

My name is Teppei Ando and I'm in a solo trip to change my shy personality

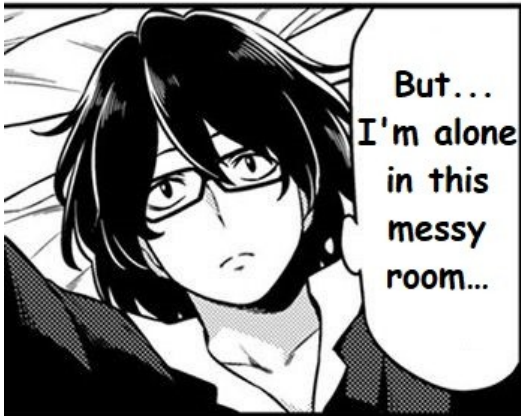

It's a better room than I thought

Wow ...

I rented a room in a condominium during summer vacation at a university, using a popular guesthouse in Tokyo.

But... I'm alone in this messy room...

I'm sure something will happen that will change me!

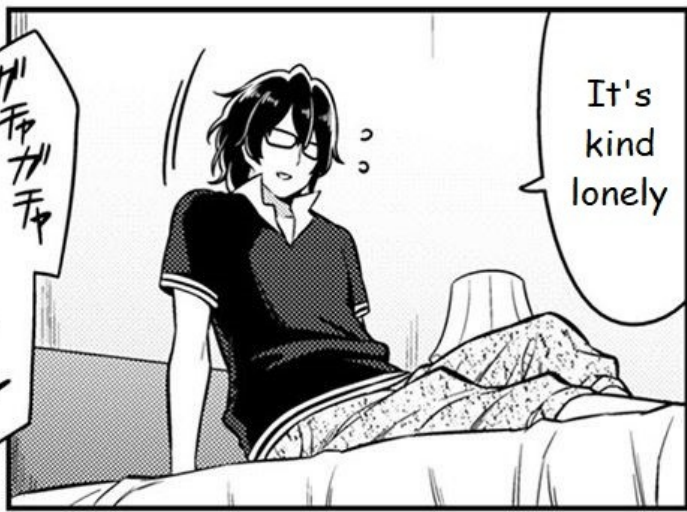

Now that I came to the big city

The key is...

Huhm?

ガチャガチャ
ガチャン

It's kind lonely

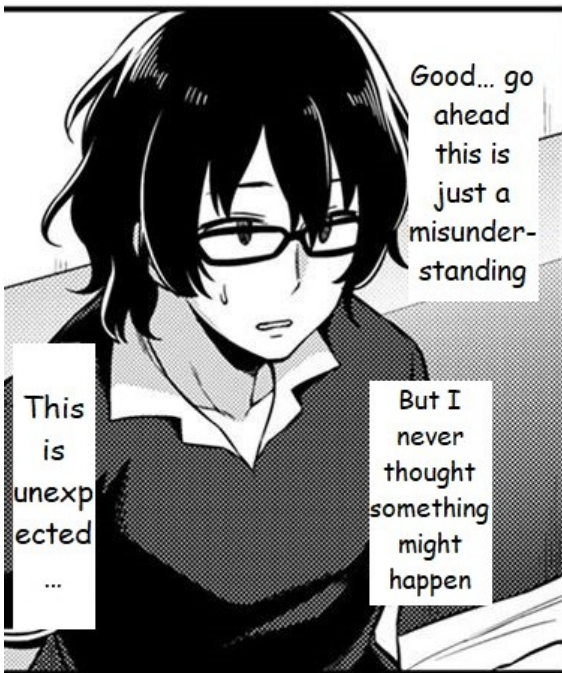

I get it!

Really... and...

No uh...

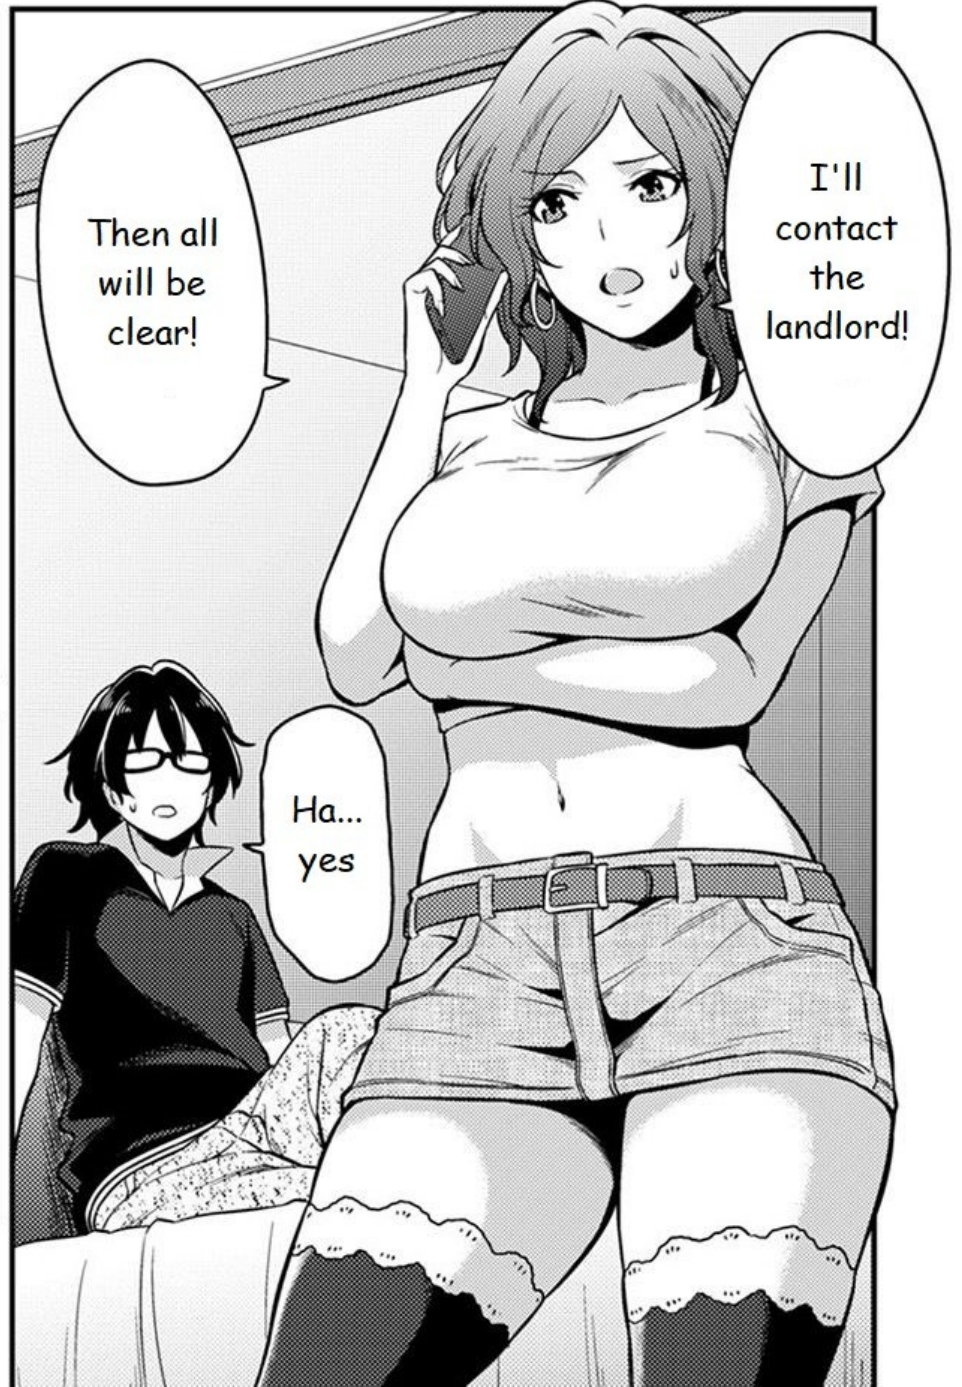

.....

Good... go ahead this is just a misunderstanding

This is unexpected ...

But I never thought something might happen

Then all will be clear!

I'll contact the landlord!

Ha... yes

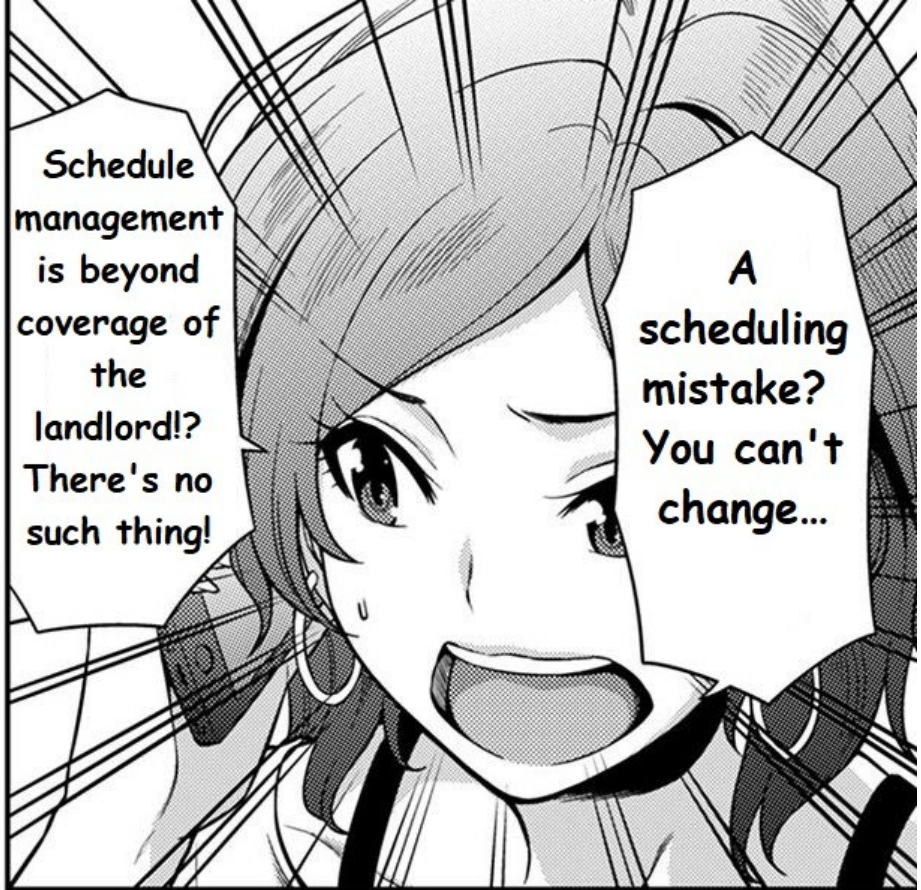

Hello!?

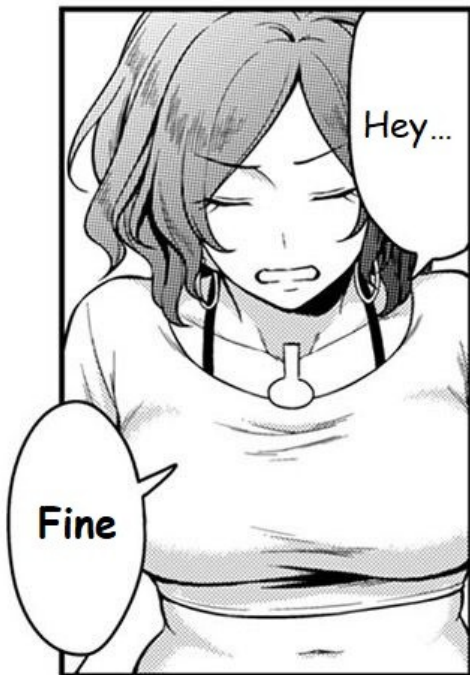

A little more understanding...

Oh

Schedule management is beyond coverage of the landlord!? There's no such thing!

A scheduling mistake? You can't change...

Hey...

Fine

So... what should we do

Yeah ...

Terrible !

I was cut off

Understood ...

Uh ...

Eh !?

I can't calm down without drinking!!

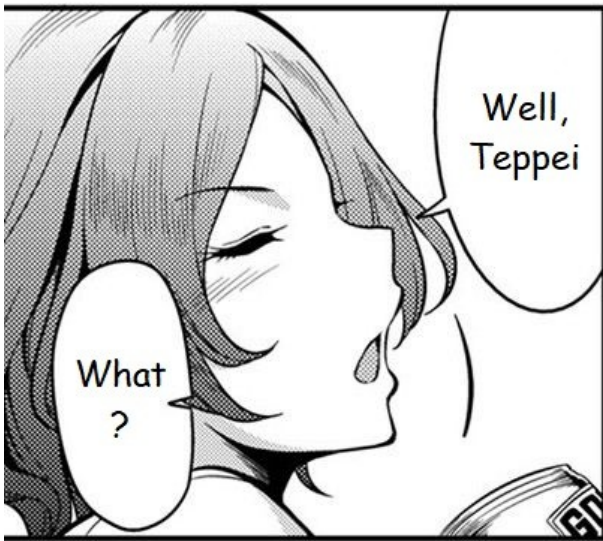

There is a convenience store nearby

Let's drink !!

That's impossible!

Come on

What?

Well, Teppei

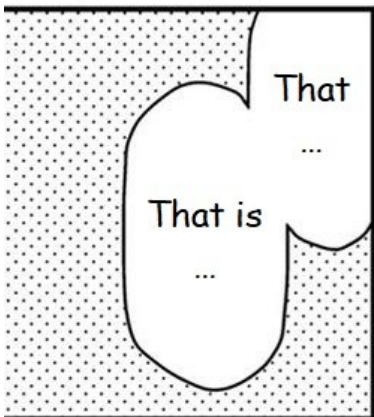

She is vulnerable to alcohol and laughs loudly

So ...

one shot!

If I was a boss, I would fire in

That is ...

Ah ...

Why are you like that?

You are a little too quiet!
It's kind hard to watch

Really ...

I'm especially not good at talking with girls...

I've been a shy person

from a long time

that is...

Why did you come to the city?

But you rented a private room

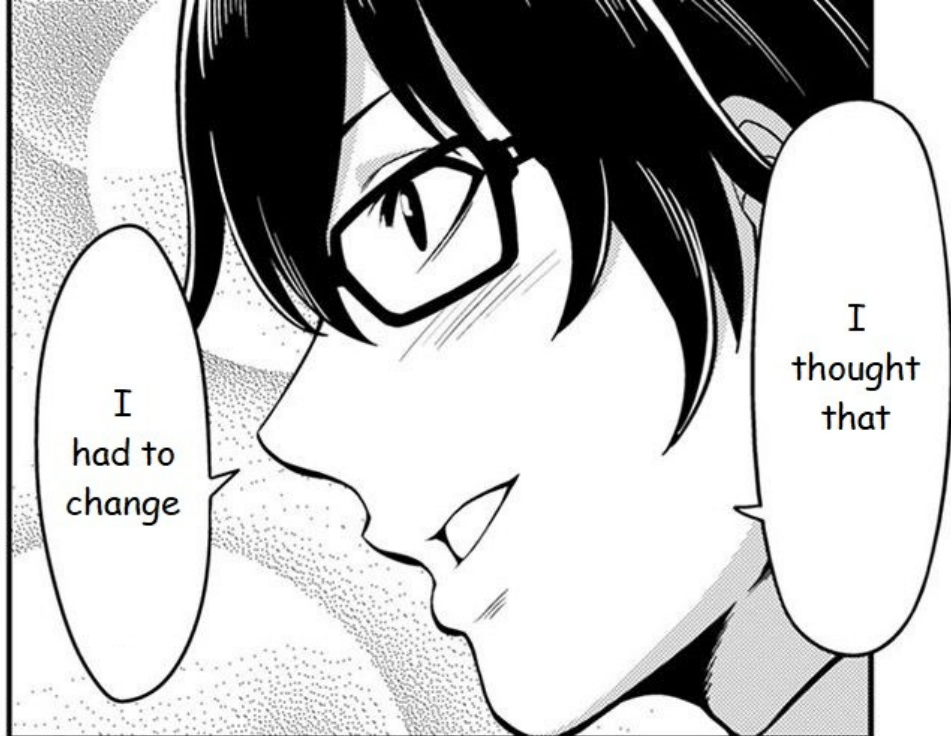

.....

I'm not good as I am

But I trying do something bold

I... I don't really know myself

I had to change

I thought that

Miho-san chest is ...

Wow

This is it!

Your face was a little cool!

グッ
