...Again.
I got
dragged
into
Sasashiro-
san's
pace
again...

Hee
eh...

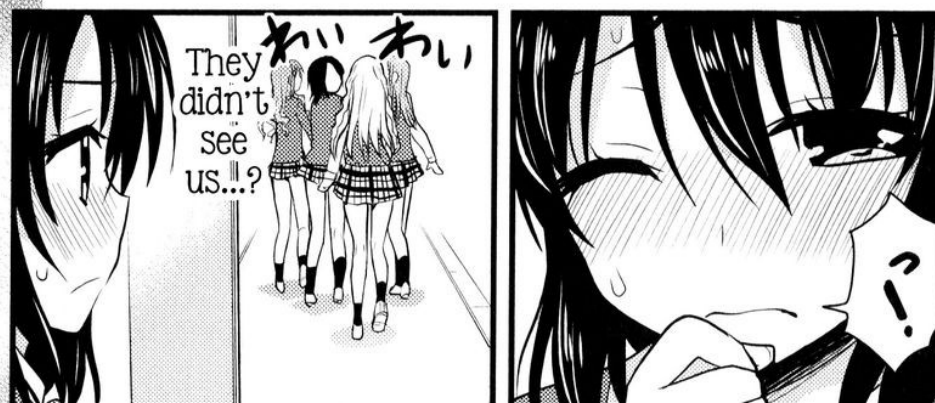

Yuipon!
Heading to
the cafeteria?

Yeah,
that's
right!

...What
kind of
relationship
do we even
have...?

They
didn't
see
us...?

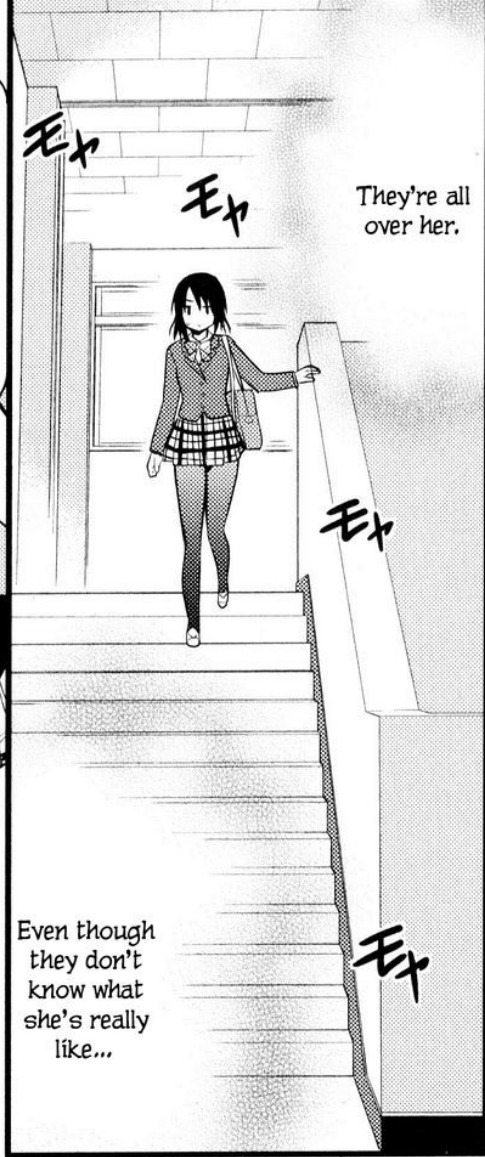

Senpai~!

Even though she has a ton of friends besides me...

Fancy seeing you alone.

They're all over her.

...Why me...?

Fukami-senpai!

Here! Come with me!

Ah! Wait!

I threw them off and came here!

Senpai?

Don't make fun of me!!

You're treating me like some tool to get off on!!

That's not...

I'm not a toy!
It's humiliating!
The worst!!

Do you think I'm easy or something?
Forcing me to come all the time!!

S...
Senpai...

Liar! You'd
be fine with
anyone,
right?!

...No!

That's
not what I
meant to
do...!

I really do
love you,
Senpai...!!

...!

Nn!

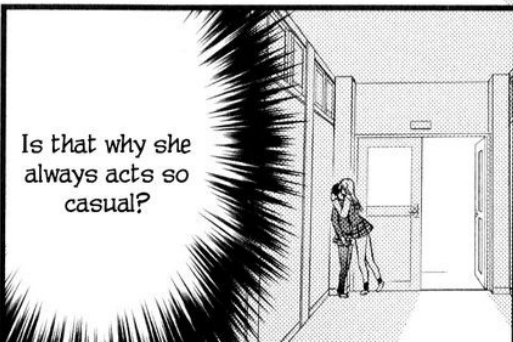

No!

Stop it!

Stop it!!

I'm sorry...!
I'm really...
really...!

That's what
I wanted to
pretend!!

If it was
just playing
around, I
wouldn't get
hurt!

Haa

She was crying
remembering the
time she got her
heart broken...

Come to
think of it,
back then...

That's why I
was trying to
make sure no
one found out!

Even if I'm
weird, and you
reject me, and
our relationship
falls apart...

If no one
finds out,
then it won't
hurt as
much.

...I'm sorry...
Senpai...

But I still love
you no matter
what, Senpai...!

I really do!!

...You're so
stupid...

L... L...

I'm sorry for
only thinking
about myself...!

...I can't
win
against
this girl...

... Really stupid!

I want to know you too, Shizuku-chan!

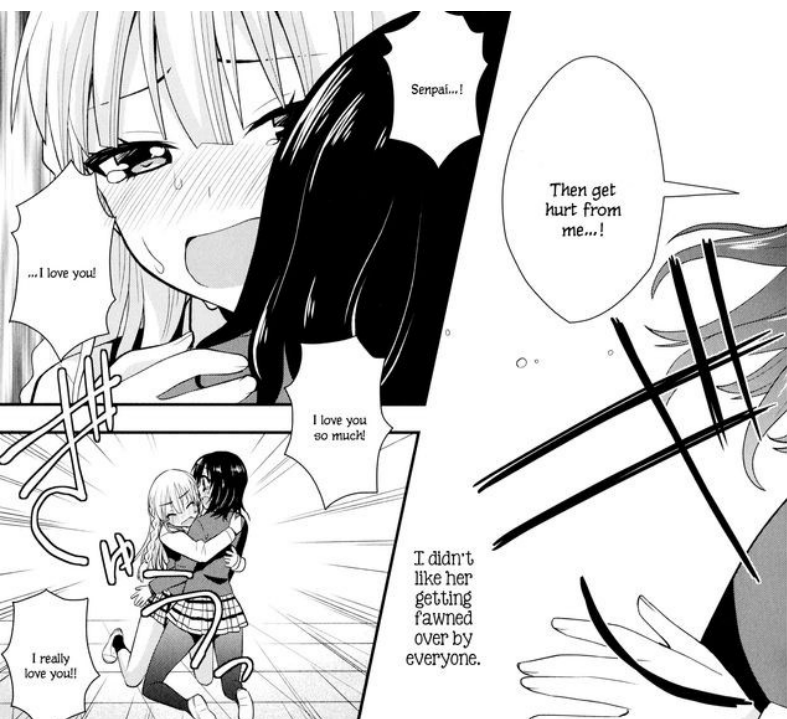

I want to talk to you more!!

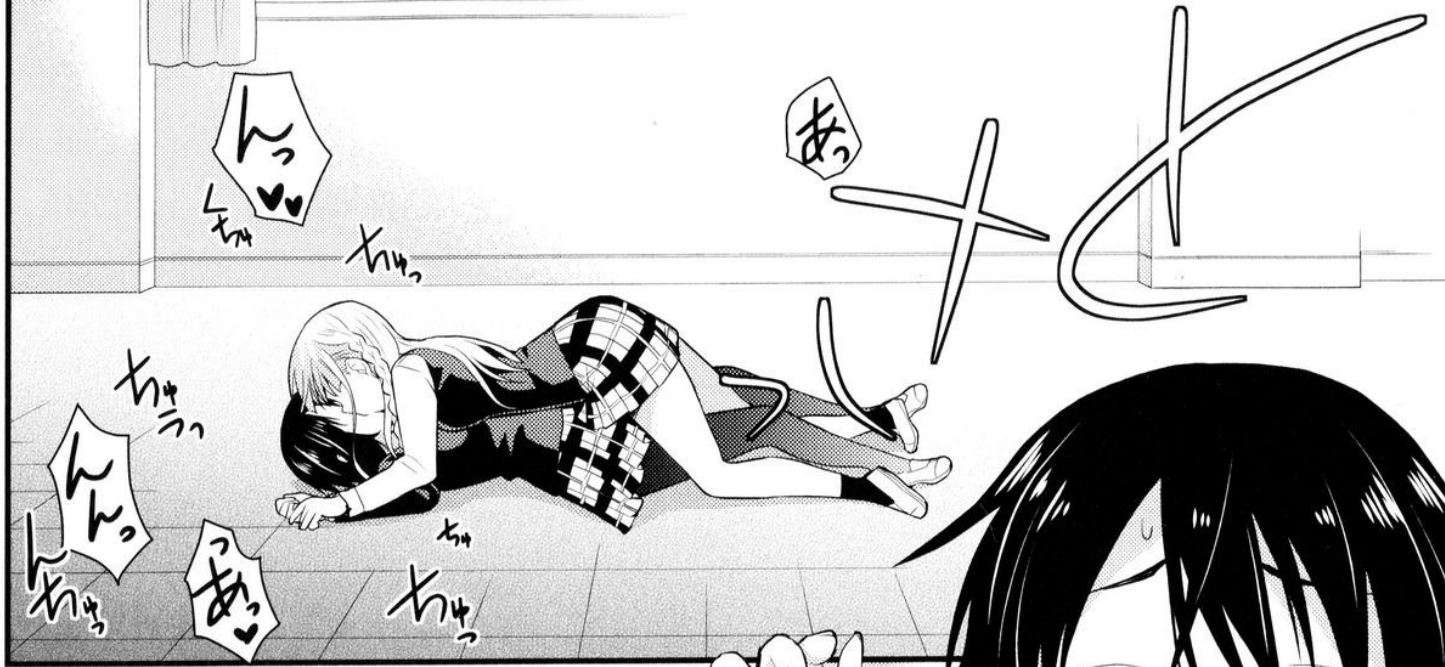

If that's the case, then be more upfront about it!

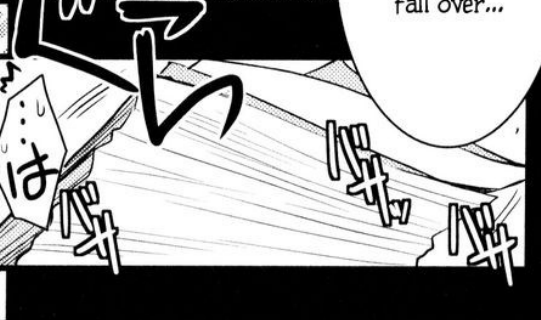

If those feelings are real, then it doesn't matter if they're weird!

That might have been unfair of me too...

Show your feelings to me with everything you have!

Yours is... so sexy, Senpai.

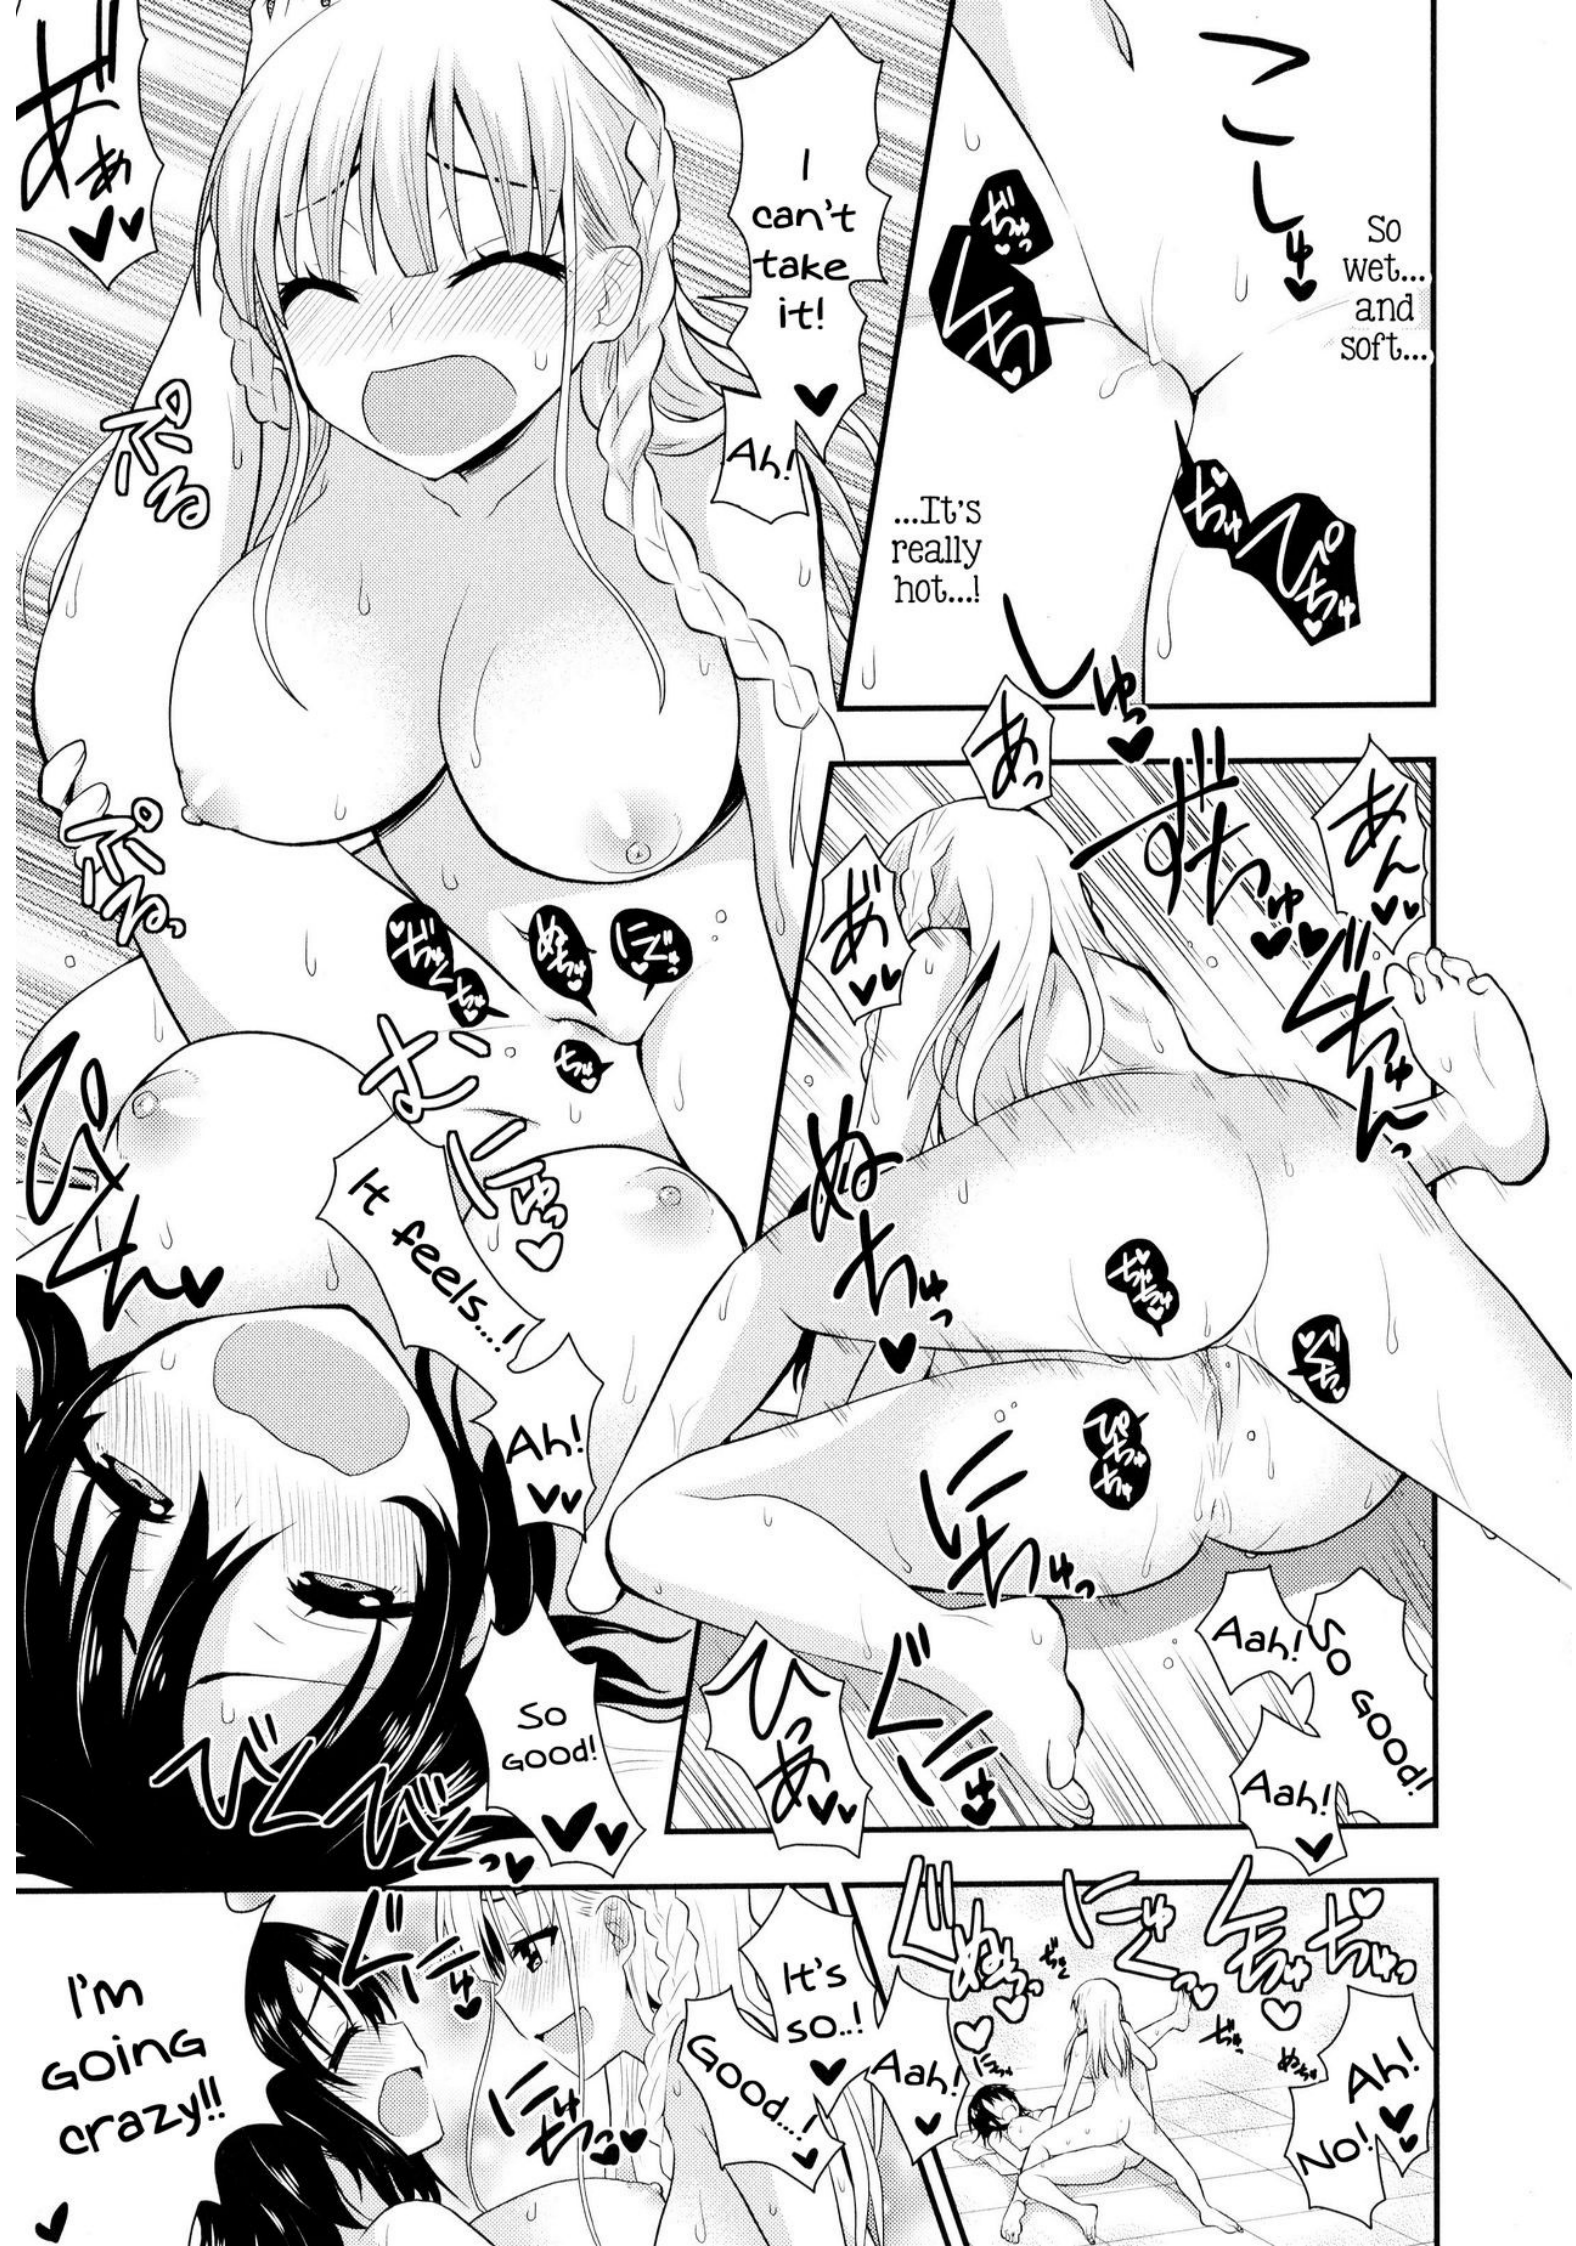

Senpai, you're so cute.

I've never... shown this kind of thing to anyone, so...

I'm okay with being the only one to see this.

Hers is pressing against mine and...!
