Hi! I'm W.P, and this is my solo project.

I did the cleaning, typesetting and such.

This is my first time doing this, and I don't speak Japanese, and did this using translator, (MTL'ed), I did my best in deriving the text and modifying it to make it more understandable.

I'll be doing some translating on some works soon.

..but sir,
Will the
funding be
needed for
the next
presidential
elections?

SGW sure is
friendly.

Hey, if you
request a loan,
I'll take the
consultations.

SGWHD主催
懇親会会場

That's right.
I'll do my
best to keep
the story
going.

.but for
now...

Next time,
should I call
the head of
the bank
and talk to
them?

..Haha. Totally.
I won't hesitate
then. SGW is
really good for
having
a talented
employee like
you.

... yes-nhhhh~

Feel free to use
our asshole for
your social
circle.

Please use it a
lot~

-A few months ago-

You've been transferred Shitara-Kun.

Yes, I heard that it pays well in the shrine office. That's why i've been working so hard. I'm happy to be transferred.

It is expected, you have a direct appointment from the main office.

Well, for now, good luck with your training period.

We're going to have a thorough employee training in the Coach room. I'll supervise it.

Then, let's not waste anymore time.

.....t

This is?!
What is this?
Wha-...

Instead, I started offering them a backdoor deal so that the company won't go under the eyes of prosecutor.

You see...

Our sales office, is a place where we merely train those employees for those kind of deals

There are corruption cases in the past, however the upper management could not keep with the customer's wishes.

A job to be a partner of different VIP's across the world. The salary and treatment are several times better, a world that a bottom feeder like you never experience.

..Okay, you have a promising future. Don't be ashamed of this act, rather be proud to have this kind of opportunity.

Hey...

Just really work hard on this and you can have your wife raising the child with a peace of mind.

Don't you get it?

These guys are crazy.

Shitara-kun, you're gonna have a child coming soon, right? Isn't this the most important opportunity?

Yeah yeah.
If you have
decided
let's get
started
already!

Let's start
with
blowjob
service.
Make sure
to take
note of
everything.
I'll help
you train
your
tongue.

I can't go
against
him.

Ahh...
Good.. Yes..
Let's go,
your tongue
feels nice.

But for now,
you'll be the
wife
Shitara-kun~

You have to
endure it for
the sake of
your dear
wife.

I'll be the
one
sleeping
with you.
I love this~

Oh GOD!
Fuck~
Ohhhh..
Oh my
God...

Seriously?
Its not a
joke?!

This time,
I'll tell
you the
goodness
of male
pussy.

Look at
your cock
going
inside my
ass.
Tada~

It's not bad
isn't it?
Tell me what
it feels like.
Much better
than your
wife's pussy?

A man is
raping me.
It's disgusting.
Yet, my cock
is far from
being soft.
It's not
stopping.

Let's go
to your
actual
training~

Shitara
kun~

“Its finally
over” - Is
that what
you're
thinking?

You would be dealing with VIP's from now on. Get used to this. If not, you'd be in trouble.

Shitara-kun will service as a male pussy of the company, remember this feeling well.

I must endure... For my family.. I should endure..

I can't stand this.. I cant do this... Oh!

Feels Good!

Fuck!

Feel it!

Hmm..
It's not
that
bad.

Oh,
you're
home.

Im
home.

You are
late, how
is the new
office?

トク...

I love
you..

Yeah..
Thanks..
But don't
overdo it.

Earlier,
I went to
a
Check-up.

With my
new job, I'll
do my best
so don't
worry.
Please give
birth to a
healthy
child.
