

Getting
swallowed
up by feelings
of pleasure
and pain...

...And
melted
into a
mess.

I was
forced to
feel good
while I was
dizzy from
fever...

That's
when
I lost
conscious-
ness...

I wonder how many months it's been since then...?

We're back to being strangers, like before.

And missed the chance to talk to her, so we gradually lost contact without meeting.

I was stuck in bed for a few days after that.

I couldn't ask her if all of it was really true or not...

If she really did admire my sister for a long time...

...Or how Shizuku-chan thought about me...

I couldn't meet her eyes... and I didn't know how I should think about her.

But I don't know what to say...

This loneliness keeps smoldering, and I hate it, but...

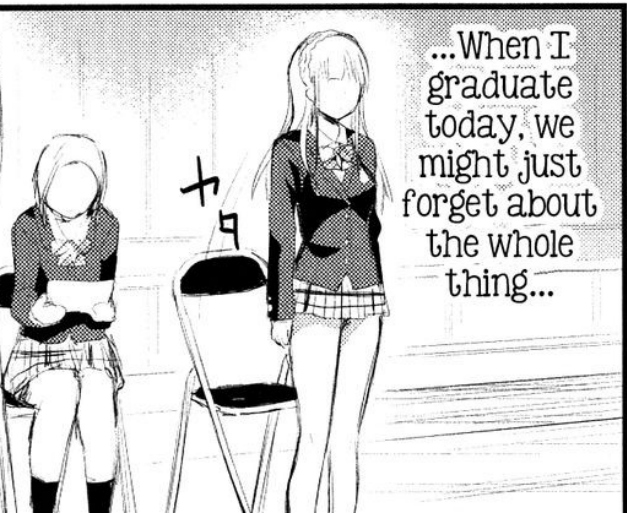

I was just scared...

Scared... of making things clear between us.

I wouldn't get a chance to see her anymore too...

...When I graduate today, we might just forget about the whole thing...

Congratulations on graduating.

Current Student Representative, Sasashiro Shizuku.

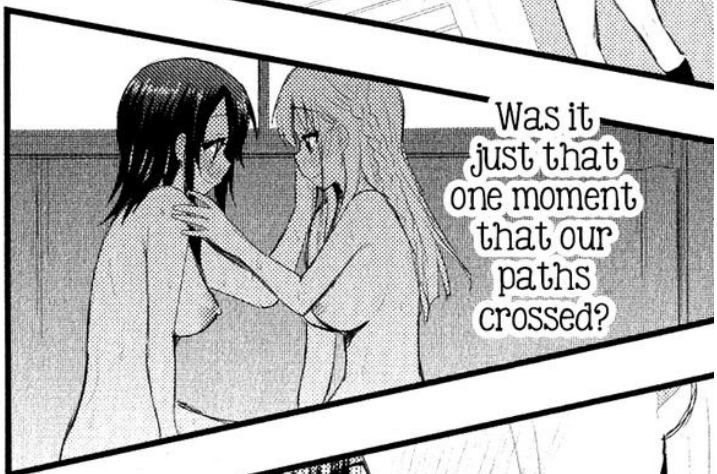

Yes!

A kind voice that I could hear no matter where I was.

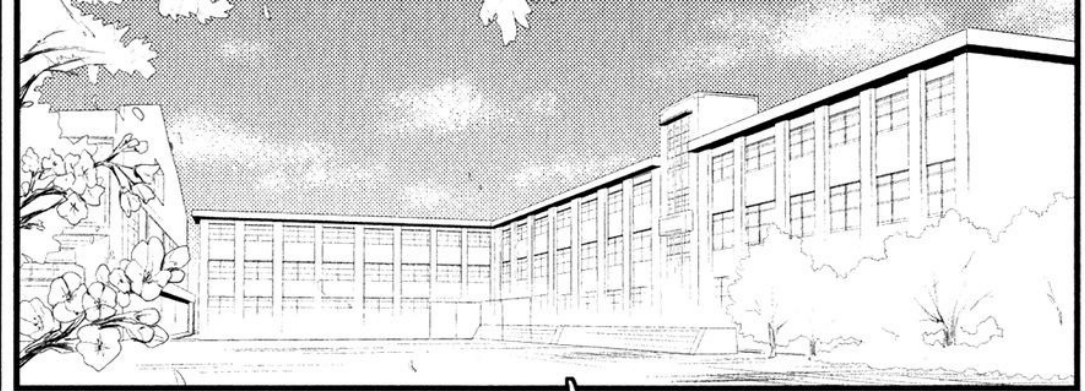

...She's so far away.

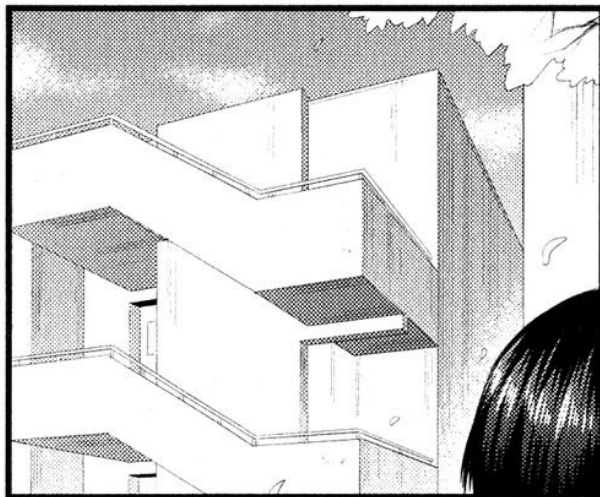

Was it just that one moment that our paths crossed?

Shizuku-
chan...

I'm saying
goodbye to
here too, huh?
It really went
by in a blink...

Yeah
right...

She's here...!

No way...

...What's wrong?

That this was where we first met?

Did Shizuku-chan remember too?

Shizuku-
chan is so
confident
when she's
talking to
others...

I'm sad that
the person
I love is
graduating.

But
when
we're
together,
her voice
is always
so soft.

Me too... It'll
be lonely, not
getting to
see you.

They won't
stop... My
tears...

Huh?
Why...?

Ah

ぽろ

Waaaah!

Shizuku-
chan...

Yu-chan...

Ah
Um

This might be a bother, but...

I always, always...!

There, there.

Please be well.

Shizuku-chan...

... Congratulations on graduating!

Are we going to say goodbye like this?

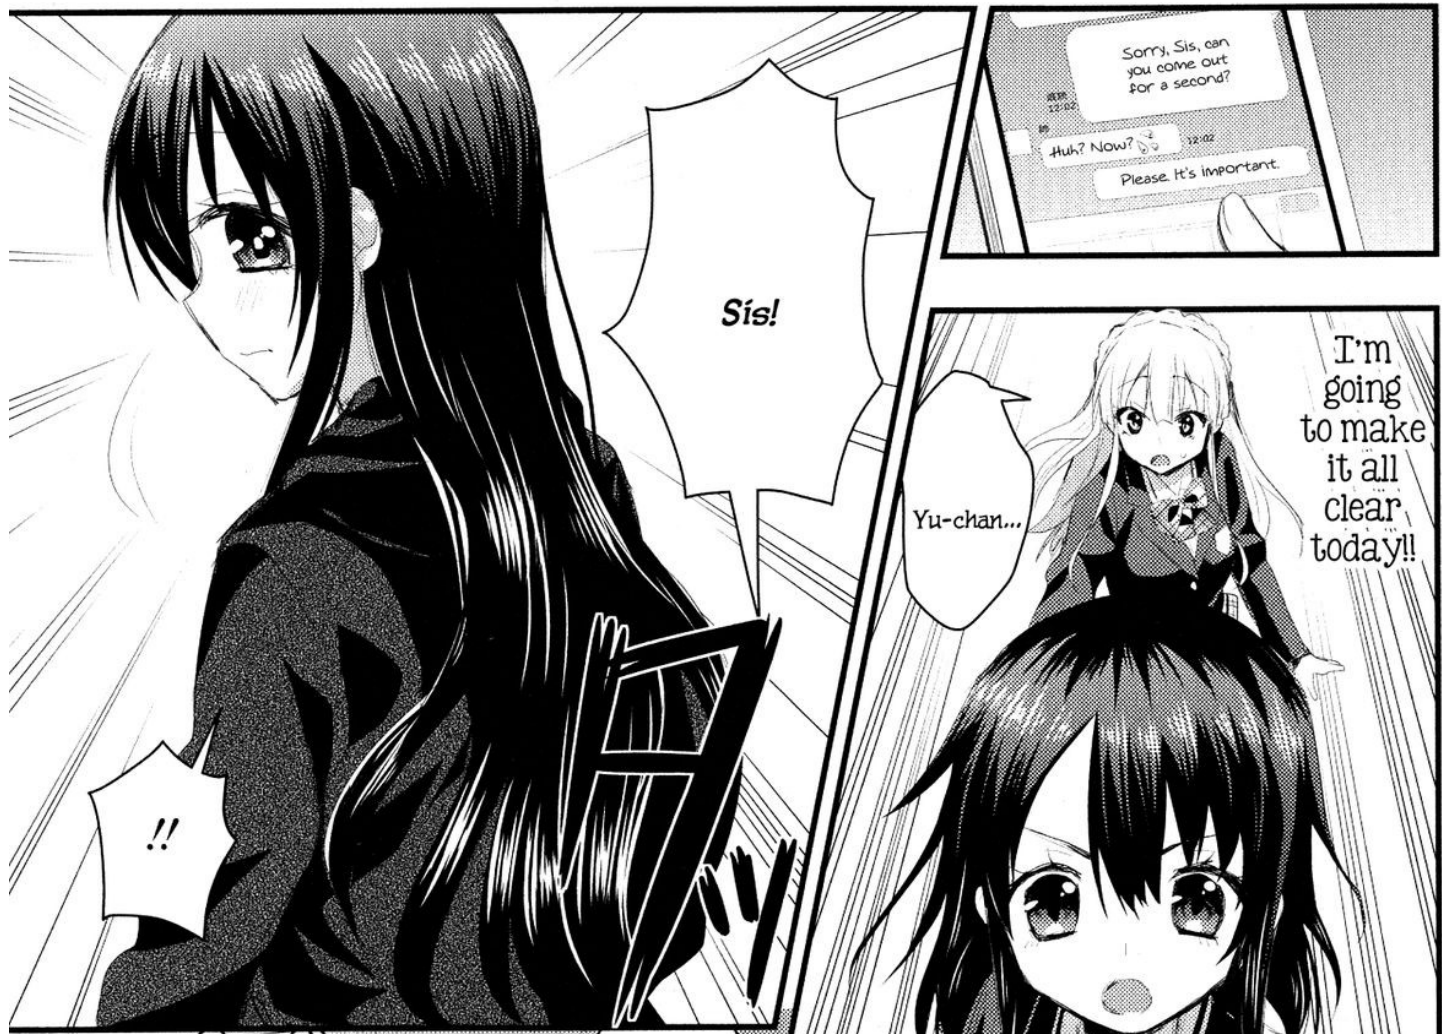

I...

I'm done thinking!
I'm going to be honest!

Huh? Wait!
Senpai!

Follow me!

Sis!

Sorry, Sis, can you come out for a second?
12:02

Huh? Now? 12:02

Please. It's important.

I'm going to make it all clear today!!

Yu-chan...

...What about the graduation ceremony ...?

Yusa?
What's up, calling me here?

Haa
Haa
Haa

...Straighten out?

Shizuku-chan!
I want you to straighten out my feelings!

I've...!
I've always
admired you!

...Huh?

I love Yu-chan!

It's love! I
loved you!

Whenever you
were in front of
me, seeing you
made my heart
race!

More
than
anyone
else!

I admired
you for a
while... so
it was hard
to kick the
habit...

But!

But my love
for Yu-chan
is unique! It's
different from
everyone else!

My
admiration
for you
was just
admiration...

So...!

I've quit
that now!

Shizuku-
char!

I want to stay
with Yusa-serpai
from now on too!

Yu-char,
please go out
with me again!

Please be with
me forever!

Of
course...

I'm sorry...
I love you...
I really love
you...!

Get along
you two,
okay?

Sis...!

I'll leave
my sister
in your
care.

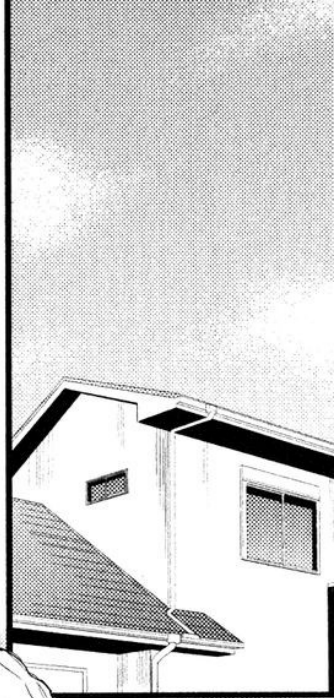

I love you!
More than
anyone else in
the world...

I'll never let
go of you...

Is this
your
room?

My sister
already left,
so there's
no one here.

I'm so glad I
can get such
a big hug...!

I hugged
you just
now, didn't
I?

We
were
so cold
to each
other
before...

But
it's
like we
jumped
past the
months and
everything
else.

Yu-chan! Give
me a hug!

I love you! I won't let go of you this time!

Yeah, I love you, Yu-chan!

I won't let you go either...!

I missed you, Yu-chan!

Aah! Shizuku-chan...!

My body's burning up, like an aphrodisiac...

You're a little salty.
Haha
You too, Shizuku-chan...

I love all of it.

Your warm and soft skin...

Your beautiful silk-like hair...

Your kind and well-mannered self...

Your bright, playful, and cute face...

Her soft touch.

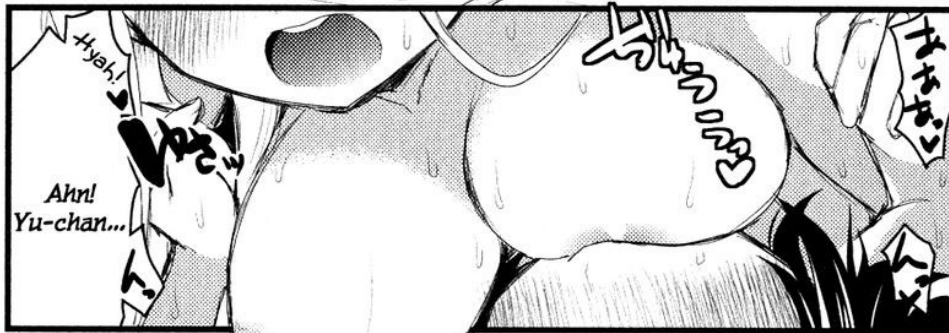

Shizuku-chan...! I'm glad...

It's filling me with happiness...!

And how bold and extreme and forceful you always are...

Your sweet voice, your dignified silhouette...

Ahr! Yu-chan...

Are you complimenting me?
Giggle

You're beautiful... Shizuku-chan.

I love you so much, Shizuku-chan!

I love you!

No... I'm getting too turned on...

Yu-chan! I love you! I adore you!

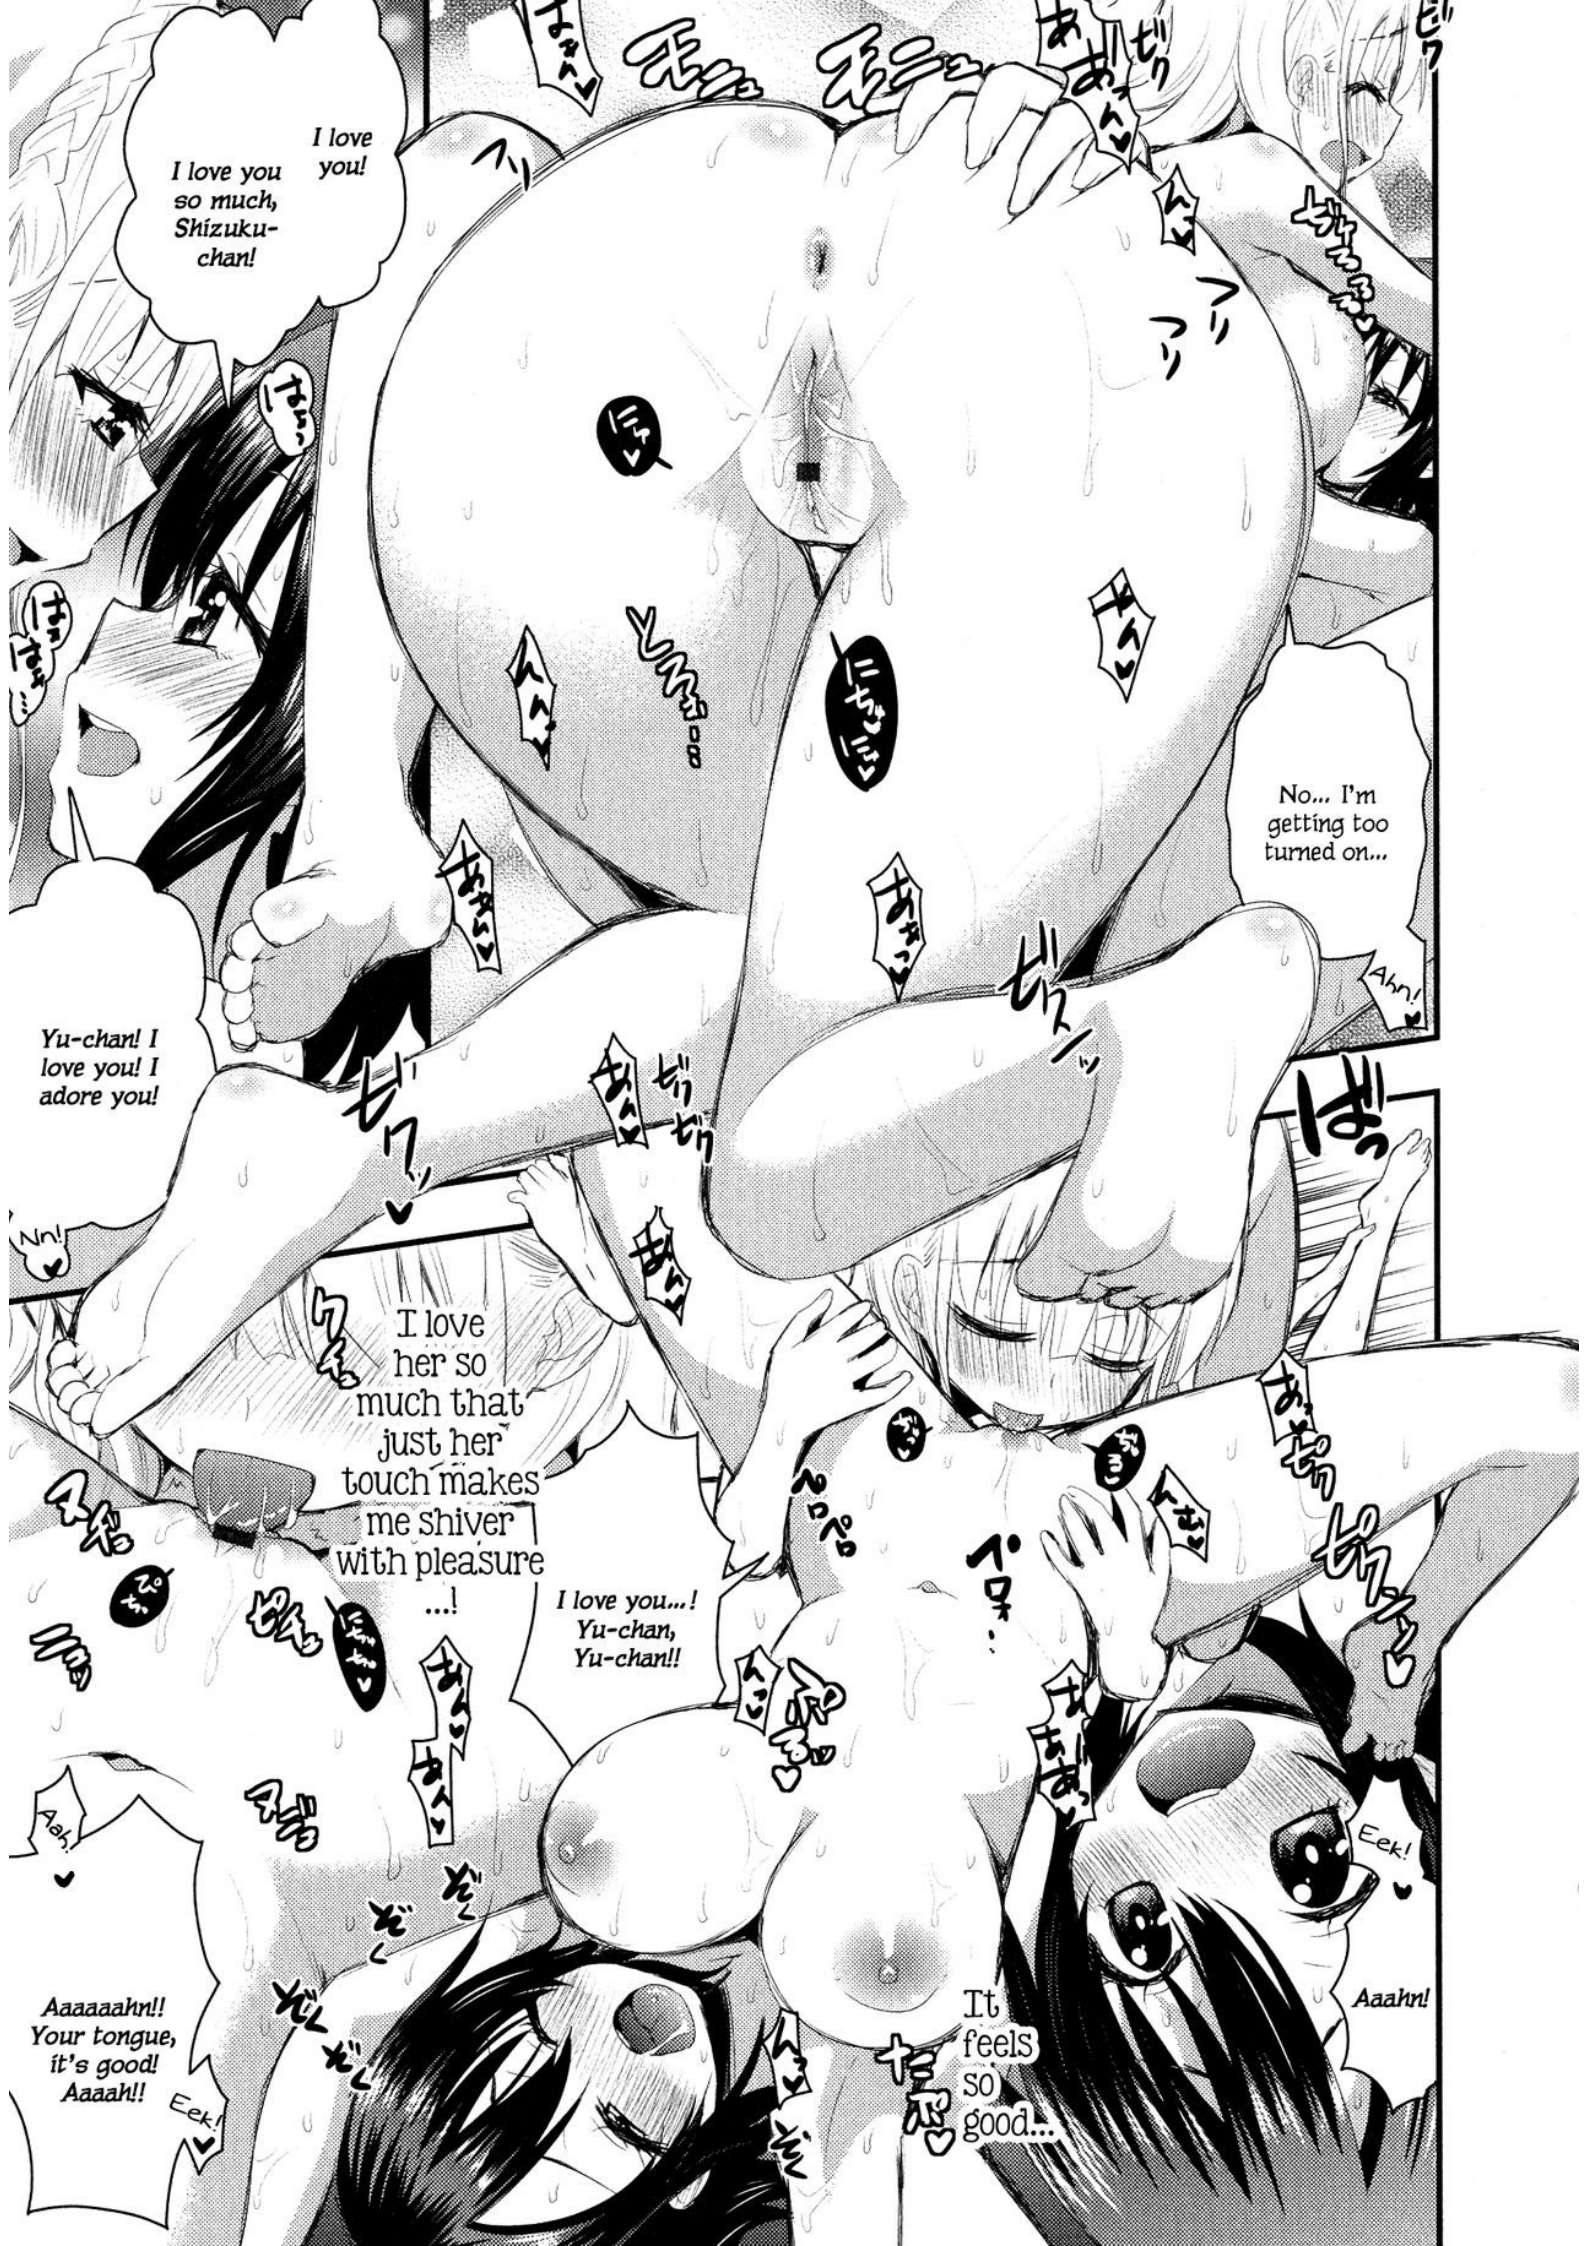

I love her so much that just her touch makes me shiver with pleasure

I love you...! Yu-chan, Yu-chan!!

Aaaaaahn!! Your tongue, it's good! Aaaaah!!

It feels so good...

Aaahn!

Her tongue,
her voice, her
warmth, all
of it feels so
comfortable.

Not there...
It's dirty...

It's so
hot... Are
you turned
on...?

You're all
trembling,
Yu-chan.

It
feels
like
we're
melting
together...

Don't say it...
It's because
you're loving
me, Shizuku-
chan...

Your lewd
juices are
flowing out no
matter how
much I lick!

Hyaahn!
Your tongue
is so warm
and wet!

You too,
Shizuku-
chan...

Ahn!

University's pretty free, huh?

I love you.

Me too.

END

Rude. I waited for you too, you know?

Thank you very much!

You might be the forceful one these days, Yu-chan.

Come here.
