Previously on My Neighbor Yutaka-san...

Upon entering university, a young man named Kenta Yamase decides to get a place of his own. When he decides to say hello to his new neighbor, Yutaka Hojo, He finds out that Yutaka is an office worker with outrageously large boobs. Kenta falls in love with Yutaka, who always takes care of him. And soon, they became lovers.

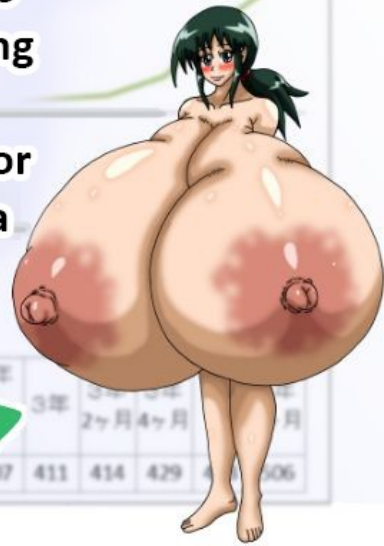

Their horniness and sexual desires are so intense that they spend every day of their lives making love regardless of place and time.

ゆたかさんおっぱい成長グラフ

Due to this kind of lifestyle, Yutaka's already humungous breasts continue to grow bigger and bigger with each passing day.

Her tits expand as her feelings of love for Kenta intensify. Both Yutaka and Kenta are not aware that this is the reason.

Kenta is happy that Yutaka's boobs keep growing bigger, but Yutaka has mixed emotions about this.

Her breasts have been getting so large she worries they will start to be too much to handle. However, she loves how happy they make Kenta.

This volume is about the struggles Yutaka has to face in her everyday life

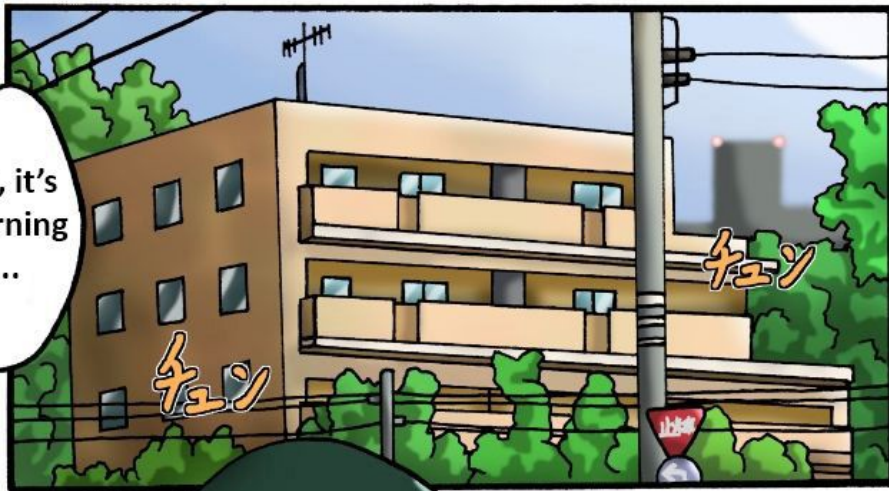

I hope you enjoy

Oh, it's morning ...

Good morning Kenta-kun

You cummed so much yesterday, yet your still erect this morning

.....!

At least, it feels that way ...

... She's realized they're so big she can't see Kenta's dick

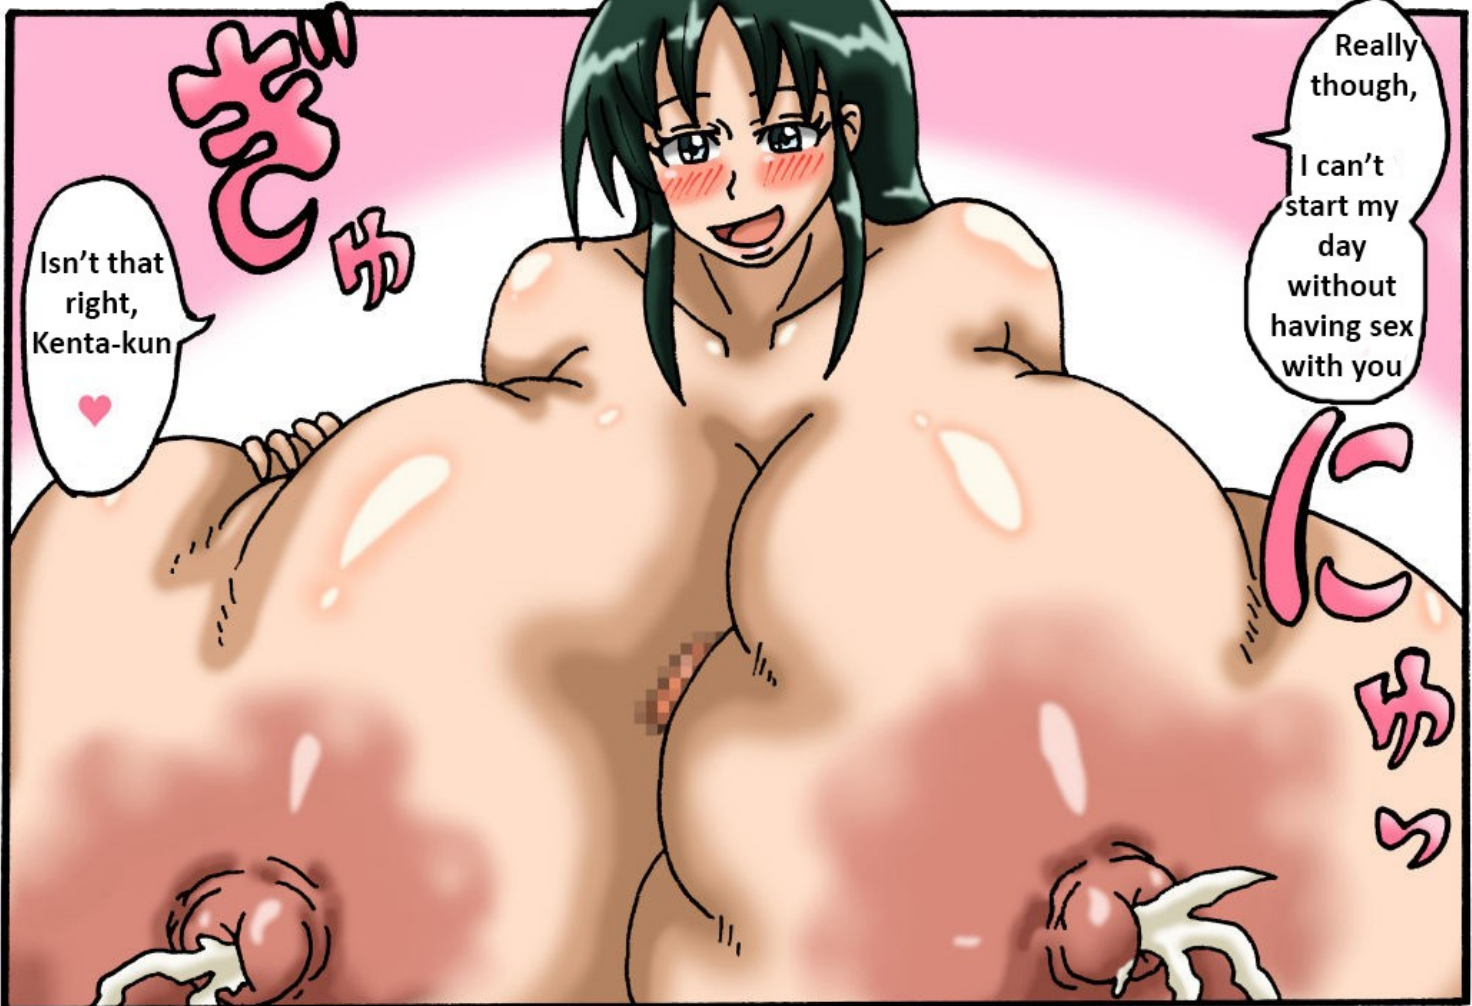

Yutaka is surprised by the size of her boobs ...

As Yutaka's breasts have grown, so too has the amount of milk she produces

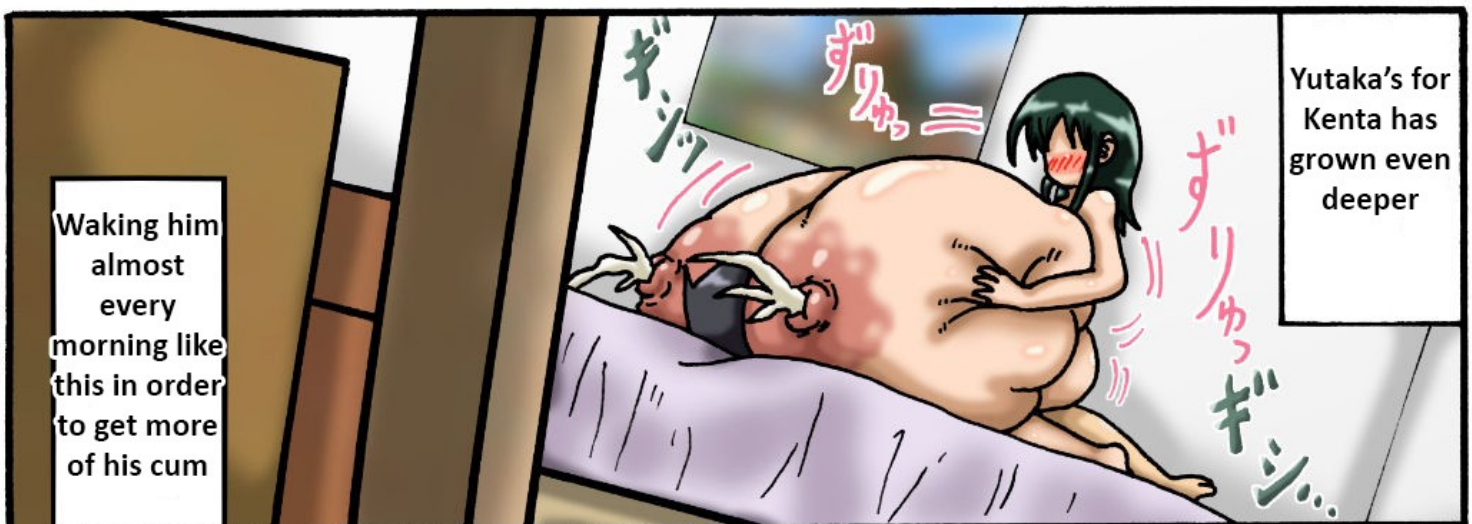

Ahh... My boobs are so full already ?!

Isn't that right, Kenta-kun

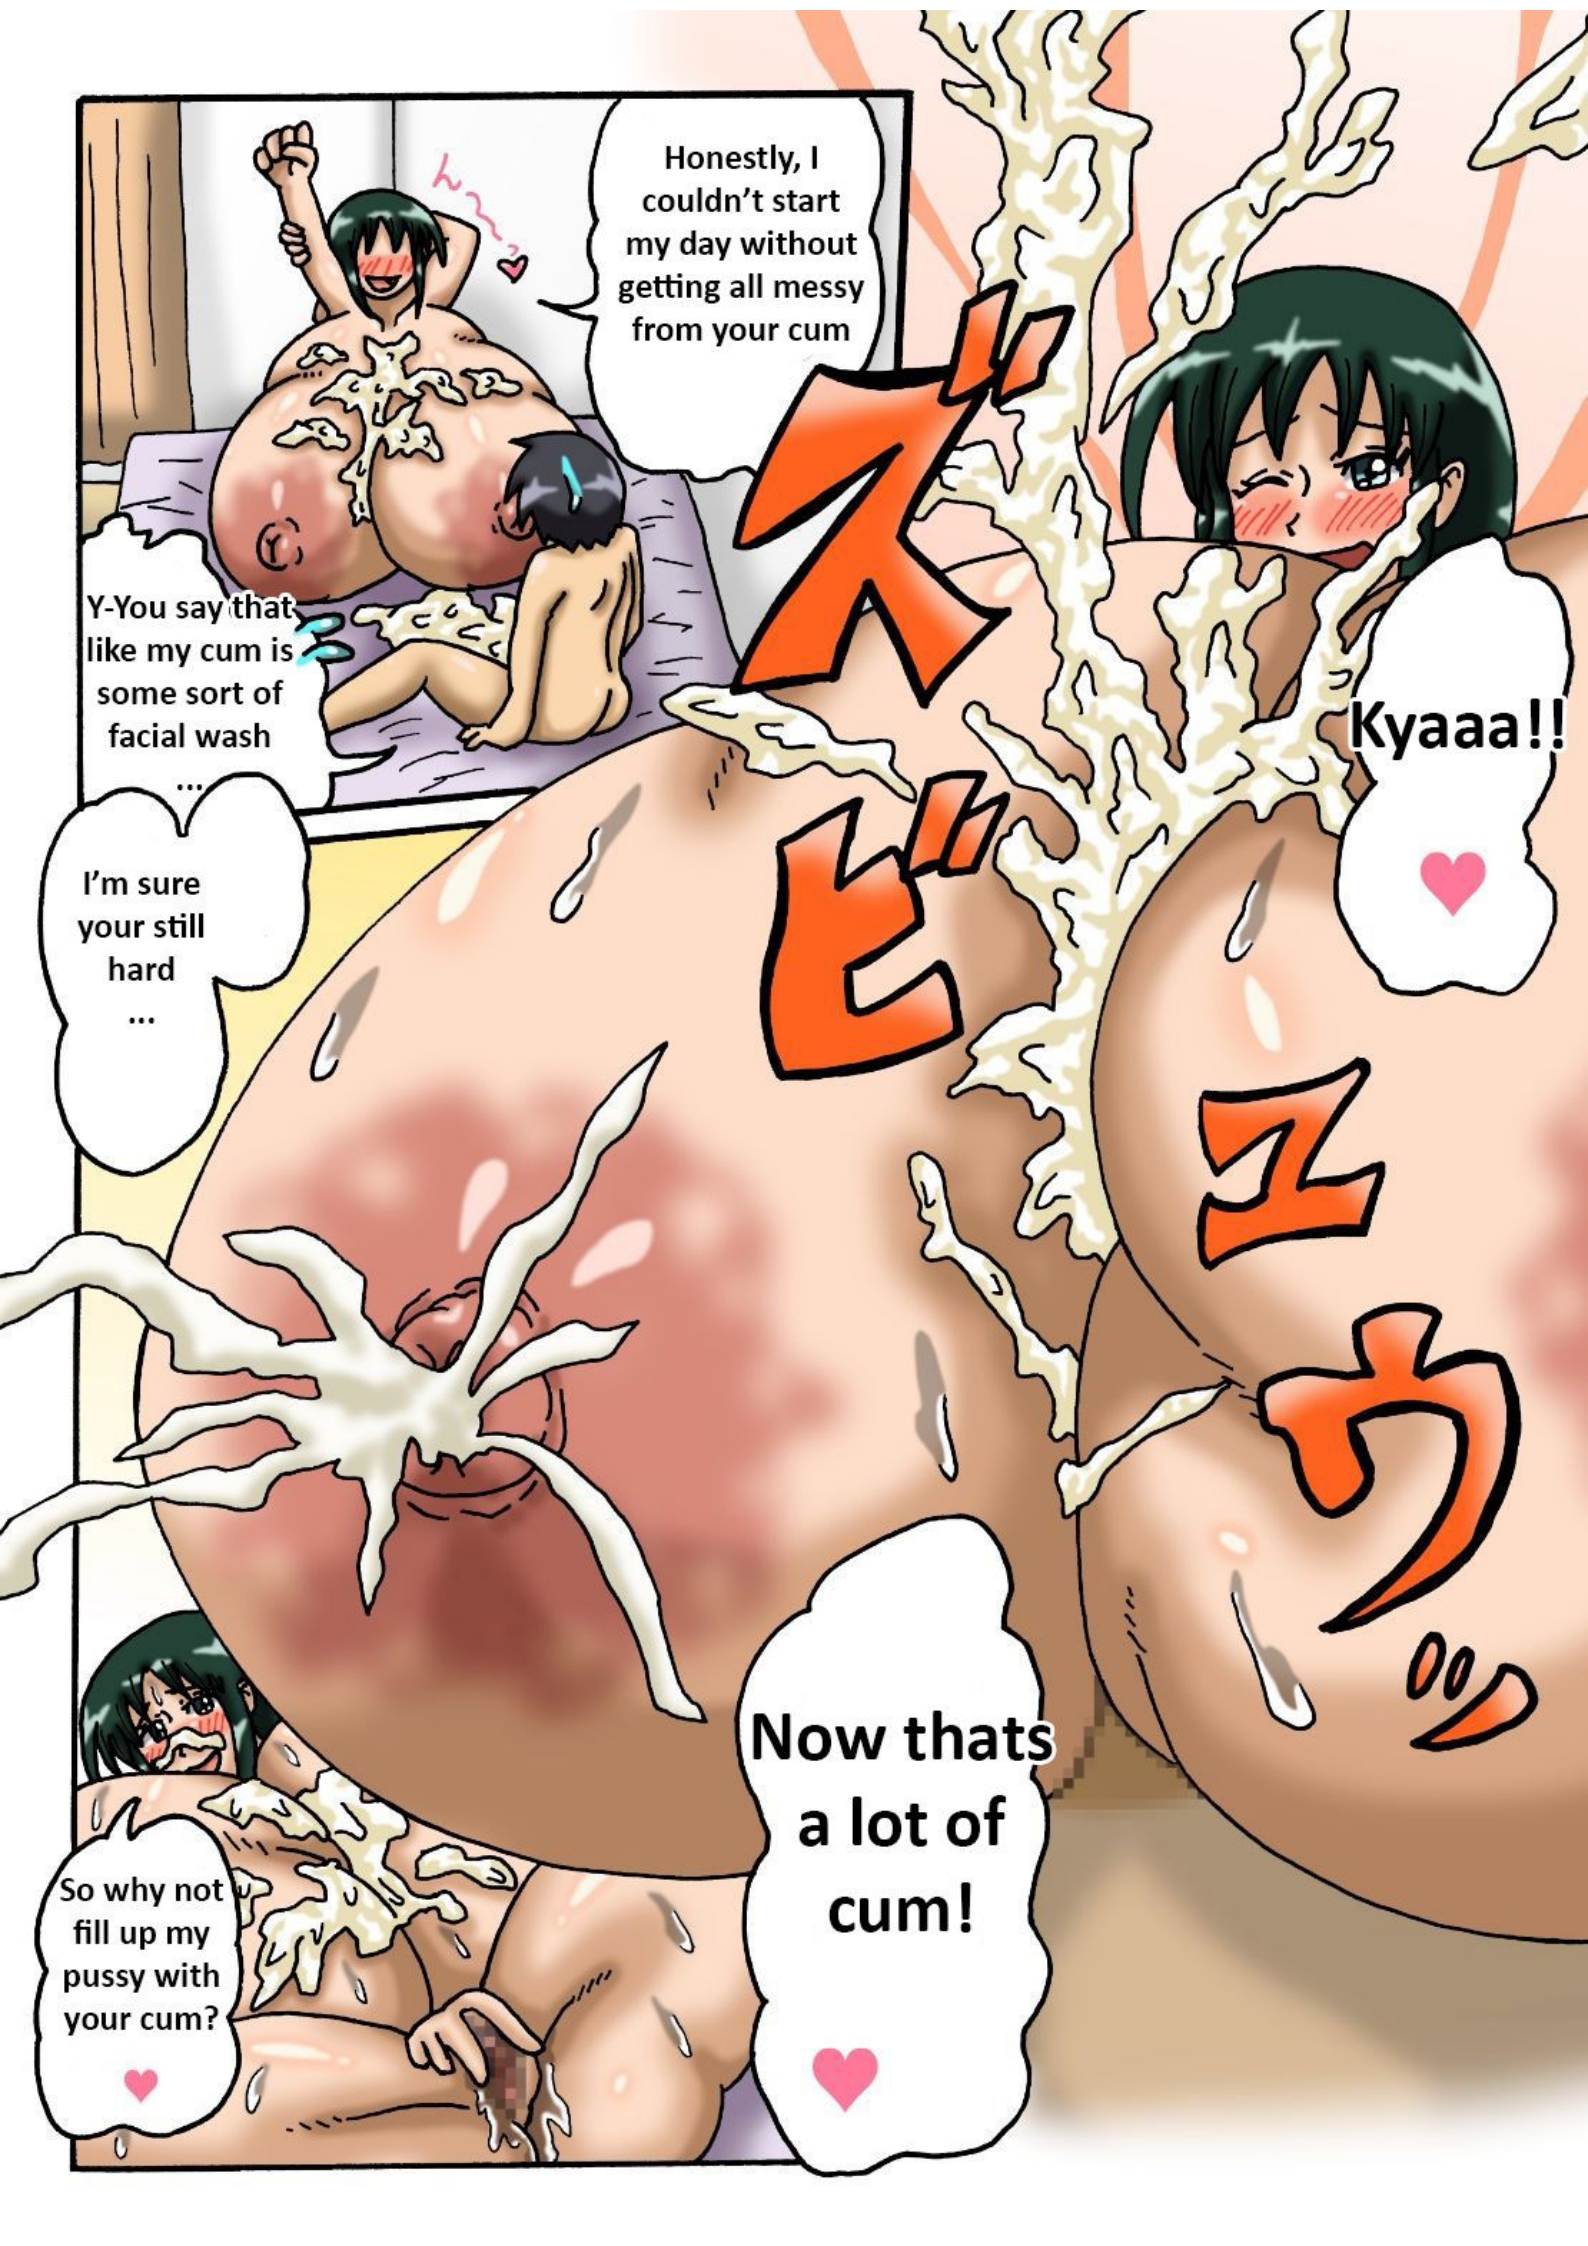

Really though, I can't start my day without having sex with you

Waking him almost every morning like this in order to get more of his cum

Yutaka's for Kenta has grown even deeper

Honestly, I
couldn't start
my day without
getting all messy
from your cum

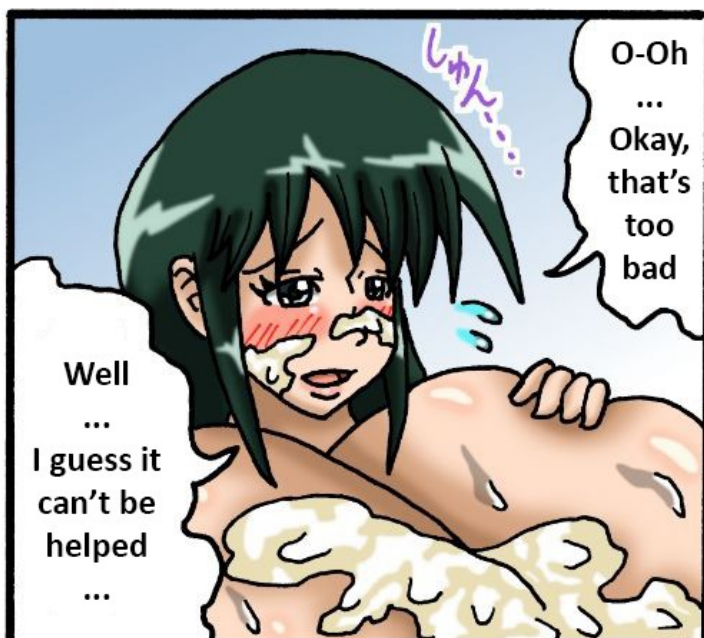

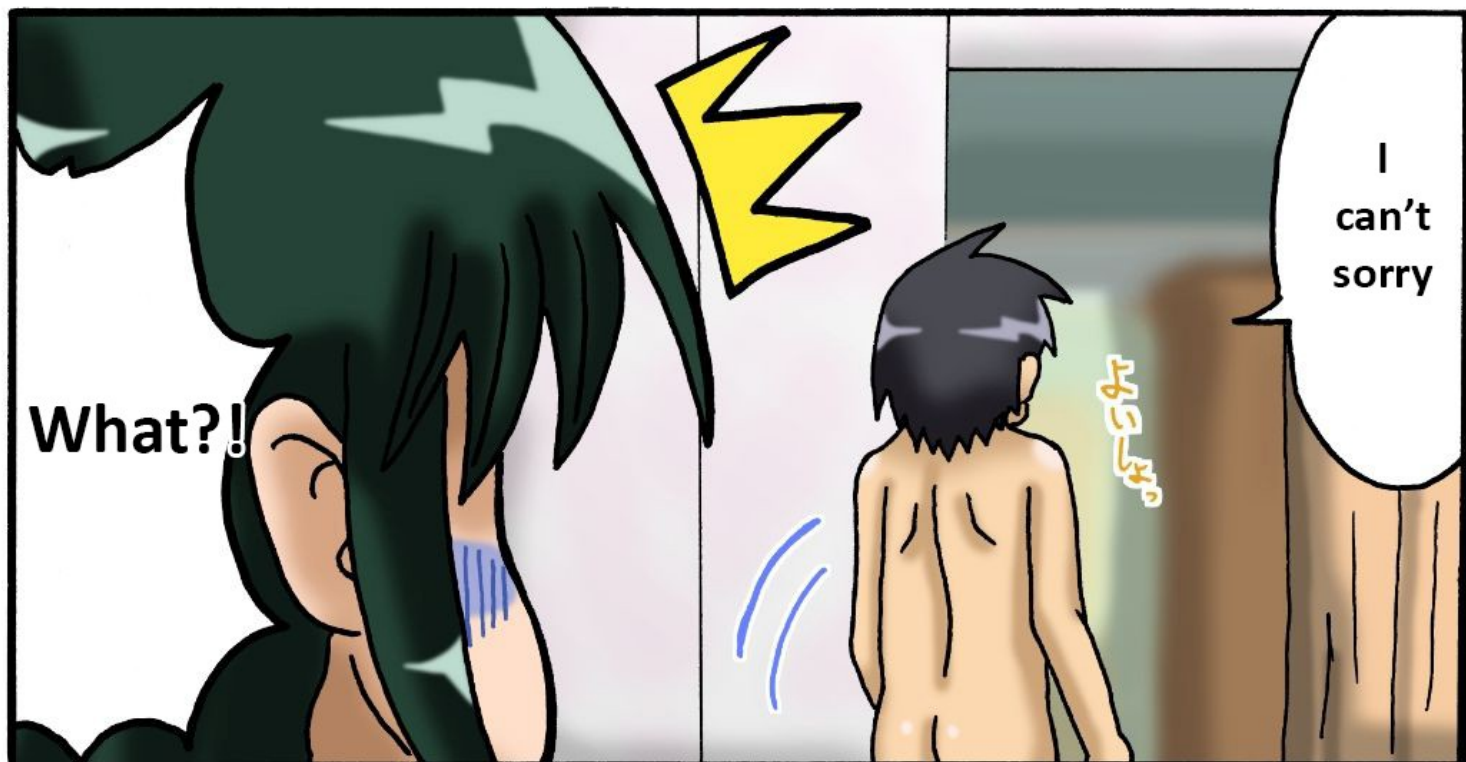

Y-You say that
like my cum is
some sort of
facial wash

I'm sure
your still
hard

Kyaaa!!

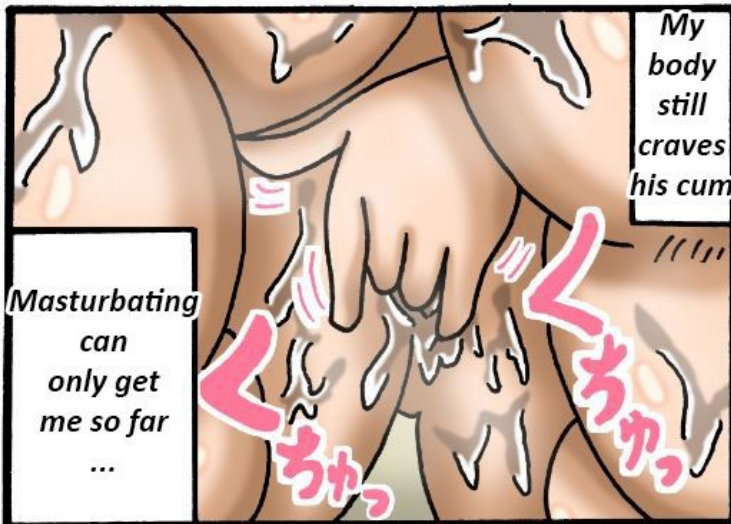

Now thats
a lot of
cum!

So why not
fill up my
pussy with
your cum?

Maybe I was asking for too much
...
Besides Kenta has things to deal with too

Masturbating can only get me so far ...

My body still craves his cum

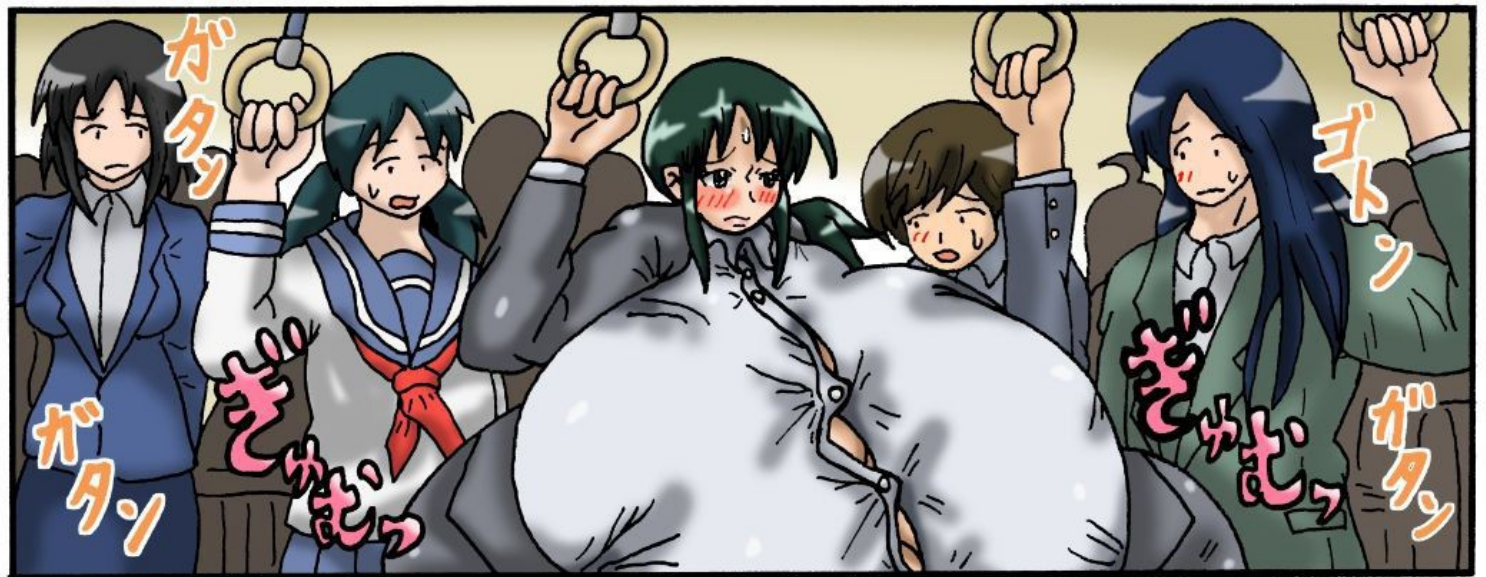

My breasts really are getting quite big
...
They even get in the way when I masterbate

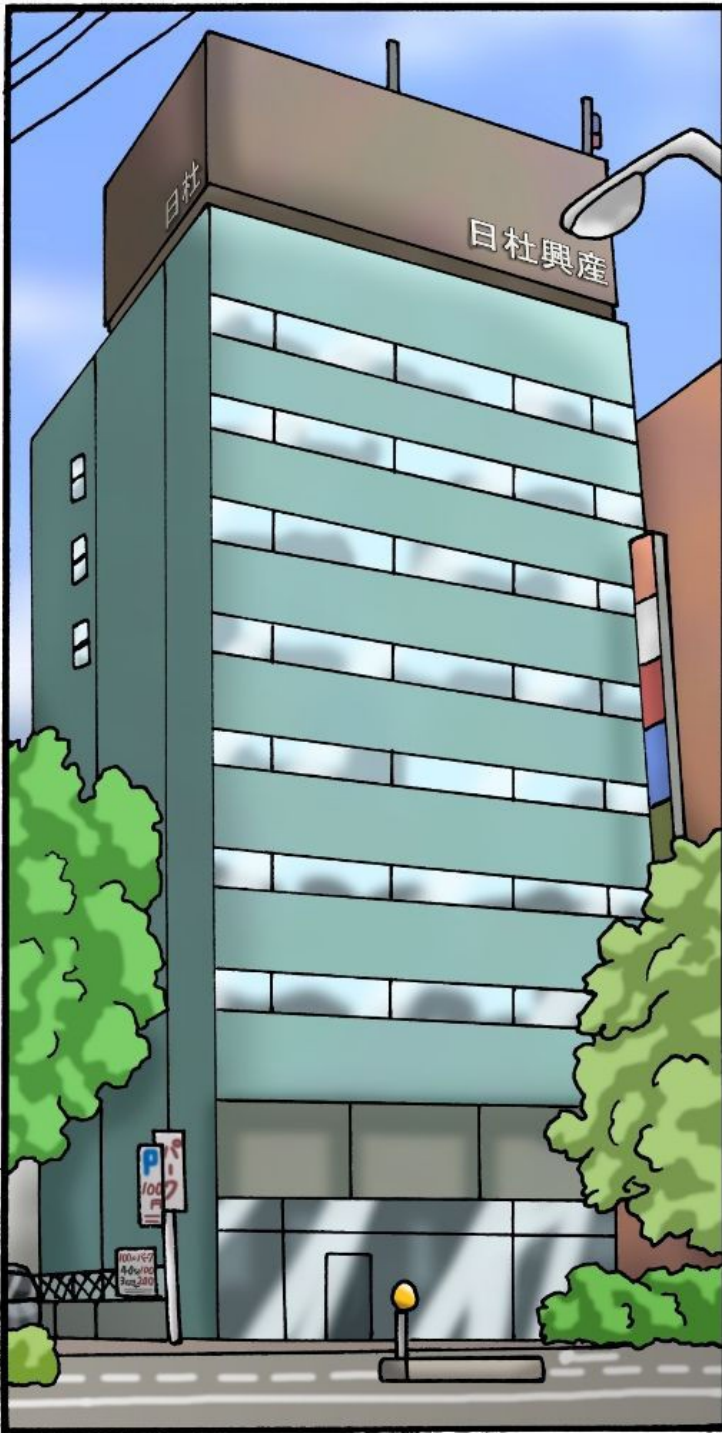

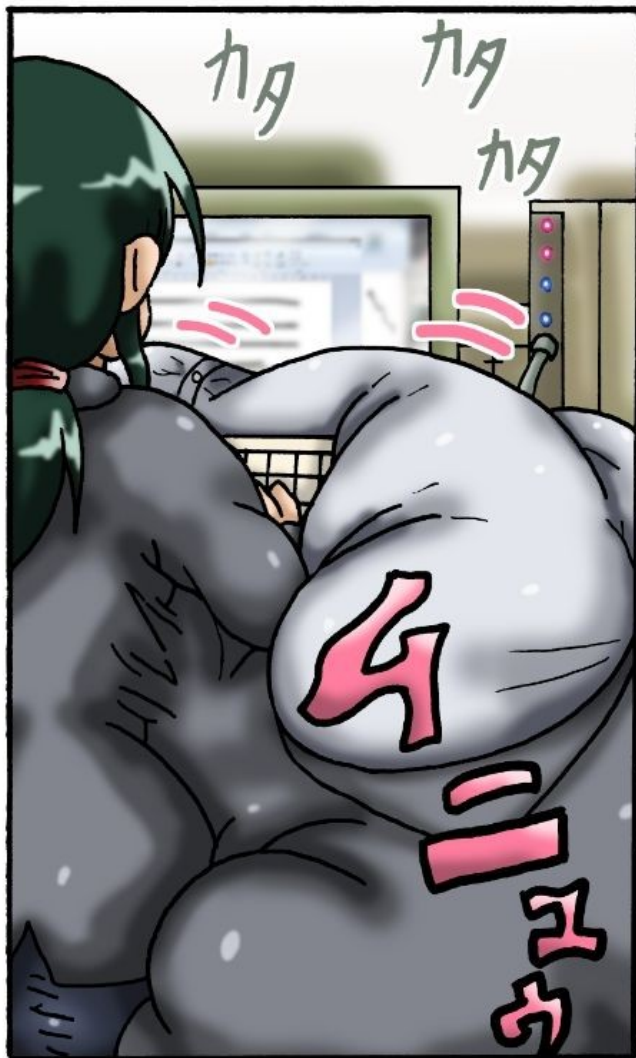

I also have other things to deal with today

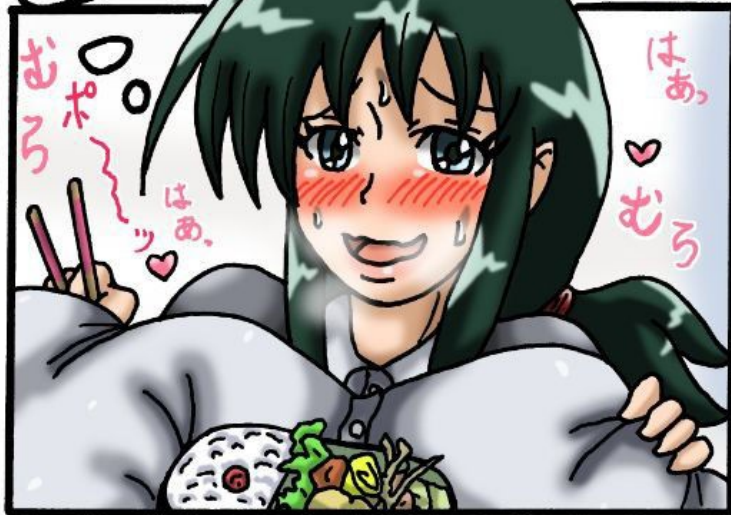

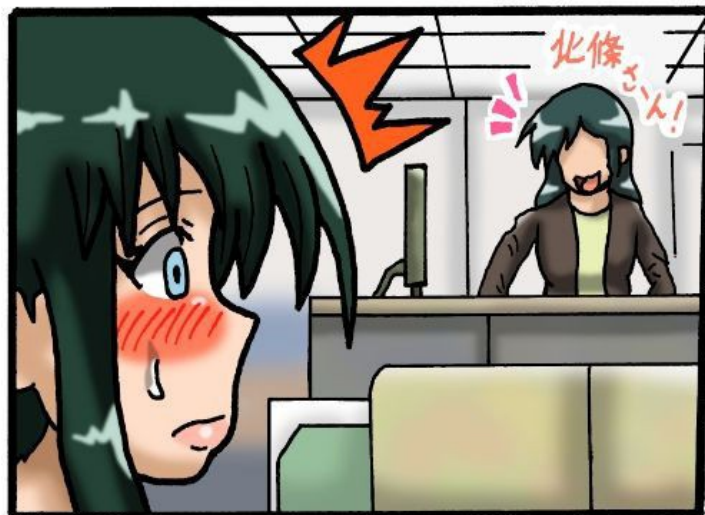

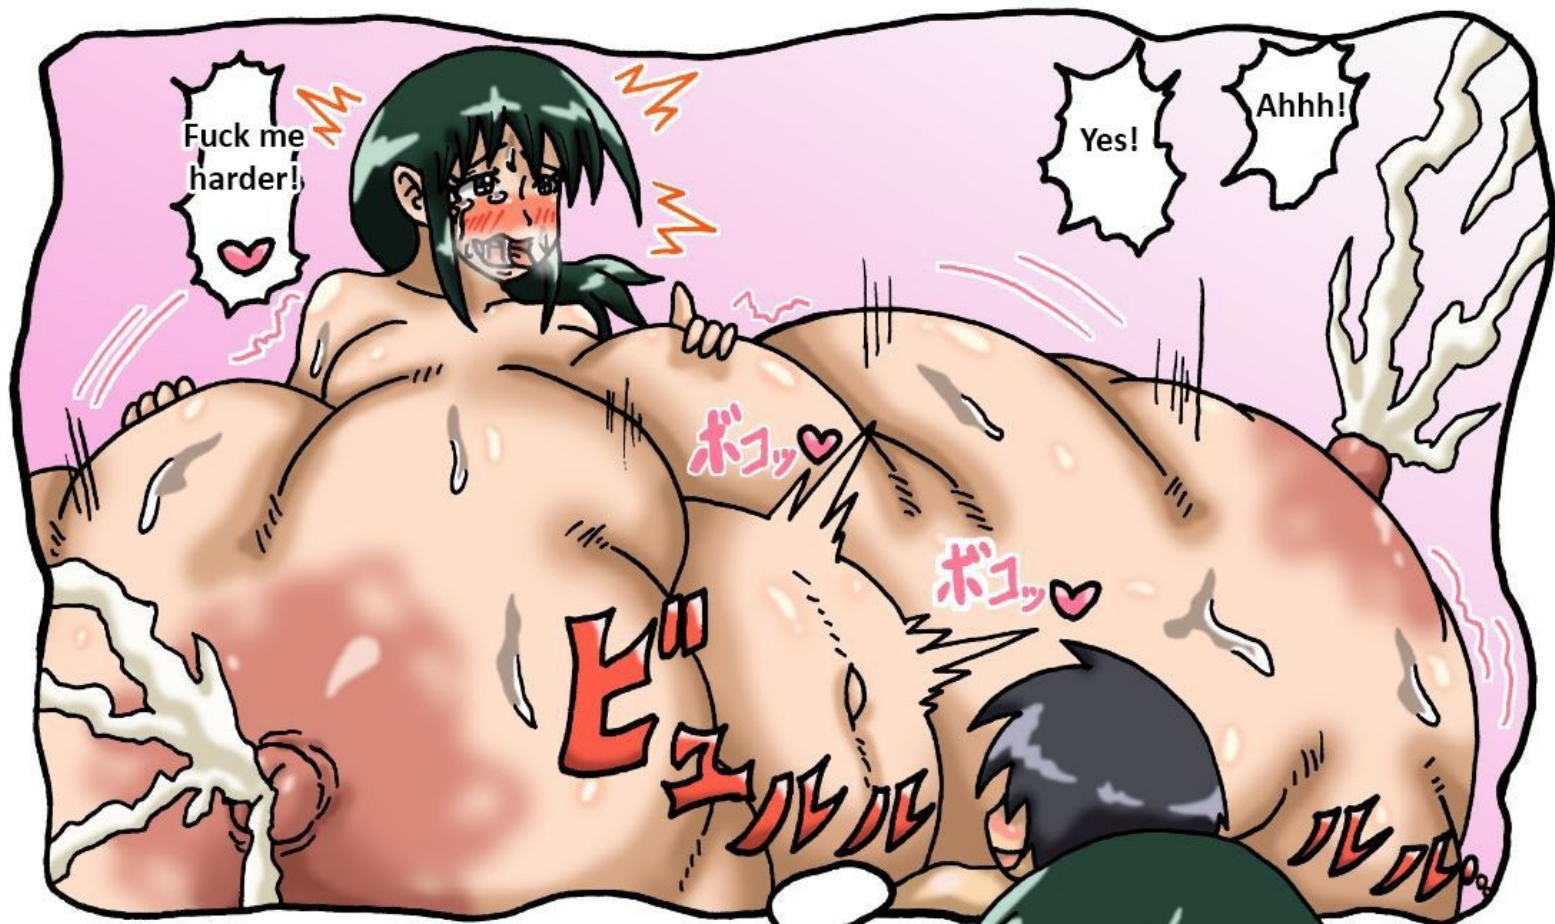

I guess it can't be helped ...

starting to leak milk
even at work.
I'm happy with how

them...
And I don't hate
them

but the bigger they
get, the more my
craving for sex
does
...I can't control
myself

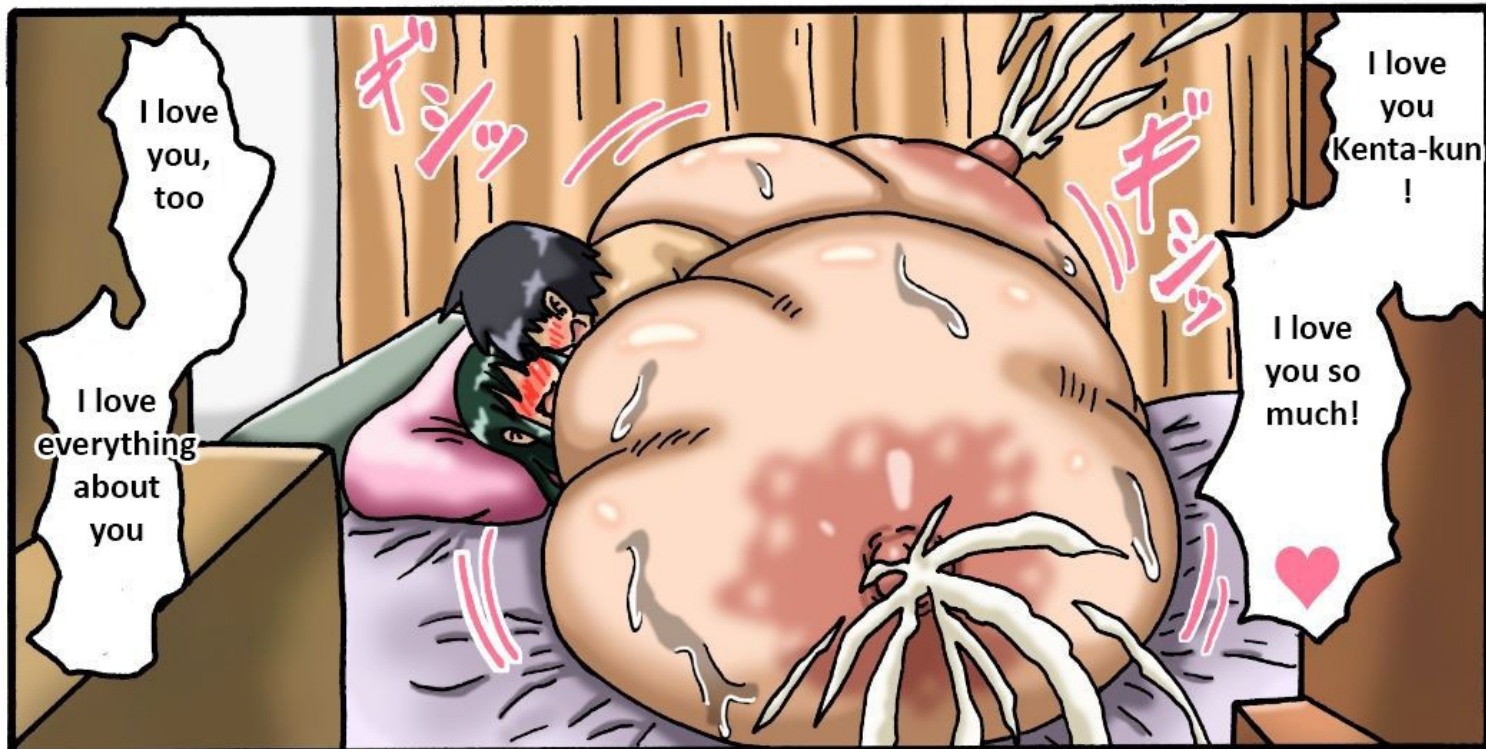

The growth

I can barely

with it

They're
getting so

I love you, too

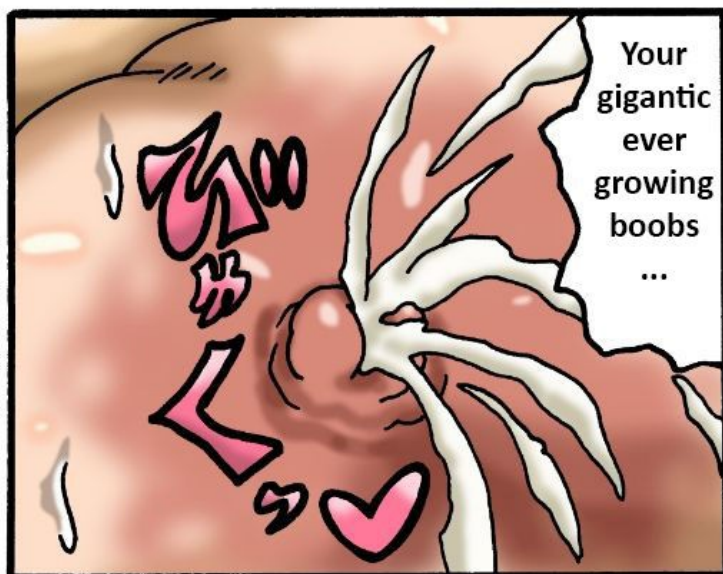

I love everything about you

I love you Kenta-kun !

I love you so much!

And that part of you that always craves for me ...

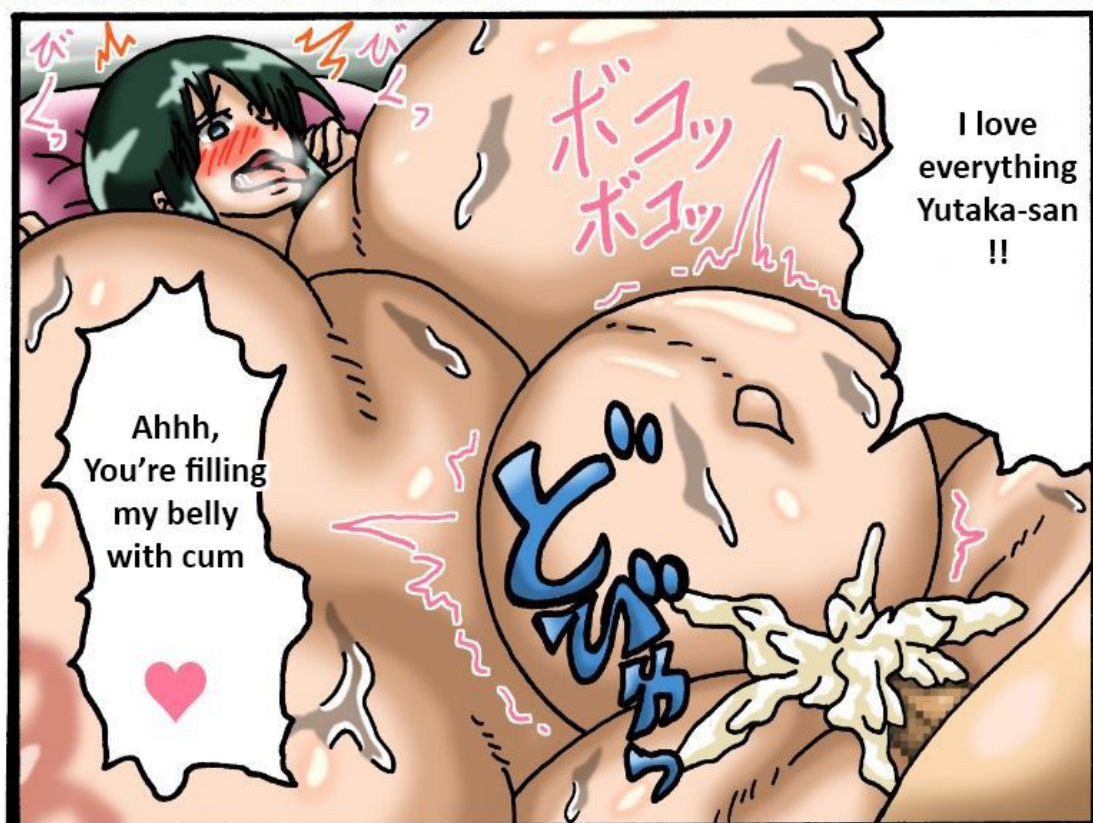

Your gigantic ever growing boobs ...

Okay, now it's your turn to ride ontop of me

A-Are you sure?

Ahhh, You're filling my belly with cum

I love everything Yutaka-san !!

I don't mind dying if I'm being crush by your boobs

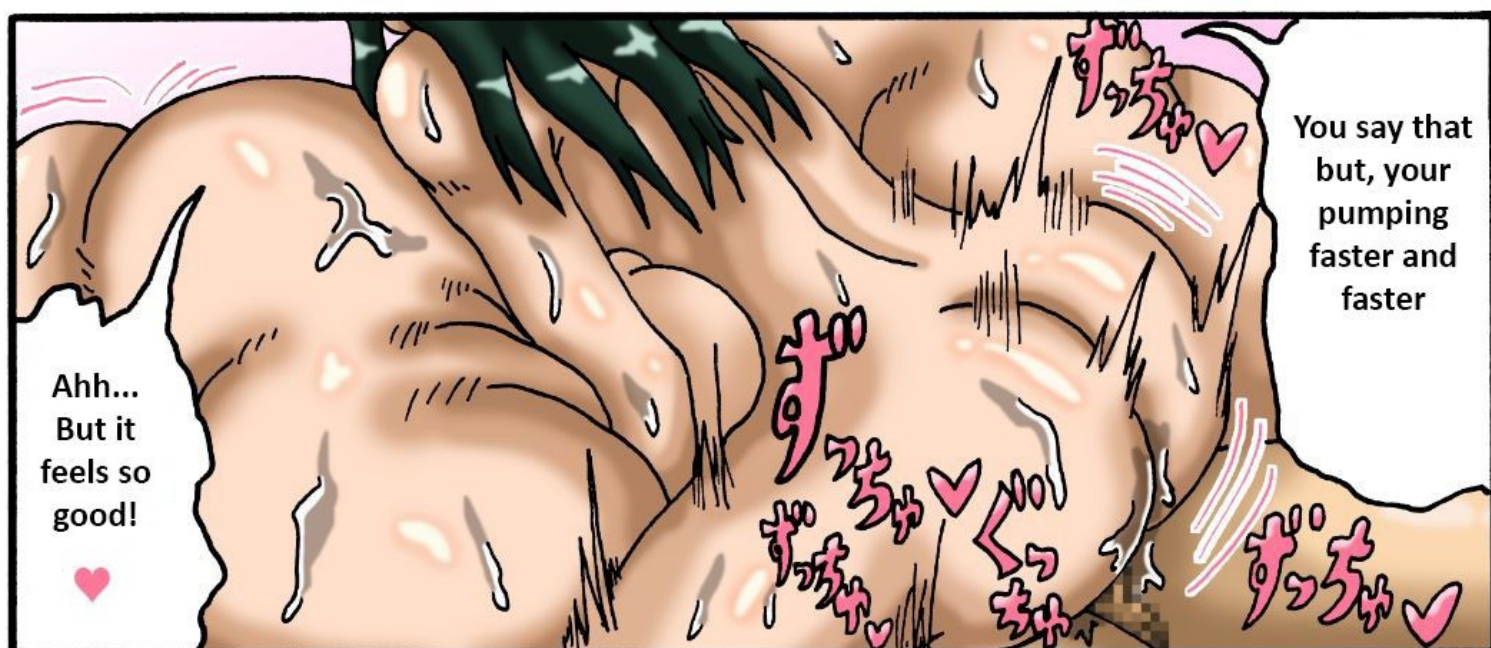

Don't say that dummy!

I mean it, my boobs are that heavy

I don't want to see an article about a wife killing her husband with her boobs!

I'm a bit worried for you in this position. My breasts are really heavy now

If you're not careful, you might get yourself killed

Ahh... But it feels so good!

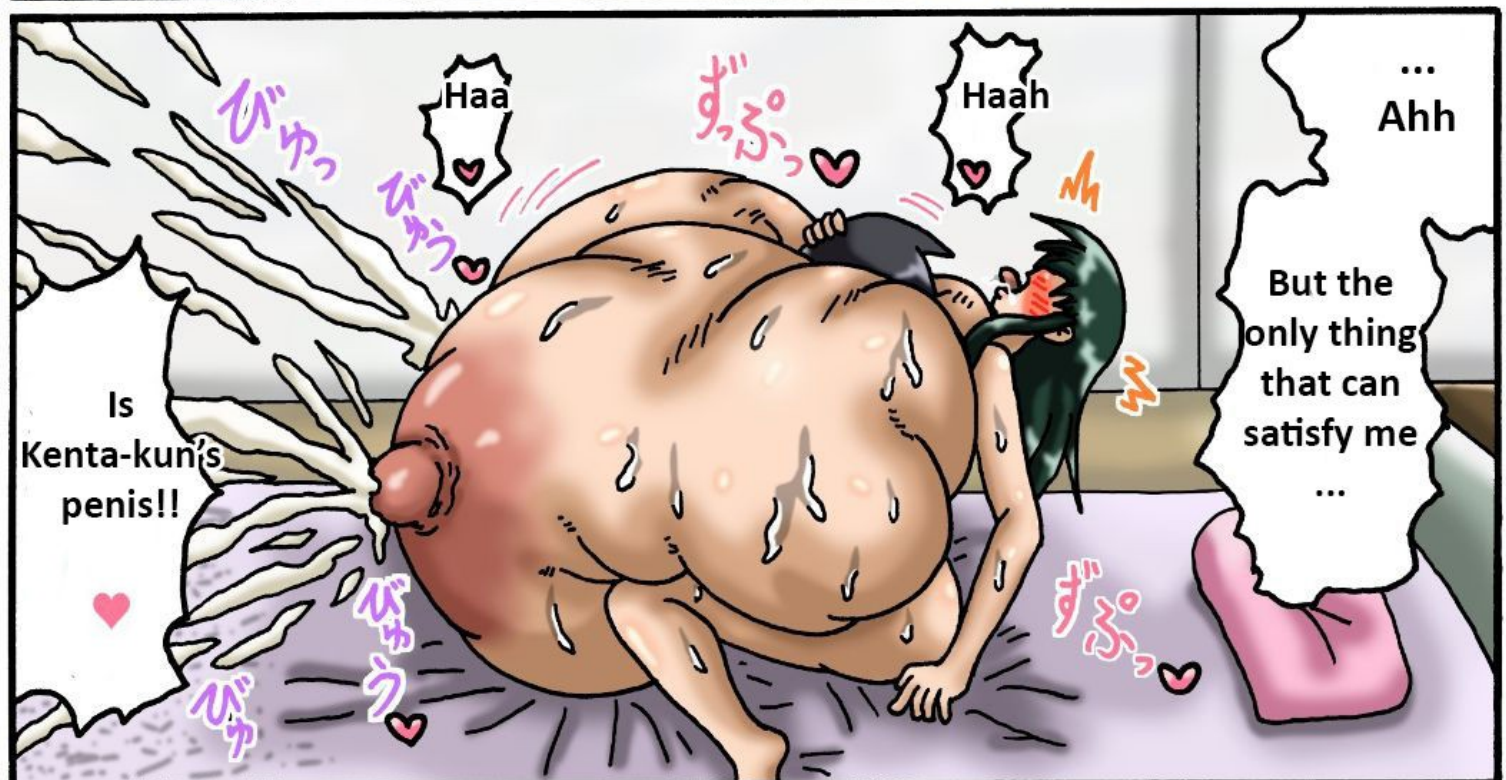

You say that but, your pumping faster and faster

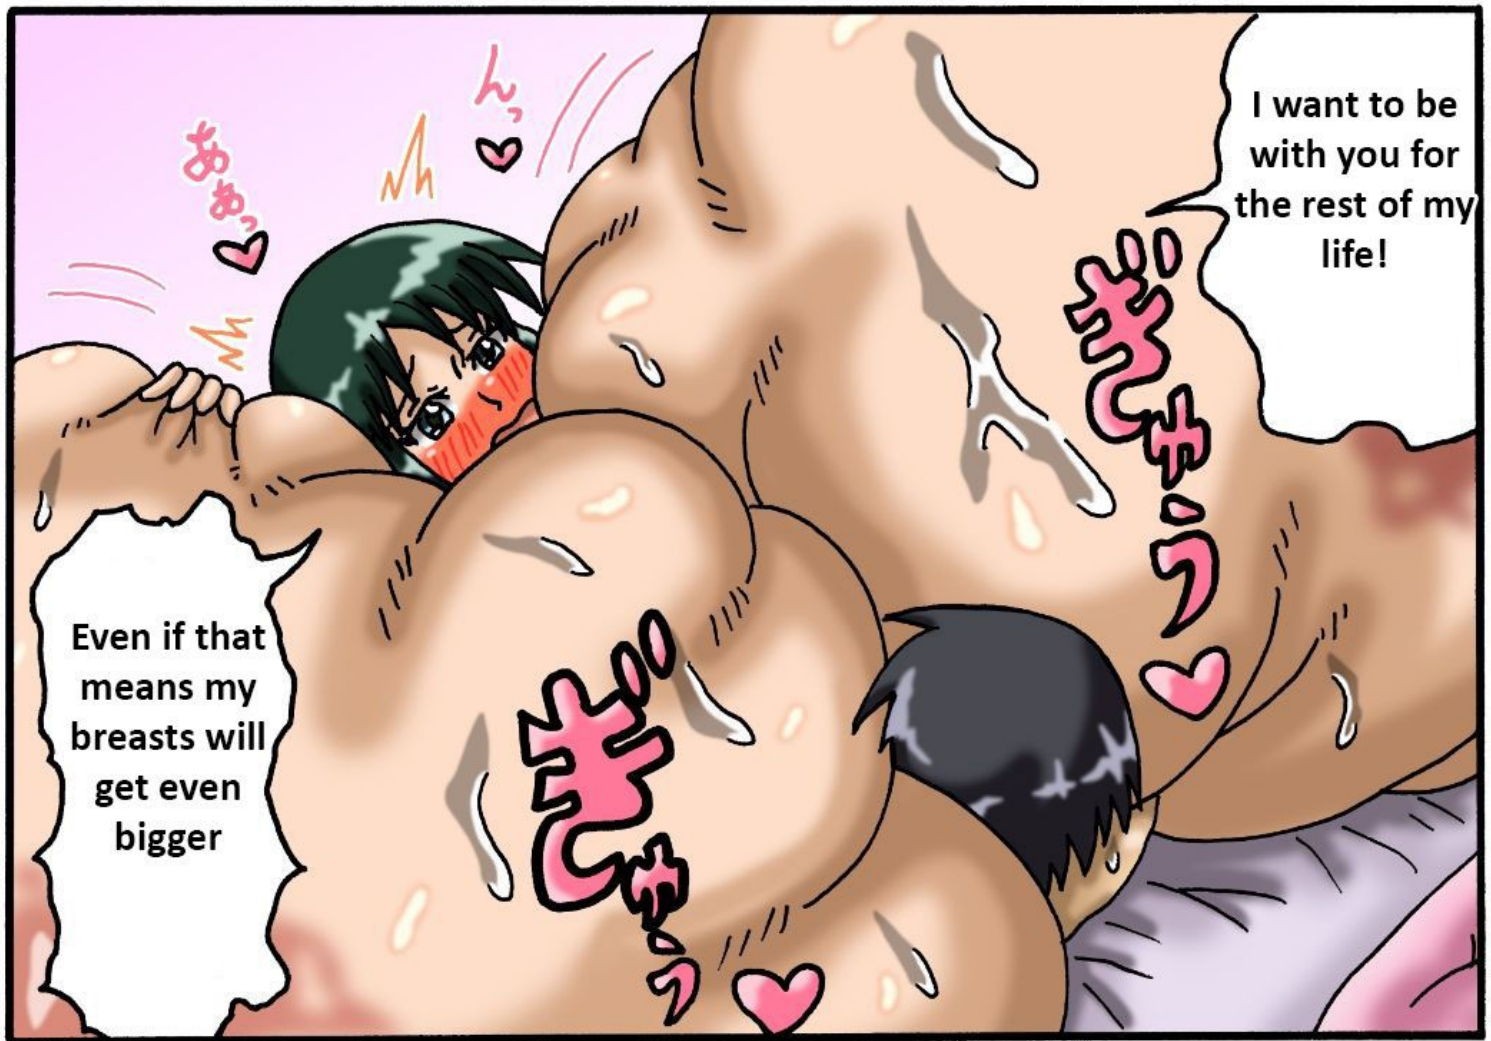

You always blame me for this stuff ...

For your information, I became this horny because of you!

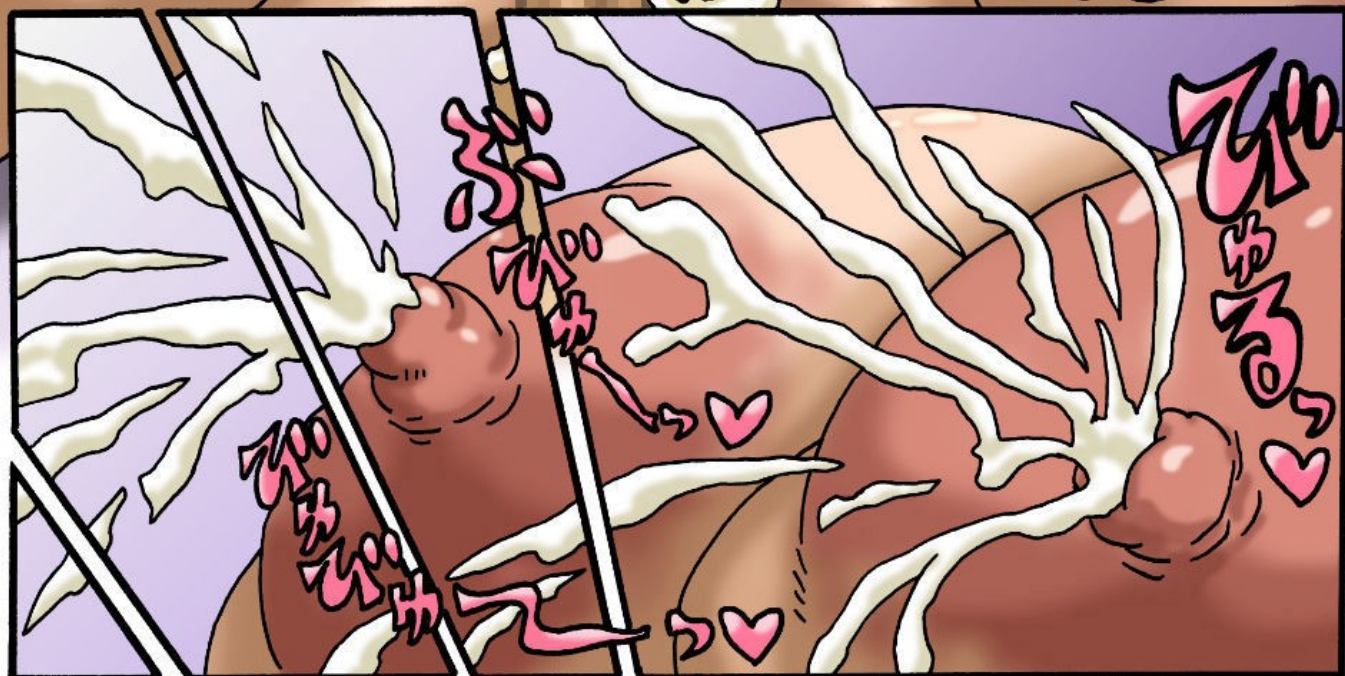

Ahh!

Good
Morning

The End

If they keep growing at this rate...
They'll get so big I'll have to resign from work

Then I'd have to stay home.
Kenta could squeeze my boobs all day
...

Waah, that's not the point. If I keep thinking like this I'll get horny again!
♥

I gotta get myself together!
After all, I can't squeeze my boobs at work.
I'll have them squeezed once I arrive home.

...
These breasts are getting so massive

Okay, I drained as much milk as I can.
Time for work, I hope they leak less today.

I must not feel horny!
I must not feel horny!

There's no way she'll make it through the day

Yutaka Hojo

豊佳 北條

Yutaka is Kenta's neighbor and live-in partner. Lately, the growth of her breasts have been getting even faster. They're getting so big she is starting to have difficulties at her work and is having a hard time finding clothes due to her rapidly growing bust.

Kenta has finally proposed to her and she feels like she's on cloud 9. However, she also feels guilty and thinks that she is stealing Kenta's freedom away from him.

She has always been smutty, but she began feeling horny at work and at home whether Kenta is around or not. She feels that she might be losing herself. She's also been slightly worried of her breasts getting too big to handle. But after Kenta's proposal, she chose to be optimistic and convinced herself that there's nothing to worry about as long as she's with Kenta.

She loves rear entry sex positions.

Kenta Yamase

山瀬 健太

Kenta loves Yutaka very much. Despite Yutaka's worries of the enormous size of her breasts, he wants her boobs to continue growing even bigger.

At times of extreme arousal, his unique body allows him to ejaculate large amounts of semen and stay hard for a long period of time.

While it was never mentioned in the story, his studies are going well and he will be graduating and working soon. He was able to buy an engagement ring using the money he earned as a part-time pizza delivery boy.

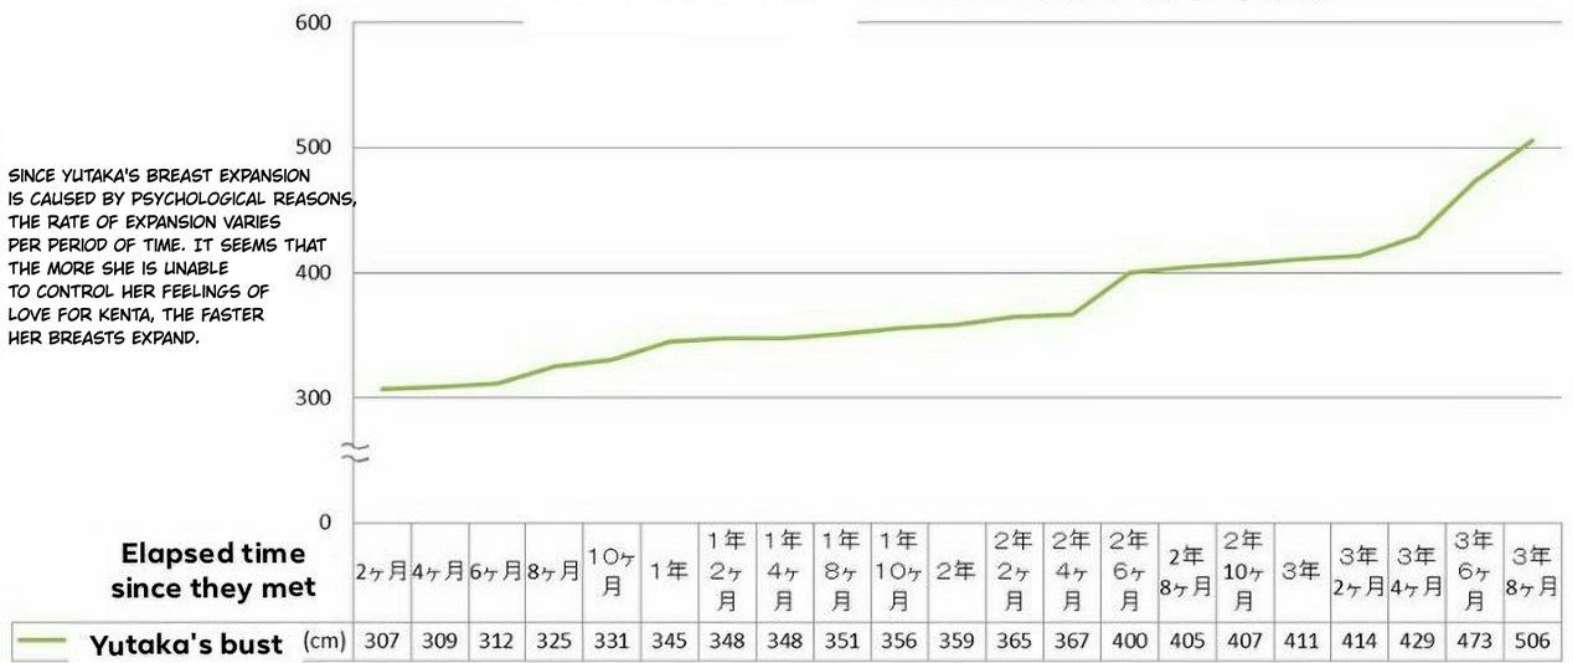

Due to the nature of this manga, his daily life as a student was not included. However, he is actually a cheerful, honest, and good young man who has many friends.

Growth of Yutaka's boobs

SINCE YUTAKA'S BREAST EXPANSION IS CAUSED BY PSYCHOLOGICAL REASONS, THE RATE OF EXPANSION VARIES PER PERIOD OF TIME. IT SEEMS THAT THE MORE SHE IS UNABLE TO CONTROL HER FEELINGS OF LOVE FOR KENTA, THE FASTER HER BREASTS EXPAND.

ヶ月=months 年 = years

My boobs have grown so much they don't fit any of my clothes anymore!

It's so tight that they're digging into my boobs.

It feels kinda good~

Just walking like this makes me want to cum!

Ahh! Their looking at me! Their all looking at my embarassing oversized boobs!

Yutaka and Kenta are talking about ordering custom-made clothes because Yutaka's boobs keep growing bigger

I'd get caught by the police if I did that!

I can't dress up like a pervert, only if its in front of you!

Plus, if I can't fit into my current clothes, what makes you think I can still wear my old ones!

つかまるわよ!

Ordering custom-made clothes will be so expensive

even then, your boobs are only gonna get bigger

So why not wear your old clothes. That would be sexy

Okay you
just relax, I'll
go make us
some

You must be
hungry, what
do you want to
eat?
Rice balls or
toast?

Rice
balls,
please
...

That's a
bit
much

I guess
...
If you're
still horny
you can
fuck my
pussy
while I
sleep

Yutaka-san
You know
your not
that much
older than
me
You're still
young

But you
look like
you can still
do it,
though.

I wish I
were as
young
as you

Shall we
call it
night?
Besides, it's
almost
morning

Ahh~
...
I'm so
tired

I wish
he'd drop
the
formatilites
already

I'm your wife
now
...
You can just
call me
Yutaka

It's okay,
Really
Get some
rest

Sorry
if it seems like
I'm always tired
...
It's just, these
boobs are so
heavy now,
carrying them
around all day at
work wears me
out

Afterword

Thank you for buying "A Day in the Life of an Office Worker with Big Tits." I hope you enjoyed reading.

I mentioned last time that I wanted to draw Yuki-chan, but I ended up making a new volume for Yutaka-san. I wonder why I even said that. Anyway, I'm glad I was able to draw Yutaka-san's daily life because I've always wanted to do it. I personally think this volume was good, but I can still see some room for improvement. I shall take them into consideration next time.

I already have a plot about Yutaka and Kenta's life as newlyweds. However, there's also the fact that Yutaka's boobs keep getting bigger so I'm not sure if it's okay to release it as a manga. Maybe it's better to release it as a CD containing a softcopy of the book.

I may not be able to finish it right away, but I will definitely release a new volume of this series. I hope you look forward to it but please do not expect too much. (LOL)

Since Yutaka-san's bust size continuously changes throughout the series, it seems easy to make bonus chapters. I'm not sure if I can actually make them, though.

Aside from Yutaka-san, I also plan on drawing other manga and illustrations featuring big tit girls.

Till next time!
