Okay.

Come on in.

We've got a new transfer student joining us.

I moved here from Tottori.

Nirasaka Konomi

I'm Nirasaka Konomi. Nice to meet you.

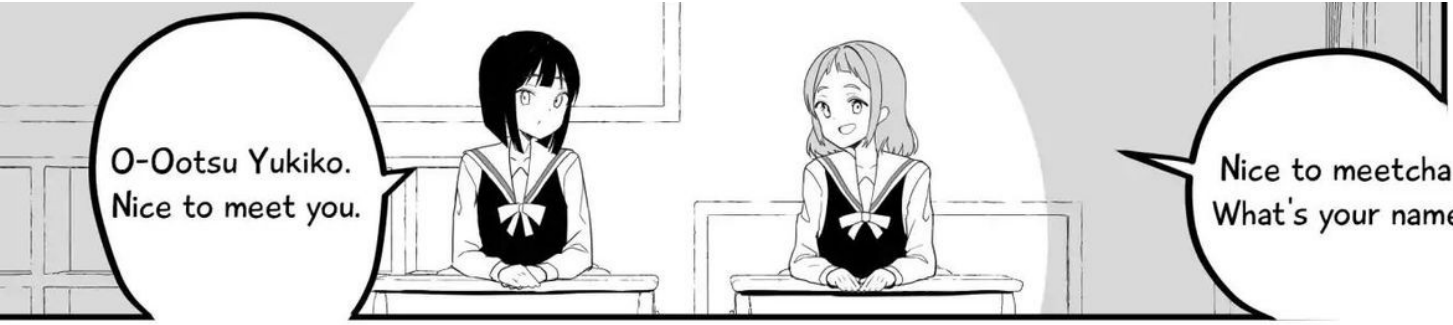

The hair is such a pretty color...

Okay.

Well then, go sit at the desk over there.

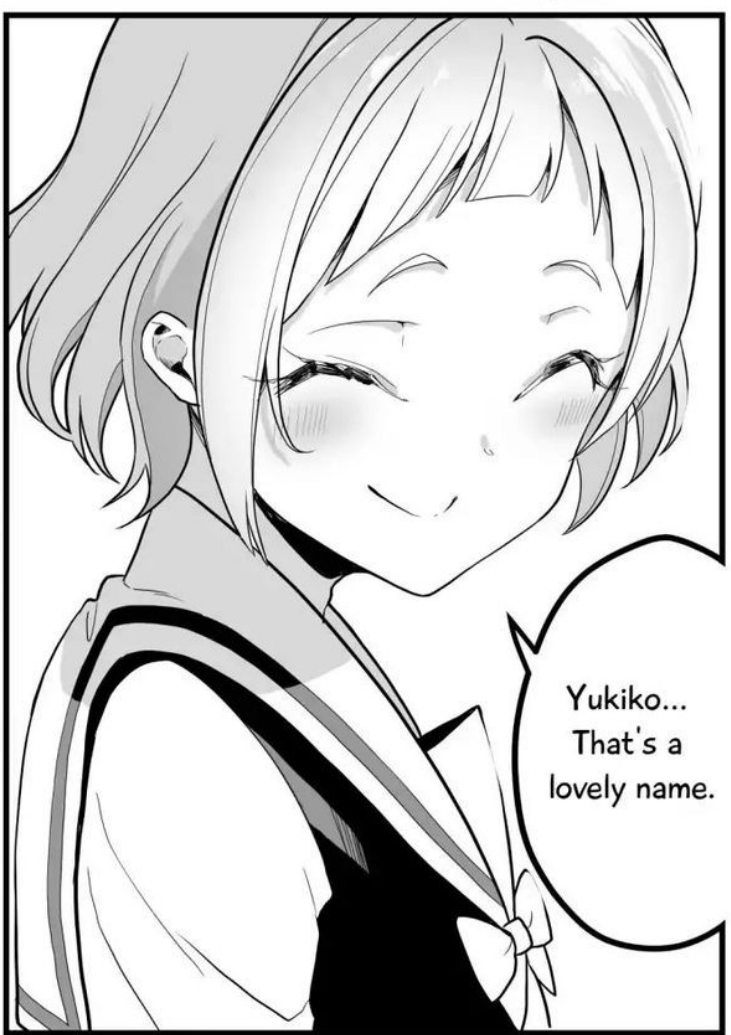

O-Ootsu Yukiko.
Nice to meet you.

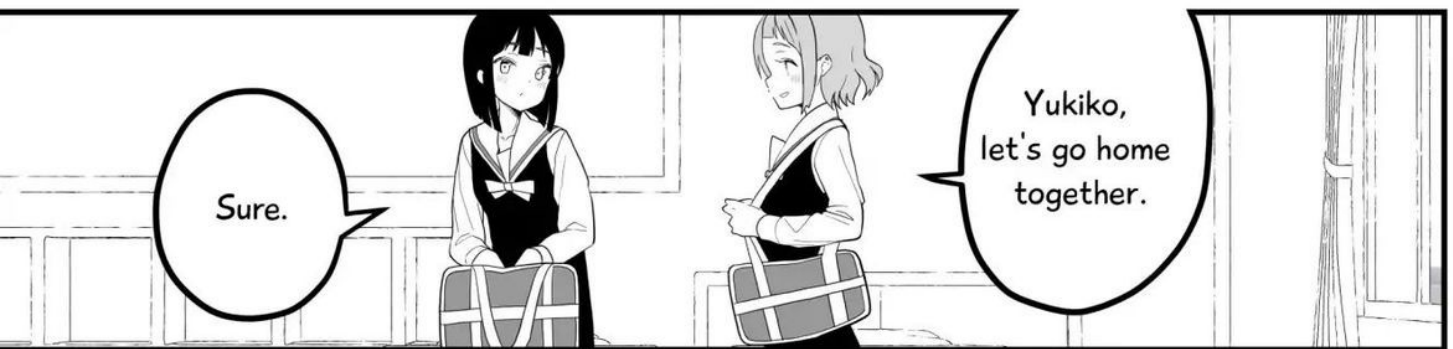

Nice to meetcha.
What's your name?

Thank
you...

Yukiko...
That's a
lovely name.

Sure.

Yukiko,
let's go home
together.

Sure.
I need
to go too.

Ah~
Can we
stop by the
bathroom?

Is she okay
going with
someone
like me...?

Nirasaka-san...

Why did you get in the same stall as me...?

Well, y'see,

Yes?

I'm

a succubus.
who really loves girls

Succubi can't create life force,

so we have to take it from girls in order to live.

I'm also a succubus...

Eeeh!?

Give me some of your girl power.

You look delicious, Yukiko.

Hey...

Wait...

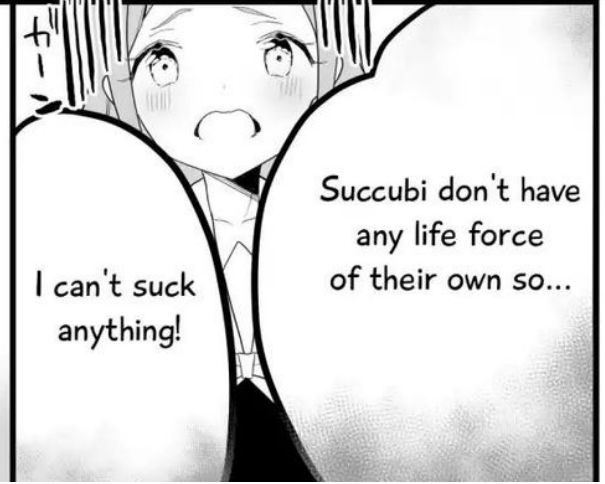

Hm?

I'm also kinda sorry...

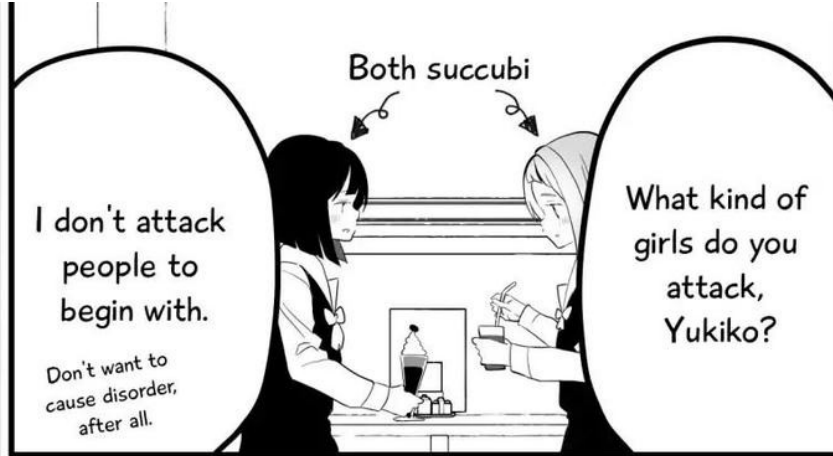

Sorry for the trouble...

I made a succubus friend.

I can't suck anything!

Succubi don't have any life force of their own so...

I'm sorry for asking such a rough question.

You won't get any life force from holding my...

I see.

You're not gonna tell me?

Besides, I can't leave you alone when you're looking so uneasy.

Wah!!!
Don't look!!!

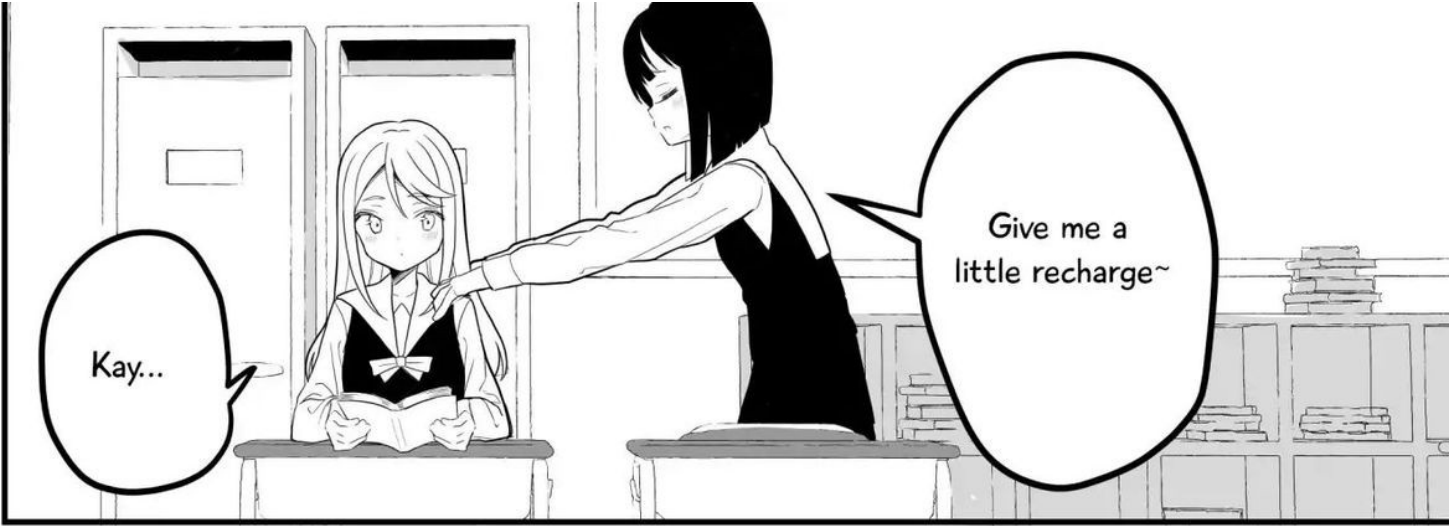

So that's what it is...

Hm?

Lesbian Bar
NaNa
01 0000-00-00

You don't need to cry about it... Just use some tissues already.

Yeah... Thanks...

Kay...

Give me a little recharge~

I can use skinship to suck life force from my best friend.

I'm a succubus, so by doing this...

Thank you~!

美味しい...
delicious...

Fuu-chan's life force is

That'll be 100 yen.

...Wouldn't paying you make you a prostitute...?

You're charging me!?

||
||
||

Doesn't want to pay

You jacked up the price!?

Alright, 500 yen.

This is an exception.

She treated her to a crepe.

I guess it would look like I was selling my body...

Aah...

And then...

So she can nonchalantly suck life force like that, huh...

Nirasaka-san!?

Don't mind me.

What's with this situation?

There are flowers on both sides...

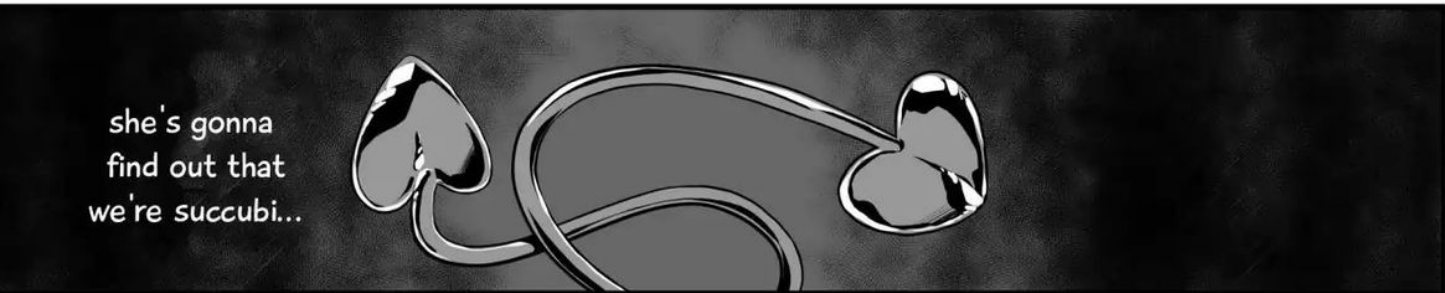

Ah...
Slip of the tongue...

Yeah.
We've found a common interest.
A common interest?

Come to think of it,
You and Nirasaka-san have been pretty close, huh, Yukiko?

she's gonna find out that we're succubi...

Erm...

What kind?

Succu...?
Succu...

What kind?

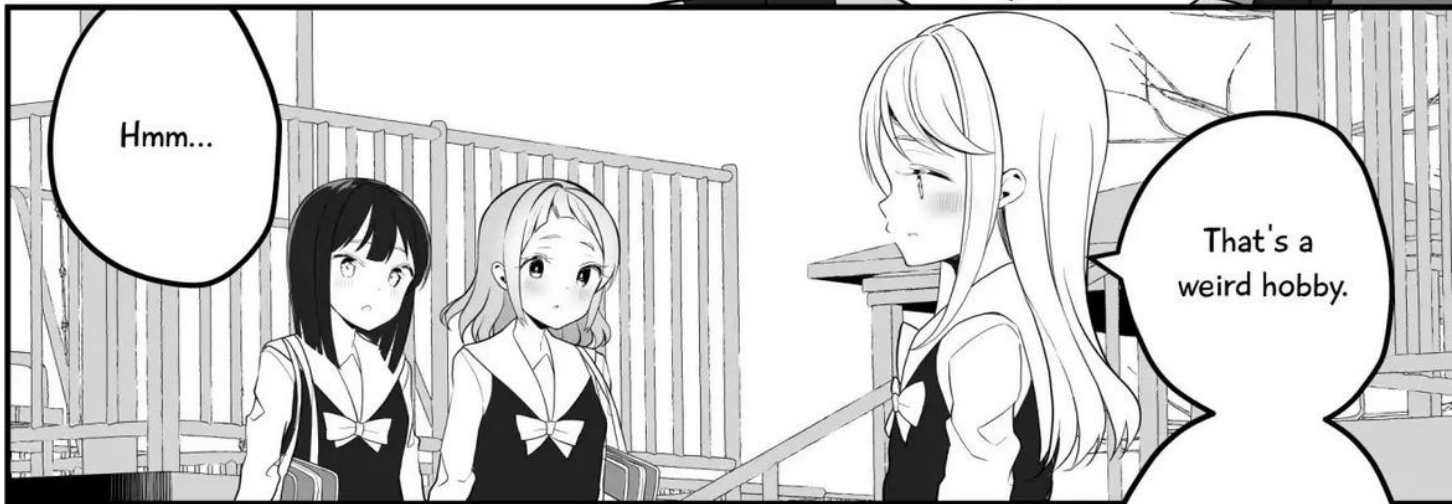

Mons
veneris?
(chikyuu)

Sandy
dunes!!

You heard me
say "sakyuu",
right!?

We both like
sandy dunes...
(sakyuu)

Hmm...

That's a
weird hobby.

That
was
close...

とほ、

Well then,
see you
tomorrow.

I'm always aware that I'm different from everyone else.

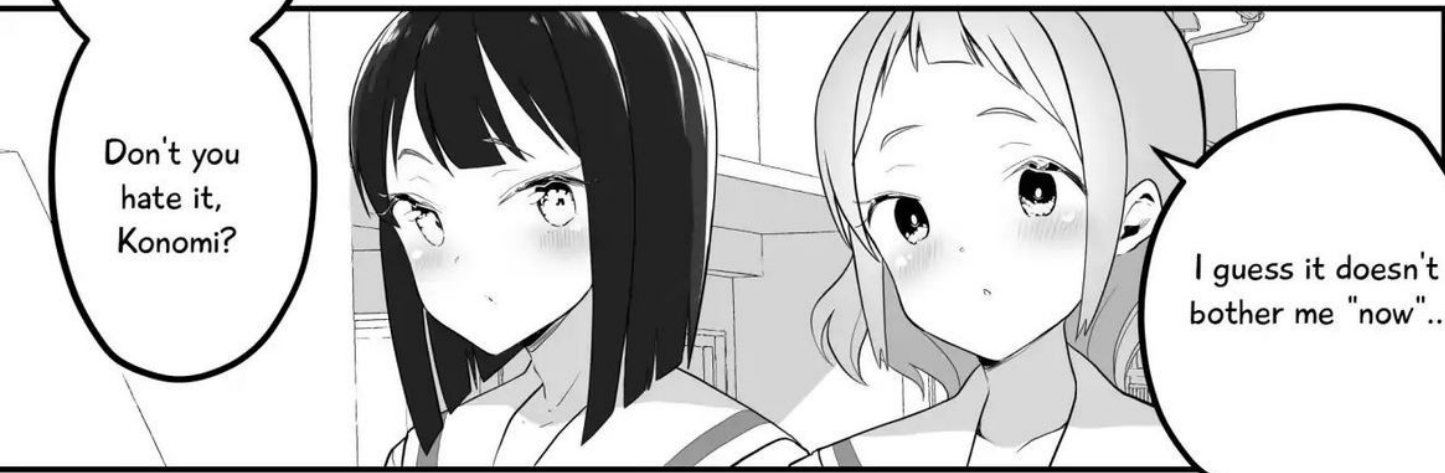

I wanted to be born a regular human.

I don't...

Do you not like being a succubus, Yukiko?

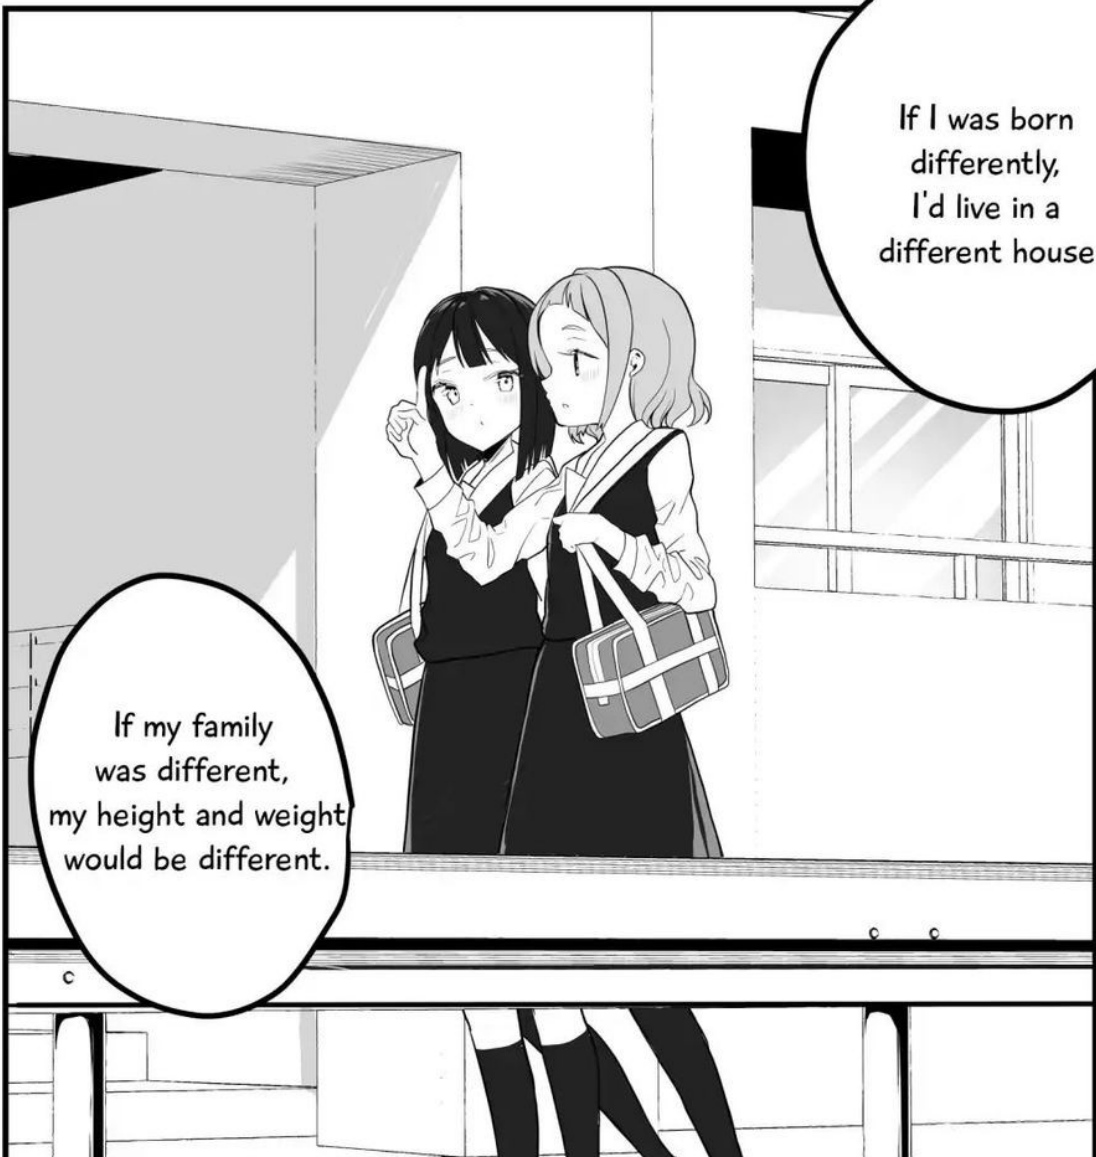

Don't you hate it, Konomi?

I guess it doesn't bother me "now"...

In that regard, what exactly is "normal"?

Normal is... normal.

If I was born differently, I'd live in a different house.

If my family was different, my height and weight would be different.

If succubi aren't considered normal...

Hm...

Fufu...

Then to me,

I feel so much more optimistic when I'm with you, Konomoi.

Yukiko is normal

Right~

I SUDDENLY
HAD A POWERFUL THOUGHT THAT KONOMI'S HAND...

and the rest of humanity is weird.

LOOKED DELICIOUS.

I think I might be...

Ah, sorry...

Are you hungry, Yukiko?

十中。

a little hungry...

Your face is all red. Are you okay?

a bit too close?

Isn't she

Huh?

Eh?

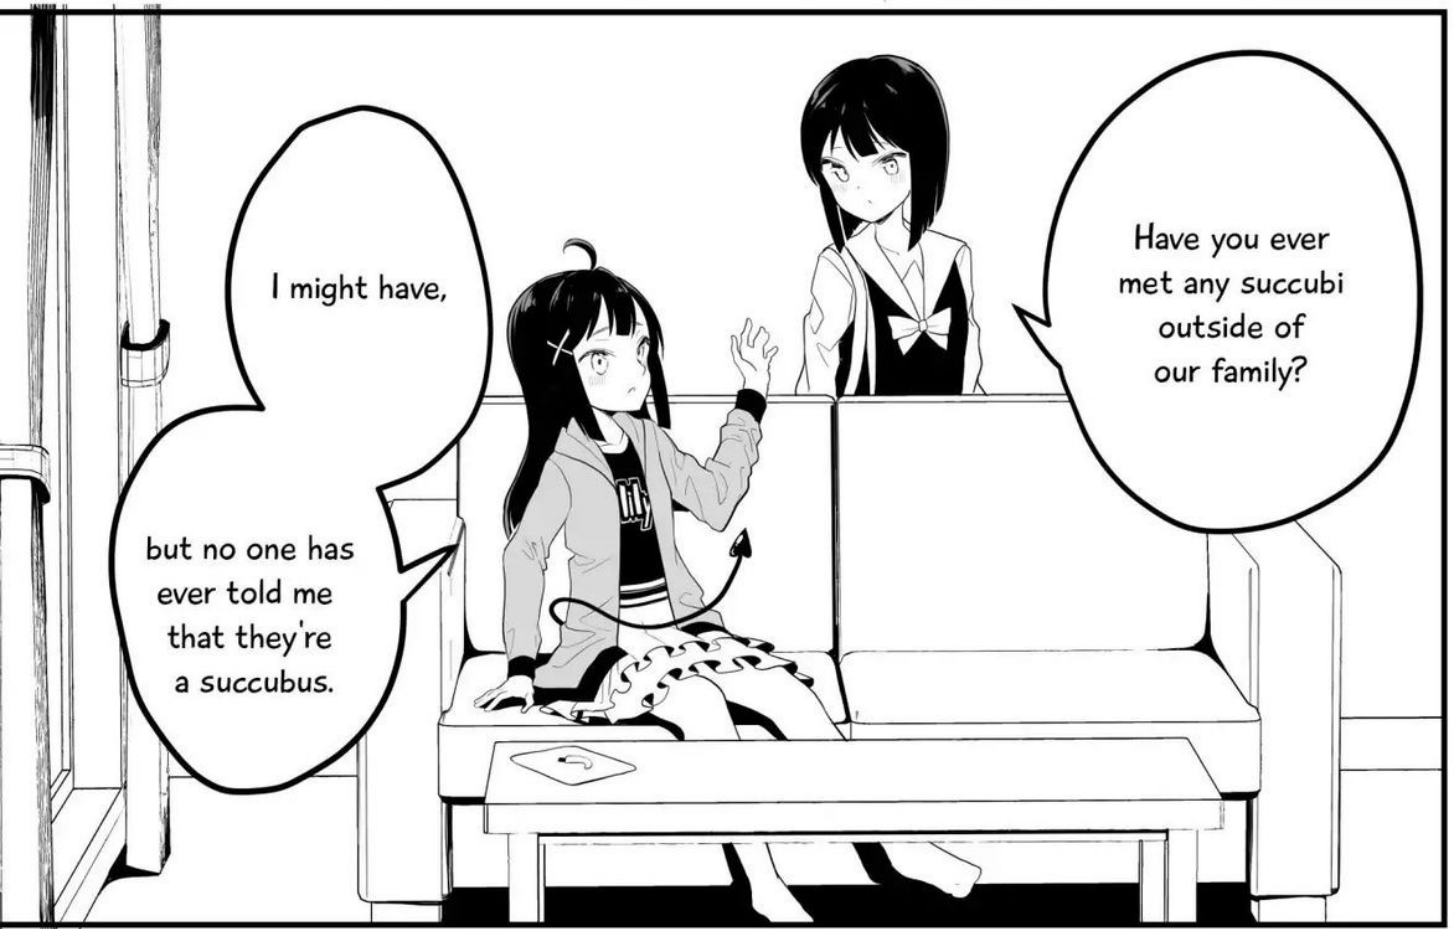

What is it, Onee-chan?

Hey, Aki.

Welcome back, Onee-chan.

I'm home.

I might have,

but no one has ever told me that they're a succubus.

Have you ever met any succubi outside of our family?

How'd you learn she was a succubus?

We normally keep these things a secret.

Yeah... She's a transfer student. We've been talking a lot lately.

Heh...

I guess so~

So you've met one?

You're such an easy prey, after all.

Well, knowing you, Onee-chan, she probably dragged you into a toilet stall and tried to suck you, right?

Erm...

Uuh...

Did I get it spot on...?

Yeah...

Sorry. That was supposed to be a joke...

Apologizing would just make you look more pathetic...

but I wanted to feel her warmth...

I can't suck life force out of Konomi's hand

She's called Konomi.

I wanted to hold Konomi's hand.

Onee-chan,
that's...

love.

アアアアア

アア

That expression
sounds just like
cannibalism,
y'know?

Ah!

I've never
eaten someone
from the
same species

so I was
curious!!!

Are you
Toto**'s Kanta
or something?

Love!?
No way!

Um...

Erm...

Hyes!?

Hey, Yukiko!

Yukiko...

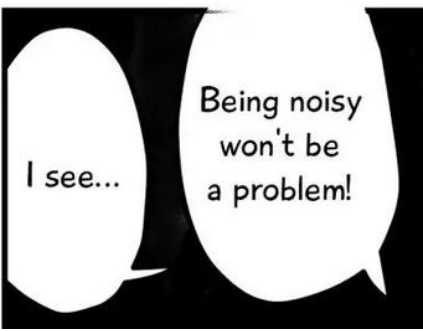

Weird, huh...

What exactly is
"weird"...?

Hey, wanna
come over to
my place today?

I see...

Being noisy
won't be
a problem!

Sure, but...
Erm...

Both my parents
are out today!

Yeah, okay.
I'll come.

Man, we can make
as much ruckus as we want
with no parents around!

I'll put
some
tea on.

I'm just going
over to hang out...

There's no weird
meaning behind it...

This is
Konomi's...

Come
on in~

Bed...

POMF~

I could just doze off

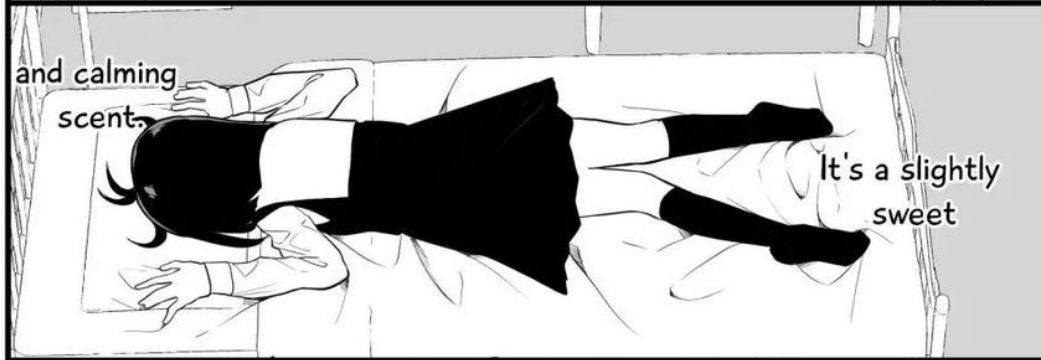

It's Konomi's scent.

and calming scent.

It's a slightly sweet

You awake?

Sorry. I kinda lied down on my own accord.

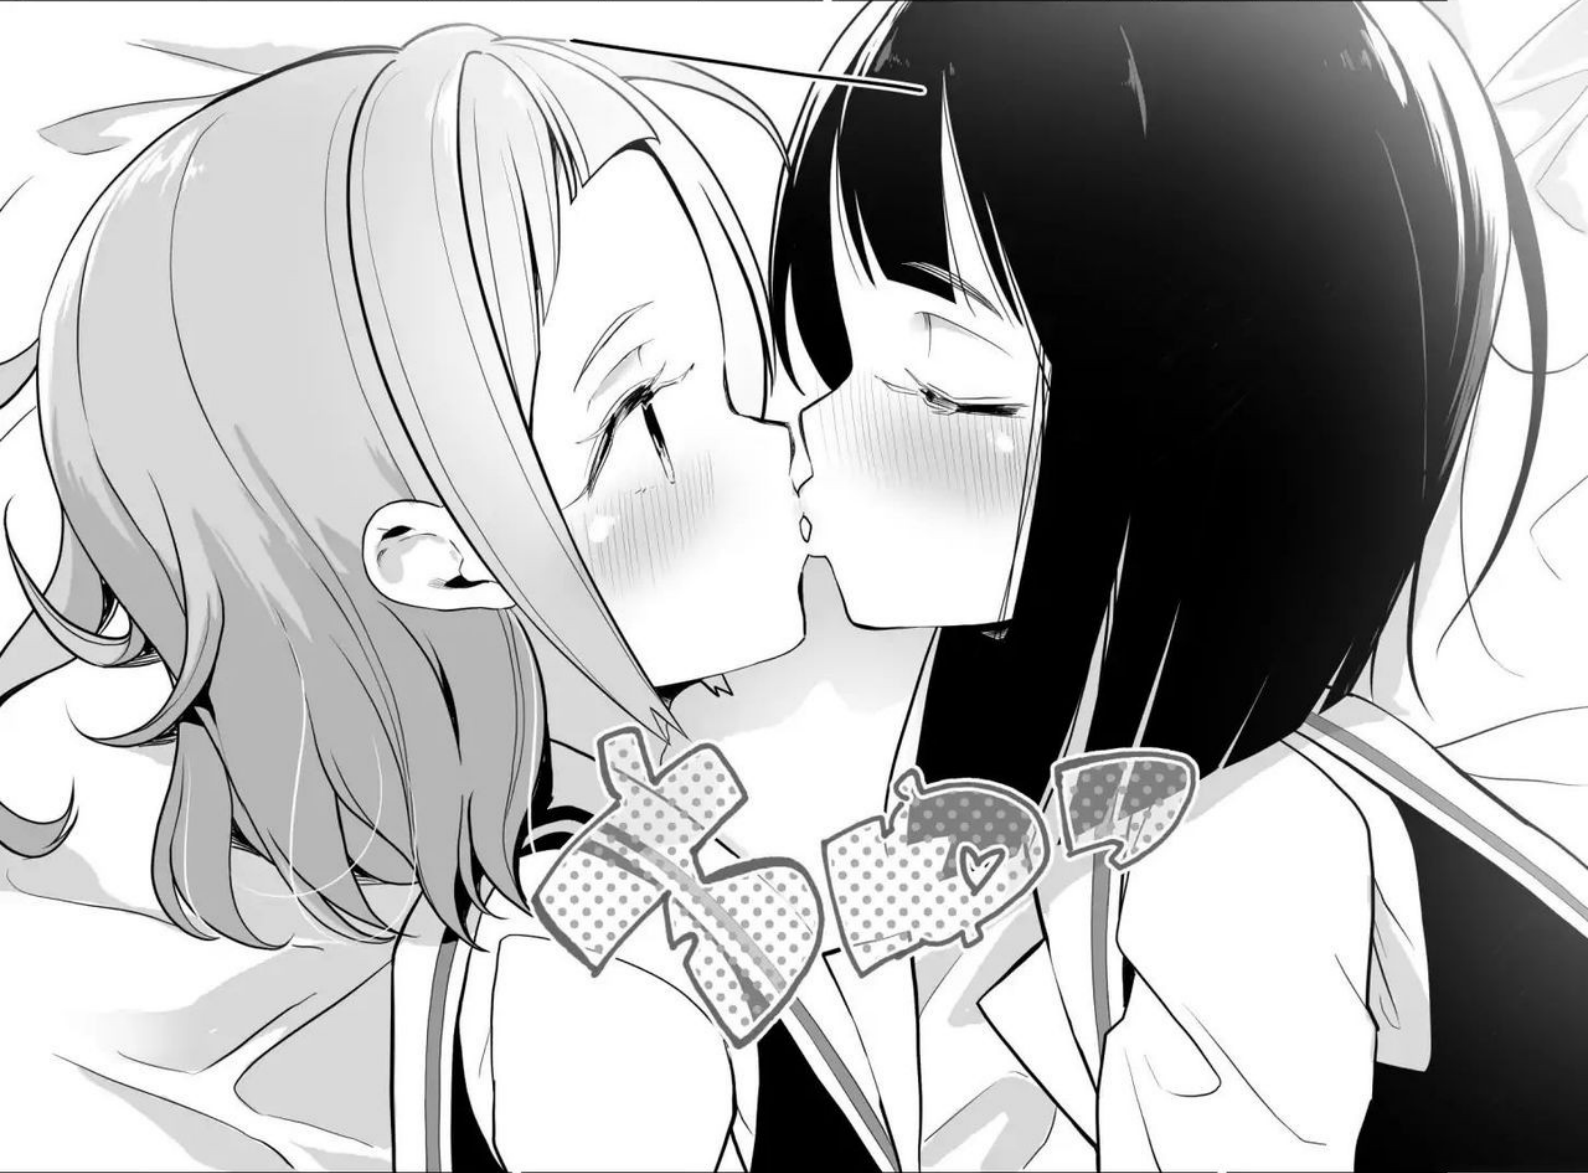

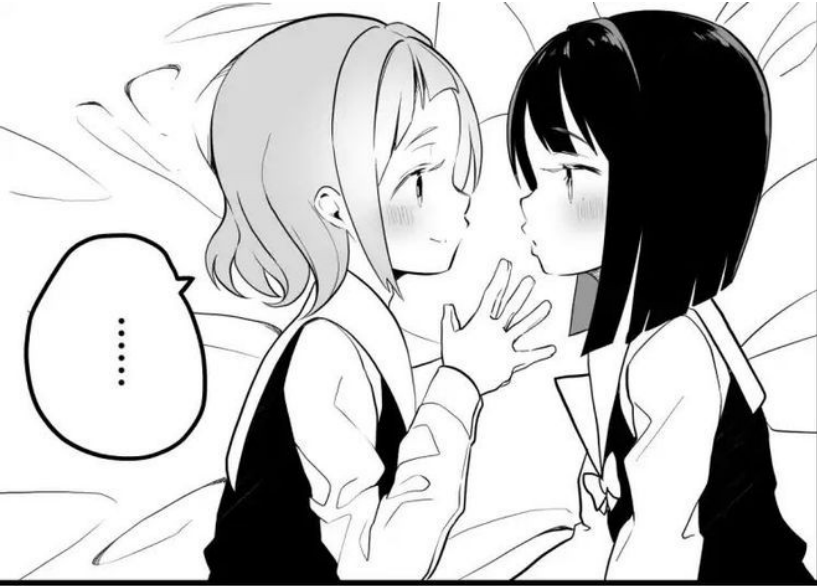

Or something.

You seemed to be enjoying it so I wasn't sure if I should wake you.

Yeah...

You surprised me.

Honestly...

Are you that hungry?

That's not why I did it.

You can't suck life force from me!

Eh?

Eh !?

I need to pour these feelings

into Konomi

until it soaks into her!

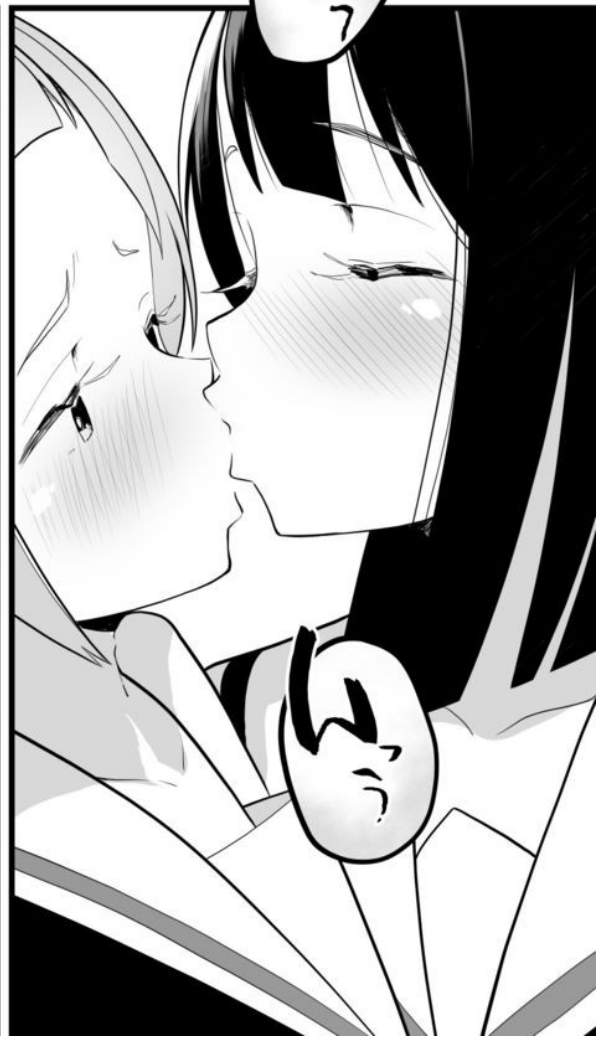

I love you x24

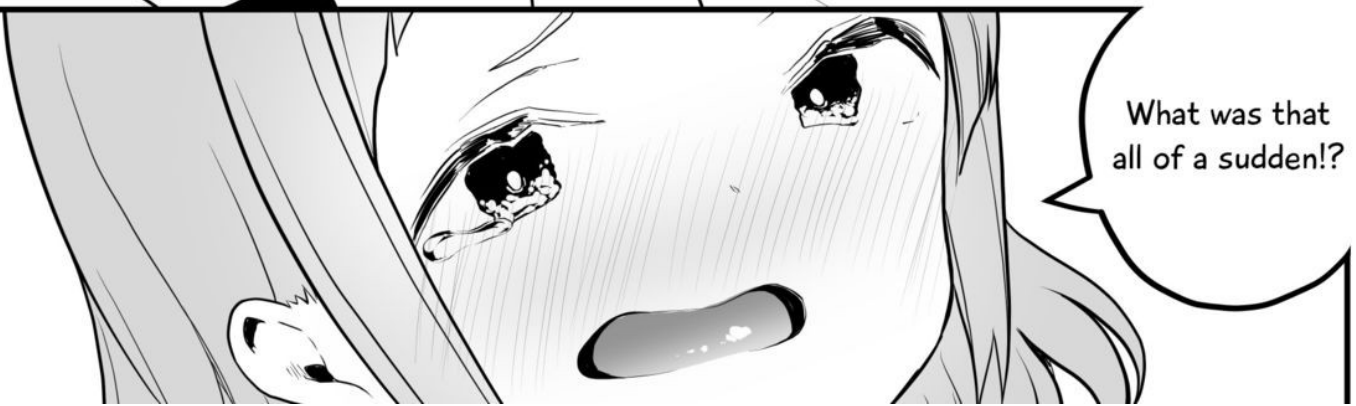

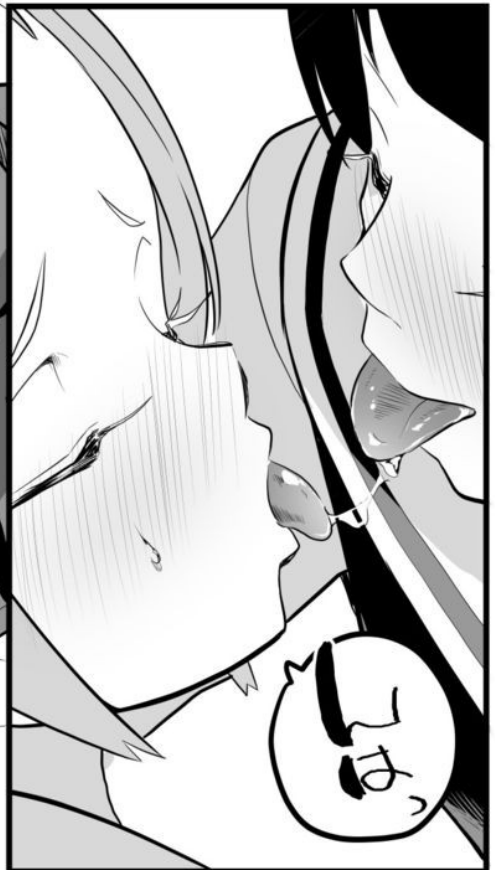

Kissing sounds

More kissing sounds

I love you!

Eh?

I love you,
Konomi!

I want to
hold your hand!

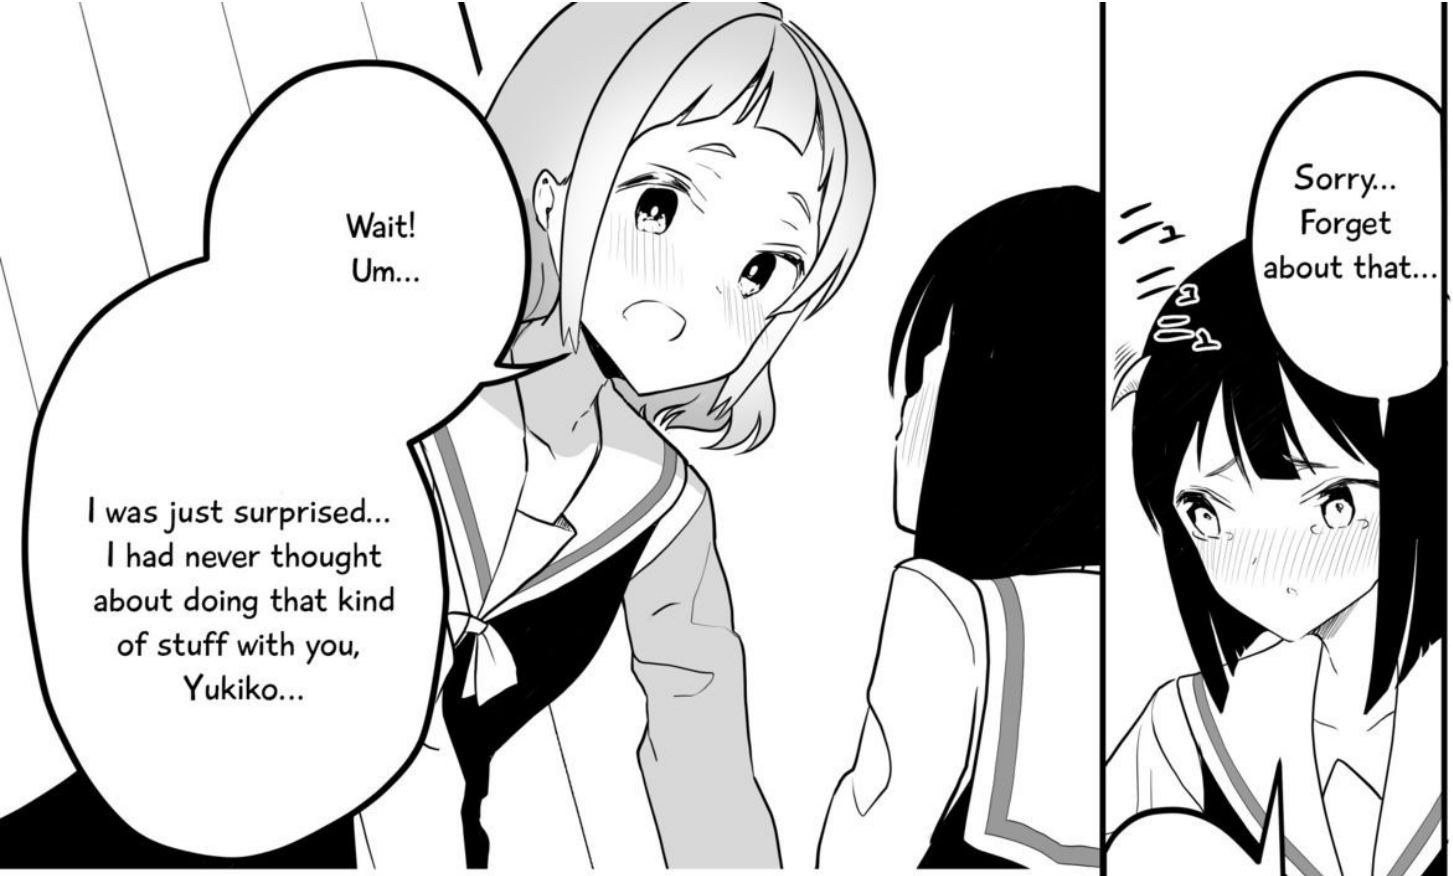

I want to
kiss you!

I want to
touch you
all over
your body

and be
touched
by you!

I want to do
more lewd
stuff too!!

I love you,
Konomi!

Wait!
Um...

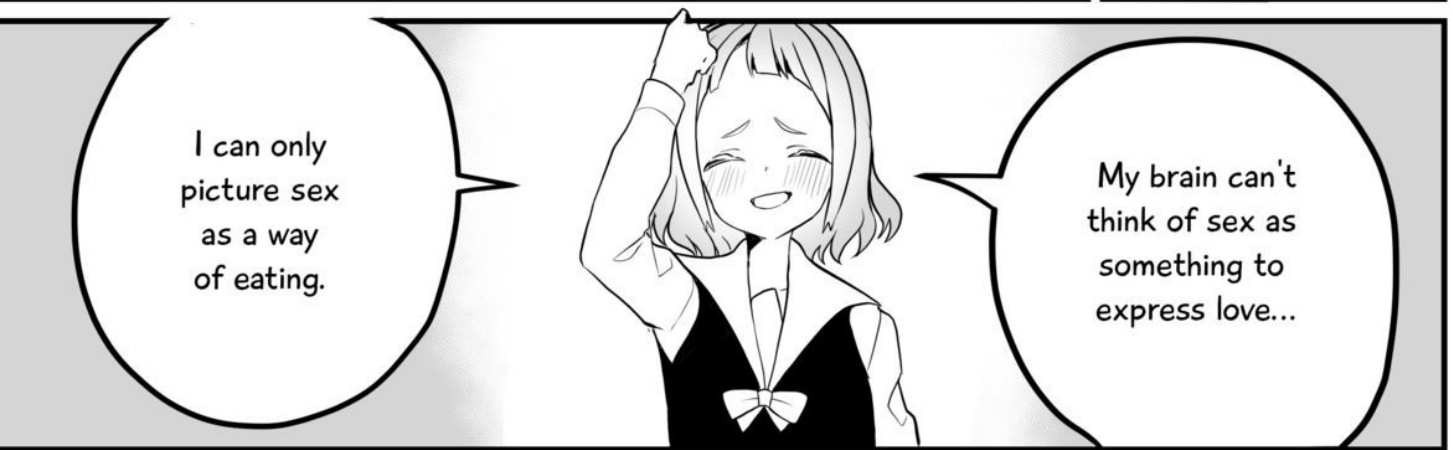

I was just surprised...
I had never thought
about doing that kind
of stuff with you,
Yukiko...

Sorry...
Forget
about that...

I knew it...

Even my wings
came out...

I can only
picture sex
as a way
of eating.

My brain can't
think of sex as
something to
express love...

You sure?

If it's with you,
Yukiko,
I can do it.

Yeah,
I can.

My heart
feels like
it's about
to burst...

Can you
tell how
nervous
I am?

Yukiko's...
are so warm...

Listen
to my
heartbeat
too.

When I move
my fingers
just a little,

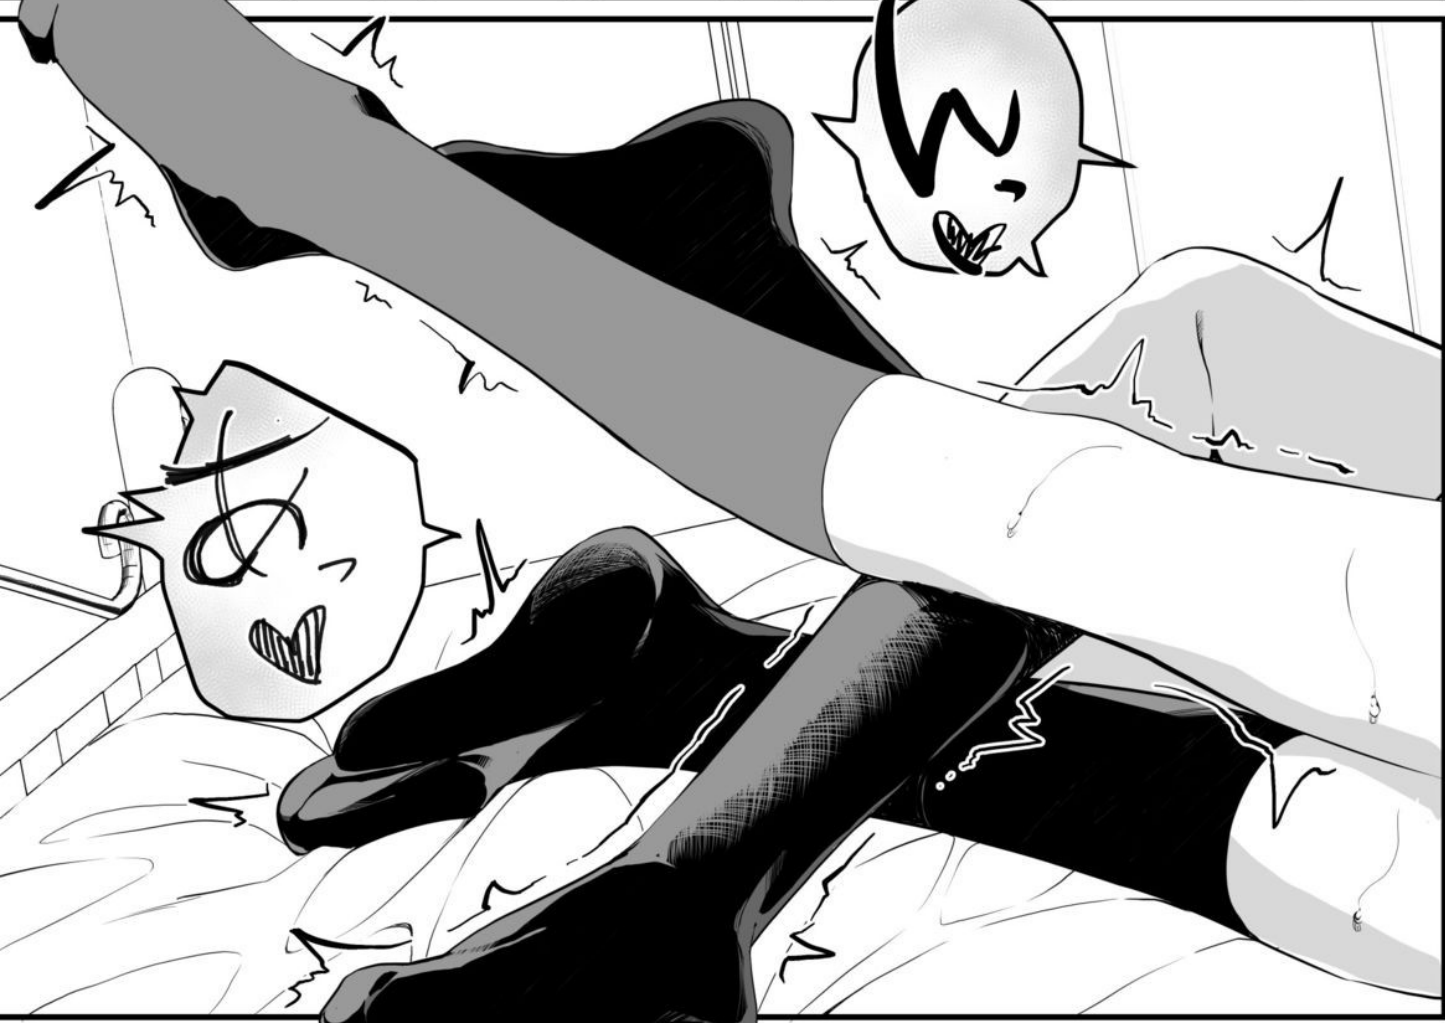

Konomi's
body
really
trembles.

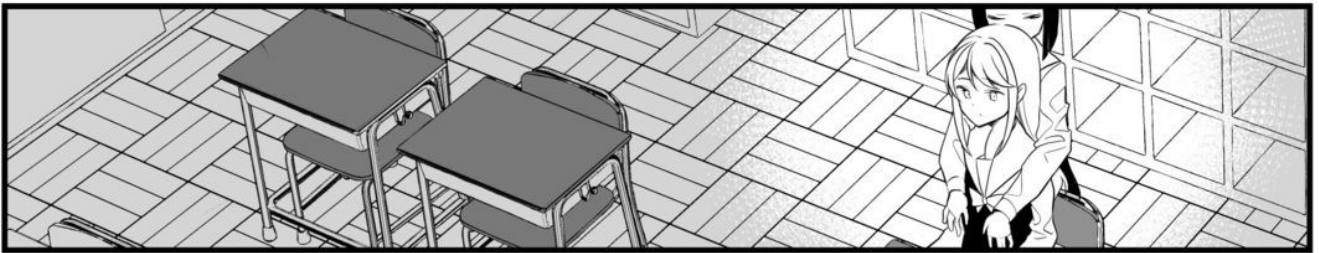

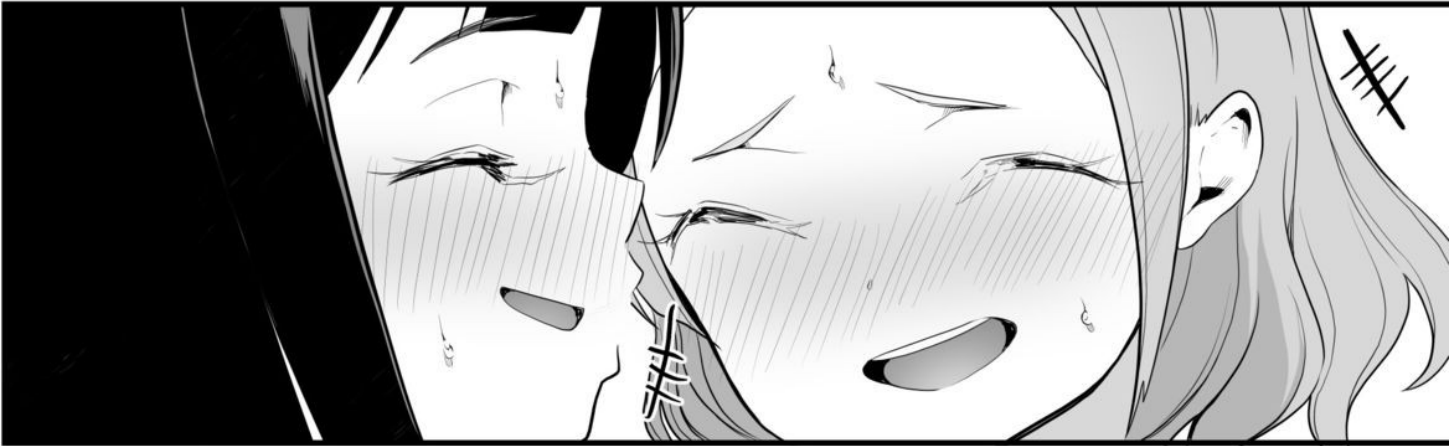

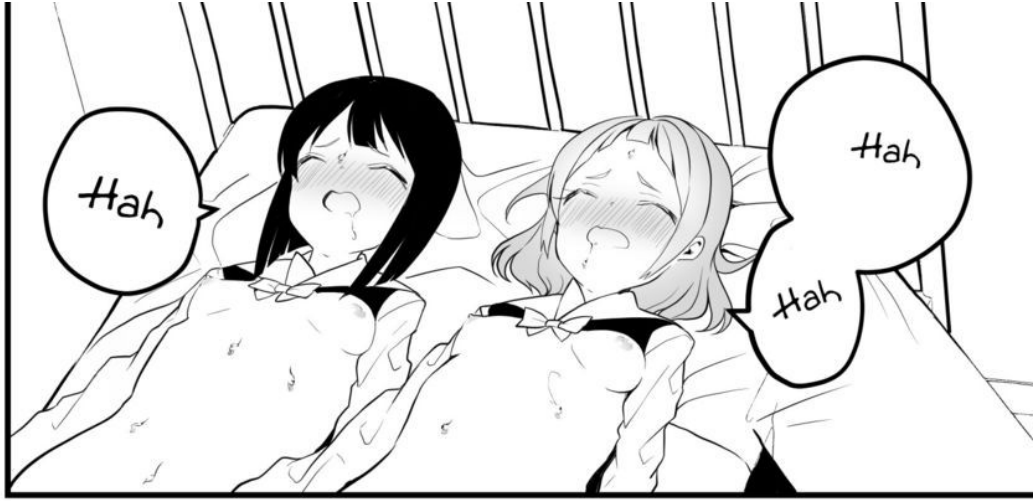

I can feel it
from my head
to my toes.

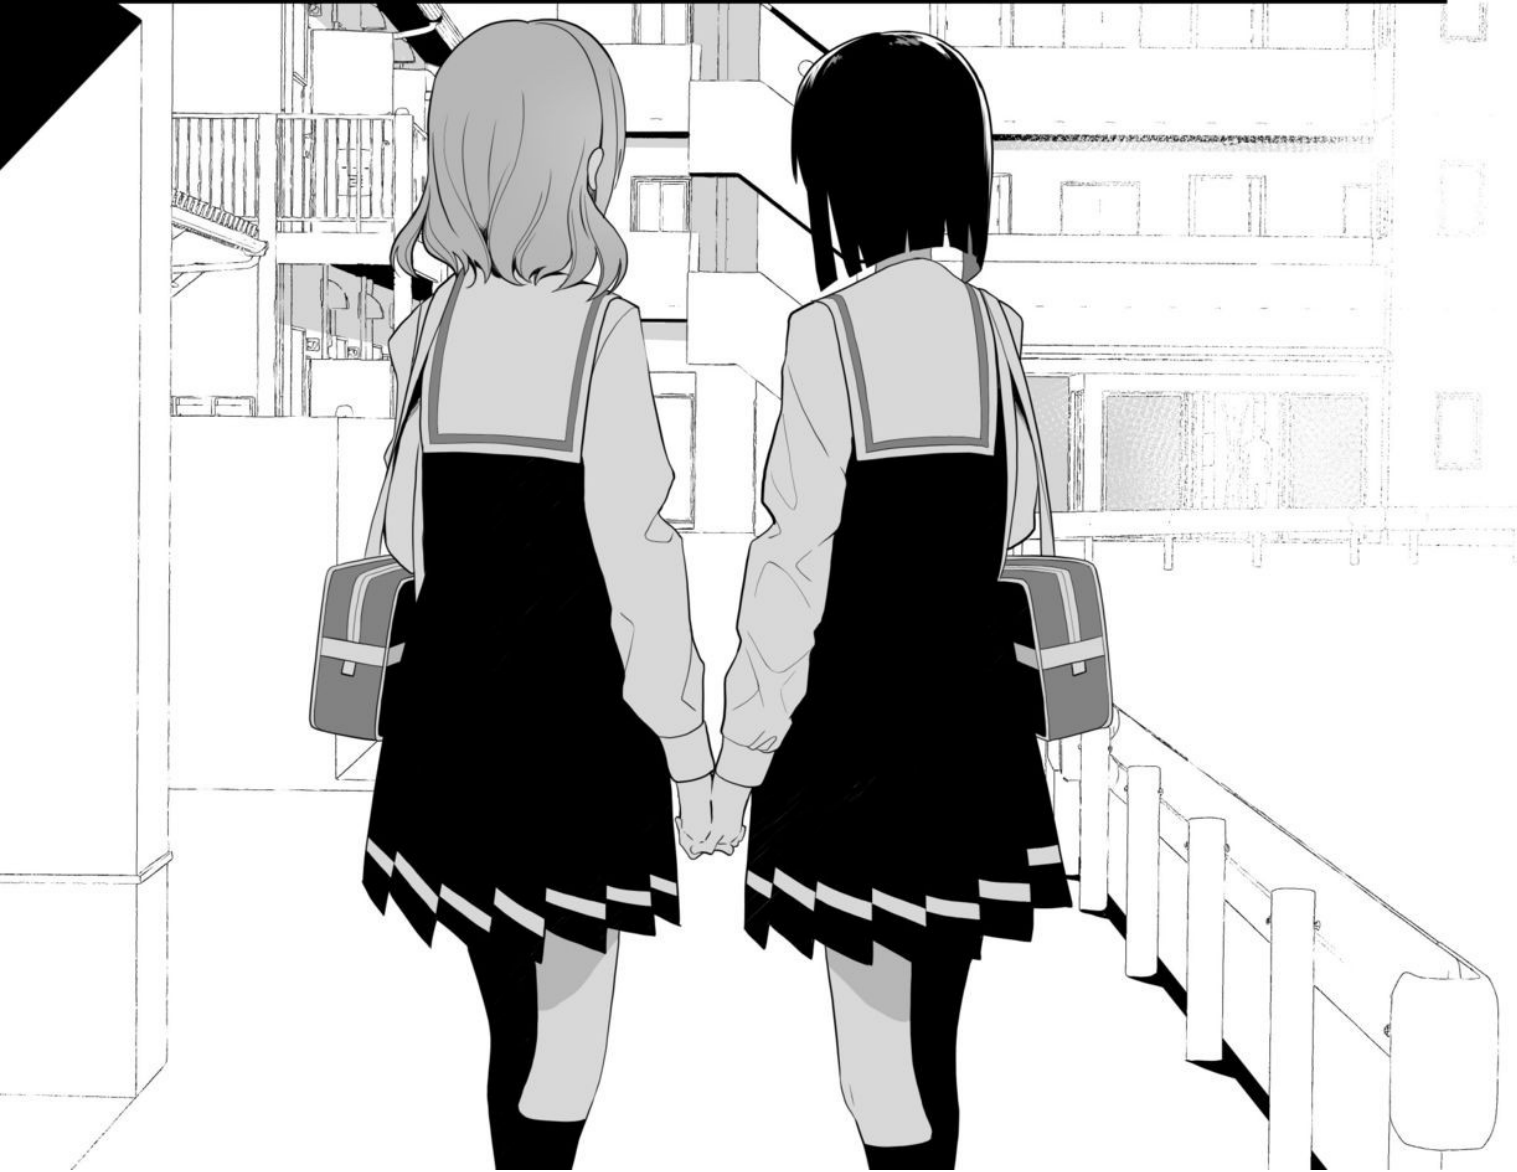

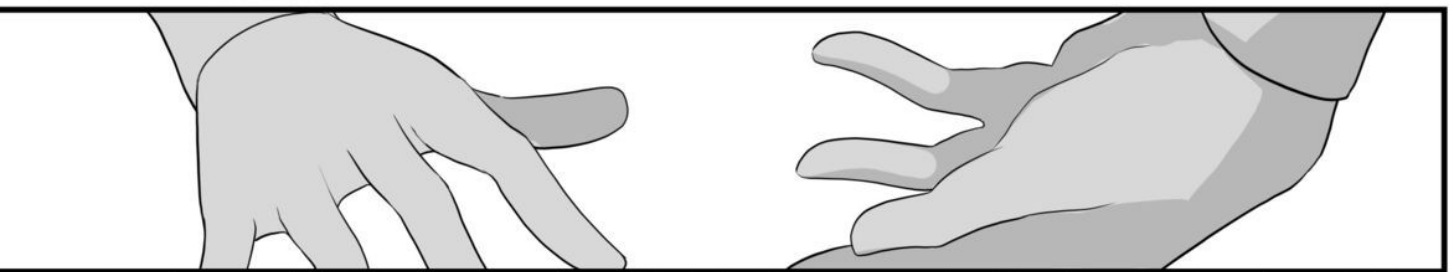

When Konomi
moves around
inside of me,

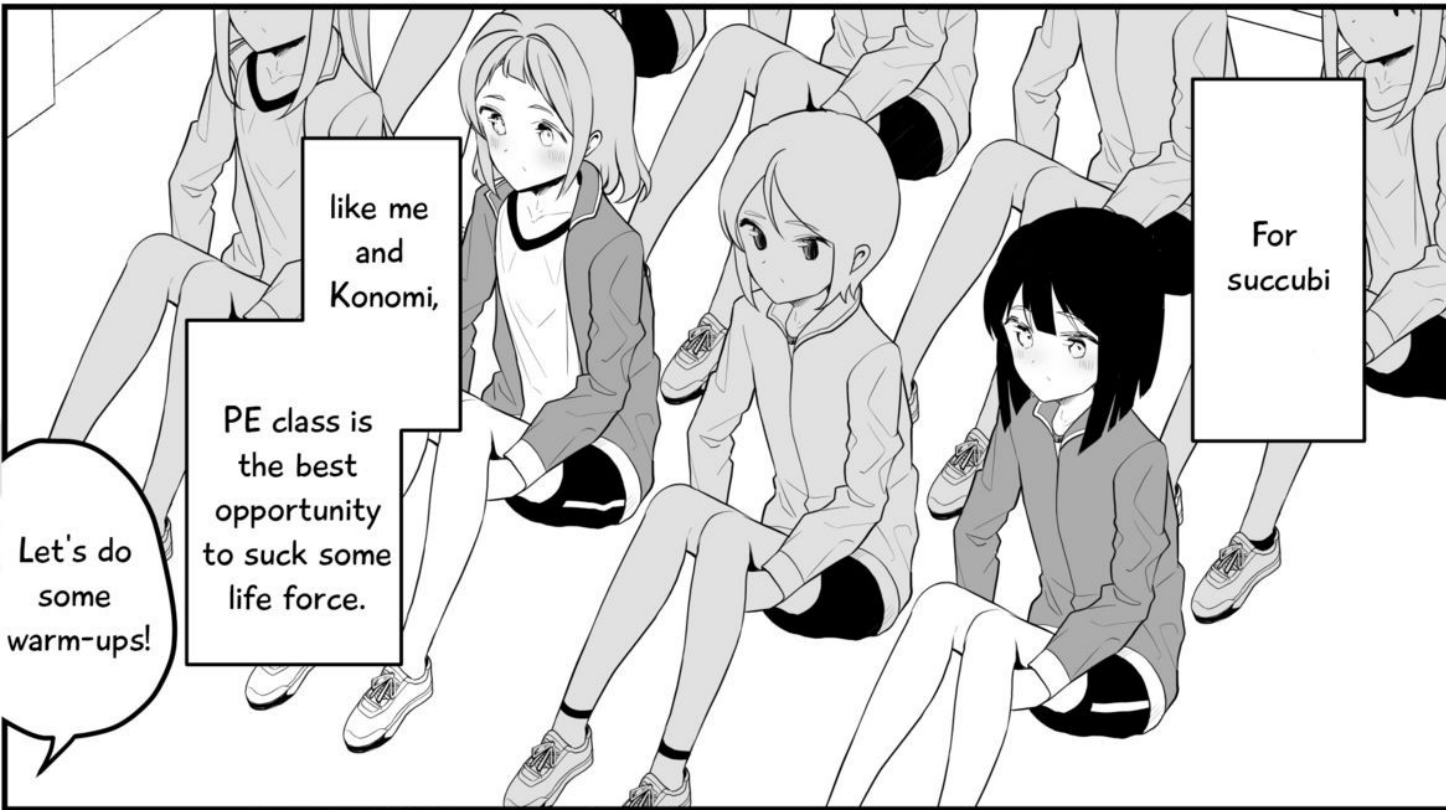

I love you

Let's do some warm-ups!

like me and Konomi,

PE class is the best opportunity to suck some life force.

For succubi

if I can cling against them, I can suck their life force, although how much I can suck varies.

Even if its over clothes, regardless of where it is on the body,

However

...

Fundamentally,
I only suck
life force
from Fuu-chan.

I have
multiple
reasons for
doing so.

It's because
she's my
best friend

and because
she has the
highest
quantity of
life force.

Okay, your
turn, Fuu-chan.

Just how
stiff are you...

Fuu-chan is
so annoying that
I can't suck her
properly.

OW...!
Ow!

I can't do it!
I can't do it!

...That's because I have you now, Konomi.

is kinda surprising.

Yukiko...

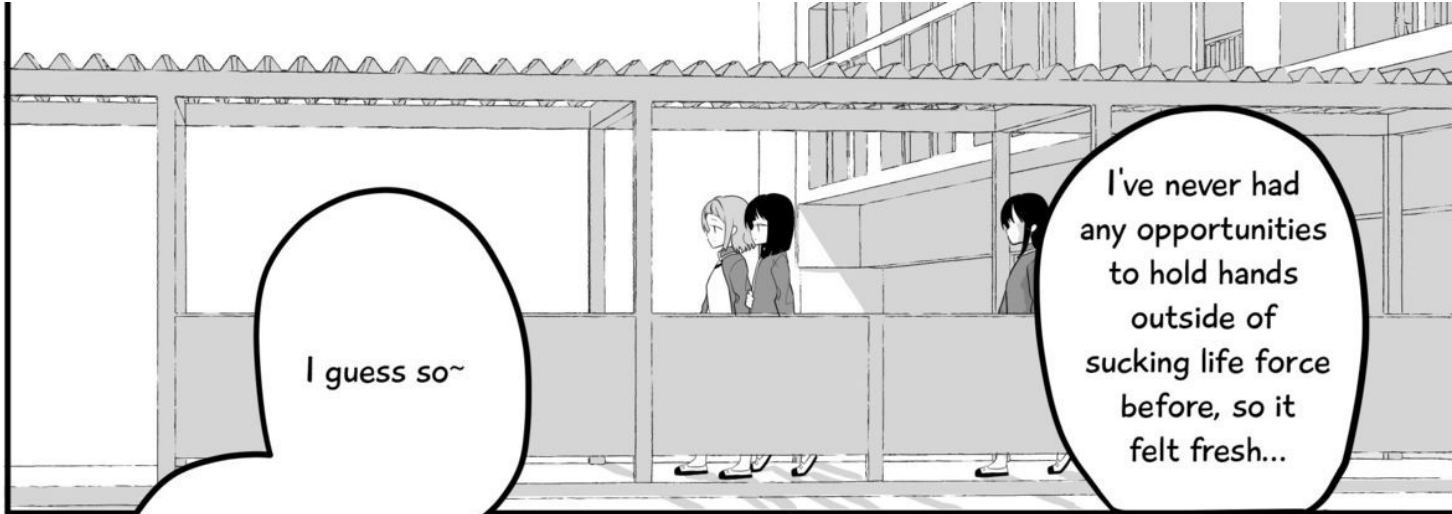

We weren't flirting!

Okay,

that's enough flirting!

.....

I guess so~

I've never had any opportunities to hold hands outside of sucking life force before, so it felt fresh...

It's a kinda different feeling when you're not sucking life force.

Hey.

Hm?

.....

It's hard to put into words, but I guess it's warm? Or something like that?

Yeah, that's it.

Erm...

I'm guessing that having sex feels different when you're not sucking life force too?

I don't know if you got the wrong idea or anything, but,

what happened the other day was a first for me, too...

Show me your face!

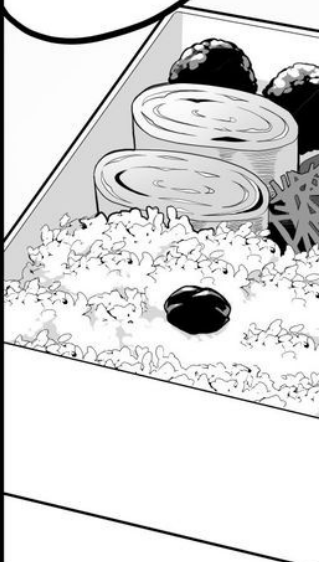

Don't look!

.....
Show me your face.

Eh?

What were you two talking about earlier?

I can't tell her that we were talking about sucking life force while having sex...

It's a secret between the two of us!

Succubi?
Of course not!

Your horns are showing.
Put them away already.

You mean the one about you two being succubi?

Sorry. I don't remember that at all...

I've lived all this time thinking that you didn't know anything, Fuu-chan...

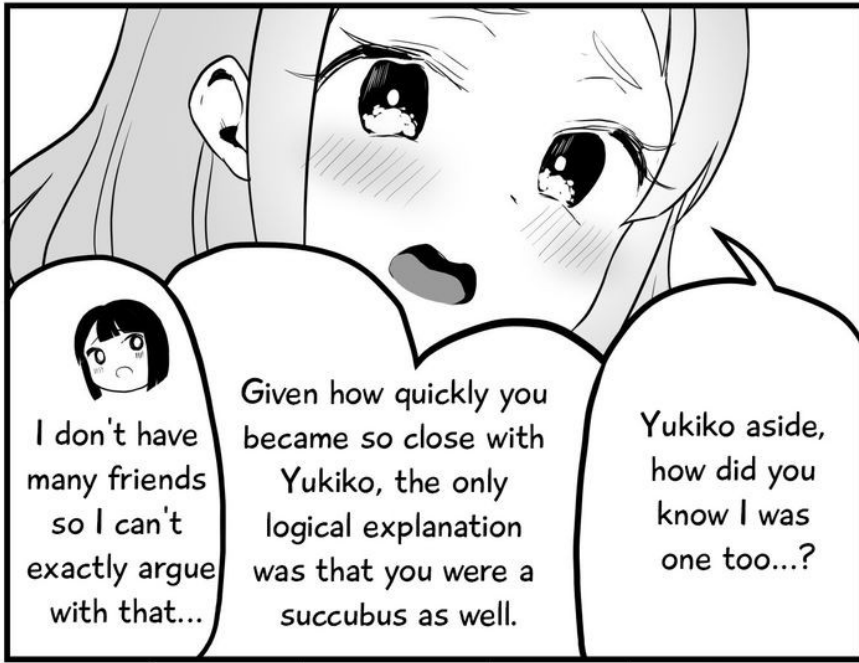

A long time ago,

you showed me your tail and wings, didn't you, Yukiko...?

Either that or you two had sex or something.

Just kidding

So you don't remember, huh...

 I don't have many friends so I can't exactly argue with that...

Given how quickly you became so close with Yukiko, the only logical explanation was that you were a succubus as well.

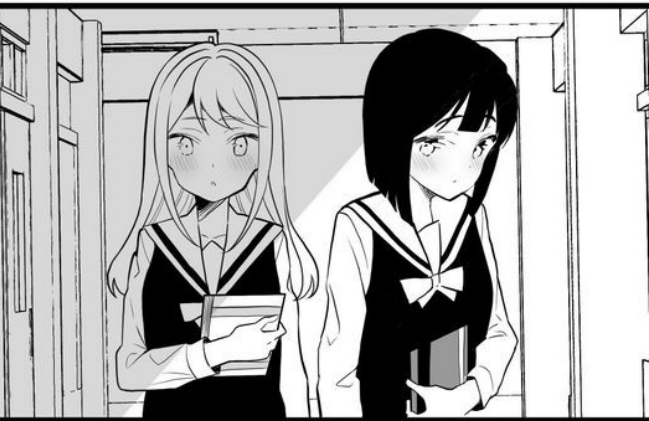

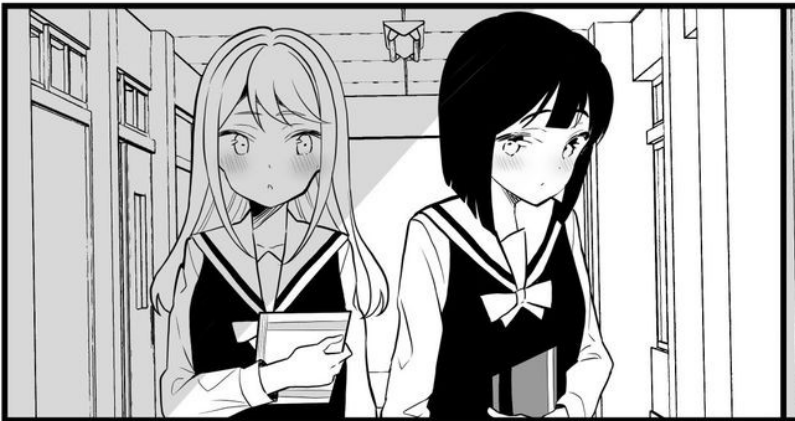

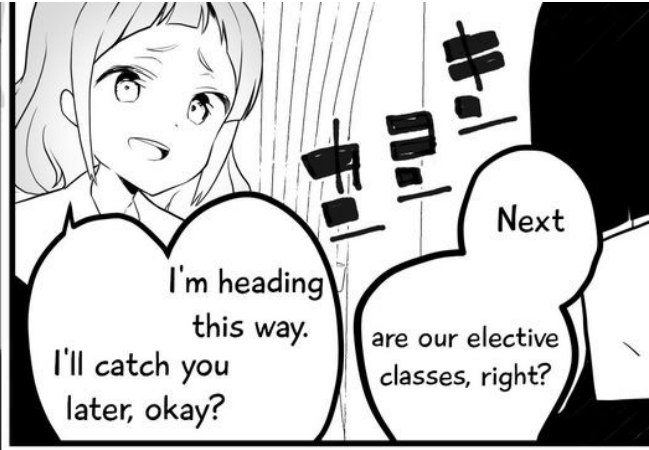

Yukiko aside, how did you know I was one too...?

Eh...
Aah...
I see...

...

...In the worst case scenario, we become unable to move.

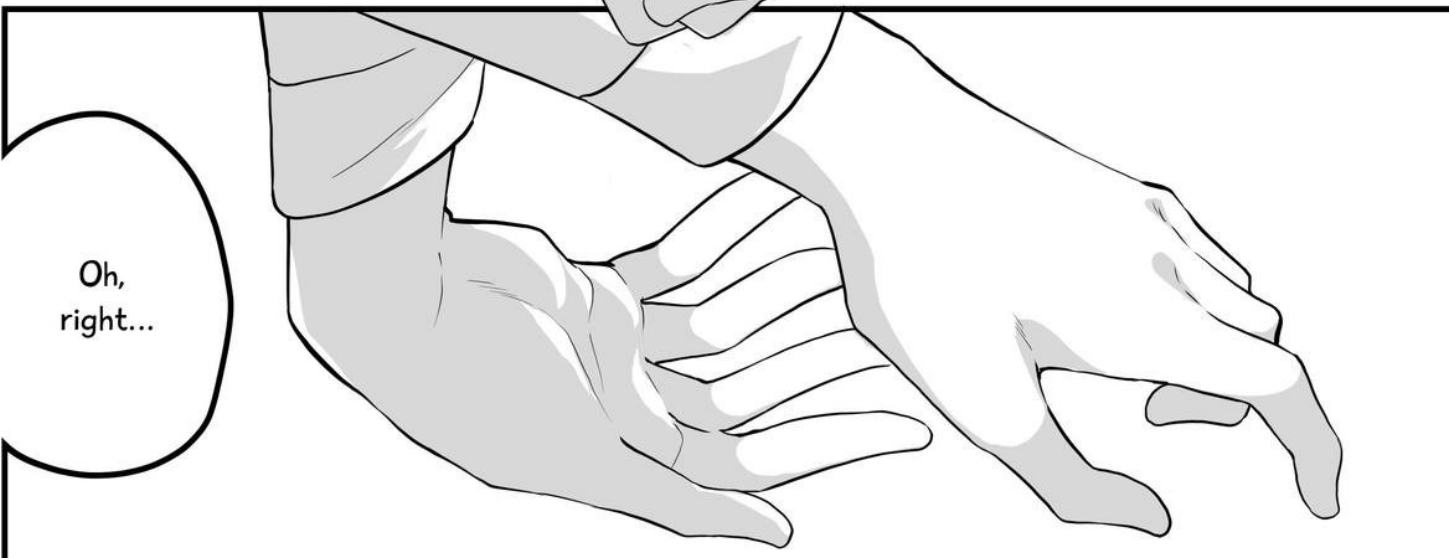

In that case... you should just go out with me...

multiple multiple

It's nothing...

Eh...?

あ、

Yesterday,
things got
awkward
between
me and
Fuu-chan.

Fuu-chan is
my precious
friend,
after all.

I want to
clear the air
between us...

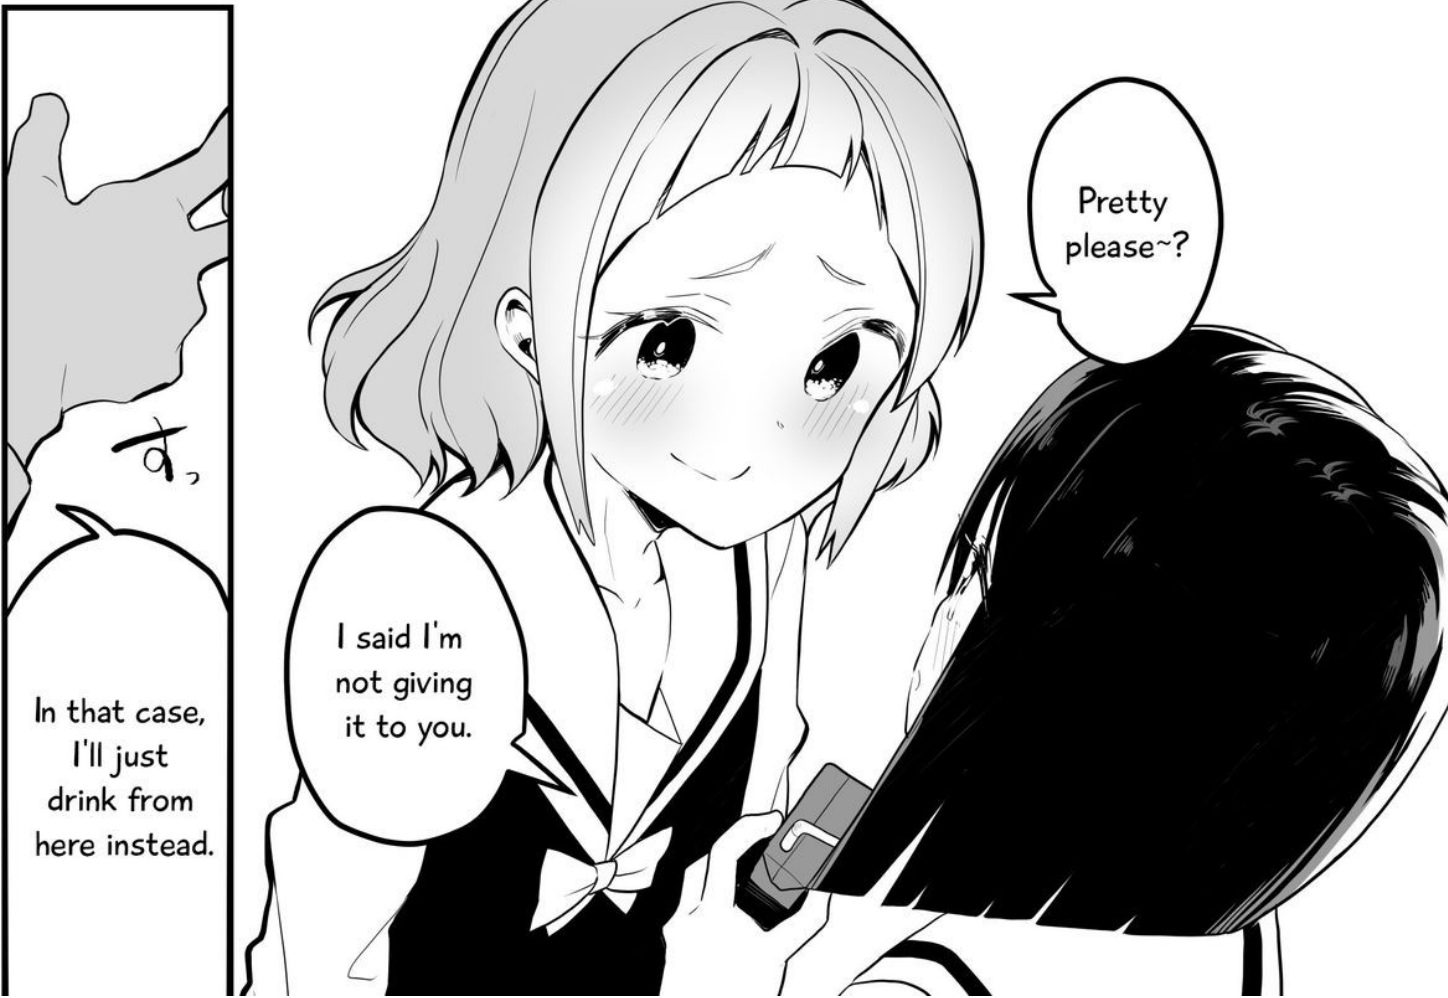

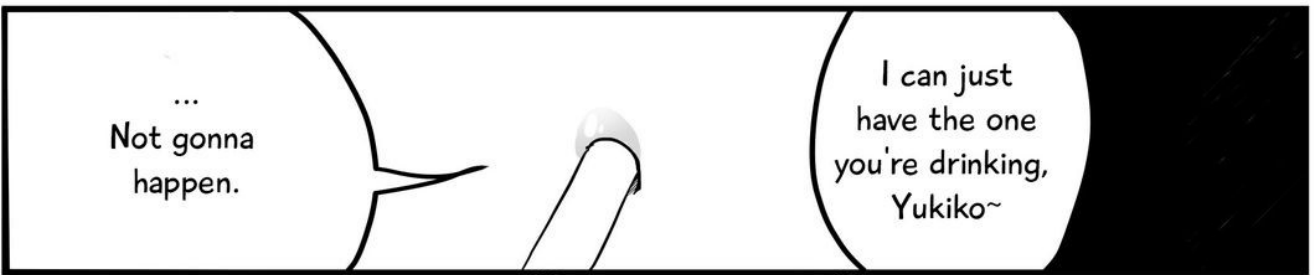

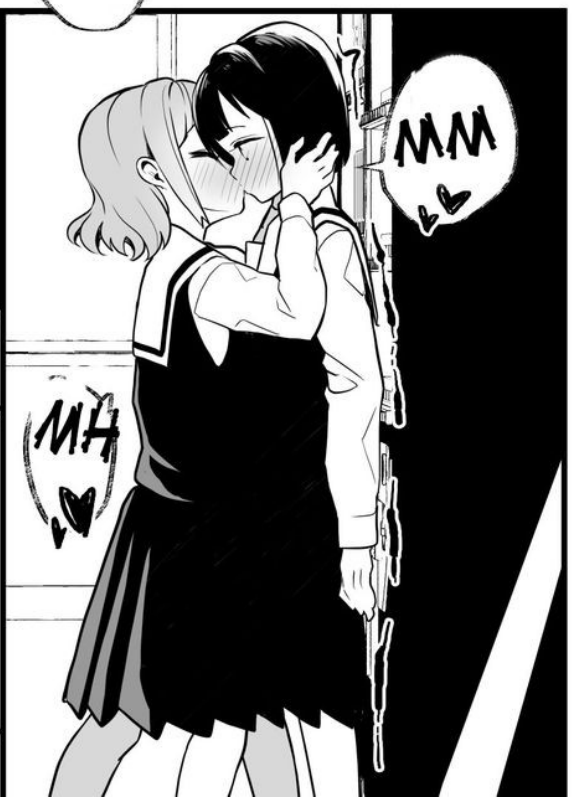

Yukiko~
○○○

I believe it
was during
elementary
school...

Come to
think of it,
how did I
become friends
with Fuu-chan
anyway...?

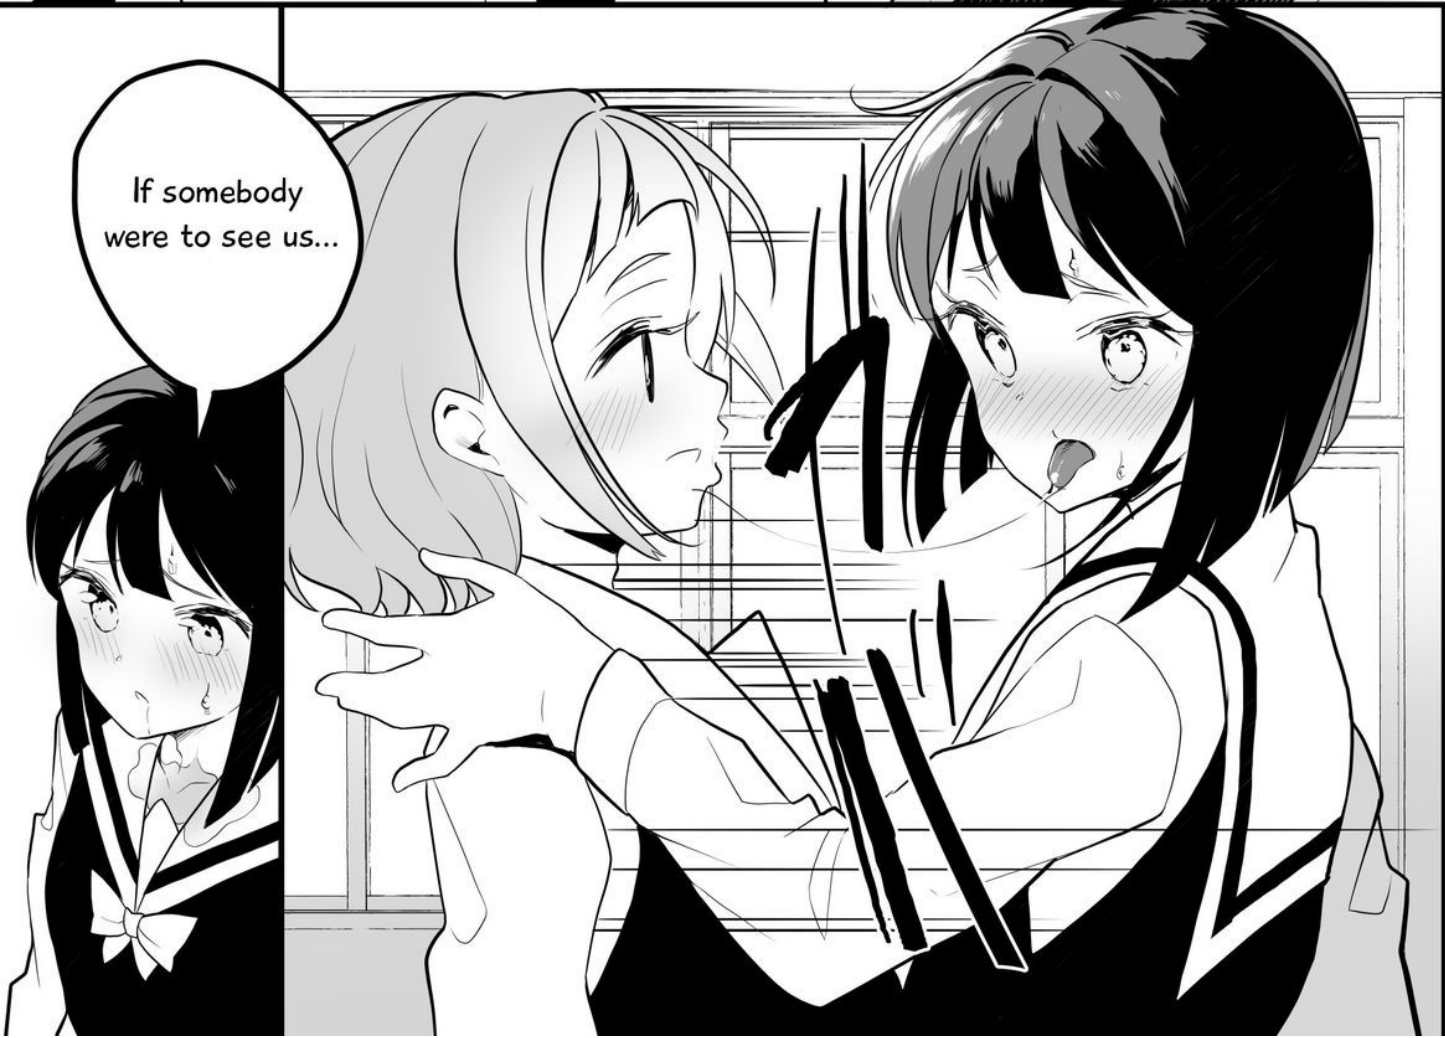

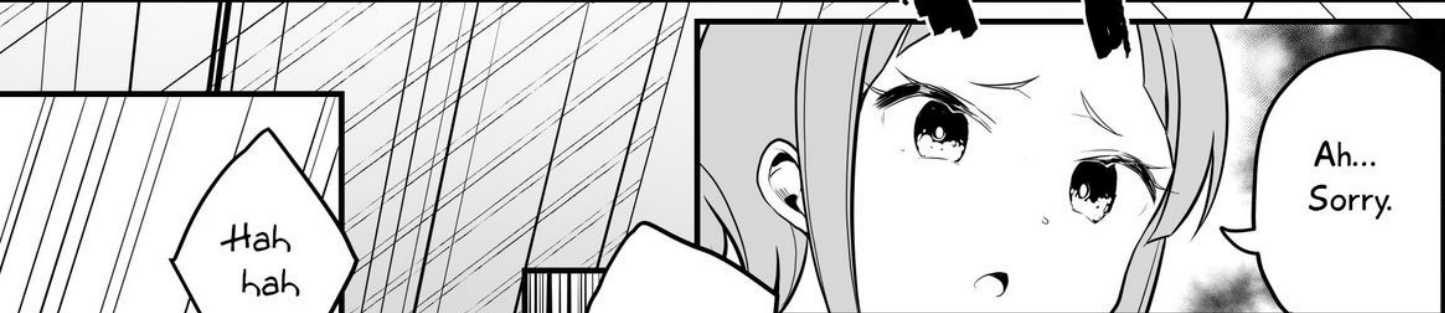

For someone
telling me to
stop, you sure
are wrapping
your tongue
around mine
a lot.

If somebody
were to see us...

Fuwa-chan...

Sorry for surprising you...

I was lonely.

I hated being by myself.

What's this all of a sudden ...?

You might not remember this, Yukiko,

was bullied back in elementary school.

but I

If you get involved with me, you'll also...

Are you sure...?

Here comes goody two-shoes.

Tch.

Stop that!

I'm not "you".

I'm Ootsu Yukiko.

Yukiko...

Yukiko.

Eh?

I want to get along with you Yanigahara-san.

I'm different from everyone else too.

I'm different from everyone else since I'm so slow...

I'd only bother you too, Yukiko-chan...

You've been
so kind to me,
Yukiko,

that I don't want
to let you go.

Now that I think
of it, you
probably got
close to me to
suck my life force,

but it's because
of what you said
that I could bid
farewell to
my loneliness.

Don't
worry
about
it.

As just your
livestock to
suck energy from?

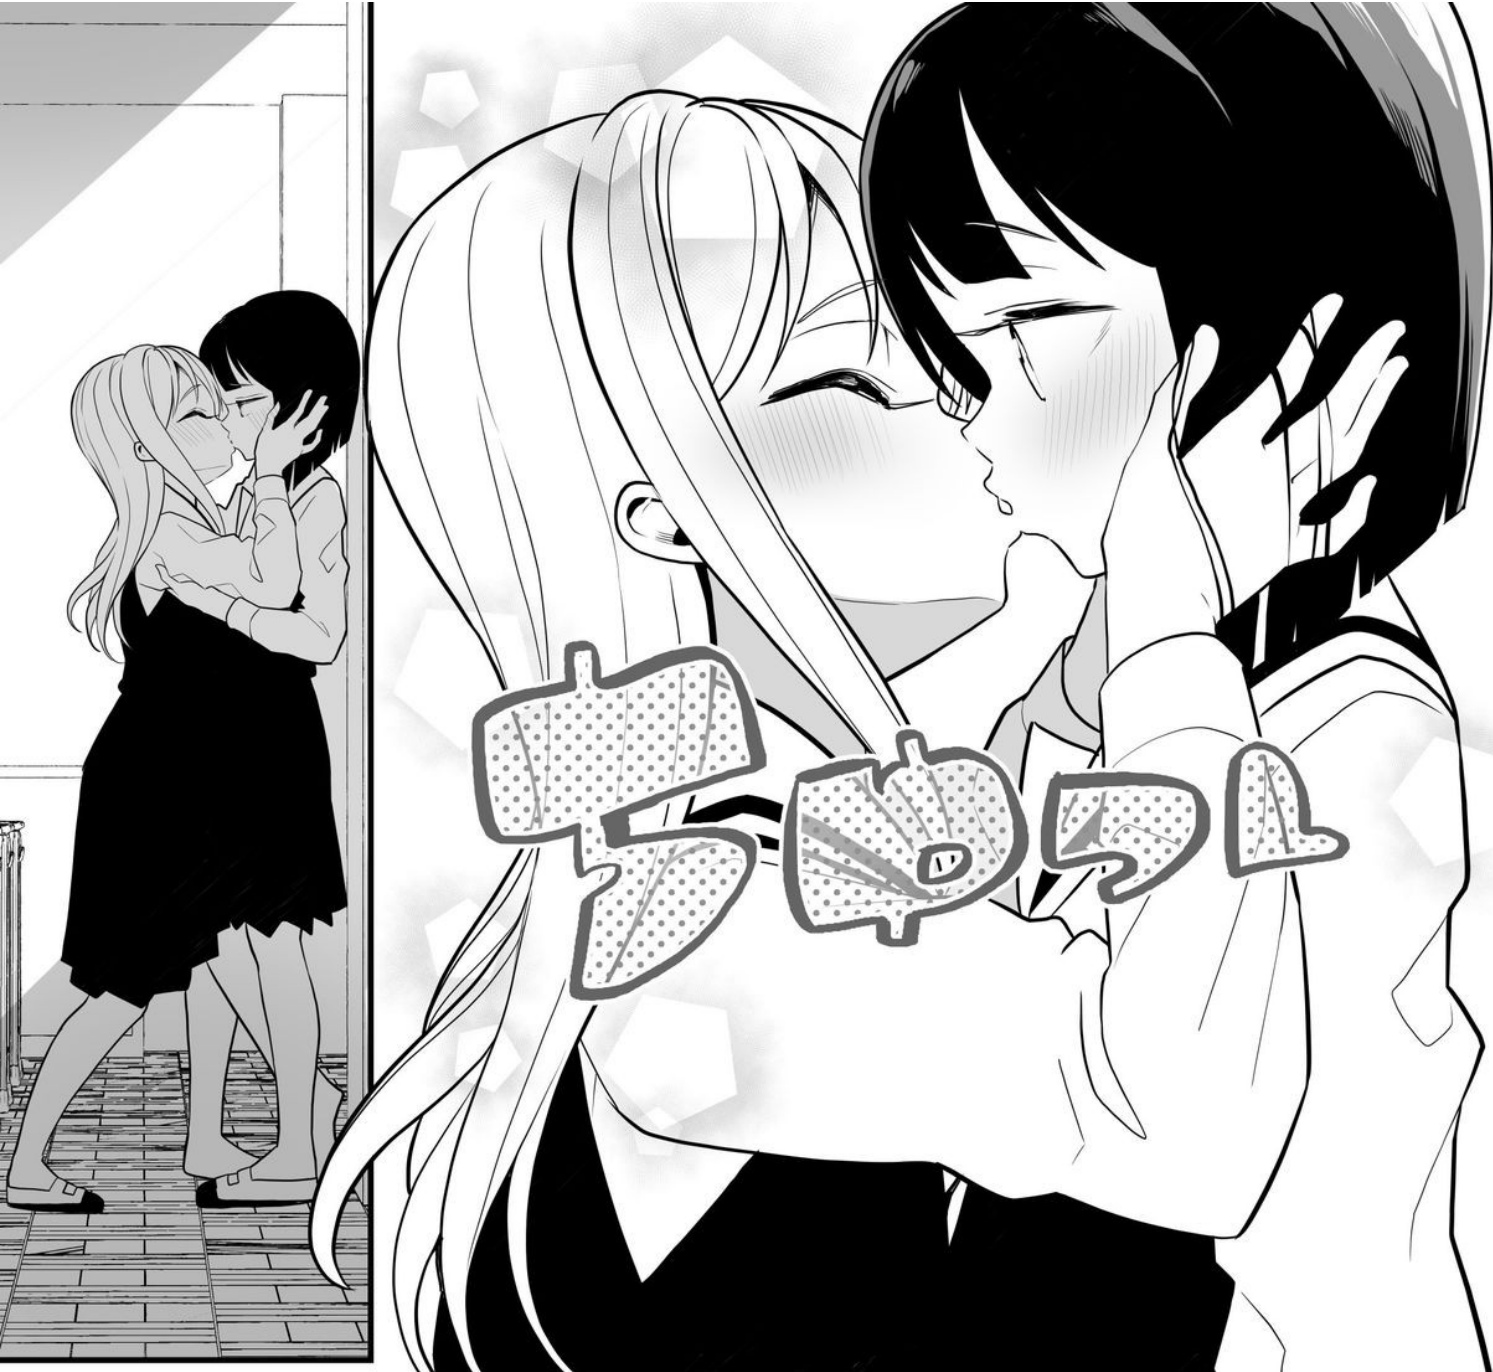

That's right,
Fuu-chan...
I want you to be
with me forever...

Well I can't be
satisfied with just
being your friend!

No!
Because
you're
my friend!

Yukiko.
I love you.

.....

Is it wrong for me to devote my body and soul to you, Yukiko?

Why choose Konomi!?

Choose me!!!

Fuwa-chan...

I won't give you any life energy if you don't go out with me.

That's...!

...

Why is that?

Because you lost your meal?

At least try to object...

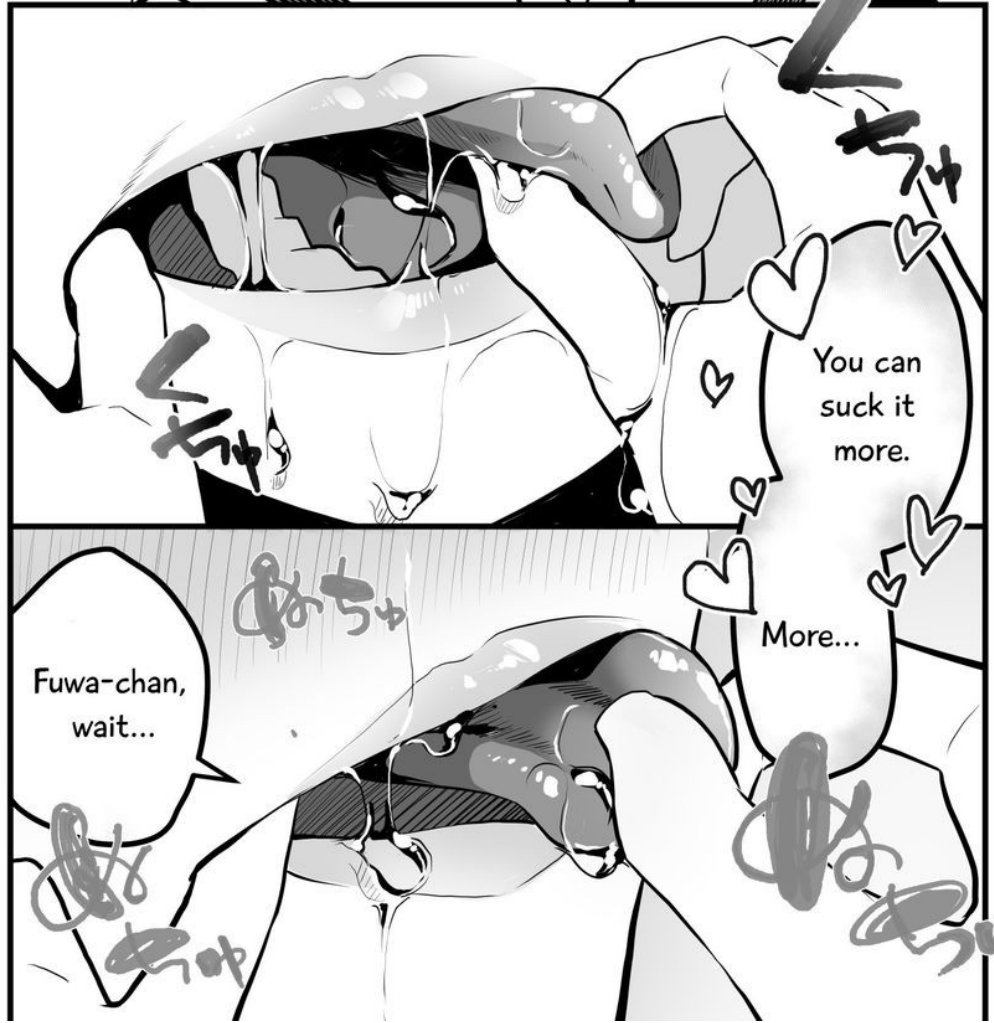

Right now, you're making such a troubled expression...

Is my life energy delicious?

I'll keep pouring it in until your belly is full...

You can suck it more.

More...

Fuwa-chan, wait...

♡ You need me, after all. ♡

♡ I won't let anyone have you, Yukiko... ♡

...

No objections, I see.

Wah!

Since you know my taste, Yukiko,

you can't let go of me, can you?

AH

That's why you've been sucking my energy for nearly 10 years, isn't it?

NG

PHWAH

It's increased in flavor too...

That's not what I meant!

That's why I can't deny that your life energy has increased, Fuwa-chan...

You're wrong! It's because you're my friend...

that I've been sucking you all this time.

The "friend" I know wouldn't do this kind of thing.

Eh...? is over.

In that case, feeding time

I sure am hungry...

Life energy...

I want to suck her life energy...

You can't leave me hanging like that...

You'd only do this

if you were more than a friend a lover or less than one a slave

Yukiko? What did you say?

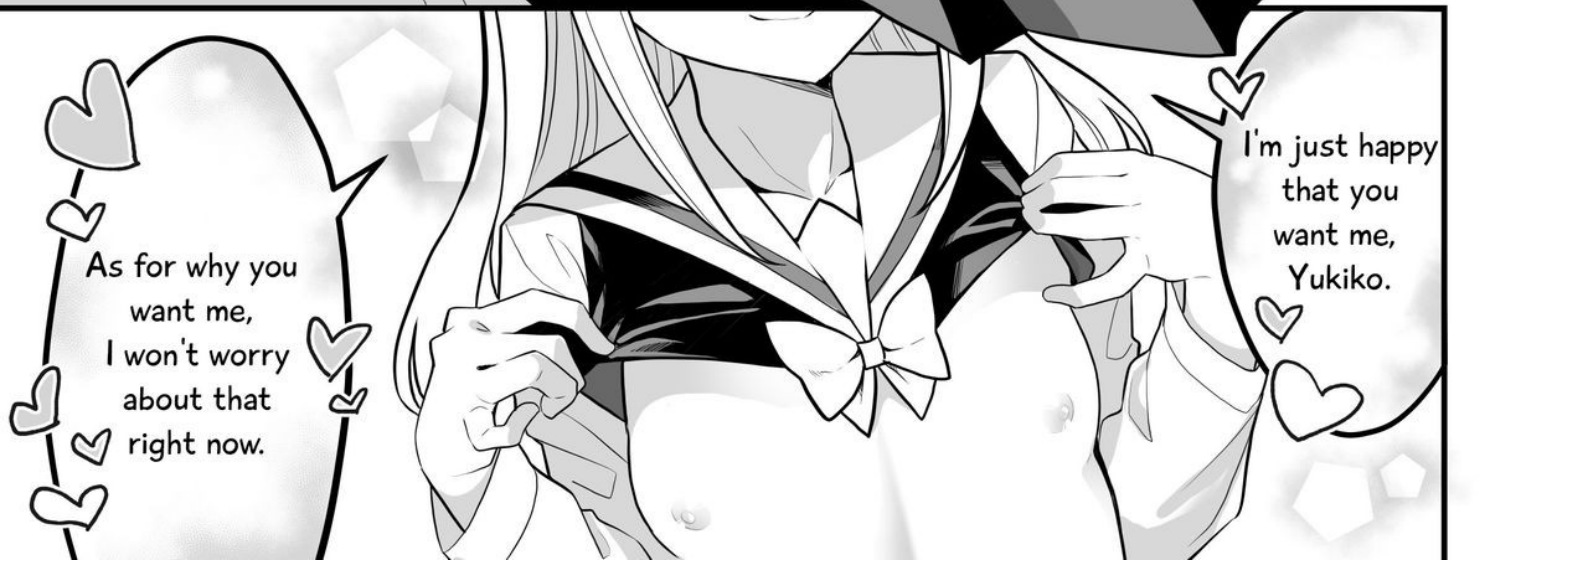

Fuwa-chan... I want more...

I want you,
Fuwa-chan!

Very well
done.

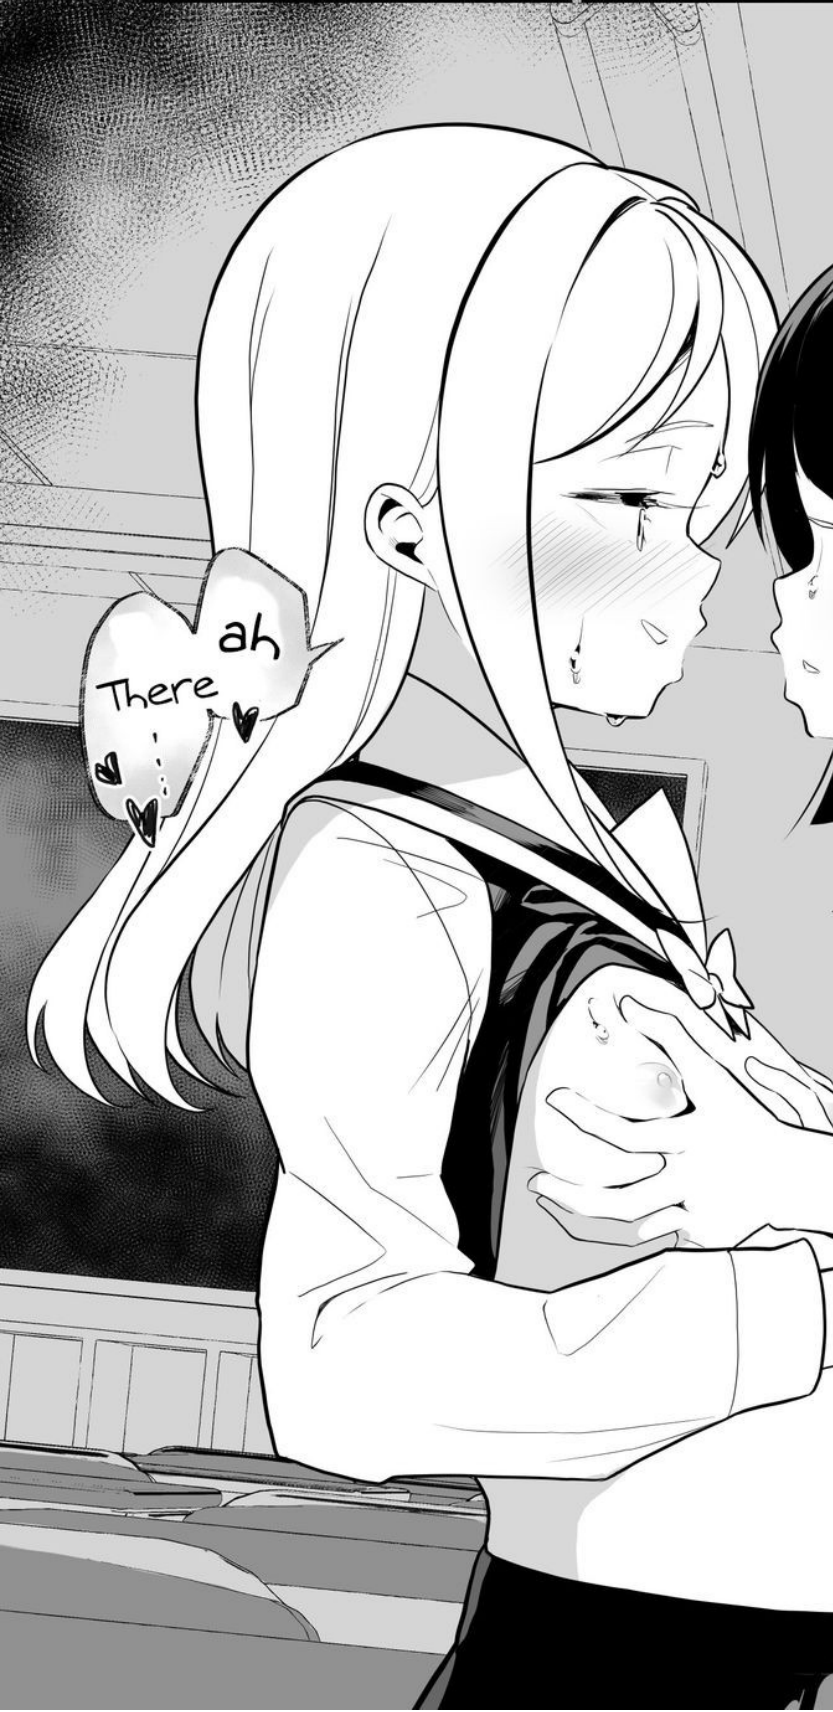

As for why you
want me,
I won't worry
about that
right now.

I'm just happy
that you
want me,
Yukiko.

Even if you only want me for my life energy,

NNGH

My life force
is delicious,
right?

Yukiko.
I love you.

AH

CUMMING!!

AHH

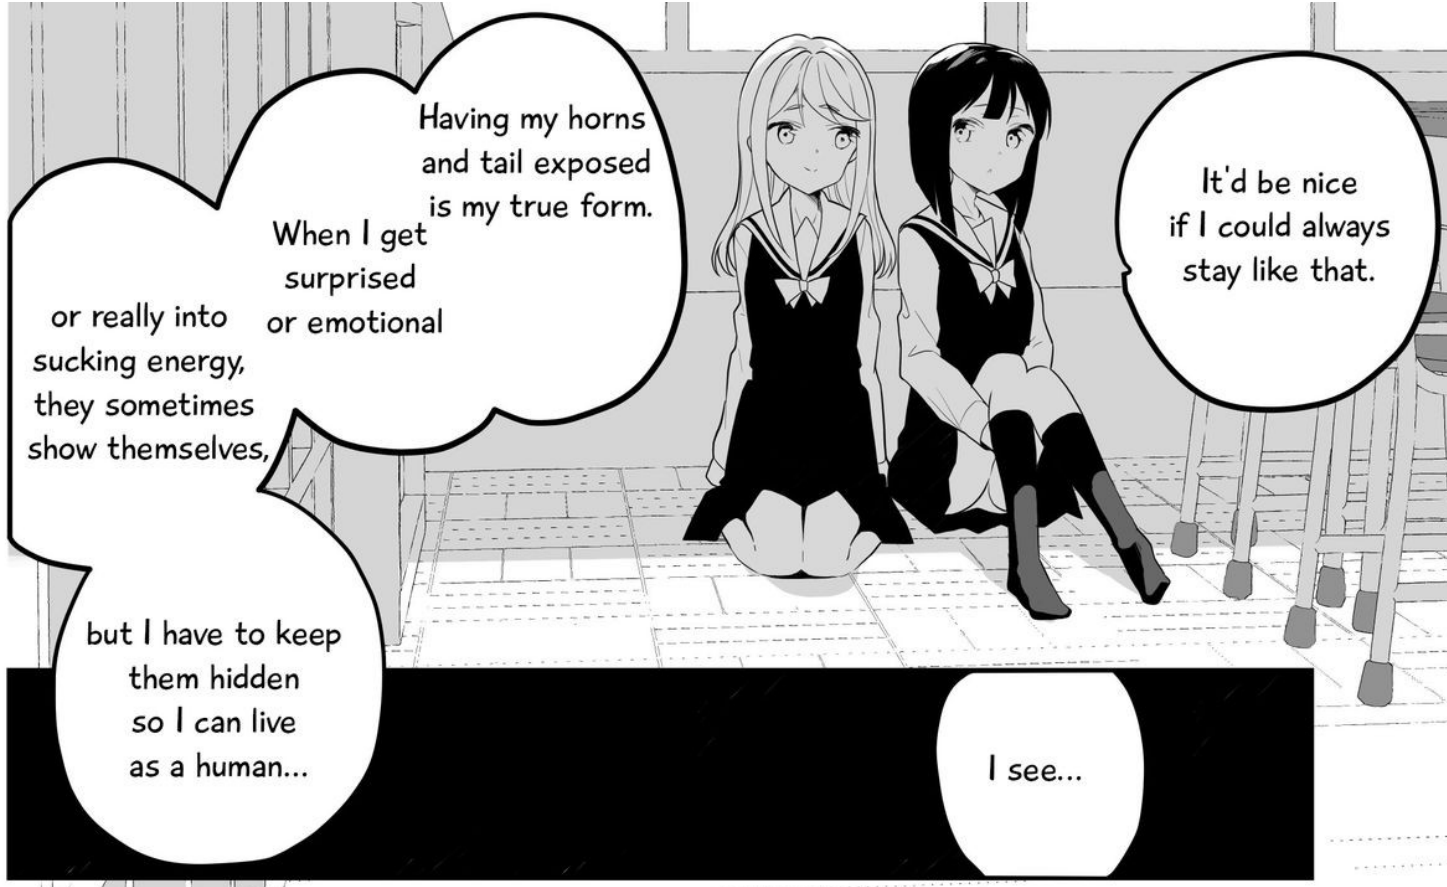

Your succubus form is cute too, Yukiko...

At the same time, I couldn't hold back my curiosity about what feeling good together would be like.

extremely pleasant...

I felt disgusted in myself

for finding sucking energy by having sex

Having my horns and tail exposed is my true form.

When I get surprised or emotional

or really into sucking energy, they sometimes show themselves,

but I have to keep them hidden so I can live as a human...

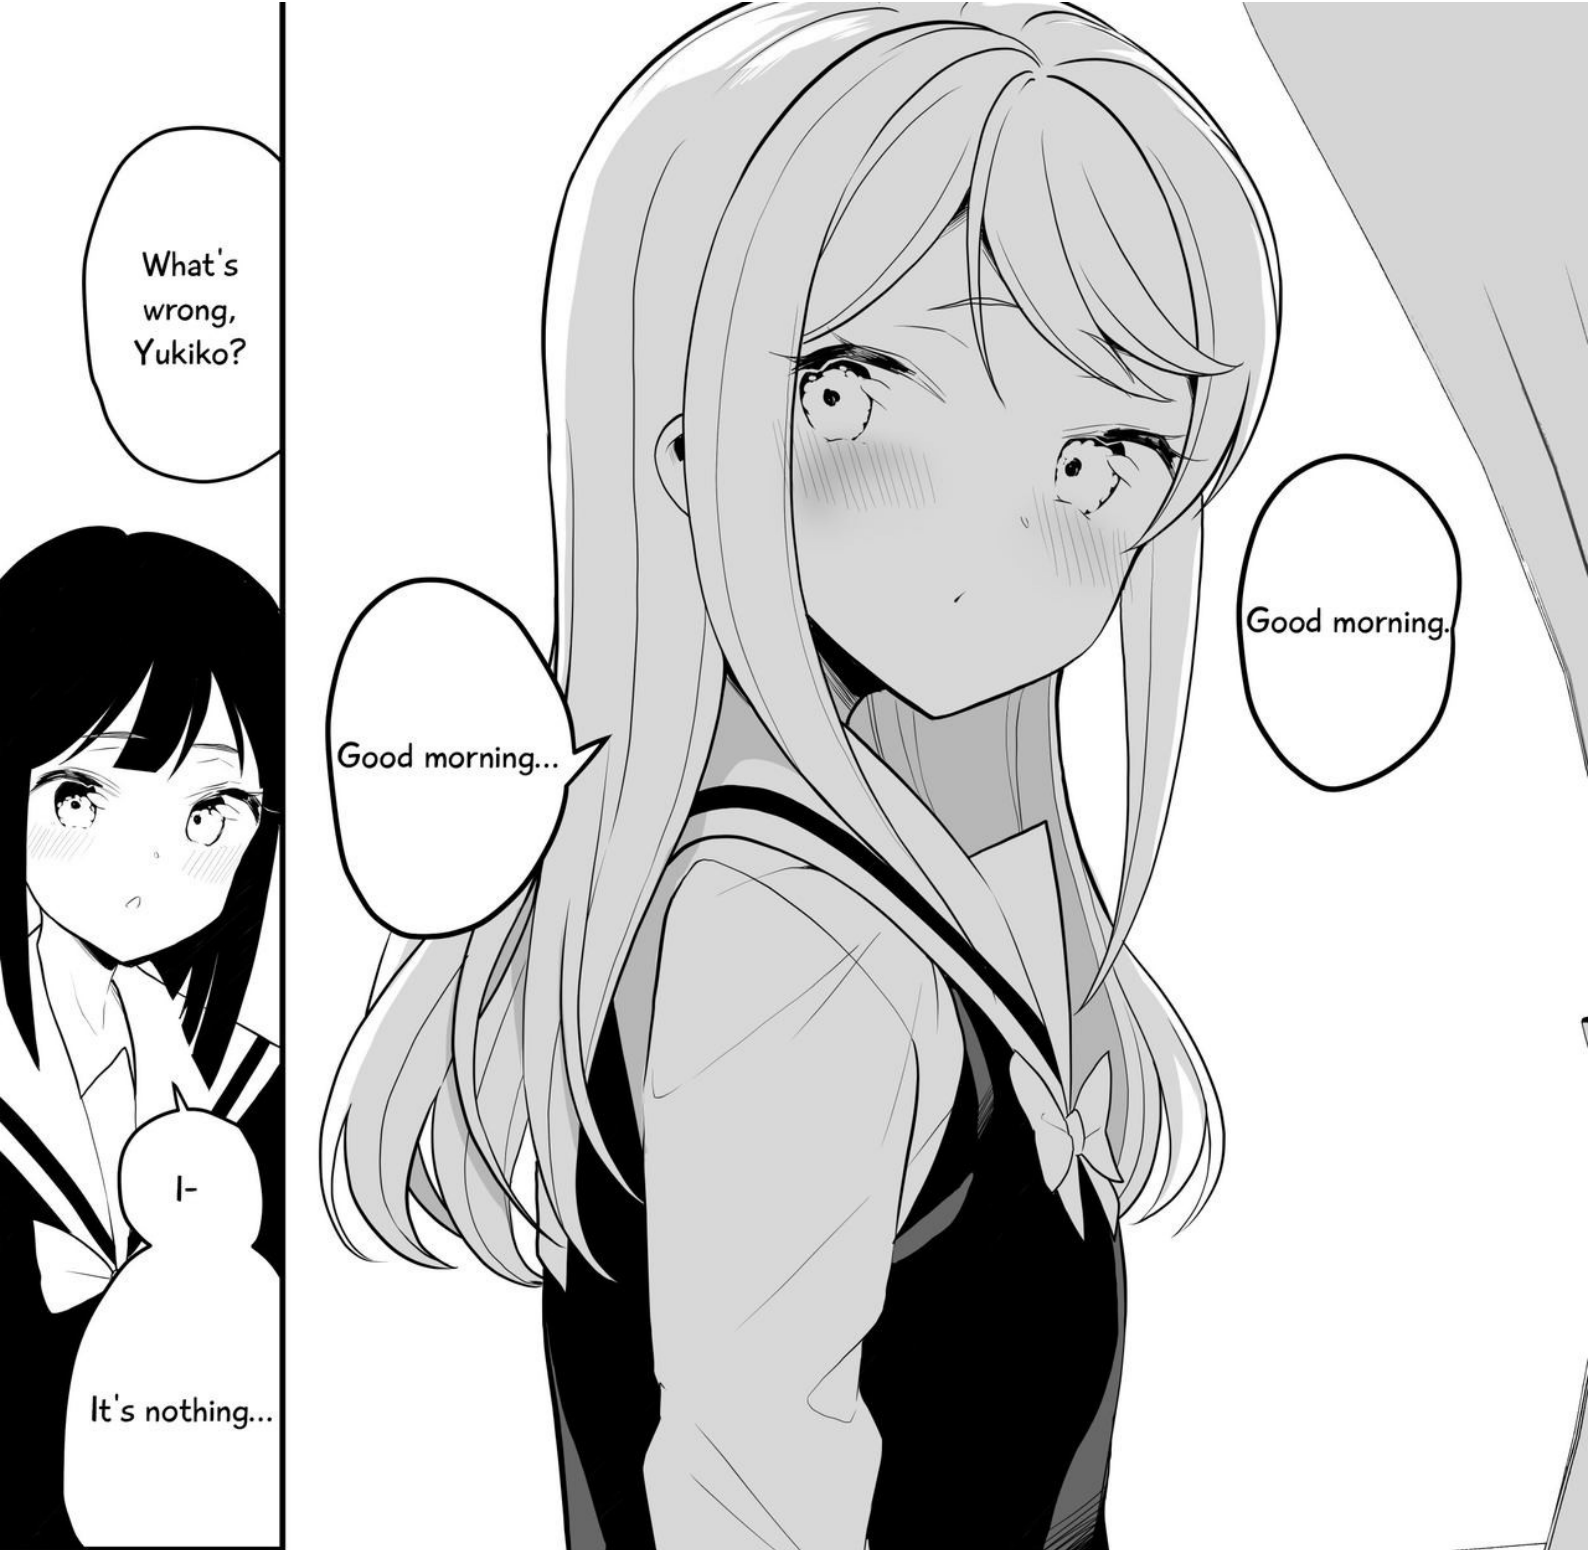

It'd be nice if I could always stay like that.

I see...

Fuwa-chan.

What's wrong, Yukiko?

Good morning...

Good morning.

I-
It's nothing...

As if there was nothing.

She made a face as if nothing happened...

Afterword

This is the second volume of Succubus Yuri.
A story about Yukiko and Fuwa-chan.

You don't often see situations where
a succubus is assaulted by a human,
so I wanted to try drawing that.

I'll try and think of how to continue it.
