TOWN
AT
WAR,
MINSK.

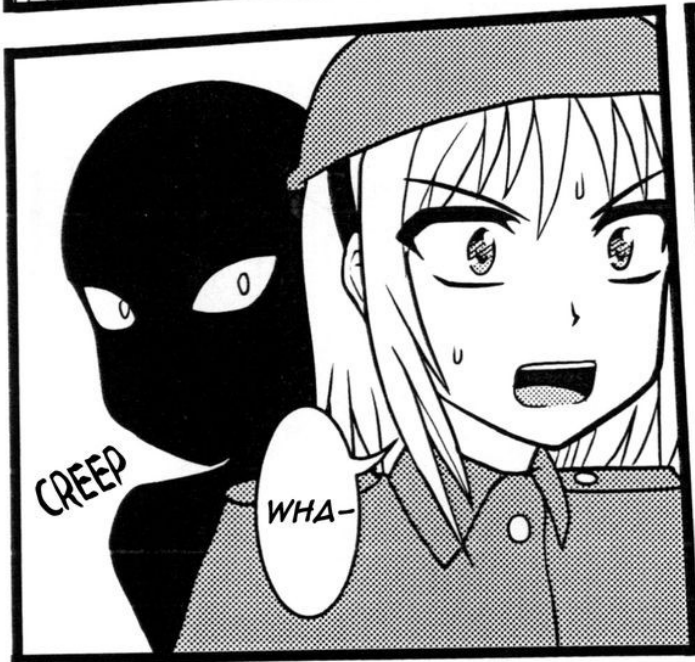

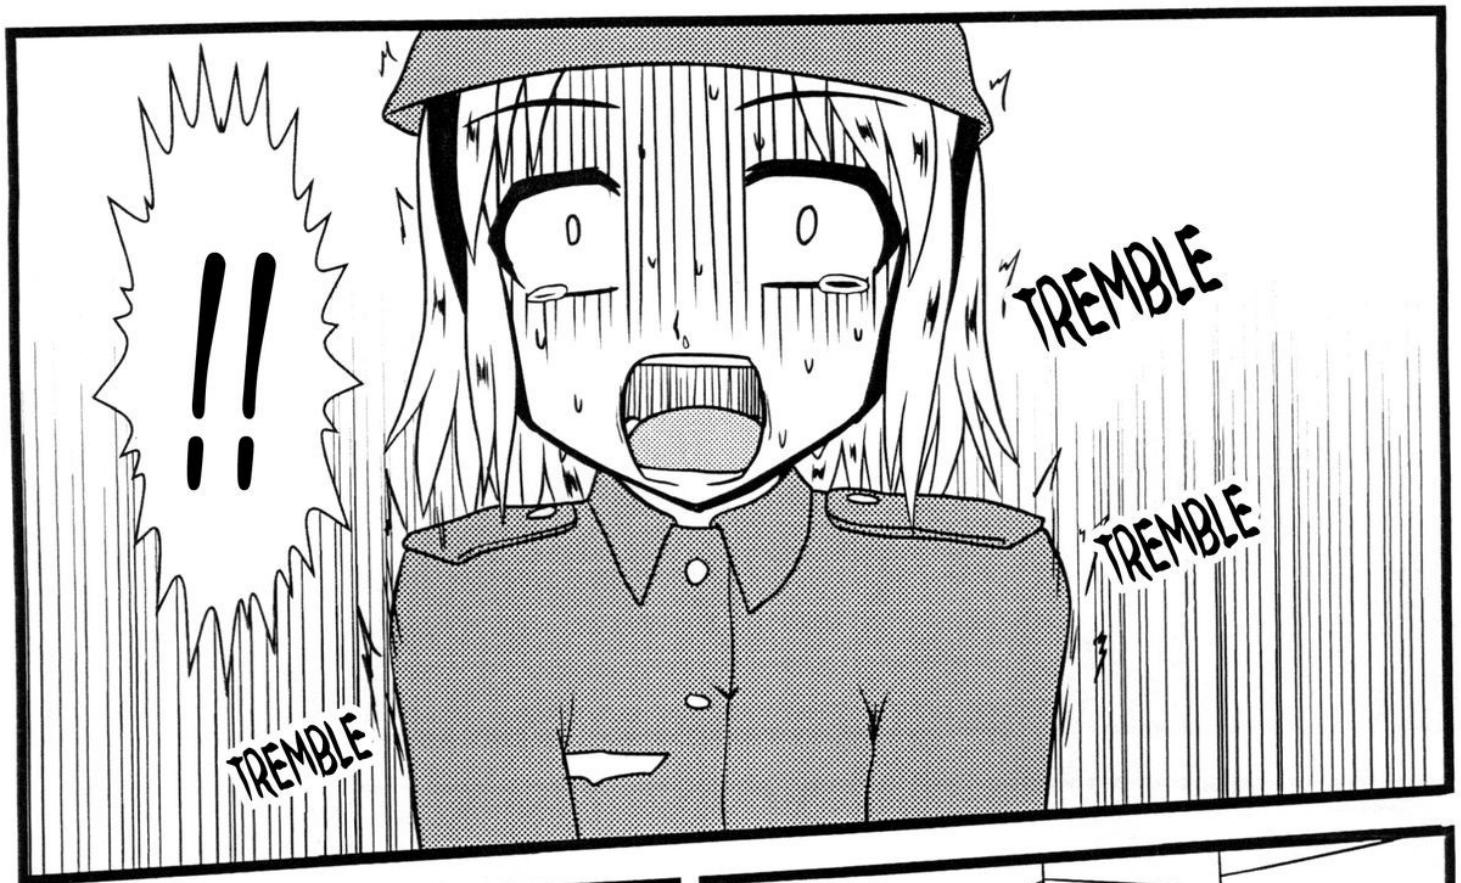

1943.

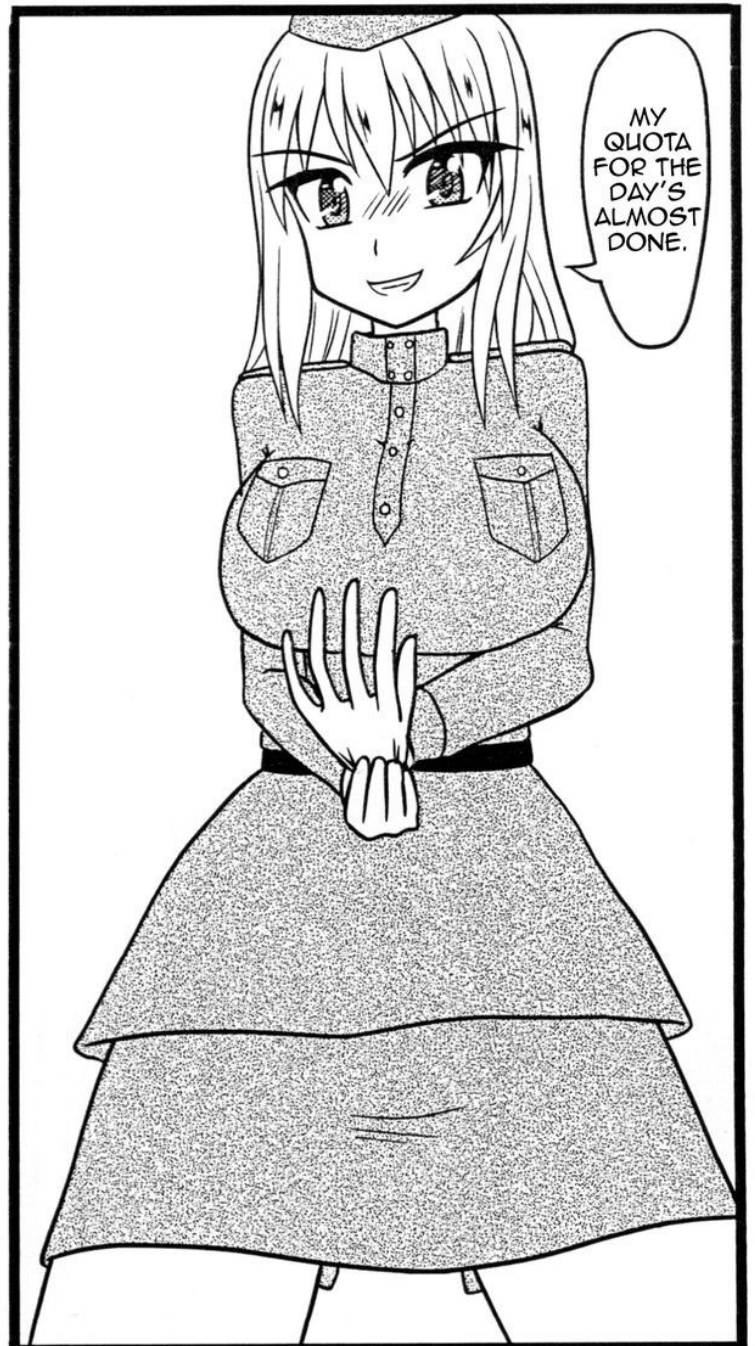

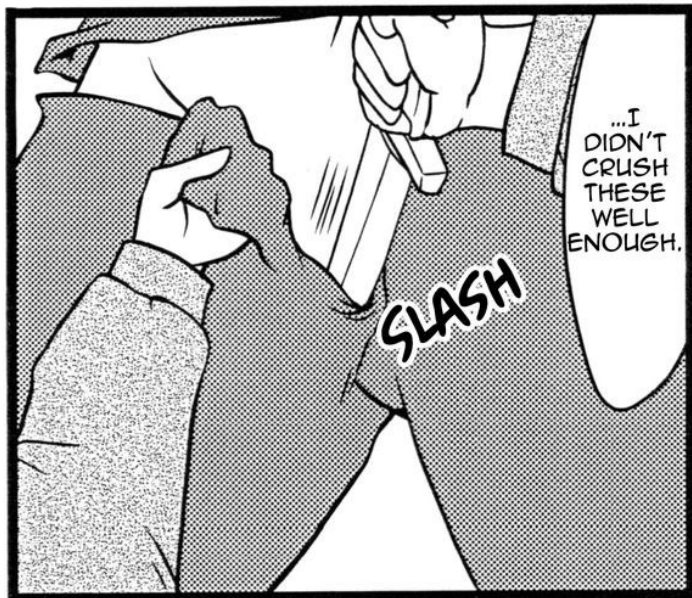

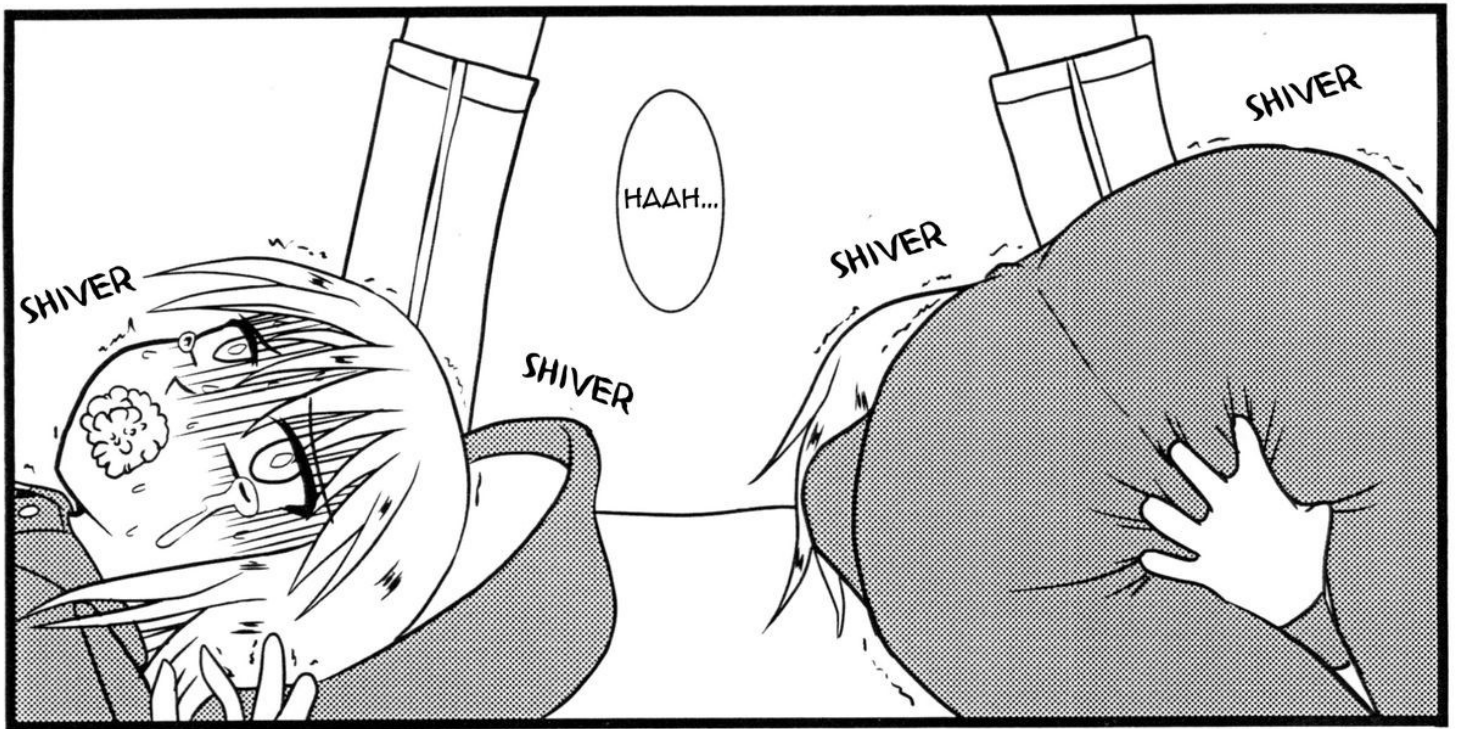

IN
ORDER
TO TAKE
BACK THE
TOWN
INVADED
BY THE
EMPIRE,
THE ALLIES
SENT IN A
SPECIALIST
UNIT, THE
BALL
BUSTERS!

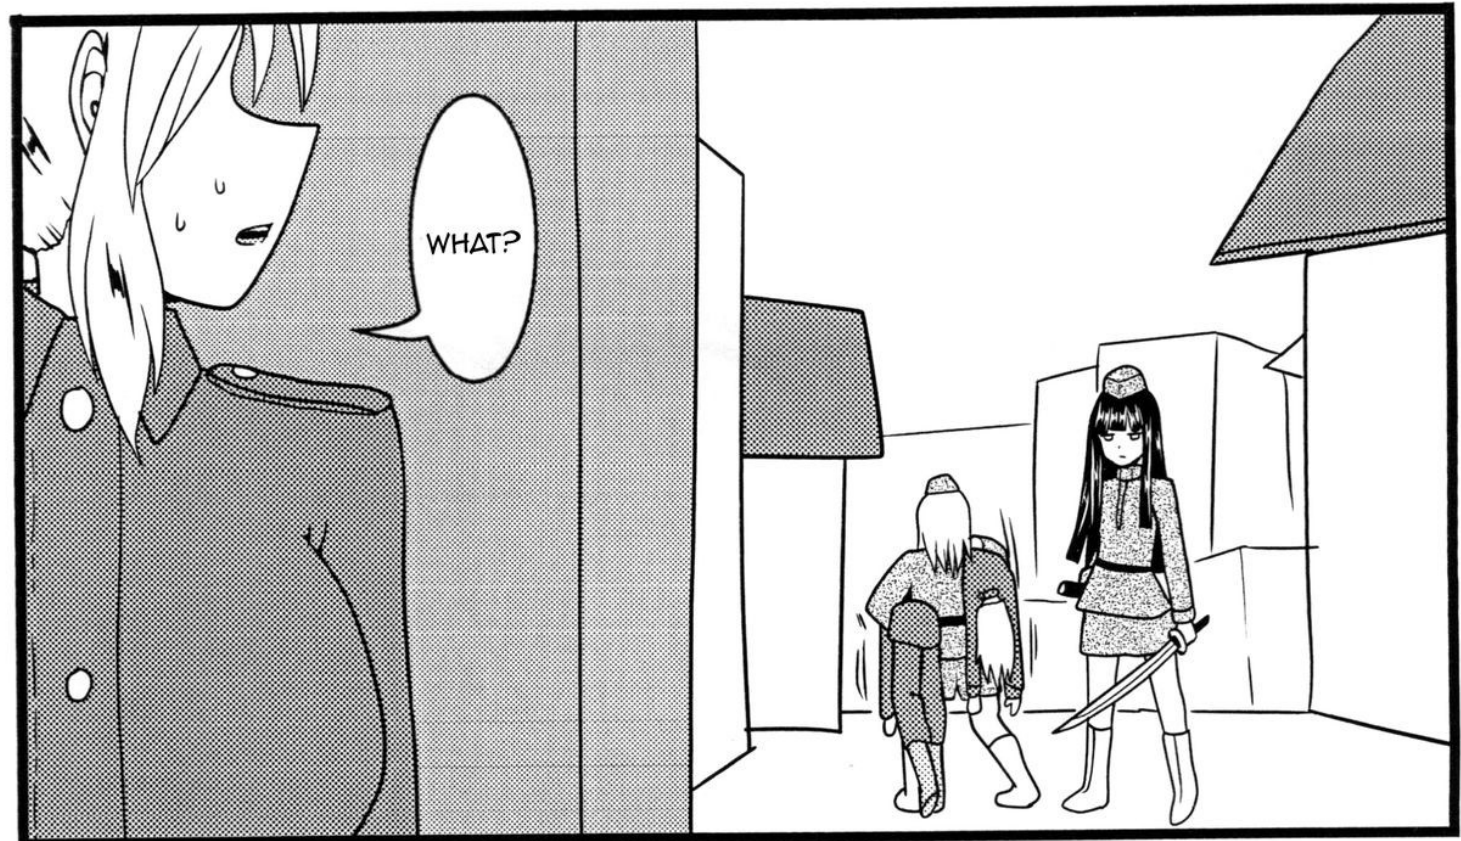

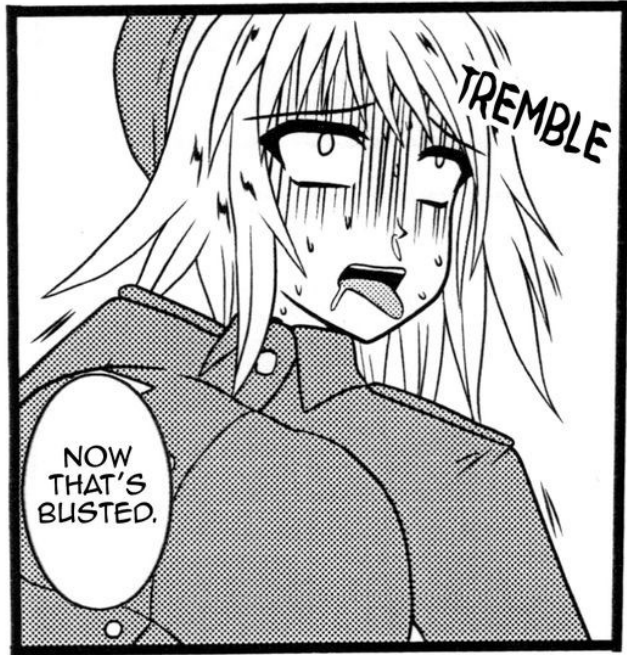

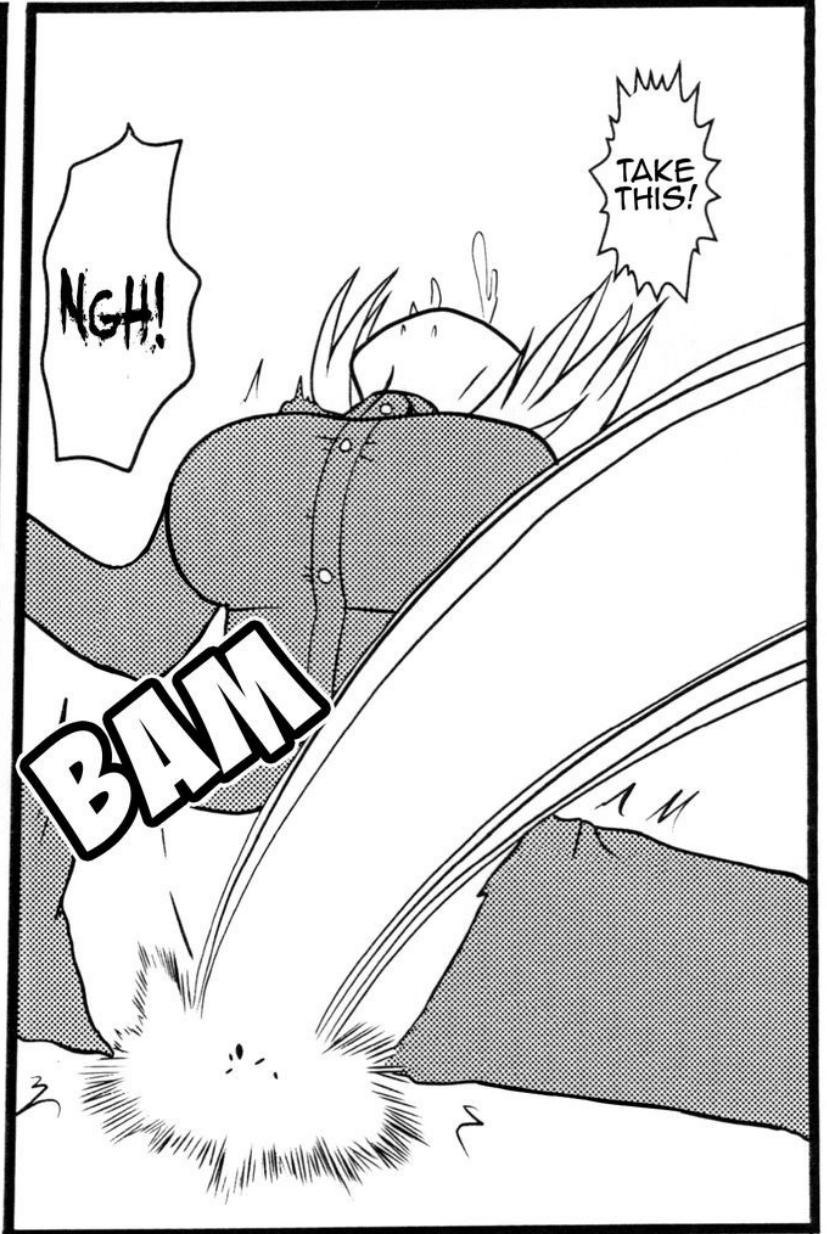

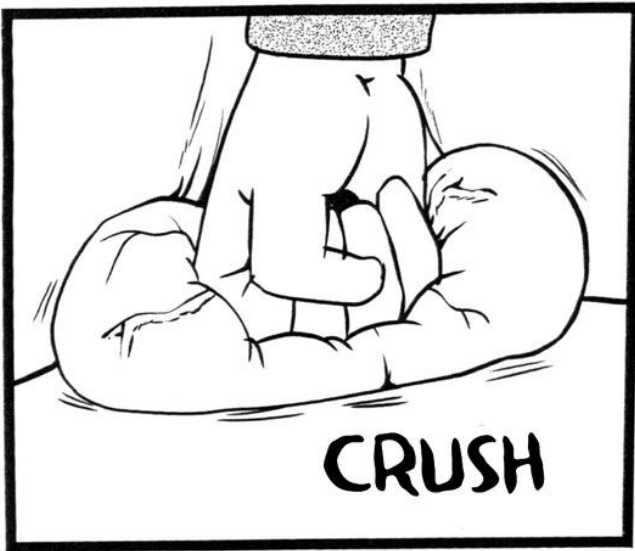

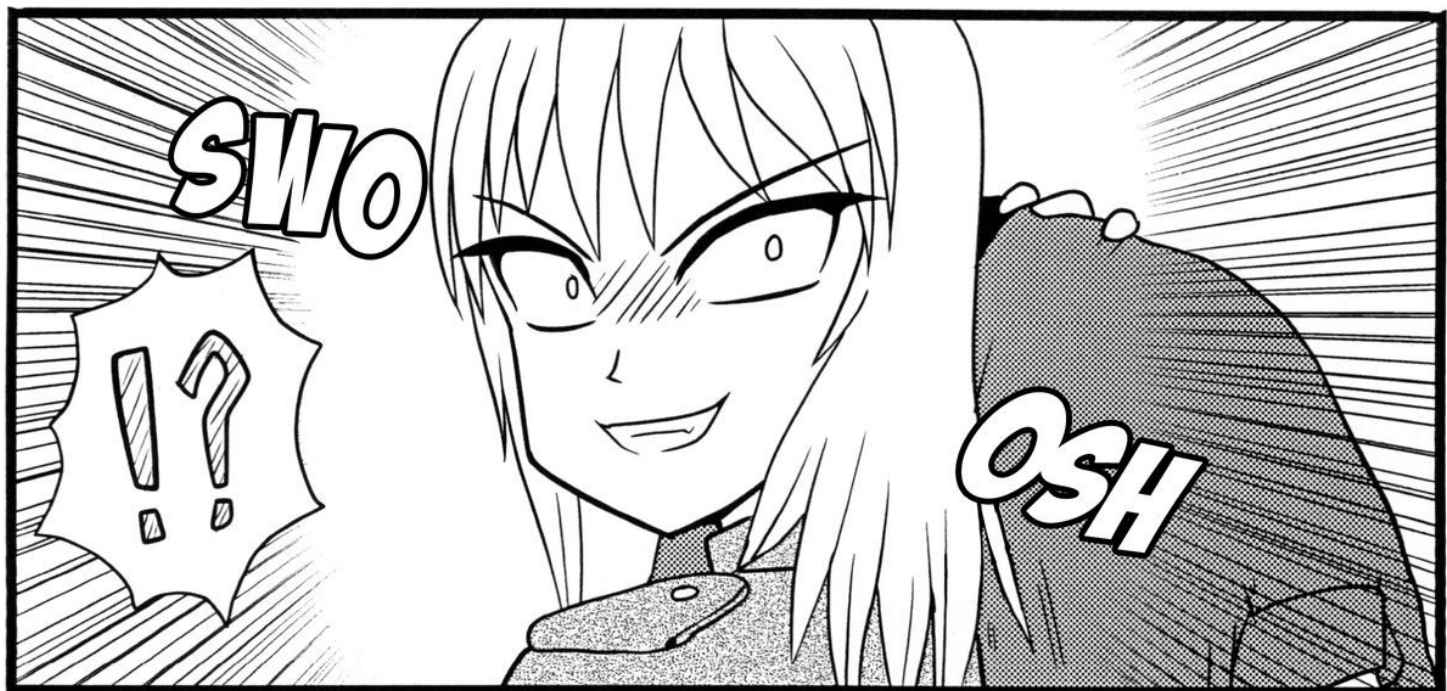

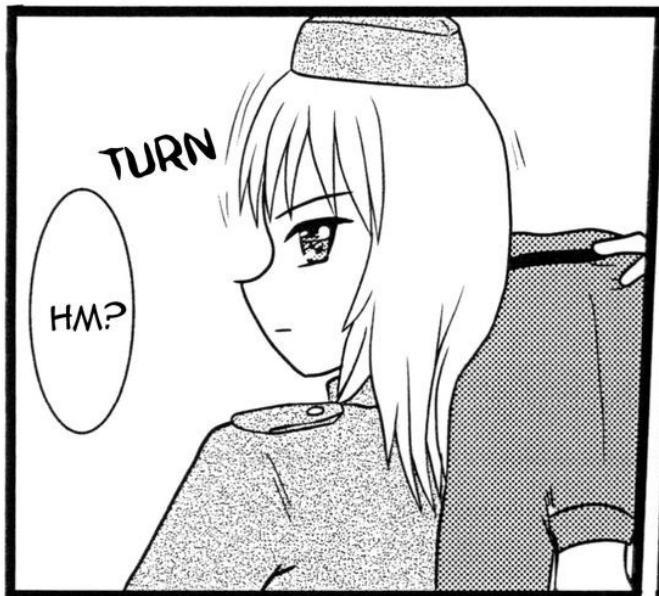

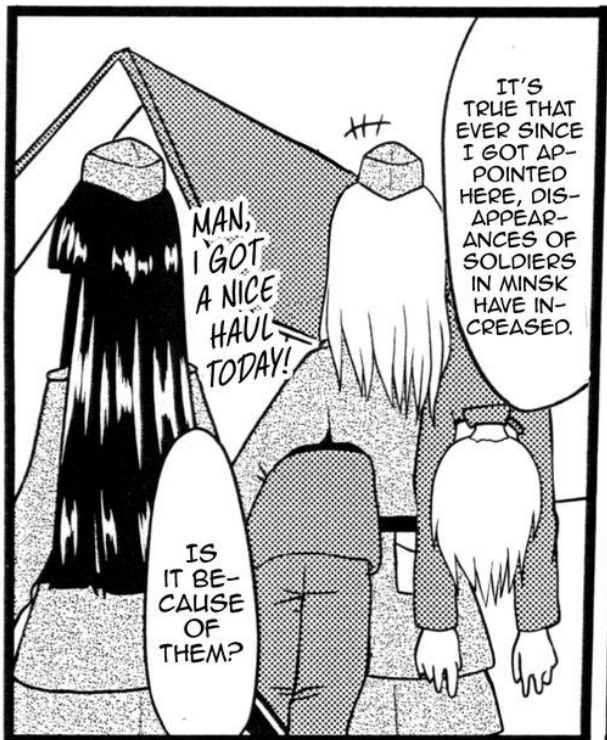

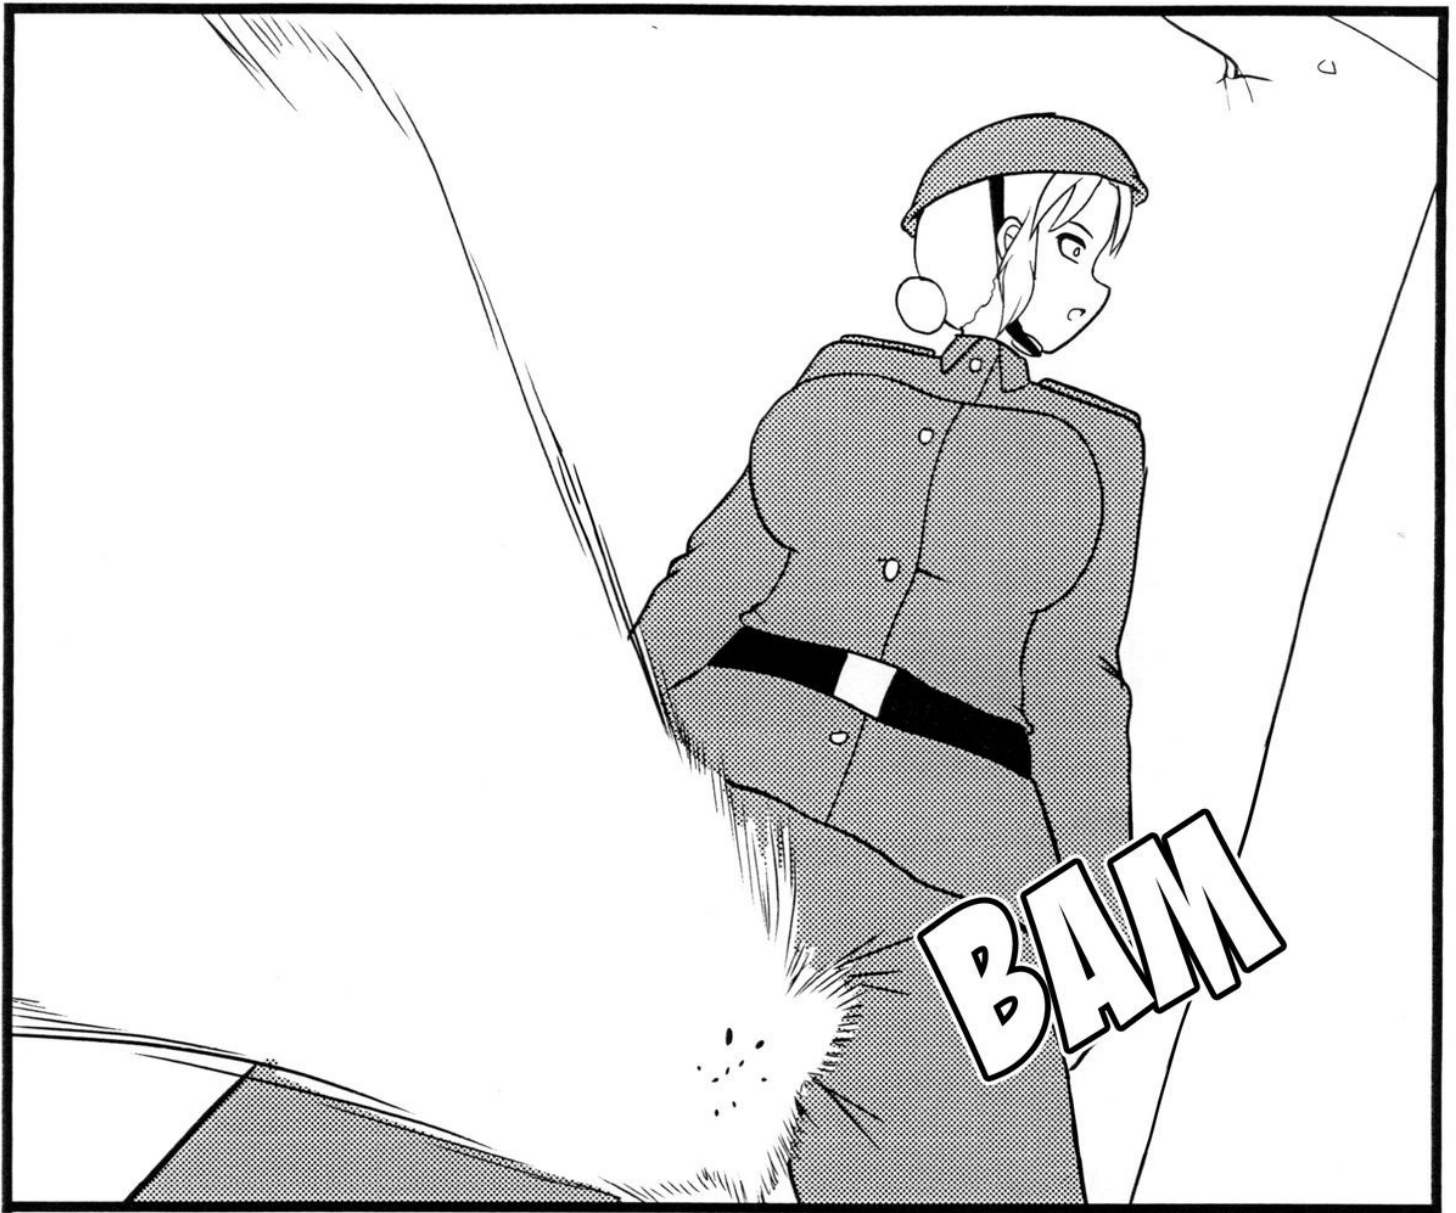

SMASH!

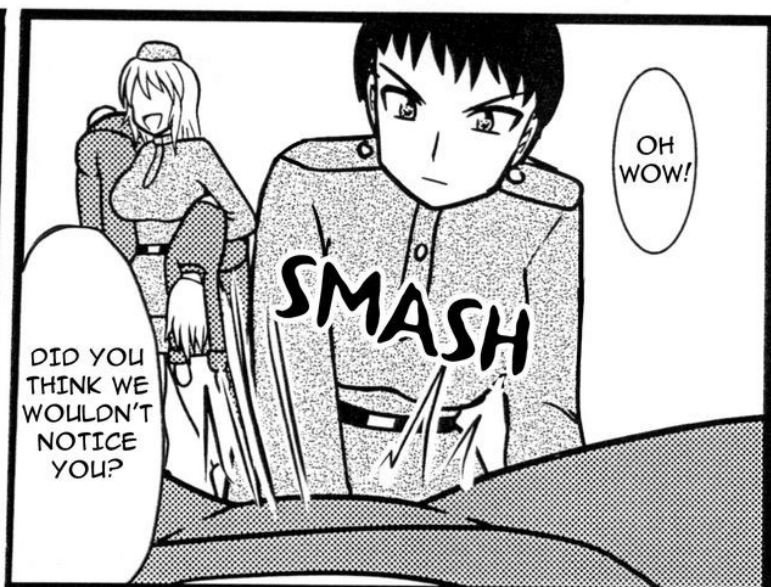

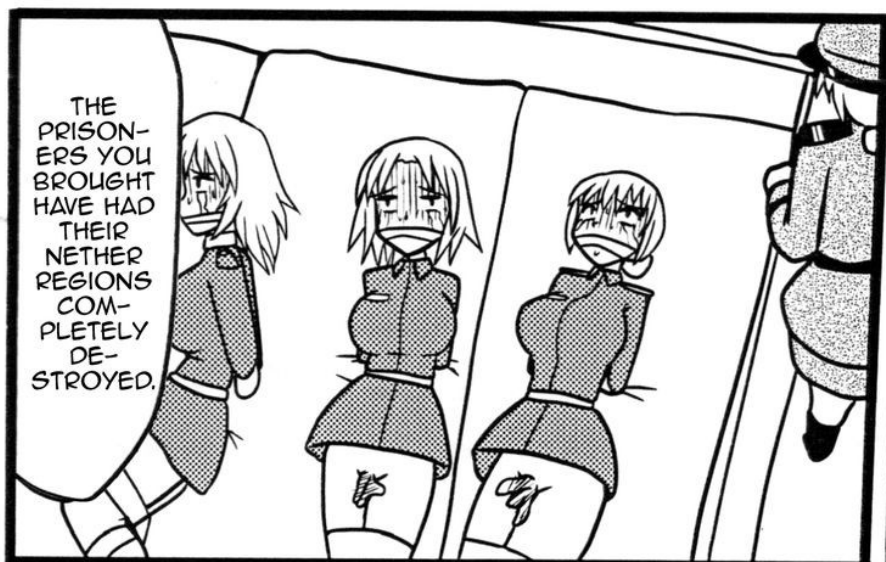

NOW THE BATTLE'S OVER.

LET'S GET BACK TO THE BASE!

OH WOW!

DID YOU THINK WE WOULDN'T NOTICE YOU?

THE PRISONERS YOU BROUGHT HAVE HAD THEIR NETHER REGIONS COMPLETELY DESTROYED.

HEY, LUCIA...

EAST OF MINSK, PRISONER CAMP.

NOW LISTEN.

WE CAME TO DAMAGE THE MORALE OF THE IMPERIAL TROOPS.

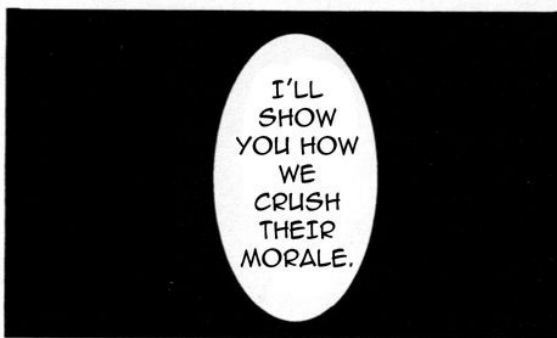

COMMANDER, WE LOVE YOU!

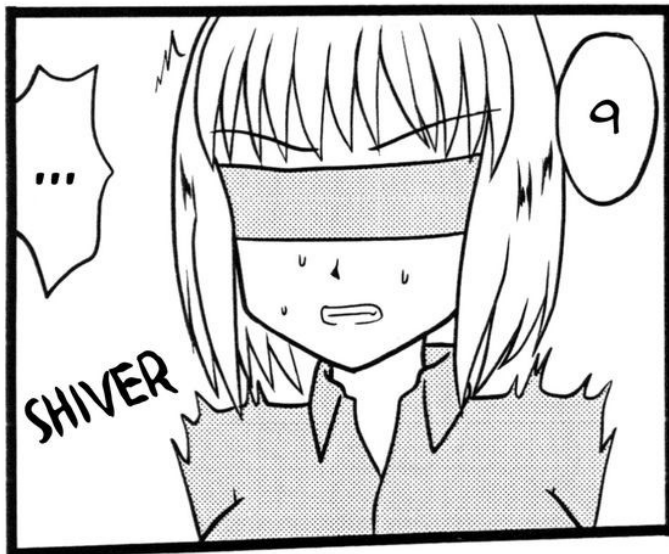

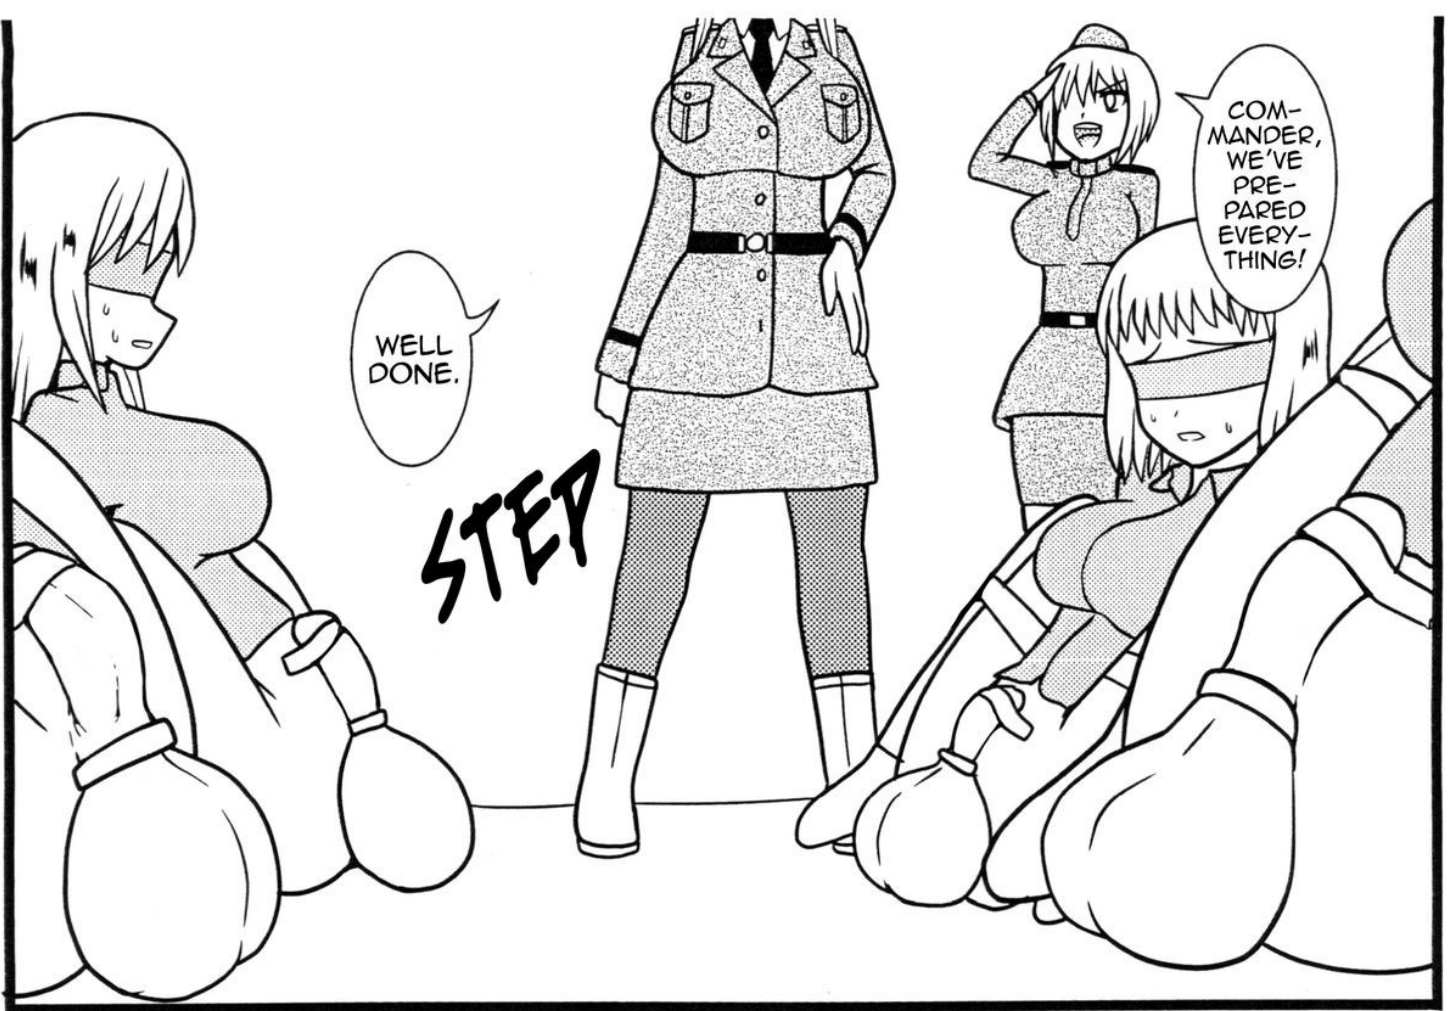

30 POINTS FOR THAT.

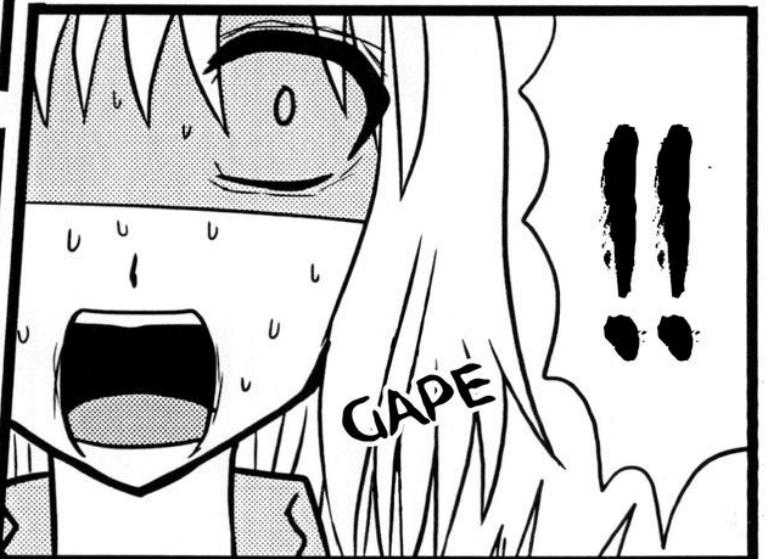

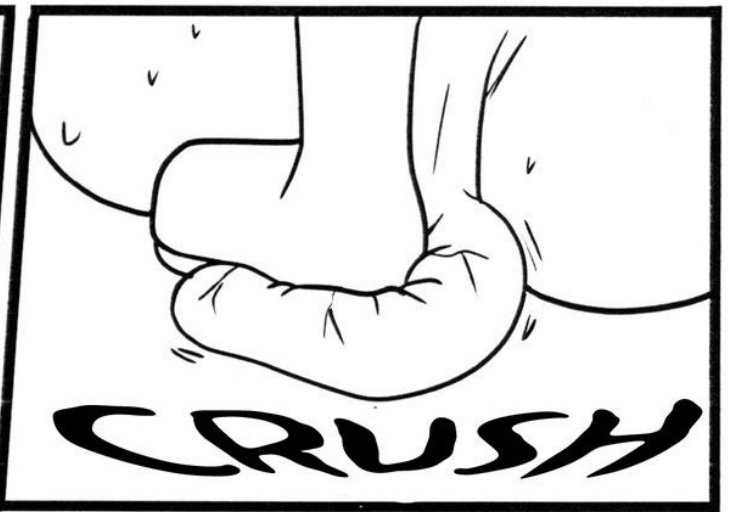

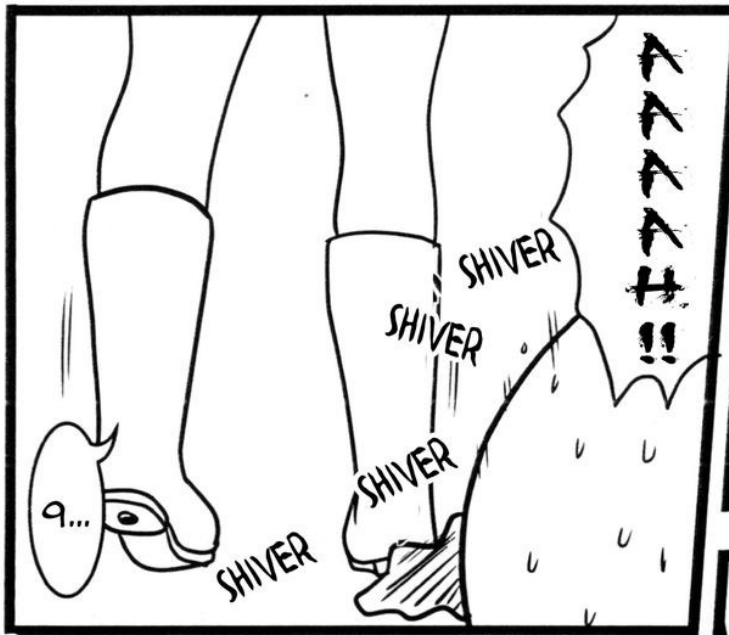

OF COURSE!

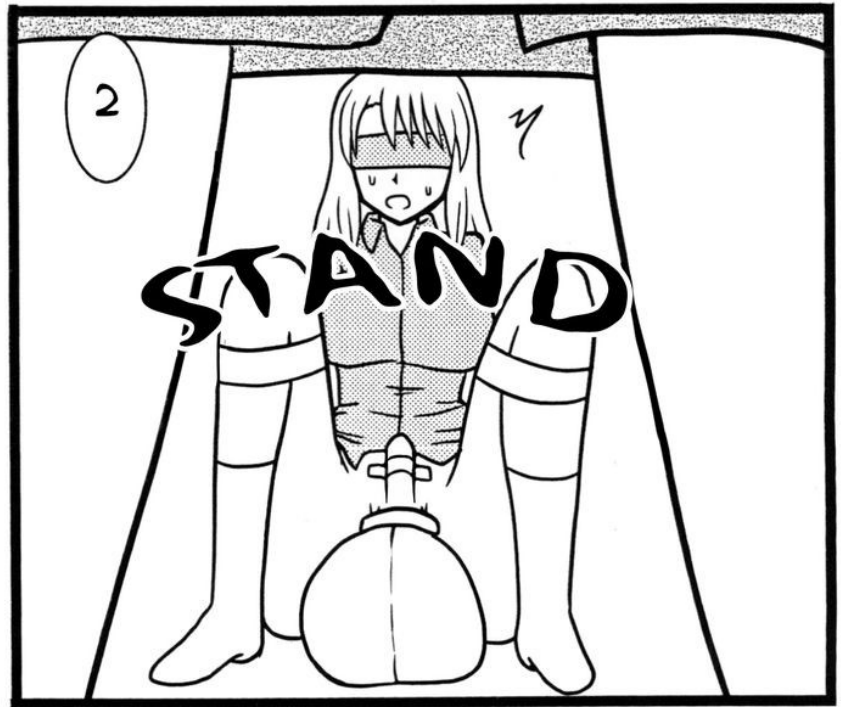

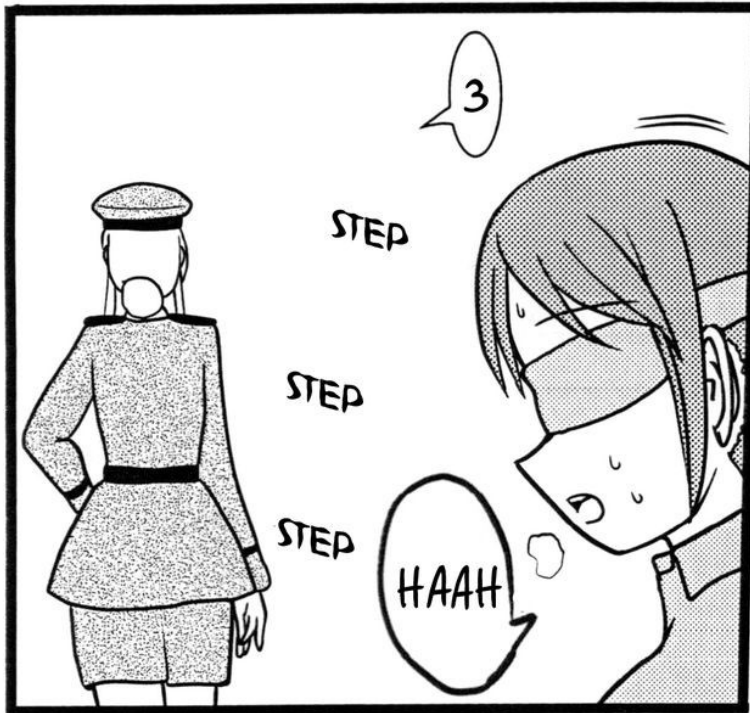

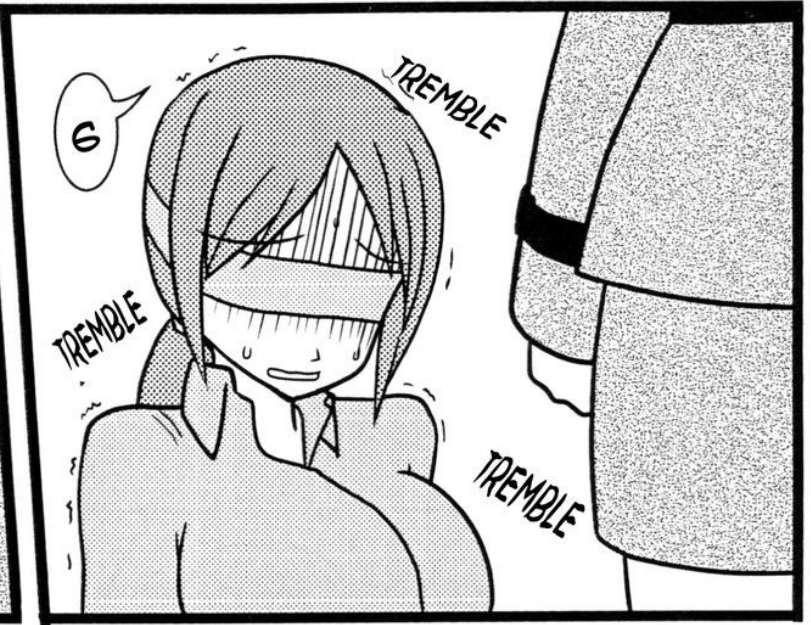

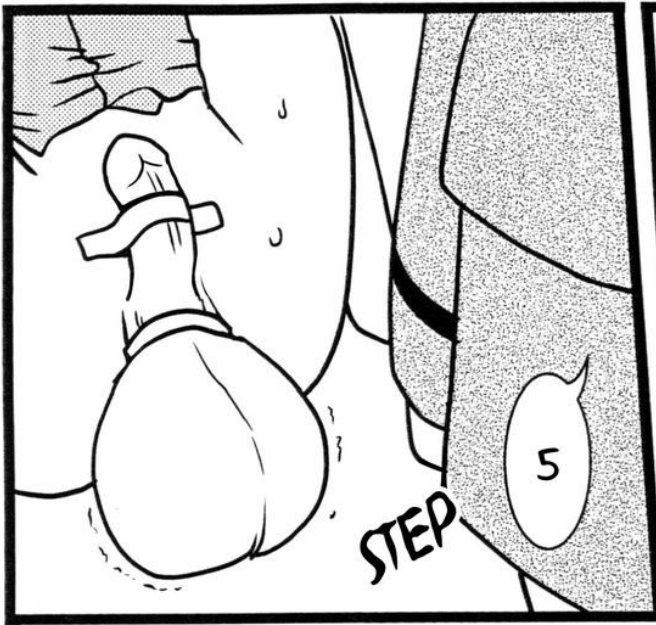

DID WE REALLY COME TO CRUSH BALLS LIKE THIS?

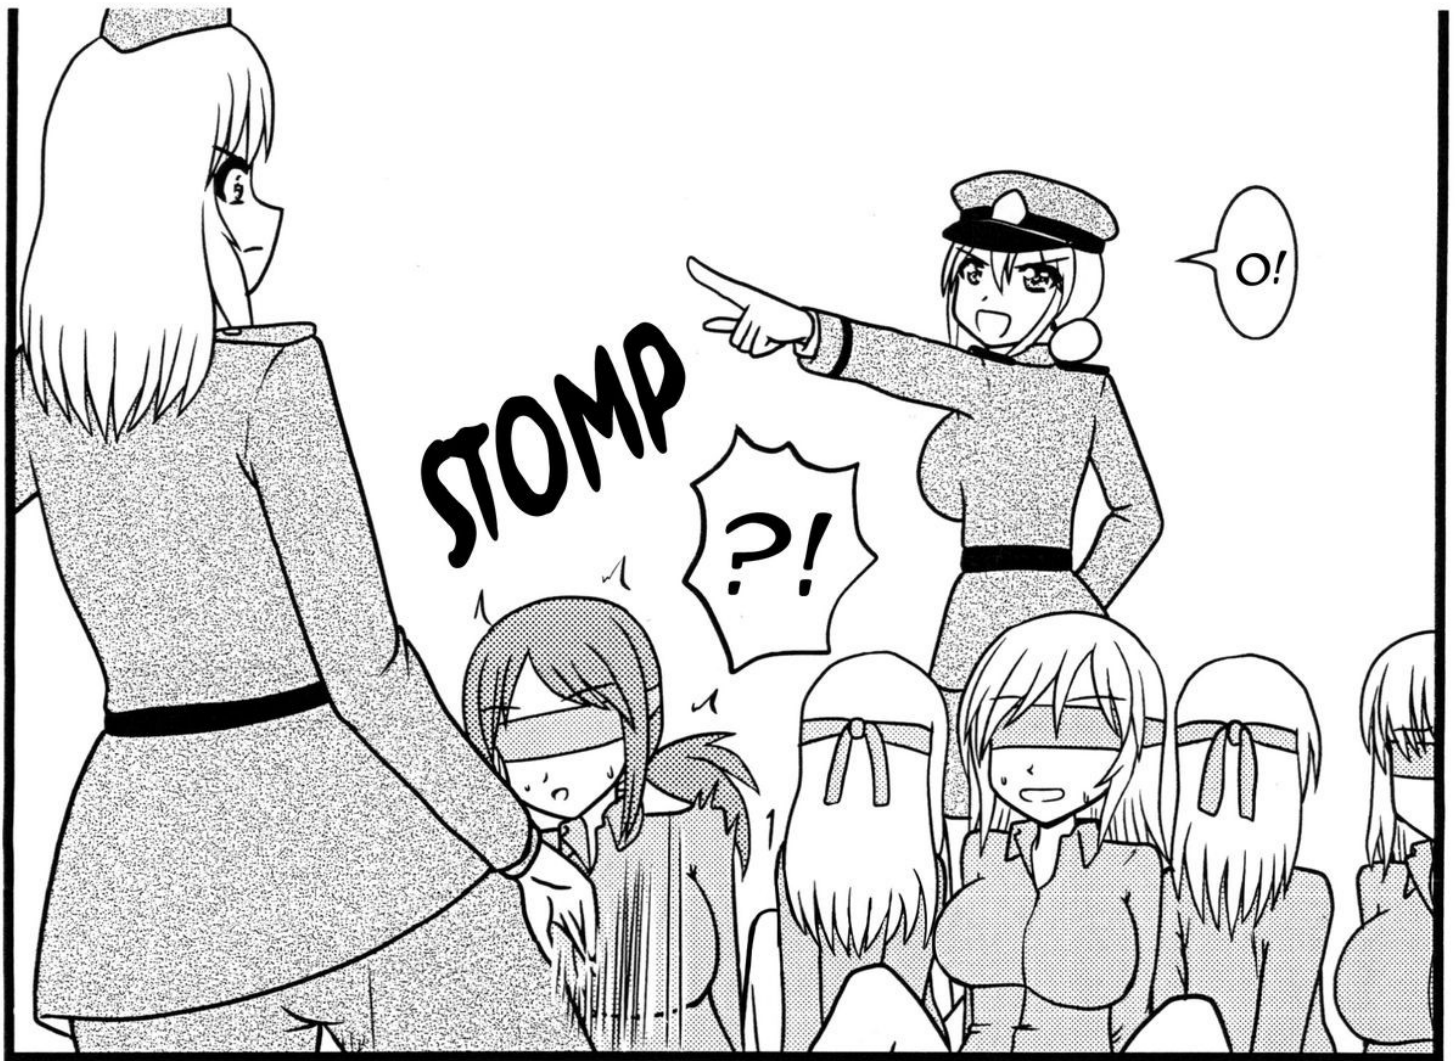

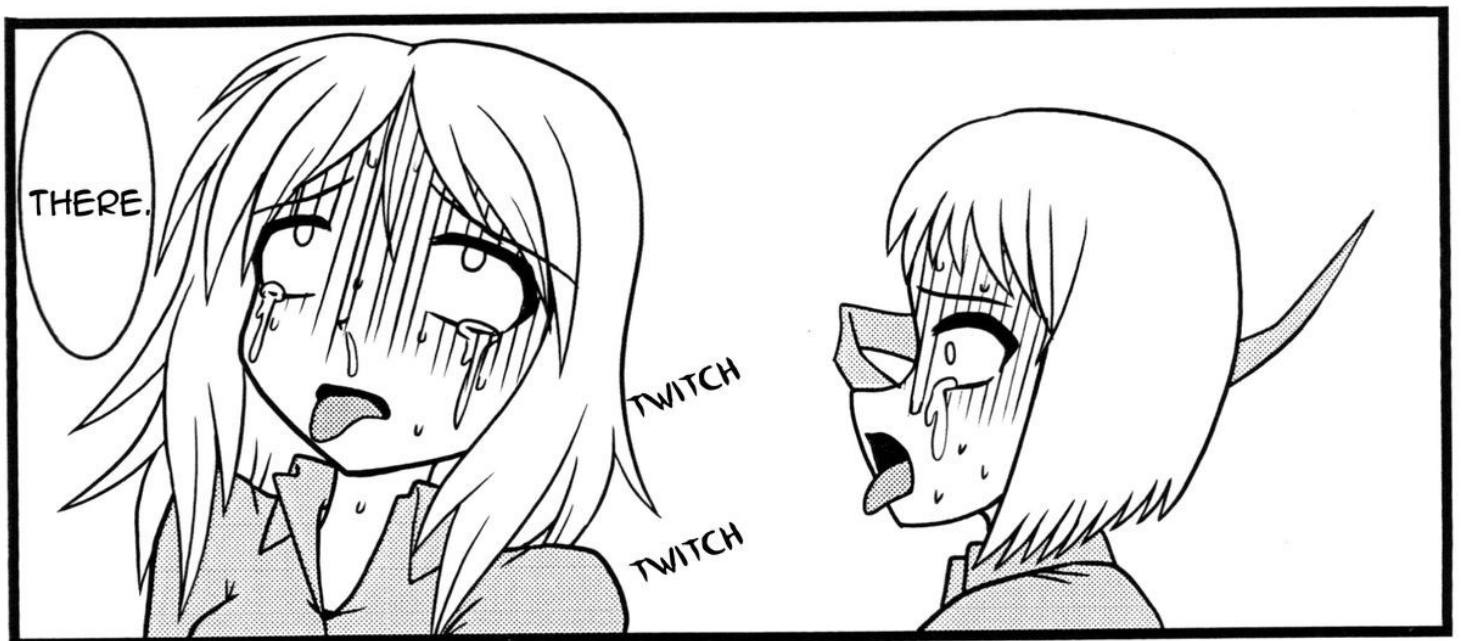

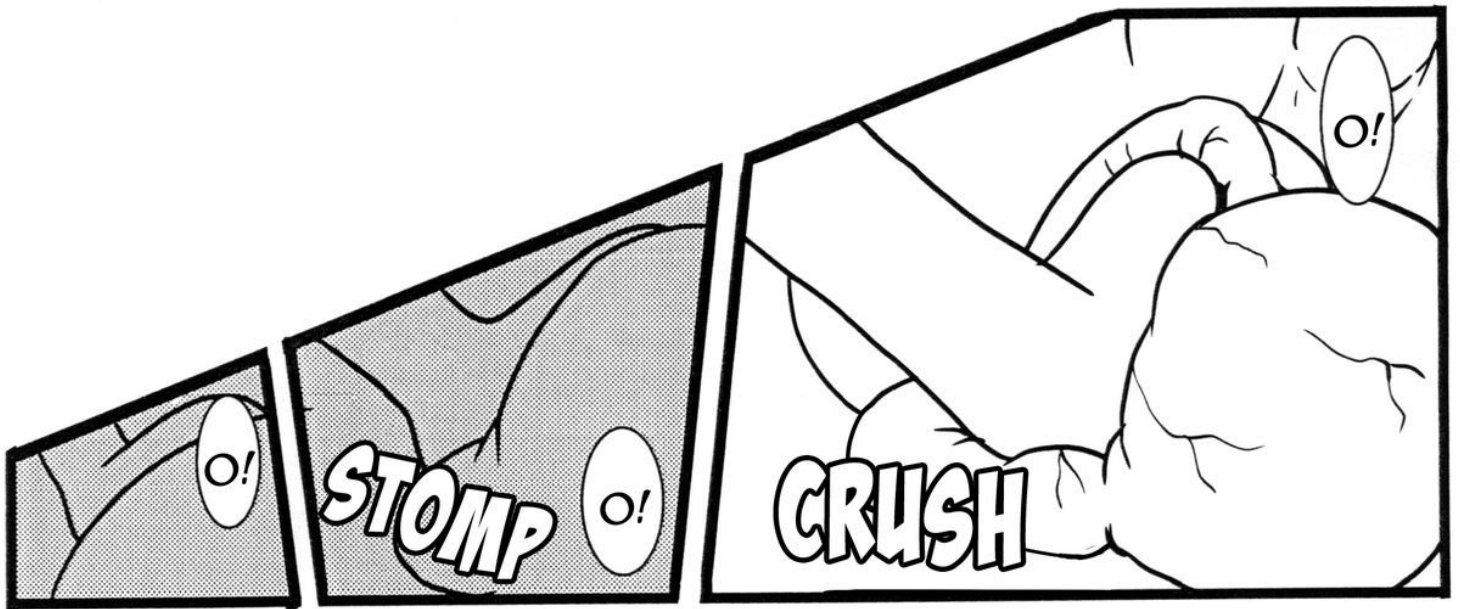

I'LL SHOW YOU HOW WE CRUSH THEIR MORALE.

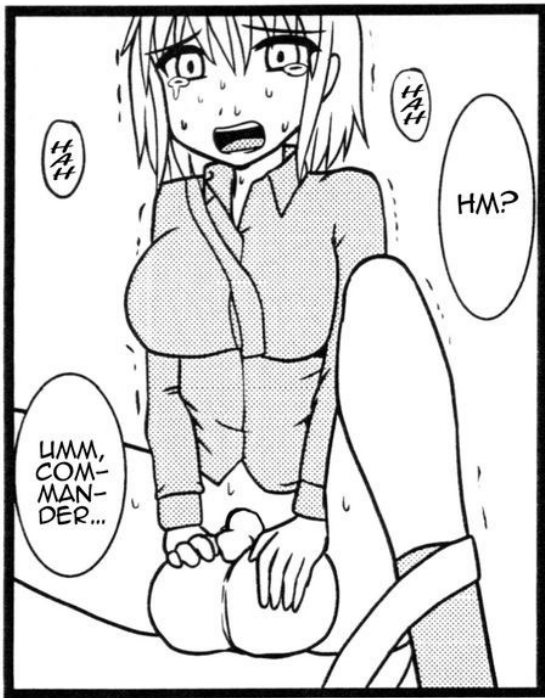

LET'S WRAP THINGS UP HERE FOR TODAY.

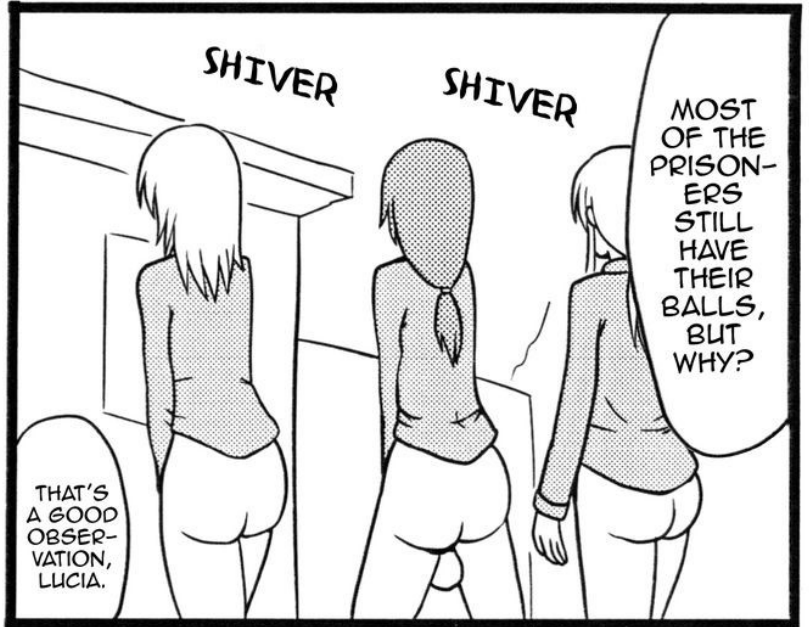

THEIR HEARTS ARE FILLED WITH GRIEF EXACTLY BECAUSE THEY HAVE HOPE FOR THE FUTURE.

YOU GIRLS BETTER REMEMBER THAT.

I WANNA GO BACK HOME...

I DON'T WANT THIS ANYMORE...

SHIVER

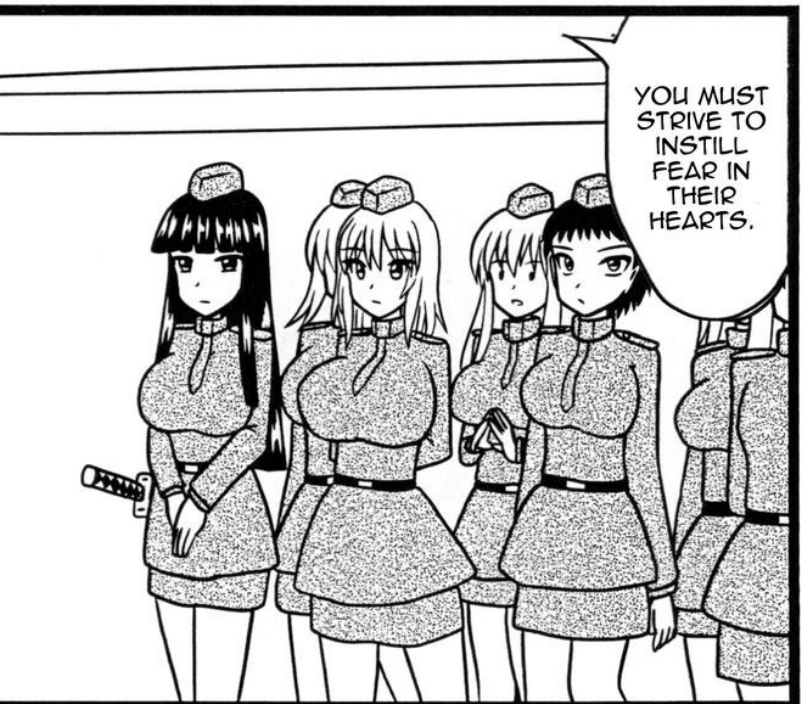

SHIVER

MOST OF THE PRISONERS STILL HAVE THEIR BALLS, BUT WHY?

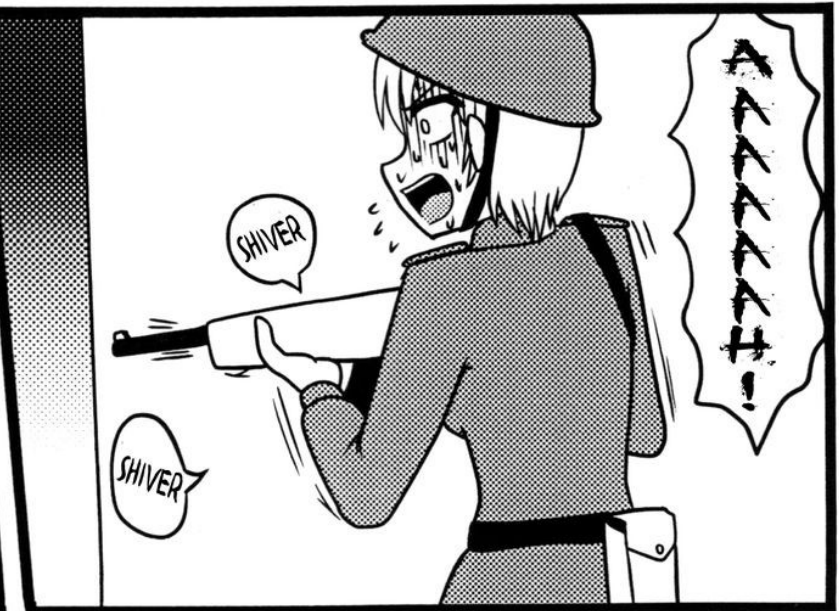

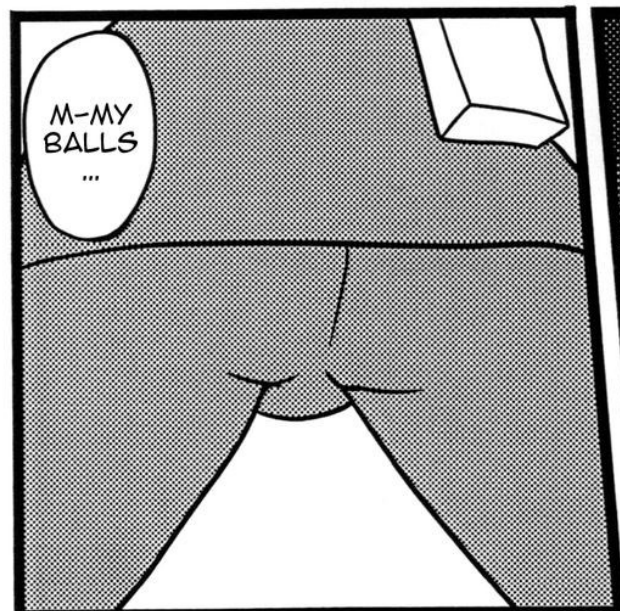

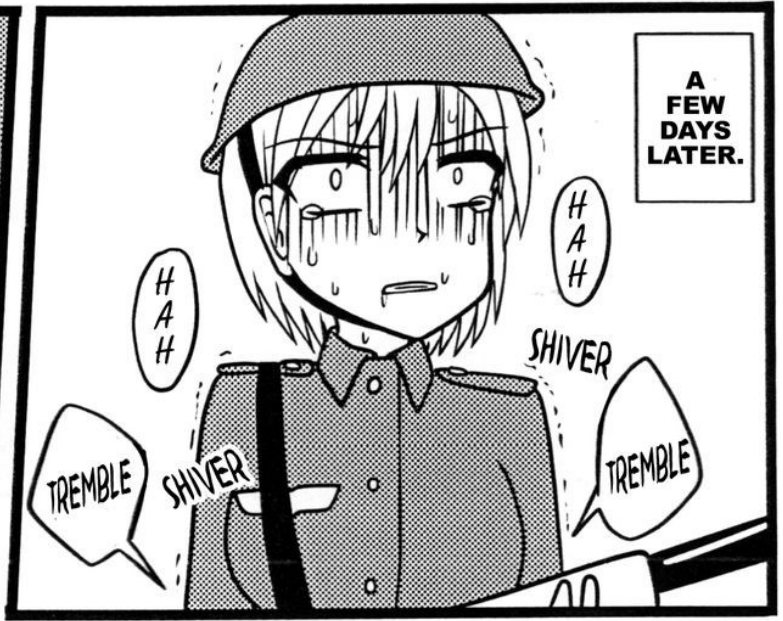

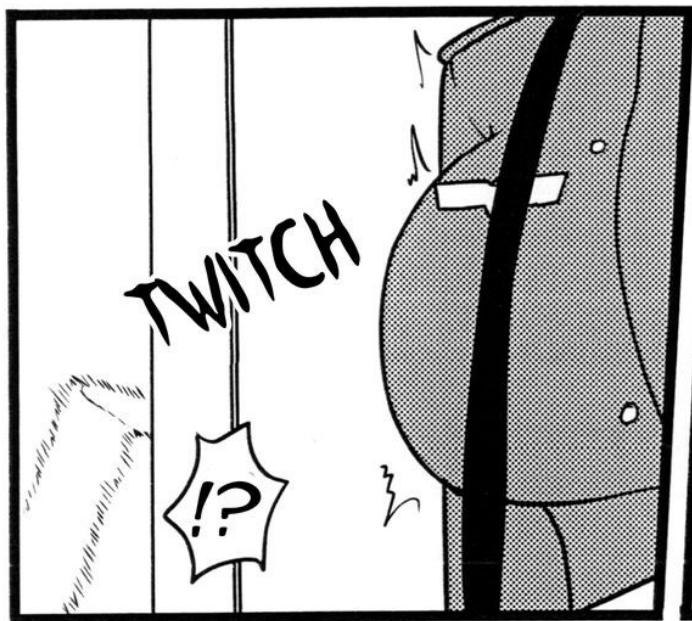

THAT'S A GOOD OBSERVATION, LUCIA.

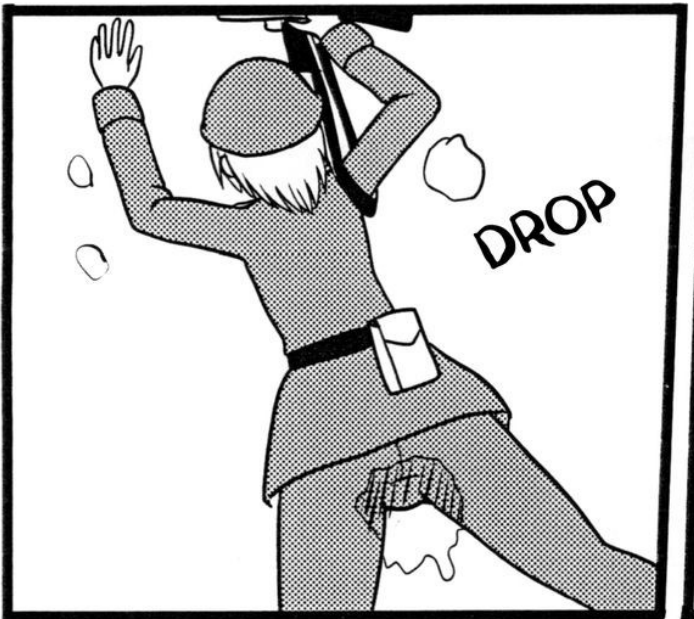

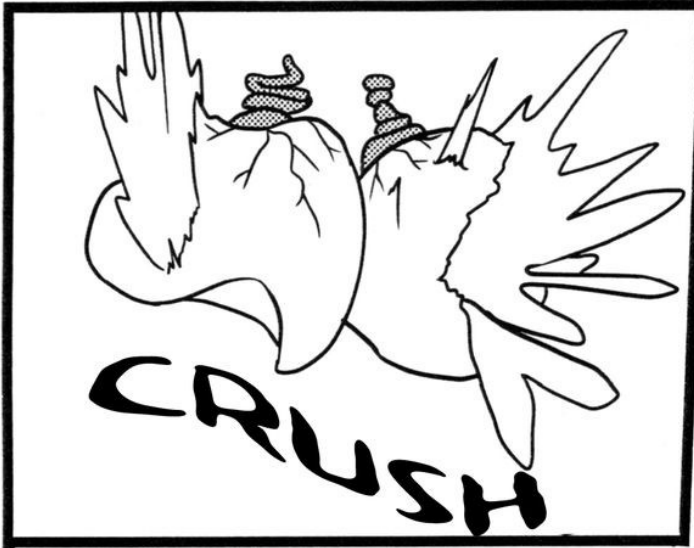

I WON'T FORCE YOU TO MASTER IT OVERNIGHT, BUT TRY TO IMPROVE YOURSELVES.

YOU MUST STRIVE TO INSTILL FEAR IN THEIR HEARTS.

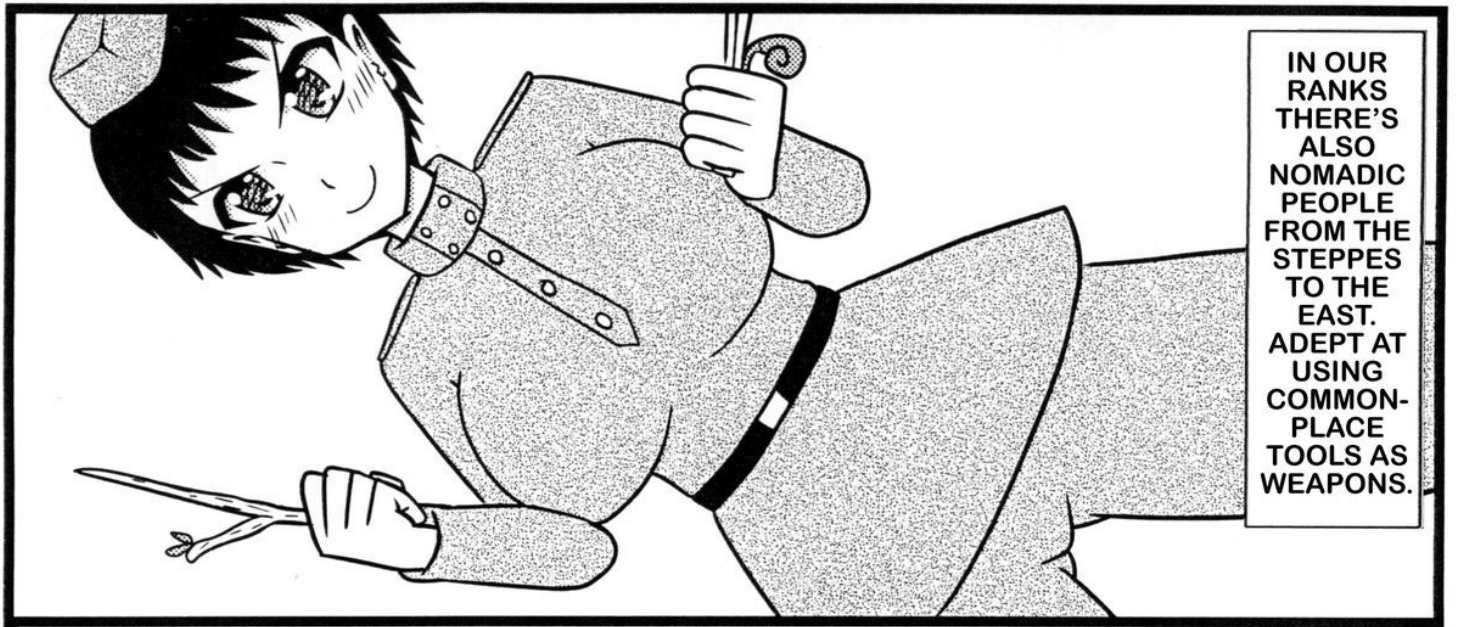

AMONG OUR RANKS IS A DESCENDANT FROM THE PEOPLE IN THE FAR EAST. SHE USES HER BLADED WEAPON (A JAPANESE KATANA) AS A BLUNT WEAPON SO IT DOESN'T LOSE ITS SHARPNESS.

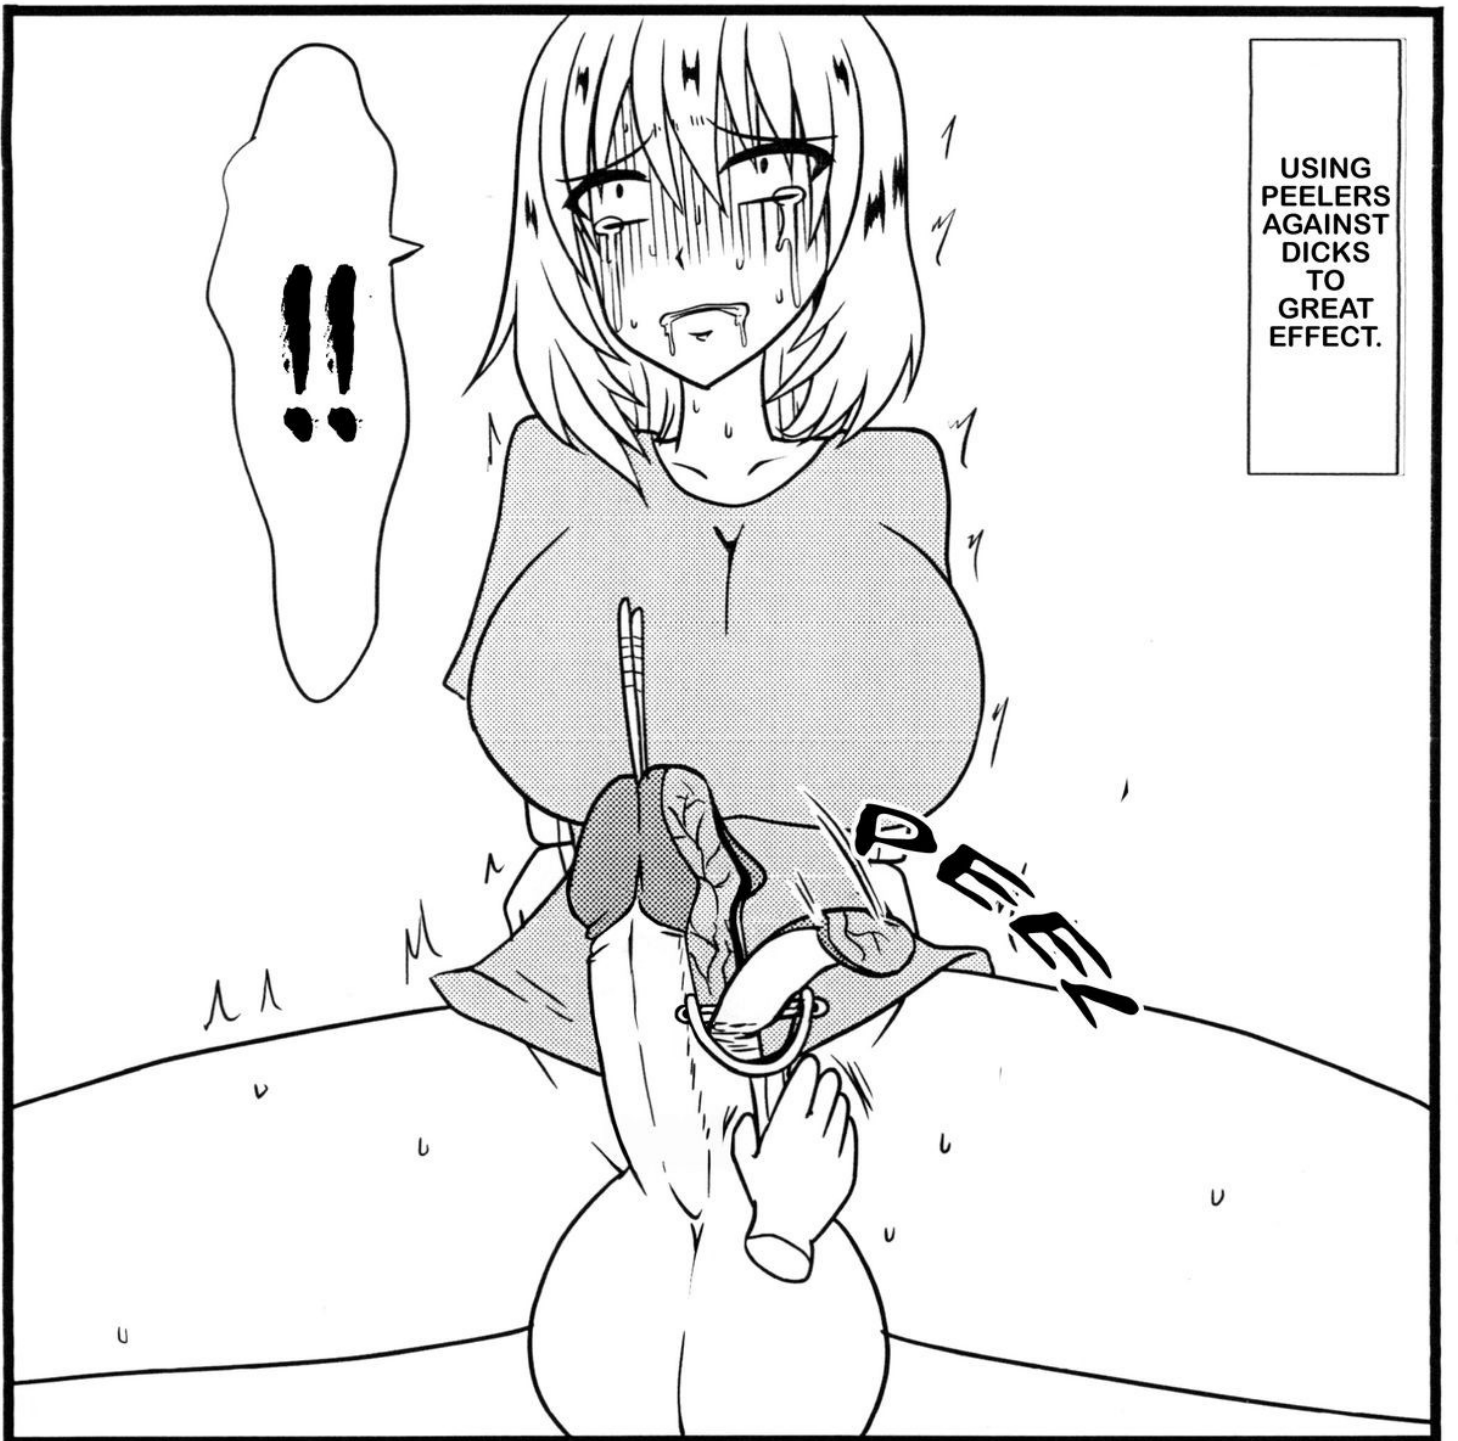

A SWORD-FIGHT, YOU COULD SAY.

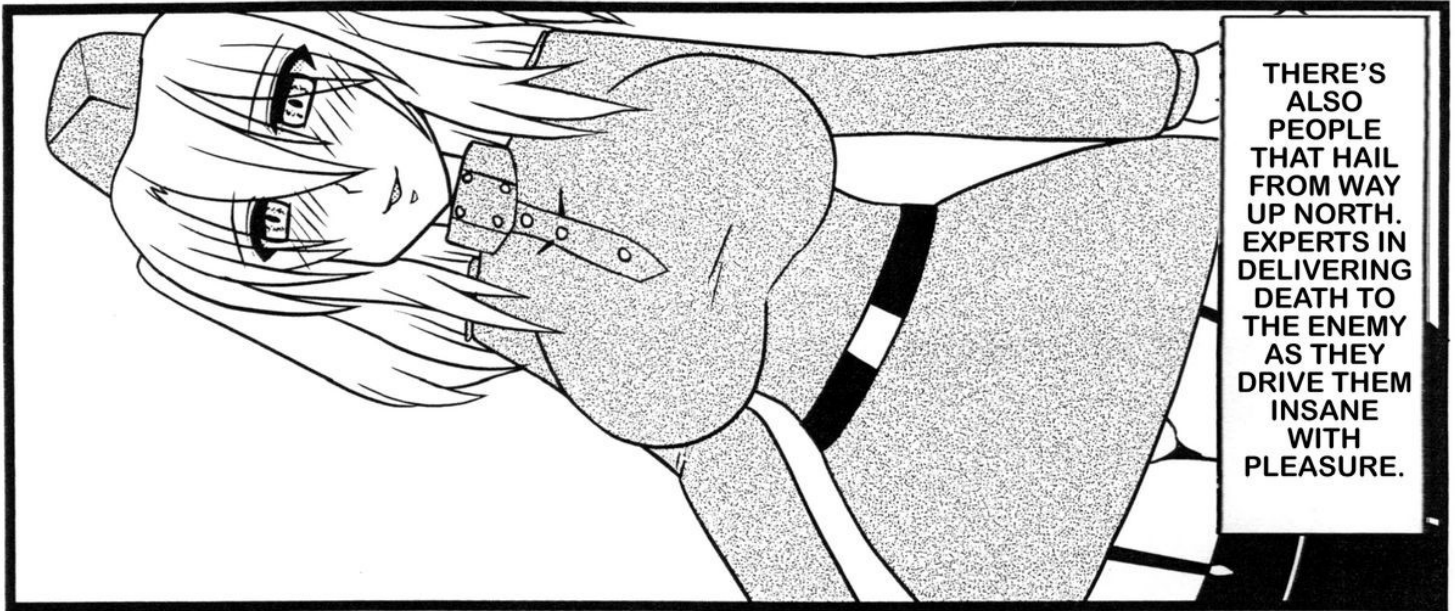

CRUSH

IN OUR RANKS THERE'S ALSO NOMADIC PEOPLE FROM THE STEPPES TO THE EAST. ADEPT AT USING COMMON-PLACE TOOLS AS WEAPONS.

USING PEELERS AGAINST DICKS TO GREAT EFFECT.

THERE'S ALSO PEOPLE THAT HAIL FROM WAY UP NORTH. EXPERTS IN DELIVERING DEATH TO THE ENEMY AS THEY DRIVE THEM INSANE WITH PLEASURE.

CAPABLE OF UN-THINKABLE ANATOMICAL FEATS, SUCH AS PLEASURING THEIR TARGETS SO HARD THEY EJACULATE THEIR TESTICLES OUT.

Nice to meet you, I'm Kurosaki Bunta. It's been a long time since I added another entry to my series of crushing Futanari balls.

The draft and main ideas for this story were on paper for at least 3 years prior to this and they were kinda shelved. There are many things I wanted to implement and put on paper.

Though the story may seem like it has a historical background, I assure that I didn't investigate any real historical facts to base it on. It's a pure balls-crushing work for all to enjoy.
