Pharis Girls School  
Mock Exam Room  
Exam starts at 13:00

in this place together with Sensei.

For today, we will take a mock exam

Mock exam ...!?

Yes, a mock exam modeled like an entrance exam of a very prestigious school, Pharis Girls School! Here's the application form ♪

This mock exam is just like the real thing, so if you manage to get an overall A score...

I, Shindou Jun, am being trained by these girls.

we'll remove your chastity belt!

And then...

I am forced to wear little girls' clothing and mannerisms.

They also keep the keys to the belt only to themselves.

Ever since they locked this chastity belt... I can only ejaculate while in drag.

I begged them non-stop to let me have the keys.

Heh... seems like that'll be too easy for you. Then... here's another condition!

Y... Yeah!! I might look like a little girl, but I'm still a teacher! This exam will be a walk in the park!!

Now I just have to get an A for that!!

The exam is divided in two, but for now, you just have to take the written exam in this state!

The exam is divided in two, just have to take the written exam in this state!

It's just what it looks like, an anal plug!

T... That's...

You'll have to wear these toys while taking the exam!

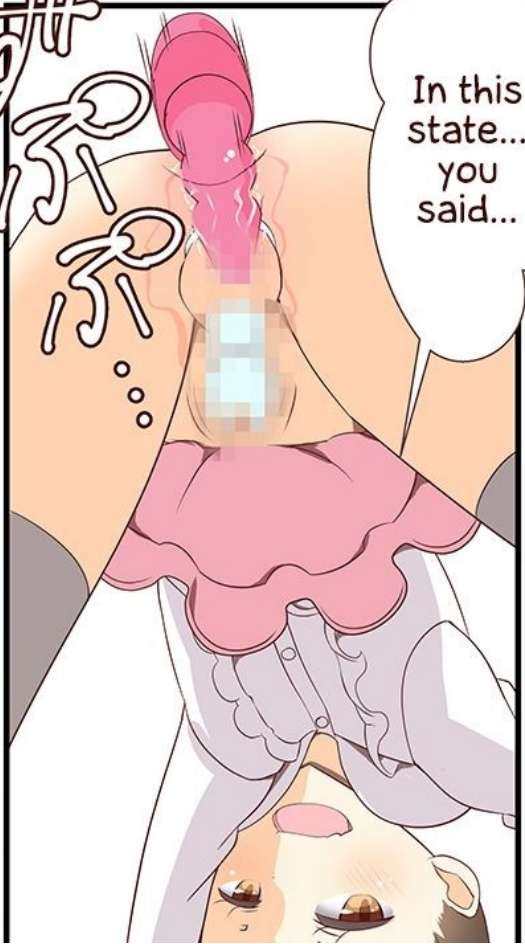

Then ...

...At least that's boring for us

Because you're a teacher, so letting you to take an exam normally is just boring,

The word ファリス, the school name which the girls talked about in the first page is a namesake of a French racing horse "Pharis", but it also sounds like "Phallis", which might be an intended pun that goes well with the theme of this book.
