Hitomi Shiraku (18) is a unique gravure idol with N-cup breasts even though she just started college as a freshman. She is a single-minded girl who loves her boyfriend Yu-kun very much. But her N-cups are somewhat unnatural...

I really wished that the artist would translate this to english. But I don't think that he/she would do it so I did a rough translation using some tools online. I don't know Japanese so this won't be exact to the original but I believe I did the best I could with the knowledge I had. So enjoy! :)

Uh... Actually,
I've grown quite
a bit since I
entered college.
I'm in trouble.

You're still just a
first year, but you're
growing into such
stupid breasts.
How much have
you grow?

Does your
boyfriend ask to
rub your breasts?
He is about that
age.

Today i am interviewing
the popular gravure idol
Hitomi Shiraku! Starting
college today with her
N-cup breasts!

Hello~

hehehe...
Uh...

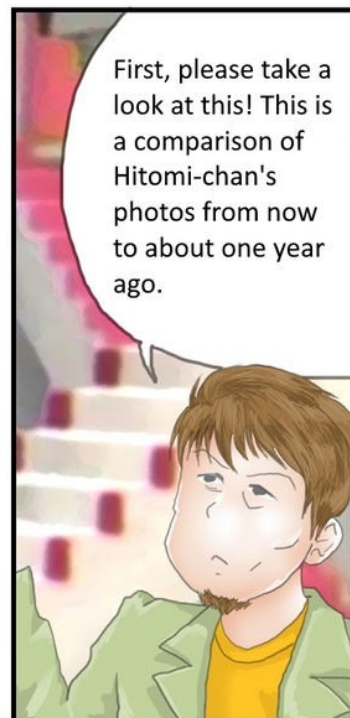

What is with this
interview? These
questions are sexual
harassment!

Actually, this is a project to
verify a cetain "suspicion".
By the way, nobody else got her
to come.

The popular idol
Yu-kun is my
boyfriend,
you know!

Ehe, I'm
finally on TV!

This time we will verify the fake breast suspicion of the popular gravure idol Hitomi Shiraku!

It is a thorough dissection at the last minute of the broadcasting standard!

Please don't...

Her life as an all-natural gravure model with an N-cup bust is over.

As you all may have noticed, Hitmoi's large breasts are indeed fake! I wonder if the saline bags will be exposed!

Somehow an expert came...

Dr. Mana Souita, a well-known plastic surgeon, visited us to verify the breast augmentation allegations!

Saline implants

Silicone implants

Breast augmentation is mainly divided into two types: Silicone and Saline.

Jesus.

It's like she is hiding
a giant water
balloon, right?

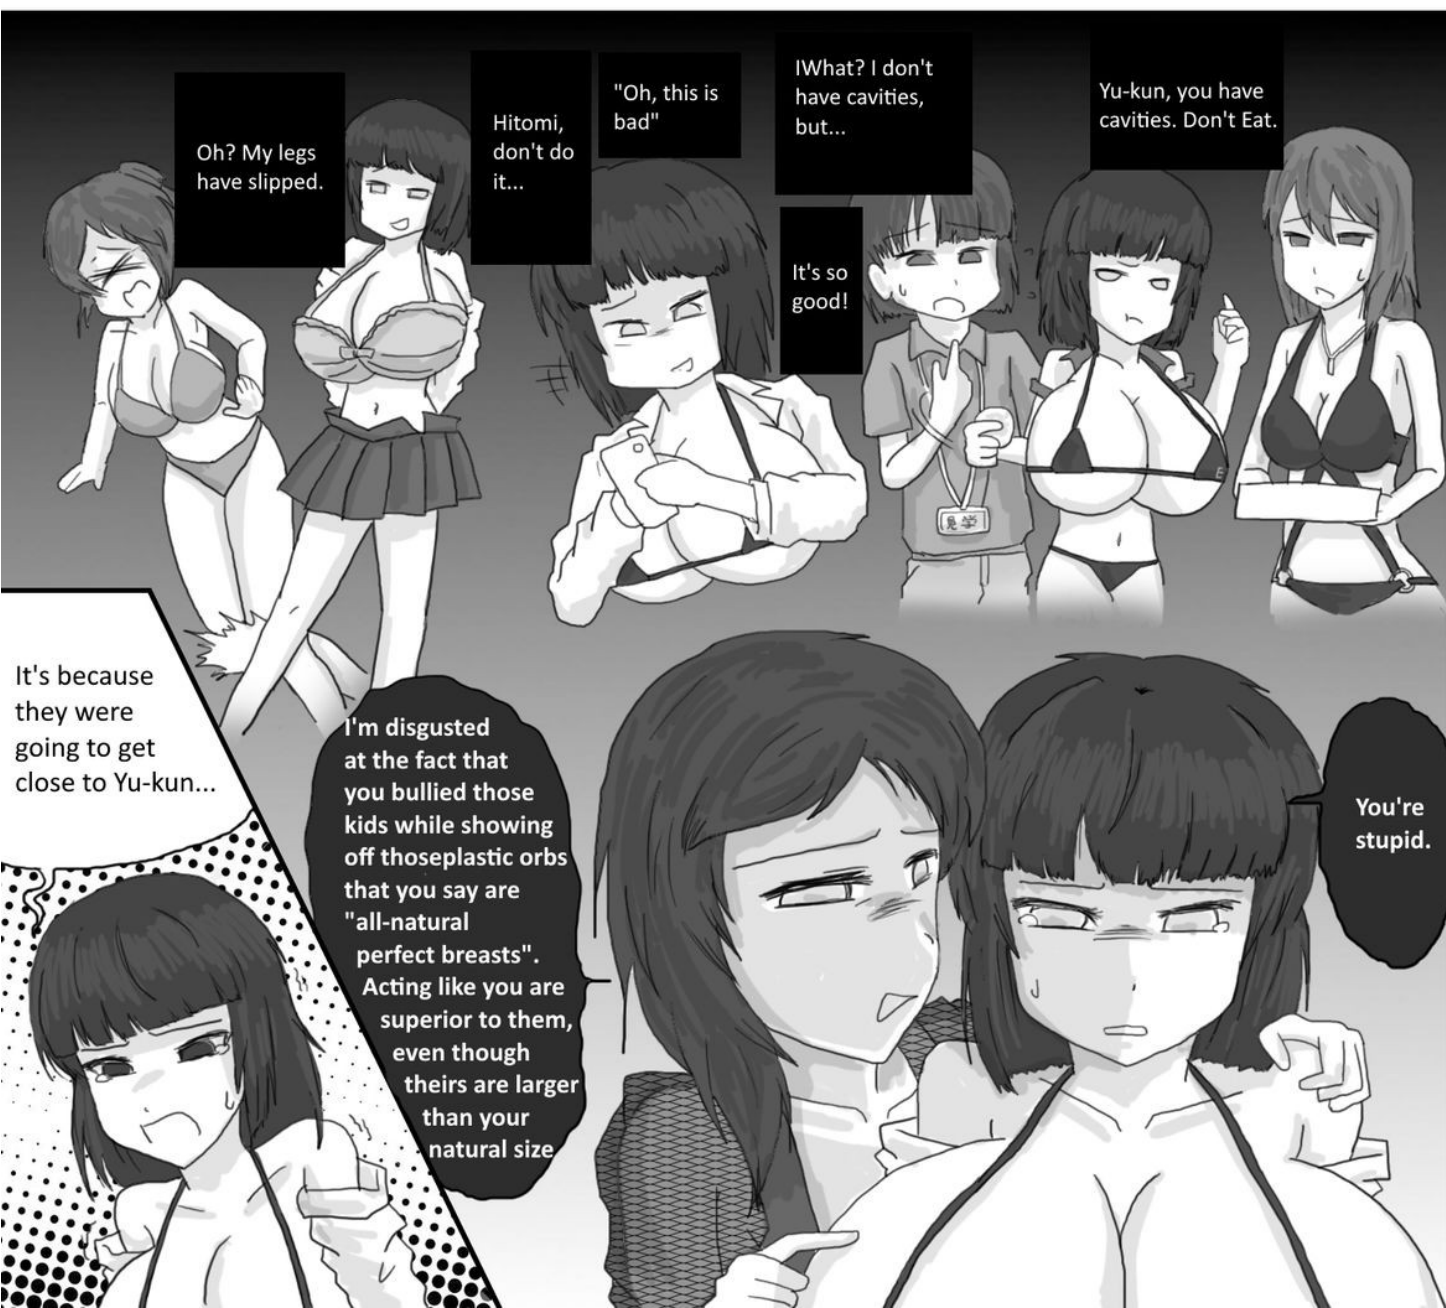

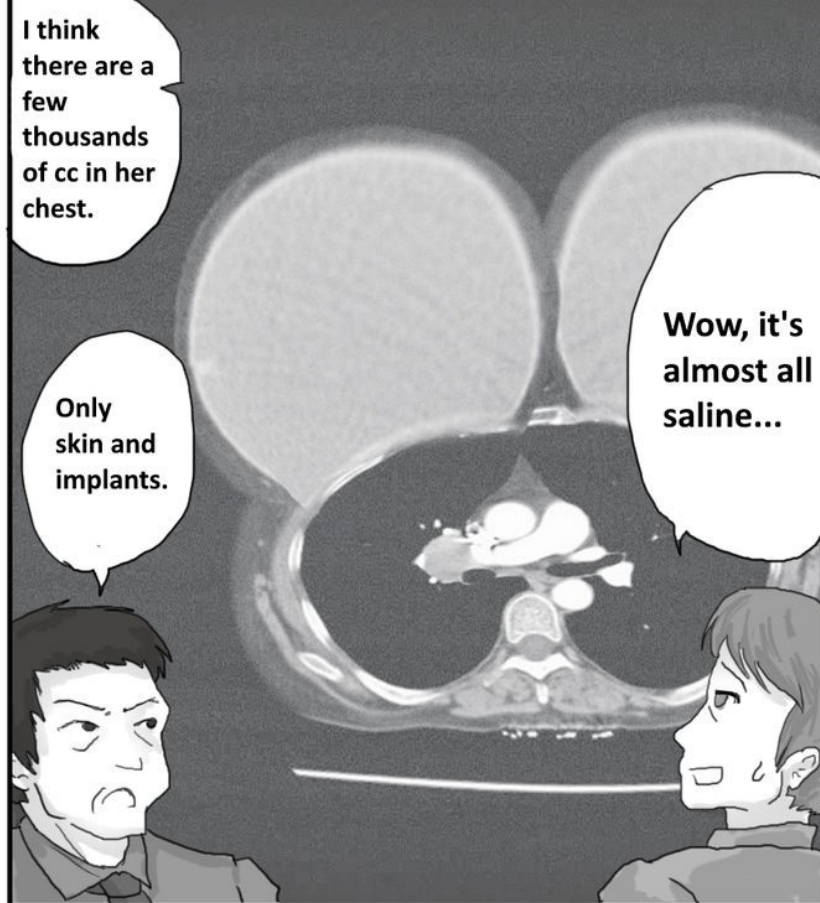

In her case, it is probably
saline implants since they
are an N-cup and is
pretty voluminous.

What?

Look at the monitor.
She was crying while she
took a picture before the
examination (the image
was recived by the
TV station).

Is Hitomi
alright?

Hey...

Yeah, -EEK

Wow,
there's lots
of water...

Sobs

My perfect
breasts....

Sniffles

They were soo
expensive...
Now im back to
being flat...

Uhhh,
Ouch

Hey.

Petter

My life;
Over

Is this a bikini?
It's almost only
a string.
Especially on
her right now.

Don't look
at me.

And...
Oh my god.
Dont point
me towards
the camera.

Oh my, this is a well
deserved humiliation
for bullying those kids.
Wow she really did
have a flat chest *chuckles*

Yu-kun also watches this
channel. When I said I was
going to appear,
he was happy...

Yu-kun.... Please Don't hate me...

Well...

Yu-kun,
I'm sorry I
decided you

Hitomi!

We're here,
wake up!

Hitomi Shiraku, 18 years old, did not have her breasts exposed as fake. But if they were to, her life my be ruined...

What...
It's my usual dream again..

Am I the same today? Isn't it strange?

Manager

As usual, but...?

What?
