Hey!

Here!
Awesome,
right?

Lemme
see!
Lemme
see!

Something about a supplementary swimming lesson that I missed.

Although school's out, Marukawa-Sensei told me to come to the pool.

Huh?

It's only me, Sensei?

If you remember, the only absentee at the clothed swimming lesson was you, Nagi.

Not sure why we need to have it during school break, though.

Oh, yeah.

Yep!

Understand?

In that situation, it's fundamental to float in place and wait for help.

When you swim with your clothes on, they absorb water, which makes you heavier, making it harder to swim, and draining your stamina faster.

Listen up.

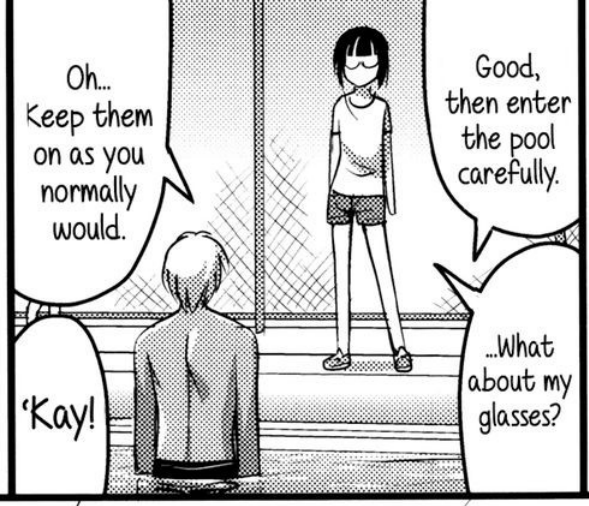

Splash

Wohoo!

Don't jump in!

Boing

Oh... Keep them on as you normally would.

'Kay!

Good, then enter the pool carefully.

...What about my glasses?

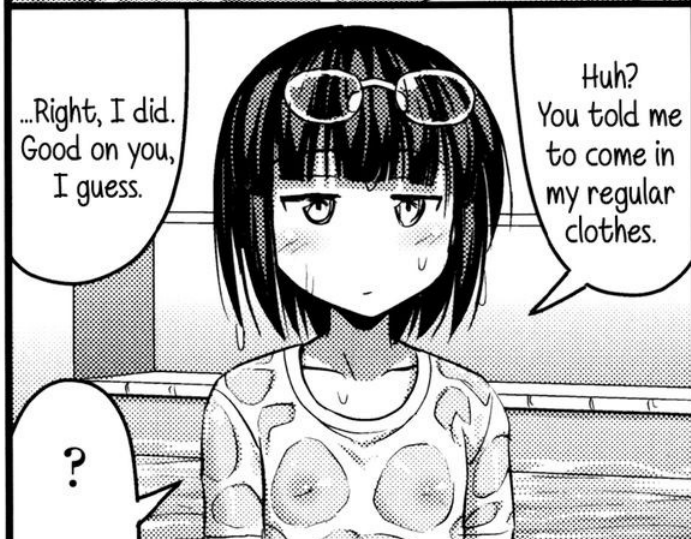

Kyaha!♡ Chilly~!♡

Splish

キッ!!

!?

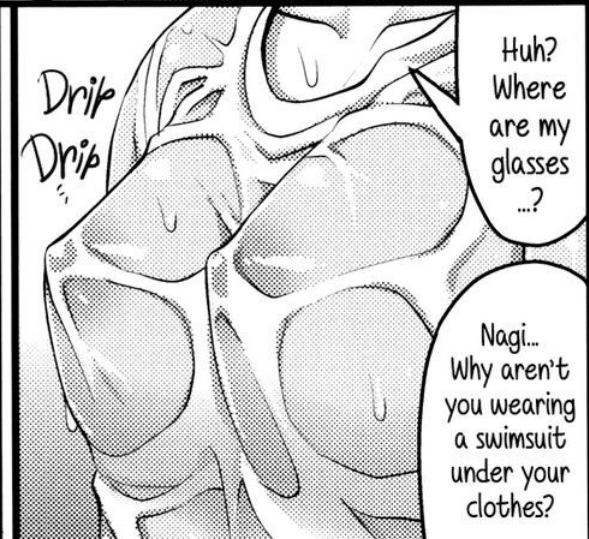

プールレスキュー

...Right, I did. Good on you, I guess.

Huh? You told me to come in my regular clothes.

?

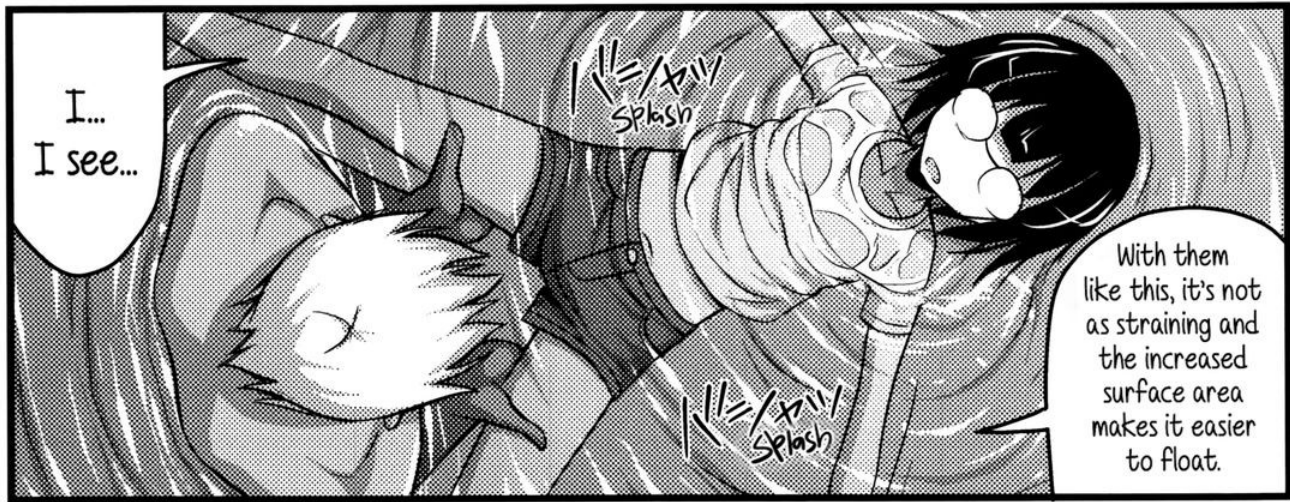

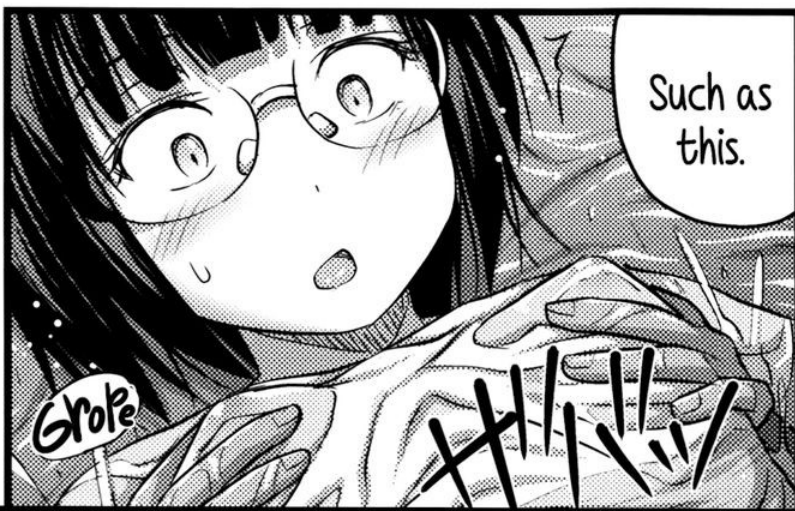

Drip Drip

Huh? Where are my glasses...?

Nagi... Why aren't you wearing a swimsuit under your clothes?

If you panic and struggle during rescue, you're putting your rescuer in danger of drowning too!

Eek!♡ Sensei, that tickles!♡

Stop fooling around, this is a matter of life and death, be serious!

Aha!♡

You have to stay still until you reach shore!

Ohay!♡

I'm going to practice CPR on you so you can see how it's done.

Lay down over there.

What are we doing now?

Because being in the water with your clothes on drains your strength.

Good. Next, we'll practice CPR.

Why am I so tired, all I did was float... Fue~

splash...

Mhm!

Smooosh
Smooosh

Pat

In the event the rescued person's lost consciousness, you need to first listen for their pulse and breath.

Nh!
Nbyu!

Smooch

!! Stairx
Eh!!

Ah! I know this!
It's mouth-to-mouth, right?!

Pull

If they've stopped breathing, you have to give them artificial respiration.
To do that, you clear their airway...

Drip Slurp

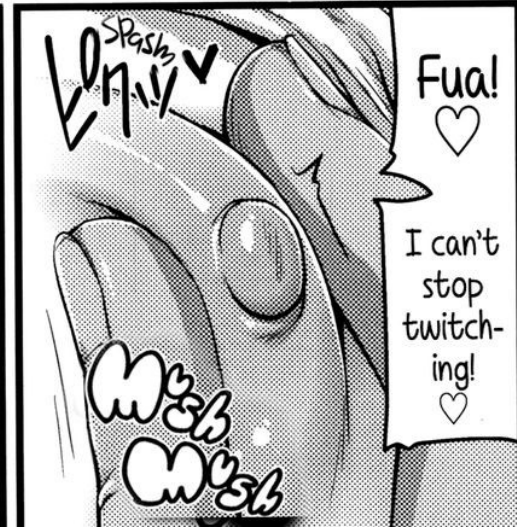

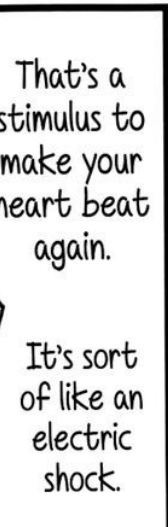

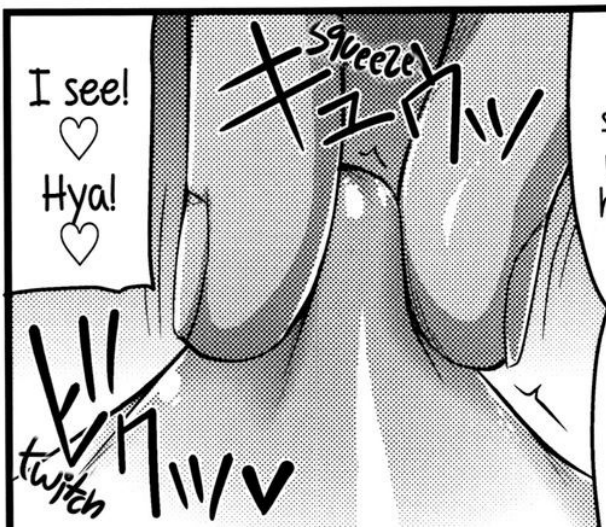

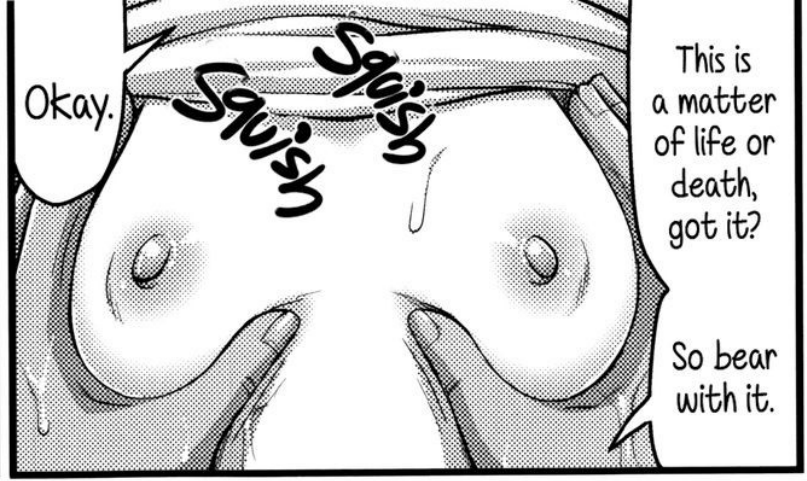

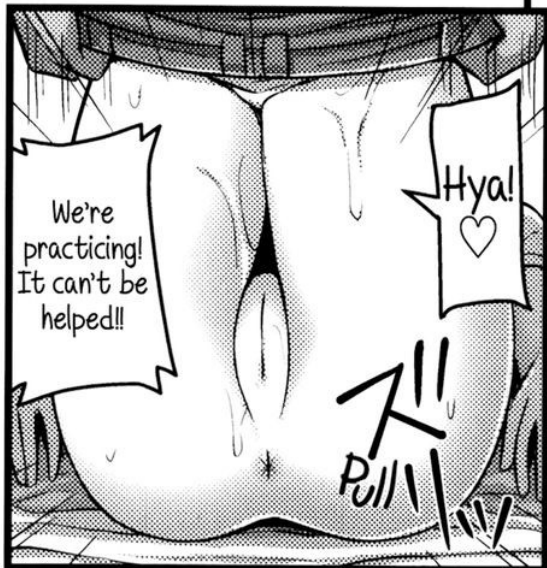

If their pulse stopped, you have to massage their heart.

Twitch

ズ!!! slip

Ooh?

To warm them up, it's necessary to massage a place with lots of blood vessels.

The space between the legs is the ideal spot to massage.

You keep going like this and once their breath and pulse return, their wet clothes will have lowered their body temperature, so they have to be warmed up.

I think... I'm feeling warm enough already, though.

Could it be because his massage is working...?

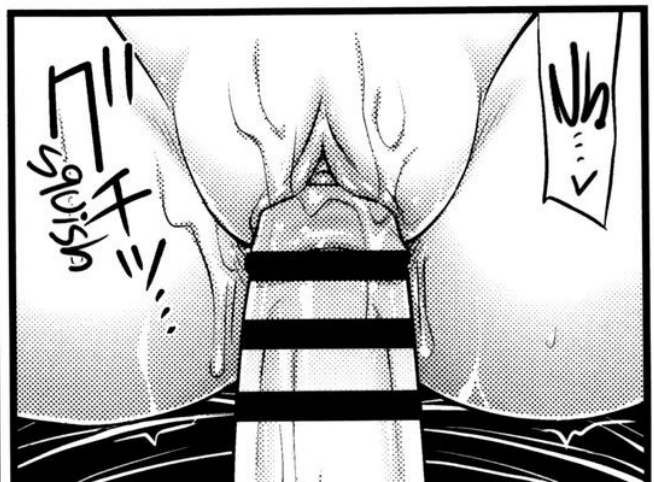

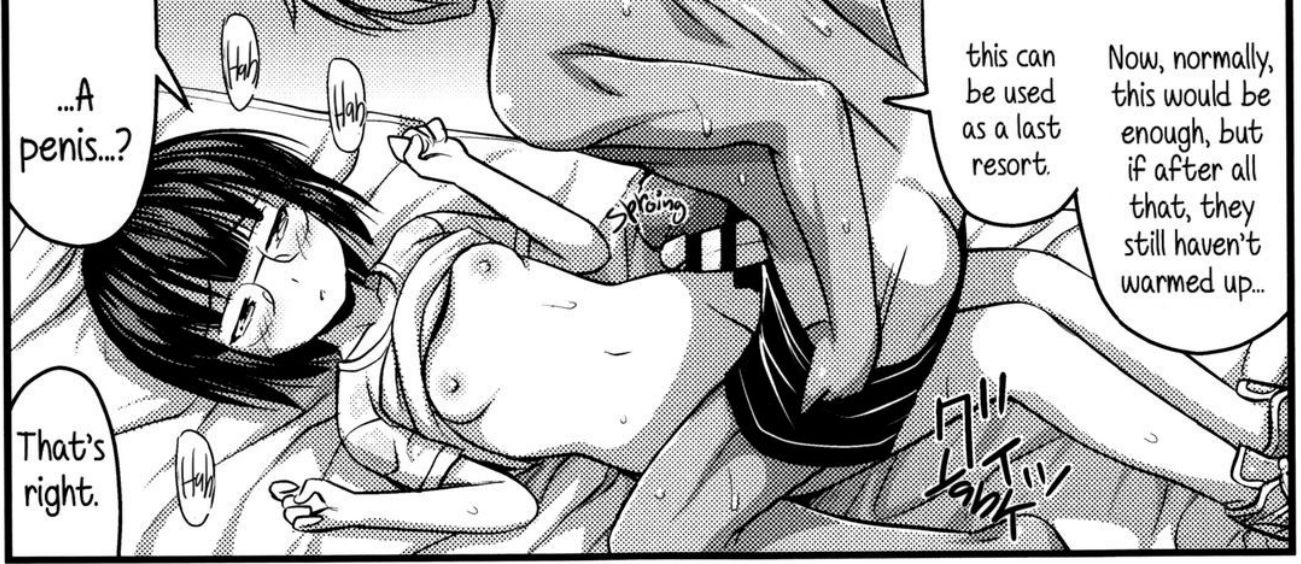

My crotch feels tingly...

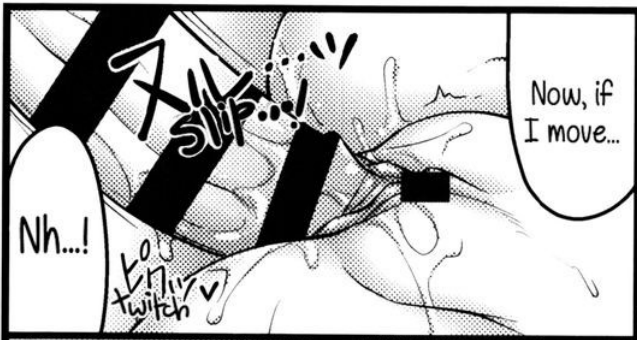

Don't do that, Sensei! ♥

Fua! ♥
Shtop! ♥

If you rub this place like this, their blood will start flowing and their body will warm itself.

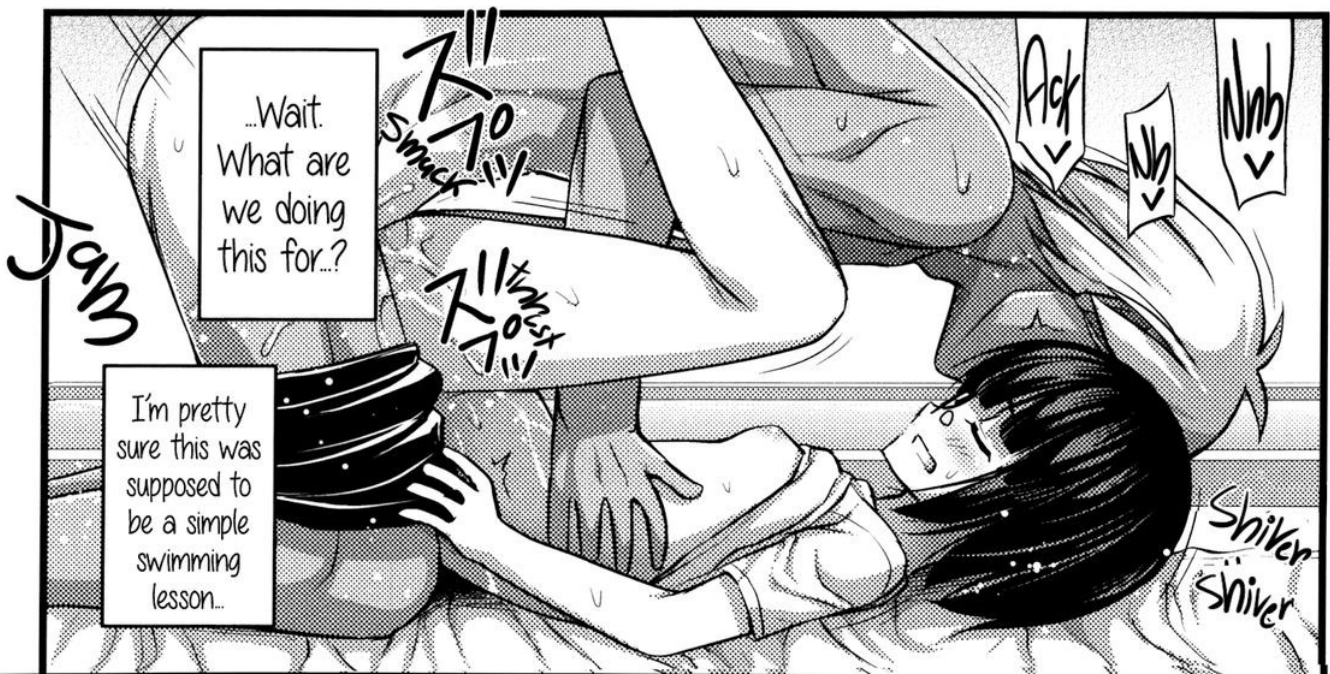

Fuaa!♡
Sensei!

That

So it's
important to
stimulate the
source point of
that twitching
like so!

Well, it is a sort of medicine.

Tastes funny.

A lot of people ingest the milk orally too, just to be safe.

Ohay...

Hm...? What?

I'm tired and I wanna go home already...

Sensei, I got a question!

You can go home now, or play in the pool, whichever you want.

Alright, that's the end of the lesson.

?

Uuh...

...Huh?

should you still stick a penis inside him to warm him up?

If the person drowning is a boy,

End

It's raining!

...Natsumi-chan?

'Sup.

You're alone?

You didn't come with your parents?

I'm alone.

Onii-chan, I came to hang out.

Noise Presents 『小麦色アタック!』

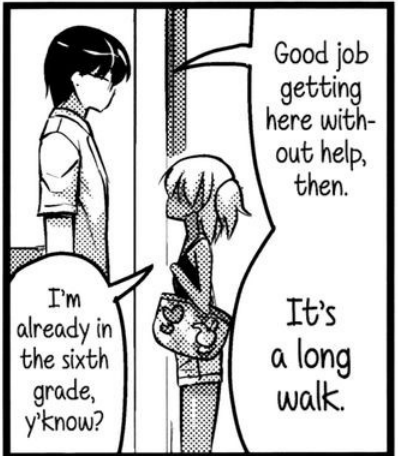

You what?

I know.

Still, you came at kind of a bad time, your grandparents aren't home right now...

Right. Sorry about that.

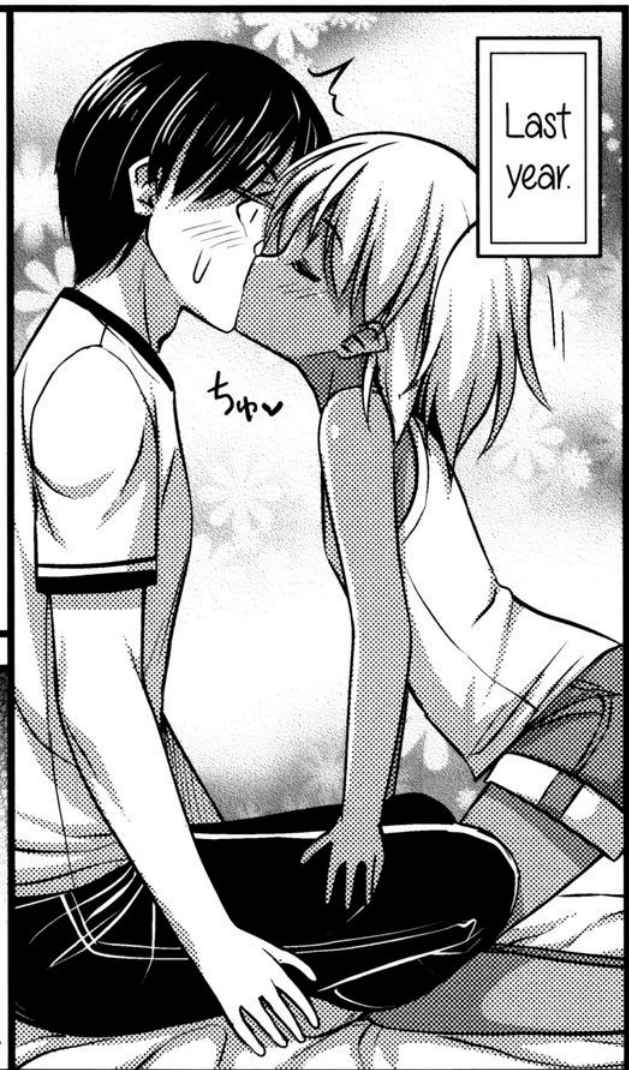

Good job getting here without help, then.

I'm already in the sixth grade, y'know?

It's a long walk.

It's like a desert outside.

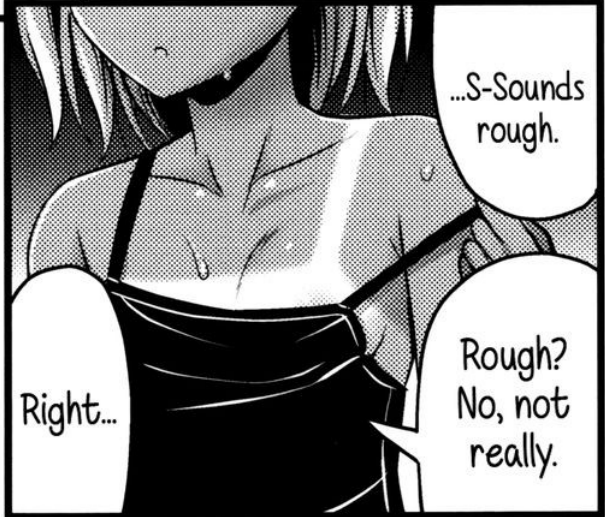

You're telling me!

...Damn it.

Why am I getting the hots for my sixth grader niece?!

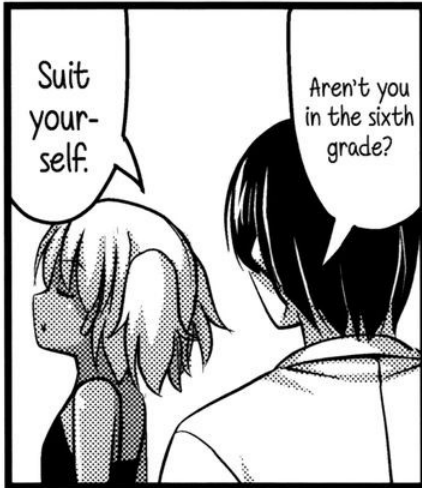

.....

...S-Sounds rough.

Right...

Rough? No, not really.

Suit yourself.

Aren't you in the sixth grade?

Wanna come with?

I'm covered in sweat.

Maybe I'll take a shower

...Sure, go ahead.

I wanna wash together with Natsumi chan!!

Shit, that was close! I so wanted to go in with her!!

She's only a kid trying to make herself look more mature than she really is...

Calm down... Just calm down...

Shit! Ever since she got here, it feels like she has me dancing in the palm of her hand...

She's only a damn sixth grader..!

I forgot I didn't bring anything to change into.

Lend me a shirt.

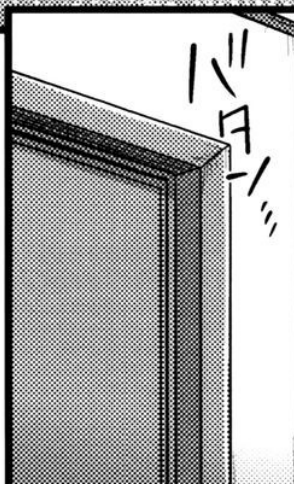

Phew... Alright.

Hm?

Onii-chan!

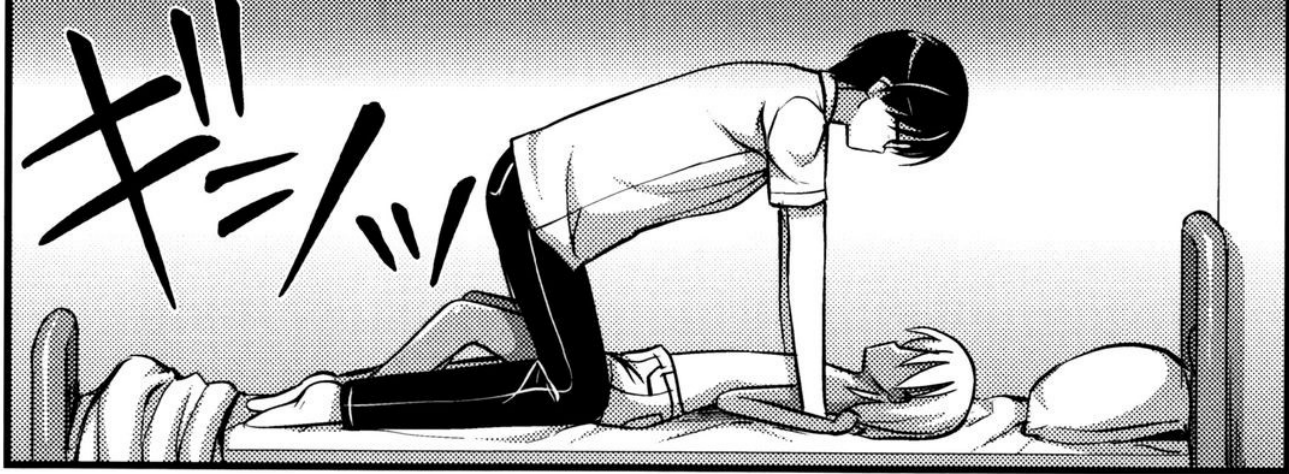

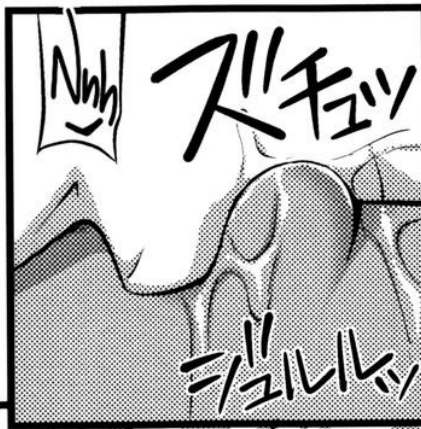

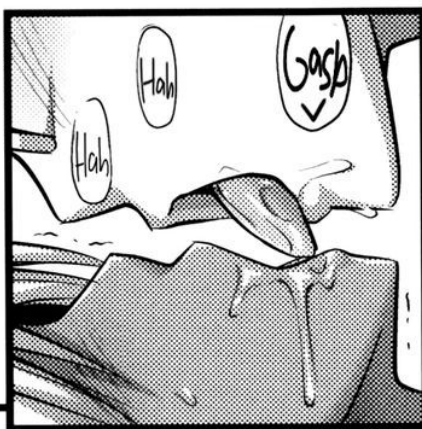

...Okay, follow me.

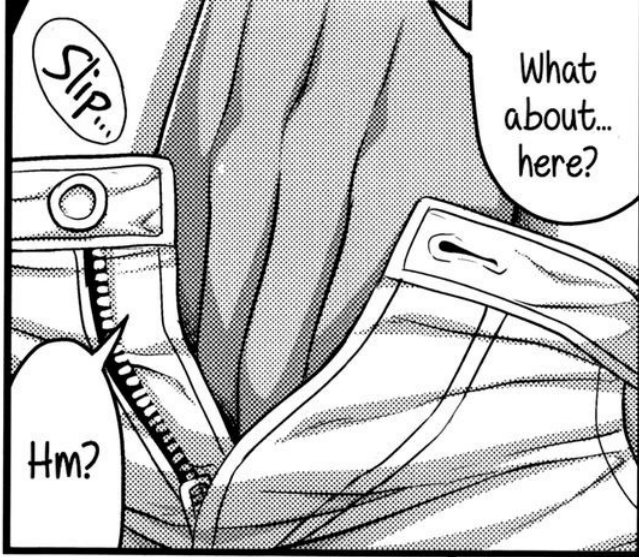

...You won spectacularly, Natsumi-chan.

'Kay.

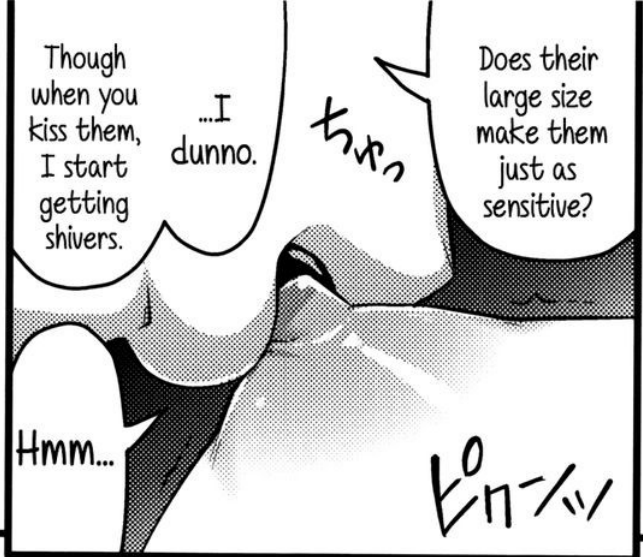

What about... here?

Hm?

Though when you kiss them, I start getting shivers.

...I dunno.

Hmm...

Does their large size make them just as sensitive?

ちゅん

んーっ

Nh...

You're so squishy down here. Natsumi-chan, it's really cute.

ちゅん
ちゅん

I forgot to bring a change of clothes, remember...

And, I mean, it feels gross re-wearing dirty underwear, right?

Natsumi-chan, you're not wearing panties...?

I've never been touched there before. It feels kindo weird.

Hg

Yeah... So you really did forget.

It's a little wet.

No, it's lovely, Natsumi-chan.

That place is dirty...

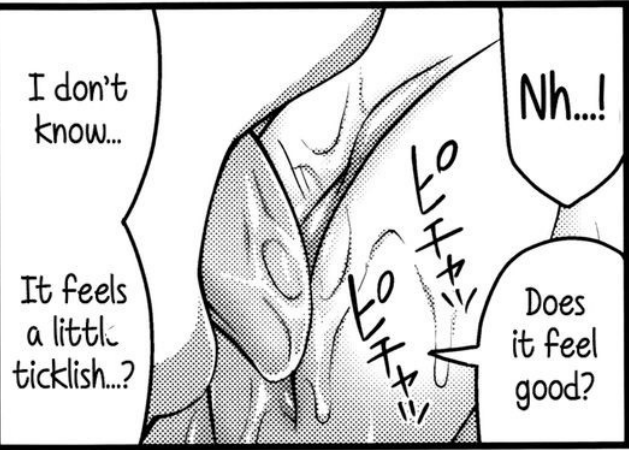

Onii-chan, you're even kissing me there...?

Ah...!

Then... I guess it does feel good.

But your pussy's gotten so wet, though.

I don't know...

It feels a little ticklish...?

Nh...!

Does it feel good?

But go ahead...

Mmh... A little...

...Are you scared?

...Will that thing even fit?

Fufu. Can I put it in now?

Well...
I guess.

You can't
see it like
this, so it's
not so scary,
right?

...Like
this?

Alright,
then point
your butt
this way.

Are you
okay?

Nnh...

I'm
putting it
in, then.

I'll do
it slowly,
alright?

I see...
I'll start
moving
slowly,
then...

Okay.

Yeah...
It's not as
bad as I
thought...

Hah

Hah

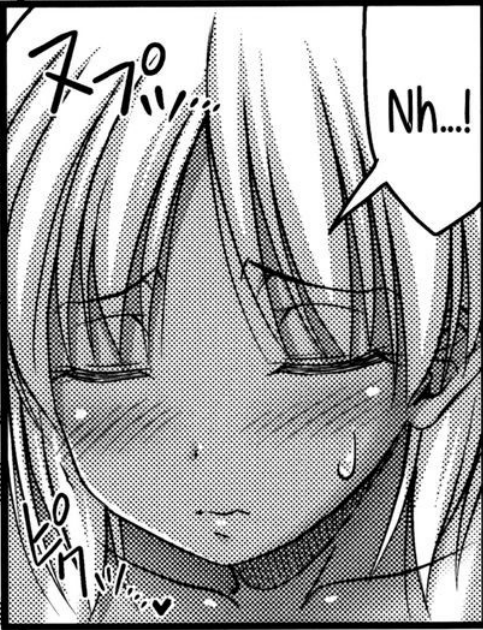

S-Stop for a second...

Nh... No... I'm just a little out of it...

Did I hurt you?

Are you alright?

about to
cum...

Can I?

Would you like to go somewhere with me on Sunday?

Yes?

Hey, Suzuki-san.

You never know unless you try, right?

Give it a rest, man, It's never gonna happen.

No way would a quiet girl like her go out with an oaf like him...

Huh? Why is Tooru interested in Kyouko of all people?

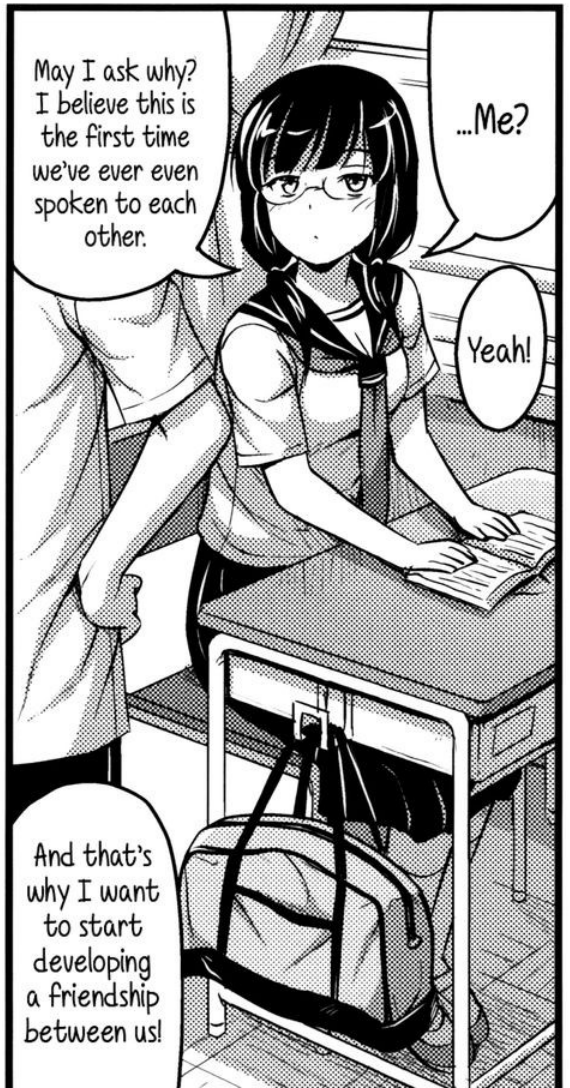

Really?! No shit! Hell yeah!!

キレキレ!!

...I suppose I don't mind.

May I ask why? I believe this is the first time we've ever even spoken to each other.

This is a date?

Yeah?

Where to next? Karaoke?

We don't have to worry about people looking at us in a karaoke booth. Plus, I know a really cheap place!!

No, it's not that...

Oh! I can totes relate! Singing in front of people is mortifying!

I'm just a pinch nervous.

I-It's nothing... I'm sorry.

Not a good singer?

...What's the matter? You haven't picked up the mike once.

I'm really grateful that you agreed to go on a date with me.

Huh? Why do you ask?

Kyouko-chan, did you just... cum?

We're all going through puberty! How could we *not* think about it?!

...Is that true?

That's just how it is!

Are you kidding?! I love naughty stuff too!!

What self-respecting middle schooler doesn't have sex on his mind twenty four seven?!

I can't take it anymore, y'know...?

You're just too adorably cute, Kyouko-chan...

Then, would it be okay if we...?
