

Lovely.
It's so
hard and
throbbing.

The
topology of
the space within
a 2 meter radius
makes you
invisible.

I don't
understand
but I still
want this.

Finally...
It's going

This is the

CHANCE ENCOUNTER

Côte d'Azur

grumbles

Now here I am alone in a king sized bed at a romantic resort.

Since I thought it was ridiculous to waste tickets, I came all the way to France.

I feel so empty...

My head hurts...

Like really bad.

I was waaaay too plastered.

Now I just don't think I can trust a woman.

Or should I say I WAS a romantic?

...That is to say, I can't help that I'm a romantic with sentimental thoughts.

I truly want to honor and trust just one woman in a lifelong marriage.

My ex was a first-class cheater, abuser and domestic criminal.

When I met her at the mixer she told me:

You can't come because you're back with your ex!

A sudden one-sided break-up

WHAT!??

Shortly before departure

I listened to her worries, and to her ego, on holidays I gave her presents, and to think I even arranged an overseas vacation to get treated like this in return.

If that's so, I guess I'm just in time. You're safe with me. I will treat you kindly.

It would be nice if the next guy I met was nice, honest and upfront. ♡

Wha--!? A man with a wife and kids got you pregnant?

Furthermore, the one before that who I met at a spouse-hunting party* turned out to be deep into compensated dating.**

In the course of our relationship, I discovered she was keeping 5 other men in her crotch.

Wait, who are these messages from!?

The girlfriend before I got to know through a dating app.

Shut up!

**Compensated dating what the Japanese call it so that prostitutes don't feel like they are prostitutes.

*A party where all the participants are looking to meet someone to be a spouse. This is as Japanese as it sounds.

Even for the legendary playboy Casanova that is an unreasonable figure.

1340...
.....

If about 1340 were tested, it would result in the level of trustworthiness.

For a population of 100,000, a test group would need to be 383...

To do it for women age 20 to 25 in a population of 350,000....

A relevant sample group to be tested would necessarily differ with the larger populus.

But the sample group is too small to conclude that all women have a high probability of cheating.

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

But that especially is a delusion of superiority.

I want to think those are reasonable specs, but...

A degree from a famous university, an advertising job making 6.5 million yen per year

Rihito Kouda
26 years old
Average looks
Medium build
Medium height

The girl I came to like was shallow and unintelligent. To add to that she clung to a rude man while I did nothing but watch with envy.

I hadn't had a girlfriend until my 2nd year of college when times changed for me.

In my high school era, I was a perfect honor student, anti-social, and unpopular with girls.

SAD RIHITO

Well, whatever

I'll shelve wishing for anything at all and go back.

Be that as it may, to use English economist Peter Bacchus's formula, the likelihood of finding an ideal partner would be 0.0049% and, furthermore, the chances of mutual love would be 0.0025%... I guess...

But I'd be a total loser if I opted out of this Darwinian sexual market.

So then improving my appearance and learning a little about communication I think would make me less objectionable.

むっ

No... It's no wonder I haven't made any woman into my partner, isn't it?

Up until now, the seldom encounters with women have gone bad.

Umm...
ahh... sorry.
Don't mind
me.

Don't look
at him.

That guy
high on drugs?

Shut
up!!

Quit
talking
in my
head!!

**Don't
treat me
like a
disease!**

Calm
down.

Am I
seriously
talking with
someone?

To understand
contact with this
life-form, I'll try to
figure out what it
means by truth
and reason.

No!
That's
your
fault!

**They all
think you're
actually
psychotic.**

**Since I have
no body I
do not need
to eat.**

Do you
happen to
eat
humans?

Well,
thank
God for
that.

**I am a lost
child of space-
time from a
parallel dimension
with different
laws of physics
from your own.**

Who
are
you?

**You really
don't
remember?**

At any
rate, why
are you
inside of
me?

Welcome
back,
sir.

*Manga reference

So I'm
hosting a
symbiote or
maybe a
Parasyte*?

A
host...

**For me to
act in this
world I must
have a host.**

**I don't know
that race but,
yeah, some-
thing like
that.**

Why is that?

I want to do it but there's no way that could happen.

Yeah, why is that?

As I see it, humans are nothing but a hairless species of monkey among 193 species of primates.

It would be better if we had mutual understanding that you're no different at all

You seem to want to copulate with that female.

Female... copulate... Don't treat us like animals.

Oh, is that right?

Besides, that stewardess would probably be seduced by some high speed male. Those pilots probably make 20,000,000* yen a year.

I wonder what would happen if you didn't feel that way.

Maybe because I'm not up to the challenge.

That's why I feel like I can't find a partner and I think I'll lose my nerve.

Especially because women who are out of my league can give me a tension I never experienced even in my school days.

*Something like 200,000 bucks

On that point our interests are in agreement.

Life exists to survive and breed.

I have access to your thoughts and emotions.

What? No words came out of my mouth. We can talk by thinking?

Then you should have said so earlier...

Easy?

If you had my power, granting your wish would be easy.

I will lend you my power.

Hey!!
Get back
inside!!

Did I clear
that up
enough
for you?

Biologically,
what creates
feelings of love
is nothing more
than various
chemicals and
hormones.

It's well
said that it's
easy to fall
for a
woman.

I didn't
permit you
to use
me as a
host.

Drink
service

For fucks
sake, every time
you talk to me
it's something
annoying.

Well,
looky
here.

It's
crowded
and
uncom-
fortable!

If my dick
is out people
will think I'm
a pervert.

And more
importantly
don't get
so long.

It's fine.
quit
complaining.

I was
startled.

Aagh!!

Hey!
What are
you---

Can I
help you
sir?

Sorry!
My hand
moved on
its----

Sure,
I'll take
a mineral
water.

Soon you
will witness
my power.

Would you
like something
to drink?

In a short
time I will
sweep up
her body.

Yes?

Huh??

To be consistent with your reasoning, if you have sex with her you will come to love her.

Your body says differently.

That may be true but... I'm a romantic, so I'm opposed to sex without love but...

With one push she will permit you into her body.

It appears that your mate has permitted you into her heart.

I want to get to know a little more about her though.

Whaaaaat? You really don't have one?

On top of that I'm overseas half the month, so I can't have a boyfriend.

These long international flights use up my stamina, and then the jet lag...

A paradigm shift, huh?

If I'm not mistaken, in business it is easier to change a way of thinking after experiencing a success.

Is that right? You're giving it your all, Miwa-san.

Yes it is. Especially because of how it makes me feel when I get a complaint from a customer.

Being a stewardess must be hard work.

I think it's necessary to change your way of thinking.

I thought I told you that the feelings of love are the consequences of chemicals secreted in the brain.

Yes, for about 3 hours we're okay.

So we're really alone right now.

Well, that's a lot of time isn't it?

Now might be the time.

Napoleon said, "When the time for action has arrived, stop thinking and go in."

If I could pour my saliva into this stewardess I've longed for, at this rate we...

Ah....

Since the moment I saw you I've felt so enraptured that even my past seems to disappear.

The truth is I've only ever had unrequited love.

So then, if this chance could lead to more intimacy, I'd be happy.

ハイ

If it's messed up I'll get yelled at.

There's no mirror so I won't be able to tie it up right.

キッ

I'll take off everything but the scarf. That alright?

I understand.

Umm...

キッ

Whatever you do don't take my scarf off.

Ah, wait!

I'd like to see your tits, Miwa-san.

キッ

オ☆

Wearing clothes seems exciting.

Don't worry...

I really want to take it off so I can grope and fondle the shit out of them.

Your breasts must be uncomfortable in this tight bra.

Ahh...

I wanna see your nipples, too.

They're so voluptuous.

These are seriously heavy.

You're embarrassing me.

※この作品はフィクションです。実在の人物・団体、その他とは一切関係ありません。

Ah...

I hated
being made
fun of.

I was
happy to feel
like I was
becoming an
adult.

It was embarrass-
ing but...

Did the boys
in your class
stare at your
boobs a lot?

Rihito-san,
when you
look at me it
makes my
heart race.

No...

Do you
hate it when
I look at
you?

You smell
so sweet.

Ahhh... the
silky texture
of your skin is
so refreshing.

NOW

Yes. I only ever went to all-girls' schools.

Ah...

.....None...

How many guys have you been with?

No way! Really?

Then I'm a really lucky guy.

HaaAhn!

My nipples feel so good!

You're super sensitive, aren't you?

Ah... No...

Yes...

So you're a virgin.

Mmm... Ahh...

It can't land here.

Ah...

"The plane is preparing to make a landing."

Well then, what about down here?

Sorry, the captain already decided to make his final approach.

It seems the runway is in a wet condition.

Do you mean to tell me you aren't wet?

No... That's...

Without even confirming for yourself?

He's gonna make a soft landing touchdown.

Aahn!! No!

Haaghn!!

No,
wait a
sec.

Next is
my...

**Are you
talking
to me?**

Yeah,
who
else?

If my
penis has a
face she'll
be scared.

It made
me want
to kill
you.

I wouldn't
have been able
to use my penis
with my mate.

Then why
did you give
it a face?

**I thought
it might
make you
like me.**

**It would
be weird
if it did.**

**I manipulated
your visual cortex
to make it appear
anthropomorphic.**

So then
my penis
doesn't have
that face?

Yeah,
more or
less.

Do you
know how to
give head?

I'm okay,
I was just
thinking too
much.

Hey,
are you
alright?

Okay,
now pull down
my pants and
take out
my dick.

Somehow it seems bigger than its original size.

What!?

It's way bigger than my dad's.

Wow Amazing!

And I feel so hot.

Aahh... What is it about this strong smell that is so alluring?

Lick it and suck it.

So is this because of my strengthened pheromones?

This virgin is spellbound by my penis.

The sense of smell has an extreme, direct influence on the nervous system which will soon reach her brain.

My heart feels like it's jumping out of my chest.

No, wait.

If I'm helping too much I'll turn it back.

I thought this would charm her.

Yes?

This is better.

So it is.

In the first stages of love, one becomes like a narcotic addiction patient.

OoAhh, This feels so good!

You're causing her brain to get flooded with norepinephrine, adrenaline, and dopamine.

Ahhh... Mmmm...

Ah... *pants*

You're sucking so courteously.

Good work for your first time.

I'm so happy you like it...

So this is what chemical sex is?

This does not use drugs.

Chemicals and electric impulses are stimulating the pleasure centers of her brain causing the amplification of sexual arousal.

Right now, I just want to surrender to pleasure without thinking too much.

Either way, I think there is a moral problem with this.

Go deeper.

Mhm.

Nngh... Nnnn...

Ahh~
Mmmh!

But the
first time--
Oh my God!
It feels so
good!!

It's like the
chemicals in her
brain made it
so she didn't
feel her hyman
break.

Hmmm~
Aaaa~
Aaaa~

So,
how does
your first
time feel?

I heard
from my friends
that the first
time would hurt
so I was scared
but...

You don't
have to be
afraid.

It's gonna
get even
better after
this.

It feels like
during this whole
time I've been
a totally
different
person.

Sex feels
so good!

Why was
I so
afraid?

Oh no!!
If you fuck me
any harder
I'll cum!!!

She's so sexy!
She's got the
best tits and the
best pussy I've
ever had!!

Aaah!!!
Nnn~!!

Uuuh Agh!
I'm
cumming
again!!

Hnnnnng!!

I'm happy
it made my
tits feel
good.
♡

It's
wonderful.
You came
so much!
♡

I didn't
even think
I could
cum this
much!

It got
your face
and scarf!

Sorry!!
too much
came out!

Aph...
pant

I thought
she would be
angry... The power
of chemical sex
is incredible!!!

to be continued...
