

IAN IS WELL RATED BY CUSTOMERS SO HE WAS GIVEN HALF A DAY OFF. HE'S BEEN ALLOWED A BREAK ON THE STREET FROM 9AM TO 6PM. BUT THERE ARE CONDITIONS. HE HAS TO WEAR A BALL WHIPPING MACHINE AND WIRE HANDCUFFS AND THE ORDER FOR HIM TO FORCE HIMSELF TO SMILE IS STILL IN EFFECT.

THIS CITY IS BURSTING WITH CRIME AND PROSTITUTION SO A BOY WHORE LIKE IAN ISN'T A STRANGE SIGHT.

THE
REMOTE
CONTROL
OF THE
BALL
WHIPPING
MACHINE
IS ON HIS
BACK.
PEDESTRIANS
CAN CHANGE
THE SETTING
IF THEY WANT.

THE WEAKEST
SETTING WHIPS
HIS BALLS ONCE
EVERY 30 SECONDS,
SO 1080 TIMES IN
HIS 9 HOUR BREAK.
IT'S STILL MIDDAY
AND THE STRENGTH
IS ALREADY AT THE
STRONGEST SETTING,
ONE WHIPPING
PER SECOND.
IF THE SETTING
ISN'T LOWERED
HIS BALLS WILL BE
WHIPPED 21600
TIMES UNTIL
6 O'CLOCK.

PLEASE,
SIR,
MAY
I ASK
YOU TO
LO.. GH...
LOWER
THE
STRENGTH
A BIT?

NO!
AND YOUR
SMILE IS
CRACKING!
KEEP IT STILL!
DO YOU WANT
ME TO MAKE
A COMPLAINT
AT THE
SHOP?!

IT WAS
THEN THAT
IAN REALIZED...
HE HADN'T BEEN
"ALLOWED" TO
TAKE A BREAK
ON THE STREET,
HE WAS "EXILED"
TO THE STREET
OUT OF CRUELTY
JUST TO RUIN
HIS DAY OFF.
HE HAS TO ENDURE
THE EXTREME PAIN
RUNNING THROUGH
HIS TESTICLES
WHILE SERVICING
EVERYONE
UNTIL SIX.

GH!
...
IHH!

Supplementary gear information

GPS here too

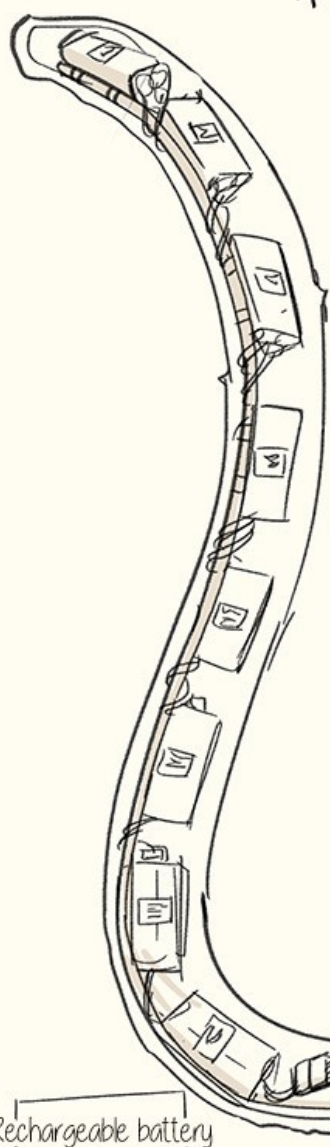

Subdermal chip

Records how many times his smile cracks

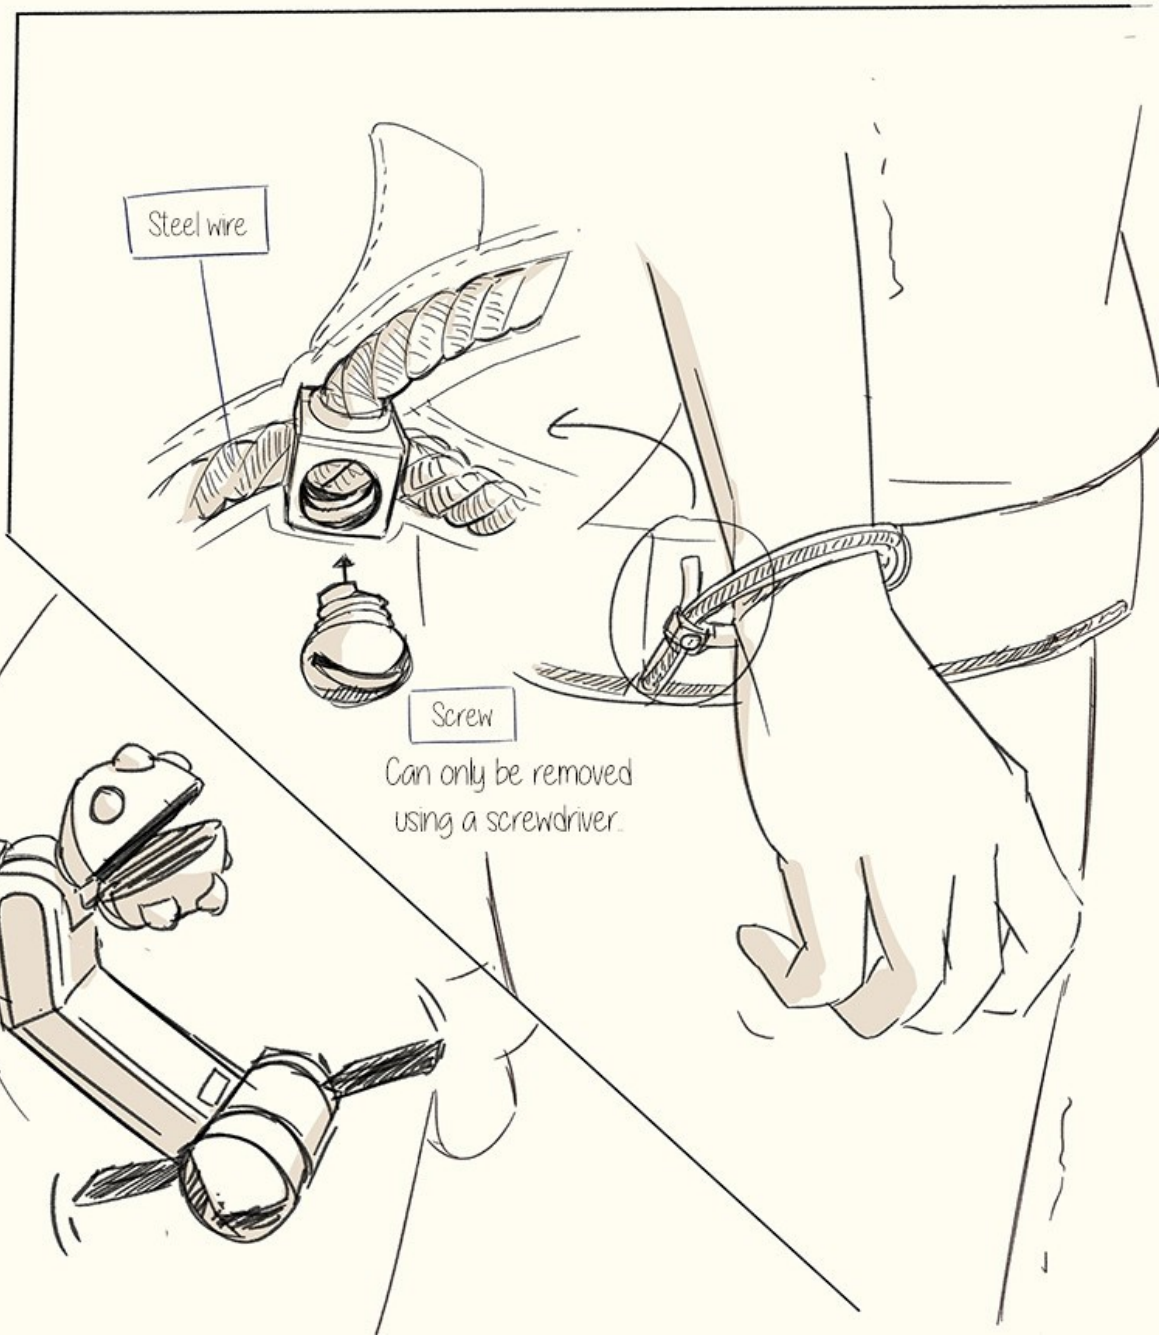

GPS

Ian can be recovered if he's kidnapped

Rechargeable battery

Has enough energy to shock him to death.

Steel wire

Screw

Can only be removed using a screwdriver.
