I don't understand what the reserved Kazuya is thinking at all when he brings up such gross things regularly.

*"I went and bought a skin to become a woman because I want to understand the fairer sex."*

Is it that aspect that he wants to understand?

*"So, Genji, will you let me have sex with you?"*

**What?!**

So with  
something  
like this...  
It looks just  
like you got  
tits and a  
pussy!

**Whooooa!**  
Kazuya, you-  
you really  
became a  
woman!

Pretty  
Small...

Well,  
guess that  
is just the  
way things  
go, huh?

Hmm

Well,  
he became  
feminine,  
but not  
much has  
changed...

Is that  
SO...

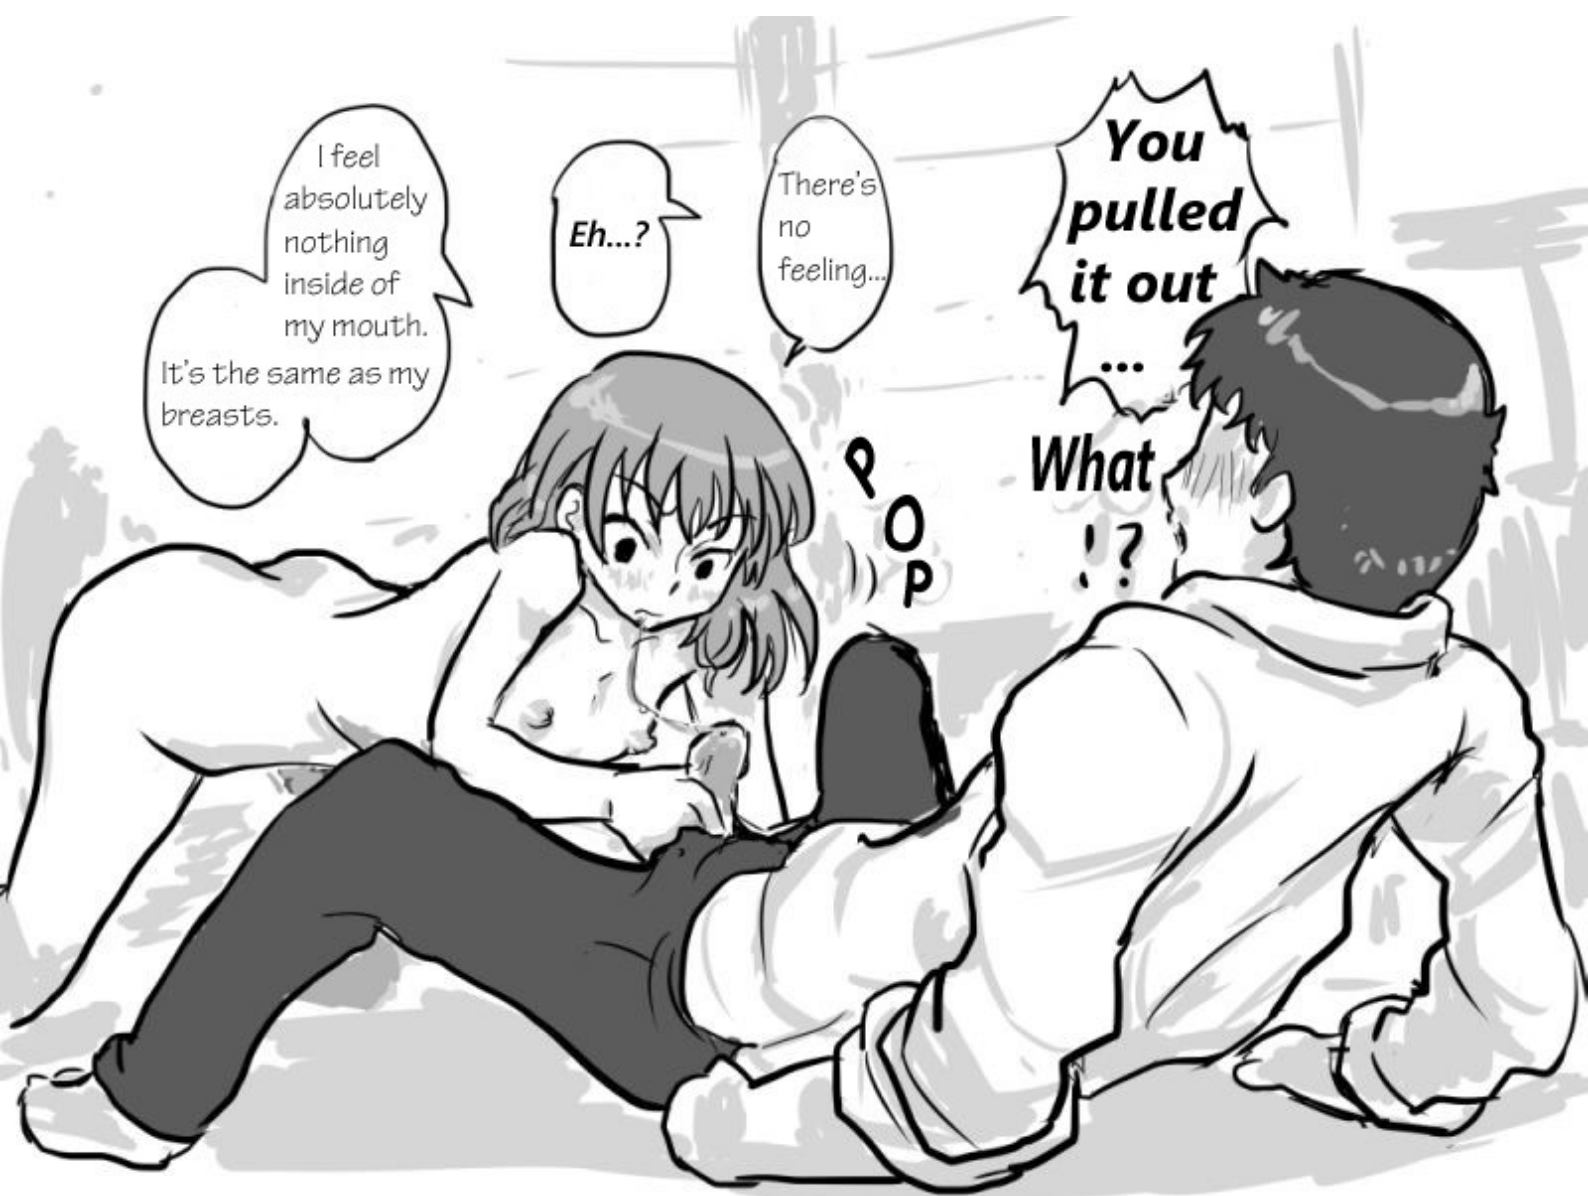

... I don't  
feel  
anything

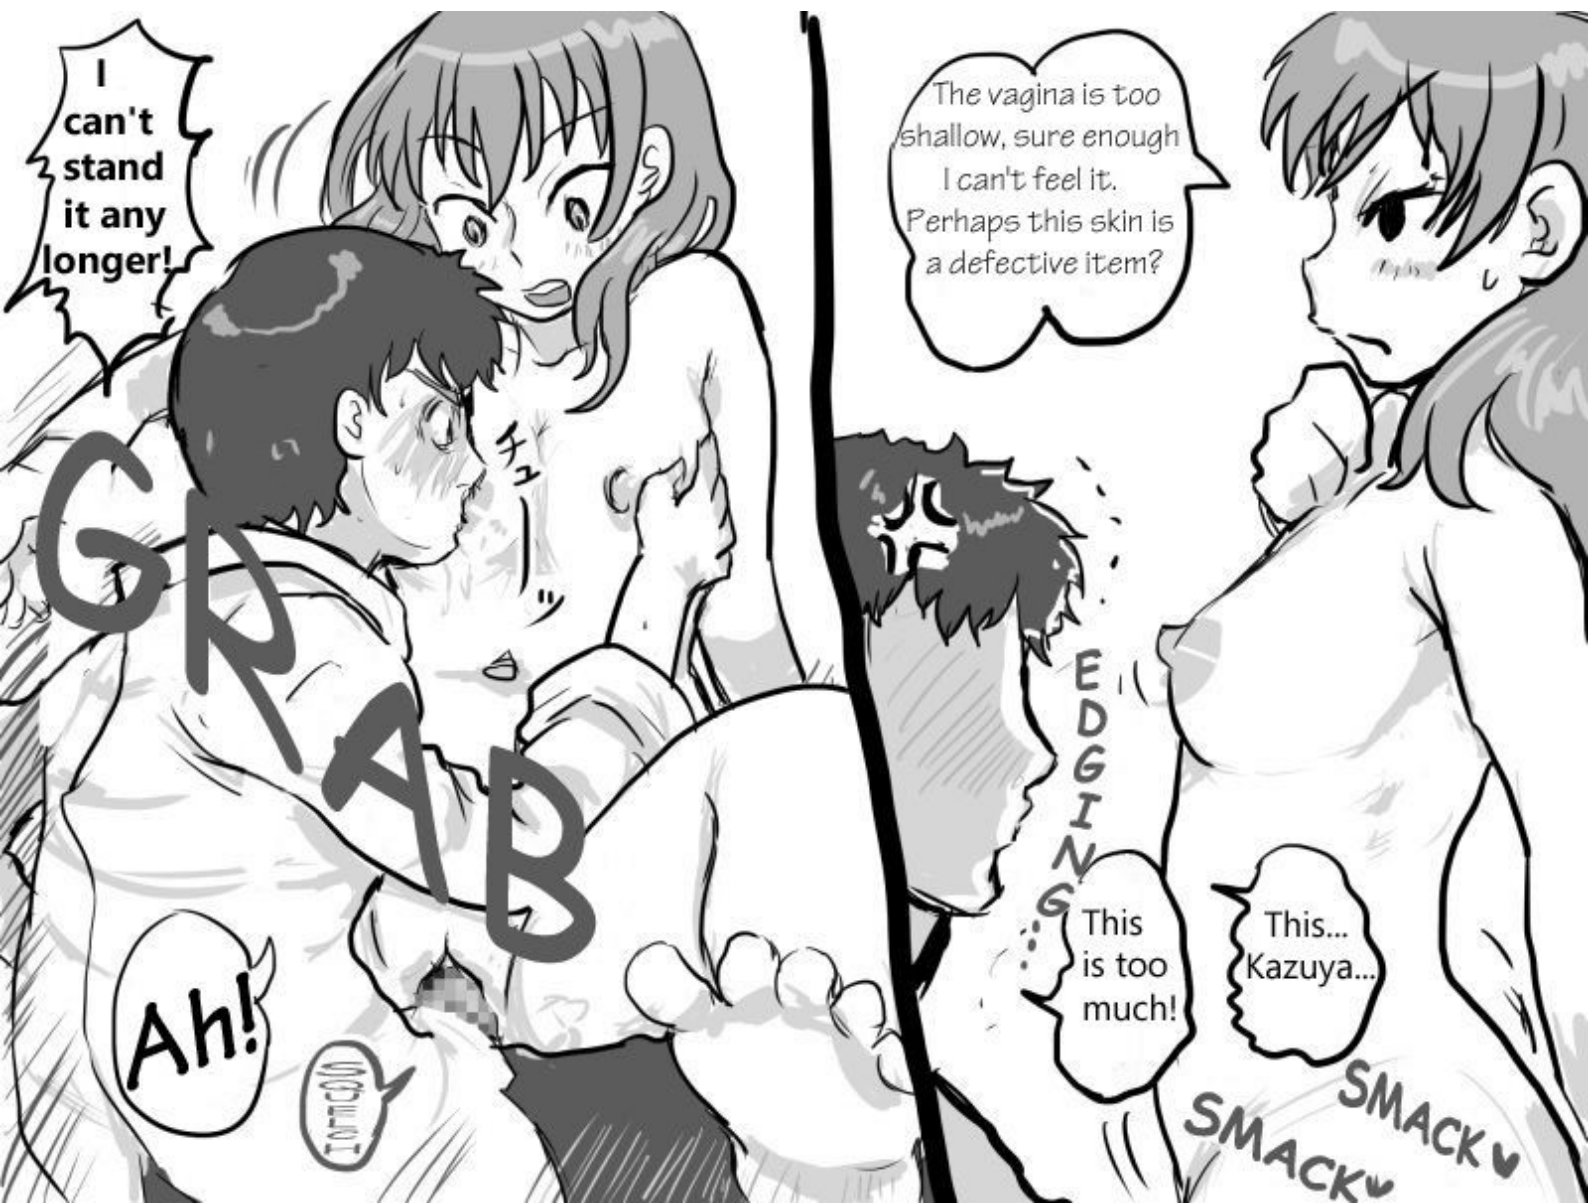

I  
can't  
stand  
it any  
longer!

The vagina is too  
shallow, sure enough  
I can't feel it.  
Perhaps this skin is  
a defective item?

This  
is too  
much!

This...  
Kazuya...

I  
actually  
wanted  
to connect  
with Genji  
like this.

That's  
the reason  
I bought  
the skin to  
become a  
woman,  
though...

Shut up!  
You provoked  
me, Kazuya,  
so this is the

I- I want  
to cum  
together  
with Genji  
as a  
woman...

I don't

Did my body become a proper woman this time?

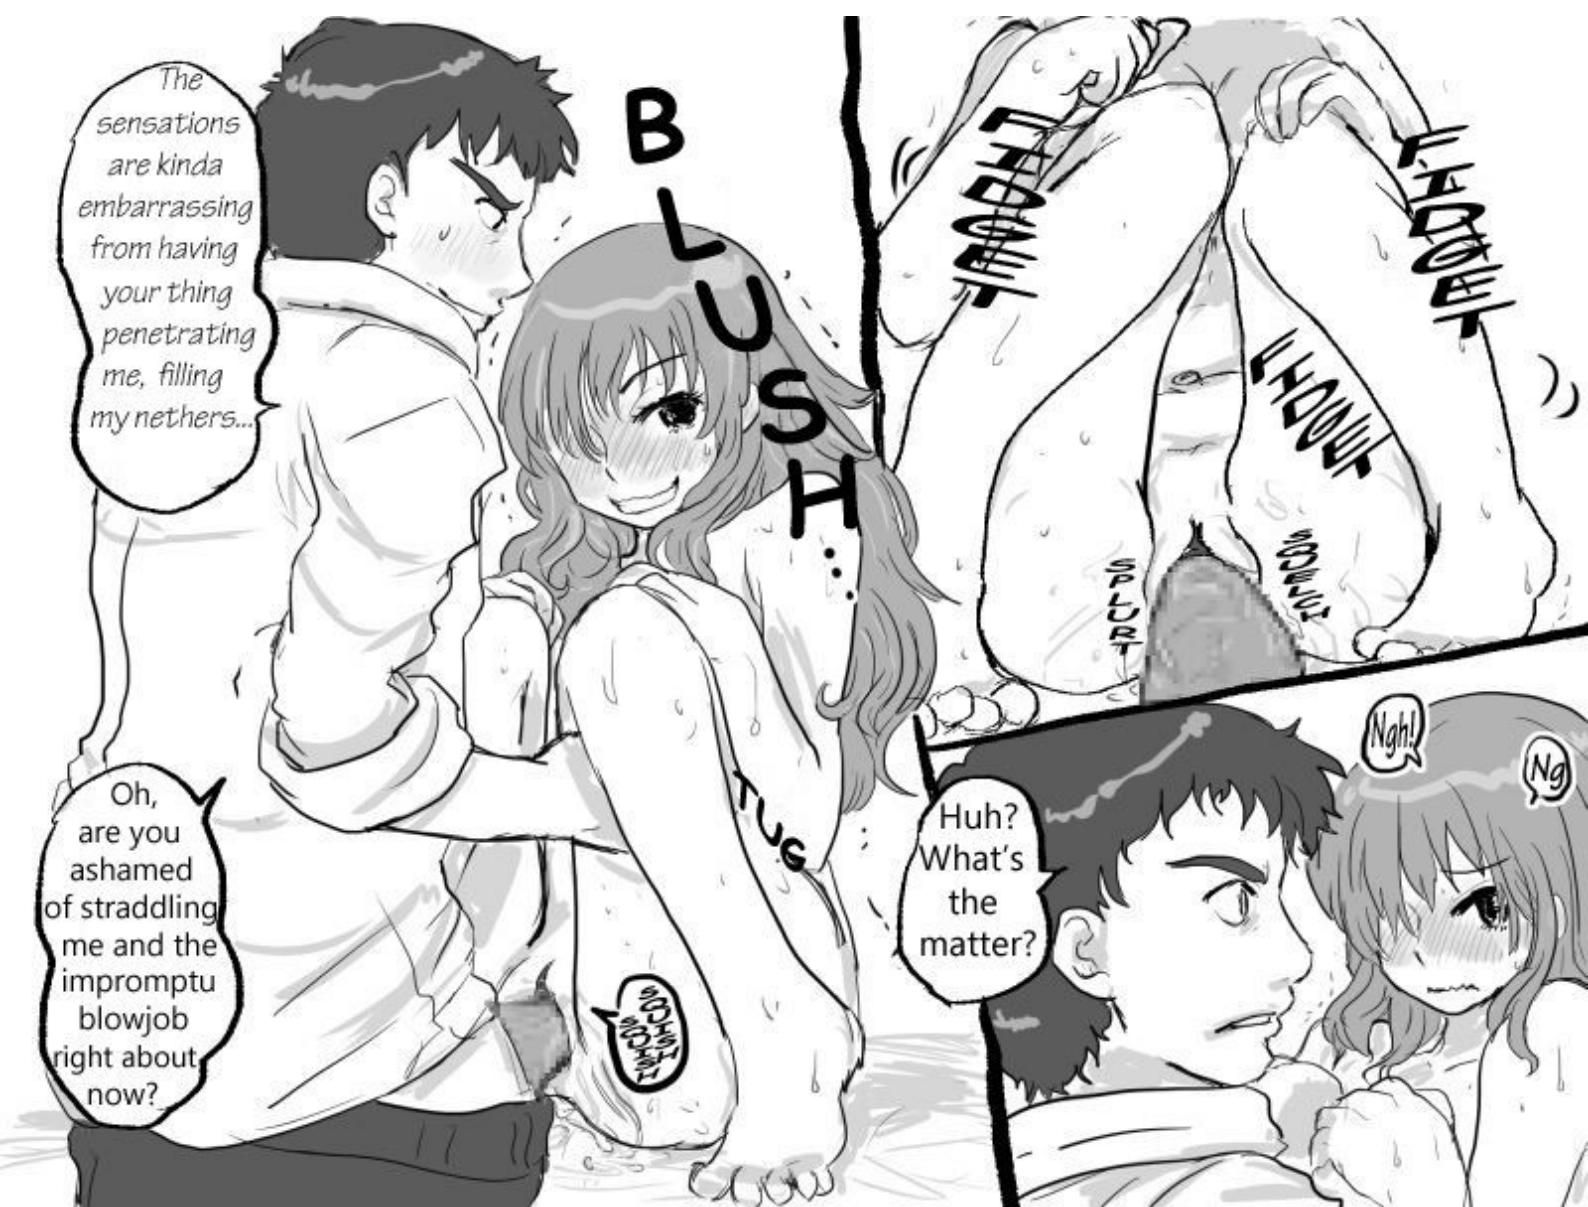

Ah...

...Kazuya, this time it's gone in deep!

The sensation of being penetrated here...

I have something being squeezed deep inside of my body-

I didn't think I would be so scared of having an organ that wasn't in my original body...

The sensations are kinda embarrassing from having your thing penetrating me, filling my nethers...

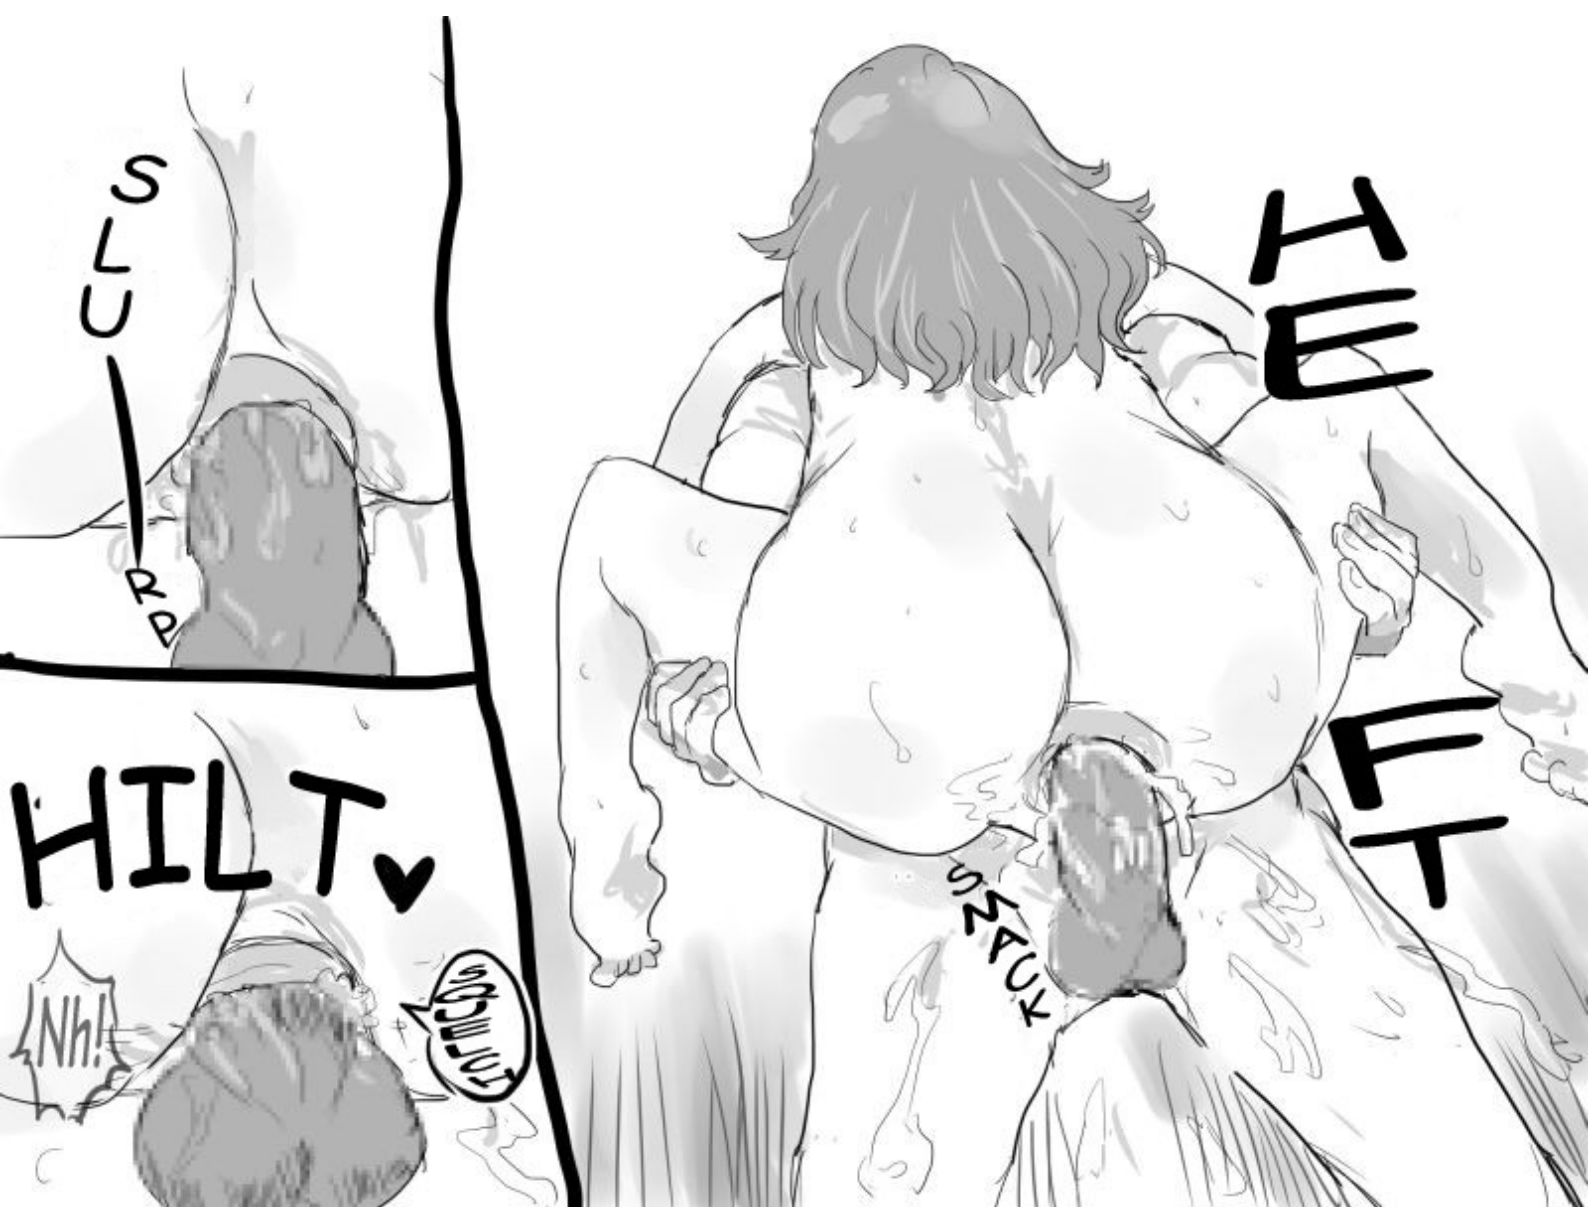

Oh, are you ashamed of straddling me and the impromptu blowjob right about now?

Huh? What's the matter?

Ngh!

Ng

Can you believe we're doing such an amazing act...?

Wait! Wait!

Wa-

Hm?

I can't breathe; it's like he's driving a stake into the very center of my body.

Perv-ert!

Well... We **are** connected as one through our genitals.

What-ever.

When  
women  
receive  
it... in their  
nethers...

It...  
It's  
basically  
like...

Men  
feel good  
just  
shoving  
it in,  
however...

Hwaa-  
aaaah~!

OH

I've always

After this,  
they had  
wanton,  
flirty sex.

TL Notes: Some SFX I was unfamiliar with and had to use similar ones or combinations to presume meaning, so hopefully everything seems ok. Also, had to use colored text on final page.

Page 47, Shigeharu says: "Ah! Kazuya-kun, you're completely a girl!" and Kazuya says: "The skin started to slowly change and wouldn't come off!!"

-Avanzare

The skin started to slowly change and wouldn't come off!!

Anyway, you're close to your original appearance, why's that?

Your melons are sagging~

Ah! Kazuya-kun, you're completely a girl!

Boin-Boing

...Hmph. Kazuya-kun, from the beginning you said "I want to be like Mia-san." So I gave you a skin that gives you the form of the person you want to become when worn with their hair, and you wore it.

The strange thing is that it's changing based on your data.

I don't think you'll be able to take it off until your body is completely transformed.

For Real?

Uh-huh.

If you just wanted to become a woman, I would have given you my feminizing razor.

Who are you?

Oi! Hey, Shigeharu!

The skin I bought from you, it's defective!
