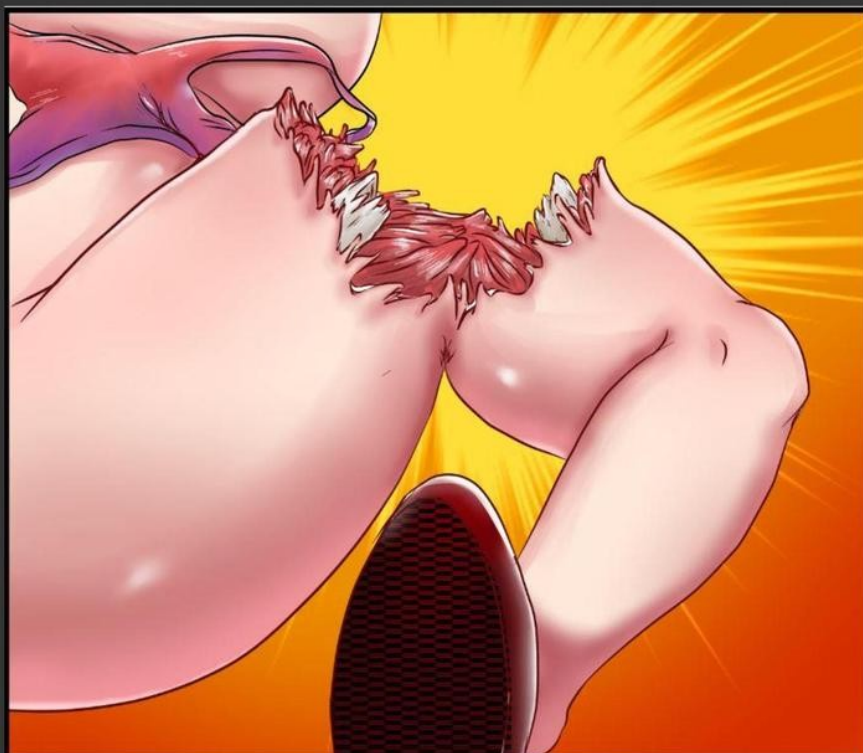

"Why!!! Why you do this!! Ahhh!! My Hands!!

CRACK!

AAAAAAAAHHHHHHH!!!

Ignorance is Bliss, both of her Legs are now gone, Blood are gushing from the Wound, With such Big Paws, he can cut anything so easily just like a Bread or Tofu, The Strength of Legendary Abomination are truly can not comprehend with the strength of normal human.

The Wolf did not Break her leg from her Patella, but instead he cut it right of the Middle of Femur, and her Leg deserved to be cut, after all this is the Legs that brought her to Danger, those tasty Legs are at fault for Guide his Master to some Unfortunate Creature, *that's what the Werewolf Thought.*

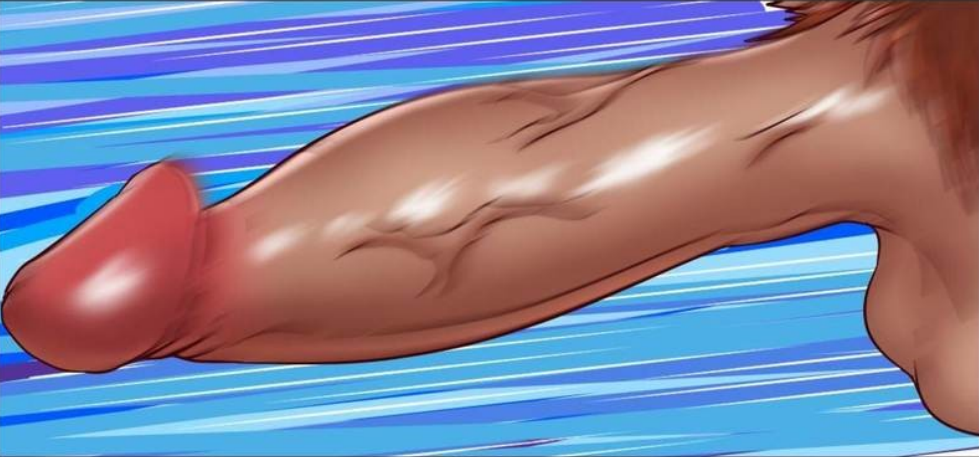

I turned
into a
SCARECROW!!

**AM I
A JOKE
TO YOU?**

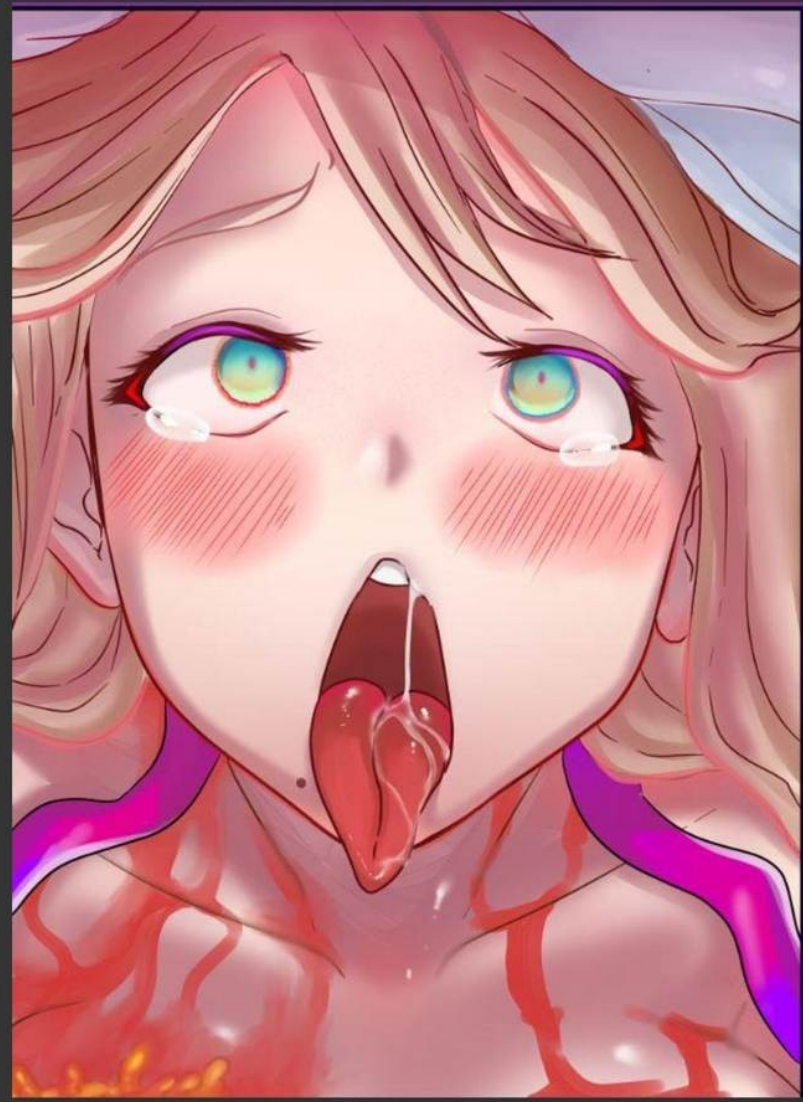

Now she don't have Arm and Leg, she looks like a Sex Doll, (no, not a scarecrow, what kind of sick and lame joke is that?) she is Definitely a Defenseless and Delicious Sex Doll, this please both of the Wolf Stomach and his Raging Dick, it seems the Previous Sex is not enough, with such Amazing Scenery right in front of him, her Dick is ready for the next round, thus the Wolf get ready and aim His Black and Big Wolf Penis,

While the girl keep moaning in Pain and whining for how she turned into such abomination form. He realize this girl gradually becoming insane and in denial of reality, I suppose that's the reason why he avoid made any contact with a dying lifeform, since it's useless to keep a conversatiion with near-death intellectual creature.

Without saying anything, He plunge his huge Shaft right inside of her Wet Pussy, and it's kissing the Mouth of the Womb romantically, she is surprised as she didn't expect she will get raped Again!

“SQUELCH”

NYAHHHHHHHHH!!!

Her Orifice and Ruggae are massaging his Dick, the pain and suffering indeed resulting her Body convulsing and twitching Inside and Outside, the warm and wet meat envelop all the Schlong's shape and her bodily fluid excrete with dynamic momentum.

She is dying, so much blood came out, she thought she will end up Dead and eaten, that would be at least Painless, and no need to think anything or feel sadness, yes, she will regret, but at least it was the end, not like this, not being Raped again, even a Lion will not Rape a Zebra, Food is Food, so being raped in this type of situation certainly truly unethical, but again, this is Werewolf, a Mythical Beast, but also..... (was) a Human.

Human are capable to be Better than Animal, but also capable to become Worst than Animal.

If human truly become a Beast, they absolutely Living as Hypocrite Animal, as how a wisdom will not help to cure a Heart that Frozen solid as Mountain Rock.

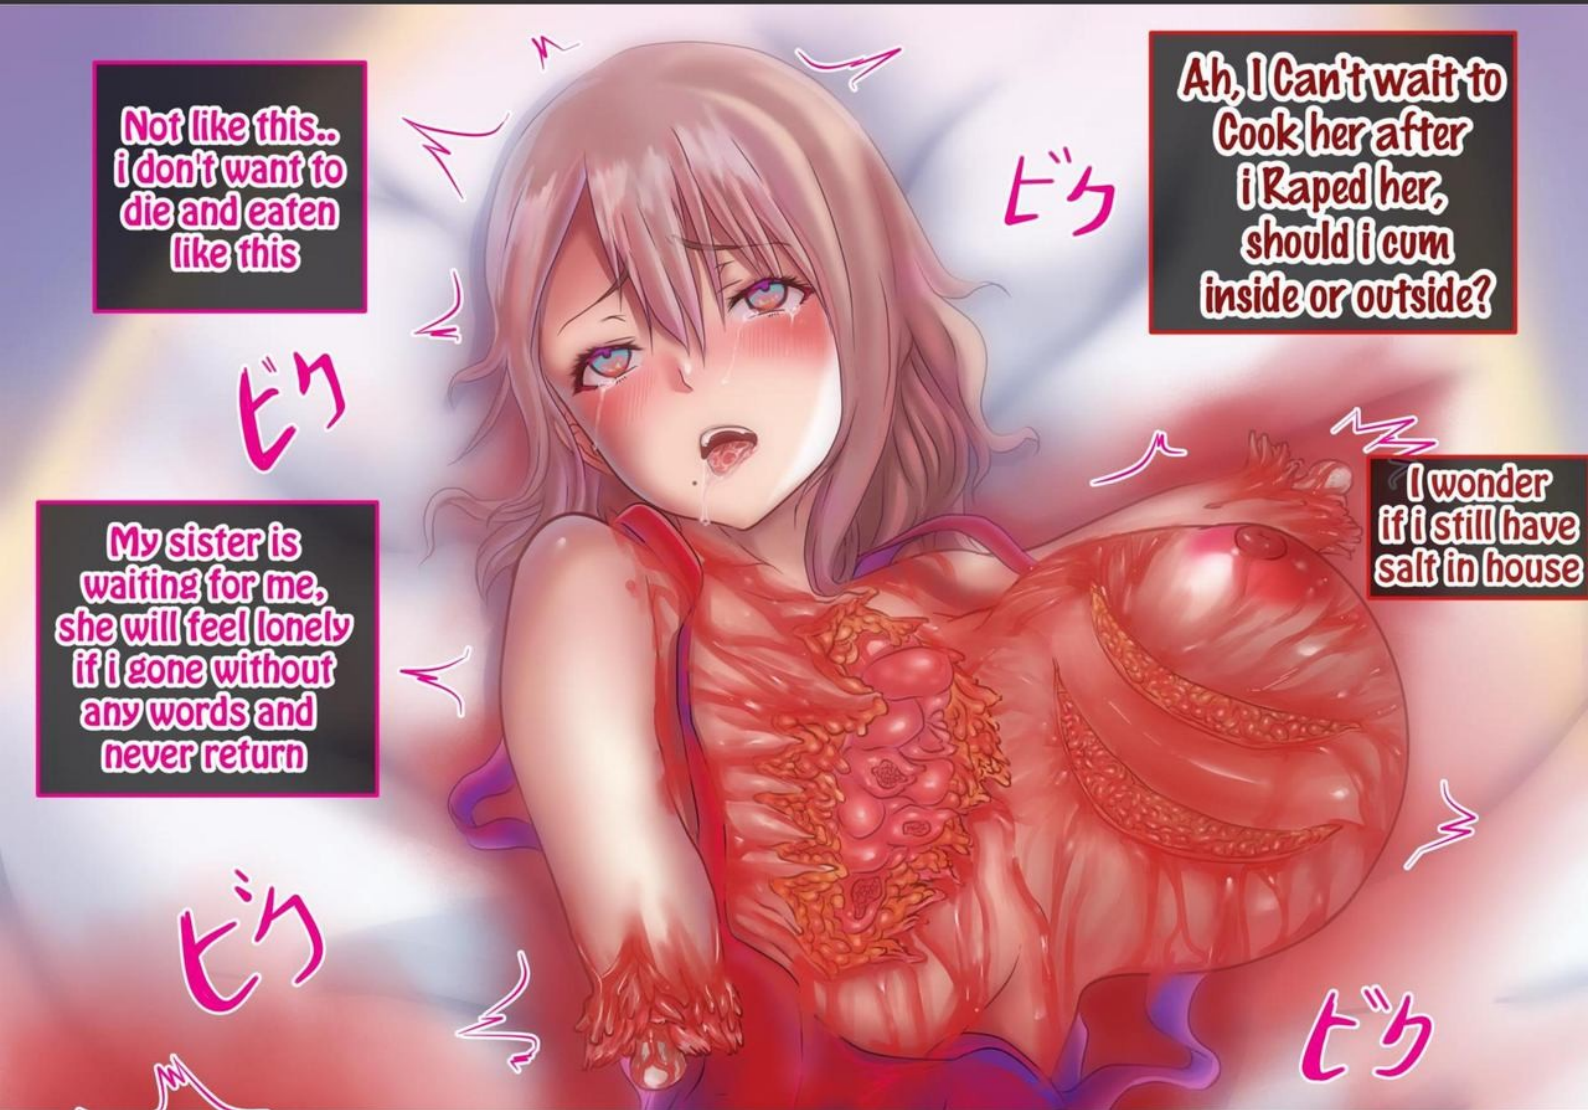

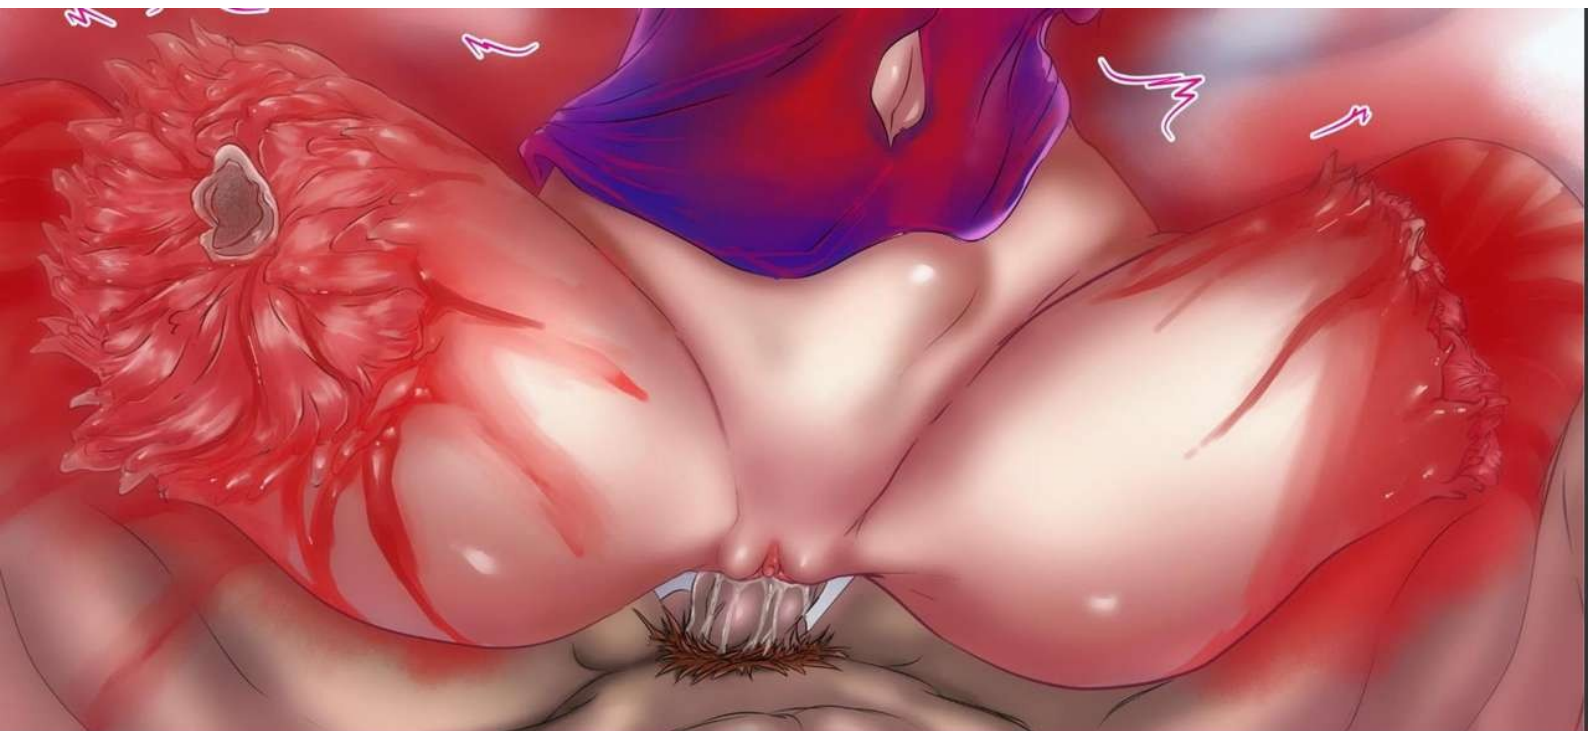

Not like this..
i don't want to
die and eaten
like this

Ah, I Can't wait to
Cook her after
i Raped her,
should i cum
inside or outside?

My sister is
waiting for me,
she will feel lonely
if i gone without
any words and
never return

I wonder
if i still have
salt in house

you can see from the wound that this Girl's Meat are Red Meat which means a healthy type of Meat that are belongs to Cow, based on such expectation, her meat should taste no different than Beef, which is very tasty and delicious, the wolf remember that when he sink her teet on the tender Breast, he licked and taste the Blood it was "Sweet"

"I think i can just stew one the leg tomorrow, or now i can just eat raw one of her Leg and Arm, I also can feast on her Pussy together when i roasted her entire body later." He thought

She can't do anything except just let her conciousness taken away to the void of Darkness... she doesn't have any chance to say goodbye to her sister.

She Did nothing Wrong, she is just.... Unlucky

END OF PART II
