@seranon

I am Sera from the circle 'Kosuko Teikoku'.

Presented by
COSCOteikoku

Thank you very much for letting me participate in this collaboration book! I started looking at Vtubers around December of last year, and I'm addicted to them now! I'm specifically hooked on Hololive! It's full of variety and very interesting! I drew my part with the feeling of, 'when talking about breasts, it has to be Noel-chan!', in a situation where she spoils the fatigue of your day away! As for me, I am active in a circle known as 'Kosuko Teikoku'. The main genres are mostly 'Futanari' and 'OneeShota'. We participate in the Comic Market and Futaket, so please check our Twitter for activity details! Thank you!

Tsukuha

@chaka i514

Not rubbing one with big breasts can be considered very disrespectful.

Otonashi Odecchi @audio_otonashi

I'm Odecchi who happened to participate this time! Roboco-san is cute! And her breasts are huge! So I took the brush with this short-term idea.

T-Take care when it's dark out and f*p-f*p with these comics!

Twitter

Shibito

@shibi_to

Nice to meet you, I'm Shibito! I've participated in quite the wonderful joint work this time. Paizuri is quite a specific inclination, so I'd like having more paizuri-only books. This time, I drew Oozora S*baru. I can't talk much about it. I probably won't be able to go to Valhalla anymore. It's one of my personal works, so I'd be happy if you could enjoy it at least a little.

George Hirune / @G_Hirune

Nice to meet you. I'm George Hirune.

I drew Ch*co-sensei this time. I really love her... Sensei... Would love to draw more paizuri art next time! Thank you very much!

Either 'Se'yama' or 'Sa'yama', don't mind whichever you call me. I'm Sayama. Without 'se'!

Because I'm always asleep at the last minute I end up looking at the archive often, but her voice is so gentle, I really like it... Kawaii.

@second_soru

Hello, I'm Urakawa.

This time, I drew Hololive's Tok*no S*ra and Suk*ya K*na. These two are my favorites, they heal me, and they make really fun streams so please do subscribe!

And lastly, these final words:

Please don't stab me.

Twitter

Saboten Teishoku

@Cactus0130

Nice to meet you, I'm Saboten Teishoku. I drew N*jis*nji's Sukoya Kana-san and Shirayuki Tomoe-sama this time. They're the type to flirt on their streams often but please do subscribe and give them a high rating.

ぶいずり

Afterword 2

Diisuke @DiisukeHan

Ever since watching their streams, I've been really wanting to write more than just a double paizuri and so, this is the result. But I wouldn't let Luis, who is a little girl, do something like this...

Fuucha @fu_tea0v0

I drew Shiina Yuika-san! My name is Fuucha.
It was very disappointed to see C98 being canceled, but I'm glad I could participate in this joint work. Thank you, Hutoshi.
My motivation has dropped considerably because of C98's cancelation, but I plan to sell a doujinshi of Takamiya Rion someday.
Please follow me on Twitter or Pixiv if you'd like!

Anago @Anago_nia

I drew Shiishii and Hima-chan's paizuri manga this time.

It was pretty much the first time I've drawn Vtubers, so I had a lot of worries, hoping I could illustrate the individual characteristics of each Liver while doing paizuri.
I feel like there are a lot of Nijisanji Livers who speak in Kansai dialect (I like Sasaki too).

Nukaro @nuka_06

I've become a fan of *rs ever since I saw her surrounded by trees in Minecraft!
Your voice and face is so cute, Shishou!
Thank you very much for letting me participate in this wonderful joint work!
Support Blues!!!

Name: **Nisshisshi** Twitter: @244__

I'm part of the circle 'Yarushikanai'. My name is Nisshisshi. Ponytail Suzuhara was so cute that I had to draw it! The new outfit is also a little devilish... I think the cutest bit was during her Mojipitan stream, where she tried to put an 'E' block in front of 'Ichi' before she realized it would turn into 'Eichi', so she didn't put down the block. Also, DebiLulu is extremely Tee-tee and I'd to see it continue...

And Nijisanji's Radio was also good... And Debi x Kaneda Tomoko too... And speaking of which, the recent Ghosts'n Goblins stream was finished so quickly, I felt that they were getting better at action games.
Anyway, look at Suzuhara-san's streams... And Debi-sama's streams... And Utako-san's streams... And Natori-san's streams... And Hololive's, too... (Ran out of space)
Thank you for inviting me!!

Name: **Sasanoha Toro** Twitter: @sasa_akamegane

Hello, I'm the OneeShota lover, Sasanoha Toro. My motto is how gently and carefully one can peel the foreskin off a shota dick in illustrations or works.
This time, I drew two of Nijisanji's members, Aizono Manami-san and Suzuki Masaru-kun.

In Aizono-san's channel you can listen to some pervy talk, Beni Zuwaigani, and lets plays with good reactions. (I also like her thighs. And her tummy, too.)
Masaru-kun's channel has handsome shota ASMR, crossdressing, and even strip mahjong. (I want Masaru-kun to clean my ears.) I hope you can subscribe to their channels.

My future activities would be to keep drawing OneeShota, and maybe considering doing Youtube streaming. I'm mainly active on Twitter, so it would make me very happy if you followed me. Lastly, I picked would like to thank all the artists involved in this work and the readers who up this work.

Name: **Harukatto** Twitter: @_sora_haru

Nice to meet you, my name is Harukatto. I drew Meiji-chan, who is from Nijisanji! She's a loli and big-breasted and a great singer so please do check her channel...
The sense of immorality of seeing lewd illustrations while listening to the songs that would Nijisanji would release on the major labels is a pretty good feeling...
It became a bit longer than expected, but if my illustrations made you happy in some ways then that makes me glad.
Thank you for viewing~

Name: **circussion** Twitter: @circussion

Hmm... A witch, huh... Fuu...
Do you like lewd, clumsy witches?
I love them.

Nui is so good. I like low voices in general, so I love her talk and gaming streams.
Now then, I'll be waiting at the snack bar...

ぶいずい

Afterword 3

Ueda Zirou @uedazirousan

Thank you for letting me participate in this joint work. I'm Ueda Zirou, who normally draws lewd Nijisanji art.

This time I drew Hina Asuka. Let the lewds for Hina grow! I would like to participate in a bunch of joint events in the future, so please feel free to contact me by DM!

Name

Kwaraya

@kwaraya_EDO

Nice to meet you. My name is Kwaraya. Being able to tell they're large breasts under her clothes, even though she's pure... A lot of delusions can come up because of Claire's breasts. Anyway, here's Sister Claire.

It's been three months since I've started drawing erotic pictures, but I haven't had any experience in drawing manga... So this is the first real manga that I've drawn. It's a poor one, but I'd be happy if it became useful for your night. I'll be looking forward to hearing about your thoughts on it.

May the breasts be with you.

Yomei 3-shuukan @yomei3week

I'm Yomei 3-shuukan. This time I drew Claire-san and Pyro-chan. I don't have much to say, but there is one thing.

Please do follow their Twitter, subscribe to their channel and give them a high rating!!!

NAME

Twitter

Shirase Yui

@yn_shirase

I'm Shirase from the circle 'white Lily'. I drew Nijisanji's Takamiya Rion-san and Hakase Fuyuki-san. After watching the stream of Gold and Silver, I felt like wanting to get teased by them both~! So I made this illustration. I'd be happy if you enjoyed getting teased by these mean girls too!

Tsumayouji @tumayoG

Thank you for your continued support. I'm Tsumayouji's brother with the same surname, Tsumayouji.

I tried to make an adult-oriented monochrome illustration, which I don't usually draw. Thanks to Hutoshi for reaching out to me! I'd be happy if you could accompany us with this Stay Home movement. I want to eat a godly artist's arm. *If you're here to throw stones, go to the brother with the same surname instead of Tsumayouji.

My name is Hutoshi, the organizer for this book 'V Zuri'.

I had no prior experience in hosting a joint work, but I've always wanted to do a Paizuri-Only book so I planned to see this until the end and close it out.

I think drawing paizuri art of your favorite member is really good in my opinion!
