セックスしないと死ぬ病

case1—
—新郎新婦

by水無月三日

If you don't have sex, you have to have a case of death by the 3rd day of the month.

It's the
official name
– if you don't
have sex,
you end up
with a
disease that
leads to
death –
because you
tend to have
many
partners of
the opposite
sex for a long
time. Also
known as
non-mouth
disease...

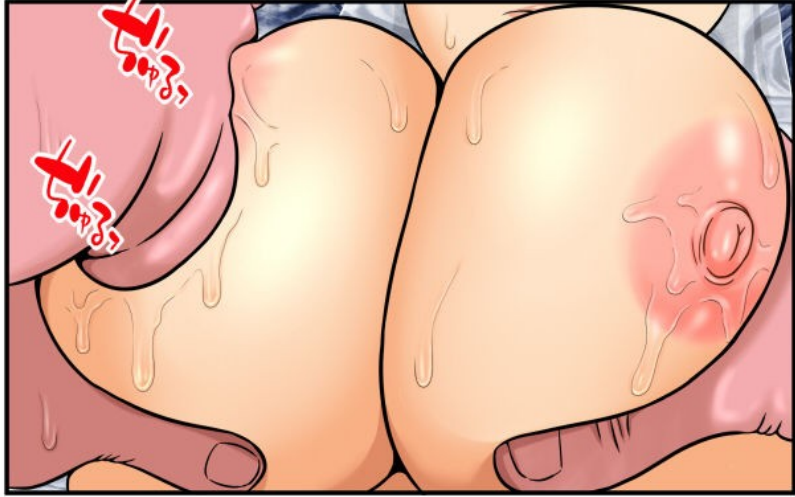

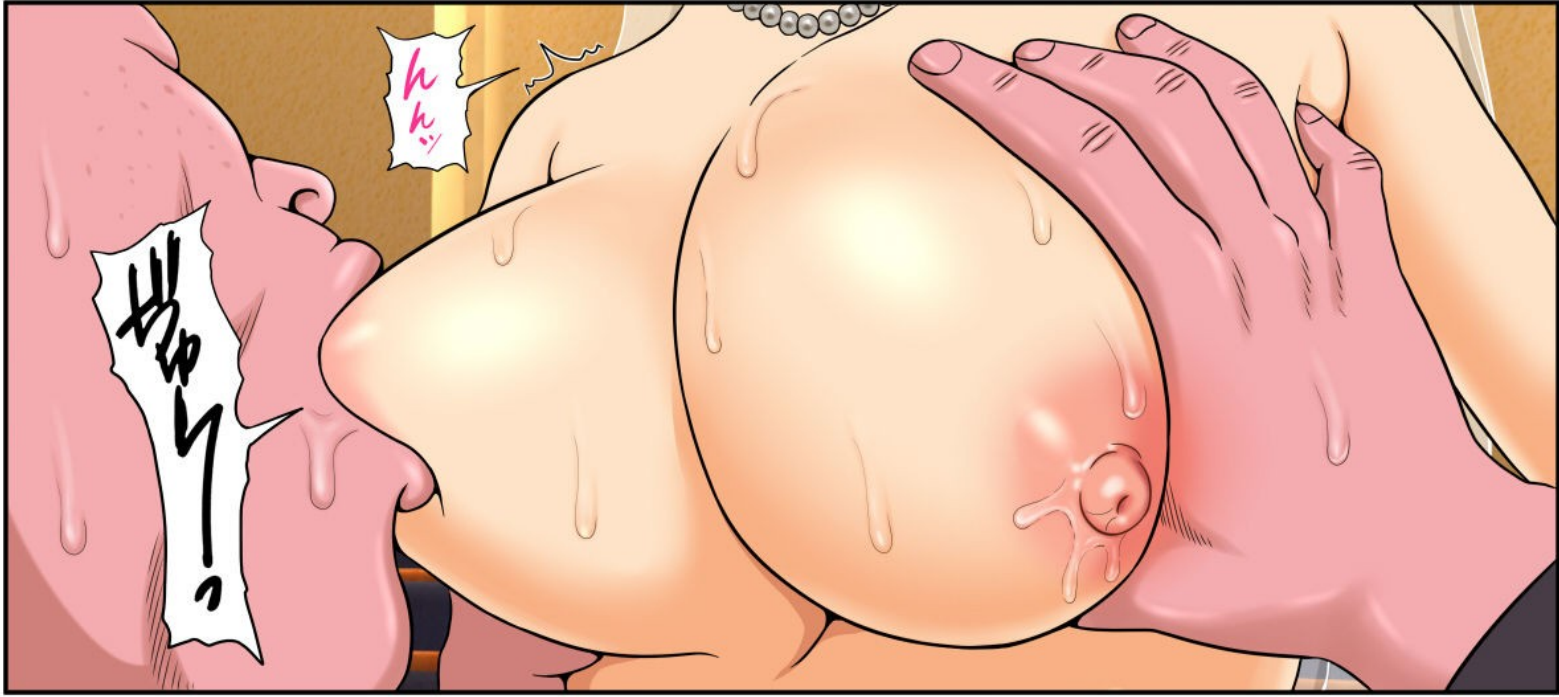

it's
SOOOO
GOOOD

Case 2. 母と...

You're
Takuro's
mother,
aren't
you?

Thank you
very much
for your
son. Ms.

devote
yourself
to it.

Yes... that..
I'm sorry
that it's
been
around the
clock. I'd
like to take
a rest today
too.

You don't
have to
apologize. I
will forget
about
school
today. Tell
Takuro, too.

I'm terribly
sorry. for
the whole
time with
symptoms
continuing

Then I asked
my sister
and my mom
friends for
assistance,
but they
turned me
down.

I can only

I'm
hungry.

What?

A two-story building with a balcony is shown at night. The building is illuminated from within, and the balcony has a railing. The sky is dark with stars and a faint blue cloud. A speech bubble is positioned in the upper right area of the panel.

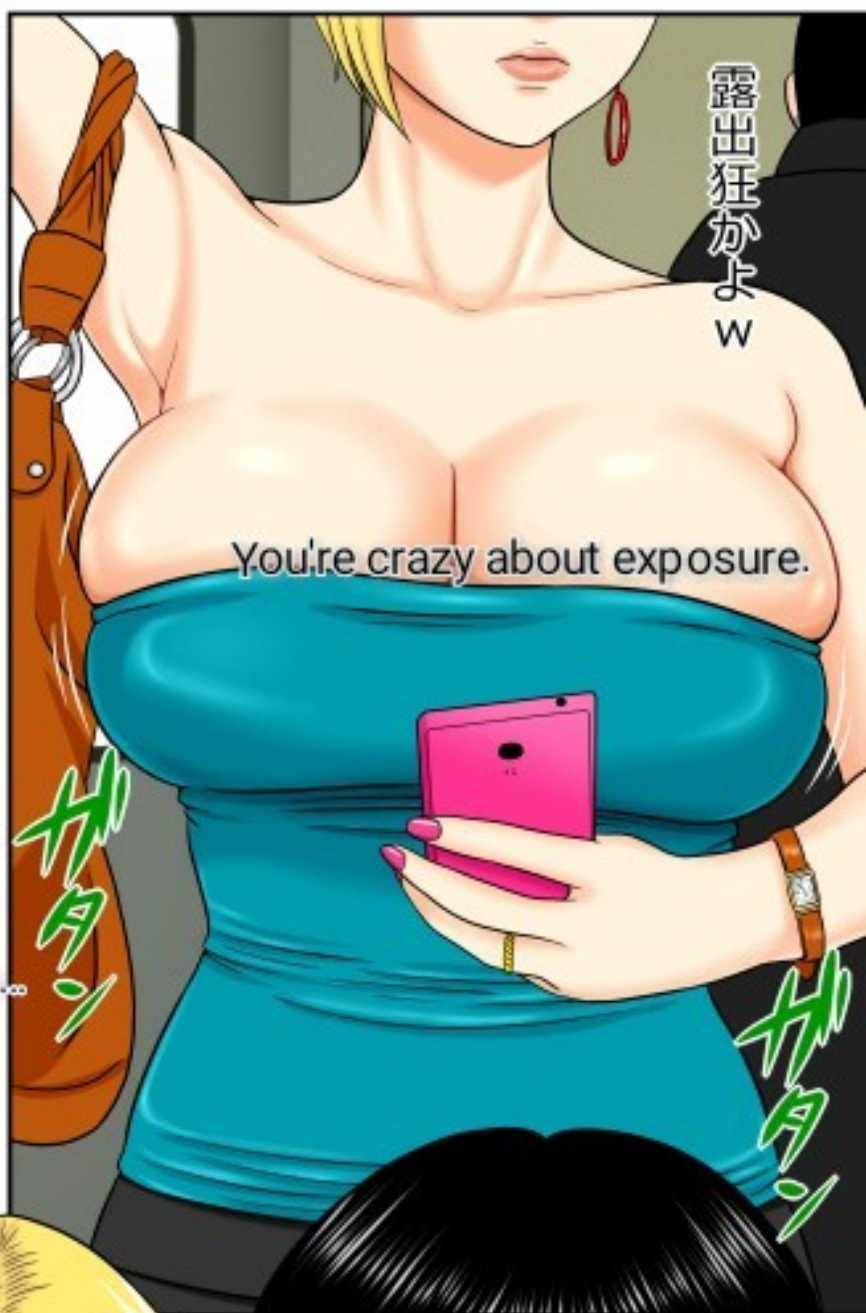

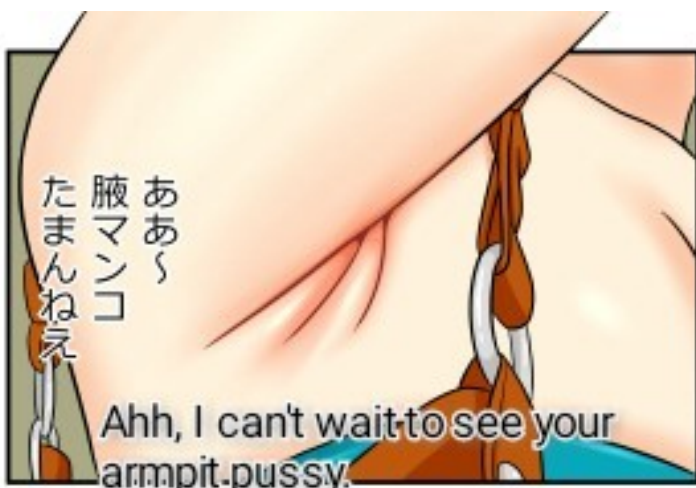

Let's
eat.

CASE 3 痴漢地獄

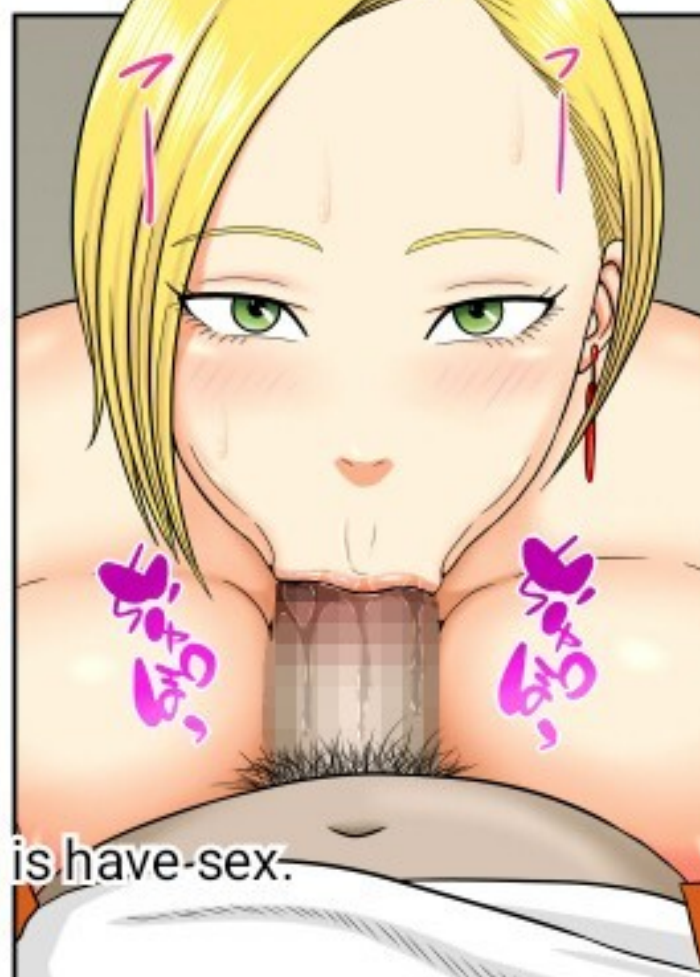

All you have to do is have sex.

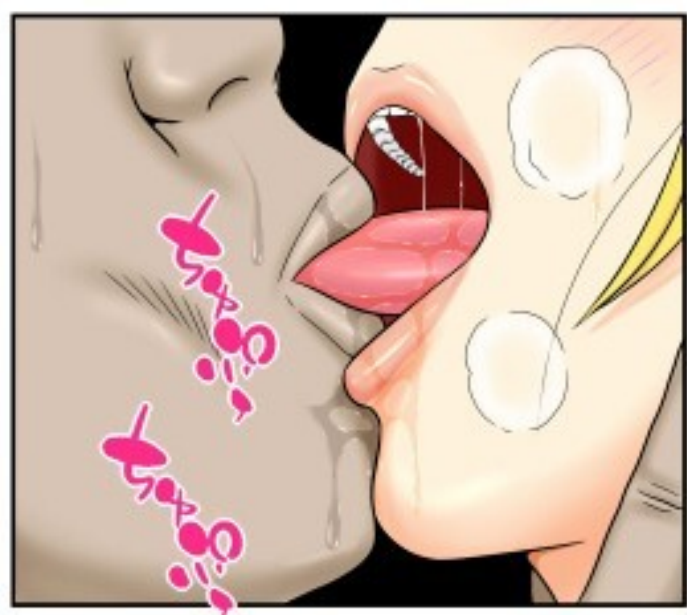

Yes, yes...
they say it
must be a
vaginal
ejaculation
or they will
die.

Hey, do we
really have
to have
sex?
What's
wrong
with my
mouth?

I'm gonna be
dead in 30
minutes.

I'm
sorry,
really...

But not
today...
not all of
'em are
that nice.

I know I'm old, but if you don't think it's better to have a wife...

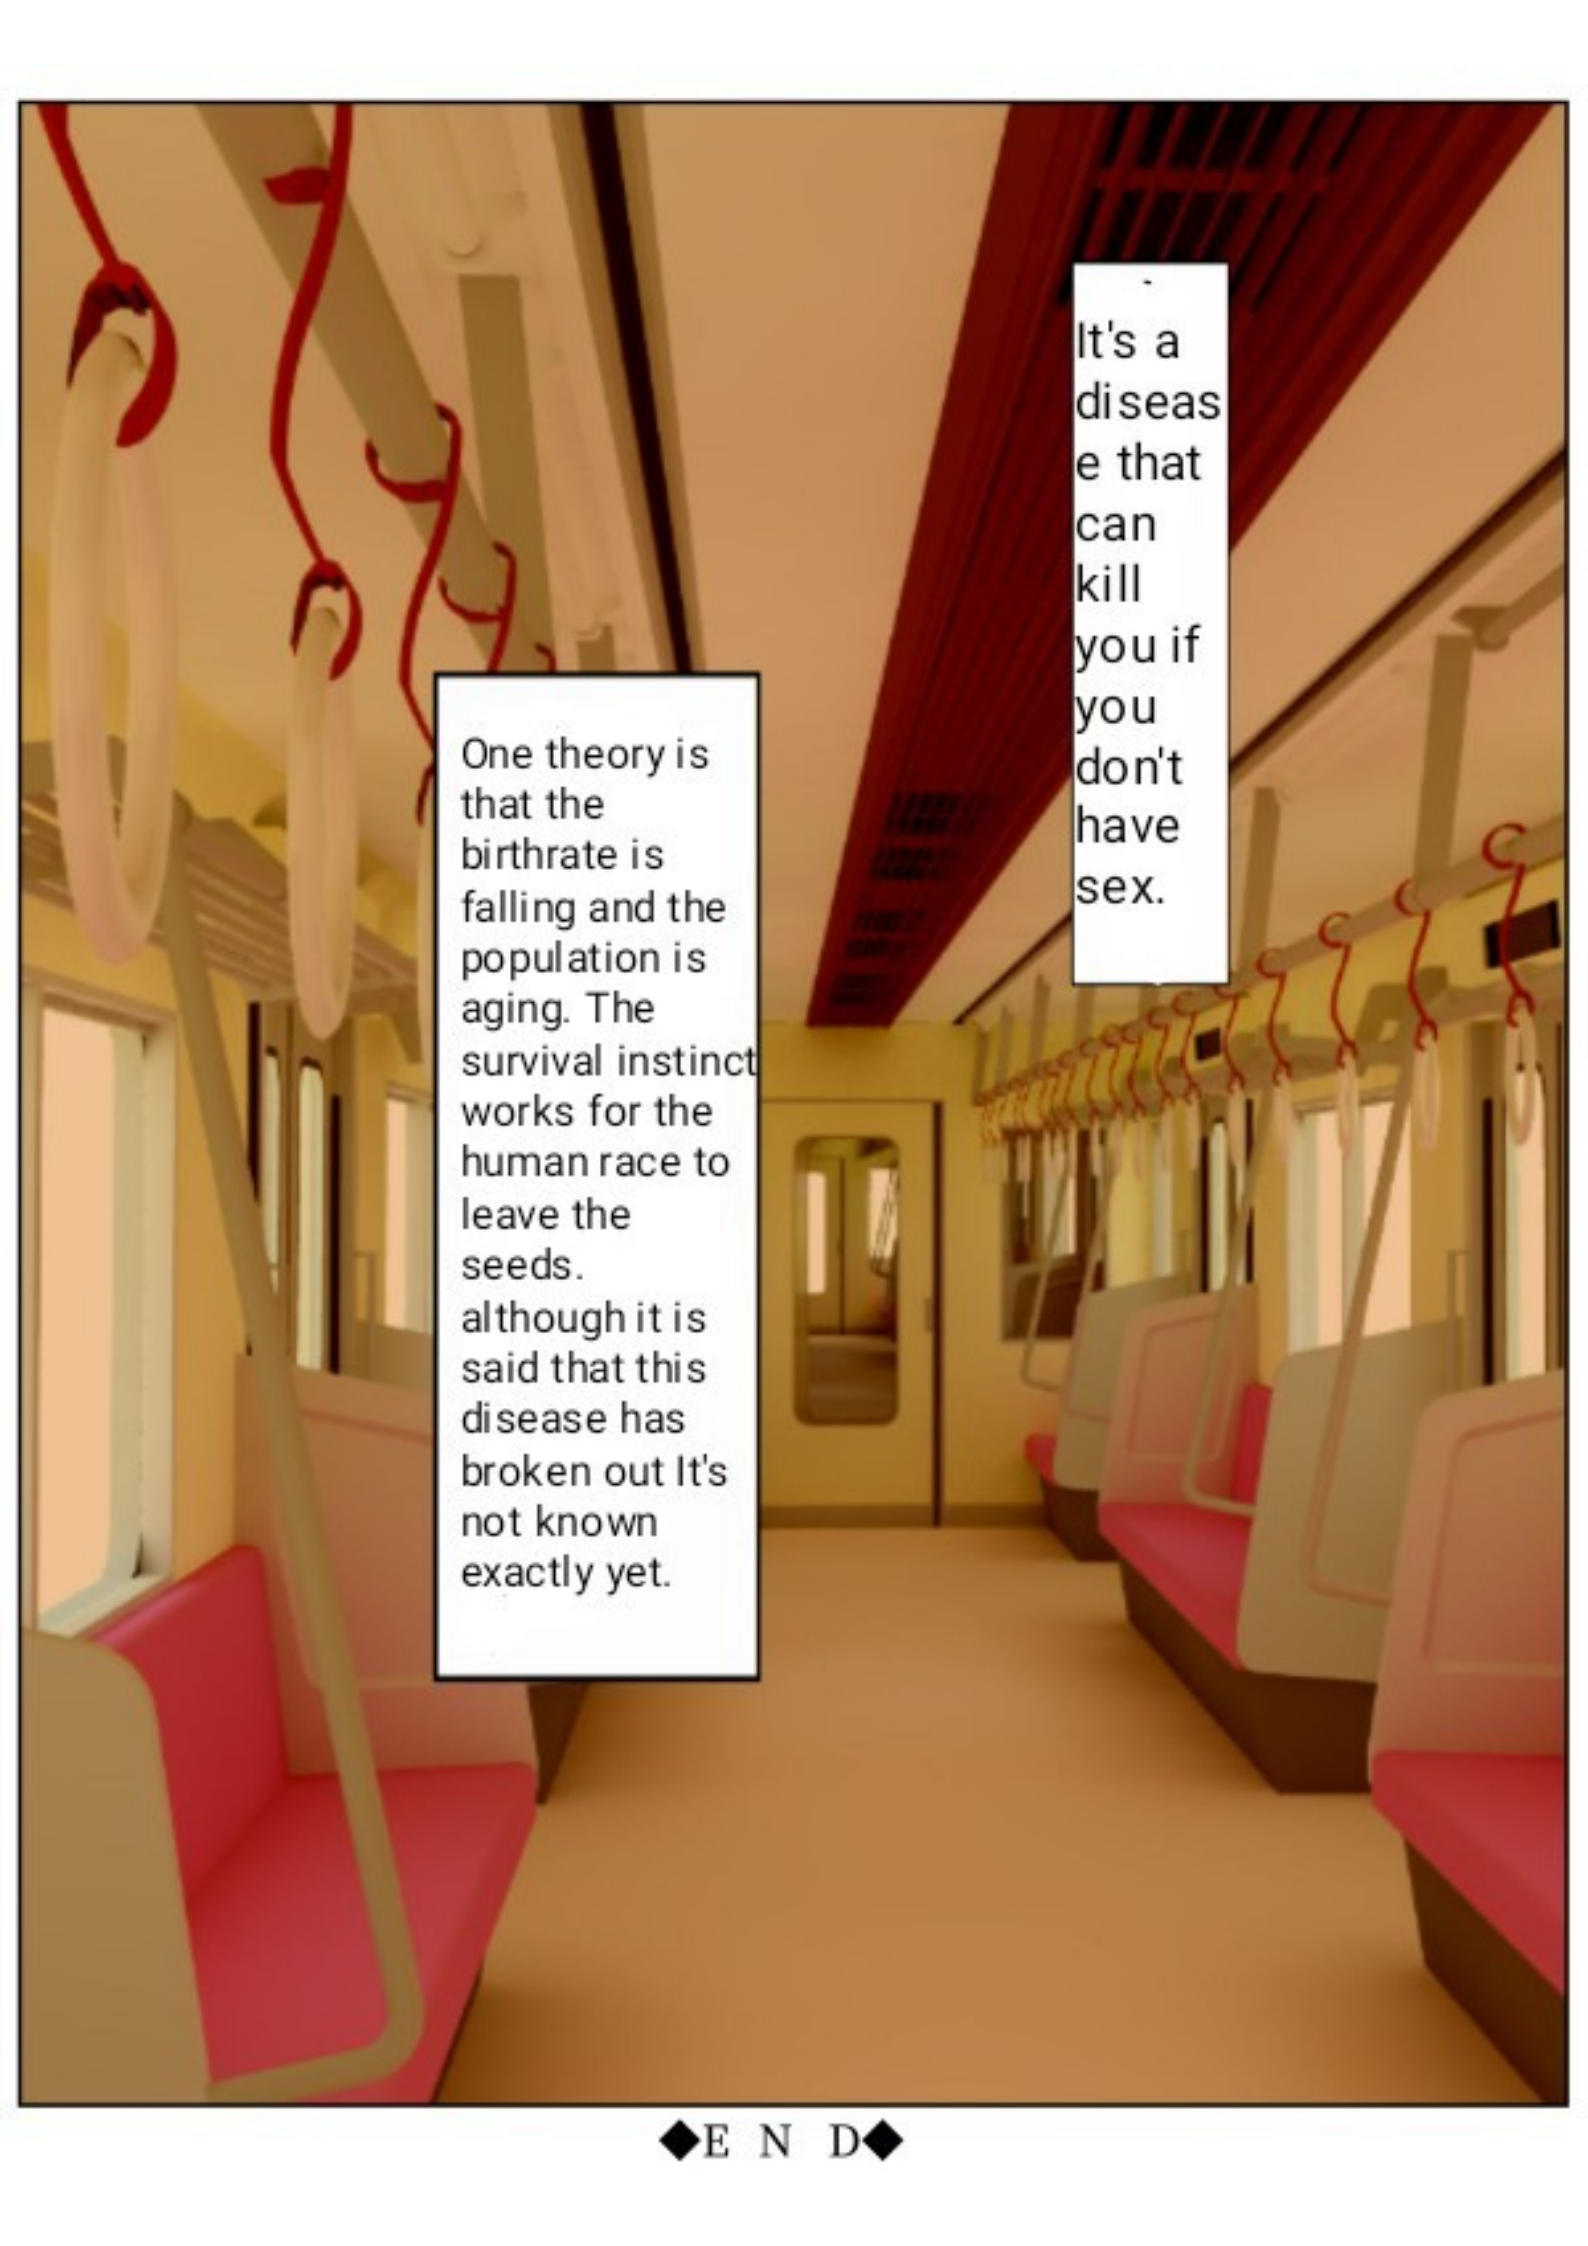

But not being able to have sex with a guy who isn't popular is a real drag, isn't it?

I'd like to take advantage of being sick and screw up a hot chick...

Just... once in a lifetime is enough

One theory is that the birthrate is falling and the population is aging. The survival instinct works for the human race to leave the seeds. although it is said that this disease has broken out It's not known exactly yet.

It's a disease that can kill you if you don't have sex.
