published by RakuRaku

Comiket may be cancelled, but this doujinshi wasn't! This is the 11th volume in the Noja Loli Babaa Kitsune sama series! I'm honestly surprised I managed to keep with it this far...

Thank you all for your support!

This time, I've made Kuro-sama into a highschool student...

Even though she doesn't have ears or a tail in this, she is still the same kitsune deep down!

Whether you're new to her or an avid fan, I hope you all enjoy this doujin!

(Other doujinshi in the series that were not included in the tankoubon)

HER TITS ARE ALSO NICE AND HUGE

AND REALLY CUTE TOO

KURO-SAMA... NO, KUROSAWA VANISHED

I THINK I JUST GOT TRICKED BY A KITSUNE

YOU SURE THERE'S SOMEONE IN OUR CLASS LIKE THAT?

KURO-SAWA?

What's up with you anyway ...?

Thank you so much for reading the 11th volume in the Noja Loli Babaa Kitsune-sama series, "Noja Loli Babaa Kitsune-sama ga JK Dattara"! It's been quite a while since I made a doujin with just Kuro-sama in it...! With Shiro-sama being more popular, I hardly ever have the chance to make a solo book with Kuro-sama, so this volume is for all of her fans out there. oppai lolis! oppai lolis! And for those who aren't big fans of Kuro-sama but still bought this anyway...

Thank you so much! This time I drew lots of tiffucking like I did in the last volume. But, this is the first time I've drawn a tiffuck in a highschool setting. or, at least I think so. Looking back, I had some bittersweet memories of my time in highschool. What about you...?

By the way, I always make exclusive merchandise for every comiket, and this time every doujinshi copy gets a free omake postcard! Pretty generous of me! I even included a video of me making it! Just read the QR code on the postcard to view it. As of now, my youtube channel now has 879 subscribers (with around 1,000 views per video)! A lot of you sure like to watch me sing! All the songs on my channel are written, composed and mixed by me! I even made my own Vtuber model, Chinpochi-Chan! In addition to my singing, I also livestream myself drawing fun stuff every so often.

My original CD's are now out on Booth! They are Volume 1: Kokoro no Chinpochi and Volume 2: Nojato Nakukitsune. Oh, while I was finishing up drawing the dicks for this doujinshi, I made a little song called "Chinchin Yay!". you can check it out on my Youtube channel. Last but not least, I'd like to thank my supporters on PixivFanbox and Fantia. I couldn't have done it without you!

I will still be drawing for you all, so don't worry...!  
Stay tuned for more releases in the future...!
