

There are things murky.

In the area around the anus it is fecesy

Sacrificial rituals are cruel. They need it to live

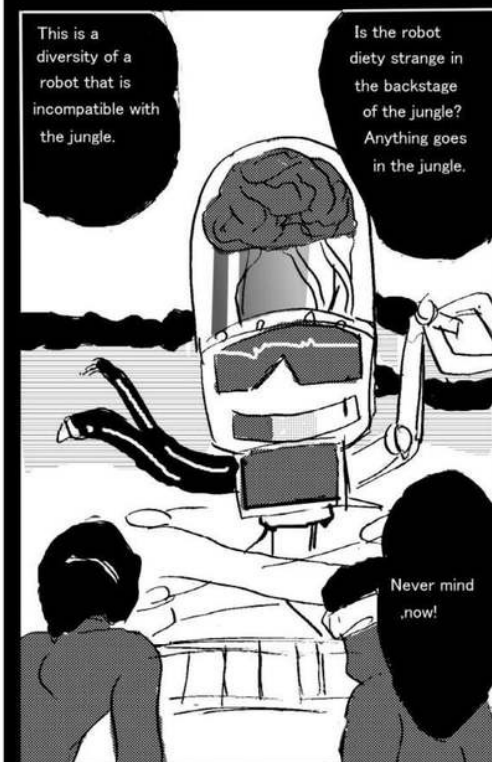

They try to quell the deity at the sacrifice of the alternative.

Currently they are not dedicating living.

They say that they longed for living virginity in the past.

It is a common custom in a severe natural and undeveloped land.

This is a diversity of a robot that is incompatible with the jungle.

Is the robot diety strange in the backstage of the jungle? Anything goes in the jungle.

Never mind ,now!

Fetch my energy here.

アハハハハ

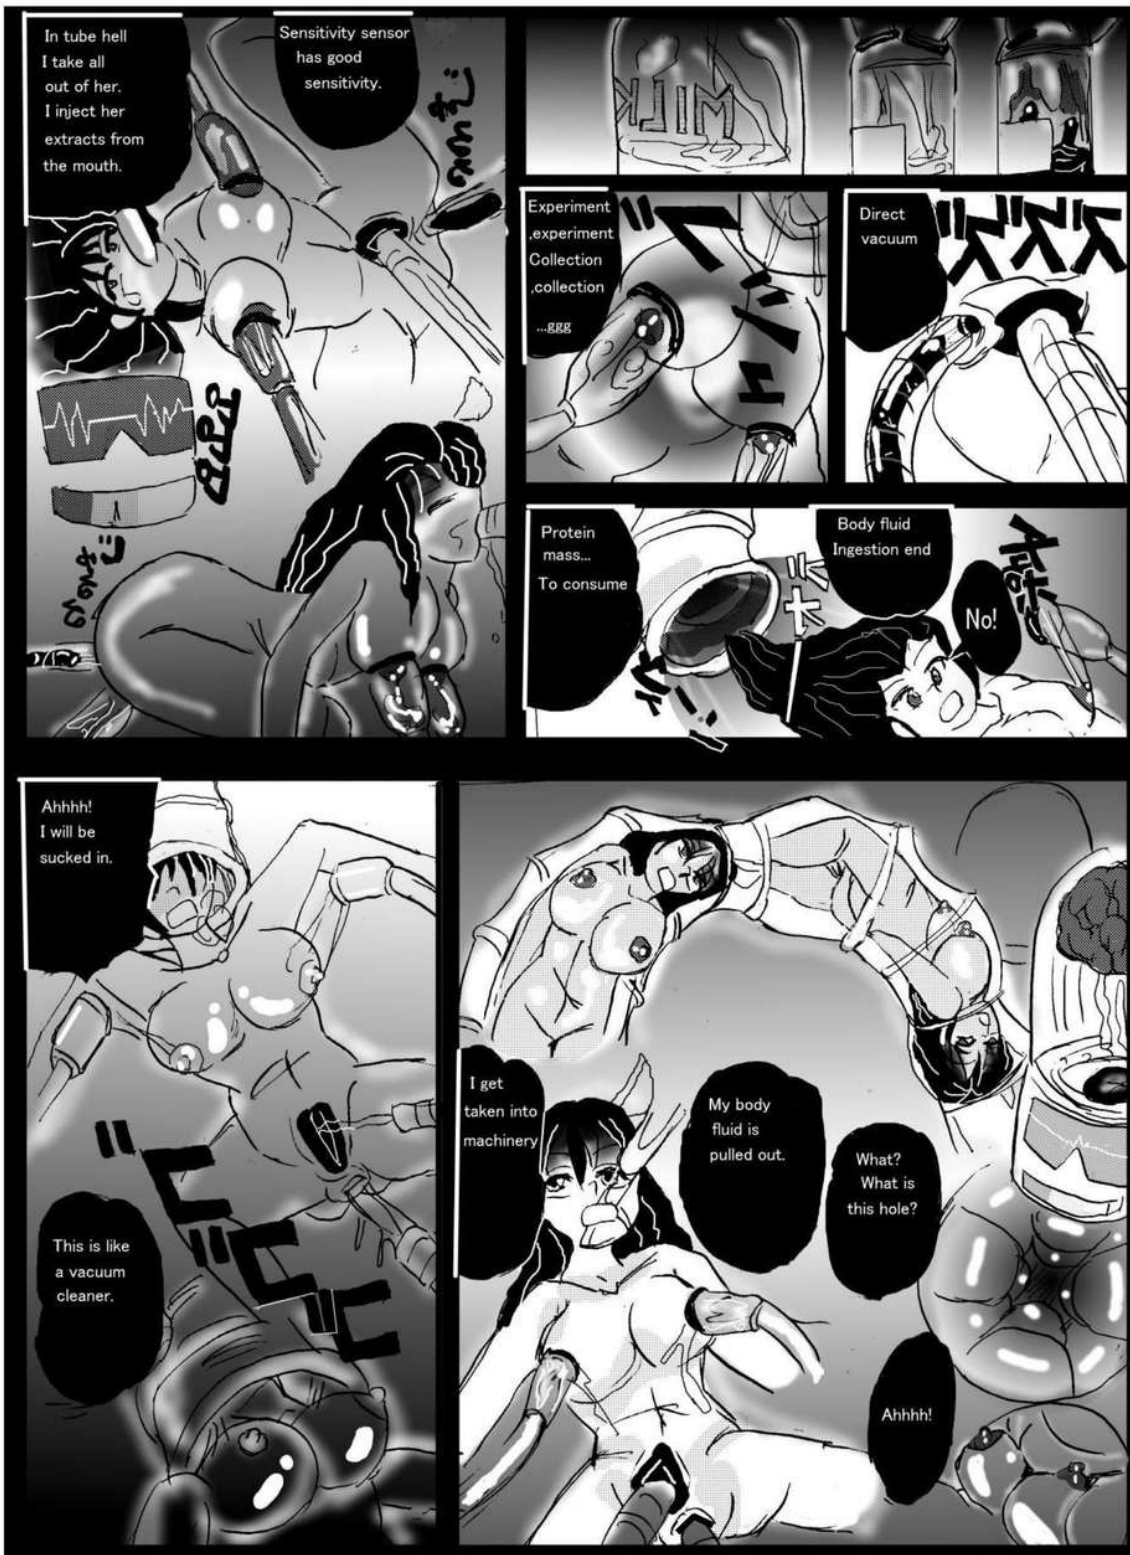

These are mature women.

I will break up .

Auch!

アハハハハ

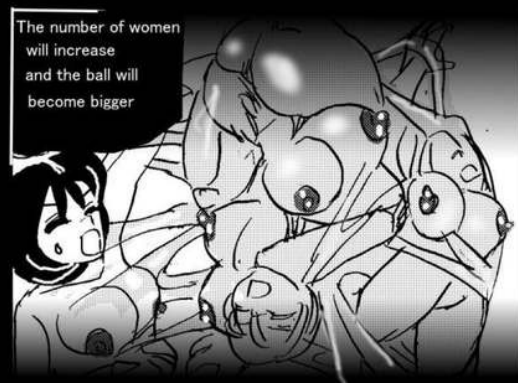

The great spider deity brings out mucus from the buttocks.

It keeps hanging prey with her hind legs.

The more she moves, she gets set.

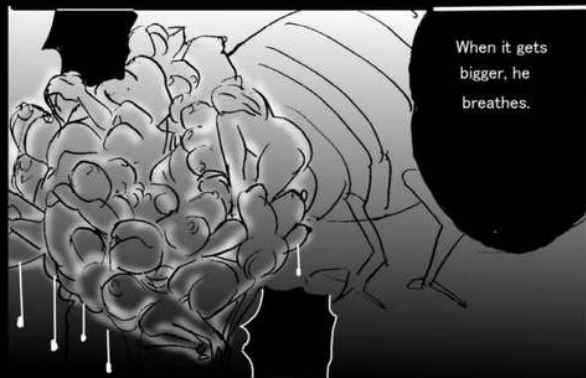

The number of women will increase and the ball will become bigger

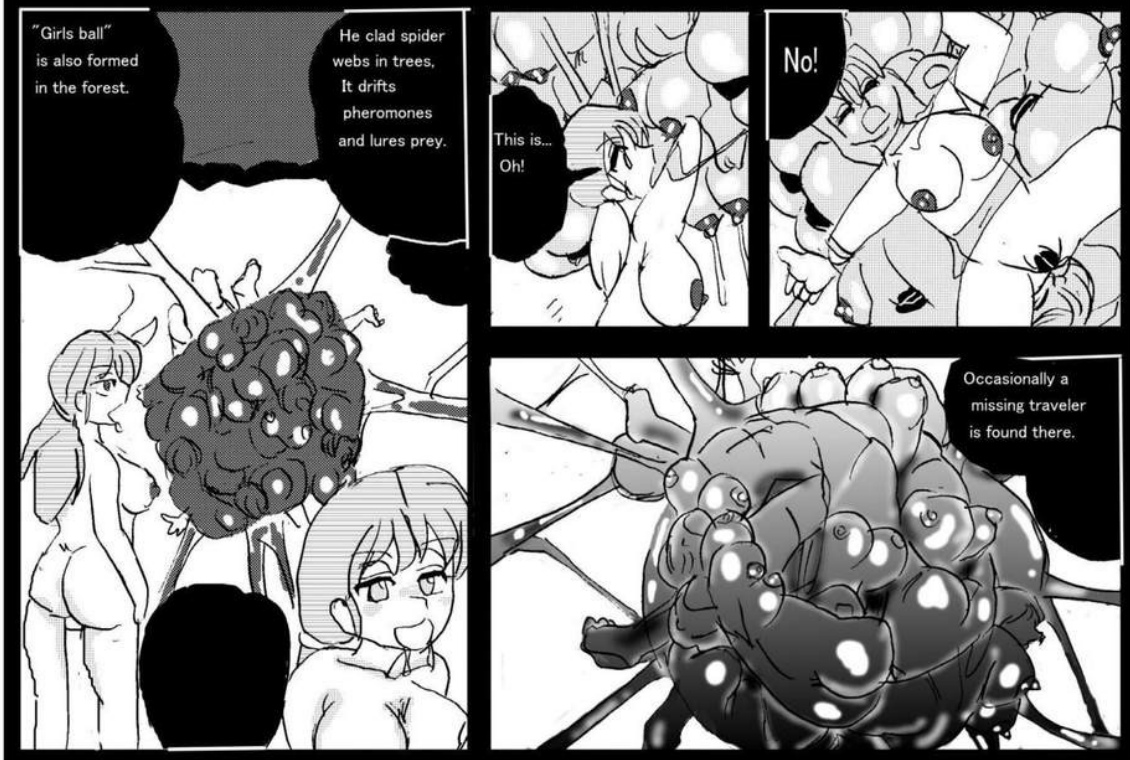

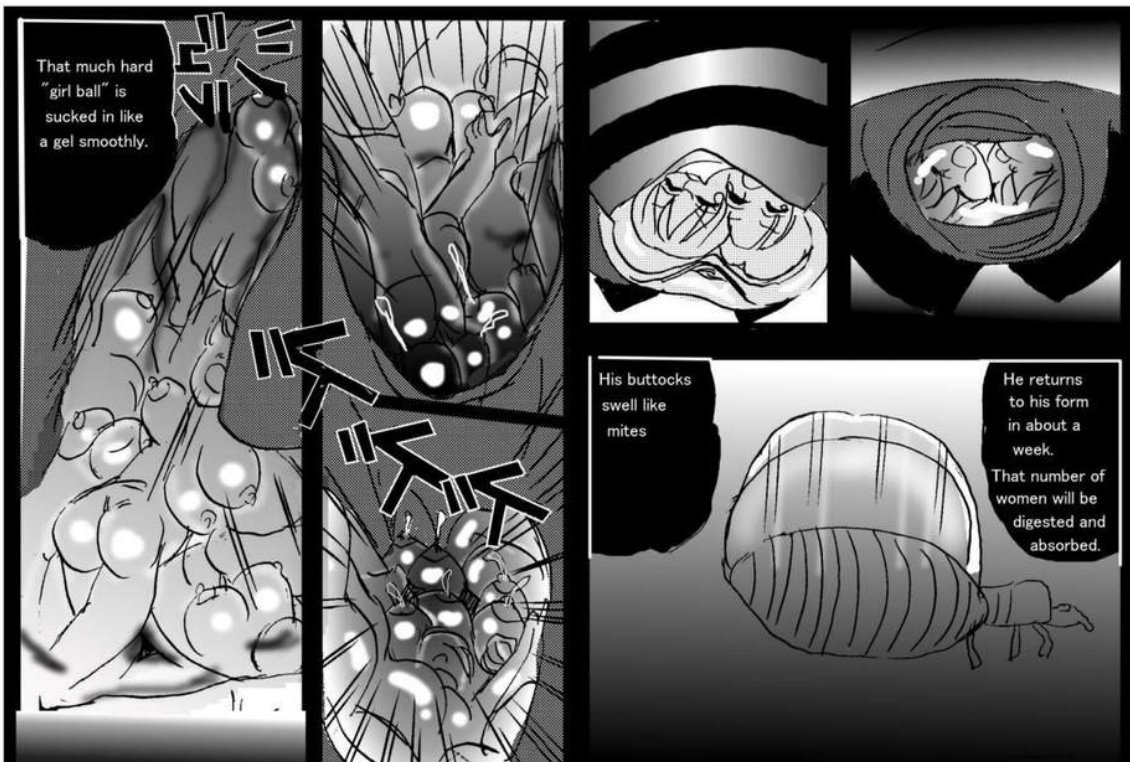

It is a so-called "girls dumping"

The center is a spherical body, and it is solidified tightly.

When it gets bigger, he breathes.

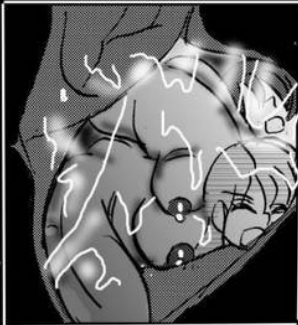

The next deity
is a worm.

He has a
characteristic.
he has an
extremely
narrow
eatery.

It takes several
women and drinks
it, but they
go through
that narrow
esophagus.

Even though even
one woman does
not pass, if
several women
collectively pass
through ...

I'll be
broken.

I will die

AAAAH!

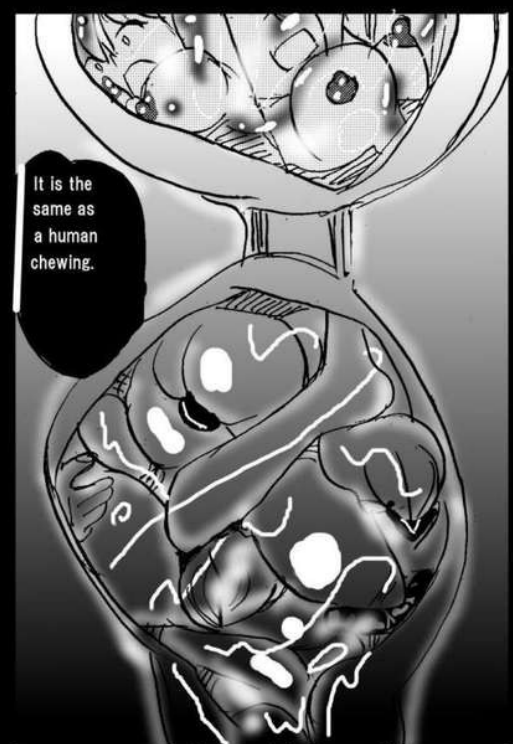

Noo!

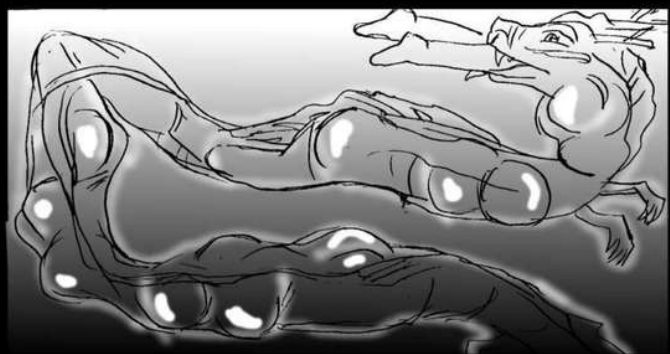

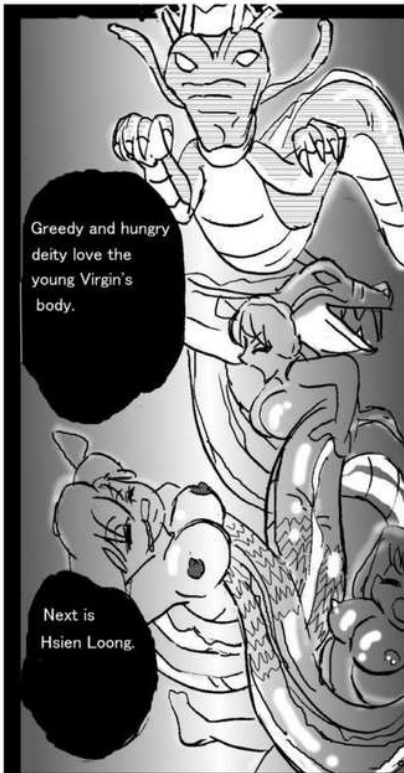

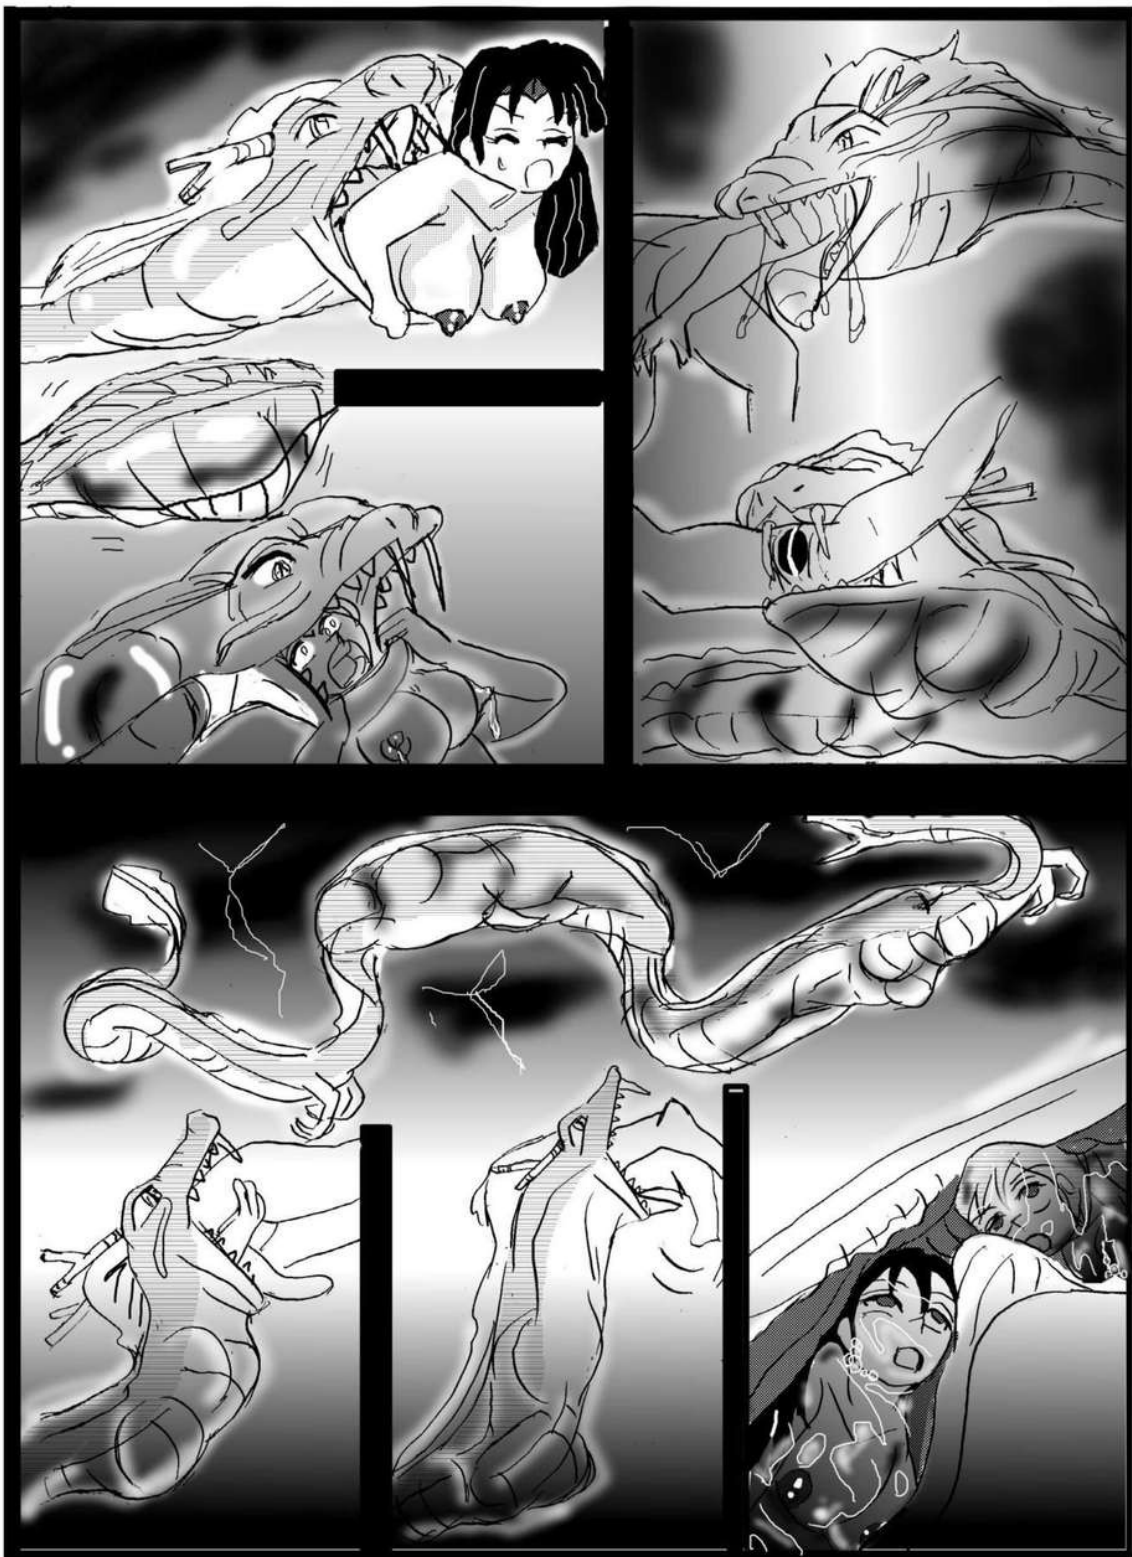

My body!

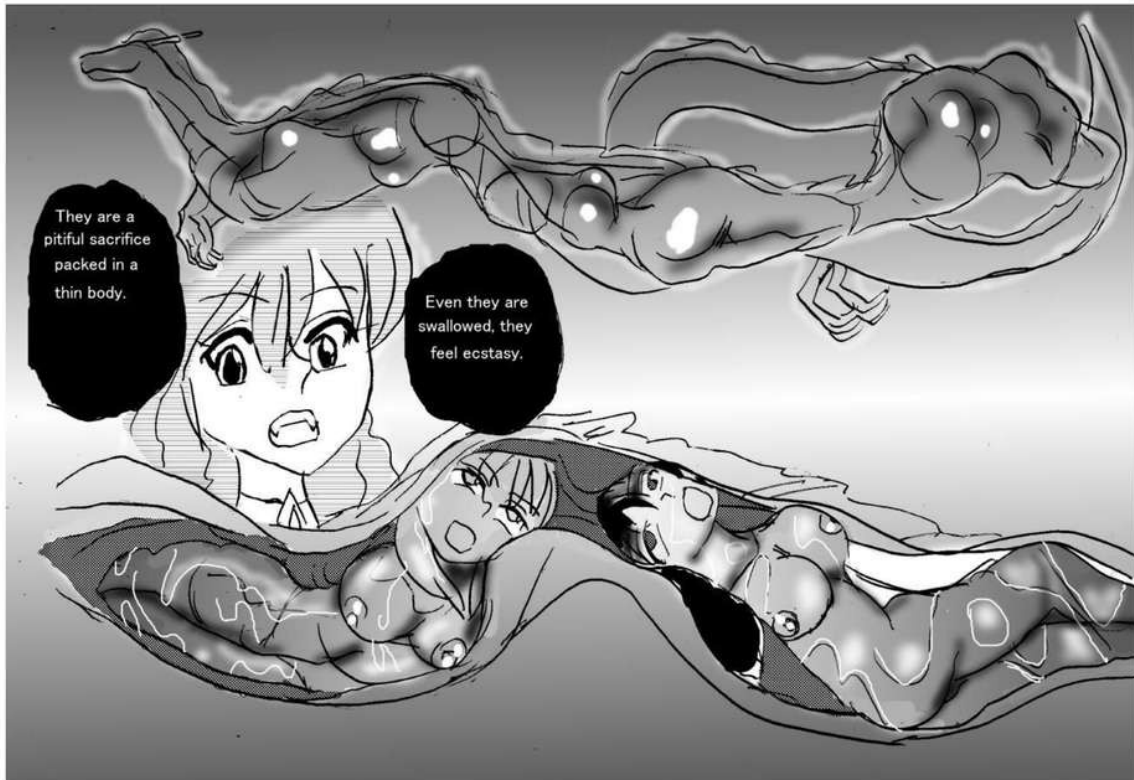

I will
collapse

They are a pitiful sacrifice packed in a thin body.

Even they are swallowed, they feel ecstasy.

They are destined to serve, and destined to lose their heart and bodies.

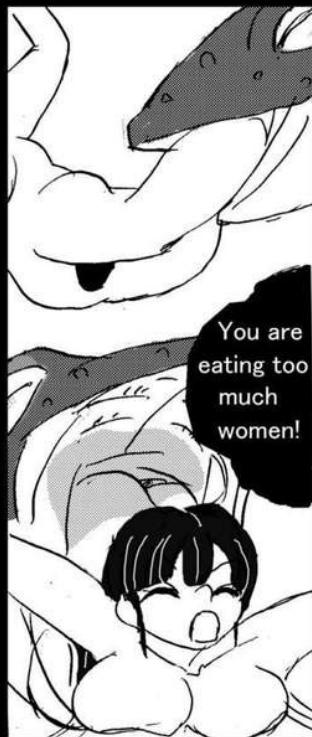

It is at least a consolation that they disappear while feeling ecstasy.

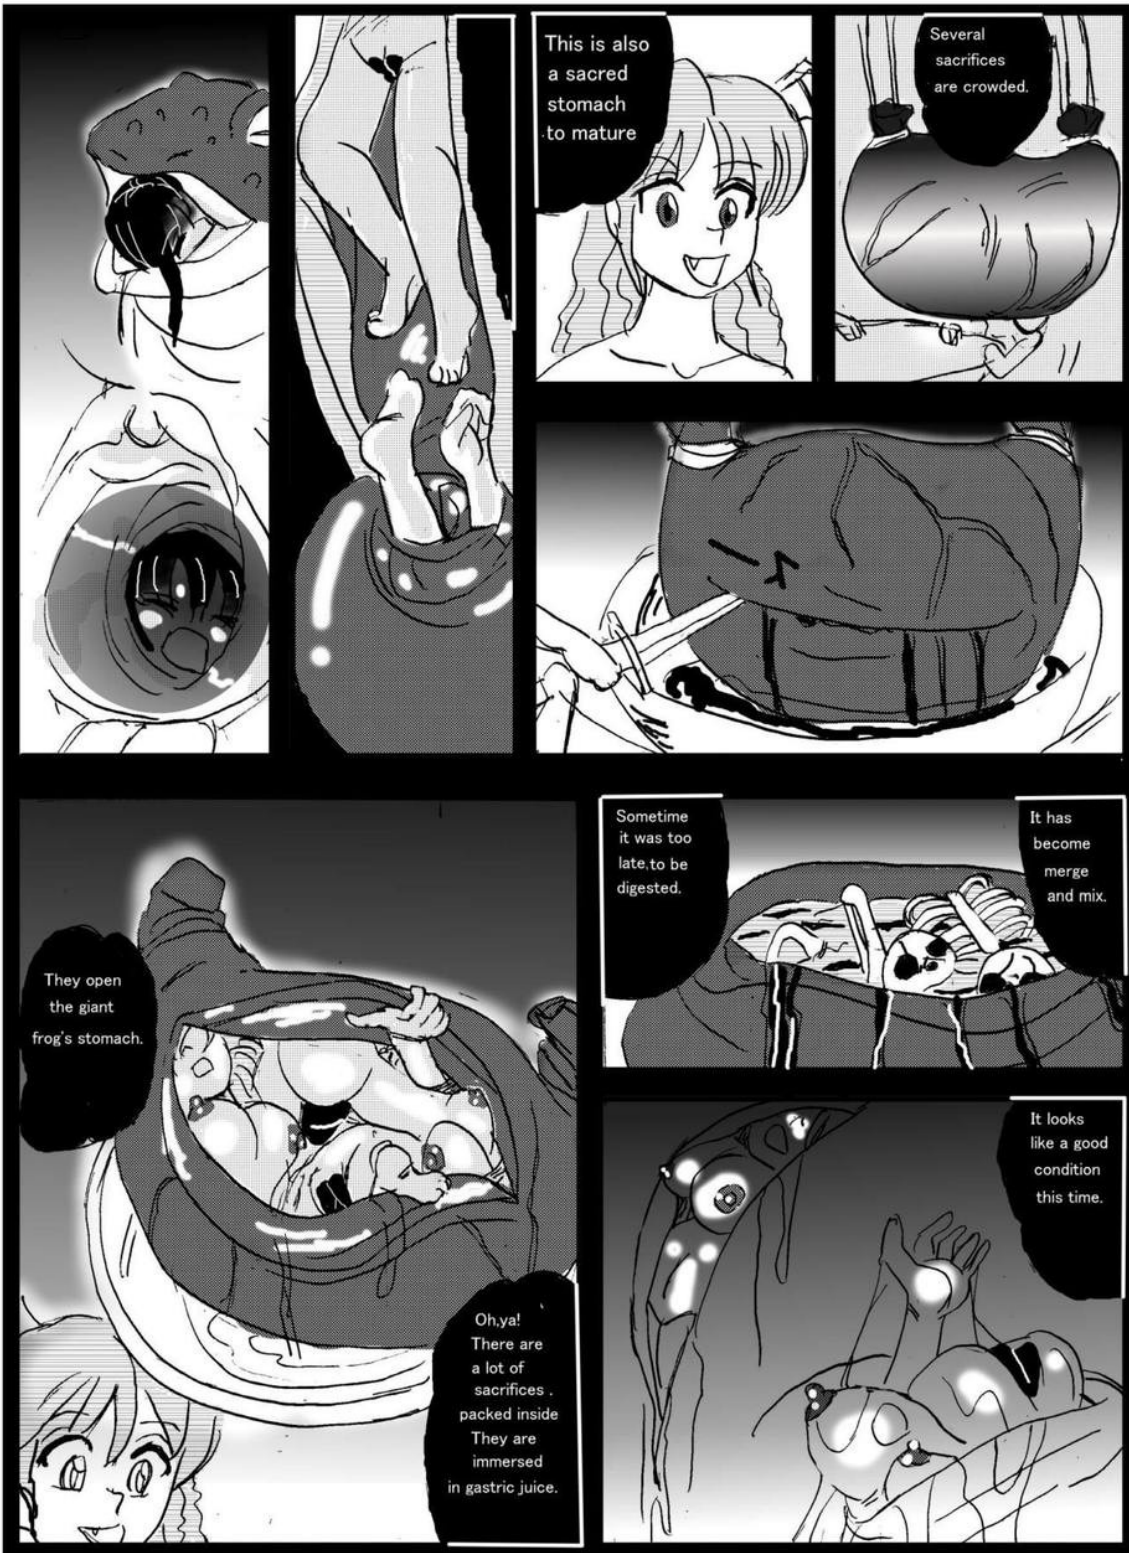

Next is a gaint frog. He is greedy and swallows at random.

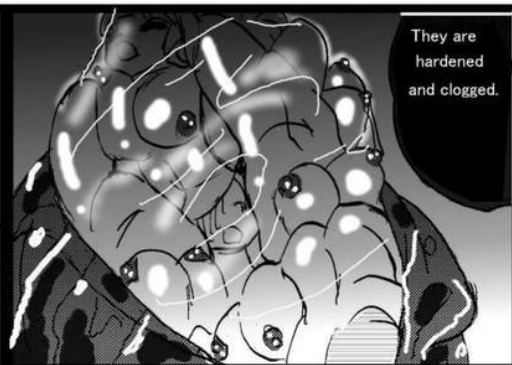

He swallowed and digested many women into a tough stomach.

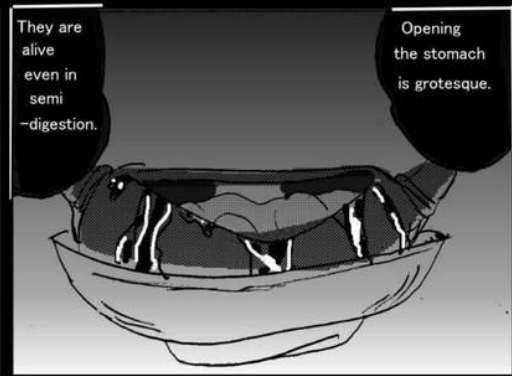

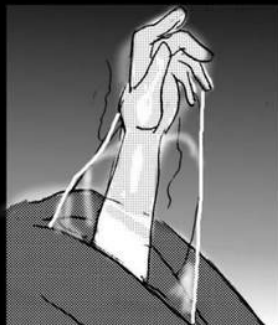

They are
hardened
and clogged.

They are
alive
even in
semi
-digestion.

Opening
the stomach
is grotesque.

The offering
will return to
the earth doll
at the end.

If this is
a human being,
it will be
serious.

This time
it's my turn
I will devour
the sacrifices.

In my case,
it is a principle
to enjoy with
prey before
eating.

Oh

They are
already crazy
about lesbian
play.

Ah

slurp
slurp

suck
suck

When I take
off my clothes,
they will
have a ruin.

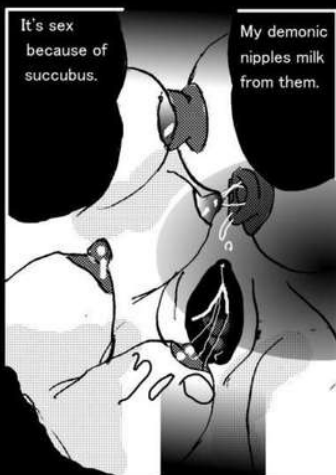

slip

I interrupt
them and
fu*k nipple.
I insert like
a penis with
a long nipple

A human
woman seems
pleasant to
suck milk.

It's sex
because of
succubus.

My demonic
nipples milk
from them.

After having
sex, nipple
pours breast
milk into
vagina and
anal.

I will drain
them until the
milk tank is
empty.

I am a vampire, but I like body fluids

My nipple stands in the urine of a young girl

Liquid overflowing from the buttocks

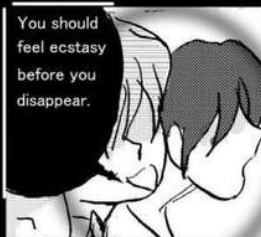

My nipple stands in the urine of a young girl

My nipple stands in the urine of a young girl

Devilish sex

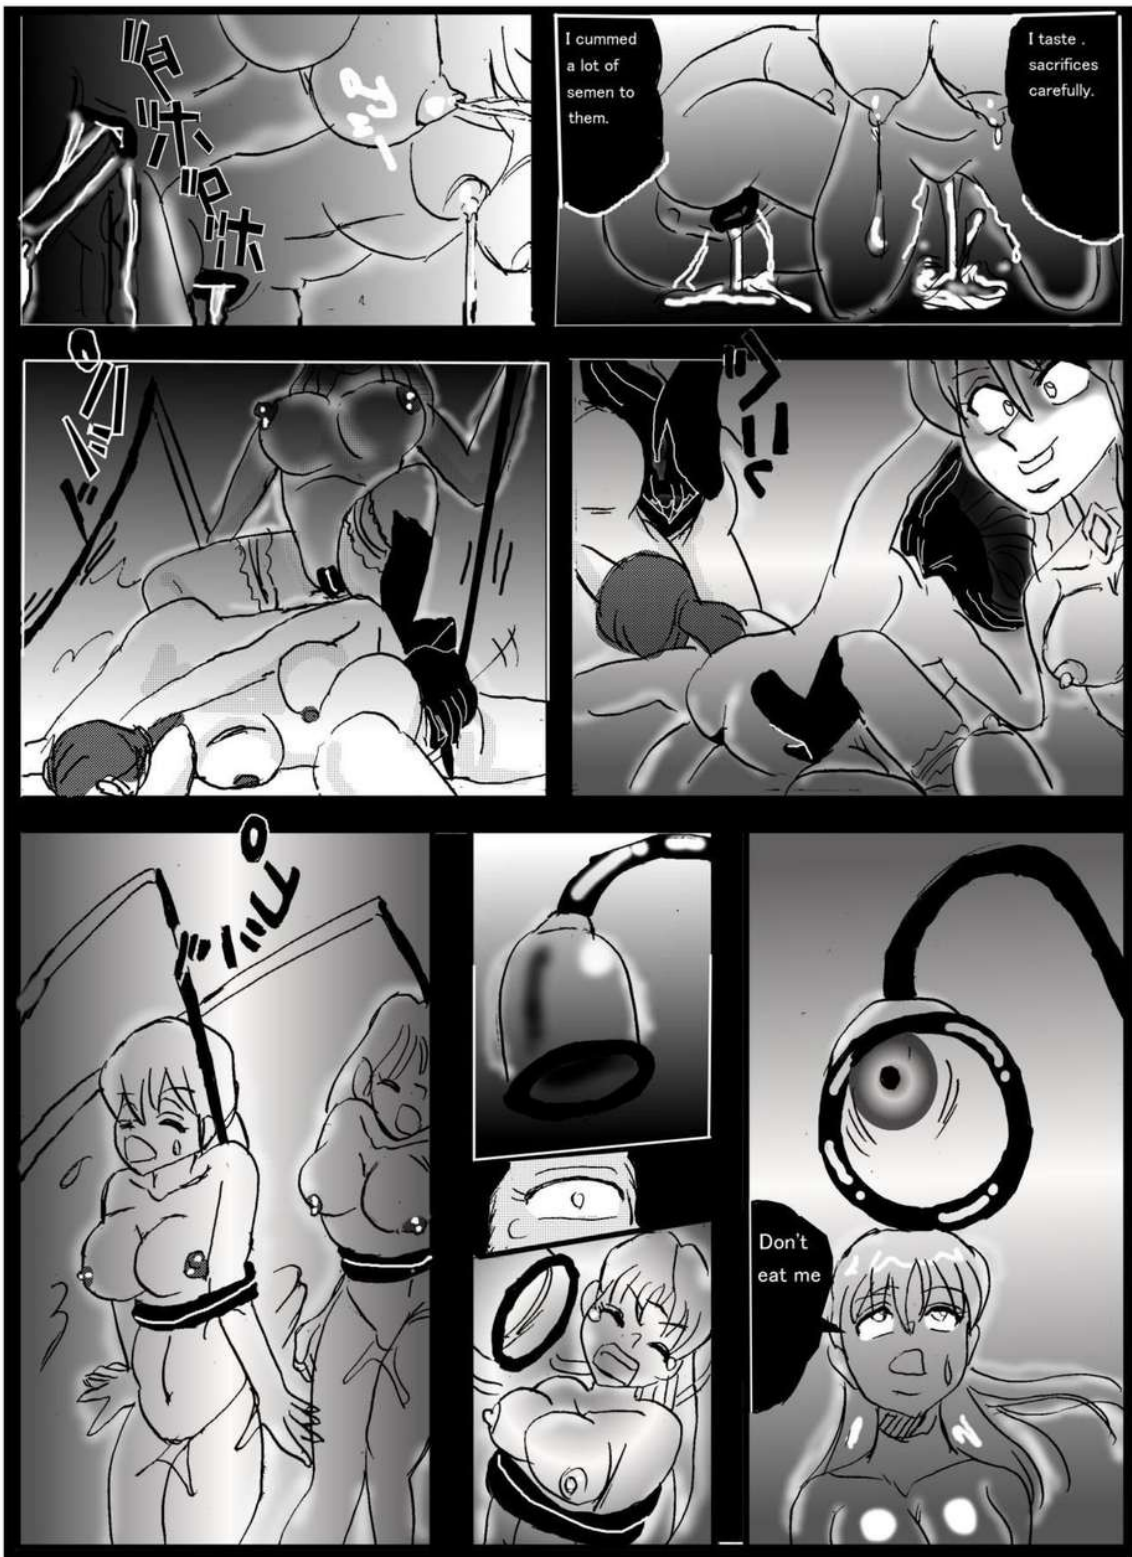

You should feel ecstasy before you disappear.

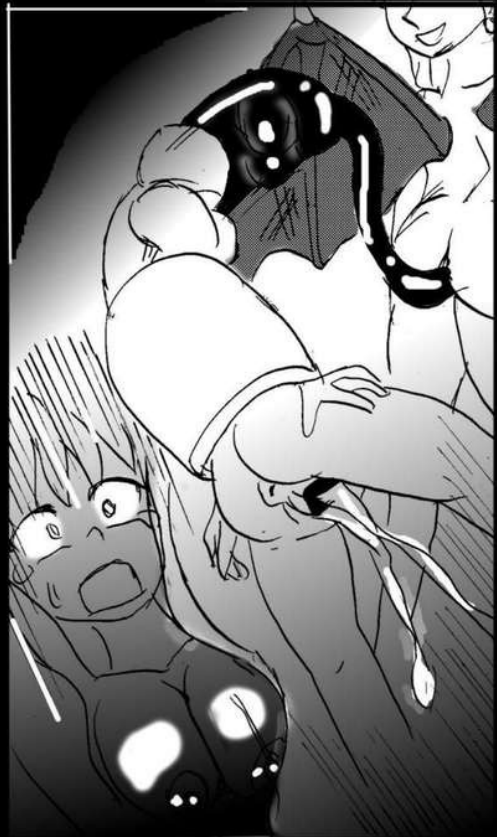

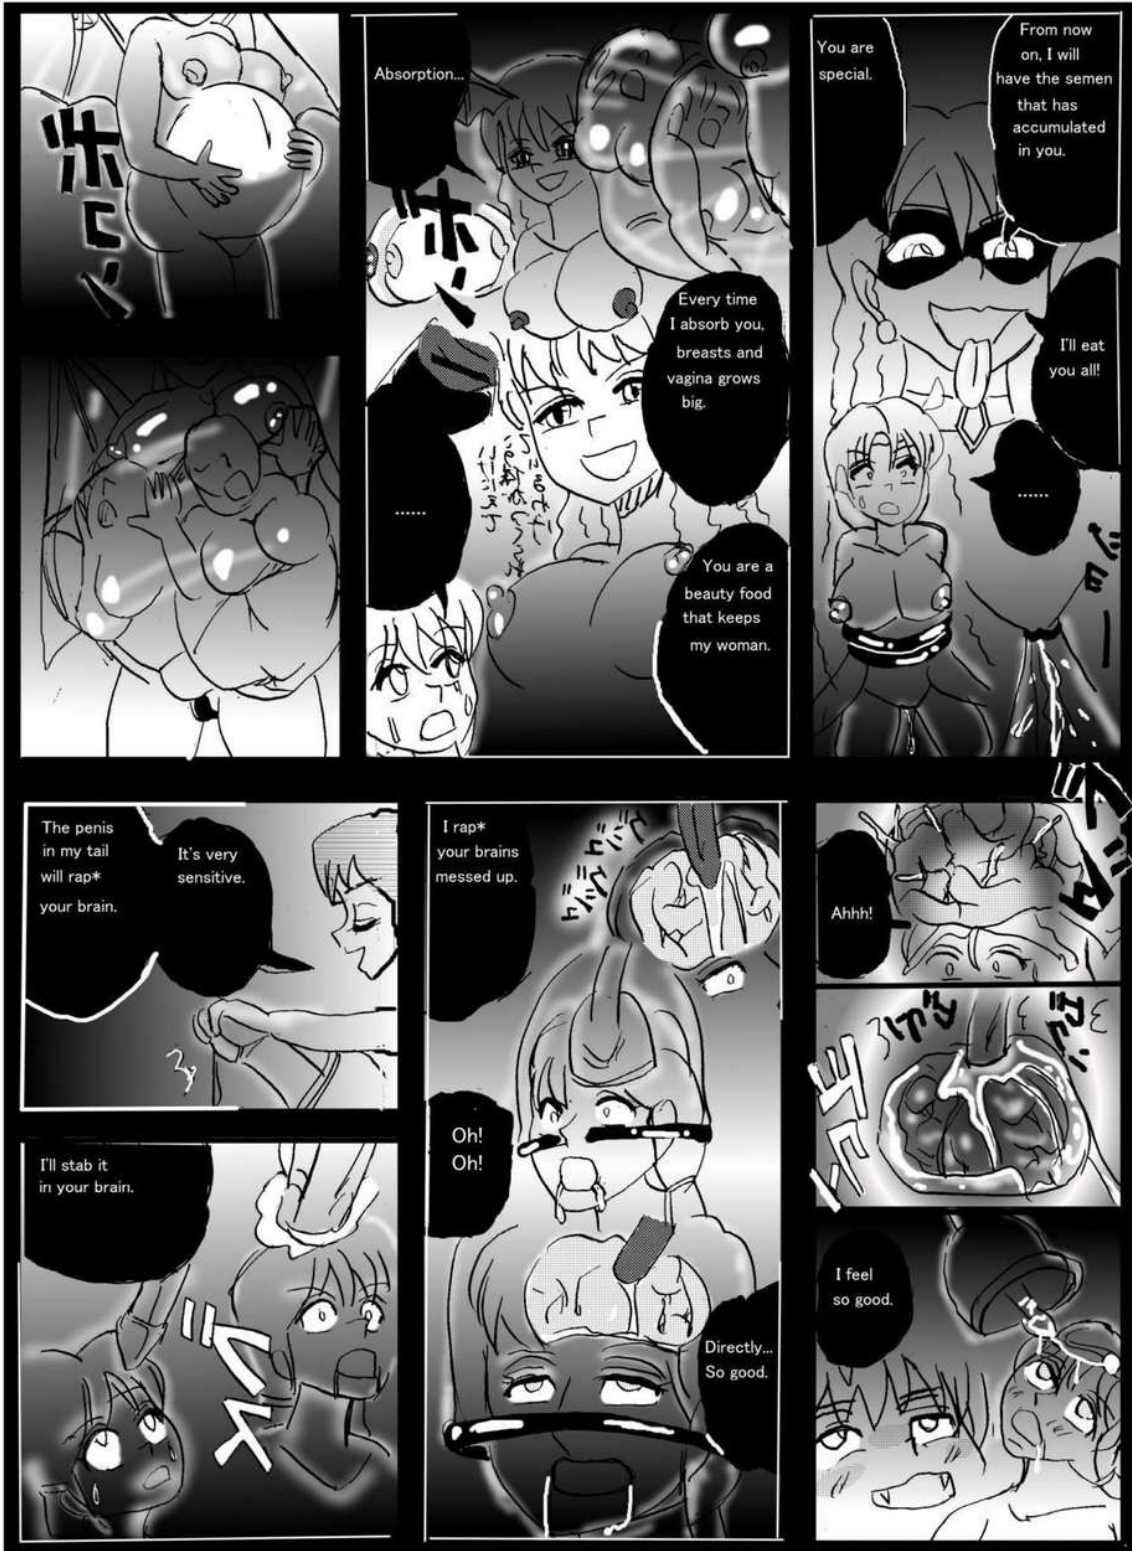

Bifurcated huge clitoris expands.

Double insert!

Those rap*d
at my penis
lose the spirit.
They are just a
piece of meat.

They lose
their souls
and continue
to wander.

They are
soulless.

They will
want
themselves
to be
swallowed.

All
sacrifices
enter our
stomach.

AAAh...

Oh...
Oh...

They no longer
lose their soul,
they become
a mass of meat.

Just I will
eat them
gruesome.

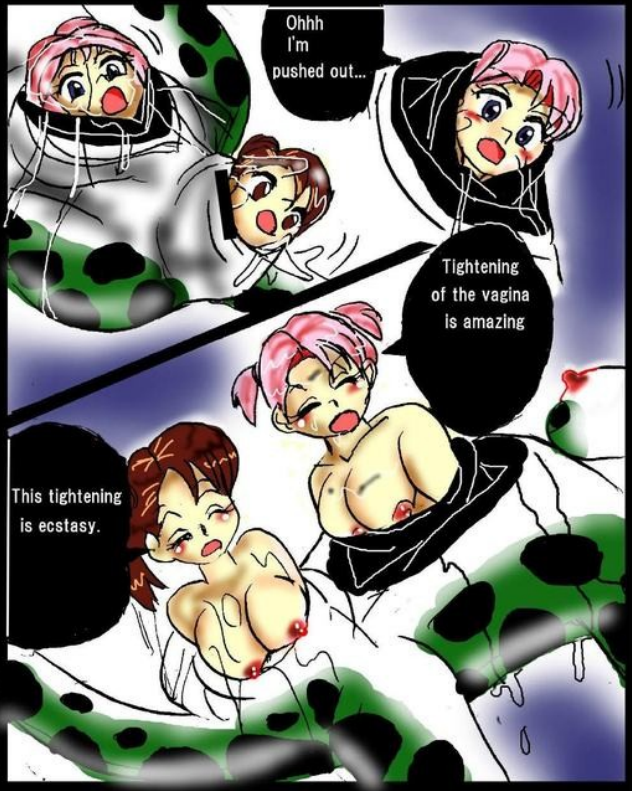

The fate of the
defeated female brave
