Three months have passed

since I became a succubus.

And then I was brought back to life, as a succubus.

What the hell's that?

It's become an urban legend...

To be exact, I died three months ago. When I was ran over by a demon who was on vacation.

Oh yeah, did you hear that rumor about a "winged woman"?

Winged woman?

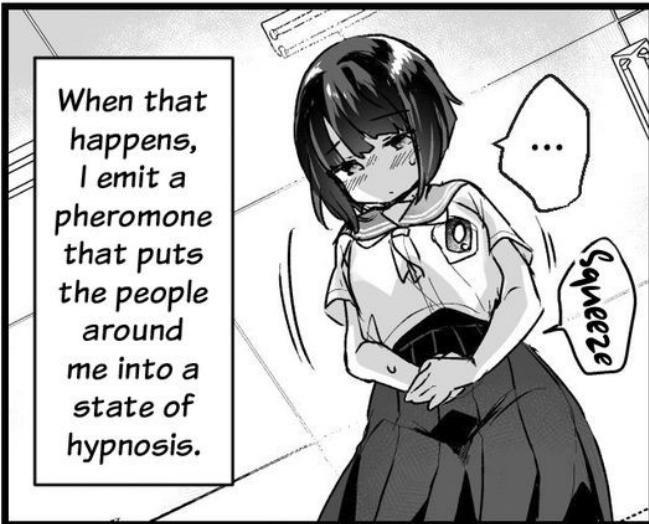

But during these past three months, I've been painfully reminded about it.

Hey, keep working!

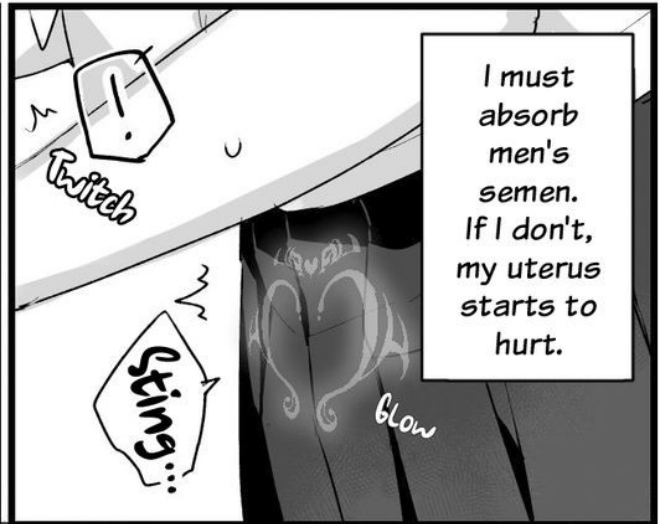

We are working!

Even now, I can hardly believe it happened.

When that happens, I emit a pheromone that puts the people around me into a state of hypnosis.

Squeeze

I must absorb men's semen. If I don't, my uterus starts to hurt.

...to feel strong sexual urges towards me, whether they want to or not.

ma

To put it more precisely, I end up emitting a pheromone that forces the men close to me...

Besides, this condition ignore men's feelings.

I think that sex is something I'm only supposed to do with somebody I love.

I really hate being a succubus.

Lose control. Start having sex indiscriminately.

But if I don't do this, I get hungry.

Knock Knock

Excuse me...

Click

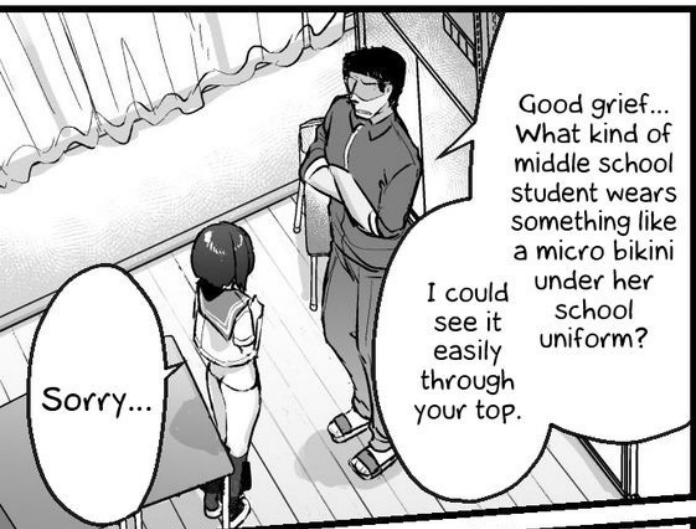

It actually happened once when I was in the train.

Oh, Yamada. I've been waiting. Come over here.

And take off your clothes.

Ever since then, I've been taking semen discretely through one-on-one encounters whenever possible.

Sorry...

Good grief...
What kind of
middle school
student wears
something like
a micro bikini
under her
school
uniform?
I could
see it
easily
through
your top.

Hey,
don't you

the school
rules only
allow you to

bras?

It's
because
when girls
like you
wear such
obscene
underwear...

...especially
black-colored
ones that
show through
the most...

Honestly,
even now,
the fact
that I'm a
succubus...

I knew it.
Just as
I thought.

Oh?

This smell...

When this happens, the fact that I've become a succubus really hits home...
Ah... Oh no, this...

END

Quick summary of what happened 3 months ago.

Thus, an urban legend was born...

Hello there, Kanro Ame here.

I planned on getting this book out during Air Comiket, but before I realized it, it was already the end of June... I feel bad for everyone who was waiting for this, but I'm also relieved that I was able to get it out just right.

This time it's a story about a reluctant succubus, a poor girl who became a succubus against against her own will. (She doesn't hate it as much as she thinks she does.)

This is the first time I'm doing this genre, so I went through a lot of trial and error while making this story. But if you enjoyed it, that's enough to make me happy! About the previously mentioned train incident, I was thinking that in the train, her hypnosis power went berserk and she was molested by several guys, then dragged to a hotel where they had sex, and after that she got hungry for sperm again and resorted to late night compensated dating with mock lovey-dovey sex. I wanted to write something like that, but that'll have to wait for another time!

Well then, let's close things up here. I hope we can meet once again.
