You shouldn't think so

Eh?

Don't worry

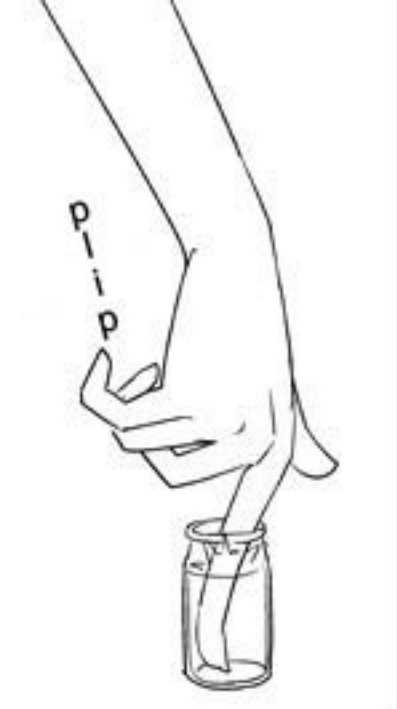

내가 언니로서 부족함 없이 해줄테니까

Apple13 is my favorite Eastern Giantess/Growth fetish artist. I found this apparently unfinished growth comic on their Pixiv and figured I'd share. I'm hoping for a translation eventually. I hope you like it as much as I did. Enjoy.

I tried to translate something for the first time.

I think I messed up quite a lot on page 4, not sure, the dad and mom parts got confusing

Also i had a hard time redrawing some of her hair, so I only removed one of the korean Onomatopoeia

I think the rest was ok, did a lot of redrawing and editing on page 7 and sry for single font. I don't speak korean so it took a while, sry
