### HARUTO (BROTHER)

While learning how to be a good housewife so that he can marry his sister, it feels like he's capable of anything.

One day his younger sister said, "it would be nice to have a big sister". Triggered by this statement, he's since made every effort to become a woman.

On his bedroom shelf are several erotic books about straight shota.

### AKIHO

With bridal training it became possible for him to make MyTube videos about cooking, piano dance, etc. Since nobody knows him in real life and he doesn't speak a word in his videos, no one realizes that he's actually a man.

The sweets he makes are so excessively sugary that his viewers are always making comments like, "Reduce the amount of sugar when making this!".

TS

### HARUTO ♀

An older brother who was transformed into an older sister with the help of an incredible drug.

### AKIHO ♀

Used black magic to transform into a woman by sacrificing ten of his father's hairs.

He'll revert back into a man if his father ever runs out of hair, so he gifts him with hair growth tonic for his birthday.

EVEN A MONKEY  
WOULDN'T GET IT!

## FUN SOCIALLY AWKWARD TS SIBLINGS

~THE TWO CHARACTERS WHO COMPLICATE THINGS WILL BE INTRODUCED AS THEY ARE ADDED RETROACTIVELY.~

### RENNA (SISTER)

An introvert who lives with her father. Constantly fiddling with her smartphone. The only people she can talk to are her family.

Never leaves her room unless her brother is home.

She eats lunch by herself near the door of the roof while watching videos of the popular MyTuber Akiho-chan.

Likes Kik\*arna Nezumi and hijiki (algae).

### FUYUNE

An online persona of Renna who changed her appearance with a wig and colored contacts. Takes slightly lewd selfies and chats on the live video site MyTube.

TS

### RENNA ♂

Is unable to return to her original form.

Is always nervous because she never knows when she'll be assaulted by her brother who became a girl.

Suffers from premature ejaculation.

### FUYUNE ♂

Since she's popular with the girls, she starts to think it isn't so bad to keep living as a guy, after all.

Is shorter than Renna.
