

Eunhye's Supermarket 01

Even before the entrance ceremony, I had the formula of college life = dating

But on the day of the entrance ceremony, I knew my formula was ruined

I didn't know there were so many guys in science...

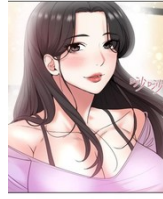

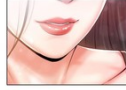

There was no way out

But there was one hope in this place...

That hope...

A fresh smile...

The innocence of that sister

The super goddess in front of the school...

Finally, who has a pretty face, cute, and unique feelings to all of us

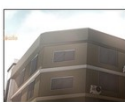

No one has really talked to her before, but everyone thinks the same thing...

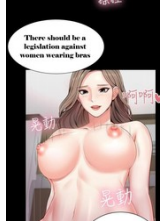

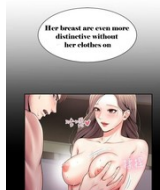

She is the best part of this supermarket.

I got to look at
and touch her nipples
so much

Plus she's a
older student

A high school girl
doesn't compare
to her

She's amazing in
bed

Her body and moans were amazing

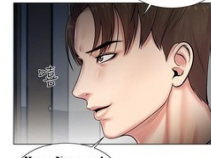

She was like a bitch in heat

We decided to stay on good terms

Since Lee Ji-Yeon has been taken by me...

Huang Na-yeon, who specializes in chemical engineering, is also a candidate

But before joining the army, my ultimate goal is the big sister of the supermarket
