# Afterword

It's been half a year.

The coronavirus is raging all around us, and it's a difficult situation we find ourselves in whether it comes to problems with working or even just going outside...

I pray only for everyone's good health.

In the midst of all this, I would be happy if this dick book of mine can help satisfy some of your cravings.

I hope the day will come again soon, when I'll be able to participate at events without fear or hesitation...!

Now then, this time it's a story about the guys from "Himitsu no suiyoubi" going on an amusement park date. I had some difficulty with choosing the amusement park setting since I don't want to fall into a light and fluffy rut, but somehow I wanted to do something lively and upbeat now. Hopefully, my next work will be done within two months or so... And with that, allow me to wish you a wonderful day!

Stay strong, everyone...

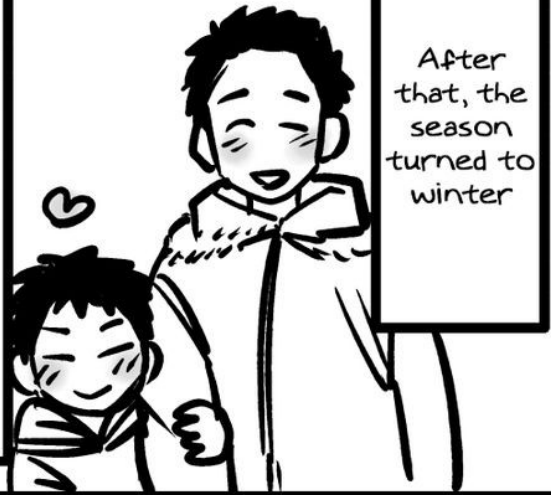

← The next two pages are an omake I drew last year.

Lately, he's almost always hard

I've gotten all hard

And soon enough, Takuya-kun was able to come stay over at my place

After that, the season turned to winter

Shougo-san

I want you to suck my dick

Are you trying to leave early, or what?

Why, you little~

Ehehe

What do you want to do?

Rough  
draft

This  
area is  
pretty  
GOOD
