The End.

AFTERWORD

I went with a Nijis*nji book last summer,
but this time I decided to go for a light and simple book
dedicated exclusively to one of its members, Shizuka Rin.
I always watch her streams and find myself captivated by
her shrieks and actions, which I wouldn't certainly expect
coming from someone with such a beautiful voice as hers.
Frankly speaking, I don't think that drawing porn contributes anything
towards supporting my favorite Virtual Youtubers (Why would it!?)
but this is what I want to draw so I'll keep doing it...!
I love Virtual Youtubers with a passion!

Pages 2 to 6

This was a gag I wanted to run with, so I ignore if it reflects the actual circumstances under which Shizurin streams. The stuff she says is a reference to one of her Dark Souls streams. Her Dark Souls streams have the best dirty shrieks out of all her streams, so I highly recommend them.

Pages 7 to 12

I didn't expect to find out that Shizurin had the biggest rack among the JK Gumi group when they revealed their summer outfits... That was a nice surprise.

Page 13

It's just a sketch, my bad. Still, military uniforms rock.

Pages 14 to 32

23 years old Shizurin with long hair. She came out as an extremely straightforward person. This probably isn't like her...

I got too lazy to properly draw the clothes and small details and accessories of the scenery. I think I'll redo this in the future so you feel like you got your money's worth. Please look forward to the next Rin's Snack Bar.

Rin is stupidly cute when she sneezes.
She's the cutest girl there is.
Uruken North, the end of century Vtuber,
has cute sneezes too.
