

Special episode

【春子を覗いていた青年】

三糸シド

A housewife playing...

Woah...

...with naked men on her house terrace late at night.

I saw her...

I don't know her first name.

Her name is Yamanouchi-san.

?

She is a very attractive woman.

For me, she was one of my neighbours who is a complete stranger but...

Ah!

フフ

Hello.

To think that she was like that...

H-

I have been using her as a masturbation object even before I knew what she was doing.

Hello.

Haha

Ggaha

Ngh!

Ma'am...

This is
far more
debauched
than in
my own
fantasies...

Ha!

Haah!

Hey,
look!

That
brat
taking
a peek
today
too!

What a
lonely
guy.

While we're
playing with
this woman's
body every
night!

Nngh!

The colour of your nipples! ♡

Your neighbour over there already knows everything about you. ♡ Haruko! ♡

Are you happy with him just fapping at you?

Even the colour of your pussy! ♡

filled with thoughts of fucking you.

His mind is probably,

Would you just leave him fapping forever?

With that pitful young man?

What should we do Haruko?

Push your entire cock in one thrust!
That woman accept it with pleasure!

That's it.

Or would you...

It all because we trained her thoroughly.

This housewife goes into estrus just by looking at a cock!

There you go! It went in all the way to the back smoothly right?

Haah!

Ah!

The best way to keep secrets is to share them, you know? ♡

Ma'am, it feels good right? ♡

Hey neighbour-kun,

How's the pussy of the housewife you've been yearning for?

Does it feel good?

With that in mind, let's get along with the girls of this household!

...Girls?

Yes! ♡

Ahn! ♡

Ah...

Yes!

Ha! ♡

Ha! ♡

I'm happy that I was able to draw an episode about the peeping neighbour that appeared only for a few frames at the end of the second volume of Haruko's series this time.
